## RATES OF POSTAGE, AND CONDITIONS OF TRANSMISSION.

### INLAND LETTERS.

The prepaid rates of postage are as follows, viz.:—

For a letter not exceeding 1 oz.,	1d.
„ <del>over</del> above 1 oz. but not exceeding 2 oz.,	1½d.
„ „ 2 oz. „ „	4 oz., 2d.
„ „ 4 oz. „ „	6 oz., 2½d.
„ „ 6 oz. „ „	8 oz., 3d.
„ „ 8 oz. „ „	10 oz., 3½d.
„ „ 10 oz. „ „	12 oz., 4d.

A letter exceeding the weight of 12 oz. is liable to a postage of 1d. for every ounce, beginning with the first ounce. Thus a letter weighing between 14 and 15 ounces must be prepaid 1s. 3d.

A letter posted unpaid is chargeable on delivery with double postage; and a letter posted insufficiently prepaid is chargeable with double the deficiency.

No letter may exceed the dimensions of 18 inches in length, 9 inches in width, and 6 inches in

depth, unless it be sent to or from one of the Government offices.

### COLONIAL AND FOREIGN LETTERS.

The rates of postage on letters to foreign countries and the colonies are entered in the Table of Foreign and Colonial Postage.

A letter posted unpaid, or paid only in part, to any country where prepayment is compulsory, is returned to the writer.

Letters posted unpaid (wholly or in part) for Australia, New Zealand, Cape Colony, or Natal, are charged 6d. each in addition to the deficient postage, and for St Helena, are charged 1s. each in addition to the deficient postage. Unpaid letters addressed to countries in the Postal Union are charged double the prepaid rate, and those partially prepaid are charged with double the deficiency.

The same rates are chargeable in this country upon unpaid or insufficiently paid letters received from the above-named places.

No letter for any colony or foreign country may be above 2 feet in length, or 1 foot in width or depth.

Letters not specially directed by a particular route are forwarded by the route immediately following the name of the place in the Table of Colonial and Foreign Postage:

- Exceptions.*—1. Letters for Borneo, Ceylon, China, Japan, Java, Labuan, and Singapore, are sent by first packet, whether British or French.
2. Letters for Egypt and Smyrna are sent in the first mail despatched.
3. Letters for Canada posted after the despatch of the mail by Canadian packet on Wednesday, are forwarded *via* the United States on Thursday.
4. Letters for Bermuda are sent by the first mail.
5. Letters for the Argentine Republic and Uruguay are sent in the first mail despatched by British or French packet after the time of posting; those for Brazil, Hayti, and the United States of Colombia, and Venezuela are sent by the first packet *via* Southampton or Liverpool. Those for Mexico by the first packet, *via* Southampton, Liverpool, or France.

Letters, etc., for the Argentine Republic, Brazil, Bolivia, Chili, Peru, and Uruguay, if specially directed '*by Supplementary Mail via Bordeaux*,' and posted in time for the 5.30 p.m. despatch from Edinburgh on Thursday, will in due course overtake, at Bordeaux, the packet despatched from Liverpool on the previous day. The postage *via* Bordeaux is the same as *via* Liverpool.

Letters for places on the Persian Gulf are forwarded *via* Bombay, if specially directed by that route and prepaid the rates of postage for Bombay.

Letters for Russia should have the name of the town added in either English, French, or German; and they should bear as a part of their address the name of the province or government in which they are situated. In addressing all letters, etc., for Russia, the name of the place of destination and government must be correctly given, and the address plainly written. If these conditions are not complied with, the Russian Post Office declines to undertake delivery.

### INLAND CARD POST.

Official post cards impressed, or private post cards embossed, with a halfpenny stamp, are available for transmission between places in the United Kingdom.

The front (or stamped) side is for the address only. There must be nothing else written, printed, or otherwise impressed on it, nor must there be any writing or printing across the stamp. On the reverse side, any communication, whether of the nature of a letter or otherwise, may be written or printed. Nothing whatever may be attached; nor may the card be folded, cut, or otherwise altered. If any of these rules be infringed, the card will be charged 1d. on delivery.

When, owing to a great and unusual influx of letters, books, etc., the transmission or delivery of the letters would be delayed if the whole mail were dealt with without distinction, post cards may be kept back until the next despatch or delivery (unless paid for and posted as late letters).

No card other than one of those issued by the Government, or a private card impressed with the halfpenny stamp, will pass under a halfpenny stamp, if it bear on it a written communication of the nature of a letter (unless it be a circular letter).

Post cards are sold at the rate of 7d. and 8d. per dozen.

For information as to the conditions under which

private cards are impressed with a halfpenny stamp, application must be made to the office of Inland Revenue.

### FOREIGN POST CARDS.

Foreign post cards (1d. and 1½d. each) or inland post cards paid the foreign rate may be sent to any of the countries in the Postal Union, but to India and the East *via* Brindisi an additional ½d. is charged.

### INLAND NEWSPAPERS.

Under the Post Office Act, 1870, any publication fulfilling the conditions hereafter named can, upon payment of an annual fee of 5s., be registered at the General Post Office to pass within the United Kingdom as a newspaper for a postage of one halfpenny. Without such registration, no newspaper is entitled to be sent through the post at less than the book rate of postage.

The conditions are as follows:—

The publication must consist wholly or in great part of political or other news, or of articles relating thereto, or to other current topics, with or without advertisements.

It must be printed and published in the United Kingdom, and must be published in numbers at intervals of not more than seven days.

The full title and date of publication must be printed at the top of the first page, and the whole or part of the title and the date of publication at the top of every subsequent page; and this regulation applies to 'Tables of Contents' and 'Indices.'

A supplement must consist wholly or in great part of matter like that of a newspaper, or of advertisements, printed on a sheet or sheets, or on a piece or pieces of paper, unstitched; or wholly or in part of engravings, prints, or lithographs illustrative of articles in the newspaper. The supplement must in every case be published with the newspaper, and must have the title and date of publication of the newspaper printed at the top of every page; or, if it consist of engravings, prints, or lithographs, at the top of every sheet or side.

Registration for inland circulation includes registration for transmission abroad.

For each inland newspaper, whether posted singly or in a packet, the postage, when prepaid, is one halfpenny; but a packet containing two or more registered newspapers is not chargeable with a higher rate of postage than would be chargeable on a book packet of the same weight—viz. one halfpenny for every 2 oz. or part of 2 oz.

A newspaper posted unpaid, and a packet of newspapers posted either unpaid or insufficiently paid, will be treated as an unpaid or insufficiently paid book packet of the same weight.

The postage must be prepaid either by an adhesive stamp or by the use of a stamped wrapper. No newspaper can be sent through the post a second time for the original postage; for each transmission a fresh postage is required.

Every newspaper or packet of newspapers must be posted either without a cover or in a cover entirely open at both ends, and in such a manner as to admit of easy removal for examination. A newspaper must not be fastened in its cover by means of gum, sealing-wax, postage-stamp, or otherwise. If this rule be infringed, the newspaper or packet will be treated as a letter.

Every newspaper must be so folded as to admit of the title being readily seen.

A newspaper, or a packet of newspapers, which

contains any enclosure except the supplement or supplements belonging to it, is charged as a letter, unless the enclosure be such as might be sent at the book rate of postage, and the entire packet be sufficiently prepaid as a book packet, in which case it is allowed to pass.

A newspaper which has any letter, or any communication of the nature of a letter, written in it or upon its cover, will be charged as an unpaid or insufficiently paid letter.

No packet of newspapers must exceed 14 lbs. in weight, nor may it exceed 2 feet in length or 1 foot in width or depth.

### COLONIAL AND FOREIGN NEWSPAPERS.

The rates of postage to the colonies and foreign countries on newspapers registered for transmission abroad will be found in the Table of Colonial and Foreign Postage.

The conditions of registration for transmission abroad are the same as those for inland transmission; excepting that for foreign transmission a newspaper may be published at intervals of thirty-one days. Moreover, 'prices current' and 'market reports,' but not private price-lists or trade catalogues, are admitted to the same privileges as newspapers for foreign transmission, provided they are published at intervals not exceeding thirty-one days.

Publications registered for transmission abroad must be posted *within eight days* from the date of publication, including that date; but if posted later, must be prepaid the book rate of postage.

The collected numbers issued during the month of a weekly or fortnightly publication are not allowed to pass as a monthly publication.

Every newspaper or packet of newspapers must be posted either without a cover or in a cover entirely open at both ends, and in such a manner as to admit of easy removal for examination, and every newspaper must be so folded as to admit of the title being readily seen.

No newspaper, whether posted singly or in a packet, may contain any enclosure except the supplement or supplements belonging to it.

There must be no writing or other mark on a newspaper sent abroad but the name and address of the person to whom it is sent; nor anything on the cover but such name and address, the printed title of the publication, the printed name and address of the publisher or vendor who sends it, and words indicating the date on which the subscription to the newspaper will end.

No packet of newspapers must exceed 2 feet in length or 1 foot in width or depth. For limit of weight, see Table of Colonial and Foreign Rates.

### INLAND BOOK POST.

The postage is one halfpenny for every two ounces or part of that weight.

A packet posted wholly unpaid will be charged with double the book postage; and if posted partially prepaid, with double the deficiency.

A book packet may contain any number of separate books or other publications, photographs (when not on glass or in cases containing glass or any like substance), drawings, prints, or maps, and any quantity of paper, or any other substance in ordinary use for writing or printing upon; and the books or other publications, prints, maps, etc., may be either printed, written, engraved, lithographed, or plain, or any mixture of these. Further, all legitimate binding, mounting, or covering of a book, etc., or of a portion thereof, is allowed,

whether such binding, etc., be loose or attached; as also rollers in the case of prints or maps, markers (whether of paper or otherwise) in the case of books, pens or pencils in the case of pocket-books, etc., and, in short, whatever is necessary for the safe transmission of such articles, or usually appertains thereto; but the binding, rollers, etc., must not be sent as a separate packet.

*Circulars*, i.e. letters which, from internal evidence, appear to be intended for transmission in identical terms to several persons, and the whole or the greater part of which is produced by ordinary type, engraving, or lithography, or any other mechanical process, may also be sent by book post.

Every book packet must be posted either without a cover or in a cover entirely open at both ends, and in such a manner as to admit of the contents being easily withdrawn for examination; otherwise it will be treated as a letter.

A book packet may not contain any letter, or communication of the nature of a letter (whether separate or otherwise), unless it be a circular letter, nor any enclosure sealed or in any way closed against inspection, nor any other enclosure not allowed. (Entries, however, merely stating who sends the book, etc., or to whom it is given, are not regarded as a letter.) If this rule be infringed, the entire packet will be charged as a letter.

No book packet may exceed 5 lbs. in weight, or 18 inches in length, 9 inches in width, and 6 inches in depth, unless to or from one of the Government Offices.

When, owing to a great and unusual influx of letters, books, etc., the transmission or delivery of the letters would be delayed if the whole mail were dealt with without distinction, book packets may be kept back till the next despatch or delivery.

### COLONIAL AND FOREIGN BOOK POST.

Articles which may be sent to places abroad under the Book Post Regulations consist of two classes, as follows:—

(a) Commercial Papers, under which are comprised all papers or documents written or drawn wholly or partly by hand (except letters or communications in the nature of letters, or other papers or documents having the character of an actual and personal correspondence), documents of Legal procedure, Deeds drawn up by public functionaries, copies of or extracts from Deeds under private seal (and whether written or printed on stamped or unstamped paper), Way Bills, Bills of Lading, Invoices, and other documents of a mercantile character, documents of Insurance and other public Companies, all kinds of manuscript Music, the manuscript of Books and other literary works, and other papers of a similar description.

(b) Printed Papers, including periodicals, books (stitched or bound), pamphlets, sheets of music (printed), visiting cards, address cards, proofs of printing (with or without the manuscript relating thereto), engravings, photographs (when not on glass or in frames containing glass), drawings, plans, maps, catalogues, prospectuses, announcements, and notices of various kinds, whether printed, engraved, or lithographed, and in general all impressions or copies obtained upon paper, parchment, or card-board by means of printing, lithographing, or any other mechanical process easy to recognise, except the copying press, and anything usually attached or appurtenant to any of the before-mentioned articles in the way of binding, mounting, or otherwise, and anything convenient for their safe transmission by post which

shall be contained in the same packet; also printed, engraved, or lithographed circulars, notwithstanding that such circulars may be letters or communications in the nature of a letter.

The two classes are subject to different rates of postage when addressed to countries in the Postal Union, the initial rate for printed papers being lower than for commercial papers. If there be any mixture of the two in the same packet, the whole packet is subject to the higher rate.

Every packet must be posted either without a cover (in which case it must not be fastened, whether by means of gum, wafer, sealing wax, postage stamp, or otherwise), or in an open cover so as to admit of the contents being easily withdrawn for examination; otherwise it is treated as a letter. For the greater security of the contents, however, it may be tied at the ends with string; Postmasters being authorised to cut the string in such cases, although if they do so they must again tie up the packet.

The limit of size and weight and rates of postage are given in the Table of Colonial and Foreign Postage.

The following information relates to Books and Photographs for the United States:—

The only Books absolutely free from Customs Duty under the United States laws are those which have been printed more than 20 years; and Pamphlets, Periodicals, and other like publications, for the personal use of the individual to whom they are addressed. Nevertheless any book valued at not more than one dollar is also considered as exempt from Customs Duty; and so are Photographs, when sent in limited numbers, for the private use of the person to whom they are addressed, or for distribution to relatives or friends.

#### COLONIAL AND FOREIGN PATTERN AND SAMPLE POST.

There is a Pattern and Sample Post to colonies and foreign countries generally; but it is restricted to *bona fide trade patterns or samples of merchandise*. Goods sent for sale, or in execution of an order (however small the quantity may be), or any articles sent by one private individual to another which are not actually patterns or samples, are not admissible.

