HISLOP'S TIME-GUN MAP OF EDINBURGH AND LEITH,

Shewing the distance to which the Audible Report of the Daily Time-gun's Fire travels in every second, up to twelve seconds, according to the best ascertained velocity of sound, viz., 1,116 feet in one second, when the air is at a temperature of 54° Fahrenheit.

THE EDINBURGH DAILY TIME-GUN is a large cannon, mounted on the "Half-Moon Battery" of the Castle of Edinburgh, and after having been duly loaded with four lbs. of gunpowder by the Master-Gunner and men of the Royal Artillery, is fired off at the precise instant of One o'clock P.M., (Greenwich mean time, now also the City, and, generally, Railway time,) through the agency of electric influence from the Royal Observatory on the Calton Hill, whereby the accuracy of the time of the actual flash and fire is guaranteed to the fifth part of a second.

The Map, as above described, is adjusted to the temperature of 54° Fahrenheit, because that is the annual mean temperature of the air for One o'clock P.M. in the neighbourhood of Edinburgh; and if any one particular day should chance to be so much as ten degrees warmer than what is here assumed, it will only increase the velocity of sound by 1-100th of the whole, a quantity which it is seldom in practice worth while to apply.

The effect of *wind* on the velocity of sound is even smaller still, though influencing much both its intensity and volume; that is, according to the strength and direction of the wind at the instant, an observer at the same place may hear the gun exceedingly loud one day, and exceedingly weak the next; but he will hear it on each occasion after sensibly the same interval of time from the fire, measured in seconds and fractions of a second, according to his position and the circles printed on the Map.

Examples of the Mode of Using the Time-Gun Map.

1st Example.—What correction must the captain of a ship in the new dry dock at Leith apply to the observed time of the sound, or report of the gun as heard *there*, in order to obtain the time of the *fire*, or of One o'clock true?

Answer.—The dry dock at Leith being placed on the map half-way between the eleventh and twelfth circles, the answer is, he will have to subtract eleven and a-half seconds.

2d Example.—A gentleman who had been to the top of Arthur's Seat, and heard the Time-gun fire when he was there, asseverated amongst his friends on returning to them, that his watch had pointed to One o'clock *exactly* at the very instant when the gun sounded in his ear. Required the error of the gentleman's watch?

Answer.—By looking at the map it will be seen that the *seventh* circle from the Castle passes over the summit of Arthur's Seat. Seven seconds, therefore, from the fire must have elapsed before the sound could reach that spot, and the gentleman's watch must have been consequently, and without any doubt, seven seconds slow.

STAMP AND LEGACY DUTIES, ETC.

ADHESIVE STAMPS.—The Board of Inland Revenue gave notice by advertisement, 20th April 1862, that an impressed stamp of 1d., and an adhesive stamp of 1d., had been provided to be used indiscriminately for *Receipts, Drafts, Certified Copies of Registers of Births, Baptisms, Marriages, Deaths and Burials, Contract Notes, Delivery Orders, Policies of Insurance against accidents in travelling.* The adhesive stamp has "Inland Revenue" around a bust portrait of her Majesty, and below "One Penny." The impressed stamp has on it "One Penny," and the date in figures. The old stamps may still be used. The stamps appropriated by name are, *Bills and Promissory Notes, Bills of Lading, Proxy impressed Stamps, Customs and Postage Stamps.* In cancelling adhesive stamps, instead of writing the name of the party or his firm in full, it shall be sufficient if the initials shall be written, stamped, or impressed in ink on the stamp, together with any other particulars required by law, provided the stamp shall be effectually cancelled, so as not to admit of being again used. (24 & 25 Vict. c. 91, § 33.)

(INLAND BILL) DRAFT or ORDER, after 10th October 1853, for the payment of any sum of money to the bearer, or to order, on demand.....1d.

And the following instruments shall be deemed and taken to be drafts or orders for the payment of money within the intent and meaning of this Act, and of any Act or Acts relating to the stamp duties on bills of exchange, drafts, or orders, and shall be chargeable accordingly with the stamp duties imposed by this Act, or any such Act or Acts, viz. :—

All documents or writings usually termed letters of credit, or whereby any person to whom any such document or writing is or is intended to be delivered or sent, shall be entitled or be intended to be entitled to have credit with, or in account with, or to draw upon any other person for, or to receive from such other person any sum of money therein mentioned.

Exemptions from the duties on Drafts or Orders.—All letters of credit, whether in sets or not, sent by persons in the United Kingdom to persons abroad, authorising drafts on the United Kingdom (16 and 17 Vict. c. 59.)

DRAFT or ORDER, after the 24th May 1858, for the payment of any sum of money to the bearer on demand, which being drawn upon any banker within fifteen miles of the place where such draft or order is issued, was formerly exempt from Stamp duty, (21 Vict. c. 20).....1d.

The following is from schedule of 23 Vict. c. 15, under BILL of EXCHANGE, DRAFT, or ORDER :—

"All Bills, Drafts, or Orders, for the pay

ment by any banker, or person acting as a banker, of any sum of money, though not made payable to the bearer or to order, and whether delivered to the payee or not; and all Writings or Documents entitling or intended to entitle any person whatever to the payment from or by any banker, or person acting as a banker, of any sum of money, whether the person to whom payment is to be made shall be named or designated therein or not, or whether the same shall be delivered to him or not, shall respectively be deemed to be bills, drafts, or orders for the payment of money chargeable with Stamp duty, as if the same had been made payable to bearer or to order. Provided always, that any one Document or Writing, although directing the payment of several sums of money to different persons, shall be chargeable with Stamp duty, as one order only."

Draft or Order, Writing or Document, for the payment, or for entitling any person to the payment, by or through any banker, of any sum of money, sent or delivered to the banker, and not to the person to whom payment is to be made, or any person on his behalf, to be held not to have been and not to be chargeable with any higher Stamp duty than *one penny*, although payable at any time after date. Duty may be denoted by adhesive stamp, to be cancelled as in the case of a draft on demand. (23 & 24 Vict. c. 111, § 17.)

Exemptions.—Any draft or order drawn by any banker upon any other banker, not payable to bearer or to order, and used solely for the purpose of settling or clearing any account between such bankers.

Any letter written by a banker to any other banker, directing the payment of any sum of money, the same not being payable to bearer or to order, and such letter not being sent or delivered to the person to whom payment is to be made, or to any person on his behalf; and all warrants or orders for the payment of any annuity granted by the Commissioners for the Reduction of the National Debt, or for the payment of any dividend or interest on any share in the Government or Parliamentary stocks or funds; and all drafts or orders drawn by the Accountant-General of the Court of Chancery in England or Ireland, shall be exempt from all Stamp duty. (23 Vict. c. 15.)

Note.—The Act 17 & 18 Vict. c. 83, § 9,—referring to the English Act 17 Geo. III. c. 30, and the Acts continuing the same which make bills, &c., above 20s. and under £5, if not drawn in a particular way, invalid, and those below 20s. abso-

lutely invalid, and not to the Scotch Act to the like effect, 8 & 9 Vict. c. 38, § 16 and 17,—provided that the said Act and the continuing Acts should be repealed, in so far as regards drafts on bankers for money held for the use of the drawer. And the Act 23 & 24 Vict. c. 111, § 19, now provides generally, without special reference to either the English or Scotch Acts, that draft on a banker who shall *bond fide* hold money to or for the use of the party, payable to bearer or order on demand, of any sum less than 20s. shall be lawful. Do both the above provisions apply to Scotland, or only the latter? The Act 8 & 9 Vict. c. 38, § 20, provides that that Act shall not prohibit draft on a person's own banker for the payment of money to the use of such person.

[The duty on drafts or orders may be impressed on the paper, or an adhesive stamp may be affixed. (16 & 17 Vict. c. 59, § 3.) See *Adhesive Stamp*.—Where an adhesive stamp is used, the maker of the draft to cancel the stamp by writing on it his name or initials. Penalty for omission, &c., £10. (16 & 17 Vict. c. 59, §§ 4 and 5. The payer of the draft or order shall, when he pays it, write the word "paid" on the stamp. Penalty for omission, £20. (23 Vict. c. 15, § 12.) Banker may affix stamp to an unstamped draft and cancel it, and pay the draft, charge the person who ought to have paid it with the stamp, or deduct it from the sum. Draft good, but not to relieve of penalty. (23 & 24 Vict. c. 111, § 18.) Penalty for removing adhesive stamps, or using them a second time, or doing any act to defraud of duty, £20. (16 and 17 Vict. c. 59, § 4 and 5.)]

...	4000 and upwards—every bill of the set, for every £1000, or part of £1000,		3s. 4d. (23 Vict. c. 15.)

Note.—The duty on a Foreign Bill, on and after 3d April 1860, drawn or endorsed out of the United Kingdom for the payment of money on demand, is the same

duty as on an Inland Bill of Exchange, for the payment of money otherwise than on demand. (23 Vict. c. 15.) See above.

The word "endorsed" is held by the Board of Inland Revenue to have no practicable effect. See *Times*, 20th and 22d April 1860.

Foreign Bill drawn in but payable out of the United Kingdom on demand, although to be endorsed out of the United Kingdom, if not drawn in sets, would be liable to duty of 1d.

[The duties on Foreign Bills, drawn out of the United Kingdom, are to be denoted by adhesive stamps. The holder to affix the adhesive stamp if one not on it before he negotiate it, and cancel the stamp by writing his name or the name of his firm, and the date on it. (17 & 18 Vict. c. 83, § 3.) If the Bill or Note be received by the holder with the adhesive stamp effectually obliterated and purposed, and appearing to be duly cancelled, the same, as regards such holder, shall be deemed to be so. If not cancelled, the holder may do so, as if he were the person first negotiating the Bill or Note. On his doing so, the Bill or Note shall be duly stamped. The person who ought to have cancelled the stamp not relieved of any penalty incurred by not cancelling the same. (24 & 25 Vict. c. 91, § 33.) The Act 23 Vict. c. 15, § 12, provides that the party paying the bill shall, when he does so, write the word "paid" upon the stamp. The amount of duty on adhesive stamps is impressed on two parts. The Board of Inland Revenue recommend that the cancellation should be on one of the parts, and the other left legible.]

If a Foreign Bill payable abroad, and as to which the provision "drawn in sets of three or more" apply, shall be drawn in a single bill, the duty will be the same as on an Inland Bill; and if in a set of two, the duty on each will be the same as on an Inland Bill. This is in accordance with the opinion of the Board of Inland Revenue, (see *North British Daily Mail*, 3d November 1854.) But the Board have given an opinion that a Foreign Bill drawn abroad and payable in this country in duplicate or triplicate only represents one transaction, and is liable to the duty on one Inland Bill of the same account,—that is, if one of the parts have the full duty, the others may be unstamped, (see *Times*, 6th November 1854.) The schedule of the Act does not provide for such a bill being drawn in sets. Bills bearing to be drawn out of the United Kingdom are to be deemed

Foreign Bills so drawn, although they may in reality be drawn in the United Kingdom. (17 & 18 Vict. c. 83, § 4.) A person in the United Kingdom drawing and issuing a bill payable out of the United Kingdom in a set, must draw the whole set, and a person transferring or negotiating such bill must transfer and deliver, stamped, the whole number of the set. Penalty £100. A person taking such bill must get the whole set stamped, otherwise he cannot recover on it or make it available. (*ib.* § 6.) This applies only to bills drawn within and payable out of the United Kingdom.

INLAND BILL, DRAFT, or ORDER, for the payment of any sum of money, though not made payable to the bearer, or to order, if the same shall be delivered to the payee, or some person on his or her behalf, the same duty as on a bill of exchange for the like sum, payable to bearer or order.

INLAND BILL, DRAFT, or ORDER for the payment of any sum of money, weekly, monthly, or at any other stated periods, if made payable to the bearer, or to order, or if delivered to the payee, or some person on his or her behalf, where the total amount of the money thereby made payable shall be specified therein, or can be ascertained therefrom, or shall be indefinite, the same duty as on a bill payable to bearer or order on demand.

PROMISSORY NOTE for the payment of any sum of money by instalments, or for the payment of several sums of money at different days or times, so that the whole of the money to be paid shall be definite and certain, the same duty as on a promissory note, payable otherwise than to the bearer on demand, for a sum equal to the whole amount of the money to be paid.

MANDATE. See PROXY.

MARRIAGE CONTRACT. The leading head under which marriage contracts are chargeable is "Settlement." By the statutory note under this head, it is provided that instruments containing settlements of lands or other property, or *other matter or thing*, besides the settlement of money or stock, shall be chargeable with duty in respect of such, as if contained in a separate deed. A marriage contract may therefore be liable to a number of different duties. If definite and certain sums, and shares of stocks, are settled so as an interest to any extent shall be given, which shall certainly take effect, and not be altogether contingent, these are liable to the *ad valorem* Settlement Duty. If an annuity is provided to widow or others, such is liable to Bond of Annuity Stamp Duty. Obligations to pay sums to widow, such as for mournings, are liable to *ad valorem* Bond Duty. All settlements of property, or other matters not liable to specific duty, will be covered by one general deed duty, over and above the other duties. An obligation by the hus-

band to pay sums to the trustees for the children, if any, would be liable to the Bond Duty, not Settlement Duty, being contingent.

able,—The same duty as on a mortgage for a sum equal to the value of the stock or fund secured according to the average price at the date of the mortgage, or on either of the ten days preceding, or on the latest day preceding on which there has been a known sale.

And where the same respectively shall be made as a security for the payment of a sum of money, and also for the transfer or retransfer of a share in any of the said stocks or funds, the said *ad valorem* duty shall be charged in respect of each.

And in case the same respectively shall be made as a security for the payment or transfer, to different persons, of separate and distinct sums or shares,—The *ad valorem* duty shall be charged for each separate and distinct sum or share therein specified and secured, and not upon the aggregate amount.

And where any such deed or instrument shall be made respectively as a security for the payment of *any annuity*, or any sum by way of repayment, or in satisfaction or discharge, or in redemption of any sum lent, advanced, or paid, as, or for, or in the nature of a loan intended to be repaid, discharged, or redeemed, in manner aforesaid,—The same duty as on a mortgage or wadset for the sum of money so lent, advanced, or paid.

TRANSFER, disposition, or assignation of any wadset, or other such security, &c.—

Where *no further sum* or stock shall be added to the principal already secured, if such principal shall not exceed in the whole £1400,—The same duty as on a wadset, &c., for the total amount or value of such principal.

RECEIPTS for money amounting to £2 or upwards,—1d.

The following provisions as to what shall be deemed a receipt, and the exemptions from receipt duty by 55 Geo. III. c. 184, are still in force.

Any note, memorandum, or writing whatever, given upon the payment of money, whether signed or not, shall be a receipt if it shall import or signify that any sum

of money, debt, or demand, or any part thereof amounting to £2 or upwards, has been paid or settled ; and like documents given upon payment by bills, drafts, promissory notes, or other securities for money, are also receipts.

According to decisions, a simple acknowledgment of a sum of money in loan, or of the correctness of a debt, or of a deposit of money, is not liable to stamp duty, either as a receipt or promissory note. The judges held it essential to render a receipt liable to duty that something formerly due had been discharged. On this principle a receipt for a sum of money as a donation to a religious or charitable purpose, not being anything formerly due, would not be liable. The Board of Inland Revenue have intimated that they are to regard such receipts as exempted.

Among the exemptions from receipt duty are—Receipts written on promissory notes, bills, drafts, or orders for the payment of money, duly stamped.

Receipts written on any bond, mortgage, or other security, or any conveyance, deed, or instrument whatever, duly stamped, acknowledging the receipt of the consideration money therein expressed, or the receipt of any principal money, interest, or annuity thereby secured.

The exemption of letters by the general post acknowledging the safe arrival of any bills of exchange, promissory notes, or other securities for money, is repealed by 17 and 18 Vict. cap. 83, § 13.

[Stamps may be impressed or affixed.

Where adhesive stamps are affixed, the granter is required to cancel the stamps by writing, stamping, or impressing in ink, his name or initials on them. Penalty for omission,—£10. Penalty for removing adhesive stamps, or using them a second time, or doing any fraudulent act to defraud of duty,—£20. (16 and 17 Vict. c. 59, § 3, 4, and 5 ; 24 and 25 Vict. c. 91, § 33.)]

