P R E F A C E.

IN submitting the SIXTY-SECOND EDITION of the EDINBURGH AND LEITH POST OFFICE DIRECTORY, the Publishers have gratefully to acknowledge the large public patronage they have hitherto received. This year they have endeavoured, by the introduction of additional matter and the adoption of several new features, to render the volume still more worthy of public support. In addition to the usual County Directory, a General County Directory is now introduced, which will be found to facilitate reference in this department.

The Postal Directory now contains more complete information as to the despatch and arrival of foreign mails, and rates of postage.

In the List of Streets, pp. 25 to 31, the number of the Registration District in which each place is situated has been given; and in the Street Directory the number of the Municipal Ward has also been affixed.

The names of advertisers are printed in Capitals, with a reference to the page where the advertisement will be found.

The Map of the County accompanying this year's Directory is given by the kind permission of Messrs A. & C. Black; and the New Plan of Edinburgh and suburbs, prepared expressly

for this Work by Mr John Bartholomew, F.R.G.S., is revised down to date. The general appearance of the Volume will also be found to be considerably improved, it having been printed from entirely new type by Messrs Murray & Gibb, printers to Her Majesty's Stationery Office.

Further improvements are under consideration; meantime the Publishers return thanks to the gentlemen who have kindly supplied valuable suggestions and data for the present edition; and in the hope that what has been done will meet with public approval, they trust that the Volume will continue to receive the liberal support and patronage it has always enjoyed.

25th May 1867.

EXPLANATION.—In the Left-hand Table are the years of the Century, and above each is the Dominical Letter corresponding with that Year. Then, opposite to the Month, at the foot of the Right-hand Table, will be found a corresponding Letter, over which are placed the Days of the Month and Week for that Month (distinguishing the Sundays by a different type). Each Blank Space in the Left-hand Table shows the Year following to be Leap Year; and as every Leap Year has two Dominical Letters, the Letter above the *Blank Space* must be used for January and February in every Leap Year; and for the other months, use the Letters belonging to the respective Years. By transposing the Dominical Letters, this Calendar would answer for any Century.

GENERAL POST OFFICE, EDINBURGH.

Postmaster-General for the United Kingdom,
HIS GRACE THE DUKE OF MONTROSE.

Secretary for Scotland,
FRANCIS ABBOTT, Esq.

RATES OF POSTAGE, AND CONDITIONS OF TRANSMISSION.

INLAND LETTERS.

The rate of postage on all inland letters is regulated by weight, irrespective of distance; and is as follows:—

If Paid in Advance.

Letter weighing not more than half an ounce,	1d.
" " more than half an ounce, but not exceeding one ounce,	2d.
" " more than one ounce, but not exceeding one and a half,	3d.
" " more than one and a half ounces, but not exceeding two,	4d.
" " more than two ounces, but not exceeding two and a half,	5d.
" " more than two and a half ounces, but not exceeding three,	6d.

Unpaid Letters.

As a general rule, the postage, if not paid in advance, is double the foregoing; and if the payment in advance be insufficient, double the deficiency must be charged. An inland letter, for example, weighing more than half an ounce, and not exceeding one ounce, if bearing a penny stamp only, must, on delivery, be charged twopence. The unpaid *additional* postage on re-directed letters, however, is not doubled, being the same as if such postage were prepaid.

COLONIAL AND FOREIGN LETTERS.

The rates of postage on letters to foreign countries and the colonies are entered in the Table of Foreign and Colonial Postage.

ADDRESSES TO THE QUEEN, AND PETITIONS TO PARLIAMENT.

Petitions and addresses to her Majesty, forwarded direct, are exempt from postage; and such petitions and addresses, as also petitions to either House of Parliament, if sent to a member of either House, are likewise exempt, provided they do not weigh more than two pounds, and are without covers, or in covers open at the sides. No letter or other enclosure, however, must be inserted; and if one be found, such enclosure, unless it bear the proper number of postage stamps, is charged as an unpaid letter.

NEWSPAPERS AND OTHER PERIODICAL PUBLICATIONS BEARING THE NEWSPAPER STAMP.

All periodical publications, including newspapers published in the United Kingdom, at intervals not exceeding thirty-one days, and which bear an impressed stamp or stamps denoting the stamp duty (of the kind formerly confined chiefly to newspapers), may be transmitted and re-transmitted through the post within the United Kingdom free from postage under the following regulations, viz. :—

1. They are subject to the same restrictions with regard to the number of sheets and superficial extent as were formerly applicable only to newspapers properly so called. These restrictions are shown in the following Table:—

Amount of Stamps impressed on the Publication.	Maximum Number of Sheets.	Maximum superficial Extent of Letterpress on One Side.
One Penny	Two	2295 inches.
Three Halipence	Three	3443 "
Twopence	Four	4591 "

2. No publication, or portion thereof, can pass through the post, unless the impressed stamp which it bears be at least a stamp of the value of 1d.
3. The title and date of the publication must be printed at the top of every page.
4. The publication must be folded in such a manner, that the whole of the stamp or stamps, denoting the full duty, shall be exposed to view, and be distinctly visible on the outside, except that where there are more than two publications in the same cover, it will be considered sufficient if the stamps are so arranged that they can readily be examined.
5. It must not be printed on pasteboard, or cardboard, or on two or more thicknesses of paper pasted together; nor must any pasteboard, cardboard, or such pasted paper be sent with it, as a back or cover thereto, or otherwise.
6. It must be posted within fifteen days from the date of publication.
7. It must either have no cover, or a cover open at the ends.
8. It must contain no enclosure.
9. It must have no writing or other mark thereon, but the name and address of the person to whom it is sent, nor anything on the cover but such name and address, the printed title of the publication, and the printed name and address of the publisher or vendor who sends it. Thus, if a newspaper, after having the address of one person written on it, be sent to another person, the first address must be cut off, otherwise the paper will be charged as an unpaid letter.
10. If the publication be addressed to any person within the free delivery of the place where it is posted, it becomes liable to a postage of 1d., which must be prepaid by affixing a postage stamp. If this be not done, an additional postage of 2d. will be charged.
11. When a newspaper, etc., is so folded as not to expose the stamp or stamps, a postage of one penny is charged in addition to any other postage to which the publication, if properly folded, would have been liable; and if the newspaper, etc., be addressed to any person within the free delivery of the place where it is posted, and do not bear a penny postage label, it will be charged 2d. In case of any other irregularity, the publication is dealt with in accordance with the regulations of the book post.
12. It is suggested that every publication should have a notice to purchasers conspicuously printed, pointing out the necessity of exposing the stamp or stamps to view whenever the publication is sent through the post.
13. Stamped publications can also be forwarded under the regulations of the book post; but when so sent, the impressed stamp does not count as any part of the postage.

Newspapers sent abroad, whether to a British colony or to a foreign country, are liable to the 3d, 5th, 6th, 7th, 8th, and 9th of the foregoing regulations; moreover, the name of the newspaper must have been registered at the General Post Office. Every such newspaper is liable to the postage entered in the Table of Colonial and Foreign Postage (British Postal Guide); and this postage must be prepaid in stamps. As respects newspapers going abroad, the impressed stamp stands for nothing. Publications registered for transmission abroad, although not strictly newspapers, are nevertheless, so far as the British Office is concerned, treated as such.