No article liable to Customs Duties can be sent as a sample of pattern.

The rates of postage will be found in the Table of Colonial and Foreign Postages.

Patterns or samples, when practicable, must be sent in covers open at the ends, and in such a manner as to be easy of examination. But samples of seeds, drugs, and such like articles, which cannot be sent in covers of this kind, may be posted enclosed in boxes or in bags of linen or other material, fastened in such a manner that they may be readily opened.

There must be no writing or printing upon or in any packet except the address of the person for whom it is intended, the address of the sender, a trade mark or number, and the price of the articles. But a packet for any country in the Postal Union may have enclosed in it any of the articles designated as 'Commercial Papers' if the rate applicable to Commercial Papers be paid for the whole packet.

Samples of saleable value must not be sent to any foreign country, or to any British possession included in the Postal Union. Samples of eider down, raw or thread silk, woollen or goats' hair thread, vanilla, saffron, carmine, or isinglass, are

considered to fall under this rule if they weigh more than three ounces.

Such articles as scissors, knives, razors, forks, steel pens, nails, keys, watch machinery, metal tubing, pieces of metal or ore, provided that they be packed and guarded in so secure a manner as to afford complete protection to the contents of the mail bags and the officers of the Post Office, while at the same time they may be easily examined, may be sent as samples to places abroad. Indigo cannot be sent to any place abroad.

The limit of weight is not the same to all countries. See Table of Colonial and Foreign Postages. A packet of patterns or samples sent to any place in the Postal Union must not exceed 8 inches in length, 4 inches in width, and 2 inches in depth, except to Belgium, France, Greece, Luxembourg, Portugal, and the United States, the limit to which is 12 inches in length, 8 inches in width, and 4 inches in depth. The size in all other cases is limited to 24 inches in length by 12 inches in width or depth.

#### PARCEL POST TO INDIA AND CEYLON.

The Indian Parcel Post is not connected with the British Post Office, but is an arrangement between the Peninsular and Oriental Steam Navigation Co. and the Post Office Departments of India, Ceylon, and Straits Settlements to receive parcels for delivery at any post town or district throughout India and Ceylon at a uniform rate of 1s. per pound, and the Straits Settlements at 1s. 4d. per pound, or fraction thereof.

This charge covers the conveyance from London to the address in India, etc. (but does not include duty), and may either be prepaid or paid on delivery.

Parcels intended for this conveyance must be sent either to the Company's Office, 122 Leadenhall Street, E.C., or to their Branch Office, 25 Cockspur Street, S.W., London, by 1 o'clock P.M., on Monday, in each week, legibly addressed to their destination in India, marked '*To be forwarded by Indian Parcel Post.*' If sent to the Company's Office by post or other conveyance, the Indian address must be put on an inner cover. In all cases they must be accompanied by a letter of advice to the Company, stating name and address of each package, and value and contents, for Custom-house clearance; and also distinctly stating whether carriage is to be prepaid or not. If for prepayment, a cheque or P.O. Order for the amount must be enclosed in the letter, payable to Mr. A. M. Bethune, Secretary, or when sent to Cockspur Street, to Mr. F. H. Firth, Agent. *Particular attention is requested to these regulations in order to save any delay in the despatch of parcels.*

Parcels conveyed under these regulations must not exceed 50 pounds in weight, and 2 ft. X 1 ft. X 1 ft. in measurement, nor be more than £50 value. Jewellery, gold, and silver ware, watches or precious stones, are charged an additional *ad valorem* rate of 1s. on every £5 or fraction of £5, which must be prepaid. They should be entirely closed, and any articles liable to suffer from crushing must be in a strong wooden case not less than half-inch thick (tin lining optional). Packages not in wood must have an outer covering of stout canvas if measuring one cubic foot and upwards.

Senders of parcels from the country will receive a receipt for them in due course; and if required, the Company will effect insurance against sea and land risks. The charge for insurance, *which must in all cases be prepaid*, will be 1s. for every £5 or fraction thereof up to £50.

Packages of a fragile nature, or containing liquids, or articles of a dangerous or damaging nature, will not be received.

*Reduced Rates for Books.*—The rate for books is 6d. per lb. or fraction of a lb.

If any other article is found enclosed in the book packet when examined by the Customs at Bombay, an extra rate of 2s. per lb. on the package will be charged to the addressee.

No letter must, under any circumstances, be enclosed in these parcels.

If a receipt is required, a stamped and directed envelope must be enclosed in the advice.

If no advice accompanies the package, it will be liable to be charged at the 1s. rate.

Remittances from the country must be by cheque, post-office order, or penny stamps.

## SPECIAL RATES OF POSTAGE, AND CONDITIONS OF TRANSMISSION.

### ADDRESSES TO THE QUEEN, AND PETITIONS TO PARLIAMENT.

Petitions and addresses to Her Majesty, forwarded direct, are exempt from postage; and such petitions and addresses, as also petitions to either House of Parliament, if sent to a member of either House, are likewise exempt, provided they do not weigh more than two pounds, and are without covers, or in covers open at the ends. No letter or other enclosure, however, must be inserted; and if one be found, such enclosure, unless it bear the proper number of postage stamps, will be charged as an unpaid letter. There is no limit to size.

### PARLIAMENTARY PROCEEDINGS.

Printed proceedings of the Imperial Parliament, sent without covers, or in covers open at the ends, may circulate within the United Kingdom at the rate of  $\frac{1}{2}$ d. for every two ounces or fraction of that weight.

The words 'Parliamentary Proceedings' must be written or printed on the cover of the packet; otherwise it will be treated as an ordinary book packet.

Prepayment, when the circulation is within the United Kingdom, is optional; and when paid in part, the amount deficient only is charged.

Parliamentary proceedings may be sent, under the book post privilege, to all the colonies, and to those foreign states between which and this country there is a book post.

The limit of size prescribed for ordinary book packets does not apply to printed parliamentary proceedings.

### PARLIAMENTARY NOTICES.

Parliamentary notices may be forwarded through the post under the following regulations:—

The words 'Parliamentary Notice' must be legibly printed on the face of the letter; and in order to secure the speedy return of any notices which may be undelivered, the name and address of the solicitor issuing such parliamentary notice should also be legibly printed or written on the face of the letter; though this is not imperative.

These notices must be posted at any Post Office at which money order business is transacted.

All notices which, by the standing orders of either House of Parliament, are required to be served on or before the 15th December, must be posted not later than the 12th December, unless the 12th fall on a Sunday, when they must be posted not later than the 11th; but those notices which, by the same orders, may be served after the 15th, must be posted not later than the 18th, unless the 18th falls on a Sunday, when they must be posted not later than the 17th December.

The postage chargeable on these notices, and the registration fee of 6d. on each, must be prepaid by stamps.

The notices must be posted at the Post Office counter, accompanied with duplicate lists of the addresses; the notices being arranged, for the convenience of comparison, in the order of the list. These lists will be examined by the officer in

attendance at the window; and if they correspond with the addresses, he will sign and stamp every sheet of each list. One of the duplicate lists will then be returned to the person who brought the letters, and the other forwarded to the Secretary, General Post Office, London.

The hours for receiving such notices are the same as those for the registry of ordinary letters, unless they be presented at such a time as to interfere with the other duties of the office; in which case the postmaster may appoint any other time within the next twenty-four hours for receiving the same, provided that, when the notices are to be served on or before the 15th December, such arrangement do not delay the posting beyond the 12th. Re-directed parliamentary notices are, like letters, liable to an additional rate of postage.

The senders of parliamentary notices should, if possible, arrange on the previous day with the postmaster as to the most convenient time for posting them, and state the probable number.

### LETTERS FOR NON-COMMISSIONED OFFICERS, SOLDIERS, AND SEAMEN IN HER MAJESTY'S SERVICE.

Non-commissioned officers, bandmasters, army schoolmasters, schoolmistresses, private soldiers, writers, or schoolmasters in H.M. Navy, or seamen belonging to Her Majesty's ships, whether serving on sea or land, and whether in a British possession or foreign country, as also enrolled pensioners in Canada, and the Cape Mounted Rifles, can send and receive letters, for a postage of 1d.; but if any such letters have to pass through a foreign country, they are subject, in addition, to the foreign postage, whatever that may be. Thus, the postage to the under-mentioned countries (including the British charge of one penny) is as follows:—

To or from—	<i>s. d.</i>
Australia, Hong Kong, India, etc., <i>via Brindisi</i>	0 2
Mauritius, by French packet	0 3
Chili, Peru, or any other place in the South Pacific, <i>via Southampton and Panama</i> , and Bermuda, <i>via New York</i>	0 2

The person claiming the privilege must at the time be actually employed in the service of Her Majesty, and must not be either a commissioned officer or warrant officer, viz. a conductor in the army or assistant engineer, gunner, boatswain, or carpenter in the navy, the privilege not extending to these officers.

If the letter be posted within the United Kingdom, the penny must be prepaid, as must any foreign postage that may be chargeable. If posted abroad, prepayment is not compulsory; but if the letter be sent unpaid, it is on delivery charged twopence, together with any foreign postage that may be due.

The letter must not weigh more than  $\frac{3}{4}$  oz., and must relate entirely to the private concerns of the soldier or seaman.

The name of the soldier or seaman, with his

class or description, must appear in the direction, and the officer having the command must sign his name, and specify the ship or regiment, corps or detachment, to which the soldier or seaman belongs; the name of the ship or regiment being entered in full. The foregoing particulars must be given in one of the following forms:—

**SEAMEN.**

From A. B., Seaman, H.M.S. \_\_\_\_\_  
 (Here the direction of the letter to be inserted.)  
 C. D., Captain (or other Commanding Officer),

To A. B.,  
 Seaman, H.M.S. \_\_\_\_\_  
 (Here the direction of the letter to be finished.)

**SOLDIERS.**

 \_\_\_\_\_ Regt. \_\_\_\_\_

To A. B.,  
 Private (or Sergeant, Corporal, etc.) \_\_\_\_\_ Regt. \_\_\_\_\_  
 (Here the direction to be finished.)

If the letter be posted in the United Kingdom for a place abroad, unpaid or insufficiently paid, or if the class or description of the soldier or seaman be not written in the address, it will be detained, and returned to the writer for payment of the postage.

**LETTERS FOR PASSENGERS ON BOARD MAIL PACKETS.**

Letters for passengers on board the packets for America touching at Queenstown, or on board the Mediterranean packets about to sail from Brindisi with the mails for India, Australia, China, etc., may be posted up to the time at which ordinary registered letters to go by the same packets are received. They must be registered, and addressed to the 'care of the commander of the packet.'

Letters for passengers by the Canadian packets

touching at Londonderry may, under similar conditions, be posted up to the same time as ordinary registered letters for Canada, and must be addressed to the 'care of the officer in charge of the mails.'

Letters directed *Post Restante*, Suez, and despatched by the mail *via Brindisi*, will probably reach passengers for India, etc., who have sailed in the packet from Southampton the previous week.

**LETTERS BY PRIVATE SHIPS.**

Letters intended to be sent by private ship must be addressed 'By Private Ship;' and if by a particular vessel, the name of the ship must be added. The postage of a letter by a private ship is as follows:—

Postal Union, . . . . .)	mail pkt.	—
*All other countries, . . . . .)	6d.	—

Letters cannot be sent unpaid to the countries marked thus (\*). The postage for letters weighing more than ½ oz. advances in the same manner as that for letters sent by mail packets. Unpaid letters coming into this country are charged the same rates as unpaid letters going out of it.

Book packets and patterns may be sent for the same postage as by mail packets to all places to which there are mail packets.

Newspapers by private ships must be prepaid 1d. each per 4 oz.

**REGULATIONS AS TO PREPAYMENT, REGISTRATION, ETC.**

**MODES OF PREPAYMENT.**

Inland letters, newspapers, and book packets can only be prepaid by means of postage stamps, except at the General Post Office, Edinburgh, where letters and book packets may, from 10 a.m. to 4 p.m., be prepaid in money, provided the amount be never less than £1, and that the letters and book packets be tied in separate bundles of 5s. each, with the addresses arranged in the same direction.

**REGISTRATION (INLAND AND FOREIGN).**

The fee for registering a letter, newspaper, or book packet passing between any two places in the United Kingdom is 2d.

No letter or postal packet addressed to initials or to a fictitious name can be registered, unless addressed to the care of a person or firm. Every article presented for registration must be enclosed in a strong cover securely fastened, and if coin be sent such must be packed in such a way as to move about as little as possible.

The fee chargeable to places abroad will be found in the Table of Colonial and Foreign Postage. To some countries a letter can be registered only to the port of arrival, and to a few countries there is no arrangement for registration.

The sender of a registered article addressed to any foreign country or British colony in the Postal Union may obtain an acknowledgment of its due receipt by the addressee on paying a fee of 2½d. at the time of registration.

Registered letters, etc., must be prepaid as re-

gards both postage and registration fee; except official letters for Government Offices in London, Dublin, or Edinburgh, which may be registered on prepayment, in stamps, of the registration fee only.

Every letter, etc., to be registered must be given to an agent of the Post Office, and a receipt obtained for it, and should on no account be dropped into the letter-box. If an article marked 'registered' be dropped into the letter-box, directed to any place in the United Kingdom, it will be liable to a registration fee of 8d., instead of the ordinary fee of 2d.; and if posted containing coin, watches, or jewellery, without being registered, will be treated in like manner.

Letters containing coin for any of the British colonies not in the Postal Union can be registered, and if posted unregistered, they are treated as inland letters under similar circumstances.

Registered letters require to be posted at General Post Office thirty minutes, and receiving offices fifteen minutes, before the closing of the box for ordinary letters; but upon payment of a late fee of 4d. they may be registered at General Post Office until the closing of the letter-box for ordinary letters for each despatch.