And if the same shall exceed £100, then for every £100, and fractional part of £100,—5s.

All such deeds which contain any settlement of lands or other property, or any other thing besides the settlement of such money or stock, shall be chargeable with such further duty as any separate deed containing such settlement of lands or other property, or other thing, would have been chargeable with, exclusive of the progressive duty.

And where there is more than one such deed chargeable with any such duty exceeding £1, 15s., one of them only shall be charged with the *ad valorem* duty; and also where any settlement shall be made in pursuance of any previous articles chargeable with, and which shall have paid any such duty exceeding £1, 15s., it is not chargeable with the *ad valorem* duty; and the deeds not chargeable with the *ad valorem* duty shall be charged with the duty to which they are liable under any more general description in the stamp schedules; and on the whole being produced duly executed and stamped, the latter shall also be stamped with a particular stamp for denoting the payment of the said *ad valorem* duty.

INVENTORY DUTY.

I. PERSONAL ESTATE :—

Exhibition of the Inventory, and mode of paying the Duty.

All and every person or persons who, as executor or executors, or otherwise, shall enter upon the possession or management, in whole or in part, of any personal or moveable estate in Scotland of any deceased person, shall, within six months thereafter, exhibit upon oath in the Commissary Court an Inventory, duly stamped, of all the personal or moveable estate and effects of the deceased. The Inventory and testamentary writings left by the deceased, if any, shall be recorded in the Books of the said Court. (48 Geo. III. c. 149, § 38.)

Inventories and relative testamentary writings are to be given up and recorded in, and confirmations granted by, the Commissary Court of the county wherein the deceased died domiciled; and in the case of persons dying domiciled furth of Scotland, or without any fixed or known domicile, having personal property in Scotland, the Commissary Court of Edinburgh. (21 and 22 Vict. c. 56, § 3 and 8.)

Oaths and Affirmations to Inventories of personal estates, to be given up and recorded in any Commissary Court, may be taken either before the Commissary or his Depute, or the Commissary-Clerk or his Depute, or before any Commissioner appointed by the Commissary, or before any Magistrate or Justice of the Peace within the United Kingdom or the Colonies, or any British Consul. (21 and 22 Vict. c. 56, § 11.)

If the deceased person died domiciled in Scotland, it shall be competent to include in the Inventory of the personal estate in *Scotland*, the personal estate in *England and Ireland*. The estate in *England and Ireland* shall be separately stated in the Inventory, and the Inventory shall be stamped with a duty corresponding to the entire value of the estate situated within the United Kingdom. If confirmation be required, the domicile must be proved, and the Commissary must find it to be in Scotland. A Confirmation, in which shall be included personal estate in *England and Ireland*, on being produced in the Principal Probate Court in *England*, and the Court of Probate in *Dublin*, and a copy thereof deposited with the Registrar, together with a copy of the Interlocutor

of the Commissary finding that the deceased died domiciled in *Scotland*, is to be returned sealed, and is thereafter to have the same force and effect in *England and Ireland*, as if Probate or Letters of Administration had been granted by these Courts. (21 and 22 Vict. c. 56, § 9, 12, and 13.)

The provisions of the Act are merely permissive to pay Inventory Duty on the whole personal estate in *Great Britain and Ireland* where the deceased died domiciled in *Scotland*, and the like provisions as to the payment of Probate and Administration Duty where the deceased died domiciled in *England and Ireland*. It is therefore still competent to pay Inventory Duty on the Estate situated in *Scotland*, and Probate or Administration Duty in respect of the estate in *England and Ireland*. In the case of a person dying domiciled furth of the United Kingdom having personal estate situated in *Scotland*, this mode of paying the duty must be followed, as in that case there is no provision for payment of Stamp Duty, in respect of the personal estate in *England or Ireland*, on the Inventory, or obtaining confirmation in respect thereof.

Additional Inventory—Corrective Inventory.

If there be any omission in the Inventory inferring payment of further duty, an additional Inventory of such is required to be exhibited by 48 Geo. III. c. 149, § 38; and § 40 provides that the same shall also specify the amount or value of the estate and effects of the same person comprised in the former Inventory. By 16 and 17 Vict. c. 59, § 8, such additional Inventory shall be *chargeable only with such amount of Stamp Duty* as, together with the Stamp Duty charged upon the former duly stamped Inventory of the estate and effects of the same deceased person, shall make up the full amount of *Stamp Duty*, in respect of the total amount of all the estate and effects of the deceased specified in the said additional and any such former Inventory. If the estate shall be over-estimated, or if something shall be improperly included in the Inventory, an Inventory on a stamp corresponding to the ascertained value must be exhibited, and the original inventory will be allowed on affidavit as a spoiled stamp, within six months after the recording of the second Inventory.

Personal Property disposed of by Will under an absolute power liable to Inventory Duty—Indian Government Promissory Notes, &c., Personal Property in England—Property to be valued at the time the Inventory is sworn to, and the Inventory to include the proceeds accrued on the property down to that time.

Personal estate which a person, dying after 3d April 1860, shall have disposed of by will, under any authority enabling such person to dispose of the same as he shall think fit, shall be deemed personal or moveable estate of the person so dying, for the purpose of payment of Inventory, Probate, or Administration Duty. (23 Vict. c. 15, § 4.) The duties shall be charged on the property in respect of which the same are payable, and shall be paid thereon by the trustees or owners thereof, to the executors, for the benefit of the persons entitled to the personal estate of the deceased. (*Ib.* § 5.) Indian Government Promissory Notes and Certificates issued or Stock created in lieu thereof, being assets of a deceased person, the interest of which shall be payable in London, registered in London, or enfaced in India for the purpose of such registration, before the death of the owners; also Indian Government Promissory Notes with coupons attached, in the same circumstances as to registration, and Certificates issued, or Stock created in lieu thereof, shall be personal estate and *bona notabilia* in England of the deceased, (23 Vict. c. 5, § 1,) and liable to Inventory, Probate, or Administration Duty. "The Inventory and additional Inventory of any person deceased, required to be exhibited and recorded in the proper Commissary Court in Scotland, shall be stamped with duty according to the value of the property contained therein at the time they shall be respectively sworn to, including the proceeds accrued thereon down to that time; and the duty, or deficient duty, according to such value and proceeds, and interest thereon at the rate of five per centum per annum, shall be a debt, to Her Majesty by the person making oath to said Inventory and additional Inventory, and his heirs and successors; and if such Inventory and additional Inventory shall not be exhibited and recorded, the Inventory Duty on all the personal or moveable estate and effects of the deceased, and interest thereon at the rate of five per centum per annum from the expiry of the period of six months after the death of such deceased person,

shall be payable and shall be a debt to Her Majesty by the person who shall intromit with or enter upon the possession and management of such personal or moveable estate and effects, or any part thereof, and his heirs and successors." (23 and 24 Vict. c. 80, § 5.)

II. MONEY SECURED ON HERITAGE, &c.

The Act 23 Vict. c. 15, § 6, (3d April 1860, declared that money secured on heritable property in Scotland, and money secured by Scotch bonds in favour of heirs and assignees, excluding executors, should be chargeable with Inventory, Probate, or Administration Duty.

The Act 23 and 24 Vict. c. 80, was passed to regulate the levying and collection of the said duty. Section 1 gives a description of the property which shall be liable to Inventory Duty under the Act of 23 Vict. c. 15; and section 8 further explains what shall be subject to duty. Section 9 of the Act 23 and 24 Vict. c. 80, repeals the Act 23 Vict. c. 15, § 6, in so far as regards Probate and Administration Duty being chargeable in respect of the property, so that *now in all circumstances such property is liable to Inventory Duty*. Section 1 is in these terms:—

Description of Property liable to Duty, and Commencement of Duty.

"All money secured on heritable property in *Scotland*, and all money secured by *Scottish* bonds and other instruments, excluding executors, and all money secured by *Scottish* bonds and other instruments, the rights to which shall be taken excluding executors, constituting the succession, or part of the succession, of any person who shall have died on or after the 3d day of *April* in the year 1860, shall be liable to Inventory Duty under the said recited Act."

There are two modes of paying the duty provided for—23 and 24 Vict. c. 80, § 3 and 4:—

Two Modes of Paying the Duty.

1. By a "Special Inventory" of the property, to be lodged with the Solicitor of Inland Revenue at Edinburgh, (a form of which, with relative oath, is given in the schedule to the Act,) stamped according to the amount of property contained in it. The Inventory Stamp shall be testate or intestate according as the Stamp on the Inventory of the personal estate shall denote the testate or intestate rate of duty.

2. By adding the amount of the property to the Inventory of the personal estate, and paying Stamp Duty upon the aggregate amount.

This second mode will generally be the most advantageous for the tax payer; and will be followed when the interest in the heritable and moveable estate is the same, or when the heir and executor can make an arrangement as to the payment of the duty. As to both modes of paying the duty, it is declared that the duty is ultimately to be borne by the parties proportionally according to their interests in the property.

Value to be at the date of the oath to the Inventory, and Inventory to include proceeds to that time.

The 5th section of 23 and 24 Vict. c. 80, provides, that the Inventory Duty shall be payable on the property made liable by the Acts referred to, according to the value of such property at the time the Inventory containing it shall be sworn to, including the proceeds accrued thereon down to that time.

Act retrospective as to time of valuing Personal Estate.

It will be observed that the Inventory Duty on money secured on heritage, &c., is limited to such property constituting the succession of a person who shall have died on or after the 3d April 1860, (23 and 24 Vict., c. 88, § 1;) but the provision for valuing property at the date of the affidavit to the Inventory, and including the proceeds down to that time, is retrospective and universal in its operation, applying to all Inventories sworn to on or after the passing of the Act, (6th August 1860,) without regard to the date of death.

III. GENERAL OBSERVATIONS.

Modes in which Duty may be paid when

deceased domiciled in Scotland, and personal property in Scotland, England, and Ireland, and money secured on Heritage.

In the case of a person dying domiciled in Scotland, having personal property in Scotland, England, and Ireland, and also money secured on heritage, &c.:—I. Duty in respect of the whole may be paid on the Inventory required to be recorded in the Commissary Court; II. Or Inventory Duty may be paid on the personal property situated in Scotland, and Duty may be paid on a "Special Inventory" of the money secured on the heritage, &c., and Probate or Administration may be obtained in England and Ireland in respect of the personal estate in these countries, and duty paid in respect of such on these several instruments.

Mode in which Duty may be paid when deceased domiciled furth of the United Kingdom.

In the case of a person dying domiciled furth of the United Kingdom leaving personal estate in Scotland, England, and Ireland, an Inventory must be given up in Scotland, Probate or Administration taken out in England and Ireland, and Duty paid on such in respect of the property in each country.

For Probate and Administration Duty, Debts and sums of money due from persons in the United Kingdom to a deceased, on obligation or other speciality, shall be estate and effects of deceased within the jurisdiction of Her Majesty's Court of Probate in England or Ireland in which the same would be if they were debts upon simple contract, without regard to the place where the obligation or speciality shall be at the time of the death. (25 Vict. c. 22, § 39.)

OPINION.

WE are of opinion that it is sufficient in the Inventory given up of the Estate of a person deceased for confirmation, to set forth the value of the Estate as at the date when the Inventory is given up, and that it is not also necessary to set forth the value as at the date of death. We further think, that the statutory form of confirmation contained in Schedule E of the Act 21 and 22 Vict. c. 56, must be modified, in order to be in accordance with the still more recent Statute, 23 and 24 Vict. c. 80, by leaving out the words "at the time of his death." RETURN OF INVENTORY DUTY.

The inventory duty and probate and administration duty are paid on the whole personal property, without deduction of debts; but the Act 5 and 6 Vict., c. 79, § 23, provides for a return being given on proof of the constitution and payment of the debts. This return must be claimed within three years; but the time will be prolonged on application to the Board of Inland Revenue. A return of the duty paid on heritable securities may also be made in certain circumstances. See 23 and 24 Vict., c. 80, § 4 and 6. No return shall be given in respect of any voluntary debt due from any person dying after 28th June 1861, expressed to be payable on the death of such person, or payable under any instrument which shall not have been *bona fide* delivered to the donee three months before the death of such person. (24 & 25 Vict., cap. 92, § 3.)

LEGACY-DUTY.

On Legacies, Residues, &c. Duty per cent.

To children or their descendants, or lineal ancestors, . . .	£1 0
Brother or sister, or descendant, . . .	3 0
Uncle or aunt, or their descendants, . . .	5 0
Grand uncle or aunt, or their descendants, . . .	6 0
All other relations or strangers, . . .	10 0

The husband or wife of the deceased is not chargeable with duty. If the legatee's husband or wife is of nearer consanguinity than the legatee, duty is payable according to such near relationship. (16 and 17 Vict., cap. 51, § 11.)

This duty is payable for every legacy out of the personal or moveable estate, or out of or charged upon the real or heritable estate of the deceased, or out of any moneys to arise by the sale, mortgage, or other disposition of the deceased's real or heritable estate, or any part thereof: Also for the clear residue (after deducting debts, funeral expenses, legacies, and other charges first payable thereout) of the personal or moveable estate, whether the title to such residue shall accrue by virtue of any testamentary disposition, or upon a partial or total intestacy: And also for the clear residue of the moneys to arise from the sale, mortgage, or other disposition of any real or heritable estate, directed to be sold, mortgaged, or otherwise disposed of by any will or testamentary instrument. (55 Geo. III., cap. 184, schedule part III.)

Annuities commencing to be payable on the death of persons dying after 19th May 1853, are valued for legacy duty according to tables annexed to the Suc-

cession Duty Act, (16 & 17 Vict., c. 51;) and Annuities commencing to be payable previous to that date, by the Tables annexed to the Legacy Duty Act, (36 Geo. III., cap. 52.)

Duty is not exigible on legacies or residues under £20; but if a legatee take two or more legacies under any testament, which shall together be of the amount of £20, each shall be charged with duty though each or either may be separately under that amount.

N.B.—Printed forms and regulations regarding all the succession duties will be obtained gratis, on application at the Inland Revenue Office, Edinburgh; and at the offices of the distributors of stamps in the country.

SUCCESSION DUTY.—The duty commences on the death of persons dying after the 19th May 1853, and seems to be imposed on all property, both heritable and moveable, passing by death, not liable to the duty on legacies and successions to personal estate upon intestacy—the duty imposed by the Legacy Duty Acts. The duty on *heritable property* is charged on the annual value, after allowance of the necessary outgoings (§ 22), as an annuity for the life of the successor (§ 21), which is to be valued by tables annexed to the Act.

Personal Property is liable to duty according to the value of the succession; and money charged on heritage—heritable securities—is chargeable as personality (§ 1.)

Rates of Succession Duty.

Lineal issue, or lineal ancestor of the predecessor,—£1 per cent.

Brothers and sisters of the predecessor and their descendants,—£3 per cent.

Brothers and sisters of the father or mother of the predecessor and their descendants,—£5 per cent.

Brothers and sisters of the grandfather or grandmother of the predecessor and their descendants,—£6 per cent.

Any other person,—£10 per cent.

The husband or wife of the predecessor is not chargeable with duty (§ 18), and if the successor's husband or wife shall be of nearer consanguinity than the successor, duty is payable according to such nearer relationship (§ 11).

The following are also *exemptions* from the succession duty:—

1. Successions from the same predecessor, passing on any death, not amounting in principal value to £100 (§ 18).
2. Any succession of less value than £20 in the whole (ib.).
3. Legacies and personal property charged with legacy duty, in respect of the same acquisition (ib.).

Note.—The collection of the succession duty forms a branch of the business of the Legacy Duty Department of the Inland Revenue. Forms of the accounts

may be obtained at the Legacy Duty Office, Edinburgh, and at the offices of the distributors of stamps in the country.

DISCOUNT ON THE PURCHASE OF STAMPS.