NEWSPAPERS FOR RUSSIA.

1. Political newspapers, in covers open at the ends or sides, cannot be received unless addressed either to members of the Imperial Family, to the Imperial Ministers, or members of the Diplomatic Corps.
2. Non-political newspapers may be sent, in addition to the personages mentioned above, only to the higher schools, to the Imperial Public Library, the Academy of Sciences, and established booksellers.
3. Printed prices current, and printed circulars, may be sent to persons residing in Russia, but are chargeable with a foreign rate of postage in addition.

PARLIAMENTARY PROCEEDINGS.

Printed proceedings of the Imperial Parliament, sent without covers, or in covers open at the ends, may circulate within the United Kingdom at the rate of 1d. for every quarter of a pound, or fraction of a quarter of a pound.

The words PARLIAMENTARY PROCEEDINGS must be written or printed on the cover of the packet; otherwise it is treated as an ordinary book packet.

Prepayment, when the circulation is within the United Kingdom, is optional; and if it be made in part, the simple difference only is charged.

Parliamentary proceedings may be sent, under the book post privilege, to all the colonies, and to those foreign states between which and this country there is a book post.

INLAND BOOK POST.

The following are the regulations of the Inland Book Post:—

1. The postage is 1d. for every quarter of a pound or fraction of a quarter of a pound.
2. The postage must be prepaid by means of postage stamps affixed outside the packet or its cover. If the whole postage be not thus prepaid, the packet is treated in the manner described in section 9.
3. Every packet must be sent either without a cover, or in a cover open at the ends or sides, so as to admit of the enclosures being removed for examination. For the greater security of its contents, the packet may be tied at the ends with string; but in such case the Postmaster is authorized to cut the string, although, if he do so, he must again tie up the packet.
4. A book packet may contain any number of separate books or other publications (including printed or lithographed letters), photographs (when not on glass, or in cases containing glass), prints, or maps, and any quantity of paper, parchment, or vellum; and the books or other publications, prints, maps, etc., may be either printed, written, engraved, lithographed, or plain, or any mixture of these; but no printed matter or prints can go, except such as may be printed on paper, parchment, or vellum. Further, all legitimate binding, mounting, or covering of a book, etc., or of a portion thereof, is allowed, whether such binding, etc., be loose or attached; as also rollers in the case of prints or maps, markers (whether of paper or otherwise) in the case of books, and, in short, whatever is necessary for the safe transmission of such articles, or usually appertains thereto; but the binding, etc., must not be sent as a separate packet, nor can patterns or books of patterns (unless these consist merely of paper) be permitted.

5. No book packet may contain anything which is sealed or otherwise closed against inspection; nor must there be any letter, nor any communication of the nature of a letter, whether separate or otherwise, unless the whole of such letter or communication be printed. Entries, however, merely stating who sends the book, etc., or to whom it is given, are not regarded as a letter. Indeed, as respects the name and address of the sender, writing is not only permitted, but recommended; so that if the cover come off, or for any other reason the packet cannot be forwarded, it may be returned.
6. No book packet must exceed two feet in length, or one foot in width or depth; and if any such packet be presented at a Post Office, it cannot be received.
7. Any packet which is not open at the ends or sides, or has any letter or communication of the nature of a letter written in it, or upon its cover, is charged with the 'unpaid' letter postage.
8. If a packet be found to contain any letter not wholly printed, whether closed or open, or any enclosure sealed or otherwise closed against inspection, or any other unauthorized enclosure, the letter or enclosure is taken out and forwarded to the address on the packet, charged with the full postage as an unpaid letter, together with an additional rate; and the remainder of the packet, if duly prepaid with stamps, is then forwarded to its address.
9. If a packet be not sufficiently prepaid with stamps, but nevertheless bear a stamp of the value of one rate, it is forwarded, charged with the deficient book postage, together with an additional rate; but any packet which bears no postage stamp is charged with double the book postage.
10. In every case in which the postage chargeable under these regulations is greater than the letter rate, the latter postage is substituted.

It is the duty of postmasters, whenever they have ground for suspecting an infringement of any of the above conditions, and occasionally, even when there is no ground for suspicion, to open and examine book packets posted at or passing through their offices.

To prevent obstacles to the regular transmission of letters, a head postmaster may, when necessary, delay forwarding any book packet, not a newspaper, for a period not exceeding twenty-four hours beyond the ordinary time; and at packet offices the delay may, at the option of the postmaster, be either for that period, or until the despatch of the mail next after that by which the book packet ought otherwise to be forwarded.

The main business of the Post Office being the transmission of letters, the forwarding of books and newspapers (which no one is compelled to send through the Post Office), though an important, is only a secondary object, for which no arrangement can be made which would interfere with the quick and regular conveyance and delivery of letters. Books, therefore, which would be injured by being thrust into a bag, and hurriedly pressed down like a bundle of letters, should not be sent through the post.

COLONIAL AND FOREIGN BOOK POST.

Except that the rates of postage are higher, books can be sent to all British colonies, and to the foreign countries named in the list at page 534, on the same conditions as those of the Inland Book Post; and

on those conditions books can also be sent to the countries enumerated at page 535, subject to the modifications there mentioned.

INLAND PATTERN AND SAMPLE POST.

The following are the rules of the Inland Pattern and Sample Post:—

1. The postage is 2d. for every quarter of a pound, or fraction of a quarter of a pound.
2. No packet of patterns or samples must exceed 24 oz. in weight. Any packet above that weight is sent to the Returned Letter Branch.
3. The postage must be prepaid by means of postage stamps.
4. There must be no writing or printing on the packet or its cover in addition to the address of the person for whom the packet is intended, except the address of the sender, a trade mark and numbers, and the prices of the articles: otherwise the packet is treated as a letter.
5. There must be no enclosure other than the samples themselves. The particulars, which are allowed to be furnished under the preceding rule, must in all cases be given, not on loose pieces of paper, but on small labels attached to the samples or the bags containing them. Any loose enclosure is taken out, and forwarded to the address on the packet, charged with the full postage as an unpaid letter, together with an additional rate of 1d.
6. The patterns or samples must be sent in covers open at the ends, so as to be easy of examination. Samples, however, of seeds, etc., may be enclosed in boxes, or in bags of linen, or other material, fastened in such a manner that they may be readily opened; or in bags entirely closed, provided that they are transparent, so that the officers of the department may be able to satisfy themselves as to the nature of the contents. If this rule be infringed, the packet is treated as a letter.
7. If a packet of patterns or samples be posted altogether unpaid, it is charged with double the postage which should have been prepaid. If a portion of the postage be prepaid, even although only a 1d. stamp be affixed, the packet is charged with the amount of the deficiency, together with an additional rate of 2d.
8. In order to prevent any interruption to the regular transmission of letters, a packet of patterns or samples may, when it is necessary, be kept back by any head postmaster for twenty-four hours beyond the time when, in the ordinary course, it would be forwarded.
9. The rule, which forbids the transmission through the post of any article which might injure the contents of the mail bags or the officers of the Post Office, is so far relaxed as to permit the transmission of scissors, knives, razors, forks, steel pens, nails, keys, watch machinery, metal tubing, pieces of metal or ore, and such like, as samples, provided that they be packed and guarded in so secure a manner as to afford complete protection to the contents of the mail bags and the officers of the Post Office, while at the same time the samples may be easily examined. If any packet containing such articles as these be posted, which is found not to be sufficiently guarded, it is stopped, and a notice of its detention is sent to the person to whom it is addressed, or to the sender, who may then

obtain it upon personal application; but the packet is charged with a fine equal in amount to the postage to which it was liable as a packet of patterns.