The registration of a packet makes its transmission much more secure, inasmuch as, under ordinary circumstances, a registered packet can be traced through its whole course; and thus the loss of a registered packet is a very rare occurrence. Nevertheless, large sums of money or other articles of great value should not be sent through the post, as

the machinery of the department is not arranged with a view to such transmissions. If sent unregistered valuable articles are exposed to risk, and offer a temptation which ought not to be afforded.

Letters containing coin, jewellery, or precious articles, cannot be accepted for registration to any country in the Postal Union.

By law the Postmaster-General is not responsible for the safe delivery of registered letters or packets, but he is prepared to make good the contents of a registered letter lost while passing through the post to the extent of £2 in certain cases, provided—

1. That the sender of the letter duly observed all the conditions of registration required;
2. That the letter was securely enclosed in a reasonably strong cover; and if it contained money, that it was enclosed in one of the registered letter envelopes sold by the Post Office for the purpose;
3. That application was made to the Secretary of the Post Office immediately the loss was discovered;

[When the complaint is that the contents of a letter have been abstracted, the envelope must accompany the application, otherwise the question will not be entertained.]

4. That the Postmaster-General, whose decision shall be final, is satisfied that the loss occurred while the letter was in the custody of the British Post Office, and was not caused by any fault on the part of the sender.

No town letter-carrier is allowed to take a letter to be registered; but in country places where no Post Office is near, letters will be registered by rural post messengers on their walks, whenever it is practicable for them to do so.

#### RE-DIRECTION AND DELIVERY.

Every inland re-directed letter, post card, or other postal packet, is liable to an additional postage (at the prepaid rate) for each re-direction, unless both the original and the second address be within the delivery of the same Post Office, and the re-direction be made by an officer of the Post Office.

Letters, etc., sent to or received from a country of the General Postal Union and re-directed to any place in the United Kingdom or to another country within the Union, are not liable to any additional charge, nor, if registered, to an additional registration fee; such, however, as have been in the first instance addressed to a place in the country where they were posted, are chargeable on re-direction with the inland rate of the country to which they are re-directed, but, if registered, without additional fee.

Letters, etc., addressed from one part of the United Kingdom to another, and then re-directed to a country not in the Postal Union, are liable to an additional colonial or foreign rate, and, if registered, to an additional fee for registration.

Letters, etc., received here from a country not in the Postal Union, and re-directed to another country not in the Postal Union, are liable to an additional colonial or foreign rate, and, if registered, to an additional fee: if re-directed to some place within the United Kingdom, they are liable to an additional inland rate; and, if re-directed to any country of the Postal Union, they are liable to the rate to that country. In the two latter cases, letters, if registered, are not liable to any additional fee.

Letters, etc., received from any country of the Postal Union, and re-directed to a country not in the Postal Union, are liable to an additional colonial or foreign rate, and, if registered, to an additional fee.

If an inland registered letter, when re-directed, instead of being taken back to the Post Office to be dealt with as a registered letter, is dropped into the letter box as an ordinary letter (the word 'registered' not having been erased, or having been erased in pencil only), it is surcharged with a registration fee of eightpence, less the value of any stamps affixed for registration.

*Exceptions.*—No charge for re-direction is made on Government letters, nor on newspapers from any place abroad, unless they have been opened, in which case they are liable to postage as books. Letters addressed to commissioned officers in the army, navy, or ordnance, or non-commissioned officers, schoolmasters, private soldiers, and seamen in the navy, re-directed to such officers, etc., when *upon service*, will be delivered to them free of charge for re-direction, if under half an ounce.

Notices of removal and applications for letters to be re-directed must in all cases be duly signed by the persons to whom the letters are addressed; printed forms of notice can be obtained at the General Post Office. Persons who are about to change their residence should inform their correspondents beforehand of their intention.

No person living within the town free delivery, unless he rent a private box, can obtain his letters at the General Post Office.

*Private Boxes and Bags.*—The fee for a private box is £3 per annum, and if for a private bag, £1 additional, payable in advance.

#### STAMPS—

#### POSTAGE, TELEGRAPH, AND RECEIPT.

Postage labels (also available for telegrams) are of the respective values of  $\frac{1}{2}$ d., 1d.,  $1\frac{1}{2}$ d., 2d.,  $2\frac{1}{2}$ d., 3d., 4d., 5d., 6d., 1s., 3s., 5s., 10s., £1, and £5; stamped book 20s., and interleaved 2d. extra. The embossed envelopes are of four sizes, viz.  $4\frac{1}{4} \times 3\frac{1}{4}$ ,  $5\frac{1}{4} \times 3\frac{3}{4}$ ,  $5\frac{1}{4} \times 3$ ,  $4\frac{3}{4} \times 2\frac{3}{4}$ , and are sold thus: the largest size (square) at 2s. 4d., other sizes at 2s. 2d., per packet of 24. Registered Letter envelopes are of five sizes, viz.:  $5\frac{1}{4} \times 3\frac{3}{4}$ , and  $6 \times 3\frac{3}{4}$ , sold at  $2\frac{1}{4}$ d. each, or 2s.  $2\frac{1}{2}$ d. per doz.;  $8 \times 5$ , at  $2\frac{1}{2}$ d. each, or 2s. 7d. per doz.;  $10 \times 7\frac{1}{2}$ , and  $11\frac{1}{2} \times 6$ , at 3d. each, or 2s. 10d. per doz. Halfpenny stamped wrappers are sold at 5 for 3d., 10 for  $5\frac{1}{2}$ d. or £1, 2s. 10d. per parcel of 480, and penny stamped wrappers at 8 for  $8\frac{1}{2}$ d.; inland post cards at 7d. and 8d. per doz., or  $3\frac{1}{2}$ d. and 4d. per half doz. Foreign post cards at 1d. and  $1\frac{1}{2}$ d. each. Bill stamps and other Inland Revenue stamps are sold at the General Post Office and Leith Branch Office. The 1d. postage stamp is also a receipt stamp of the same value.

Payment of postage cannot be made by means of postage stamps which have been cut, torn, or otherwise rendered imperfect; or of embossed or impressed stamps, cut out from the envelopes, cards, or wrappers on which such were embossed or impressed.

Every rural messenger is authorized to sell penny postage stamps and registered letter envelopes; and when any person applies to him for postage labels, the messenger must either supply them, or (if he have none in his possession) must, without extra charge, receive the postage in money, and on his arrival at the post office obtain labels for the amount, and affix them carefully to the letters.

All postmasters in the United Kingdom at whose offices money order business is transacted, are permitted, though not compelled, to purchase postage stamps from the public (provided the stamps be not soiled or otherwise damaged), at a charge of  $2\frac{1}{2}$  per cent.; the charge, however, never being less than one halfpenny. Under this arrange-

ment the charges are as follows: For stamps not exceeding 1s. 8d. in value,  $\frac{1}{2}$ d.; 3s. 4d., 1d.; 5s.,  $\frac{1}{2}$ d.; 6s. 8d., 2d.; 8s. 4d.,  $\frac{2}{3}$ d., and so on. No separate stamps can be purchased, or less than two adhering to each other.

In consequence of representations made to the Post Office by various firms, that there is reason to believe that their postage stamps were purloined by persons in their employ, the department has recommended that the name or initials of firms, etc., be either printed on the *back* of the stamps (by arrangement with the Inland Revenue Office, Somerset House), or perforated through the stamps by means of a machine devised for the purpose, so that, the sale of such stamps being thereby rendered difficult (postmasters having been instructed not to purchase any of them), there may be little or no temptation to steal them.

The perforation of the stamps on post cards, wrappers, and embossed envelopes with initials is also not objected to.

**ARTICLES NOT ALLOWED TO BE SENT BY POST.**

In all countries of the Postal Union—coin, jewellery, precious and dutiable articles; and in Italy and United States of America—anything relating to foreign lotteries.

In Costa Rica—coin, jewellery, watches, precious and dutiable articles.

In the Cape of Good Hope and Queensland—jewellery and precious articles, if dutiable, are liable to detention until the duty is paid.

In Victoria—jewellery, being dutiable, is liable to confiscation.

Any indecent or obscene print, painting, photograph, lithograph, engraving, book, or card, or any other indecent or obscene article, or any letter, newspaper, publication, packet, or card having thereon any words, marks, or designs of an indecent, obscene, libellous, or grossly offensive character.

Postmasters are instructed not to receive any letter which there is good reason to believe contains anything likely to injure the contents of the mail bag or the person of any officer of the Post Office. If such a packet be found posted it will not be despatched. The following are examples of the articles referred to:—

A glass bottle, or glass in any form; leeches, game, fish, meat, fruit, or vegetables, or anything of a greasy or oily nature; bladders or other vessels containing liquids; gunpowder, lucifer matches, or anything which is explosive or liable to sudden combustion. Razors, scissors, forks, or other sharp instruments are also forbidden, except when sent in packets of samples to the foreign countries mentioned in the section of Colonial and Foreign Pattern Post.

**MISCELLANEOUS REGULATIONS AND SUGGESTIONS.**

No information can be given respecting letters which pass through a post office except to the persons to whom they are addressed; and in no other way is official information of a private character allowed to be made public.

Provision having been made, by means of the British Postal Guide (with local Postal Guides in large towns) and the Postal Official Circular, to supply full and authentic information on all postal matters, the public should abstain, as much as possible, from applying for such information to postmasters and other officers of the department.

Postmasters are not allowed to return any letter or other packet to the writer or sender, or to any

one else, or to delay forwarding it to its destination according to the address, even though a request to such effect be written thereon.

Postmasters are not bound to give change, nor are they authorized to demand change; and when money is paid at a post office, whether as change or otherwise, no question as to its right amount, goodness, or weight can be entertained after it has been removed from the counter.

Postmasters are not bound to weigh any letters or other packets for the public, but they *may* do so if their duty be not thereby impeded.

If a letter be forwarded under cover to any postmaster with a request that he will re-post it at his office, the letter, on being re-posted, will be endorsed with the words 'posted at \_\_\_\_\_, under cover, to the Postmaster of \_\_\_\_\_.'

To facilitate the delivery of letters, a letter-box should be affixed to every house door.

Every address should be legible and complete, and every letter should contain the full address of the writer, in order to ensure its return if the person to whom it is directed cannot be found.

Letters addressed to club houses, hotels, and other places where letters are received to be called for, should be returned to the Post Office as soon as it is evident that they will not be called for.

**MONEY ORDERS.**

Money Orders are issued and paid at General Post Office, from 10 to 4; Saturdays, 10 to 1; and at the Receiving Offices, 9 to 6; Saturdays, 9 to 5.

When applying for Money Orders, the public should use the printed 'Application Forms,' which are supplied gratuitously at all Money Order Offices.

The commission on Inland Money Orders is:—

For sums under 10s.	. . .	2d.
" of 10s. and under £2	. . .	3d.
" " £2 " " 3	. . .	4d.
" " 4 " " 5	. . .	5d.
" " 6 " " 7	. . .	6d.
" " 8 " " 9	. . .	7d.
" " 10 " " 11	. . .	8d.
" " 12 " " 13	. . .	9d.
" " 14 " " 15	. . .	10d.
" " 16 " " 17	. . .	11d.
" " 18 " " 19	. . .	1s.

No single Money Order can be issued for more than £10 (except in payment of Government taxes, and in favour of the Receiver-General of Inland Revenue), neither can an order contain a fractional part of a penny.

No Money Order can be issued, unless the applicant furnish, in full, the surname, and at least the initial of one Christian name, both of the remitter and the payee, together with the remitter's address.

In the case of Foreign Orders, the full address of the payee must be given; and if the order be payable to a native in British India, the tribe or caste and the father's name must also be furnished.

*Exceptions.*—If the remitter or payee be a peer or a bishop, his ordinary title is sufficient; and the usual designation of a firm is sufficient, except in the case of a company trading under a title which does not consist of the names of the persons composing it, as the 'Carron Company;' but even a designation of this nature may be accepted provided that the order at the time of issue be crossed for presentation through a bank. The remitter is also at liberty to desire at the time of issue that the order be crossed like a cheque thus, & Co., and be made payable only through a bank, in which case it is left to his option to give

or withhold the name of the payee. Foreign and Colonial Money Orders do not come under this exception.

The holder of a Money Order is always at liberty to direct, by crossing it, that it be paid through a bank, even although not originally intended.

When application is made for a Money Order payable in London, or at any other town where there is more than one Money Order Office, the remitter should say at which of such offices he wishes it to be paid; otherwise the order can be cashed only at the Head Office. It is not incumbent on a postmaster to supply such information relative to local or provincial offices.

An order once issued cannot be cancelled; and should repayment or transfer to a different office be required, the remitter or payee must apply to the paying postmaster.

In order to enable the remitter to obtain an acknowledgment of the receipt of a Money Order before the money is paid, it is arranged that he may make his order payable ten days after date, provided that, in the presence of the postmaster, when he obtains the order, he affixes thereto, in the space after the request O., a penny receipt stamp, and write his signature across the stamp.

When an order is presented for payment (otherwise than through a bank), the postmaster has first to see that the signature of the payee be in agreement with the advice. He has then to call on the applicant to give the name of the remitter; and if the reply be correct, the order will be paid, unless the postmaster have good reason for believing that the applicant is neither the rightful claimant, nor deputed by him. When an order is paid through a bank, it is sufficient that it be receipted (without regard to any discrepancy between the signature and the name in the advice), and that it be presented (crossed with the name of the receiving bank) by some person known to be in the employment of the bank.

Money Orders do not require a receipt stamp.

Although at the end of twelve months from that in which it was issued, a Money Order, if still unpaid, becomes legally void, nevertheless, when a good reason can be given for the delay in presenting it, an application for payment, subject to a certain deduction, is entertained.

No application can be entertained for compensation for alleged injury from the non-payment of a Money Order at the expected time.

After once paying a Money Order, by whomsoever presented, the office is not liable to any further claim.