To persons who, after 31st December 1860, at one and the same time, shall produce at the office of Inland Revenue in *London* or *Dublin*, paper to be stamped with, or shall purchase at the office in *London*, *Edinburgh*, or *Dublin*, stamps to the amount of £2 or upwards, or of any distributor or sub-distributor of stamps at any place not within the distance of *ten* miles from the said offices respectively, stamps to the amount of £1 or upwards, denoting any rate of duty not exceeding 1s. on *Bills of Exchange*, *Drafts* or *Orders*, or *Promissory*

Notes, or *Stamps*, for denoting the duty of one penny on any instrument or document whatever, (except postage stamps and customs stamps,) an allowance shall be made of tenpence for every 20s. of the amount of the duties denoted by such stamps. (23 and 24 Vict. c. 111, § 3.) Any person selling such stamps shall not make any charge for the paper whereon the same are impressed. Penalty for doing so, or demanding or receiving a greater price or sum than the amount of the stamp duty,—£10. (*Ib.* § 25.)

REGULATIONS AS TO EXCHANGING SPOILED STAMPS.

The Solicitor's Office, No. 5 in the Inland Revenue Office, is open for the allowance of spoiled stamps every Tuesday and Thursday, from 12 noon to 2 P.M. The distributors of stamps at the following places also receive spoiled stamps for allowance:—Aberdeen, Ayr, Banff, Cupar-Fife, Dumfries, Dundee, Elgin, Forfar, Glasgow, Greenock, Inverness, Perth, Stirling, and Tain.

A supply of forms of affidavits is kept by the solicitor and the above distributors, and claimants may attend at the Solicitor's Office, and have the affidavits filled up and taken; or they may get copies of the forms, and take the oath before a Justice of the Peace, and afterwards lodge the affidavits and the stamps with any of the above officers. If the claim be admitted, a ticket is issued, stating that application is to be made for the new stamps after Thursday se'ennight, and within six weeks from the date of the ticket. If not made within that time, the claim will be forfeited.

The stamps, if belonging to parties resident in Edinburgh, or within ten miles thereof, must be presented for allowance within six months after being signed in the case of executed instruments, and six months after being spoiled in the case of unexecuted instruments. If the stamps belong to persons beyond that distance, six months in the former, and twelve months in the latter case.

Bills and notes delivered to payees, or negotiated or issued in any way, and bills accepted or tendered for acceptance, cannot be exchanged unless a new bill

be produced, in all respects the same, excepting the correction of the error.

As to the exchange of sea policies of insurance, see 54 Geo. III. c. 133.

Unsigned instruments are allowed if inadvertently spoiled. Signed, if void in law from the beginning; from error or mistake, unfit for the purpose originally intended; from death, or refusal to sign, of any person whose signature is necessary; from the want of the signature of some material and necessary party; from refusal to act under, or from non-acceptance—they shall be unfit for or fail of the purpose intended; or if the transaction be carried through by another instrument duly stamped. See 53 Geo. III. c. 108.) In the case of transfers of stock signed by the seller alone, and other instruments if by one party, new deeds require to be produced to the proper officer of stamps, who, as to transfers, is instructed to certify in what particulars they differ from those spoiled.

Stamps of a different description may be obtained for any stamp spoiled if it be of the value of £6 or upwards. Application for this purpose to the Commissioners of Inland Revenue should be lodged with the affidavit. The Commissioners, by 3d and 4th Will. IV., c. 97, § 19, may, if in their discretion they think fit, refund, in money, the amount of spoiled stamps. They are also authorised to repay the amount of stamps for which the possessor has no immediate use, if applied for within three months after being purchased. In both cases is deducted the per centage allowed by law on the purchase of stamps.

STAMPING DEEDS AFTER BEING SIGNED.

Beyond Twelve Months.—The duty or deficiency of duty shall be due and payable to her Majesty, and also the penalty of £10. The deed will only be stamped on payment of the whole or (as the case may be) the deficiency of the stamp duty remaining payable on it, and over and above such duty a penalty of £10; and if the whole amount of said duty or deficiency shall exceed £10, then, in addition to said duty and penalty, there shall be paid, by way of additional penalty, interest on the duty or deficiency at the rate of five per cent. from the date or first signing of the deed; but such interest shall not exceed the amount of the said duty or deficiency of duty.

Within Twelve Months.—If the deed shall be brought to the Commissioners of Inland Revenue within twelve months after the first signing or executing, in order to be stamped, it may be stamped without payment of the penalty, or on payment only of a portion thereof, provided it shall be proved to the satisfaction of the Commissioners that the deed was not duly stamped previously to being signed, by reason of accident, mistake, inadvertency, or urgent necessity, and without any wilful design to evade or delay the payment of duty. (13 and 14 Vict. c. 97, § 12.)

Abroad.—If the deed shall be executed by any party abroad, it may be stamped without any penalty, if brought to be so within two calendar months from the time of being received in the kingdom, upon proof of the facts to the satisfaction of the Commissioners. (13 and 14 Vict. c. 97, § 13.)

DOUBTS AS TO THE SUFFICIENCY OF STAMPS MAY BE REMOVED.

The opinion of the Commissioners of Inland Revenue as to the duty to which a deed, whether previously stamped or otherwise, is chargeable, may be obtained on the deed being presented at their office (Edinburgh) and a fee of 10s. paid. The duty or insufficient duty which the Commissioners may assess, and the penalty, if any, being paid, they shall stamp the deed with the duty so paid, and thereupon, and also in the case of the deed being previously sufficiently stamped, shall also impress the deed with a particular stamp to be provided for the purpose. The deed shall then be received in evidence notwithstanding any objection to it as insufficiently stamped. The provision does not apply to bonds or mortgages for unlimited amounts, nor to instruments after being signed, prohibited from being stamped. The opinion of the Commissioners may be

Adhesive Stamps.—Where adhesive stamp may be affixed to any instrument, an officer of Inland Revenue, authorised by the Commissioners, may, on the instrument being produced to him, affix and cancel the adhesive stamp. The instrument shall thereupon be deemed sufficiently stamped. But this not to apply to instruments not allowed to be stamped after being made, signed, or issued, nor to instruments after the expiration of the period limited for stamping them. The penalty required to be paid on stamping of the instrument is not affected by this provision. (24 and 25 Vict. c. 91, § 32.)

N.B.—Instruments are received at the Solicitor's Office, Inland Revenue, Waterloo Place, Edinburgh, to be stamped, if within two months of the first date, (the Solicitor may, in certain circumstances, receive them within two months of the last date,) on payment of the duty; if beyond that date, on payment of the duty and penalty. Parties, on applying, will be furnished with a schedule, and after being filled up, it is to be presented, along with the instrument, at the Solicitor's Office, No. 5 Inland Revenue, between 10 and 12 o'clock, on Mondays and Wednesdays only. The amount of duty wished to be impressed on the instrument is to be inserted by the applicant before being presented at the Solicitor's Office; and afterwards he pays it, and the penalty, if any, to the cashier, No. 3, Lobby. As to stamping Agreements and Charter-Parties, see Notes under these heads.

DOUBTS AS TO THE SUFFICIENCY OF STAMPS MAY BE REMOVED.

appealed against to the Court of Exchequer at Westminster, on the Stamp duties assessed being paid, and 40s. for costs being deposited. (13 and 14 Vict. c. 97, § 14 and 15.) The Commissioners may also adjudge on deeds not liable to any stamp duty; and if any duty is assessed, the party may appeal. (16 and 17 Vict. c. 59, § 13.)

N.B.—Instruments are received for adjudication at the Solicitor's Office, Inland Revenue, Edinburgh, on the same conditions as to duty and penalty as instruments to be stamped merely, (*see above.*) The mode of proceeding is as follows:—The sum of *ten shillings* for the adjudication stamp is first to be paid to the Cashier, No. 3, Lobby. Then the schedule, (the duty to be impressed of course not being inserted in the schedule,) the instrument after execution, and a copy (written on foolscap paper) of it,

(omitting the bounding description of lands, &c., and having appended to it a table giving the substance of the clauses and provisions, particularly dates and sums, and a reference to the page of the copy on which each commences,) are to be left at the Solicitor's Office, No. 5, on Mondays and Wednesdays, between 10

and 12 o'clock *only*. Between 10 and 12 o'clock on the Thursday following, a party, who can give explanation, must call on the chief clerk of the Solicitor's Department, No. 6; and he should be prepared to pay the proper duty, and penalty, if any, to the Cashier, No. 3, Lobby.

DUPLICATES OR COUNTERPARTS.

Duplicates or counterparts of instruments requiring to be impressed with the denoting stamp to render them valid, may be lodged at the Solicitor's Office, No. 5, Inland Revenue, Edinburgh, between 10 and 12 o'clock on Mondays and Wednesdays only. A transmission of them is made once a-week to the Head-Office.

The principal instrument, as well as the duplicate, must be lodged, and both must appear to be properly stamped, otherwise they will not be transmitted.

Mem.—The revenue takes no risk of loss or injury connected with the custody or carriage of the instruments received and transmitted to be stamped.

HACKNEY CARRIAGES IN EDINBURGH.

FARES BY DISTANCE.

1st, The distance to which any Hackney Carriage may be driven under these Bye Laws, shall be seven miles from the Cross of Edinburgh.

2d, When a Party not exceeding two grown-up persons, and without any luggage other than a carpet bag or the like, enters a carriage at a Stance, or when driving along disengaged, they shall be driven half a mile for 6d., and if they return they shall pay the same fare; the driver shall draw up to either side of the pavement when called, and if detained more than five minutes before starting he shall be entitled to sixpence for waiting.

N.B.—This rule shall not apply to Fares from Railway Stations.

3d, Excepting the Sixpenny Fare, the Fares by Distance shall be as shewn in the annexed Table of Fares. The charges in the Table shall include going from the Stance or Stable to the Hirer's Residence, and waiting ten minutes. But if the Carriage be detained, before starting, more than ten minutes, a charge of waiting at the rate of 6d. for each quarter of an hour, or part thereof, after the expiry of the ten minutes, shall be allowed, and if the place where the Hirer is to be taken up be beyond half a mile from the Stance or Stable whence the Carriage is taken, there shall be a charge of Sixpence for such distance.

4th, When any place is not mentioned in the Table, the Fare shall be the same as that to any place mentioned which may be in the immediate vicinity.

5th, When the fare of any particular place not mentioned cannot be ascertained by reference to a place in the immediate vicinity, the Fare shall be 1s. for a distance from the Stance not exceeding a mile and a half, and *Sixpence* for every additional half-mile or part thereof.

6th, Half Fare returning with the party, excepting the half-mile drive.

7th, When parties return, (which they shall have the option of doing,) and the Fare going is 1s., the Carriage shall wait ten minutes without any charge for waiting; when 1s. 6d., fifteen minutes; when 2s., and upwards, twenty minutes. If the Carriage be detained longer, a charge shall be allowed for waiting, at the rate of 6d. for every twenty minutes, or part thereof, commencing at the periods when the free waiting expires.

8th, When a carriage is called but not used, a charge of 6d. shall be allowed, if the place to which it is called be under half a mile from the Stance or Stable, and 1s. if beyond that.—Waiting as in Section 7th.

FARES BY TIME.

It shall be in the option of the Hirer to employ a Carriage within the Municipal Bounds by time, for *bonâ fide* SHOPPING, MAKING CALLS, and the like, where the driving is not continuous. The charge in such cases shall be 1s. for the first half-hour, and 6d. for every additional quarter of an hour.

For an AIRING into the Country within seven miles from the Cross of Edinburgh, and returning either by the same or a different road, the rate shall be sixpence for every ten minutes, or 3s. per hour. A drive round the Queen's Drive shall be considered an Airing. Unless the Hirer wishes a slower pace, the rate of driving when out an Airing shall be at least six miles an hour; and in the event of the driving being at a slower pace than six miles an hour, contrary to the wish of the Hirer it shall be optional for the Hirer to pay the fare in the proportion of 3s. for every six miles so travelled.

WHETHER THE FARES ARE BY DISTANCE OR BY TIME.

1st, The Hirer pays Tolls.

2d, If there be more than four grown-up persons driven, a charge of 6d. extra shall be made for each additional grown-up person, or for each two children above Six years of age, and under Twelve. No additional charge for one child above Six to Twelve or children under Six years.

3d, From Twelve at Night till Seven Morning, double Fare.

4th, The above Fares are for One-Horse Carriages, and there shall be no additional charge when two horses are used.

5th, Owners or Drivers may agree to drive at lower Fares than those fixed. In that case, should they demand more than the Fare agreed on, they shall be liable as for an overcharge.

LUGGAGE.

For Luggage, exceeding 100 lbs. in weight, there shall be a charge of 6d. extra. But there shall be no charge for Luggage under that weight. The driver shall assist in loading and unloading in all cases when required.

TABLE OF FARES.

In the following Table of Fares the Streets and Stances are arranged alphabetically.

Note.—To prevent disputes or loss of Property, every Party on entering a Carriage should ask for a Reference Ticket, which the Driver is bound to give. The Reference Ticket shall be in the following terms, viz. :—

NOTICE.

DIRECTIONS TO THE CITY PEDESTRIANS.

To avoid jostling in meeting upon the Foot-pavements, observe the general rule, "Keep to the Right," or, in other words, allow those that you meet to pass on your left. If this well-known rule were more generally acted upon, much inconvenience would be avoided in our crowded Thoroughfares.

NAMES TOO LATE FOR INSERTION IN THEIR PROPER PLACES.

GENERAL POST-OFFICE, EDINBURGH.

POSTMASTER-GENERAL FOR THE UNITED KINGDOM,
RIGHT HONOURABLE LORD STANLEY OF ALDERLEY.

I.—RATES OF POSTAGE.

Inland Letters.

The rate of postage on all inland letters is regulated by weight, irrespective of distance; and is as follows:—

If paid in advance.

Letter weighing not more than half-an-ounce	1d.
“ ” more than half-an-ounce but not exceeding one ounce	2d.
“ ” more than one ounce but not exceeding two ounces	4d.
“ ” more than two ounces but not exceeding three ounces	6d.
and so on; twopence being charged for every additional ounce.	

Unpaid Letters.

Except on re-directed letters, the postage, if not paid in advance, is double the foregoing; and if the payment in advance be insufficient, double the deficiency must be charged. An inland letter, for example, weighing more than half an ounce, and not exceeding one ounce, if bearing a penny stamp only, must, on delivery, be charged twopence. The unpaid *additional* postage on re-directed letters, however, is not doubled, being the same as if such postage were prepaid. Unless three-quarters, at least, of the postage of a letter weighing more than 4 oz. be prepaid, the letter is not forwarded.

Colonial and Foreign Letters.

The rates of postage on letters to foreign countries and the colonies are entered in the Table of Foreign and Colonial Postage at page 496.

Addresses to the Queen and Petitions to Parliament.

Petitions and Addresses to Her Majesty, forwarded direct, are exempt from postage; and such petitions and addresses, as also petitions to either House of Parliament, if sent to a member of either House, are likewise exempt, provided they do not weigh more than two pounds, and are without covers, or in covers open at the sides. No letter or other enclosure, however, must be inserted; and if one be found, such enclosure, unless it bear the proper number of postage stamps, is charged as an unpaid letter.

Newspapers and other periodical Publications bearing the Newspaper Stamp.