10. In every case in which the postage chargeable under these regulations is greater than the letter rate, the latter postage is substituted.

COLONIAL AND FOREIGN PATTERN AND SAMPLE POST.

Patterns and samples can be sent at the rates inserted in the Table of Colonial and Foreign Postage to such colonies and foreign countries as are marked in that Table with the letter 'P.' The conditions in these cases are for the most part the same as in the case of the Inland Pattern and Sample Post, the following being the only important exceptions:—

1. A packet of patterns or samples sent to Portugal, Madeira, the Azores, Cape de Verds, France, or to Turkey, Syria, or Egypt, by French packet, must not exceed 18 inches in length, width, or depth; a packet to any other place abroad must not exceed 24 inches in length, or 12 inches in breadth or depth.
2. A packet of patterns or samples sent to Germany, Russia, or Belgium, or to any place *via* Austria, must not exceed 8 oz. in weight; and the weight of a packet for Portugal, Madeira, the Azores, or Cape de Verds, is limited to 1 lb.
3. None of the articles named in rule 9, above, may be sent as patterns or samples to any place abroad, except Germany, Belgium, Denmark, Sweden, Norway, Portugal, Madeira, the Azores, Cape de Verds, and the British Colonies, and not to these places when addressed '*via* France.'
4. Bags entirely closed, even though they be transparent, must not be used for the transmission of seeds to foreign countries; and samples of intrinsic value must not be sent to foreign countries.

REGISTRATION OF LETTERS.

By the prepayment of a fee of 4d., any letter, newspaper, book, or other packet on which the postage has been prepaid in stamps, may be registered to any place in the United Kingdom, the British Colonies, Italy, or the German States; late fee, 4d. extra. To other foreign countries, only letters and packets prepaid at the letter rates can be registered; and to some countries, as shown in the Table of Colonial and Foreign Postage, there is no arrangement whatever for registration.

The registration of a packet makes its transmission much more secure; and the loss of a registered packet is a very rare occurrence. Nevertheless, by Act of Parliament, the Post Office is not responsible for the safe delivery of registered packets, though any officer who may neglect his duty on this point will be called to strict account. Sent in *unregistered* letters, valuable articles are exposed to risk; and the department cannot in any way undertake the safe conveyance of such packets. All inland letters, therefore, which unquestionably contain coin, even though they be posted without registration, are treated as registered, and charged on delivery with a double registration fee of 8d. in addition to the ordinary postage; and any such letters which cannot be registered in time to be forwarded by the mail for which they are posted, are detained for the next despatch. As yet, however, this rule applies only to *inland* letters.

Every letter to be registered should be presented at the window, and a receipt obtained for it, and should on no account be dropped into the letter-box. If, contrary to this rule, a letter marked 'Registered' be dropped into the letter-box, it will, *if directed to any place in the United Kingdom*, be liable to a registration fee of 8d., instead of the ordinary fee of 4d. A registered letter, if posted as an ordinary letter, with the word '*Registered*' un erased or erased in pencil only, will also be liable to a registration fee of 8d.

Registered letters must be prepaid as regards both postage and registration fee; and if the letter be inland, such prepayment must be by stamps.

No letter carrier, rural messenger, or other servant of the Post Office, is allowed to carry a letter for any person to be registered.

Parliamentary notices may be forwarded through the post under the following regulations:—

1. The words 'Parliamentary Notice' must be legibly printed on the face of the letter; and in order to secure the speedy return of any notices which may be undelivered, the name and address of the solicitor issuing such parliamentary notice should also be legibly printed or written on the face of the letter; though this is not imperative.
2. These notices must be posted at the General Post Office in Edinburgh.
3. All notices which by the standing orders of either House of Parliament are required to be served on or before the 15th December, must be posted not later than the 12th December, unless the 12th fall on a Sunday, when they must be posted not later than the 11th; but those notices which, by the same orders, may be served after the 15th, may be posted after the 12th of that month.
4. The postage chargeable on these notices, and the registration fee of 6d. on each, must be prepaid by stamps.
5. The notices must be posted at the Post Office window, accompanied with duplicate lists of the addresses; the notices being arranged, for the convenience of comparison, in the order of the list. These lists will be examined by the officer in attendance at the window; and if they correspond with the addresses, he will sign and stamp every sheet of each list. One of the duplicate lists will then be returned to the person who brought the letters, and the other forwarded to the Secretary, General Post Office, London.

The hours for receiving such notices are the same as those for the registry of ordinary letters, unless they be presented at such a time as to interfere with the other duties of the office; in which case the postmaster may appoint any other time within the next twenty-four hours for receiving the same, provided that, when the notices are to be served on or before the 15th December, such arrangement do not delay the posting beyond the 12th. Re-directed parliamentary notices are, like letters, liable to an additional rate of postage.

The senders of parliamentary notices should, if possible, arrange on the previous day, with the postmaster, as to the most convenient time for posting them, and state the probable number.

LETTERS 'TO BE CALLED FOR.'

The Poste Restante being intended solely for the accommodation of strangers and travellers who have no permanent abode in Edinburgh, letters for residents in Edinburgh must not be addressed 'Post Office till called for.' Letters addressed to

'Initials,' 'Numbers,' or 'Fictitious Names,' cannot be received at the Poste Restante; if so addressed, they are returned to the writers.

No information can be given respecting letters which pass through a Post Office except to the persons to whom they are addressed; and in no other way is official information of a private character allowed to be made public.

PRIVATE BOXES AND BAGS.

Any person can have a private box who is willing to pay the appointed fee. This fee is fixed at one guinea per annum, to be paid in advance, and for a period ending 31st December. The same also, in most cases, are the terms for a private bag, except that in addition there is the cost of the bag itself, and a charge for conveyance, the maximum of the latter being half a guinea per annum if by a foot-messenger, and two guineas if by a mounted one. As the service of a private bag, however, may possibly delay the despatch of a general bag, none must be allowed without the permission of the Surveyor.

POSTAGE STAMPS AND ENVELOPES.

Postage labels are of the respective values of 1d., 2d., 3d., 4d., 6d., 9d., and 1s. The embossed envelopes are of four sizes, and are sold thus—one for 1½d., two for 2½d., four for 4½d., six for 6½d., eight for 9d., and 1s. 1½d. per dozen. Postage stamps are purchased from the public at the Paid Letter Office, and Branch Office, Leith, at a charge of ½d. on the value of 1s. 8d. and under, and 1d. on 8s. 4d. value, and so on, being at the rate of 2½ per cent.

Every rural messenger is authorized to sell postage stamps (including stamped envelopes) at the same prices at which postmasters are empowered to sell them; and is required, when he begins his round, to have in his possession ready for sale at least five shillings worth of penny labels.