To guard against any person, even if he obtain possession of a Money Order fraudulently, getting it cashed, the remitter is recommended—

1. When he is well known to the payee, to sign the letter enclosing the order with his initials only.
2. When this is not the case, either to make the order payable ten days after date, or to register the letter enclosing it, or to make the order payable through a bank by crossing it like an ordinary cheque.
3. When it is not considered expedient to adopt either of these courses, to send the remitter's name (without a knowledge of which payment cannot be obtained) in a separate letter from that containing the Money Order; although this latter precaution is much less effective than either of the others.

Payment of an order cannot be demanded on the same day as that on which the order was issued.

In case of the miscarriage or loss of an inland

Money Order in transmission through the post, a duplicate is granted on a written application giving particulars to the Controller of the Money Order Office in England, Scotland, or Ireland, as the case may be, where the original order was issued; but for an order otherwise lost, a charge of 1s. for sums not exceeding £5, and 2s. for sums not exceeding £10 is made for a duplicate order. If it be desired to stop payment of an inland order, application must be made at the office where the order is payable, and a second commission must be paid. If alteration in the name of the payee or remitter of an inland Money Order should be required, application must be made by the remitter to the postmaster of the office at which the order was issued, and a second commission must be paid. Should transfer of payment of an inland order from one office to another in the United Kingdom, or repayment of the amount of an order, be required, an application enclosing the order must be made to the postmaster at whose office the order is payable, who will transmit in exchange a new order payable at the place desired, but for a less sum than the original order by the amount of the second commission charged for the re-issue. Proper printed forms for making applications in all these cases may be obtained at any Money Order Office. Whenever, on complaint being made, it is found that the necessity for an application, entailing the payment of a fresh commission, is attributable to the Post Office, the charge will be remitted to the applicant, and imposed on the officer in fault.

A postmaster is required to give information how to apply for a duplicate order, etc., and must furnish the prescribed form of application. If payment of an order be refused in consequence of the replies to the questions respecting the remitter, or the signature on the order, not corresponding with the entries in the advice, the applicant for payment should communicate with the remitter, and request him to apply personally to the issuing postmaster.

No letter-carrier, rural messenger, or other servant of the Post Office is bound to procure a Money Order for any person, or to obtain payment for one; but such services are not forbidden.

Money Orders are issued in the United Kingdom on the undermentioned countries and agencies, at the following rates for sums not exceeding:—

The issue of a duplicate order, or the stoppage of payment of an order issued by a colony or foreign country on the United Kingdom, will be made on application to the Controller of the Chief Money Order Office, London, provided an additional commission of 1s. for sums not exceeding £5, and 2s. for sums above £5 and under £10 be enclosed. For stoppage of payment, the commission is the same as for inland rates. Postmasters in the United Kingdom have power to transfer to other offices in

the United Kingdom payment of colonial and foreign orders originally drawn on their own offices.

Orders issued in the United Kingdom on Belgium, Denmark, the Dutch East Indian Possessions, Egypt, Holland, India, Italy, Norway, Switzerland, and the British Colonies, are payable for twelve months after the month of issue. Orders issued in the United Kingdom on the German Empire, Heligoland, and India are subject to the regulations which govern the payment of Money Orders in those countries. Orders issued in France on the United Kingdom cannot be paid after three months from the *date* of issue without the authority of the French Post Office, and orders issued in the United Kingdom on France cannot be paid after three months from the *month* of issue without the authority of the Chief Office, London.

**POSTAL ORDERS.**

The following are the amounts for which Postal Orders are issued, together with the poundage payable in respect of each order:—

1s. or 1s. 6d., . . . . .	¾d. each.
2s. 6d., 5s., or 7s. 6d., . . . . .	1d. each.
10s., 12s. 6d., 15s., 17s. 6d., or 20s., . . . . .	2d. each.

The person to whom a Postal Order is issued must, before parting with it, fill in the name of the person to whom the amount is to be paid, and may fill in the name of the Money Order Office at which the amount is to be paid. The person so named must, before payment can be made, sign the receipt at the foot of the order, and must also fill in the name of the Money Order Office, if that has not been already done.

Every person obtaining a Postal Order should keep a record of the number, date, and office of issue to facilitate inquiry in case of loss.

If a Postal Order be crossed '   & Co,' payment will only be made through a banker, and if the name of a banker is added, payment will only be made through that banker.

A Postal Order presented by, or through a banker for payment will not (in the absence of an express arrangement between such banker and the Postmaster-General to the contrary) be paid until after such order has been examined at the Chief Office.

After a Postal Order has once been paid, to whomsoever it is paid, the Postmaster-General will not be liable for any further claim.

If any erasure or alteration be made, or if the order is cut, defaced, or mutilated, payment may be refused.

After the expiration of three months from the last day of the month of issue, a Postal Order will be payable only on payment of a commission equal to the amount of the original poundage, with the addition (if more than three months have elapsed since the said expiration) of the amount of the original poundage for every further period of three months which has so elapsed, and for every portion of any such period of three months over and above every complete period.

The commission thus paid must be affixed in postage stamps to the face of the order.

**POST OFFICE SAVINGS BANKS.**

Post Office Savings Banks are established at all Money Order Offices, and are open for bank business during the same hours as for money orders.

Deposits of one shilling, or of any number of shillings, may be made, but no one may deposit more than £30 in one year ending 31st December, or make any further deposit when the

amount standing in his name, exclusive of interest, has reached £150. (The limits of £30 and £150 are irrespective of any sums deposited for the purpose of immediate investment in Government Stock.)

Any person desirous of saving one shilling by means of penny contributions, for deposit in the Post Office Savings Bank, may do so by purchasing with every penny so saved a Penny Postage Stamp, and affixing it to a form to be obtained at any Post Office. When twelve such stamps have been so affixed, the form may be taken to any Post Office Savings Bank in the United Kingdom, where it will be received by the Postmaster, and one shilling be allowed and accepted as a deposit. If the stamps affixed to the form are defaced, or in any way damaged, they will not be accepted.

Interest, calculated yearly at the rate of £2, 10s. per cent. per annum, is allowed until the sum due to a depositor amounts to £200, when interest ceases to be allowed. The calculation is made from the first day of the calendar month next following the day on which a complete pound shall have been deposited or completed up to the last day of the calendar month preceding the day on which a warrant for repayment is issued. The interest thus calculated will be at the rate of one halfpenny per calendar month for every complete pound. The interest will be reckoned to the 31st December in every year, and will then be added to the principal.

- Besides ordinary persons, deposits may be made—
- (A.) By a trustee on behalf of another person, in the joint names of such trustee and the person on whose account such money shall be so deposited; but repayment of the same, or any part thereof, will not be made without the receipts of both parties. A person may act as trustee in any number of accounts, and at the same time have an account in his own name.
  - (B.) By two persons jointly on their own behalf, provided neither of them is already a depositor.
  - (C.) By, or for the benefit of, children, but will not be repaid until they attain the age of 7 years; but in the event of death before the age of 7 years, the money (unless, exclusive of interest, it exceeds £50, when letters of administration require to be taken out) will be payable to the father or next of kin.
  - (D.) By the trustees or treasurer of any legally established friendly, charitable, or provident society, or penny savings bank, provided such trustees or treasurer make application by post to the Controller of the Savings Bank Department, accompanied by a copy of their rules. Such societies, etc., are allowed to invest considerably beyond the usual limit, or even without restriction as to amount, according to circumstances.
  - (E.) In the name of the Registrar of any County Court. Under the 24th sect. of the Act 30 and 31 Vict. c. 142 (County Courts Act), 'trust moneys' not in excess of £500 may be thus deposited; and under the 26th sect., money paid into a County Court in 'equitable proceedings' may be deposited by the Registrar without restriction as to amount.
- Deposits made by a married woman (prior to August 1870), or by a woman afterwards married, will be repaid to her unless her husband shall require such deposits to be paid to him, and shall prove the marriage to the satisfaction of the Postmaster-General.
- Payment of deposits by a married woman domiciled in Scotland after the 1st January 1878 will

take place subject to the provisions of the Acts of 1877 and 1881, which extends to Scotland only.

Once in each year, on the anniversary of the day on which the first deposit was made, the depositor must forward the deposit book to the Controller of the Post Office Savings Bank Department in London, in order that it may be compared with the books of that department, and the interest due to the depositor inserted in it.

When a depositor wishes to withdraw the whole or any part of the sum due to him, he must make application for the same in a form which may be obtained at any Post Office Savings Bank. On receipt of this form at the G.P.O., London, a warrant for the amount required, payable at the Post Office Bank named by the depositor, will be sent him by return of post.

Postmasters and other officers of the Postmaster-General employed in the receipt or payment of deposits, are strictly forbidden to disclose the name of any depositor, or the amount deposited or withdrawn, except to the Postmaster-General, or to such of his officers as are appointed to assist in carrying on the business of the Post Office Savings Banks.

A full statement of the regulations of the Post Office Banks may be seen at any Money Order Office.

#### INVESTMENTS AND SALES OF GOVERNMENT STOCK.

A depositor in the Post Office Savings Bank who desires either to invest a certain sum (not being less than £10) in Government Stock, or to purchase a certain amount of Government Stock (not being less than £10 Stock), must send to the Controller of the Savings Bank Department, General Post Office, London, together with his deposit book, an application signed by him on a form to be obtained at any Post Office Savings Bank. By the expression 'Government Stock' is meant Consolidated Three per Cent. Bank Annuities, Reduced Three per Cent. Bank Annuities, and New Three per Cent. Bank Annuities.

Within seven days from the receipt of such application the depositor's account will be charged with the current price of the Stock purchased and the commission, the necessary entries being made in his deposit book; and the depositor will be credited in the Government Stock Register of the Post Office Savings Bank with the equivalent amount of Stock, and a certificate thereof will be sent to him.

The sum invested must not be less than £10, or the amount of the current price of £10 Stock with the addition of the commission. The amount of Stock credited to any one account in any year ending the 31st December must not exceed £100 Stock; and the whole amount of Stock credited to any one account must not exceed £300 Stock.

For the purpose of an immediate investment in Government Stock a deposit to an amount not exceeding the value of £100 Stock with the commission may be made in one year ending the 31st December.

All dividends in respect of Government Stock standing to a depositor's credit will be carried to his deposit account.

A depositor who desires to sell the Stock standing to his credit, or part of the Stock, must send to the Controller of the Savings Bank Department, London, together with his deposit book and investment certificate, an application signed by him on a form to be obtained at any Post Office Savings Bank.

Within seven days of the receipt of such appli-

cation the amount of Stock sold will be written off from the Stock standing to the credit of the depositor, and his deposit account will be credited with the current price of the Stock, less the commission, and the same will forthwith be paid over to him.

The investment certificate, in the case of a sale of the whole of the Stock standing to the credit of a depositor, will be cancelled; and in the case of a sale of part of such Stock it will be inscribed with a memorandum of the amount of the Stock sold, and returned to the depositor.

The commission chargeable on investment, including the receipt of dividends, and on the sale of Stock, is 9d. for the first £25, and 6d. for every additional £25.

Particulars regarding *Stock certificates* may be learned at any Money Order Office.

#### GOVERNMENT INSURANCE AND ANNUITY OFFICE.

The Postmaster-General is empowered, under the Act 27 & 28 Vict. c. 43, to insure the lives of persons of either sex, between the ages of 16 and 60, for not less than £20 or more than £100. He is also empowered, under the same Act, to grant immediate or deferred annuities of not more than £50 on the lives of persons of either sex, and of the age of 10 years and upwards. The persons whose lives are insured, or to whom annuities are granted, by the Postmaster-General, have direct Government security for the payment of the money at the proper time.

Tables of the premiums to be charged for the insurance of lives, for the grant of immediate annuities, for the grant of deferred annuities or deferred monthly allowances, without return of purchase money, or for the grant of deferred annuities or deferred monthly allowances, with return of purchase money, may be seen at the G.P.O.

#### PREMIUMS CHARGED FOR THE INSURANCE OF LIVES.

The life of a man or woman in his or her 30th year may be insured for £100—

By a single payment of . . . . .	£43 3 7
Or by an annual payment, throughout life, of . . . . .	2 6 7
Or by a fortnightly payment, throughout life, of . . . . .	0 2 2
Or by an annual payment, until the insured person reaches the age of 60, of . . . . .	£2 13 10
Or by a fortnightly payment of . . . . .	0 2 6

Smaller sums may be insured by proportionate payments, but no one of the periodical payments must be of less amount than two shillings.

No one life can be insured for less than £20 in the whole; but when a life has been insured for £20, further insurances may be effected on the same life from time to time, for any amount, until the whole sum for which it is insured amounts to £100.

If, after having duly made his payments for a period of five years, the insured person shall be unable to continue, or shall desire to discontinue, such payments, a portion of the premiums paid by him, which portion will in no case be less than one-third of the whole sum paid by him, will be returned to him.

The sums to be charged for the purchase of immediate annuities will vary with the age and sex of the person on whose life the annuity is to depend:

Thus, a man aged 65 can purchase an immediate annuity of £10, payable half-yearly, for . . . . .	£88 18 4
A woman of the same age can purchase a like annuity for . . . . .	103 16 8

A man aged 70 can purchase an immediate annuity of £10, payable half-yearly, for . . . . .	£73 3 4
A woman of the same age can purchase a like annuity for . . . . .	84 19 2

The sums to be charged for the purchase of deferred annuities or deferred monthly allowances will vary with the age and sex of the person on whose life the annuity or monthly allowance is to depend, and with the length of the term for which the annuity is deferred (or in other words, with the number of years which are to pass before the commencement of the annuity), and with the conditions of the contract as to the mode of purchase, mode of payment, and return or non-return of purchase money.