All periodical publications, including newspapers published in the United Kingdom, at intervals not exceeding thirty-one days, and which bear an impressed stamp or stamps denoting the stamp duty (of the kind formerly confined chiefly to newspapers), may be transmitted and re-transmitted through the post within the United Kingdom free from postage under the following regulations, viz:—

1. They are subject to the same restrictions with regard to the number of sheets and super-

ficial extent as were formerly applicable only to newspapers properly so called. These restrictions are shown in the following Table:—

Amount of Stamps impressed on the Publication.	Maximum Number of Sheets.	Maximum Superficial Extent of Letterpress on One Side.
One Penny	Two	2295 inches.
Three Halfpence	Three	3443 „
Twopence	Four	4590 „

2. No publication, or portion thereof, can pass through the post, unless the impressed stamp which it bears be at least a stamp of the value of one penny.
3. The title and date of the publication must be printed at the top of every page.
4. The publication must be folded in such a manner, that the whole of the stamp or stamps, denoting the full duty, shall be exposed to view, and be distinctly visible on the outside, except that where there are more than two publications in the same cover, it will be considered sufficient if the stamps are so arranged that they can readily be examined.
5. It must not be printed on pasteboard or cardboard, or on two or more thicknesses of paper pasted together; nor must any pasteboard, cardboard, or such pasted paper be sent with it as a back or cover thereto, or otherwise.
6. It must be posted within fifteen days from the date of publication.
7. It must either have no cover, or a cover open at the ends.
8. It must contain no enclosure.
9. It must have no writing or other mark thereon, but the name and address of the person to whom it is sent, nor anything on the cover but such name and address, the printed title of the publication, and the printed name and address of the publisher or vendor who sends it. Thus, if a newspaper, after having the address of one person written on it, be sent to another person, the first address must be cut off, otherwise the paper will be charged as an unpaid letter.
10. If the publication be addressed to any person within the free delivery of the place where it is posted, it becomes liable to a postage of one penny, which must be prepaid by affixing a postage stamp.
11. When a newspaper, &c., is so folded as not to expose the stamp or stamps, a postage of one penny is charged in addition to any other postage to which the publication, if properly folded, would have been liable; and if the newspaper, &c., be addressed to any person within the free delivery of the place where it is posted, and do not bear a penny postage label, it will be charged twopence. In case of any other irregularity, the publication is dealt with in accordance with the regulations of the book post.
12. It is suggested that every publication should have a notice to purchasers conspicuously printed, pointing out the necessity of exposing the stamp or stamps to view whenever the publication is sent through the post.
13. Stamped publications which have been issued more than fifteen days, can be forwarded within the United Kingdom and to most of the colonies under the regulations of the book post.

Newspapers sent abroad must have been registered at the General Post-Office; and instead of requiring to have an impressed stamp, each newspaper, if sent to a British Colony, is liable to a postage of 1d. (which must be prepaid by a postage label), together with an additional postage (as shown in the Table of Colonial and Foreign Postage) when the newspaper has to pass through a foreign country. In the same table will be found the postage of newspapers sent to foreign countries.

Parliamentary Proceedings.

Printed proceedings of the Imperial Parliament, sent without covers, or in covers open at the ends, may circulate within the United Kingdom at the following rates of postage:—

Weighing not more than four ounces	1d.
„ more than four ounces but not exceeding eight ounces	2d.
„ more than eight ounces but not exceeding twelve ounces	3d.
„ more than twelve ounces but not exceeding sixteen ounces	4d.

and so on; one penny being charged for every additional four ounces.

Prepayment, when the circulation is within the United Kingdom, is optional; and if it be made in part, the simple difference is only charged. The words *PAR. PRO.* should be invariably written or printed on the cover.

To the British colonies and possessions in West Indies, Canada, Hong Kong, Ceylon, Malta, and Gibraltar, the rates chargeable on Votes and Proceedings are the same as printed books, and to certain other colonies, according to Book-rate.

Inland Book Post.

At the following charges, and on the subjoined conditions, book packets may be sent by the post to any place within the United Kingdom :—

Weighing not more than four ounces	1d.
” more than four ounces and not exceeding eight ounces	2d.
” more than eight ounces and not exceeding sixteen ounces	4d.
” more than one pound and not exceeding 1½ pounds	6d.

and so on; 2d. being charged for every additional half-pound or any less weight.

1. The postage must be prepaid in full, by means of postage stamps affixed outside the packet or its cover.
2. Every packet must be sent either without a cover, or in a cover open at the ends or sides.
3. A book packet may contain any number of separate books or other publications, prints, or maps, and any quantity of paper, parchment, or vellum (to the exclusion, however, of letters, whether sealed or open). And the books or other publications, prints, maps, &c., may be either printed, written, or plain, or any mixture of the three. Further, all legitimate binding, mounting, or covering of a book, publication, &c., or of a portion thereof, will be allowed, whether such binding, &c., be loose or attached; as also rollers, in the case of prints or maps; markers (whether of paper or otherwise), in the case of books; and, in short, whatever is necessary for the safe transmission of the packet, or usually appertains thereto, but no patterns or books of patterns can be admitted.
4. A book packet, whatever may be the postage paid thereon, must not contain any *written* letter, closed or open, or any enclosure sealed or otherwise closed against inspection. Entries, however, merely stating who sends the book, &c., or to whom it is given, are not regarded as a letter, and may therefore be made.
5. No book packet can be received, if it exceeds two feet in length, width, or depth.
6. Any packet which shall not be open at the ends or sides, or shall have any written letter or any communication, of the nature of a letter in it, or upon its cover, is charged with the “unpaid” or double letter postage.
7. If a packet be found to contain any letter, whether closed or open, or any enclosure sealed or otherwise closed against inspection, or any other unauthorised enclosure, the letter or enclosure is taken out and forwarded to the address on the packet, charged with the full postage, as an unpaid letter, together with an additional rate of 1d.; and the remainder of the packet, if duly prepaid with stamps, is then forwarded to its address.
8. If a packet be not sufficiently prepaid with stamps, but nevertheless bear a stamp of the value of 1d., it must be forwarded, charged with the deficient book postage, together with an additional rate of 1d.; but any packet which shall bear no postage stamp is charged with the “unpaid” or double letter postage.
9. In every case in which the postage charged upon a packet under these regulations would be greater than the letter rate, the latter postage is substituted.

Foreign and Colonial Book Post.

Book Packets and Printed Papers of every kind may be forwarded to the undermentioned British Colonies and Foreign Countries on the conditions applicable to the Inland Book Post.

Packets of patterns and samples thus forwarded will be liable in this country to the same rates of postage as ordinary letters for Spain, viz., 6d. for a packet not exceeding a quarter of an ounce in weight, increasing for heavier weights at the rate of sixpence for each quarter of an ounce; and such postage must in all cases be paid in advance.

Precautions against Fraud, &c.

The Head Postmaster who first receives a book-packet is required, whenever he has ground for suspecting an infringement of any of the above conditions, and occasionally, even when there is no ground for suspicion, to open and examine the packet; and every book-packet which is not open at the ends or sides, or which exceeds two feet in length, width, or depth, or which has any letter or any communication of the nature of a letter written or printed in it or upon its cover, or which does not bear postage stamps equal to a single book-rate, is ordered to be sent up, with as little delay as possible, to the Returned Letter Branch of the Circulation Office in London, Dublin, or Edinburgh, as the case may be; but in the case of any other infringement of the regulations, the packet is dealt with by the Postmaster himself.

To prevent obstacles to the regular transmission of letters, any Head Postmaster may, when necessary, delay forwarding a book-packet for a period not exceeding twenty-four hours beyond the

ordinary time; and at Packet Offices the delay may, at the option of the Postmaster, be either for that period, or until the despatch of the mail next after that by which the book-packet ought otherwise to be forwarded.

II.—REGISTRATION OF LETTERS.

The Regulations in force with regard to the Registration of Letters are as follows:—

1. That the Registration rate of Postage payable at any Post Office in the United Kingdom on Inland Letters Registered during the ordinary hours appointed for the Registration thereof at such Post Office, shall be *Fourpence*, and such Registration rate shall be payable in Stamps; but this Regulation shall not extend to the Registration rates chargeable and payable on Colonial or Foreign Letters.

2. That all Letters, whether Inland, Colonial, or Foreign, may be Registered at the Metropolitan Chief Post Offices, or at the London District Post Offices, (including the Lombard Street and Charing Cross Branch Post Offices,) or at any Provincial Head Post Office in the United Kingdom, after the ordinary hours appointed for the Registration thereof at any such Post Office, until the closing of the Letter Box for each Despatch, or until such Post Office is closed for the night, upon payment of a *late* Registration rate of Postage of *Fourpence*, which shall be payable in Stamps, in addition to the ordinary Registration rate, and to any other rates chargeable or payable thereon.

3. That all Letters containing Coin posted in any Town or place in the United Kingdom, addressed to any person, town, or place, in the United Kingdom, and all Letters which shall have written or put thereon the word "Registered," or any other word or words of the like meaning or to the like effect, when posted, whether the same shall have or contain therein Coin or not, shall be delivered to the Post Office for Registration, and shall be Registered by the Post Office at the time of the same being posted, and a rate of Postage of *Fourpence* for every Letter so Registered shall be charged for the Registration thereof, in addition to any other rates of Postage payable thereon, or which may become chargeable thereon, under the regulations hereinbefore in the second clause mentioned. And every such Registration rate shall be paid in Stamps at the time of such Letters being posted.

4. That if any such Letters shall be put into the Post Office without being Registered by the Post Office, and without the Registration rate or rates chargeable thereon being paid in Stamps as hereinbefore in the third clause is mentioned and directed, such Letters shall be Registered by any Post Office through which they may pass in course of transmission thereof by the Post, and shall be forwarded so Registered to their destination, and shall be charged with double the ordinary Registration rate of Postage of *Fourpence* in addition to any other rates of Postage chargeable or payable thereon, with a deduction, nevertheless, equal to the amount of any Stamps which may have been affixed to such Letters in payment or part payment of the Registration rate chargeable thereon.

5. That any such Letters as are hereinbefore in the fourth clause mentioned, may be detained for the purpose of being Registered by any Post Office through which they may pass in course of transmission thereof by the Post, until the next ordinary dispatch to that by which they would have been forwarded, conveyed, and delivered, if they had been Registered by the Post Office according to the directions hereinbefore in the third clause mentioned.

6. That the third and fourth clauses hereinbefore contained shall not extend to any Letters sent to or from any of Her Majesty's Colonies or any Foreign Country.

Parliamentary Notices.

Parliamentary notices may be forwarded through the post under the following regulations:—

1. The words "Parliamentary Notice" must be legibly printed on the face of the letter; and in order to secure the speedy return of any notices which may be undelivered, the name and address of the solicitor issuing such Parliamentary Notice should also be legibly printed or written on the face of the letter; though this latter is not imperative.
2. These notices must be posted either at the General Post-Office, St Martin's-le-Grand, in London; the General Post-Office in Dublin; the General Post-Office in Edinburgh; or at the chief office at one or other of the following towns:—

Aberdeen
Athlone
Belfast
Birmingham
Bristol
Cork

Exeter
Glasgow
Inverness
Leeds
Lincoln

Liverpool
Manchester
Newcastle-upon-Tyne
Norwich
Shrewsbury.

3. All notices which, by the standing orders of either House of Parliament, are required to be served on or before the 15th December, must be posted on or before the 12th December, unless the 12th falls on a Sunday, when they must be posted not later than the 11th; but those notices which, by the same orders, may be served later than the 15th, may be posted after the 12th of that month.
4. The postages chargeable on these notices must be prepaid by stamps; the registration fee of sixpence on each notice being paid in the usual manner.

5. The notices must be posted at the Post-Office window, accompanied with duplicate lists of the addresses; the letters being arranged, for the convenience of comparison, in the order of the list. These lists are examined by the officer in attendance at the window; and if each list correspond with the address, he will sign and stamp every sheet of each list. One of the duplicate lists will then be returned to the person who brought the letters, and the other forwarded to the Secretary, General Post-Office, London.

The hours for receiving both Parliamentary Notices and the undermentioned Voting Notices are the same as those for the registry of ordinary letters, unless the Parliamentary Notices be presented at such a time as to interfere with the ordinary duties of the office; in which case the Postmaster may appoint any other time within the next twenty-four hours for receiving the same; providing that, when the notices are to be served on or before the 15th December, such arrangement do not delay the posting beyond the 12th.

Whoever sends Parliamentary Notices should, if possible, arrange on the day before with the Postmaster as to the most convenient time for posting them, and state the probable number.

Voting Notices.

On prepayment of the postage and of a registration fee of twopence, a notice belonging to any one of the classes enumerated in the Act 6 Vict. c. 18 (relating to votes for members of Parliament) can be sent through the post with the securities for their safe delivery enjoined by law, provided it be brought duly directed, open and in duplicate, to a Postmaster of an office where Money-Orders are issued or paid. On receiving the notice, the Postmaster has to compare it with the duplicate; and if the two agree, the latter will be stamped and returned to the bearer.

Poll-books.

When a poll-book is presented by any returning officer to be forwarded by post, the Postmaster is required to give to such officer an acknowledgment thereof in writing, stating therein the time when he received it.

No registration fee is demanded for poll-books, and prepayment of the postage is optional, without regard to weight.

III.—DELIVERY.

Letter Carriers and Rural Messengers are prohibited, under pain of dismissal, from demanding or receiving any payment beyond the postage on letters, newspapers, &c., which they are required to collect or deliver; or from distributing any letters, newspapers, &c., whether before beginning their rounds, whilst on their rounds, or after they may have completed them, except those which have been regularly posted.

Delivery at Window.

Except where the number of daily deliveries is considerable, and where, therefore, the Surveyor considers such a regulation unnecessary, letters are delivered at the window after the arrival of every mail (within office hours) as soon as they can be sorted. In all cases, however, when there is a corresponding delivery by Letter Carriers, the window delivery (whether to the holders of private boxes or to the public generally) does not begin till the Letter Carriers have left the office, nor is it allowed in any way to delay the departure of the Letter Carriers.

In order to prevent the additional trouble which is sometimes caused by letters being directed to a Post-Office, although for persons residing within a free delivery from such office, but who have no private box, a Postmaster is authorised, when such letters arrive by a mail for which there is a delivery from house to house, to refuse to deliver them at the window, and to send them out by the Letter Carriers, except letters addressed to the military in barracks.

Private Boxes and Bags.

Any person can have a private box who is willing to pay the appointed fee. Where this fee goes to the Revenue, it is fixed at one guinea per annum, to be paid in advance, and for a period of not less than a year; and where it goes to the Postmaster, he may demand the same terms, though he may, at his option, take less. The same also, in most cases, are the terms for a private bag, except that in addition there is the cost of the bag itself, and a charge for conveyance, the maximum of the latter being half-a-guinea per annum if by a foot-messenger, and two guineas if by a mounted one. As the service of a private bag, however, may possibly delay the despatch of a general bag, none must be allowed without the permission of the Surveyor.

IV.—POSTAGE STAMPS.

Every Postmaster is required to have on hand a sufficient stock of postage labels and penny stamped envelopes, and to sell them to the public at the following prices:—

Stamped Labels.

Penny Labels,	1d. each.	Fourpenny Labels,	4d. each.
Twopenny do.,	2d. each.	Sixpenny do.,	6d. each.
Threepenny do.,	3d. each.	Ninepenny do.,	9d. each.
Shilling Labels,	1s. each.		

Stamped Penny Envelopes.

12 to be sold for	1s. 1½d.	4 to be sold for	4½d.
8 " "	0s. 9d.	2 " "	2½d.
6 " "	0s. 6¾.	1 " "	1½d.

Every Rural Messenger is authorised to sell postage stamps (including stamped envelopes) at the same prices at which Postmasters are empowered to sell them; and is required, when he begins his round, to have in his possession ready for sale at least five shillings' worth of penny labels.

Stamps.

Prepayment of inland letters, &c., must be by stamps, except at the Chief Post-Office, London. In the prepayment of books stamps only must be used; but prepayment of letters to the colonies or places abroad, and in the case of letters posted in Malta, Gibraltar, Constantinople, the colonies in the West Indies, under the control of the Postmaster-General, may be made either in stamps or money. Except by soldiers and sailors in Her Majesty's service, British postage stamps are not available in the payment of letters, &c., *coming into the country.*

V.—MONEY-ORDERS.

The public are recommended, when applying for Money-Orders, to use printed "Application Forms," which save time, and afford greater security, than verbal messages, against mistakes. These Forms are supplied gratuitously at all Money-Order Offices.

The commission on inland Money-Orders is as follows:—

On sums not exceeding £2,	3d.
Above £2, and " "	5,
" 5, " " "	7,
" 7, " " "	10,
	1s.

The commission on Money-Orders, payable in any of the Colonies with which Money-Order business is transacted, is fourfold these sums, except Gibraltar and Malta, in which cases the commission is threefold.

No order is allowed to contain a fractional part of a penny.