MONEY ORDERS.

The public are recommended, when applying for Money Orders, to use printed 'Application Forms,' which save time, and afford greater security than verbal messages against mistakes. These forms are supplied gratuitously at all Money Order Offices.

The commission on Inland Money Orders is:—

On sums not exceeding £2,	. . .	3d.
Above £2, and	...	5, . . . 6d.
... 5,	...	7, . . . 9d.
... 7,	...	10, . . . 1s.

No single money order can be issued for more than £10;* neither can an order contain a fractional part of a penny.

With the subjoined exceptions, no Money Order can be issued, unless the applicant furnish, in full, the surname, and at least the initial of one Christian name, both of the remitter and the payee, together with the remitter's address:—

1. If the remitter or payee be a peer or a bishop, his ordinary title is sufficient; and the usual designation of a firm is sufficient, except in the case of a company trading under a title which does not consist of the names of the

persons composing it, as the 'Carron Company.'

2. When the remitter notifies that the order is to be paid through a bank, it is left to his option to give or withhold the name of the payee.

When application is made for a Money Order payable in London, or at any other town where there is more than one Money Order Office, the remitter should say at which of such offices he wishes it to be paid: otherwise the order can be cashed at the Head Office alone. It is not incumbent on a postmaster to supply such information relative to local or provincial offices.

An order once issued cannot be cancelled; and should repayment or transfer to a different office, or alteration of name, be required, the remitter must apply according to the directions printed on the back of the order.

In order to enable the remitter to obtain an acknowledgment of the receipt of a Money Order before the money is paid, it is arranged that he may make his order payable ten days after date, provided that, in the presence of the postmaster, when he obtains the order, he affixes thereto, in the space after the request C., a penny receipt stamp, and write his signature across the stamp.

When an order is presented for payment (otherwise than through a bank), the postmaster has first to see that the signature of the payee be as full as the name given in the advice, and be not in any way inconsistent therewith. He has then to call on the applicant to give the name of the remitter; and if the reply be correct, the order will be paid, unless the postmaster have good reason for believing that the applicant is neither the rightful claimant, nor deputed by him. When an order is paid through a bank, it is sufficient that it be received (without regard to any discrepancy between the signature and the name in the advice, or to whether the receipt is given by the payee himself, or by another person), and that it be presented (crossed with the name of the receiving bank) by some person known to be in the employment of the bank.

The holder of a Money Order is always at liberty to direct, by crossing it, that the order be paid through a bank, even though its payment was not originally so restricted; and when the order is thus crossed, the question put on the presentation of an ordinary Money Order is dispensed with.

Money Orders do not require a receipt stamp.

Payment of an order, issued and payable in the United Kingdom, must be obtained before the end of the second calendar month after that in which it was issued (for instance, if issued in January, it must be paid before the end of March); otherwise the order becomes lapsed, and a new order is necessary, for which a second commission is charged. The period for payment of orders issued in the United Kingdom, and payable in any colony authorized to transact Money Order business, including Gibraltar and Malta, is six months; and orders granted at those places on the United Kingdom are also payable during six months after that in which they were issued. A person presenting a lapsed order is furnished with a copy of a printed notice, headed 'Lapsed Money Orders,' containing directions how to proceed. If the order be not paid before the end of the twelfth calendar month after that in which it was issued (for instance, if issued in January, and not paid before the end of next January), all claim to the money is lost.

No application can be entertained for compensation for alleged injury from the non-payment of a Money Order at the expected time.

* The only exception to this rule in Scotland is when the order is issued in payment of Government taxes, and in favour of the Receiver-General of Inland Revenue. In such a case, the order is not limited as to amount.

After once paying a Money Order, by whomsoever presented, the office is not liable to any further claim.

To guard against any person, even if he obtain possession of a Money Order, fraudulently getting it cashed, the remitter is recommended—

1. When he is well known to the payee, to sign the letter enclosing the order with his initials only.
2. When this is not the case, either to make the order payable ten days after date, or to register the letter enclosing it, or to make the order payable through a bank.
3. When it is not considered expedient to adopt either of these courses, to send the remitter's name (without a knowledge of which payment cannot be obtained) in a separate letter from that containing the Money Order; although this latter precaution is much less effective than either of the others.

Payment of an order cannot be demanded on the same day as that on which the order was issued.

In case of the miscarriage or loss of an inland Money Order, a duplicate is granted on a written application (with the necessary particulars, and enclosing the amount of a second commission, in postage stamps) to the Controller of the Money Order Office of England, Scotland, or Ireland, as the case may be, where the original order was issued; and if it be desired to stop payment of an inland order, a similar application, with a like enclosure of postage stamps, must be made to the Controller of the Money Order Office of that part of the kingdom in which the order is payable. If alteration in the name of the payee or remitter of an inland Money Order should be required, application must be made by the remitter to the postmaster of the office at which the order was issued, and a second commission must be paid. Should transfer of payment of an inland order from one office to another in the United Kingdom, or repayment of the amount of an order, be required, an application enclosing the order must be made to the postmaster at whose office the order is payable, who will transmit in exchange a new order payable at the place desired, but for a less sum than the original order by the amount of the second commission charged for the re-issue. Proper printed forms for making applications in all these cases may be obtained at any Money Order Office, and full instructions on the subject will be found printed at the back of the Money Order. Whenever, on complaint being made, it is found that the necessity for an application, entailing the payment of a fresh commission, is attributable to the Post Office, the charge will be remitted to the applicant, and imposed on the officer in fault.

A postmaster is required to give information how to apply for a duplicate order, etc., and must furnish the prescribed form of application. If payment of an order be refused, in consequence of the replies to the questions respecting the remitter not corresponding with the entries in the advice, or of a difference in the name in the receipt, the applicant for payment should communicate with the remitter, and request him to apply personally to the issuing postmaster.

No letter-carrier, rural messenger, or other servant of the Post Office, is bound to procure a Money Order for any person, or to obtain payment for one; but such services are not forbidden.

Money Orders are issued at all Money Order Offices in the United Kingdom of Great Britain and Ireland (see List, p. 546): on Money Order Offices in ALEXANDRIA, BAHIA, BUENOS AYRES, CONSTANTINOPLE, GIBRALTAR,

MALTA, MONTE VIDEO, PERNAMBUCO, and RIO JANEIRO, at a charge equal to threefold the commission on Inland Money Orders; and on Money Order Offices in the List on p. 554, at a charge equal to fourfold such commission.

The renewal of a lapsed order, the issue of a duplicate order, or the stoppage of payment of an order issued by a colony on the United Kingdom, will be made on application to the Controller of the Metropolitan Office of that portion of the United Kingdom in which such *Colonial Order is payable*, provided an additional British inland rate of commission be enclosed with the application; except in the case of lapsed orders, when the additional commission will be deducted from the amount of the new order issued by the department; but the lapsed order must be transmitted with the application for its renewal. Postmasters in the United Kingdom have power to transfer to other offices in the United Kingdom payment of colonial orders originally drawn on their own offices.