When the condition of the contract is to be, that no part of the purchase money shall in any event be returned :

A man aged 30 may purchase a deferred annuity of £10, to commence on his reaching the age of 60, and to be payable half-yearly, either by an immediate payment of . . . . .	£21 3 4
Or by an annual payment, until he reaches the age of 60, of . . . . .	1 8 4
A woman of like age may purchase a like annuity by an immediate payment of . . . . .	32 8 4
Or an annual payment, up to 60, of . . . . .	1 17 6

and a man aged 30 may purchase a deferred allowance of £2, 7s. 3d. per month, to commence when he reaches the age of 60, by a payment until he reaches that age of 8s. per month; and a woman of like age may, by a like payment of 8s. per month, purchase a deferred allowance of £1, 16s. 7d., to commence when she reaches the age of 60.

When the condition of the contract is that, in the event of the death of the person on whose life the annuity or allowance is to depend before the commencement of the annuity or allowance, the purchase money is to be returned to his representatives, and that if the purchaser at any time before the commencement of the annuity or allowance is unable to continue, or wishes to discontinue, the purchase, the purchase money shall be returned to him, the price charged will be higher than when no such condition is made.

Under this condition, a man aged 30 may purchase a deferred annuity of £10, to commence when he attains to 60 years of age, and to be payable half-yearly, either by an immediate payment of . . . . .	£40 9 2
Or by an annual payment, until he attains to 60 years, of . . . . .	2 0 10
And a woman of like age may purchase a like annuity, either by an immediate payment of . . . . .	47 0 10
Or by an annual payment of . . . . .	2 7 6

and a man aged 30 may purchase an allowance of £1, 14s. 2d. per month, to commence when he attains the age of 60 years, by a monthly payment of 8s.; and a woman of like age, by a like payment until she reaches the age of 60 years, may purchase an allowance of £1, 9s. 4d. per month.

The annuity or monthly allowance granted on any one life must not exceed £50 per annum, or £4, 3s. 4d. per month; but purchasers need not purchase the whole amount of such annuity or allowance at one time. They may begin by purchasing such part as they can afford to purchase, and go on

increasing their purchases from time to time as their circumstances will permit.

Husband and wife may each be insured to the full amount of £100, and may each purchase an annuity of £50, or a monthly allowance of £4, 3s. 4d. Any two persons may purchase an annuity on their joint lives, with or without continuance of the annuity to the survivor.

Persons contracting for the insurance of their lives, or for the purchase of annuities or monthly allowances, will be allowed to pay their periodical premiums or instalments of purchase money at such of the post offices which have been or may hereafter be opened for the purpose, as will suit them best.

**POST OFFICE TELEGRAPHS.**

The charge for telegrams throughout the United Kingdom is 1s. for the first twenty words, and 3d. for every additional five words, *i.e.* for every additional group of not more than five words, the names and addresses of the sender and receiver not being counted.

Telegrams written in plain language in any European tongue are charged for according to the number of words they contain; but all unintelligible words not forming part of any European language are charged for at the rate of five letters to a word.

Copies of a telegram directed to more than one person or firm in the same free delivery will be delivered separately at an additional charge of 3d. per copy.

When the terminal telegraph office, *i.e.* the office from which the message is delivered, is a Head Post Office, the amount paid for the transmission of a message covers the cost of delivery within the town postal delivery of that office. But when it is not a Head Post Office, the message is delivered free only within the limit of one mile.

When the addressee resides beyond the above-described limits, portage is charged at the rate of 6d. per mile, or any part thereof, provided the whole distance does not exceed three miles; but the charge is calculated from the boundary of the district within which no portage is levied.

If the addressee resides at a greater distance than three miles from the terminal telegraph office, portage is charged for delivery by mounted messenger at the rate of 1s. per mile, except in Ireland, where the charge is usually 8d. per mile.

The sender is responsible for all charges incurred in delivery. When the exact distance is not known, a deposit must be paid to meet the charges.

If the sender requires his telegram to be forwarded by post or by train from the terminal telegraph office, he must write the words 'by post' or 'by train' at the end of the address, and in the latter case he must deposit 1s. to cover the cost of conveyance.

A deposit of 5s. is required upon all telegrams addressed to persons on board ship (unless the ship be lying in the dock) to cover any expense incurred in their delivery; but application can be made to the Secretary for any surplus.

Telegrams may be repeated at the request of the sender, by being signalled back from each office at which they are received, if he desires to adopt this extra security against risk of error. The charge for repetition is one-half the ordinary tariff; fractions of threepence being reckoned as twopence.

If the receiver of a telegram doubts its accuracy, he may have it repeated by depositing half the amount paid for its transmission to him. The

money will, however, be refunded if an error has been found in transmission.

The cost of a reply to a telegram, not exceeding forty words, may be prepaid; and a Reply Form will then be delivered to the addressee, who will be at liberty to send his reply, from any telegraph office, at any time within two months after the date of the original telegram. If the Form be not used, application for the return of the money, accompanied by the Form, may be made to the Secretary, G.P.O., London. A Prepaid Reply Form, however, need not necessarily be used for the reply to a message, but may be used for another message containing the same number of words.

Telegrams re-transmitted to a second address are liable to additional inland rate. In addition to the amount chargeable on each re-transmitted telegram, a fee of £1, 1s. per annum is charged for the registration of special instructions as to the re-direction of telegrams after office hours. Removals are registered, when requested, for a period of one month free of charge.

Persons who wish to avoid sending so far as to a telegraph office may, without additional charge, post a telegram form, enclosed in an envelope addressed "Telegram—Immediate," in a wall or pillar box, or in the letter-box of a receiving office or sub-post office. Telegrams so posted are sent on to the nearest telegraph office by the first collection from the letter-box in which deposited. The period of arrival at the postal telegraph office is regarded as the time of receipt from the public.

Telegrams posted insufficiently prepaid are forwarded to their destination, the difference of charge being obtained from the addressee; but unpaid telegrams are not forwarded.

No combination of two or more words is counted as one word, with the exception of those words which are ordinarily coupled by hyphens, such as 'mother-in-law,' 'MacDonald,' etc.

The following exceptional compound words are charged for as one word:—Midday, midnight, noon-day, se'nnight, cannot, to-day, to-night, to-morrow, yesternight, yesterday, halfpenny, twopenny, and so on.

Numbers expressed in figures in an inland telegram are counted as so many words, according to the number of figures employed; and in fractions, one word is counted for the bar or mark of division.

When the sender of a telegram desires words to be underlined, or placed in a parenthesis, or within inverted commas, two extra words are charged for.

Telegrams addressed to a Telegraph Office, to be called for, are kept for two days, and if not then claimed are sent to the Chief Office, London.

The department is not liable for losses incurred through the incorrect transmission, delay, or non-delivery of telegrams.

Telegraph offices are, as a rule, open from 8 a.m. to 8 p.m., and from 8 a.m. to 10 a.m. on Sundays. There are, however, offices in several of the larger towns which are open longer; and at various offices in London and in the country the attendance is continuous. G.P.O., Edinburgh, always open.

### FOREIGN TELEGRAMS.

Foreign telegrams are divided into three classes—ordinary, code, and cypher. Ordinary telegrams are those composed of a series of words, or of words, figures, and letters conveying an intelligible meaning.

Code telegrams are those composed of words,

the context of which has no intelligible meaning. Proper names are not allowed in the text of code telegrams, except in their natural sense.

In European code telegrams, any of the languages in use in Europe or Latin may be employed; but no telegram may contain words of more than one language.

In extra-European code telegrams, only English, French, German, Italian, Spanish, Portuguese, Dutch, and Latin may be employed; but words of any or all of these languages will be allowed in one and the same telegram.

Cypher telegrams are those containing series or groups of figures or letters having a secret meaning; or words not to be found in a standard dictionary of the language. The portion in cypher must be composed exclusively of figures or exclusively of letters.

Cypher telegrams written in letters are not accepted for extra European places.

The address of the receiver must be paid for, and must not consist of less than two words, a name and town. Example: Hercules, Bombay.

The address of the sender is charged for, if transmitted; if not to be transmitted, it must be written at the foot of the form.

In European telegrams, the maximum length allowed for a single word is 15 letters, in extra-European telegrams 10 letters; any additional letters being counted and charged for as extra words.

Ordinary compound words and names of persons and places, etc., written without break or interruption, are counted as single words. If joined by a hyphen, or separated by an apostrophe or other sign of punctuation, they are counted as so many separate words.

A telegram addressed to several persons in the same town, or to the same firm at different localities in the same town, is charged for as a single telegram, and a sum of 5d. must be prepaid for every extra copy to be delivered, if the number of chargeable words does not exceed 100; an additional sum of 5d. being charged for every additional 100 words or part of 100 words.

In calculating the charge, all the names and addresses are included.

The North American Telegraph Companies do not accept telegrams having multiple addresses.

Telegrams may be sent from one place to another abroad by post. If the telegram be intended for delivery in the same country no charge for postage is made, unless it be posted from one part to another of China or Japan, for which the charge is 1s. 6d.; but if posted at Tientsin for Peking, the charge is only 10d.

## STAMP AND LEGACY DUTIES, ETC.

The following is a list of Stamp Duties according to the schedule of the Act 33 and 34 Vict. c. 97 (amended by 34 Vict. c. 4, 34 and 35 Vict. c. 103, and 35 and 36 Vict. c. 20, and other Acts), with the Duty on Policies of Insurance, Letters Patent, Patent Medicine, and Plate, and Inventory, Legacy, and Succession Duties, which remain under the former Acts. Generally, the items are given in the words of the schedule. When the sections are merely cited without the Act, they are the sections of 33 and 34 Vict. c. 97. All items in the schedule of the Act relating solely to England and Ireland are excluded. In the same session were passed the Acts 33 and 34 Vict. c. 98, Stamp Duties Management, and 33 and 34 Vict. c. 99, repealing certain enactments relating to the Stamp Duties. The Duties came into operation on the 1st January 1871.

The exemptions in other Acts in force are preserved (§ 3).

The attention of the public may be directed to the following matters:—

1. The general deed duty, or duty on a deed not otherwise charged, is reduced to 10s.

2. Progressive duty on words is not imposed.

3. Provisions are made for charging *ad valorem* duty on conveyances in respect of periodical payments or annuities.—§ 72.

4. An agreement for a lease for a term not exceeding 35 years is to be charged with the lease duty.—§ 96.

5. An instrument chargeable as a lease in consideration, in whole or in part, of produce or other goods—

Where it is stipulated that the value shall amount to or not exceed a given sum, *ad valorem* lease duty on such sum.

A statement in the lease in regard to the value of such produce or goods to be conclusive as to stamp duty, unless and until shown to be incorrect.—§ 97.

6. A notarial instrument is liable to the same duty as an instrument of seisin—to wit, 5s.

7. Any instrument specifically charged by any previous Act with the duty of 35s. is chargeable with the duty of 10s.—§ 4.

8. Instruments relating to the property of the Crown, and to the private property of the sovereign, are liable to same duties as instruments relating to the property of the subject.—§ 5.

9. Instruments are to be so stamped that the stamp may appear on the face of the instrument, and cannot be applied to any other instrument written upon the same piece of material.—§ 7 (1). Every instrument on the same piece of material is to be separately stamped.—§ 7 (2).

10. Instruments relating to several distinct matters are to be separately stamped in respect of each.—§ 8 (1). An instrument liable to *ad valorem*

duty, if made for any other valuable consideration, is to be charged in respect of it as if it were a separate instrument for such.—§ 8 (2).

11. An appropriated stamp (by word on the face of it) cannot be used for an instrument of another description.—§ 9 (1). An instrument of the description to which a stamp is appropriated is not to be duly stamped unless stamped with the stamp appropriated to it.—§ 9 (2).

12. All the facts and circumstances affecting the liability of an instrument to *ad valorem* duty, or the amount of it, are to be fully and truly set forth. If not, penalty on person who executes and on person concerned in the preparation, £10.—§ 10.

13. Instrument chargeable with *ad valorem* duty in respect of money in foreign or colonial currency, the duty to be calculated on the value in British currency, according to the current rate of exchange at the date of the instrument.—§ 11.

14. Instrument chargeable with *ad valorem* duty in respect of stock or marketable security, the duty to be calculated on the value, according to the average price at the date of the instrument.—§ 12.

15. If the instrument contains a statement of the current rate of exchange, or average price, and is stamped accordingly, it is to be deemed duly stamped until statement shown to be untrue, and that the instrument is in fact insufficiently stamped.—§ 13.

16. The duties apply to instruments executed in the United Kingdom, and to instruments, where-soever executed, relating to property situated, or to any matter or thing done or to be done, in the United Kingdom.—§ 17.

17. No instrument, except in criminal proceedings, shall be pleaded or given in evidence, or admitted to be good, useful, or available in law or equity, unless it is duly stamped in accordance with the law in force when executed.—§ 17.

18. If any person registers an instrument not duly stamped, penalty £10.—§ 22.

19. Except where express provision is made to the contrary, all duties are to be denoted by impressed stamps only.—§ 23.

**PROPERTY LIABLE TO THE DUTY.**—*Generally*—All personal property (heritable securities are personal property which include bonds of annual rent and bonds of annuity and real burdens on land, but not securities by absolute disposition qualified by back bond) belonging to the deceased in the United Kingdom, heritable securities, and bonds excluding executors, and also money secured by *ex facie* absolute dispositions. (43 Geo. III. c. 149, § 38, etc.; 55 Geo. III. c. 184, Schedule, Part III.; 21 & 22 Vict. c. 56, §§ 9, 12, 13, etc.; and 16 & 17 Vict. c. 59, § 8; 31 & 32 Vict. c. 101, §§ 3 and 117; 37 & 38 Vict. c. 94, § 30; and 23 & 24 Vict. c. 80.)

**Personal Property.**—*Absolute power of disposal.*—Personal estate which a person dying after 3d April 1860 shall have disposed of by will, under any authority enabling such person to dispose of the same as he shall think fit, shall be deemed personal or moveable estate of the person so dying, for the purpose of payment of inventory, probate, or administration duty. (23 Vict. c. 15, § 4.)

