REGULATIONS.

1st. The regulations and table of fares enacted upon the 19th day of June 1811 years, are hereby repealed; and the before mentioned general rules, the following regulations, and annexed table of fares, made according to these general rules, are substituted in place thereof.

2d. That each coach or chariot, before plying for hire, shall be in-

spected by a magistrate; and, if approved of, will be licensed by him, when a number will be issued to the owner, who must affix the same, together with his name, in letters at least one inch in length, on each door of the coach or chariot, immediately below the window. That there shall not be the same number on two coaches or chariots; and that no coach or chariot wanting such number or name shall be allowed to ply.

3d. That no insufficient coach or chariot, or horses, shall be allowed to ply; and when any of the proper furniture of steps, springs, blinds, glasses, or check-strings for stopping the coachman, are broken or wanting, or the harness shall not be in good repair, it shall be lawful to detain from the hire 1s. or the whole hire, if it shall not amount to more. The coachman shall always keep the check-string in his left hand when driving, under a penalty not exceeding 5s.

4th. That there shall not be fewer than six coaches or chariots on the stance in Princes Street, every morning at nine o'clock, taking this duty by rotation, beginning at No. 1. and going on progressively, under a penalty of 10s. for every coach or chariot absent. All coachmen attending for a fare, at any stand, shall either sit on the coach-box or stand at the horses' heads, under the penalty of 2s. 6d. for each offence.

5th. That each coachman shall be cleanly in his person, and wear a ticket on the front of his coat, with a number corresponding to that on his coach or chariot, under a penalty of 5s. for each offence.

6th. That when a company shall take a coach between the hours of ten and twelve o'clock P.M. in that case, fare and a quarter shall be paid; between the hours of twelve and one o'clock, fare and a half shall be paid; and after one o'clock, double fare shall be paid, with the exception of the Theatre, where the usual charge only shall be paid.

Tron Church,—Princes Street, east end,—George Street, between Hanover and Frederick Streets;—Princes Street, west end, facing Hope Street;—or at such other places as the Magistrates from time to time may appoint; and that there shall not be fewer than four coaches at the stand facing Hope Street.

8th. That coachmen are not on any account to inquire where a company are going, previous to engaging, or to plead prior engagements, when their services are required; nor shall they be allowed to draw off the stance, under pretence of being engaged, so as to have their choice of work; but their coaches or chariots, being on or near the stance, shall be considered as proof of their being disengaged; and on their refusing to take a fare, they shall be liable in a penalty of 10s. unless they can adduce evidence, to the satisfaction of the Magistrates, that they were actually engaged.

9th. That when a coachman is required to wait, either upon setting down or taking up a party, he must on no account refuse, under the penalty of 5s. and the forfeiture of his hire; but he shall be entitled to charge for the first fifteen minutes sixpence, and a like sum for each successive fifteen minutes he may be detained.

10th. That if a coachman shall be sent from a stance to any house to take up a company, he shall immediately announce his arrival, and remain in waiting during the pleasure of the company; for which he

shall be entitled to charge the same allowance from his arrival as in the preceding regulation.

11th. That no fares higher than those in the annexed tables shall be demanded or taken : And if hired to any spot or place, not specified in the annexed table, (such as) from a change of the name, a new place, or beyond the limits, &c. in that case, no fare higher than those in the before-mentioned general rules shall be demanded or taken : The coachman having it in his option to take either for the length of ground or time, but not for both. And if any coachman shall be convicted of imposing on his employers, or abstracting the fares from his master, he shall be liable in a penalty of four times the amount of the fare, and imprisoned until payment.

12th. That every coachman, when on duty, shall have in his pocket a printed copy of these regulations, to be kept in a tin box, with the number of the coach or chariot painted on it ; and shall show the same to his employer, when required, under a penalty of 5s.

13th. That any coachman being convicted of drunkenness or abusive language, the Magistrates may revoke his licence, or impose a penalty of 10s. and order him to be imprisoned till the same is paid.

14th. That the coachman (master or servant) after setting down a company, shall drive to the nearest stance ; and if the number of coaches or chariots ordered to stand there is not complete, he shall remain for the service of the public.

15th. That any person wanting a coach or chariot, shall take one from the nearest stance to his residence ; but if none shall be there at the time, and one shall be procured from another stance, there shall be paid for every stance beyond the nearest, in addition to the fare, the sum of 6d. This to be only applicable to fares under 2s. 6d.

16th. That there shall be no additional charge made for taking up or setting down any part of a company, unless the coach or chariot shall be detained ten minutes, which time for attendance shall be allowed to each fare, and not exceeding.

17th. That parties returning by the same coach or chariot, from any place, whether in town or at a distance in the country, shall pay one half fare additional, as back hire.

18th. That the fares are exclusive of the King's duty and tolls, which are to be paid by the company.

19th. That the regulations respecting the fare to Leith will not be insisted on during the race week, for two hours before, and two hours after the horses have started for running.

20th. All parcels or articles of any kind to be immediately returned to the owner, if known ; if not, to be lodged in the Council Chamber.

21st. At least one-fourth of the coaches to attend at the stand east end of Princes Street, on Sunday, from ten o'clock morning, to ten o'clock at night.

22d. That these regulations may be enforced by the Magistrates in the Council Chamber, or Judge in the Police Court.