With the subjoined exceptions, no Money-Order can be issued unless the applicant furnish, in full, the surname and at least the initial of one Christian name, both of the remitter (the person who sends the order) and the payee (the person to whom the money is to be paid), together with the remitter's address:—

1. If the remitter or payee be a peer or a bishop, his ordinary title is sufficient; and if a firm, the usual designation of such firm will suffice, except a company trading under a title which does not consist of the names of the persons composing it, as the "Carron Company," to which kind of company the above privilege does not extend.
2. Money-Orders for transmission by the Public to the Privy Council Office will be issued payable to "The Privy Council Office," the name of the payee not being required in these cases.
3. When the remitter notifies that the order is to be paid through a bank, it is left to his option to give or withhold the name of the payee; and he may, if he wish it, substitute for the name of the payee any other designation or any modification of the name; as for example:—"The Cashier of the Bank of England;" "The Chief Clerk of the Foreign Office;" "The Publisher of the *Times*."

When application is made for a Money-Order payable in London, or at any other town where there is more than one Money-Order Office, the remitter should say at which of such offices he wishes it to be paid, otherwise the order can be cashed at the Head-Office alone. It is not incumbent on a Postmaster to supply such information relative to local or provincial offices.

An order once issued cannot be cancelled; and should repayment or transfer to a different office or alteration of name be required, the remitter must apply to the paying Postmaster according to the directions printed on the back of the order.

The remitter of an order may make that order payable ten days after date, provided he sign the requisition "C." printed on the order, to defer payment until ten days after date, and affix a penny receipt stamp thereto.

When an order is presented for payment (otherwise than through a bank), the Postmaster has first to see that the signature of the payee be as full as the name given in the advice, and be not in any way inconsistent therewith. He has then to call on the applicant to give the name of the remitter, and if the reply be correct, the order will be paid, unless the Postmaster have good reason for believing that the applicant for payment is neither the rightful claimant, nor deputed by him. When an order is paid through a bank, it is sufficient that it be receipted (without regard to any discrepancy between the signature and the name in the advice, or to whether the receipt is given by the payee himself or by another person), and that it be presented (crossed with the name of the receiving bank) by some person known to be in the employment of the bank.

The holder of a Money-Order is always at liberty to direct, by crossing it, that the order be paid through a bank, even though its payment was not originally so restricted; and when the order is thus crossed, the question put on the presentation of an ordinary Money-Order is dispensed with.

Money-Orders do not require a receipt stamp.

Payment of an order, issued and payable in the United Kingdom, must be obtained before the end of the second calendar month after that in which it was issued (for instance, if issued in January, it must be paid before the end of March), otherwise the order becomes lapsed, and a new order will be necessary, for which a second commission will be charged. The period for payment of orders issued in the United Kingdom, and payable in any colony authorised to transact Money-Order business, including Gibraltar and Malta, is six months, and orders granted at those places on the United Kingdom are also payable during six months after that in which they were issued. Any person presenting a lapsed order will be furnished with a copy of a printed notice headed "Lapsed Money-Orders," containing directions how to proceed. If the order be not paid before the end of the twelfth calendar month after that in which it was issued (for instance, if issued in January, and not paid before the end of next January), all claim to the money will be lost.

No application can be entertained for compensation for alleged injury from the non-payment of a money-order at the expected time; and after once paying a money-order, by whomsoever presented, the Office is not liable to any further claim.

To guard against the loss of a Money-Order, the public are cautioned—

1. Never to send the Money-Order in the same letter with the information required on payment thereof.
2. To see that the name of the person taking out the order is correctly known to the person in whose favour it is drawn.

Under no circumstances can payment of an order be demanded on the day of issue.

In case of the miscarriage or loss of an inland Money-Order, a duplicate is granted on a written application (with the necessary particulars, and enclosing the amount of a second commission, in postage stamps) to the Comptroller of the Money-Order Office of England, Scotland, or Ireland, as the case may be, where the original order was issued; and if it be desired to stop payment of an inland order, a similar application, with enclosure of postage stamps, must be made to the Controller of the Money-Order Office of that part of the kingdom in which the order is payable. If alteration in the name of the payee or remitter of an inland Money-Order should be required, application must be made by the remitter to the Postmaster of the office at which the order was issued, and a second commission must be paid. Should transfer of payment of an inland order from one office to another in the United Kingdom, or repayment of the amount of an order, be required, an application enclosing the order must be made to the Postmaster at whose office the order is payable, who will transmit in exchange a new order payable at the place desired, but for a less sum than the original order by the amount of the second commission charged for the re-issue. Proper printed forms for making applications in all these cases may be obtained at any Money-Order Office, and full instructions on the subject will be found printed at the back of the Money-Order. Whenever, on complaint being made, it is found that the necessity for an application entailing the payment of a fresh commission is attributable to the Post-Office, the charge will be remitted to the applicant, and imposed on the officer in fault.

A Postmaster is required to give information how to apply for a duplicate order, &c., and must furnish the prescribed form of application. If payment of an order be refused in consequence of the replies to the questions respecting the remitter not corresponding with the entries in the advice, or of a difference in the name in the receipt, the applicant for payment should communicate with the remitter, and request him to apply personally to the issuing Postmaster.

No Letter Carrier or other servant of the Post-Office is bound to procure a Money-Order for any person, or to obtain payment for one, but such services are not forbidden.

Money Orders are issued at all Money Order Offices in the United Kingdom of Great Britain and Ireland, on Money Order Offices in Canada, Cape of Good Hope, New South Wales, New Zealand, Queensland, South Australia, Victoria, and Western Australia, and by the Offices in those colonies on any Money Order Office in the United Kingdom, at a charge of 1s. for any sum not

exceeding £2, 2s. for any sum above £2 and not exceeding £5, 3s. for any sum above £5 and not exceeding £7, 4s. for any sum above £7 and not exceeding £10, beyond which amount no single Order can be granted.

The renewal of a lapsed Colonial Order, the issue of a duplicate Order, or the stoppage of payment of an Order, will be made on application to the Controller of the Metropolitan Office of the country in which such *Colonial Order is payable*, provided an additional Inland Rate of Commission be enclosed with the application; except in the case of lapsed Orders, when the additional commission will be deducted from the amount of the new Order issued by the Department; but the lapsed Order must be transmitted with the application for its renewal. Postmasters in the United Kingdom have power to transfer to other offices in the United Kingdom payment of colonial orders originally drawn on their own offices.

For repayment of the amount of a Money Order, or for the correction of any error respecting the name of the Payee or Remitter of an Order, the application on the subject, enclosing an additional Inland rate of Commission, must be addressed to the Controller of the Metropolitan Office of the country in which such *Colonial Order was issued*.

VI.—MISCELLANEOUS RULES.

With the following exceptions, no letter, &c., can be forwarded by the post which is more than two feet in length, breadth, or depth. The exceptions are—

1. Packets to or from places abroad.
2. Packets to or from any of the Government Offices or Departments, or Public Officers.
3. Petitions or addresses to the Queen, whether directed to Her Majesty, or forwarded to any member of either House of Parliament.
4. Petitions to either House of Parliament, forwarded to any member of either House.
5. Printed Parliamentary proceedings.

No information can be given respecting letters which pass through a Post-Office except to the persons to whom they are addressed; and in no other way is official information of a private character allowed to be made public.

Letters must not be returned to Writers.

Postmasters are not authorised to return any letter, &c., to the writer or sender, or to any one else, or to delay forwarding it to its destination according to the address, even though a request to such effect be written thereon; as every letter, &c., must be delivered to the person to whom it is directed, and to him alone.

Late Letters.

Late letters, &c., are received till within five minutes of the despatch of the mails, except in those large towns where the Surveyor may deem an interval of ten minutes necessary, and excepting that no office is to be kept open merely for this purpose after ten o'clock at night.

Prepayment of late Letters.

No late letters, &c., must be forwarded by the mail preparing for despatch unless prepaid, and that in stamps, so as to include both the ordinary postage and the late-letter fee.

Re-directed Letters, &c.

With the subjoined exceptions, every re-directed letter, newspaper, or other postal packet, is liable to an additional postage (at the prepaid rate), unless the re-direction be made by an officer of the Post-Office, and be within the district belonging to the same Head Office. Thus, on a paid or unpaid letter, re-directed by an officer of the Post-Office to any other postal district in the United Kingdom, and weighing not more than half-an-ounce, an additional postage is levied of one penny; or if the weight be more than half-an-ounce but does not exceed an ounce, of twopence; and so on. Upon a book thus re-directed to any other postal district in the United Kingdom, and weighing not more than four ounces, an additional postage of one penny is levied; or if the book weigh more than four ounces but not exceeding eight ounces, an additional postage of twopence; and so on. A registered letter, when re-directed, is not subject to more additional charge than an ordinary letter. Letters addressed to commissioned officers in the army, navy, or ordnance, employed on actual service in any of Her Majesty's colonies, or on any foreign station, may be re-directed to such officers when removed *upon service* (whether at home or abroad), and are delivered to them for the same amount of postage that would have been chargeable had they been delivered at their original address. The same privilege extends to the letters of the soldiers and seamen described in the Table of Colonial and Foreign Postage, except as regards foreign postage, which must be paid.

Every Postmaster is required to have a notice conspicuously placarded, giving information respecting the hours of attendance, the despatch and delivery of letters, &c.

During the time the office is open on Sunday, the public are allowed to prepay foreign or colonial letters, to purchase postage stamps, and to have letters registered; and all other duties as usual, except the issue and payment of Money-Orders, which on that day are wholly suspended.

At no office is there more than one delivery on the Sunday; and any person is at liberty to prevent even this, so far as relates to himself, as shewn in the following regulations:—

1. Any person can have his letters, &c., retained in the Post-Office on Sunday, by addressing to the Postmaster a written request, duly signed, to that effect.
2. Such request will be held to include newspapers, and all other postal packets, even such as may be marked "immediate," as no distinction can be allowed.
3. No letters, &c., the non-delivery of which by the Letter Carrier on Sunday has been directed, can be obtained from the Post-Office window on that day.
4. Private box-holders have the option of applying for their letters at the office while it is open for delivery on Sunday, or of abstaining from so doing, as they may think proper, but no person can engage a private box for Sunday only.
5. To prevent the inconvenience and confusion which would arise from frequent changes in these instructions, no request can be entertained unless it extend to a period of at least three months, nor withdrawn, even after the lapse of that time, without a week's notice.

No Postmaster is bound to give change, or is authorised to demand change; and when money is paid at the Post-Office, whether as change or otherwise, no question as to its right amount, goodness, or weight can be entertained after it has been removed from the counter.

Except as regards foreign and colonial letters about to be prepaid in money, a Postmaster is not bound to weigh any letters or other packets for the public, though he may do so if his duty be not thereby impeded. Postmasters are instructed not to receive any letter, &c., which there is good reason to believe contains anything likely to injure the contents of the mail bag, or the person of any officer of the Post-Office. The following are examples of the articles referred to:—

A glass bottle, or glass in any form; razors, scissors, needles, knives, forks, or other sharp instruments; leeches, game, fish, meat, fruit, or vegetables; bladders or other vessels containing liquids; gunpowder, lucifer matches, or anything explosive or combustible.

By the 1st Victoria, cap. 36, sec. 2, any person illegally conveying letters incurs a penalty of £5 for every offence, and £100 for every week the practice is continued. The sender also incurs a penalty of £5 for every offence, with full costs of suit.

The following are exceptions from the exclusive privilege of the Post-Office in the conveyance of letters:—

1. Letters sent by a private friend, so as such letters be delivered by such friend to the party to whom they shall be directed:
2. Letters sent by a messenger on purpose, concerning the private affairs of the sender or receiver thereof, commissions or returns thereof, and affidavits and writs, process or proceedings or returns thereof, issuing out of a Court of Justice:
3. Letters sent out of the United Kingdom by a private vessel (not being a packet-boat):
4. Letters of merchants, owners of vessels of merchandise, or the cargo or loading therein sent by such vessels of merchandise, or by any person employed by such owners for the carriage of such letters, according to their respective directions, and delivered to the respective persons to whom they shall be directed, without paying or receiving reward or profit for the same in anywise:
5. Letters concerning goods or merchandise sent by common carriers to be delivered with the goods which such letters concern, without payment for receiving or delivering such letters.

But the following persons are expressly forbidden to carry a letter, or to receive or deliver a letter, even though they shall not receive payment for the same:—

- a. Common known carriers, their servants or agents, except a letter concerning goods in their carts or waggons, or on their pack-horses; and owners, drivers, or guards of stage-coaches.
- b. Owners, masters, or commanders of ships, vessels, steam-boats, or boats called or being passage or packet-boats, sailing or passing coastwise or otherwise between places within Great Britain or Ireland, or between ports within Her Majesty's dominions or territories out of the United Kingdom, or their servants or agents, except in respect of letters of merchants, owners of ships, or goods on board:
- c. Passengers or other persons on board any such ships, vessels, steam-boats, or passage-boats:
- d. The sailors or others on board a ship or boat passing on a river or navigable canal within the United Kingdom or other Her Majesty's dominions.

THE SCOTTISH UNION INSURANCE COMPANY was instituted in 1824, and is Incorporated by Royal Charter and Empowered by Act of Parliament. It is composed of a very numerous, wealthy, and influential body of Proprietors, and affords the most unquestionable security to the Public from the magnitude of its Capital—a large proportion of which is invested in Government and real securities.

FIRE DEPARTMENT.

For Insuring Property against Loss or Damage by Fire.

PROPERTY of almost every description may be assured against accidents arising from FIRE, by the Payment of a small Annual Premium; and Risks involving more than ordinary hazard are moderately rated.

All Losses, when satisfactorily ascertained, are IMMEDIATELY PAID; and the Directors of this Incorporation confidently refer to the liberality and promptitude which have hitherto marked their settlement of claims.

Scottish Union Fire and Life Insurance Company—Continued.

The PROGRESSIVE INCREASE of the COMPANY'S FIRE BUSINESS is shewn in the following TABLE of the DUTIES paid to GOVERNMENT, and of the SUMS INSURED on FARMING STOCK, taken from the Parliamentary Returns:—

YEAR.	Amount of Duty Collected, 3s. per £100.	Sums Insured on Farming Stock.
1849	£22,291	£1,124,482
1855	26,040	1,572,240
1861	33,586	1,680,347

This Company thus insuring above Twenty-four Millions of Property in Great Britain alone.

INSURANCES OF FARMING STOCK.

FARMING STOCK, which includes Hay and all sorts of Corn and other Grain, and Implements of Husbandry, may be insured with this Company, against Loss by FIRE or LIGHTNING, in one Sum on a Farm, and in the Offices, *without any average Clause*, for a year or for any shorter period. The Live Stock and Thrashing-Mill Machinery require to have separate values stated thereon.

Losses caused by Lightning to Farming Stock are paid; and no Government Duty is Chargeable on the Insurance of Farming Stock.

LIFE DEPARTMENT.

Parties about to effect Life Assurances should attend *especially* to the following points:—

- I. The CHARACTER of the Company, and the SECURITY offered by it.
- II. The RATES of Premium demanded.
- III. The BONUS or RETURN of Profits declared upon the Policies.

The large increase which has taken place in this Company's Business is the best proof that the liberal principles upon which it is conducted, and the equitable manner in which the surplus Life Profits are divided, are duly appreciated by the public.

The Number of Life Policies issued for Year ending 1st August 1862 was 915
 Sums insured thereby,.....£427,330
 Yielding of New Premiums,..... 13,197

The following Examples of Bonus Additions are taken from the Company's Books:—

A Policy issued in 1834 for £4000, had increased at 1st August 1861 to the sum of.....£5402 17 1
 A Policy issued in 1836 for £5000, had increased at 1st August 1861 to the sum of.....£6487 15 10
 A Policy issued in 1841 for £1000, had increased at 1st August 1861 to the sum of.....£1256 14 9

NON-PARTICIPATING POLICIES.

The low Rates charged in the Non-Participating Class are peculiarly well adapted for Loan Transactions; also, where the object is to assure a specific Sum payable at death, at the lowest Rate of Premium compatible with Security.

COPIES of PROSPECTUS, and all other information, may be obtained on application at the Head Office of the Company, 47 GEORGE STREET, EDINBURGH, or at any of the Company's Agents.

PROGRESS OF THE COMPANY'S BUSINESS.

INVESTMENT OF FUNDS.

The Funds of the Company, now amounting to upwards of Two Millions Sterling, are invested in Government Securities; in Loans on the security of land, by bond or mortgage; in Landed Property; in advances to the Company's Policy-holders; and in other ways affording undoubted security.