**Indian Promissory Notes—Ships.**—Indian Government promissory notes and certificates issued, or stock in lieu thereof, being assets of a deceased person, the interest of which shall be payable in London, registered in London, or enfaced in India for the purpose of such registration, before the death of the owner; also Indian Government promissory notes with coupons attached, in the same circumstances as to registration, and certificates issued, or stock created in lieu thereof, shall be personal estate and *bona notabilia* in England of the deceased person (23 Vict. c. 5, § 1): Also any *ship*, or any share of a ship, belonging to a deceased person, registered in any port in the United Kingdom, notwithstanding such ship at the time of the death may have been at sea, or elsewhere out of the United Kingdom, shall be deemed to be at the port at which she may be registered (27 & 28 Vict. c. 56), and liable to inventory, probate, or administration duty.

**Specialty Debts.**—For probate and administra-

tion duty, debts and sums of money due from persons in the United Kingdom to a deceased on obligation or other speciality, shall be estate and effects of the deceased within the jurisdiction of Her Majesty's Court of Probate in England or Ireland in which the same would be if they were debts upon simple contract, without regard to the place where the obligation or speciality shall be at the time of the death. (25 Vict. c. 22, § 39.)

**Foreign Bonds and Stocks.**—Documents of the debts of foreign governments and foreign companies which pass from hand to hand are property where the documents may be. Debentures or bonds by foreign companies and governments, and the title to stocks of foreign companies and governments, are property in this country if in the possession of any person in this country, and can be sold in the market, and the title of the purchasers completed to them in this country. See Attorney-General v. Bouwens, 4 Meeson and Welsby 171.

**Rents of Heritage.**—If the deceased survive Whitsunday, one moiety of the rents of the crop of that year is personal estate. If he survive Martinmas, the whole rents of that crop fall into the executry. In addition, from and after 1st August 1870, the Act 33 & 34 Vict. 1870, c. 35, would seem to give the executor a proportion of the rents from the term preceding the date of death to the date of death. That Act would also seem to give a proportion of the term's rents of quarries, minerals, and houses, and also feu-duties current at the death. The executor's right to house rents would not therefore be to the half-year's rents current at death, but to a proportion only to the date of death.

#### MODES IN WHICH DUTY MAY BE PAID.

**When deceased domiciled in Scotland.**—In the case of a person dying domiciled in Scotland having personal property in Scotland, England, and Ireland, and also heritable securities excluding executors, and personal bonds excluding executors, duty in respect of the whole may be paid on the inventory required to be recorded in the Sheriff Court; or inventory duty may be paid on the personal property situated in Scotland, including heritable securities made moveable by the Act 31 & 32 Vict. c. 101, § 117, and duty may be paid on a 'special inventory' of the heritable securities excluding executors, and personal bonds excluding executors, and probate or administration may be obtained in England and Ireland in respect of the personal estate in these countries, and duty paid in respect of such on these instruments.

**When deceased domiciled furth of the U. K.**—In case of a person dying domiciled furth of the United Kingdom leaving personal estate in Scotland, England, and Ireland, an inventory must be given up in Scotland, probate or administration taken out in England and Ireland, and duty paid on such in respect of the property in each country.

In exhibiting inventories after 1st June 1881, the amount of debts due and owing by the deceased to persons in the United Kingdom, and funeral expenses, may be deducted from the value of the estate for the purpose of paying the inventory duty. The amount of such to be delivered with or annexed to the inventory.

The debts not to include debts payable on death, or payable under instruments not *bona fide*

delivered three months before death. The Commissioners of Inland Revenue, within three years, may call for evidence of the contents of, or particulars verified by, the inventory.

Where the gross estate of a deceased person dying after 1st June 1881 does not exceed £300, and the estate exceeds £100, if an inventory shall be given up in accordance with the special provisions of the Act, the duty to which the inventory is liable is 50s. (44 Vict. c. 12, § 34.)

**Additional and Corrective Inventories.**—If there shall be any omission in the inventory inferring the payment of further duty, an additional inventory is required to be exhibited (48 Geo. III. c. 149, § 38; 16 and 17 Vict. c. 59, § 8). The stamp on the additional inventory is required to be of an amount sufficient to make up the stamp duty in respect of the total amount of all the estate. If the estate shall be over-estimated, or if something shall be improperly included in the inventory, a corrective inventory, duly stamped, requires to be exhibited. Allowance of the original inventory as a spoiled stamp will be obtained within six months after the recording of the second inventory.

#### RETURN OF INVENTORY DUTY.

The inventory duty and probate and administration duty are paid on the whole personal property, without deduction of debts; but the Act 5 & 6 Vict. c. 79, § 23, provides for a return being given on proof of the constitution and payment of the debts. This return must be claimed within three years; but the time will be prolonged on application to the Board of Inland Revenue. No return to be granted in respect of a voluntary debt due from a person dying after 28th June 1861, expressed to be payable on the death of such person, or payable under an instrument which shall not have been *bona fide* delivered to the donee three months before the death of such person. (24 & 25 Vict. c. 92, § 3.)

**Note.**—Forms of inventory and additional inventory will be found in the *Juridical Styles*, vol. II. App. pp. 8–11. Forms of inventories, and also regulations for return of inventory duty, may be obtained at the Legacy Duty Office, Inland Revenue, Edinburgh.

The husband or wife of the deceased is not chargeable with duty. If the legatee's husband or wife is of nearer consanguinity than the legatee, duty is payable according to such nearer relationship. (16 & 17 Vict. c. 51, § 11.)	
This duty is payable for every legacy out of the personal or moveable estate, or out of or charged upon the real or heritable estate of the deceased, or out of any estate which he has power	

to dispose of, or out of any moneys to arise by the sale, mortgage, or other disposition of the deceased's real or heritable estate, or any part thereof: Also for the clear residue (after deducting debts, funeral expenses, legacies, and other charges first payable thereout) of the personal or moveable estate, whether the title to such residue shall accrue by virtue of any testamentary disposition, or upon a partial or total intestacy: And also for the clear residue of the moneys to arise from the sale, mortgage, or other disposition of any real or heritable estate, directed to be sold, mortgaged, or otherwise disposed of by any will or testamentary instrument.

Annuities commencing to be payable on the death of persons dying after 19th May 1853 are valued for legacy duty according to tables annexed to the Succession Duty Act (16 & 17 Vict. c. 51); and annuities commencing to be payable previous to that date, by the tables annexed to the Legacy Duty Act (36 Geo. III. c. 52). Where the testator or intestate died before 1st June 1881, duty is not exigible on legacies or residues under £20; but if a legatee take two or more legacies under any testament, which shall together be of the amount of £20, each shall be charged with duty, though each or either may be separately under that amount. See 44 Vict. c. 12. (43 Vict. c. 14, § 13.)

The duty presumptively payable upon an interest in expectancy may be commuted for a present payment. (43 Vict. c. 14, § 11.)

The Commissioners of Inland Revenue have power to accept a composition for legacy duty under a will. (44 Vict. c. 12, § 43.)

Duty on legacies and residues in arrear—interest thereon at the rate of 4 per cent. is payable. (31 & 32 Vict. c. 124, § 9.)

Estates not exceeding £300—payment of fixed duty of 30s. on inventory to be in full of claim to legacy duty on estate to which such inventory relates. (44 Vict. c. 12, § 36.)

Printed forms and regulations for payment of the legacy duty may be obtained gratis, on application at the Legacy Duty Office, Inland Revenue, Edinburgh; and at the offices of distributors of stamps in the country.

### SUCCESSION DUTY.

(16 & 17 Vict. c. 51.)

The duty commenced on the death of persons dying after the 19th May 1853, and seems to be imposed on all property, both heritable and moveable, passing by death, not liable to the duty on legacies and successions to personal estate upon intestacy—the duty imposed by the Legacy Duty Acts.

The duty on HERITABLE PROPERTY is charged on the annual value, after allowance of the necessary outgoings (§ 22), as an annuity for the life of the successor (§ 21), which is to be valued by tables annexed to the Act.

PERSONAL PROPERTY is liable to duty according to the value of the succession; and money charged on heritage—heritable securities—is charged as personalty (§ 1).

### RATES OF SUCCESSION DUTY.

By § 41 of 44 Vict. c. 12, this duty is not payable where the estate is included in the inventory on which inventory duty has been paid.

The husband or wife of the predecessor is not chargeable with duty (§ 18); and if the successor's husband or wife shall be of nearer consanguinity than the successor, duty is payable according to such nearer relationship (§ 11).

*Mode of proceeding.*—(2.) The commissioners shall thereupon state and sign a case accordingly, and deliver the same to the person by whom it is required, and on his application such case may be set down for hearing in the proper court.

(3.) Upon the hearing of such case (due notice of which is to be given to the commissioners) the court shall determine the question submitted, and if the instrument in question is in the opinion of the court chargeable with any duty, shall assess the duty with which it is so chargeable.

(4.) If it is decided by the court that the assessment of the commissioners is erroneous, any excess of duty which may have been paid in conformity with such erroneous assessment, together with any penalty which may have been paid in consequence thereof, shall be ordered by the court to be repaid by the commissioners to the appellant, together with the costs incurred by him in relation to the appeal.

(5.) But if the assessment of the commissioners is confirmed by the court, the costs incurred by the commissioners in relation to the appeal shall be ordered by the court to be paid by the appellant to the commissioners.

In any case of application to the commissioners with reference to any instrument, the commissioners may require to be furnished with an abstract of the instrument, and also with such evidence as they may deem necessary, in order to show to their satisfaction whether all the facts and circumstances affecting the liability of the instrument to duty, or the amount of the duty chargeable thereon, are fully and truly set forth therein, and may refuse to proceed upon any such application until such abstract and evidence has been furnished accordingly.

*Affidavit not to be used otherwise.* *Person paying full duty relieved of penalty, etc., for omission to state truly in instrument.*—(2.) Provided that no affidavit or statutory declaration made in pursuance of this section shall be used against any person making the same in any proceeding whatever, except in an inquiry as to the duty with which the instrument to which it relates is chargeable; and every person by whom any such affidavit or declaration is made shall, on

payment of the full duty with which the instrument to which it relates is chargeable, be relieved from any penalty, forfeiture, or disability he may have incurred by reason of the omission to state truly in such instrument any of the facts or circumstances aforesaid.

#### EXCHANGING SPOILED STAMPS.

STAMP DUTIES MANAGEMENT ACT, 1870 (33 & 34 Vict. c. 98).

*Allowance for Spoiled Stamps.*—§ 14. The commissioners may make regulations regarding allowance for stamps spoiled in the following cases, viz.:

*Instruments not executed.*—(1.) Inadvertently and undesignedly spoiled, obliterated, or by any means rendered unfit for the purpose intended:

*Adhesive Stamps.*—(2.) Any never used nor affixed to any material, but inadvertently and undesignedly spoiled or rendered unfit for use:

*Bills and Notes.*—(3.) Signed by the drawer, but not delivered out of his hands to the payee, or any person on his behalf, or deposited with any person as a security for the payment of money, or in any way negotiated, issued, or put in circulation, or made use of in any other manner whatever, and which being a bill has not been accepted by the drawee, and does not bear any signature intended as or for the acceptance:

(4.) Signed by or on behalf of the drawer thereof, but which from any omission or error has been spoiled or rendered useless, although the same, being a bill of exchange, may have been presented for acceptance or accepted or endorsed, or, being a promissory-note, may have been delivered to the payee, provided that another completed and duly stamped bill or note is produced identical in every particular, except in the correction of such error or omission as aforesaid, with the spoiled bill or note:

(5.) The stamp used for any of the following instruments, that is to say—

(a.) Presentation to an ecclesiastical benefice not followed by institution:

(b.) *Executed Instruments.*—Executed by any party thereto, but afterwards found to be absolutely void in law from the beginning:

(c.) Executed by any party thereto, but afterwards found unfit by reason of any error or mistake therein for the purpose originally intended:

(d.) Executed by any party thereto, but which, by reason of the death of any person by whom it is necessary that it should be executed, without having executed the same, or of the refusal of any such person to execute the same, or to advance any money intended to be thereby secured, cannot be completed so as to effect the intended transaction in the form proposed.

(e.) Executed by any party thereto, which, for want of the execution thereof by some material and necessary party, and his inability or refusal to sign the same, is in fact incomplete and insufficient for the purpose for which it was intended:

(f.) Executed by any party thereto, which, by reason of the refusal of any person to act under the same, or by the refusal or non-acceptance of any office thereby granted, totally fails of the intended purpose:

(g.) Executed by any party thereto, which, for want of enrolment or registration within the time required by law, becomes null and void:

(h.) Executed by any party thereto, which becomes useless in consequence of the transaction intended to be thereby effected being effected by some other instrument duly stamped:

(i.) Executed by any party thereto, which is inadvertently and undesignedly spoiled, and in lieu whereof another instrument made between the same parties and for the same purpose is executed and duly stamped:

Provided—

(1.) *Executed Instruments*—

(a.) The instrument is given up to be cancelled:

(b.) The application is made within *six months* after the date of the instrument, or, if not dated, within *six months* after the execution by the person by whom it was first or alone executed. Except, 1. Where from unavoidable circumstances any instrument for which another instrument has been substituted cannot be given up to be cancelled within the aforesaid period, and in that case within *six months* after the date or execution of the substituted instrument; 2. Where the spoiled instrument has become void for want of enrolment or registration, and in that case within *six months* next after it has so become void; 3. Where the spoiled instrument has been sent abroad, and in that case within *six months* after it has been received back in any part of the United Kingdom:

(c.) No action has been brought or suit commenced in which the instrument could or would have been given or offered in evidence:

(2.) *Unexecuted Instruments.*—In the case of stamped material, not having any executed instrument written thereon, and of an adhesive stamp not affixed to any material, the application is made within *six months* after the stamp has been spoiled.