For repayment of the amount of a Money Order, or for the correction of any error respecting the name of the payee or remitter of an order issued by a colony on the United Kingdom, the application on the subject, enclosing an additional colonial inland rate of commission, must be addressed to the Controller of the Metropolitan Office of the colony in which such *order was issued*.

PRINCIPAL RULES OF THE GOVERNMENT INSURANCE AND ANNUITY OFFICE.

1. The Postmaster-General is empowered, under the Act 27 & 28 Vict. c. 43, to insure the lives of persons of either sex, between the ages of 16 and 60, for not less than £20 or more than £100. He is also empowered under the same Act to grant Immediate or Deferred Annuities of not more than £50 on the lives of persons of either sex, and of the age of 10 years and upwards. The persons whose lives are insured, or to whom Annuities are granted, by the Postmaster-General, have direct Government security for the payment of the money at the proper time.

2. Tables of the premiums to be charged for the Insurance of Lives; for the grant of Immediate Annuities; for the grant of Deferred Annuities or Deferred Monthly Allowances, without return of purchase money, and for the grant of Deferred Annuities or Deferred Monthly Allowances, with return of purchase money, may be seen at the General Post Office.

If, after having duly made his payments for a period of five years, the insured person shall be unable to continue, or shall desire to discontinue, such payments, a portion of the premiums paid by him, which portion will in no case be less than one-third of the whole sum paid by him, will be returned to him.

Thus, a man aged 30 may purchase a Deferred Annuity of £10, to commence on his reaching the age of 60, and to be payable half-yearly, either by an immediate payment of	£24 3 4
or,	
By an annual payment, until he reaches the age of 60, of	1 8 4
A woman of like age may purchase a like Annuity by an immediate payment of	32 8 4
or,	
An annual payment, up to 60, of	1 17 6

and a man aged 30 may purchase a Deferred Allowance of £2, 7s. 3d. per month, to commence when he reaches the age of 60, by a payment until he reaches that age of 8s. per month; and a woman of like age may, by a like payment of 8s. per month, purchase a Deferred Allowance of £1, 16s. 7d., to commence when she reaches the age of 60.

The Annuity or Monthly Allowance granted on any one life must not exceed £50 per annum, or £4, 3s. 4d. per month; but purchasers need not purchase the whole amount of such Annuity or Allowance at one time. They may begin by purchasing such part as they can afford to purchase, and go on increasing their purchases from time to time as their circumstances will permit.

Husband and Wife may each be insured to the full amount of £100, and may each purchase an Annuity of £50, or a Monthly Allowance of £4, 3s. 4d. Any two persons may purchase an Annuity on their joint lives, with or without continuance of the Annuity to the survivor.

Persons contracting for the insurance of their lives, or for the purchase of Annuities or Monthly Allowances, will be allowed to pay their periodical premiums or instalments of purchase money at such of the Post Offices which have been or may hereafter be opened for the purpose, as will suit them best.

Persons proposing to effect insurances on their lives, or to purchase Deferred Monthly Allowances, must provide at their own cost such certificates of birth or baptism, or other evidence of age, as shall be required from them, but will not be required to pay any fee for medical examination, or to pay the cost of any inquiry which the Postmaster-General may think fit to make with regard to their health, habits, age, and occupation, or to pay any fee for the issue of any contracts which may be made in accordance with their proposals; or to pay any postage for the transmission of their proposals, or for the transmission of any correspondence arising out of such proposals between them and the Postmaster-General, inasmuch as a provision for all such costs and charges is included in the premiums which they will be required to pay, in accordance with the Tables framed for the purpose, for the insurance of their lives or the purchase of Deferred Monthly Allowances.

Persons proposing to purchase Immediate or Deferred Annuities, payable half-yearly, must provide at their own cost such certificates of birth or baptism, or other evidence of age as shall be required of them; and, inasmuch as the premiums fixed by the Tables framed for the grant of such Annuities do not include any provision for costs and charges, must pay, at the time of purchase, a fee of 1s. for every £1 of Annuity purchased.

PRINCIPAL RULES OF THE POST OFFICE SAVINGS BANK.

A. Post Office Savings Banks are established at Money Order Offices in the United Kingdom, and are open for the receipt and payment of money daily during the hours appointed for Money Order business.

At these banks deposits of one shilling, or any number of shillings, will be received; but no one may deposit more than £30 in one year, or more than £150 in the whole, exclusive of interest.

Interest at the rate of £2, 10s. per cent. per annum (which is at the rate of sixpence in the pound for each year, or at the rate of one-halfpenny on each complete pound for each month, reckoning from the first day of the calendar month next following the day on which a complete pound has been deposited, up to the last day of the calendar month preceding the day on which the money is withdrawn) is allowed until the sum due to a depositor amounts to £200, when interest ceases to be allowed. The interest due to each depositor is added to the principal due to him on the 31st December in each year.

B. Every deposit in a Post Office Savings Bank must be immediately entered by the postmaster, or other person receiving it, in a book, which book is to be kept by the depositor; and the postmaster or other person receiving the deposit should affix his signature and the stamp of his office to each entry. Depositors should carefully examine their books before leaving the offices at which they make their deposits, and ascertain that they have obtained correct receipts for the sums deposited by them.

In addition to the receipts which the depositors will thus obtain in their deposit books, they will receive for each deposit an acknowledgment by post from the Savings Bank Department in London. This acknowledgment should reach the depositor within three days from the day on which he makes his deposit, if the deposit be made in England or Wales. If the deposit be made in Ireland or Scotland, the acknowledgment should reach the depositor within five days. The acknowledgment should be quite free from erasure, and should state the exact amount of the deposit, and the day on which the deposit was made. If the acknowledgment does not reach the depositor in proper time, or if, when it reaches him, it shows any signs of erasure, or does not agree with the entry in the depositor's book, the depositor should immediately apply to the Postmaster-General by letter, and should renew his application again and again until he obtains a satisfactory reply.

C. Once in each year, on the anniversary of the day on which the first deposit was made by him, the depositor should forward his deposit book to the Controller of the Post Office Savings Bank Department in London, in order that it may be compared with the books of that department, and in order that the interest due to the previous 31st December may be inserted in it.

D. When a depositor wishes to withdraw the whole or any part of the sum due to him, he must make application for the same to the Postmaster-General on a printed form called a Notice of Withdrawal, which he can obtain at any Post Office Savings Bank. When he has properly filled up this form, he must fold it and secure it, and forward it by post as if it were an ordinary letter. In return for it he will receive, probably by return of post, a warrant for the amount required by him, payable at the Post Office Bank named by him in the Notice of Withdrawal.

E. A depositor in any Post Office Savings Bank

may add to his deposits at that or any other Post Office Savings Bank, and may withdraw the whole or any part of them from that or any other Post Office Savings Bank, without change of deposit book. For instance, if he makes his first deposit at the Post Office Bank at Huddersfield, he may make further deposits at, or withdraw his money from, the Post Office Bank at Huddersfield, or Leeds, Manchester, Birmingham, Edinburgh, Dublin, or any other place which may be convenient to him.

F. No charge will be made to depositors for the books first supplied to them, or for the renewal of those books; but if any depositor shall lose his book, and shall desire a new book, he must make application to the Postmaster-General for the same, and must enclose in his application postage stamps to the value of 1s. to pay for the new book. If a depositor loses his book, he should immediately give notice of the loss to the Postmaster-General.

