"Full pressure" work puts a Morris-Commercial into its element. Day in, day out, and under all conditions, it stands up to any amount of heavy loads. And there's the added efficiency of EQUI-LOAD. With Equi-load each axle takes its fair share of the burden—the chassis is not unduly stressed, tyre wear is reduced and the load itself protected. May we send you full details of these vehicles?

The Home was constructed and is equipped for 150 girls, and the desire of the Committee is to maintain the full complement.

The objects of the School are to afford free education, clothing and board to the sons of Scottish Sailors, Soldiers and Airmen. Preference is given to nominated boys, orphans and those whose fathers have been killed in action or died on service.

Boys may be registered at the age of seven years and are admitted up to nine years of age.

The training is similar to that in an ordinary boarding school, and, in addition to handicrafts, boys are taught one of the following trades :—

Piping, Drumming, Music or Tailoring.

The playing fields are extensive, and athletics form a part of the daily training.

The normal leaving age is fifteen years when a boy may (*a*) join His Majesty's Forces; (*b*) if recommended, continue his education in the Upper School until the age of eighteen years; or (*c*) return to his home or to an occupation in civil life.

A Scholarship is available for a boy who qualifies at an Army and Air Force Entrance Examination for admission to the Royal Military Academy, Woolwich, the Royal Military College, Sandhurst, or the Royal Air Force College, Cranwell. Its value is sufficient to cover the whole of his expenses until he enters the Army or the Royal Air Force as an Officer.

All information can be obtained from the Commandant of the School.

MILITARY WIDOWS' FUND. BRITISH SERVICE.

This Fund enables a British Service (Army) Officer, by subscribing from Rs. 6 to Rs. 10 per quarter, to assure, in the event of his death while on the Indian Establishment, immediate payment :—

To his widow	Rs. 8,775 to Rs. 12,375	
For each child	,, 750 to	,, 1,125

Payments are made immediately on receipt of report of death, irrespective of death occurring in or out of India.

The sum paid to the widow varies with subscription, and the sum for each child varies with age of child. Subscriptions are based on the rank of the officer.

Benefits are payable whether the deceased officer's family is residing in India or not.

It is to the advantage of an officer to join the Fund on his first tour of service in India, as otherwise, on joining it in a subsequent tour he would have to pay subscriptions for any previous tour in the country as a married officer, but not in excess of four years.

The Fund (late Queen's Military Widows' Fund) was established in 1820, to assist families of British Service (Army) officers dying in India, and mainly to enable them to return home without delay.

The Fund is controlled by a Committee consisting of and elected by subscribing officers serving at Army Headquarters, Simla.

For admission apply to :—

97, Jermyn Street, S.W.1.

This Home (opened in February, 1854) was founded in 1851, in memory of H.R.H. Adolphus Frederick, Duke of Cambridge, K.G., to provide a home for widows of Non-Commissioned Officers and Privates of the Army. They are not to be under 50 years of age, but there is no restriction as to religious persuasion.

Since its opening, 507 widows have been elected. There are 70 widows in the Home, in addition to 19 widows receiving pensions. Each inmate has a furnished room, and receives twelve shillings a week and a monthly allowance for coal in addition to other amenities.

The total funded income of the Charity falls short of the estimated average annual cost by about £1,000.

The Committee make an urgent appeal for additional subscribers, as every year a considerable number are lost through death.

Most Corps, Regiments and Regimental Depots make annual subscriptions; but the Committee have also relied upon retired officers, and it is to them that a special appeal is made.

Every person subscribing half-a-guinea annually is entitled to one vote at each election, and a donation of five guineas ensures one vote at each election throughout life.

LLOYD'S PATRIOTIC FUND

LLOYD'S BUILDING, 5, LIME STREET, LONDON, E.C.3.

ESTABLISHED 1803.

This Fund is administered by Trustees under a scheme approved by the Charity Commissioners, in whose name the Capital is invested.

The Trustees grant pecuniary aid to such Officers, Soldiers, Seamen and Marines, or their Widows, Orphans or Dependent Relatives, as, in the opinion of the Trustees, shall be fitting objects for such aid, having special regard to long and meritorious service, and to suffering and losses arising during active service. With the exception of the families of Naval Officers, only very few cases arising out of the Great War can be considered at present.

This fund also nominates children of such Officers and Men to Army and Navy Schools.

The balance of the Mansion House South African War Fund is also administered for the benefit of men disabled by wounds, disease, or sickness in that War, discharged "medically unfit" in consequence and unable to work on account of their disability.

Applications and enquiries should be addressed to the Secretary, who will be very pleased to receive subscriptions on behalf of this Fund. Cheques and Postal Orders should be crossed "National Provincial Bank, Ltd."

Those selected by the Board of Commissioners are admitted between the ages of nine and eleven years, provided they reach the required medical and educational standards. The School's waiting list is a long one, but each application is considered on its merits, the career and character of the father while in the Service being always considered as principal recommendations.

The normal age for leaving the School is fifteen years, when boys may (*a*) join His Majesty's Army, (*b*) return to their homes or to an occupation in civil life, or (*c*) if recommended, continue their education in the Upper School until the age of nineteen years.

There is no obligation for boys to enter the Army from the School, but those who do not intend to do so are not retained beyond the age of fifteen years.

Two Scholarships are available for boys who qualify at an Army Entrance Examination for admission to the Royal Military Academy, Woolwich, or the Royal Military College, Sandhurst. The value of a Scholarship is sufficient to cover the whole of a boy's expenses until he enters the Army as an officer.

Further information will be given on application to the Secretary at the School.