*Misused Stamps.*—§ 15. Stamp used of greater value than was necessary, or stamp inadvertently used for an instrument not liable to any duty, application within *six months* after the date of the instrument, or, if it is not dated, within *six months* after the execution. The instrument liable to duty to be restamped with the proper duty. The misused stamp to be cancelled and allowed as spoiled.

*Allowance how to be made.*—§ 16. The commissioners may give in lieu other stamps of the same denomination and value, or if required, and they think proper, stamps of any other denomination to the same amount in value, or, at their discretion, the same value in money, deducting the proper allowance on the purchase of stamps of the like description.

*Stamps not wanted may be repurchased by the Commissioners.*—§ 17. A stamp not spoiled or rendered unfit or useless for the purpose intended, but for which the person has no immediate use, the commissioners may, if they in their discretion think fit, repay the amount in money, deducting the proper discount. The stamp to be delivered up to be cancelled, and satisfactory proof to be given that it was purchased by him with a *bona fide* intention to be used, and that the applicant has paid the full value thereof without any deduction (except only the amount of such discount), and that the stamp was so purchased within the period

of *six months* next preceding the application at the chief office or at one of the head offices, or from some person duly appointed to sell and distribute stamps, or duly licensed to deal in stamps.

As to the exchange of *Sea Policies* of Insurance, see 30 Vict. c. 23, § 17. The cases for allowing are—

- (1.) Where policy shall be inadvertently filled up in an incorrect or improper manner;
- (2.) Or be obliterated or otherwise spoiled, and rendered unfit for use;
- (3.) Or shall be filled up for some insurances which shall not be proceeded in, and the same shall not be signed by any underwriter.

Application must be made within six months after the policy shall be spoiled or become useless. (See Note a.)

a. The Inland Revenue Office, No. 10 Waterloo Place, Edinburgh (Room No. 13), is open for the allowance of spoiled stamps every lawful day, except Saturday, from 10 A.M. to 2 P.M. The distributors of stamps and most of the sub-distributors also receive spoiled stamps for allowance.

A supply of forms of affidavits is kept at the Inland Revenue Office, and by the distributors and sub-distributors of stamps, and claimants may attend at the Inland Revenue Office and have the affidavits taken; or they may get copies of the forms, and take the oath before a justice of the peace, and shortly afterwards lodge the affidavits and the stamps with any of the above officers. If not brought within ten days or a fortnight, the stamp will not be allowed without a fresh affidavit. If the claim be admitted at Edinburgh, a ticket is issued stating that application is to be made for the new stamps after the next Monday, and within six weeks from the date of the ticket. If the claim be lodged with a distributor or sub-distributor, a ticket is issued stating that application is to be made for the said stamps after a specified date, and within six weeks from the date of the ticket. If application not made within that time, the claim will be forfeited, and no excuse will be accepted.

The stamps must be presented for allowance within *six months* after being spoiled.

## HACKNEY CARRIAGES IN EDINBURGH.

### FARES BY DISTANCE.

The distance to which any hackney carriage may be driven under these Bye-laws shall be seven miles from the Cross of Edinburgh.

(1.) When a party not exceeding two grown-up persons, and without any luggage other than a carpet-bag or the like, enters a carriage at a stance, or when driving along disengaged, they shall be driven half a mile for 6d.; and if they return, they shall pay the same fare. The driver shall draw up to either side of the street when called; and if detained more than five minutes before starting, he shall be entitled to 6d. for waiting.

*N.B.*—This rule shall not apply to fares from railway stations.

(2.) Excepting the Sixpenny Fare, the fares by distance shall be shown in the annexed Table of Fares. The charges in the table shall include going from the stance or stable to the hirer's residence, and waiting ten minutes. But if the carriage be detained, before starting, more than ten minutes, a charge for waiting at the rate of 6d. for each quarter of an hour, or part thereof, after the expiry of the ten minutes, shall be allowed; and if the place where the hirer is to be taken up be beyond a mile from the stance or stable whence the carriage is taken, there shall be a charge of 6d. for such distance.

(3.) There shall be no charge for waiting while a hackney carriage is on the way to a destination unless the waiting before starting and the waiting by the way exceeds in all ten minutes; and when such waiting exceeds ten minutes it shall be charged for in terms of Section 2 of this bye-law. There shall be no charge for a short deviation from the direct route.

(4.) The fare to any place not mentioned in the table shall be the same as that to any place mentioned therein which is in the immediate vicinity.

(5.) When the fare of any particular place not mentioned cannot be ascertained by reference to a place in the immediate vicinity, the fare shall be 1s. for any distance not exceeding a mile and a half for one or two passengers; 1s. for any distance not exceeding one mile for three or four passengers; and 6d. for every additional half-mile, or part thereof, for any number of passengers not exceeding four.

(6.) Half fare returning with the party, excepting the half-mile drive.

(7.) When parties return (which they shall have the option of doing), and the fare going is 1s., the carriage shall wait ten minutes without any charge for waiting; when 1s. 6d., fifteen minutes; when 2s. and upwards, twenty minutes. If the carriage be detained longer, a charge shall be allowed for waiting, at the rate of 6d. for every twenty minutes or part thereof, commencing when the free waiting expires.

(8.) When a carriage is called but not used, a charge of 6d. shall be allowed, if the place to which it is called be under half a mile from the stance or stable, and 1s. if beyond that.—Waiting as in Section 2.

### FARES BY TIME.

It shall be in the option of the hirer to pay by time for a carriage employed within the municipal bounds, for SHOPPING, MAKING CALLS, and the like, where the driving is not continuous. The charge in such cases shall be 2s. for the first hour or part thereof, and 6d. for every additional quarter of an hour or part thereof.

For an AMING into the country within eight miles from the Cross of Edinburgh, and returning either

by the same or a different road, the rate shall be 3s. for the first hour or part thereof, and 1s. for every twenty minutes or part thereof. Unless the hirer wishes a slower pace, the rate of driving when out an airing shall be at least six miles an hour; and in the event of the driving being at a slower pace than six miles an hour, contrary to the wish of the hirer, it shall be optional for the hirer to pay the fare in the proportion of 3s. for every six miles so travelled. A drive round the Queen's Drive shall be at the rate of 3s. per hour.

### WHETHER THE FARES ARE BY DISTANCE OR BY TIME.

(1.) The hirer pays tolls.

(2.) If there be more than four adults driven, a charge of 6d. extra shall be made for each, or for each two children above six years of age, and under twelve. No additional charge for one child above six to twelve, or children under six years.

(3.) Double fare—from twelve o'clock at night till seven o'clock morning. 1. When the hiring shall be by time the charge shall be double fare.

2. When the hiring shall be by distance, and the number of passengers shall not exceed four, the charge shall be double the fare as for one or two passengers. 3. For waiting, double charge shall be allowed. 4. The double charge shall not apply to luggage.

(4.) On Sunday the fares for such carriages as shall have been previously ordered or engaged, or hired elsewhere than on the public streets or stances, shall be fare and a half.

(5.) The above fares are for one-horse carriages, and there shall be no additional charge when two horses are used by the owner without being required to do so; but if two horses be used at the request of a hirer, the charge shall be fare and a half.

(6.) No owner or driver shall demand or receive more than the regular fare.

(7.) Owners or drivers may agree to drive at lower fares than those fixed. In that case, should they demand more than the fare agreed on, they shall be liable as for an overcharge.

### LUGGAGE.

For luggage exceeding 100 lbs. in weight there shall be a charge of 6d. extra. But there shall be no charge for luggage under that weight. The driver shall assist in loading and unloading in all cases when required.

### FARES MAY BE WITHHELD.

Any party shall be entitled to withhold payment of the fare—

1. When the name and number are not painted outside, or when there is no plate inside, in terms of Articles 2 and 3 of these bye-laws.
2. When the reference ticket is not given on demand.
3. When the bye-laws, table of fares, and driver's licence are not shown on demand.
4. When an overcharge is made.
5. When the driver fails or refuses to complete an engagement; but if payment of the fare be withheld, the party shall give the driver his full name, designation, and residence.

### REDEESS.

Complaints for breaches of the foregoing bye-laws should be made at the Procurator-Fiscal's Office, 7 City Chambers, immediately, or within eight days after the date of the offence, except in cases in which parties are prevented doing so by their absence from town.

TABLE OF CAB FARES FROM THE FOLLOWING STANCES.

The driver is bound to give the hirer a reference ticket, and exhibit his licence, bye-laws, and table of fares.—100 lbs. luggage free. Any person refusing to pay the regular fare on demand is liable to a penalty such as the magistrate shall determine as compensation for loss of time arising from such refusal.

## Fire Insurances.

Insurances against loss by Fire are granted on the most favourable terms. The Security is unsurpassed, the proportionate amount of Fire Reserve Funds, as compared with the Premium Income, being greatly larger than in the case of most other Offices. Losses by Lightning are admitted.

## Life Assurance on unusually favourable terms.

**CLASS A<sub>1</sub>.** Moderate Premiums, with Early Bonuses, which may be applied either to increase the sum assured or to make the Policy *payable during life*.

**CLASSES A<sub>2</sub> and B.** Lowest Premiums, with special Bonus advantages to persons attaining old age.

**NEW AND SELF-ACTING NON-FORFEITABLE SYSTEM.** Under this System the Surrender Value is applied to pay over-due premiums, thus preventing the accidental forfeiture of any valuable policy. Although this plan is new in Great Britain, a similar plan has for some years been carried on with much success in the Australian Colonies. The AUSTRALASIAN INSURANCE AND BANKING RECORD concludes an article on the Non-Forfeitable System in the following terms:—

‘It is to the credit of the CALEDONIAN that it should be the first to introduce this liberal feature into practice in Great Britain. As the precursor of a new and better state of things in the Insurance world there, it deserves, as we trust it will find, its reward in a large accession of business.’

THIS ASSOCIATION presents the benefits of LIFE ASSURANCE in a variety of forms adapted to the circumstances and requirements of all classes, at RATES OF PREMIUM which will bear favourable comparison with those of any other Company affording similar advantages. It also furnishes

## PROVISIONS FOR OLD AGE

in the shape of ENDOWMENT-ASSURANCES, payable to the Assured themselves on the attainment of Specified Ages, or to their Representatives at death, should that happen sooner.

## NON-FORFEITURE POLICIES.

Under the NON-FORFEITURE SYSTEM, premiums are payable for a limited number of years only, and each payment (after a fifth of the whole number has been made) secures *absolutely a proportionate part of the Sum Assured*. Policy-holders can thus, if they find it expedient, discontinue the payment of premiums without losing any of the benefits for which they may have already paid.

## FAMILY TRUST POLICIES.

Policies on the NON-FORFEITURE SYSTEM are now issued under the 'MARRIED WOMEN'S POLICIES OF ASSURANCE (SCOTLAND) ACT, 1880,' securing FAMILY PROVISIONS free from the control of Creditors. The ASSOCIATION is thus in a position to offer an *absolutely secure provision* for the family of an assured life for every premium paid, without the necessity of a separate Trust Deed.

## IMMEDIATE PARTICIPATION IN PROFITS.

The PROFITS are ascertained and divided every FIVE YEARS,—NINE-TENTHS (NINETY PER CENT.) being appropriated to the Assured, and each Policy-holder having an equitable share allotted to him, *however recent his Assurance*. At the Seven successive Periodical Investigations, which took place in 1846, 1853, 1860, 1865, 1870, 1875, and 1880, REVERSIONARY BONUS ADDITIONS, at rates which have never been less than

## ONE POUND TEN SHILLINGS PER CENT. PER ANNUM,

were made to the Sums Assured by all Participating Policies effected for the whole term of life. Thus a Policy for £1000 opened in 1840 now amounts to £1650.

The EIGHTH QUINQUENNIAL INVESTIGATION and DIVISION of PROFITS will take place at CHRISTMAS 1885.

The Claims Paid by the Office since its commencement, including Bonus Additions, amount to £1,875,000.

LOANS are granted, in connection with Life Assurance, on LIFE INTERESTS, REVERSIONS, PERSONAL and other approved securities.

N.B.—A detailed Prospectus may be had on application.

**T**HE SCOTTISH EQUITABLE is a *Purely Mutual Office*. There are no Shareholders to absorb any portion of the Profits, which are therefore wholly divided among the holders of Participating Policies. Its leading features are—*Unquestionable Security, Liberal Conditions of Insurance, and Early Participation in Profits.*

By Resolutions recently passed, the conditions as to Foreign Residence and Travel have been made MUCH MORE LIBERAL and GREATLY SIMPLIFIED. Most of the Policies after Five Years' endurance are freed from all conditions, except the payment of the Ordinary Premium.

The Premiums on Whole-Life Policies are now calculated by half-years of age, so that those who insure within six months after a birthday will be charged a lower rate of premium than hitherto.

**POSITION OF THE SOCIETY AT 1st MARCH 1881.**

The Existing Assurances, including Bonus Additions, were	£8,443,660	8	9
The Annual Revenue was	324,938	19	2
And the Accumulated Funds were	2,489,481	9	0

The Accumulated Fund is  $11\frac{1}{4}$  times the premiums of the year, and is 30·8 per cent. of the existing assurances after deduction of the re-insurances of £368,720.

The Profits are ascertained at intervals of five years. The next INVESTIGATION and DIVISION OF PROFITS will be made as at 1st March 1883, and persons lodging proposals for insurance before that date will secure the advantage of an additional year's Bonus over subsequent entrants.

NON-FORFEITABLE POLICIES are granted by the Society on a new and improved plan, which combines the advantages of *Moderate Premiums* payable for a limited number of years (11, 22, or 33), *Ultimate Participation in the Profits, Fixed Surrender Values,* and the issue of *Fully Paid-up Policies* without special application to the Directors.

SETTLEMENT POLICIES, with special advantages, are granted under the 'Married Women's Policies of Assurance (Scotland) Act, 1880,' free from all claims of creditors in the event of subsequent insolvency.