G. No charge for postage will be made on the depositor for any letter passing between him and the Savings Bank Department with regard to his deposits, or with regard to the withdrawal of the same, or for the transmission of his deposit book between him and the Savings Bank Department.

H. The postmasters and other officers of the Postmaster-General employed in the receipt or payment of deposits, are strictly forbidden to disclose the name of any depositor, or the amount of his deposits, except to the Postmaster-General, or to such of his officers as are appointed to assist in carrying on the business of the Post Office Banks.

I. A full statement of the regulations of the Post Office Banks may be seen in the 'British Postal Guide,' and at any Post Office Bank; where also information may be obtained with regard to the rules affecting—

- (A.) The deposits made by trustees on behalf of another person.
- (B.) The deposits of minors.
- (C.) The deposits of married women.
- (D.) The deposits of friendly or charitable or provident societies or penny banks.
- (E.) The repayment of the deposits of deceased depositors to their representatives.
- (F.) The repayment of the deposits of depositors who have become insane, or who are, from other causes, unable to act for themselves.

FOREIGN.

OPTIONAL OR COMPULSORY PREPAYMENT.

When a letter, addressed to go by a route that requires prepayment, is posted unpaid, and there is some other route where prepayment is not required, it is forwarded by that route; but if there be none, it is sent to the Returned Letter Office, to go back to the writer.

DISTANCE TO WHICH THE POSTAGE CARRIES THE LETTER.

The letter a prefixed to any division shows that the postage there entered does not carry the letter from the place where it is posted in the United Kingdom entirely free to its place of destination, but that it is liable to an *additional* charge upon delivery.

LETTERS FOR NON-COMMISSIONED OFFICERS, SOLDIERS, AND SEAMEN IN HER MAJESTY'S SERVICE.

Subject to the subjoined regulations, non-commissioned officers, band-masters, army schoolmasters not being superintending schoolmasters or schoolmasters of the 1st class, private soldiers, or seamen belonging to her Majesty's ships, whether serving on sea or land, and whether in a British possession or foreign country, as also enrolled pensioners in Canada, can send and receive letters by packet or man-of-war, for a postage of 1d.; but if any such letters have to pass through a foreign country, they are subject, in addition, to the foreign postage, whatever that may be. Thus, the postage to the under-mentioned countries (including the British charge of one penny) is as follows:

1. The person claiming the privilege must at the time be actually employed in the service of her Majesty, and must not be either a commissioned officer, or warrant officer, viz. assistant engineer, gunner, boatswain, or carpenter, the privilege not extending to these officers.
2. If the letter be posted within the United Kingdom, the penny must be prepaid, as must any foreign postage that may be chargeable; and if sent by a private ship, the gratuity of one penny to the captain must also be prepaid. If posted abroad, prepayment is not compulsory; but if the letter be sent unpaid, it is on delivery charged twopence, together with any foreign postage or gratuity to a sea captain that may be due.
3. The letter must not weigh more than half an ounce.
4. It must relate entirely to the private concerns of the soldier or seaman.
5. The name of the soldier or seaman, with his class or description, must appear in the direction, and the officer having the command must sign his name, and specify the ship, or regiment, corps, or detachment to which the soldier or seaman belongs; the name of the ship or regiment being entered in full. The foregoing particulars must be given in one of the following forms:

If the letter be posted in the United Kingdom for a place abroad, unpaid or insufficiently paid, it will (if not exceeding half an ounce in weight) be detained and returned to the writer for payment of the postage; but if it exceed half an ounce, or if any other of the foregoing regulations be not complied

with, it will be forwarded charged the same postage as a letter addressed to a commissioned officer.

OFFICERS' LETTERS.

Letters addressed to or sent by a commissioned officer (in the Navy or the Royal Marines), or a warrant officer, when employed on board any of her Majesty's ships, or when temporarily removed from such ships for land service on a colonial or foreign station, are subject to a uniform British rate of 6d. per half-ounce each; but if any such letters have to pass through a *foreign country*, they are subject to a *foreign postage*, in addition to the British rate of 6d. Thus the postage to the under-mentioned countries (including the British charge of 6d.) is as follows:

For heavier letters, see below.

Unpaid letters sent to or by an officer on board a ship on a colonial station are charged 6d. each on delivery, in addition to the foregoing rates.

Letters for officers and seamen on board her Majesty's ships stationed at a foreign port should not be addressed to the care of the British Consul at that port, or to any agent on shore, as the privilege enjoyed by officers and seamen, of receiving their letters through the post at reduced rates of postage, is confined to such letters as are addressed directly to them. All letters directed to the care of any other person are liable to the ordinary rate of postage; and in those cases where prepayment is necessary, they will be detained if such ordinary rate be not prepaid.

LETTERS WEIGHING MORE THAN ONE OUNCE.

The postage of a letter above the weight of an ounce increases as follows:

When the amount in column E of the Table of Colonial and Foreign Postage is found to be *three times* as much as in column A, as in the case of the Cape of Good Hope, the amount in column A is to be reckoned per *half-ounce*.

When the amount in column E is found to be *four times* as much as in column A, as in the case of India, the amount in column C, after the first ounce, is to be reckoned per *ounce*.

When the amount in column E is found to be *five times* as much as in column A, as in the case of France, the amount in column A is to be reckoned throughout per *quarter of an ounce*.

In all other cases, sixpence of the sum found in column A is to be reckoned throughout per quarter of an ounce, and the remainder, in addition, for every half-ounce.

ROUTES.

Except in the under-mentioned cases, letters not specially directed by a particular route are forwarded by the route immediately following the name of the place in the Table of Colonial and Foreign Postage:

Exceptions.—I. Letters for Aden, Alexandria, Borneo, Cairo, Cape of Good Hope, Ceylon, China, India, Japan, Java, Labuan, Madagascar, Malta, Mauritius, Natal, New Zealand, Penang, Philippine Islands, Reunion, Singapore, and Suez, are sent by the first mail despatched, if the prepayment does not indicate that they are to be sent by another route.

II. Letters for Canada are sent by the first British or Canadian mail packet despatched.

III. Letters for the Argentine Confederation, Brazil, Buenos Ayres, Cape de Verdes, Cuba, Guadaloupe, Martinique, Mexico, and Monte Video, are, provided the prepayment be sufficient, sent in the mail *via France*, if that be the first mail despatched after the time of posting.

IV. Letters for Austria, Baden, Bavaria, and Wurttemberg, if insufficiently paid for transmission *viâ* France, but sufficiently paid to be sent *viâ* Belgium, are forwarded by the latter route.

UNITED STATES AND HOLLAND.