THE PROFITS OF THE COMPANY

Have been divided on six occasions—in 1835, 1840, 1845, 1850, 1855, 1860—when large additions were made to Policies under the peculiar mode of division adopted by the Company, which is essentially Tontine, affording very important advantages to Assurers.

Next Division in 1865, and every Five Years afterwards.

The Policies of the **STANDARD LIFE ASSURANCE COMPANY** are more Valuable than **ORDINARY POLICIES**,

Inasmuch as they are free from extra Premiums in the case of foreign residence, when the Directors are satisfied there is no intention or prospect on the part of the Assured to reside abroad. They are also free from other restrictive clauses. These are great benefits. Take, as an example, a liferenter who assures his life. In ordinary Policies, he is limited to residence in Europe, and his Policy is subject to forfeiture on various grounds. A *STANDARD Free Policy*, once obtained, contains but one condition—payment of the Premium, and for that, too, increased facilities are given; while at the end of five years, the Assurance Deed becomes, as regards any question, a simple promise to pay on proof of death. If the Policy is to be made the basis of a marriage-contract, or to be a security in any way, the advantage of a free assurance is undeniable; and in the present day, every Policy, it may be said, becomes in the course of its existence, in some way or other, the groundwork of a responsible transaction.

Edinburgh Life Assurance Company—continued.

THE following are the advantages given by this Company:—

Nine-tenths of the whole Profits divided among the Assured, without incurring any liability.

The guarantee of a responsible body of Proprietors, either personally or otherwise assured with the Office, affords the most undoubted security to all classes of Assurers, with all the advantages of Mutual Assurance.

In reference to the next Septennial Division of this Office in 1863, the special attention of intending Assurers is requested to the *benefits* which its system of Division (now fully developed by a successful progress of upwards of thirty-nine years), has conferred on its Participating Assured—illustrated in the results of the four previous Declarations to the oldest Policy-holders—the best lives.

The following are a few of these claims now, or previously paid, with *Bonuses exceeding one hundred per cent. on the sums originally Assured*:—

Policy No.	Sums Assured.	Bonuses.			Sums Paid.		
		£	s.	d.	£	s.	d.

647	500	505	3	0	1005	3	0
322	100	122	1	0	222	1	0

Later Entrants have received Bonuses proportionate to their endurance and payments, as illustrated in *Prospectus*.

An *Annual intermediate Bonus* equivalent to Annual Divisions.

The ratio of Division of Profits in this Office never having been lowered, but always somewhat increased at each Declaration, *all New Entrants for Participation* may confidently depend on receiving the full benefit of the profits from their own contributions, as well as from all other profits of the Company's business.

Liberal Resolutions as to Policy Conditions give to the Assured every facility consistent with sound principles of business.

Parties requiring Insurance at the lowest immediate outlay can effect such object by a scale of Non-participating Insurance equally moderate and more advantageous than the usual *Half-Credit System*.

Thirty days allowed for payment of Premiums, after they become due, and in the event of the party dying, payment within the thirty days, by the representatives, is held sufficient for preserving the Policy.

Policies in this Office no way affected by the Assured serving in Volunteer Corps.

Prospectus, and Printed Forms of the Proposal and Declaration for effecting an Insurance, may be had, gratis, at the Head Office, or from any of the Company's Agents.

No Entrance Money, nor any charge beyond the payment of the Premium, in effecting a Policy.

Very moderate Rates, without Participation, equivalent on Young Lives to an immediate Bonus of considerable amount.

Claims paid three months after proof.

FOUR-FIFTHS of the Profits of this Society will hereafter be allotted at the end of every Five Years, instead of every Seven Years as heretofore, amongst such of the Assured, for the whole term of Life, as shall have been so assured for two years or upwards previous to the date of division.

The following Table, shewing the amount of the Bonus added, will illustrate the general result of this and former Divisions.—

The next Division of Profits will be made at 31st December 1864.

The Assets of this Society fall little short of £5,000,000. Its Annual Income exceeds £480,000.

At the Divisions of Profits which have already been made, Reversionary Bonuses exceeding £3,569,734 have been added to the several Policies, and such Bonuses are repurchased, either by a Cash Payment, or by way of Reduction of Future Premiums.

The Directors have also power to purchase Policies for a sum payable immediately; or, on surrender of a Policy, to grant a new one for a reversionary sum equivalent in value to the purchase-money of the Policy surrendered; the Assured under such new Policy paying no further Premiums, but participating in the periodical Division of Profits.

Loans are granted on the security of Unencumbered Policies, nearly to the extent of their surrender value. No charge is made for Policy Stamps.

Parties whose Lives are Assured are permitted to reside in any part of Europe, the Azores, or Madeira, and, on payment of a small extra Premium to cover the risk of voyages out and home, to visit and reside in British North America, and the United States of America east of the Mississippi and not south of Washington, or at the Cape of Good Hope, and adjacent parts south of 30° south latitude.

Assurances made by persons on their own lives who shall die by duelling, or by their own hands, or by the hands of justice, will become void so far as respects such persons, but will remain in force so far as any other person or persons shall have a *bona fide* interest therein. And if any person Assured upon his own life, and who shall have been so Assured for at least five years, shall die by his own hands and not *felo de se*, the Directors are at liberty, if they shall think proper, to pay for the benefit of his family any sum not exceeding what the Society would have paid for the purchase of his interest in the Policy, if it had been surrendered to the Society on the day previous to his decease.

The sums due on the Policies will be paid at the expiration of three months after proof of the requisite facts.

Written notices of the assignment of Policies are received and registered.

The cheerfulness and promptitude with which important losses have been paid by this Company are well known and admitted, it being at all times the desire of the Directors to settle them with liberality and despatch.

The Original Scheme of the Association has been in operation for Twenty-four Years, and is arranged expressly with the view of reducing the expense of Life Assurance as low as is consistent with security.

1. AN ALLOCATION OF PROFIT is made yearly to all Policy-holders who were of Five Years' standing at the date of the preceding balance, and so as to reduce the outlay for the policies. Policy-holders of the First Series have thus for many years been called on to pay only 12s. 6d. (instead of 20s.) per £1 of their premiums; the remainder having been paid from the profits. For example, a Policy-holder whose premium is £50, obtains this year a return from the profits of £18, 15s.; and another, whose premium is £20, obtains £7, 10s. Even the latest Policy-holders entitled to participate in the profits have had already an allocation of 25 per cent. of their premiums, and require this year to pay only 15s. per £1.
2. THE OUTLAY FOR A POLICY may be materially lessened also, until the time of participation in Profits, by the HALF-CREDIT SYSTEM; under which only half the premiums for the first six years need be paid, the other half remaining unpaid (at interest) as long as the Assured pleases.
3. FREEDOM FROM RESTRICTIONS. The Policies now being issued are free from some important Restrictions imposed by other Offices, and confer unusual privileges. They are thus peculiarly valuable as securities for Money, Family Provisions, and for every other purpose.—*See Prospectus, for full Explanations.*

UNCONDITIONAL ASSURANCE, (B).

While the Policies of the Original Scheme have been relieved of many of the usual imperfections of Assurance Policies, the Association has, by this New Scheme, met the desire of late manifested for a system *still more simple and unconditional.*

1. NO FORFEITURE (as is usually the case) by omission to pay a premium through accident or oversight; and after Five Years, payment of a premium may be intentionally postponed for a year.
2. NO RESTRICTIONS as to Occupation, Residence, or Travelling; and no Extra Premiums can ever be payable.
3. THE LIABILITY OF THE ASSOCIATION for the Sum Assured continues even if death happen by *Suicide, Duelling, &c.*
4. THE VALIDITY OF THE POLICY cannot be questioned in so far as an Assignee is concerned; and, under any circumstances, the Assurance becomes unquestionable and indefeasible by the lapse of Five Years.
5. THE WITHDRAWAL of a fixed and unusually large proportion of his payments, either as a loan on security of the policy, or for its surrender, after the first year, is in the power of the Policy-holder.
6. ALLOCATIONS OF PROFITS in the form of *Bonus Additions* to the sum assured, with the option of equivalent cash payments.

The Policies of this New Scheme have, therefore, an EXTRAORDINARY VALUE and IMPORTANCE, and afford complete protection under almost all circumstances. It is, however, not intended for persons residing in, or likely to proceed to, unhealthy climates.—*See Prospectus, for full Explanations of the Scheme.*

[STATEMENT BY THE DIRECTORS.]

Life Association of Scotland—Continued.

STATEMENT BY THE DIRECTORS OF THE LIFE ASSOCIATION OF SCOTLAND.

THE DIRECTORS of the SCOTTISH WIDOWS' FUND LIFE ASSURANCE SOCIETY have lately issued certain comparative statements, professing to prove its superiority over other Life Offices in LOWER RATES OF PREMIUM—LARGE BONUSES FROM PROFITS—EXTENT OF BUSINESS, &c. These statements have been prepared, the Directors say, "with the view of affording to all who desire information, the means of deciding, by comparison with other Offices, whether it is for their advantage to effect their Assurances with the Society."

These statements are neither fair nor legitimate, and do not convey just or correct impressions as regards many of the Life Offices with which that Society has to compete. The DIRECTORS of the LIFE ASSOCIATION OF SCOTLAND, therefore, feel called on to submit the simple facts in as far as their OFFICE is concerned.

RATES OF PREMIUM.

The Directors of the Scottish Widows' Fund Society repeat, again and again, the statement that "their Premiums are LOWER than those charged by the leading Life Offices, while the Bonuses declared are not exceeded by those of any other Insurance Company."

The following comparison will shew how far this assertion is correct:—

Annual Premiums for Assurance of £100, with Profits.

PROFITS OR BONUSES ALLOCATED TO POLICY-HOLDERS.

The Directors of the Scottish Widows' Fund Society repeatedly state that "the Bonuses declared by them are not exceeded by those of any other Insurance Company;" and, farther, make the still more extraordinary assertion, that "for every £100 of Bonus to be expected from a Proprietary Company of the highest standing, a Bonus of £120 may be expected from the Scottish Widows' Fund."

These undue pretensions are quite inconsistent with the facts, as is well known to every one intimately acquainted with the principal Assurance Offices; and the following comparison disposes of them as regards the LIFE ASSOCIATION OF SCOTLAND:—

Policies for Assurance of £1000, with Profits.

Notes.—The Life Association applies its profits in reducing from year to year the Premiums payable for the Policies—in other words, in Cash Payments to its Policy-holders. The accumulated amounts of these are therefore compared, in the above Table, with the "Equivalent Values in Cash," for which the Scottish Widows' Fund exchanges its Bonus Additions payable at death. The higher Premiums exacted by the Society at most ages have not been taken into account in the Table.

[Continued.]

Life Association of Scotland—Continued.

It may be noticed, farther, on examination of the Bonus Table published by the Scottish Widows' Fund, that the Profits allocated to that Society's Policy-holders have been on the decrease. Thus, at the last three Divisions the Bonus was at these respective rates—viz., £2 per cent. at the Division in 1845,—£1, 15s. per cent. at that of 1852,—and £1, 12s. 6d. per cent. at that of 1859.

EXTENT OF BUSINESS.

The LIFE ASSOCIATION OF SCOTLAND has just completed its twenty-fourth year, and has transacted new Assurances to the amount of	£7,667,562
The Scottish Widows' Fund Society, during its first twenty-four years, transacted	£4,546,214

During the last Ten Years

The LIFE ASSOCIATION OF SCOTLAND transacted new Assurances for	£5,346,623
The Scottish Widows' Fund Society, during the same years, transacted	£4,705,138

The DIRECTORS of the LIFE ASSOCIATION OF SCOTLAND,—having thus made it evident that the position of the Association's Policy-holders is certainly not inferior to that of the assured in the Scottish Widows' Fund Society,—leave the public to judge whether an Institution, constituted as the Life Association, does not in reality contribute greatly to the interests of its Policy-holders,—not only by relieving them of the liabilities of partnership,—but also by assuming the responsible and energetic management best fitted to secure successful financial results.

By Order of the Board,

JOHN FRASER, Manager.

LIFE ASSOCIATION OF SCOTLAND'S OFFICE,
EDINBURGH, 82 PRINCES STREET,
4th May 1863.

LONDON UNION INSURANCE COMPANY.*INSTITUTED 1714.*

LIFE Insurances effected at moderate rates of Premium, with entire exemption from the liability of Partnership.

The Premiums may be all paid at once, or in any given number of Years, or *two-thirds only* of the Premiums may be paid, and the Balance deducted with Interest, when the Claim is payable.

Short Insurances, viz., from one to seven years, are effected on the most advantageous terms.

Loans granted on the Policies of this Office.

Bonuses every five years; which can be appropriated either by increasing the sum insured; by reducing the Annual Premium; or by an Equivalent Payment in Cash.

The last Bonus, (1862,) besides reserving a Sum to accumulate towards the next division, averaged from 45 to 88 per cent., between the ages of 25 and 50, on the respective amounts of Premiums paid.

Thus, for example, a Policy effected at the age of 25, for £1000, in 1856, and upon which Premiums in 1862 had been paid to the amount of £159, 16s. 8d., had a Bonus declared of £140, or only less than £19, 16s. 8d. of the amount of the whole Premiums paid.

The London Union Society has existed for about 150 years, and has fulfilled all its engagements with integrity and honour. Invested Funds, £1,066,110.—Annual Income, over £141,000.

THE SCOTTISH EQUITABLE LIFE ASSURANCE SOCIETY is an Institution peculiarly adapted for securing family provisions. It is a purely Mutual Assurance Society. The whole Profits are allocated every THREE YEARS amongst Policies of five years' duration. No part is, as in the case of a Proprietary Company, diverted from those who are assured, and paid away to Shareholders; and the additions which have already been made to Policies, afford the clearest evidence of the prosperity of the Institution, and the great advantages derived by its members.

THIS SOCIETY is specially authorised by its Act of Parliament to Guarantee Officials in every Department under Government, and having acquired the business of the BRITISH GUARANTEE ASSOCIATION, is now the *only Society* whose Guarantee Policies are accepted by *Government*.

The Officials of the Treasury, Customs, Inland Revenue, General Post-Office, Poor-Law Board, the Board of Trade, War-Office, Admiralty, Commissioners of Her Majesty's Works, &c., Home, Colonial, India, and other Government Departments, the principal Banks, Railways, Public Companies, Municipal Corporations, &c., in Great Britain, India, and the Colonies, are largely Guaranteed by Policies of this Society.

Every description of LIFE ASSURANCE is transacted by the Society at moderate rates, with or without participation in profits.

The combination of Guarantee with Life Assurance, which is a feature introduced by this Society, affords important advantages to the Assured, as considerable deductions are made on the Guarantee Premiums, (in some cases equal to the whole annual payment,) depending upon the relative amounts of the Life and Guarantee Risks.

ANNUITIES are granted, either as Immediate, Deferred, or Reversionary, upon liberal terms. The following will shew the IMMEDIATE Annuity granted for £100, at the respective Ages:—

Claims arising in Scotland are made payable at the Society's Head Office in Edinburgh. Agents are appointed in most of the Principal Towns in Scotland.

THE CALEDONIAN INSURANCE COMPANY was established so far back as the year 1805; it is consequently the oldest Scotch office. Its experience extends over a period of nearly 60 years; and the success that has attended its operations during that time, combined with the continued accession of business, shews the confidence that is placed in its stability and management. Its Incorporation is by Royal Charter as well as by Act of Parliament; and from its ample Capital and large accumulated Funds, the most undoubted security is afforded.

LIFE DEPARTMENT.

THE Policies, now in course of being issued by this Company, are free from all unnecessary restrictions, and secure every advantage derivable from the system of Life Assurance. The Premiums are strictly moderate.

The Participation Scheme was begun in 1840, and the oldest Policies for £1000 in connexion with it becoming Claims after payment of the Premiums falling due in the current financial year, are increased to £1346, 4s. 1d; those for larger or smaller sums being proportionately augmented. Bonus Additions may be surrendered for their value in cash, or an equivalent reduction of future Premiums, the Assured having their choice in all cases.

It is provided by the Company's Act of Incorporation, that Investigations shall take place at intervals not exceeding Five Years, and intermediate Bonuses are allowed when Participating Policies, in force at one Division of Profits, become Claims before another—an arrangement which secures for such cases advantages similar to those claimed for Annual Investigations.