LOANS are granted in connection with life insurance, on Life Interests, Reversions, and other approved Security. The Directors are also prepared to entertain proposals for the sale of Reversions to the Society.

DEPOSITORS with this Company possess Security of an exceptionally high character. The Funds are lent solely over Heritable Properties within Scotland, under the careful supervision of a Committee of the Directors, aided by Surveyors of skill and experience, the Loans being always considerably within the value of the subjects.

In addition to the Investments thus carefully selected, the Company's Uncalled Capital, amounting to £180,000, furnishes a valuable Guarantee to Depositors, while the Reserve Fund, amounting to £20,000, which is separately invested in Bank of England Stock, affords a still further Security.

The Rate of Interest allowed on Deposits varies from 3 to 4½ per cent., according to the term for which the money is lodged.

The Arrangements with Borrowers from the Company are simple and equitable. The Instalments by which Loans are repayable are moderate, and a portion of the sum advanced may lie at interest. No Commission or Fines are charged, and no Assessment on Borrowers in name of additional interest dependent on the rise of the Bank Rates.

THE HADDINGTON PRIZE MEDAL PORTABLE SEATED WAGGONETTE has obtained the highest honours wherever submitted to competition, having been awarded Five Silver Medals.

THE PRIZE MEDAL RUSTIC CART has been much admired for its general appearance, which is equally novel and elegant, forming a Commodious Shooting Cart, and can be hung on two or four wheels.

Extract from ‘Lancet.’

‘The Essence of Dandelion Coffee is really an excellent substitute for Coffee, and will, we think, be an advantage to many bilious and dyspeptic patients.’

Extract from ‘British Medical Journal.’

‘Symington & Co.’s Coffee Essences have a standard reputation, and possess great merit. The Coffee Essence must be prepared in *Vacuo* at a low temperature, as the aroma of the Coffee is well preserved; in its essential qualities it does not differ in any way from a cup of Coffee made in the ordinary way. The Coffee and Milk is extremely convenient for travellers, bachelors, etc., or wherever it may be convenient to have at hand a preparation which requires only the addition of boiling water to make a cup of good Milk-Coffee.’

## VENETIAN BLINDS.

**M**ESSRS. JOHN ROSS & SONS, Carpet and Floor-cloth Merchants, and Furniture and Blind Manufacturers, of 11 Lothian Road, Edinburgh, have long made the manufacture of Venetian Blinds their speciality. As the result of their experience in this department of industry, the Messrs. Ross now produce Venetian Blinds of the most improved description, fitted with simple and effective mechanism, and elegantly finished in the most minute detail. They are strongly put together, and the best materials only are used in their construction. It is unnecessary to particularize the several principles embodied in the systems of regulating gear employed by the Messrs. Ross in their Blinds; but their various mechanisms are as free from complication and liability to get out of order as is compatible with smooth and easy working. Their principal Steam Factory is at Granton, but they have also extensive Works and Stores at Valleyfield Street, Edinburgh, the erection of the latter having been completed only a few months ago.

While the Messrs. Ross give special attention to the manufacture of Venetian Blinds, in connection with which trade they are best known, the other departments of their business are not neglected, as may be inferred from the fact, that, notwithstanding the depressed state of trade during the last three years, their business has doubled in that time. As an example of what the Messrs. Ross can do in the way of Venetian Blind Manufacture, we may mention that they completed in four weeks a contract for some Four Thousand Blinds for the Edinburgh New Royal Infirmary. Messrs. John Ross & Sons do a very large business also in Carpets, Furniture, and Cloth and Gauze Blinds, and more particularly just now in Blinds made of those striped and coloured materials which seem to be at present so much in vogue. The name of their firm is becoming increasingly familiar in connection with the export trade; and on the occasion of our visit to their works, a few days ago, we noticed the finishing touches being put to some important contracts in Venetian Blinds for South Africa.

CAMERON BANK, NEWINGTON, EDINBURGH,

**H**AVE been employed as GARDEN ARCHITECTS in the various methods of designing and laying out KITCHEN and FLOWER GARDENS, PLANTATIONS, CARRIAGE DRIVES and other WALKS, and planting SHRUBS and TREES, over a period of Twenty-five years.

D. M. & CO. having acquired some experience, and having devoted considerable time during this long period to both Theory and Practice in the above vocations, are prepared to undertake the commands of any party requiring their service.

D. M. & CO. having found much difficulty in cases of planting to procure handsome Shrubs and Trees, resolved, in 1865, to grow those Plants, with the view of meeting the exigencies of their own trade specially, and have now succeeded in raising a small select Stock of Shrubs and Trees, thoroughly trained and frequently transplanted, which, for health, symmetry, and size, can be favourably compared with similar Plants in similar situations over Great Britain.

D. M. & CO. have great pleasure in recommending these Plants to all Parties about to Plant. Those who may be disposed to inspect the Stock will find representatives of nearly all the Hardy Evergreen Shrubs worth cultivating.

# Joseph Leckie, 50 Cockburn Street, Edinburgh.

## THE NEW YEAR—RETROSPECT AND PROSPECT.

'THE King is dead! long live the King!' So say we of the year.

Dead '81 leaves sadness—'82 shall bring good cheer.

The world is not yet ended, tho' 'the light of other days'

Is snuffed out by th' Electric Light, which dazzles human gaze.

The politician or the sage, Carlyle or Beaconsfield,

Would say our 'One-Act Session' was a poor and barren yield;

But 'o'er the hills and far a wa', a growl of indignation,

Tells that Scotland will no longer brook *one-sided legislation*.

The Government must face their task with a resolute unbending,

Man's Laws are oft times like *Old Boots*, and much in need of *mending*—

Or, better still, *renew them*. So let Gladstone *Strike the roots*,

And give us a *New Set of Rules to fit like Leckie's Boots*.

A year of dreadful crimes, with neither reason nor excuse—

The powers of evil on the earth have seemed to be let loose;

The murdered Czar lies in his grave—Columbia long shall mourn

Her gallant, gifted President, who never can return.

Poor, puny Man! the Elements have massed their terrors round him;

The scorching fire has burned him, and the surging billows drowned him:

His mother Earth has swallowed him; while over sea and shore,

Cyclone, tornado, hurricane have raged with deafening roar.

'Her main sel' won much honour at the Royal Grand Review;

Next time *she'll bring her waterproof*, and so will 'Sandy' too.

They say *her head is growing less*, but *what about her feet?*

She'll call and get them *measured now* at 50 Cockburn Street.

The New Leith Dock was *opened*, and the Boer war was *closed*.

And to assert their rightful claims our farmers are disposed.

Union is right (not *dyna-mite*), and peaceful agitation

Shall heal their wrongs and win their rights in face of all the nation.

So be it! Leckie wishes one and all 'A Good New Year,'

His *Oath* will not be needed, for his wishes are sincere;

So take Leckie's *Affirmation* that his Boots are Cheap and Neat,

At the Celebrated Warehouse, Number 50 COCKBURN STREET.

## EDINBURGH FOR BEAUTY—AN ACROSTIC.

**E**NTHRONED in Beauty by the sounding sea,

**D**ressed in many eyes are turned to thee.

**I**n vain we searched to Earth's remotest zone,

**N**or find the grandeur which is all thine own.

**B**y Nature favoured, and adorned by Art,

**U**nsalish pride flows in Mid-Lothian's Heart.

**R**eowned in Learning she may justly claim—

**G**row, then fair City! may thine honoured name

**H**igher and higher rise in world-wide fame.

**F**rom Beauty 'tis an *easy step* to Boots

**O**f Leckie's make, for none his claim disputes;

**R**e-vealing Beauty in the Shapes and Styles,

**B**ringing the Ladies back all wreathed in smiles.

**E**ach pair is treasured by the female heart

**A**s 'Perfect Beauties,' perfect works of Art,

**U**nequaled in 'Braid Scotland' at the price.

**T**hen when 'dour' Winter comes, with snow and ice,

**Y**our feet in Damp-Proof Boots, yet neat and nice.

**L**eckie shall *care* for, with his usual *care*,

**E**xerting all his skill on every pair,

**C**ritics in beauty, of the *Male* persuasion,

**K**now where to call whene'er they have occasion

**I**n boots to speculate, of well-tanned Leather,

**E**xpressly made to brave the wintry weather.

**F**or 'Life's gay morn' Leckie has ample store,

**O**utstripping all that e'er the 'bairns' wore.

**R**omp, frolic, youngsters! go your utmost length,

**B**oots bought at Leckie's Shop will *try your strength*.

**O**f Beauty thus and Boots we have declaimed,

**O**f Edinburgh beautiful and Leckie famed.

**T**ry *just one pair*—Cheap, Durable, and Neat—

**S**old by J. LECKIE, 50 COCKBURN STREET.

BAIN, YOUNG, & CO. most respectfully draw the attention of their Customers and others to their mode of Galvanized diamond Wire Trellising, for training Creeping or any other kind of Plants on front and side walls of Residences and Garden Walls, for Fruit Trees, etc., or on any site where the same may be required. The above Trellising has been extensively supplied and erected by them for many years, and has given entire satisfaction to Professors, and other authorities on Horticulture, who commend it as being the best in use for training Plants, Fruit Trees, etc. The material being light, yet strong enough for the purpose for which it is required, and the Trellising being kept out from the wall, and the heat of the sun being equally dispensed in the Trellising and Plants, produces a wonderful effect, greatly helping the growth and health of the Plants, which speedily cover the wall in a most pleasant manner. From their great experience in this class of work, B., Y., & Co. will be glad to take measurements; or if measurements be sent, prices will be given, thus enabling their Customers to know the entire cost previous to the work being done.

*Measurements taken of Spaces wanted to be Filled.*

**B**AIN, YOUNG, & CO. most respectfully call the attention of Landed Proprietors, Farmers, and others to their Improved Unclimbable Wrought-Iron Railing, made in lengths of 6 feet or thereby, as represented above, which has been extensively supplied and erected by them for various purposes. B., Y., and Co. beg to solicit their special attention to the improvements they have made in constructing the above Railing, viz., instead of flat iron, as is commonly used for the horizontal bottom bar or cope, they have introduced angle iron, into which the sharp pointed upright bars are securely rivetted, as marked A on drawing, thus making it more rigid, giving strength where it is required, enhancing its durability, and preventing the hurdle from drooping in the centre; also the top horizontal bar or cope is retained in its position by means of iron collars forged on to two of the upright bars in each hurdle.

B., Y., & Co. specially recommend this arrangement to parties requiring a thoroughly strong and efficient Unclimbable Railing, as it is admitted to be the most suitable for enclosing Gardens, Orchards, and exposed situations.

Prices from 4s. 6d. to 8s. 6d. per lineal yard, according to Height, Strength of Iron, etc. Definite Prices for this and other descriptions of Hurdles wanted, will be given on application.

B., Y., & Co. undertake the erection of all kinds of Fencing by experienced workmen, and will gladly quote for erection of same if required.

 HOPE PARK END HOUSE, EDINBURGH,

ASPHALTE FLOORING is highly recommended for Stables, Byres, Barns, Cattle Sheds, Granaries, Cottars' Houses, and all kinds of Farm Buildings, on account of its being the most effective preventive to the ascent and spread of Damp, its complete exclusion of Vermin, its neat and cleanly appearance, its durability and cheapness in comparison with other descriptions of flooring and pavement, and its healthy and disinfectant properties. While it effects a great saving, by the exclusion of rats and smaller vermin, owing to the close texture of the composition, without seam or joining, it keeps the Grain in a sweet state, from the entire absence of damp or moisture; and wherever the Asphalte Flooring has been used, it has fully realized all the benefits held out by its adoption.

# PATENT STEEL BATH.

**A**TTENTION is specially requested to this Bath, THE LATEST AND MOST IMPROVED ACQUISITION to the Sanitary requirements of the age. It has been designed as an improvement upon the objectionable feature of a Cast-Iron Bath, viz.:—liability to fracture; and in this is entirely successful. When a Warm Bath is required, it is more easily and quickly heated to the same temperature as the water, on account of the less body of metal, and for the same reason the transport costs less than that of a Cast Bath. It is made of the best Wrought Steel, with cope or bead at the edge, is coated in the inside with Metallic Enamel of very

best quality, (for which the surface of Wrought affords a much better ground than Cast Iron,) and will be seen at once to possess the qualities of **LIGHTNESS AND ELEGANCE**, combined with **STRENGTH AND SUBSTANTIALITY**. Size kept in stock is 5 feet 6 inches long by 2 feet 2 inches wide, by 1 foot 9 inches deep inside, with nearly **PARALLEL SIDES**; but other sizes can be supplied to order.

**PRICES:**—JAPANED, .. .. . £2 os. od.  
 ENAMELLED, WHITE, GREEN, OR SIENNA, 2nd Quality, £3 2s. 6d.; 1st Quality, £3 10s. 6d.

**Which will be found to compare favourably with those of any other Bath in the Market.**

**EXPORT.**—This Bath for export (being made to nest closely and of light weight) effects a great saving in freight, with practically no risk of breakage.

AS REGARDS

## Security, Profit, and Liberal Conditions, the Society's Policies are Documents of the Highest Value,

### I.—The Secure and Profitable character of the Business.

The Profit, or excess of Assets over Liabilities, for the Seven Years ending 31st December 1880, according to Valuation on the secure basis of the Actuaries'  $3\frac{1}{2}$  per cent. Experience Tables, amounted to no less than £1,347,755, which yielded the following

**Exceptionally large Reversionary Bonuses.**

### II.—The Liberality of the Conditions.

SURRENDER VALUES, or, in lieu thereof, 'PAID-UP POLICIES,' free of future Premiums, allowed at any time; LOANS granted within a small margin of the Surrender Value; EXTENSIVE FOREIGN TRAVEL AND RESIDENCE free of charge from the first; MOST POLICIES absolutely INDEFEASIBLE and WHOLE-WORLD after first five years.