Periodicals not of daily publication, issued in the shape of pamphlets, may be sent to the United States, California, and Oregon, by packet, and to Holland, *viâ* Belgium, and by private ship, at the following rates:—Not exceeding 2 oz., 1d.; above 2 oz., but not exceeding 3 oz., 6d.; above 3 oz., but not exceeding 4 oz., 8d.; with an addition of 2d. for every additional ounce up to 16 ounces, above which weight the privilege does not extend. At the same rate of postage, any pamphlet not weighing more than 8 oz. (even though it be not a periodical publication) may be sent to the United States, California, and Oregon, as may also parliamentary proceedings to Holland, and (in the latter case) without limit of weight. This postage is only the British portion, a further sum being charged on delivery. The periodical works or pamphlets must always be sent in a cover open at the ends (not more than one being sent in a single cover), and the postage must be prepaid. Other printed papers or books (except those specified above), addressed to the places above named, are liable to letter rate of postage. There must be no writing or other marks upon such periodical works, pamphlets, etc., or upon the covers, except the names and addresses of the persons to whom they are sent; nor upon the covers must there be any printing except the names and addresses of the persons to whom they are sent, and the names and addresses of the senders. Any other writing, etc., will render the packets liable to letter rates of postage.

PRUSSIA AND THE GERMAN POSTAL UNION GENERALLY.

According to the regulations of the German Postal Union, no letter exceeding 50 grammes (a little more than 1½ oz.) in weight, and containing any other enclosure than paper, can be allowed to circulate by the post. Any letters, therefore, forwarded in the mail to Prussia above that weight, and containing any other enclosure than paper, will be liable, on their arrival at the Prussian frontier, to be stopped, and sent to the Custom House for delivery as *freight*.

TRANSMISSION OF JEWELLERY, ETC., TO SPAIN, TURKEY, AND COSTA RICA.

The laws of Spain forbid the transmission by the post within that country of letters or other packets containing watches, jewellery, or other articles of value, which are liable to Customs duties. Any such packets, therefore, which may be forwarded in the mails to Spain will not be delivered, but will be sent back from the frontier. A similar prohibition, on pain of forfeiture, is placed upon the transmission of diamonds and other jewels to the Turkish Empire, and of money and jewellery to the Republic of Costa Rica.

REGISTRATION OF LETTERS, ETC.

The fee chargeable for registering a letter, in addition to the ordinary postage, *both of which must be prepaid, or the letter cannot be registered*, will be found against each country or place in the Table of Colonial and Foreign Postage.

Where the prefix '*in*' is made use of in the column of fees in the Table of Colonial and Foreign

Postage, the letter can be registered only to the port of arrival; it being left in those cases to the postal authorities of the colony or foreign country to continue the registration if they think proper. Where the word '*none*' appears, no registration can be effected.

France and Countries through France.—The registration fee upon letters addressed to France or countries through France (*exclusive of those sent in the closed mails to India, Hong Kong, Ceylon, Mauritius, Australia, Gibraltar, viâ France, Malta, Constantinople, Austria, Portugal, Spain, or Italy*, except the *Papal States*) is not a fixed sum, but is in all cases equal to the postage.

LETTERS BY PRIVATE SHIPS.

Letters intended to be sent by private ship must be addressed 'By Private Ship;' and if by a particular vessel, the name of the ship must be added. The postage of a letter by a private ship to Belgium, Belize, and the British West Indies, is 3d. not exceeding ½ oz., and 3d. is charged in the case of heavy letters for every additional ½ oz.; to Norway, the Cape of Good Hope, Natal, St Helena, and Ascension, the postage is 4d. not exceeding ½ oz., and 4d. is charged for every additional ½ oz.; to France, 4d. is charged for every ½ oz.; to Holland, 8d. not exceeding ½ oz., 1s. 4d. not exceeding 1 oz., 2s. 8d. not exceeding 2 oz., and 1s. 4d. for every additional ounce; in all other cases, the single rate is 6d., and the postage for heavy letters progresses in the same manner as the postage of letters sent by mail packets. Letters may be sent unpaid to the following places, viz.: Azores, Belgium, Belize, British West Indies, Canada, Cape de Verds, Cape of Good Hope, Ceylon, Falkland Islands, France and Algeria, Gold Coast, Holland, Hong Kong, India, Madeira, Mauritius, Natal, New Brunswick, Newfoundland, Nova Scotia, Portugal, Prince Edward Island, St Helena, and Sierra Leone; but to all other places prepayment is compulsory. Letters sent by private ship to the United States cannot be registered.

Newspapers by private ships to the Azores, Cape de Verds, Madeira, and Portugal, are charged 2d. each; in all other cases they are charged 1d. each.

HOT CLIMATES.

The practice of sealing letters passing to and from the *East and West Indies*, and other countries with hot climates, with wax (except such as is specially prepared), is attended with much inconvenience, and frequently with serious injury, not only to the letters so sealed, but to the other letters in the mail, from the melting of the wax and adhesion of the letters to each other. The public are therefore recommended in all such cases to use either wafers or gum, and to advise their correspondents in the countries referred to to do the same.

PREPAYMENT, ETC.

Letters addressed to places abroad may be prepaid in this country either in money or stamps, but such payment must be wholly in stamps or wholly in money. Newspapers, book packets, and patterns must always be prepaid, and this by *stamps*.

With certain exceptions, the only admitted evidence of the prepayment of a letter, *inwards*, is the mark agreed upon with the particular foreign country or colony.

Naval officers, marines, and seamen serving abroad, are allowed to prepay such of their letters as are conveyed in their ship's bag with English postage stamps.

When prepayment is *optional*, any outward letter

(that is, a letter posted within the United Kingdom, and addressed to some place out of it) posted with an insufficient number of stamps, is charged on delivery with the deficient postage in addition; unless the letter have to go to the United States, or to a country through France, in which case it is treated as wholly unpaid, the postal arrangements with these countries not allowing the recognition of partial prepayment. When, however, prepayment of the whole postage is *compulsory*, a letter or ought else posted with an insufficient number of stamps is sent (by the first post) to the Returned Letter Office.

Letters to or from Australia and New Zealand, posted wholly unpaid or paid less than one rate, are detained and returned to the writers for postage; but those on which one rate, although not the whole postage, has been paid by stamps, are (except in the case of Tasmania) forwarded charged with the deficient postage, and an additional rate as a fine. Letters for Tasmania *must be fully prepaid*.

The same rates are chargeable in this country upon letters posted unpaid wholly or in part from the above places, except from Alexandria, Cairo, and Suez, *viâ* Southampton, and Holland *viâ* France, which are charged the prepaid rate only.

registered letters for America by the same packets are received.

Letters for passengers on board the Mediterranean packets about to sail from Southampton with the mails for India, Australia, China, Mauritius, etc., or on board the Canadian packets touching at Londonderry, may, under similar conditions, be posted up to the same time as ordinary registered letters for India, Australia, etc., or for Canada.

The letters should be addressed thus: 'Mr. _____, on board the mail packet at Queenstown [Londonderry or Southampton]. Care of the Officer in charge of the mails.'

Letters directed to the care of the Packet Agent at Suez, and despatched by the mail *viâ* Marseilles, which follows the mail *viâ* Southampton, will probably reach passengers for India, etc., who have sailed in the packet from Southampton.

LETTERS FOR PASSENGERS ON BOARD MAIL PACKETS.