The business in this department has been greatly extended within the last few years.

Prospectuses, with every information, may be had on application.

FIRE DEPARTMENT.

All Losses, so soon as satisfactorily ascertained, are liberally and promptly settled.

THE Profits of this Company are divided ANNUALLY, and the Assured participate therein IMMEDIATELY from the commencement of their assurances.

UNRESTRICTED LIBERTY is granted from the outset, to holders of whole life Policies (not being sea-faring persons), and provided they are not about to reside in a Country for which an extra Premium is exigible, to pass by sea from one part of the World to another without payment of extra Premium.

UNRESTRICTED LIBERTY is granted from the outset, under whole life Policies, on intimation being made to the Directors, to reside without extra Premium in many foreign countries.

POLICIES BECOME INDISPUTABLE at the end of five years from their date, (provided satisfactory evidence of age has been produced,) so that they will not be vitiated by any error or mis-statement in the declaration of the Assured,—the only condition being that the Premium (and extra-Premium if exigible) be regularly paid when due.

HALF-CREDIT ASSURANCE.

Special attention is invited to the advantages offered under this system of Assurance, upon a plan which was introduced by, and which is peculiar to this Company. Full details and illustrations will be found in a Pamphlet issued by the Company.

THE ADVANTAGES which, as compared with other Offices, this Society offers are—

A greatly larger original Assurance for the same Premium, and eventually to good lives as large additions as where the ordinary high rate of Premium is charged.

For the same yearly sum, as large an Assurance may generally be secured from the first as can be looked for elsewhere after many years' accumulation of Bonuses. Thus, a Policy for £1200 or £1250 may be had for the Premium usually charged to Assure £1000 only.

In addition to this immediate Advantage,

The **WHOLE PROFITS** are secured to the Policy-holders themselves, and are divided on a system at once safe, equitable, and peculiarly favourable to good lives.

Instead of being given among all Policies indiscriminately—including those which have subsisted only a few years, and on which there may eventually be a *loss* to the common fund—they are reserved for those members who alone can have made surplus payments; in other words, for those whose Premiums, with accumulated interest, amount to the sums in their Policies.

The Institution has taken a leading part in freeing Policies from elements of doubt as to their absolute validity. Resolutions were adopted at the General Meeting in 1849 by which, among other relaxations, it is declared that "*there shall be no forfeiture unless the averments*" in the original proposal "*be fraudulent as well as untrue.*" The Institution has never disputed a Claim.

Above 12,000 Policies have been issued, assuring five and a half millions. The Accumulated Fund, arising entirely from Premiums, exceeds £860,000, the whole of which is invested in unexceptionable securities in this Country.

INVESTIGATIONS into the Company's Affairs, on correct and trustworthy data, are made every FIVE YEARS. The next INVESTIGATION will take place at CHRISTMAS 1865.

NINE-TENTHS of the PROFITS are appropriated to, and divided among, the ASSURED,—this being a larger proportion than is given by most Offices, and more than is ever *divided* in the Mutual Societies where the Whole Profits are said to *belong* to the Assured.

EVERY POLICY, however recent its date, effected on the PARTICIPATION SCALE and paying FULL PREMIUMS, which is in force at the date of INVESTIGATION, is held to have contributed to the PROFITS then to be ascertained, and is entitled to participate therein in proportion to the number of yearly Premiums paid on it since the preceding DIVISION, without any postponement of this PRIVILEGE: the Bonus Additions vesting *immediately* on declaration.

LIFE ASSURANCE.

AMONG the advantages offered by this Corporation are—

1. The Guarantee of an extensive and highly respectable body of Shareholders.
2. An Equitable Division of the Whole Profits among the Assured in the Participation Scheme.
3. The probability afforded by a successful business of a periodically increasing Bonus. And,
4. Policies Indisputable, except on the ground of fraud.

Thus combining the leading features of a Mutual with the stability of a Proprietary Company.

The Annual Revenue of the Company is now upwards of £200,000, and the Invested Funds are upwards of £600,000.

DIVISION OF PROFITS.

The Company having, in the year 1861, completed the Fifth Quinquennial period of its existence, the Directors, after a careful investigation into the Life Department, resolved to recommend, from the profits of the past five years, a Bonus, present and prospective, to the Policy-holders of the Participating Class, of £1, 7s. 6d. per cent. per annum, on all Policies current at the 31st of January 1861; and although from the Report it appeared that a considerably higher Bonus might have been declared, the Meeting resolved to adopt the recommendation of the Directors, and to carry forward the surplus for appropriation at the next Declaration of Profits.

REDUCED RATES FOR THE EAST AND WEST INDIES.

The Directors have adopted a new Scale of Rates for the East and West Indies and China, considerably lower than those charged by this or, they believe, any other Company, but differing from the old system, in respect that no reduction takes place on the assured returning to Europe or proceeding to any other part of the world not chargeable with an extra premium.

According to this method; the Assured, instead of being subjected to a heavy Extra Premium during the years of residence in the Tropics, has the option, by paying a fixed rate, of throwing the Extra over the whole currency of the Assurance.

LIFE ASSURANCES without Profits effected, and ANNUITIES Sold on very favourable terms.

Liberal Surrender Values allowed, or new Policies granted in lieu thereof.

The Premiums may be paid Yearly, Half-Yearly, or Quarterly, for a limited number of years only, or by a Single Payment. No Entry Money or Stamp Duty charged.

FIRE INSURANCE

Undertaken on similar terms with other respectable Offices.

N.B.—No charge is made for Policy Stamp when the sum insured amounts to £200, or on Transfers from other Offices.

Reports of last Investigation, Tables of Rates, and all other information, may be obtained by application at the Head Offices or Agencies.

“**BUILDING SOCIETIES** give great facilities for the acquisition of property in its most attractive form of houses and lands, and of that much-coveted privilege—the right of voting. A man who has risen by his own industrial savings to be a house-owner, a landed proprietor, and a free and independent elector, has more importance in the community than the man who has merely a deposit in the Savings Bank; and no man rises to such a position without at the same time rising in his general character, and in the respect of those by whom he is surrounded.”—CHAMBERS'S PAPERS FOR THE PEOPLE, No. 87.

STANDARD INVESTMENT SOCIETY.

Empowered by Act of Parliament, 6 & 7 Will. IV., cap. 32.

37 GEORGE IV. BRIDGE, EDINBURGH.

THE special objects and leading features of the STANDARD INVESTMENT SOCIETY may be thus briefly described:—

- I. To Advance Money to enable the Members to acquire Landed Property, or to Purchase or Erect Dwelling-Houses or Shops, the repayment of the Advance being made by a series of easy instalments, (monthly, quarterly, or otherwise,) extending over any term not exceeding twenty-five years.
- II. To afford a ready and safe channel for the Investment of Money at a fair rate of interest, with the power of calling it up on short notice.

The **STANDARD** is the only Investment Society which imposes no Fines or Fees of any description on its Members.

The following Table shews the Amount of Rent Charge payable for each £100 advanced, which includes all Payments, both of Principal and Interest:—

SAVINGS AND DEPOSITS.

The Directors have opened a Branch for the Investment of SAVINGS and DEPOSITS, in connexion with their other operations. Sums of Money, from One Shilling upwards, are received, without restriction as to the amount deposited in any one year.

As the Funds of the Society are not invested in fluctuating Government Stock, but in Heritable Securities only, which yield a comparatively high rate of interest, the Directors are enabled to allow **FOUR PER CENT.** per Annum on Deposits. Accounts may be operated on in the same manner as in ordinary Banks.

For Permanent Investment, the Society issues **FIVE PER CENT. STOCK**, in Scrip Notes of ONE POUND each, the Interest on which is payable Half-yearly at the usual Term Days.

Prospectuses, Tables of Rates, and every information regarding the Society's operations, may be obtained at the Office of the Solicitors, 62 Frederick Street, every day, between the hours of 10 and 4; and every evening, (except Saturday,) from 7 to 9, at the Office of the Society, 37 George IV. Bridge, Edinburgh.

DISCERNING PEOPLE

Will easily comprehend how in this way PETER SCOTT & Co. are enabled to Sell (at Prices within the reach of all who wish or have occasion to dress well) the Fabrics which are made in London for the upper classes, who seldom ask a price, generally expect long credits or large discounts, and who, therefore, by the losses and delays to which they subject their Clothiers, put it out of their power to supply their patrons at moderate prices.

BEFORE-EFFECTING A LIFE ASSURANCE, the character of the office to be selected, the security it presents, and the advantages which it affords, should be carefully ascertained. No prudent person will decide to make provision for his family by means of Life Assurance (*which usually involves the savings of a lifetime and the welfare of a family after death*), without being satisfied—

FIRST.

That the provision on which his family is to depend is not only safe beyond doubt or question, but also that it will ultimately amount, with additions from Profits, to the largest sum which the premiums payable are adequate to secure. *For information, see 'Security presented by the Society,' p. 2, and 'Bonus Additions Declared,' & 'Resources of the Society,' p. 3.*

SECOND.

That in the event of his outliving the object of the assurance, or desiring for any other reason to discontinue it, he will be entitled, on surrendering the Policy, to withdraw the excess of premiums paid over and above what has been required to cover the risk incurred by the office. *For information, see 'Surrender Values payable on Demand,' p. 3.*

That a person intending to insure his life may satisfy himself on these essential points with reference to any office, it is necessary that he should possess regarding it, information similar to that contained in the following pages:—

HEAD OFFICE 9 S' ANDREW SQUARE EDINBURGH

SECURITY PRESENTED BY THE SOCIETY.

The only satisfactory evidence that a Life Office affords complete security for the fulfilment of its engagements, is a correct Statement, containing its "Assets," shewing the manner of their investment on the one hand, and its "Liabilities," with the table of Mortality and Rate of Interest by which they have been valued, on the other. It is also important to every person insuring his life to know that the office he selects has not, to any extent, declared Bonuses by anticipating future Profits. WHERE THIS HAS BEEN DONE, NEW MEMBERS ENTER AT GREAT DISADVANTAGE, FOR THEIR FUNDS ALONE MAKE GOOD THE ANTICIPATED PROFITS, IN WHICH THEY DID NOT, AND NEVER CAN SHARE.* With the view of affording exact information as to the nature and extent of the security presented by the Society, the following statement of Assets and Liabilities as at 31st December 1859, when last valuation took place, is given:—

Assets.—Money invested in First Class Securities	£3,518,230
Liabilities.—Value by the Carlisle 3 per cent Tables,* (see note below)	2,756,216
Surplus, being excess of Assets	£762,014

Which Surplus was disposed of thus:—

1. Sum set aside to meet the Bonus then declared	574,355
2. Free Balance or "Guarantee Fund" retained	£187,659

* NOTE.—The entire "Loading" or per centage on future premiums, which is applicable to future Expenses, Contingencies, and Profits alone (value £738,155), was, as usual, left untouched. The Public will therefore observe that future Profits have not to any extent been anticipated or encroached upon in declaring past Bonuses, but that the Scottish Widows' Fund possesses every element of security and future profit which a Life Insurance Office entitled to public confidence ought to possess.

SURRENDER VALUES PAYABLE ON DEMAND.

One of the principal impediments to the extension of Life Assurance among the classes to whom it is most beneficial, viz., those whose means of providing for their families depend upon professional income, is the apprehension that inability to continue the Assurance necessarily involves loss of all the premiums paid to the Office. It will accordingly be satisfactory to such persons who intend effecting Assurances to know, that this objection is obviated in the Scottish Widows' Fund, as the Surrender Value of the Policy is allowed to the Member at any time he shall choose to discontinue it. The following are

EXAMPLES OF SURRENDER VALUES OF POLICIES OF £1000, OF THE PARTICIPATING CLASS. *Age at entry being 30.*

Duration of Policy.	Premiums paid.	Surrender Value.	Per centage of Surrender Value on Premiums paid.
One Year	£25 17 6	£8 0 10	31 per cent.
Ten Years	258 15 0	160 12 10	62 per cent.
Twenty Years	517 10 0	390 15 11	75 per cent.
Thirty Years	776 5 0	699 10 0	90 per cent.
Forty Years	1035 0 0	1071 19 0	104 per cent.
Forty-five Years ...	1164 7 6	1435 9 0	123 per cent.

Thus a Scottish Widows' Fund Policy, besides securing an Assurance in the event of the Member's death, has the special advantage of being AS CONVERTIBLE AS A BANK NOTE, during his lifetime to the extent of its value, which in many cases considerably exceeds the entire amount of the premiums paid.

Comparative Value of Policies in Different Offices.

The conditions under which a Policy in one office may be held to be of greater value than a Policy in another office are substantially these—(1.) That the sum receivable in the event of death, including additions from Profits, shall be larger in proportion to the premiums payable in the one office than in the other (see "Bonus Additions Declared," page 3). (2.) That the sum which may be withdrawn during life as "Surrender Value" in the event of the Assurance having to be discontinued, shall be larger for the premiums payable in the one office than in the other (see "Surrender Values payable on Demand," page 3). (3.) That the Security afforded for the fulfilment of all engagements is better in the one office than in the other (see "Security presented by the Society," page 2). *When parties desire to acquaint themselves with the relative merits of Life Offices with the view of effecting Assurances, their attention should be specially directed to these essential points.*

AN ENLARGED EDITION OF THE PROSPECTUS

Has been prepared with much care, containing a practical exposition of the comparative merits of Life Assurance in Shareholding Insurance Companies and Mutual Societies like the Scottish Widows' Fund, and also full information on every point of the Society's position and affairs. The prospectus will be sent free of charge on application to the Head Office or any of the Society's agents.

THE SCOTTISH PROVIDENT INSTITUTION.

25th Annual Report 1863.

THE TWENTY-FIFTH ANNUAL GENERAL MEETING of the Contributors was held at Edinburgh, on 18th February 1863.

JOHN HUNTER, Esq., LL.D.,

Auditor of the Court of Session, the Senior Director, in the Chair.

THE CHAIRMAN said,—I have more than once had the pleasure of occupying the chair at our Annual Meeting, and have never had other than a favourable account to give of the progress and increasing prosperity of the Institution; but I have not on any previous occasion had more agreeable intelligence to communicate to the contributors than I have on the present. I am happy to say that in spite of adverse circumstances arising from the distress that has prevailed in those parts of the country which are connected with its great staple manufacture, we have not only done more business in the last than we did in the preceding year, but that we have done more than in any year since the Society was instituted. This cannot fail to be very gratifying to all of you, as it is to myself; but, though gratifying, I must say, I do not think it is at all surprising. Our principles are yearly becoming more widely known, and I have never yet met with an intelligent person who fairly applied his mind to master them without being in the long-run satisfied that they were to be preferred to those of any other institution of the kind, either in Scotland or England. In speaking of our principles, I allude mainly to what I may call our great central principle, with the nature of which you are all well acquainted, namely, that in distributing whatever profit or surplus may arise, we give no portion of it to any Policy which may become a *loss* instead of a gain to the Institution. We distribute our profit entirely among those Members whose

payments to the common fund, with interest, have at least amounted to the sum for which their lives are insured. This principle should be taken in connexion with the fact that our Premiums are not, as is usually the case, augmented for the purpose of creating a special fund for after division, but are fixed at such amount as, without any risk of deficiency, to secure just the sum originally assured. They are, in fact, quite as low as in other offices where a specific sum only is assured without a right to any further Addition in any event; so that we insure as large, and in some instances a larger sum for the same Premiums as those Offices which give no Bonus or Addition whatever. We thus meet the case of those who die early before their families may have been provided for from other sources, by securing to them the largest provision which their payments will admit of; while, on the other hand, we meet also the case of those (always the larger number of Assurers) who, by living beyond the general *average* expectation of life, as shewn in tables of mortality, would be losers by having assured at all. I may say also, that we have found this from experience to be the most beneficial course that could be adopted for doing justice to all our Members. I am glad, therefore, to find that our principles, the more they are known, are becoming the more highly appreciated, not merely in Scotland but in England—having indeed anticipated from the first that, as soon as the strong common sense of the English mind

THE SUCCESS OF THE SOCIETY.

THE SCOTTISH PROVIDENT INSTITUTION.

should be applied to the subject, the business there would increase, as it is now doing from year to year, particularly in the metropolis, and in some of the leading towns.

I have been connected with this Institution for upwards of a quarter of a century, and I can attest that not only are its principles sound, but that they are practically applied in the conduct of its business with the greatest care and anxiety. I can further state from personal knowledge that our funds are securely invested, and are improving at a good rate of interest—a higher rate than that upon which our Tables are based.

I was originally led to look into the terms proposed by the Office about twenty-six years ago. I then became satisfied they were more favourable for Assurers than those of any other Office I was at that time acquainted with; and I may now add, I still consider them greatly superior to those of any that I have known since. As a practical illustration of their superiority, in comparison with some Offices at least, I may here allude to a fact, which I mentioned at one of our Annual Meetings, a great many years ago. It is this: After maturely considering the system set forth by the Scottish Provident Institution, I was led to surrender a policy of twelve years' standing which I held from an English Office—a proprietary one—

which gave its Policy-holders no Bonuses or Additions to the amount originally assured. I received a sum for the surrender, the annual interest of which was sufficient to enable me to pay the additional Premium required (in respect of my being twelve years older) for insuring to the same extent in this Office. By doing so I got the whole immediate benefit of the principal sum paid me for the surrender, and I have since got the further and much greater benefit—then only prospective, but now realized—of the very considerable sum which was here added to my Policy when I had paid up, by Premiums (including interest), the amount for which I had insured. To the extent of that Addition, and of the further Additions which I venture still to hope will be made on future Divisions, I have been a gainer by the transference of my Assurance. I would have had none of these Benefits from the Office in which I was originally insured, as the advantage I have myself reaped would have been secured by the partners of the company. I have mentioned this circumstance again, partly because “a good story is not the worse for being twice told,” but mainly because I can now speak with certainty of advantages, as already to a large extent realized, which I could only refer to formerly as probable and reasonable expectancies.

THE REPORT by the DIRECTORS for the year 1862 showed the following results:—

New Proposals accepted, 792, assuring £372,460. Annual Premiums on these, £10,702, 13s. 7d., besides single payments, &c. The Revenue of the year was £149,088 : 17 : 8. The Claims, 95 in number, amounted, including Bonus additions, to £56,776 : 16s.

There had been issued in all 12,438 Policies, assuring a sum of £5,576,629. The subsisting Assurances amounted to £4,147,081 : 6s.

The REALIZED FUND, arising entirely from accumulated Premiums, which, at 31st December 1861, was £772,808 : 1 : 4, had reached the sum of £861,005 : 11 : 2, the whole of which is invested in unexceptionable securities in this country.

The Scottish Provident Institution

COMBINING

MODERATE
PREMIUMS

WITH WHOLE
PROFITS.

CONSTITUTED ON THE PRINCIPLE OF

MUTUAL ASSURANCE WITHOUT PERSONAL LIABILITY.

“After a careful examination of the two plans, with some benefit from practical experience, we do not hesitate to declare our conviction that the Mutual System is the only one which the public at large are concerned to support.”—CHAMBERS’S JOURNAL.

IN THIS SOCIETY the Members obtain Assurances on their lives, having right to share in the Whole Profits, on payment of the moderate yearly Premiums required by the non-participating Scale of the Proprietary Companies. In other Offices a person may assure at Premiums as low, but without any prospect of additions to the original amount of his Policy: OR, he may obtain the right to Profits, but only by payment of excessive Premiums.

In this Office alone are the two benefits combined.

ITS ADVANTAGES, then, as compared with other Offices, are—
A greatly larger original Assurance for the same Premium, and eventually, to good lives, as large additions as where the ordinary high rate of Premium is charged.

For the same yearly sum as large an Assurance may be secured from the first as can be looked for elsewhere only after many years’ accumulation of Bonuses. Thus, a Policy for £1200 or £1250 may generally be had for the Premium which, in the other Mutual or Participating Offices, would secure £1000 only.

The Whole Profits, moreover, are secured to the Policy-holders themselves, and are divided on a system which is at once safe, equitable, and peculiarly favourable to good lives, no share being given to those by whose early death there is a *loss* (instead of a profit) to the common fund. In this way Policies for £1000 have already been increased to £1300, £1500, and in some instances to upwards of £1700.

The class of Participants now embraces, with few exceptions, all who entered in the earlier years, with many more recent entrants paying a higher rate of Premium.

Twelve Thousand Policies have been issued, assuring five and a half millions. The Realised Fund, arising entirely from accumulated Premiums, exceeds £860,000; the whole of which is invested in unexceptionable securities in this country.

Full information may be had at the various Offices, or from the Agents.

32	2 3 5	46	3 8 5	60	6 6 7

The PREMIUM to assure £1000 at death of a person of 30 is thus £20 : 15s. A yearly payment of this amount would, in the other Mutual Offices, secure an Assurance of £800 only.

Comparison of Premiums with Other Offices.

IN the following TABLE, Examples of these Premiums are shewn in comparison with those of the other Scottish Offices—first, with those of the other Mutual Societies; and then with the *average* of the rates of the Proprietary Companies—as well by their participating as by their non-participating scales.

Age.	WITH WHOLE PROFITS.		WITH PORTION OF PROFITS.	WITHOUT PROFITS.	Age.

60	6 6 7	6 6 4	6 14 9	6 3 10	60

It will be seen that the Premium for Assurance of £1000 in the other Mutual Offices is, at age 30, £25 : 17 : 6; which would in this Institution secure a Policy for about £1250.

In the same way the *average* (participating) Premium for £1000 in the Proprietary Companies is £24 : 11 : 8, a Premium which would here secure a Policy for about £1185, entitled to share in the *whole* Profits. The non-participating Premiums of these Companies differ little from the Premiums of this Institution, so that persons who assure by that scale virtually throw away the prospect of additions from the profits without any compensating advantage.

A Table shewing the Premiums in all the Assurance Offices in the Kingdom will be found in the "Post Magazine Almanac," "Letts's Diary," and other Publications.

Family Provision.

THE distinguishing feature of this Mutual Society, by which the Premiums are charged at rates which in other offices would secure only a non-participating Policy, renders it especially suitable to the case of PROVISIONS under Marriage Settlements or otherwise, where it is desirable to secure as large a provision of definite amount as the available income will admit of, without sacrificing the prospect of ultimate additions from the Profits.

Transfer of Assurances.

Within the last few years not a few Companies have had to wind up, or to merge in other offices. This has necessarily been the cause of much anxiety to their Policy-holders; and it is known that many persons who had incautiously effected assurances in offices of doubtful position are at present deliberating with a view to transfer their family provisions to an office of undoubted stability.

To such cases the terms of this Society are peculiarly suited. The transfer to other offices would, in almost every instance, entail a loss, in consequence of the advanced age. Whereas the change may, in many cases, be made to this Society with advantage even on the score of outlay, although several years may have elapsed since the assurance was effected. The average (participating) Premium for £1000, at age 30 (as may be deduced from the published Tables), is slightly under £25. The Premium for £1000 in this office, at age 35 (five years older), is only £23:8:4; and two years later, at age 37, still only £24:16:8. So that one who had assured with such an office seven years before would not be subjected to any increase in his yearly payments, while he ought to receive a sum in hand from the other office for the surrender.

TO all whose income is derived from professional emolument, or otherwise depends on the continuance of health and activity, the system of Premiums restricted to a limited term of years is especially recommended. Examples are given in the following Table:—

PREMIUMS FOR LIMITED TERM—FOR ASSURANCE OF £100 AT DEATH.
 (Sharing of course in Profits.)

Age.	Limited to 21 Yearly Payments.	Limited to 14 Yearly Payments.	Limited to 7 Yearly Payments.	Premium in a Single Payment	Age.
20	£2 9 11	£3 3 11	£5 8 7	£32 12 0	20
25	2 12 6	3 7 3	5 14 0	34 2 0	25
30	2 15 4	3 11 2	6 0 1	36 4 0	30
35	3 0 2	3 16 11	6 10 0	39 2 9	35
40	3 7 5	4 5 2	7 3 7	43 2 10	40
45	3 17 6	4 16 4	8 0 7	48 0 8	45
50	4 12 1	5 12 4	9 2 10	53 19 3	50

Policies on these higher scales soon form a fund of credit available at any time. Of the Single Payments a large proportion can at once be obtained on loan, at a moderate rate of interest.

DUBLIN OFFICE:

No. 16 COLLEGE GREEN.—WILLIAM WILSON, Local Secretary.

The Scottish Provident Institution.

Position & Administration.

THE POSITION to which the Society has attained in Great Britain is thus stated by the Chairman at the Annual Meeting of 1861.

LOOKING to all the Offices in the Kingdom, we find that of those established as late as ours not one has come up to us in general business, except it may be one, and in that case the difference, if any, is not great, while our own Realized Fund considerably exceeds theirs. If we look, on the other hand, to all the Offices older than ours, numbering probably about sixty, we have gone ahead of about one-half of them in the amount of our Accumulated Fund, and of nearly three-fourths of them in the number of our Members.

Unconditional or Indisputable Policies.

THE LEADING PART which the Institution has taken in removing restrictions and grounds of forfeiture from Policies is thus referred to at the same Meeting by Mr. HOPE of Fentonbarns:—

The Chairman has made allusion to what are styled Unconditional or Indisputable Policies. I have had sent me by post printed statements from two offices in this city, each contending that it was the first to adopt these so-called improvements, and one of them roundly advances the claim of having been “the means of introducing into the practice of Life Assurance all those recent improvements by which a policy may be rendered an unchallengeable and indefeasible security.”

Now, it appears to me, our own office led the way in these improvements, so far as changes which have been made are essentially sound in principle. If you turn to the Report of this Society, presented to the General Meeting in February, 1849, you will find it was then resolved that, with the exception of the declaration as to age—certain steps to secure accuracy in which are required—“*there shall be no forfeiture unless the averments be fraudulent as well as untrue.*” At the same time the forfeiture, in the event of death by the hand of justice, duelling, or even (when the policy has subsisted six months) by suicide, was abrogated.

Regarding these changes, and their adoption first by this Society, I challenge dispute. The question is simply one of dates, and I believe no office can produce resolutions originating such beneficial changes at a date prior to ours. There is, indeed, one instance in which we do not claim originality. In April 1851 the Standard Office introduced a system of Select Class Assurances, according to which Certificates might, on application, be granted to Policies of five years' standing, giving advantages similar to those conferred by our Resolutions of 1849, and, in addition, exemption from the forfeiture incurred by going abroad or entering the army. This arrangement we, with other Scottish Life Offices, adopted in the following year, 1852. Although doubts may have been felt whether this extension was altogether just to the great majority of us who remain at home, yet it may be regarded as a fair concession to the mercantile principle, from its giving additional marketable value to all such Policies, while the actual loss to any must be trifling. The advantages which the Certificates confer are, however, not available till after a probation of five years, and meantime the select holders of them, just as all the other Policy-holders, are under the original conditions as to forfeiture. In this Institution the forfeitures, on account of innocent error in the statements as to health, are removed *from all*, and *from the first*.

IN ALL the minor points of practice the rules are equally liberal—as in facility of license for foreign residence, and of obtaining advances, without expense, on the value of Policies. Allowances for surrender of Policies have from the first been made in accordance with a Table of the fair values, which forms a part of the fundamental regulations.

The Policy-holders are, by the Deed of Constitution, by the Act of Parliament, and by the terms of the Policies, specially exempt from liability.

THE SCOTTISH PROVIDENT INSTITUTION.

Mr. DAVID M'LAREN, as Convener of the Committee charged with the arrangements for the Meeting, in moving the adoption of the Report, referred to the business of the year, and continued:—I cannot too earnestly remind our contributors that it is to an extended knowledge of our principles—the true principles of Life Insurance, as we hold—that we must look for increased prosperity to the Institution. To two of these, namely, our LOW PREMIUMS, and the distribution of our PROFITS to those Policies from whose long subsistence they have been derived, the Chairman has already referred. In regard to the former, I find intending Insurers are sometimes led away by the inducement of early bonuses, without advertising to the Premiums which they have to pay for them. If another merchant charge 20 or 25 per cent more for his goods than I am prepared to do, his customer may well get a discount of 15 per cent at settlement, and yet be a great loser by not coming my way. I need not say how much more in keeping with the sound principles of modern commerce is the system of *net* prices than first to make an overcharge and then an abatement. But there is another principle which we hold in common with all Mutual Offices, and it is one which we ought ever to keep prominently before the public, namely, *that the profits are wholly divided among the Insured*, and not shared with a foreign body—the Shareholders—as in Proprietary Companies. It has struck me as a curious thing that none of these Companies, so far as I am aware, has ever mentioned in its advertisements, among the advantages held out to the Insured, that the Company has been so prosperous as to divide among the proprietors some eight or ten per cent, or, including bonuses, even greatly more. And why? Because of the very inconvenient inquiry which would be made by the Insured,—From whom was this return derived? An inquiry which could only result in the answer,—From the Insured themselves.

Allusion has been made to the subject of amalgamations I believe few are aware of the extent to which such transactions have gone of late. Within the last few years more than a hundred offices have ceased to exist as independent institutions, most of them having been absorbed into others. I believe you will approve of the sentiments which the Chairman has expressed with reference to the propriety of our continuing to keep clear of such transactions. We know what we have done ourselves, and how it has been done. We could not know so accurately what was the kind of business that had been done in an institution which might seek to amalgamate with us. In connexion with this subject, I may mention that we have received not a few proposals from persons who had been insured in offices where such amalgamations have taken place. Of such offices some have had to resort to amalgamations as a matter of necessity; and it is not to be wondered at that their Policy-holders should not feel very easy, and should have been led to consider the propriety of transferring their assurances to an office of undoubted stability. To all such I confidently present the claims of this Institution as offering them the advantage of which they are in quest, and yet without entailing, in most cases, the payment of a larger Premium in consequence of their increased age. The Chairman has mentioned the profitable transfer which he himself made many years ago in joining it. On a former occasion he expressed the hope that he would live to receive part of the Accumulated Profits. I am sure we are all happy to find that the hope then expressed is now realized, and we will be still further gratified to find the expectation yet more fully realized by his having a very large share indeed of the future profits added to his Policy. The best service we can render to Policy-holders who are contemplating a transfer, is to tell them to imitate the good example of our Chairman.

A MODE OF ASSURANCE increasingly popular in the experience of this Society is that by which (in combination with Life Assurance) a person may secure

the sum being at the same time assured to be paid to his family, or other representatives, in the event of his dying before the specified age. The following TABLE shews the

Policies opened on this system *do not* share in the Profits.

ILLUSTRATION.—A person aged 30 may secure a sum of £1000 to his children, or other heirs, in the event of his dying at any time before the age of 60, *but which sum shall be payable to himself* in case he shall survive to that age, for a yearly payment of £27:15s. If it should better suit his circumstances, he could then obtain, in lieu of his capital sum of £1000, AN ANNUITY of £112:16:8.

LIFE ASSURANCE as an INVESTMENT.

THE DIRECTORS invite attention to the advantageous character (viewed as an investment) of LIFE ASSURANCE by a SINGLE PAYMENT, and to the favourable terms on which this can be effected in this Institution. A Table of the Premiums, by Single Payment, for £100 at death, will be found at the foot of page 3 of the within paper, from which it will be seen that—

For a sum of £500, paid by a person of 35, a policy of £1277 may be obtained, payable to his family or executors at his death, however soon that may happen, with—in this Society—Additions from the Profits on the very favourable principle of its constitution.

So long as he lives, he has nearly as much command of the money paid as if he had deposited it in a bank. He can either surrender his policy, or he can at any time borrow, on its security alone, without any expense, and at a moderate rate of interest, a sum at first nearly equal to his payment, and increasing with the value of his assurance—continuing, be it observed, to rank in the division of profits according to the full amount of the policy.

At age 40, a policy for £1000 (with Profits) may be thus secured for a payment of £428:7:6.

A COMPARISON WITH THE RATES FOR SIMILAR ASSURANCES IN OTHER OFFICES WILL SHew HOW MUCH MORE FAVOURABLE ARE THE ABOVE RATES THAN THOSE USUALLY CHARGED.