Letters for passengers on board the Cunard packets for America touching at Queenstown, provided they be addressed to the care of the officer in charge of the mails on board of such packets, and be registered, may be posted in any part of the United Kingdom up to the time at which ordinary

In Spain, as a rule, the circulation is prohibited of all articles which are not either letters or printed papers; but patterns and samples may be sent under the following regulations :—

1. The patterns or samples themselves must be of no intrinsic value whatever.
2. They must be enclosed in covers open at the ends or sides, or in such other manner as to admit of a thorough inspection.
3. The covers must contain no writing except the usual trade marks and numbers.
4. Packets of patterns and samples thus forwarded will be liable in this country to the same rates of postage as ordinary letters for Spain, viz. 6d. for a packet not exceeding a quarter of an ounce in weight, increasing for heavier weights at the rate of 6d. for each quarter of an ounce; and such postage must in all cases be paid in advance.

All documents or writings usually termed letters of credit, or whereby any person to whom any such document or writing is or is intended to be delivered or sent, shall be entitled or be intended to be entitled to have credit with, or in account with, or to draw upon any other person for, or to receive from such other person any sum of money therein mentioned.

Exemptions from the duties on Drafts or Orders.—All letters of credit, whether in sets or not, sent by persons in the United Kingdom to persons abroad, authorizing drafts on the United Kingdom. (16 & 17 Vict. c. 59.)

The following is from schedule of 23 Vict. c. 15, under **BILL of EXCHANGE, DRAFT, or ORDER:**

All Bills, Drafts, or Orders, for the payment by any banker, or person acting as a banker, of any sum of money, though not made payable to the bearer or to order, and whether delivered to the payee or not; and all Writings or Documents entitling or intended to entitle any person whatever to the payment from or by any banker, or person acting as a banker, of any sum of money, whether the person to whom payment is to be made shall be named or designated therein or not, or whether the same shall be delivered to him or not, shall respectively be deemed to be bills, drafts, or orders for the payment of money chargeable with Stamp duty, as if the same had been made payable to bearer or to order. Provided always, that any one Document or Writing, although directing the payment of several sums of money to different persons, shall be chargeable with Stamp duty, as one order only.

Draft or Order, Writing or Document, for the payment, or for entitling any person to the payment, by or through any banker, of any sum of money, sent or delivered to the banker, and not to the person to whom payment is to be made, or any person on his behalf, to be held not to have been and not to be chargeable with any higher Stamp duty than one penny, although payable at any time after date. Duty may be denoted by adhesive stamp, to be cancelled as in the case of a draft on demand. (23 & 24 Vict. c. 111, § 17.)

Exemptions.—Any draft or order drawn by any banker upon any other banker, not payable to bearer or to order, and used solely for the purpose of settling or clearing any account between such bankers.

Any letter written by a banker to any other banker, directing the payment of any sum of money, the same not being payable to bearer or to order, and such letter not being sent or delivered to the person to whom payment is to be made, or to any person on his behalf; and all warrants or orders for the payment of any annuity granted by the Commissioners for the Reduction of the National Debt, or for the payment of any dividend or interest on any share in the Government or Parliamentary stocks or funds; and all drafts or orders drawn by the Accountant-General of the Court of Chancery in England or Ireland, shall be exempt from all Stamp duty. (23 Vict. c. 15.)

Note.—26 & 27 Vict. c. 105, repeals the Act 17 Geo. III. c. 30, and so much of any other Acts as continue or revive the said Act, or as prohibit or impose penalty for or on account of publishing, uttering, or negotiating in England any promissory or other note, not being a note payable to bearer on demand, bill of exchange, draft, or undertaking in writing, being negotiable or transferable, for payment of 20s., or above that sum, and less than £5, or on which 20s., or above that sum, and less than £5, shall remain undischarged, made, drawn, or indorsed in any other manner than as directed by the said Act of 17th year aforesaid, and also the 17th section and schedules C and D of an Act passed in the 8th and 9th year of her Majesty's reign, c. 38, requiring or directing that all such notes, bills, drafts, or undertakings as aforesaid, which shall be issued in Scotland, shall be made, drawn, or indorsed according to the forms contained in the said schedules.

[The duty on drafts or orders may be impressed on the paper, or an adhesive stamp may be affixed. (16 & 17 Vict. c. 59, § 3.) See *Adhesive Stamp*.—Where an adhesive stamp is used, the maker of the draft to cancel the stamp by writing on it his name or initials. Penalty for omission, etc., £10. ... 4000 and upwards—	every bill of the set, for every £1000, or part of £1000—	3s. 4d.	(23 Vict. c. 15.)

Note.—The duty on a Foreign Bill, on and after 3d April 1860, drawn or indorsed out of the United Kingdom for the payment of money on demand, is the same duty as on an Inland Bill of Exchange, for the payment of money otherwise than on demand. (23 Vict. c. 15.) See above.

The word 'indorsed' is held by the Board of Inland Revenue to have no practicable effect. See *Times*, 20th and 22d April 1860.

Foreign Bill drawn in but payable out of the United Kingdom on demand, although to be indorsed out of the United Kingdom, if not drawn in sets, would be liable to duty of 1d.

[The duties on Foreign Bills, drawn out of the United Kingdom, are to be denoted by adhesive stamps. The holder to affix the adhesive stamp if one not on it before he negotiate it,

and cancel the stamp by writing his name or the name of his firm and the date on it. (17 & 18 Vict. c. 83, § 3.) If the Bill or Note be received by the holder with the adhesive stamp effectually obliterated and purported, and appearing to be duly cancelled, the same, as regards such holder, shall be deemed to be so. If not cancelled, the holder may do so, as if he were the person first negotiating the Bill or Note. On his doing so, the Bill or Note shall be duly stamped. The person who ought to have cancelled the stamp not relieved of any penalty incurred by not cancelling the same. (24 & 25 Vict. c. 91, § 33.) The Act 23 Vict. c. 15, § 12, provides that the party paying the bill shall, when he does so, write the word 'paid' upon the stamp. The amount of duty on adhesive stamps is impressed on two parts. The Board of Inland Revenue recommend that the cancellation should be on one of the parts, and the other left legible.]

If a Foreign Bill payable abroad, and as to which the provision 'drawn in sets of three or more' apply, shall be drawn in a single bill, the duty will be the same as on an Inland Bill; and if in a set of two, the duty on each will be the same as on an Inland Bill. This is in accordance with the opinion of the Board of Inland Revenue (see *North British Daily Mail*, 3d November 1854). But the Board have given an opinion that a Foreign Bill drawn abroad and payable in this country in duplicate or triplicate only represents one transaction, and is liable to the duty on one Inland Bill of the same account; that is, if one of the parts have the full duty, the others may be unstamped (see *Times*, 6th November 1854). The schedule of the Act does not provide for such a bill being drawn in sets. Bills bearing to be drawn out of the United Kingdom are to be deemed Foreign Bills so drawn, although they may in reality be drawn in the United Kingdom. (17 & 18 Vict. c. 83, § 4.) A person in the United Kingdom drawing and issuing a bill payable out of the United Kingdom in a set, must draw the whole set; and a person transferring or negotiating such bill must transfer and deliver, stamped, the whole number of the set. Penalty, £100. A person taking such bill must get the whole set stamped, otherwise he cannot recover on it or make it available. (16. § 6.) This applies only to bills drawn within and payable out of the United Kingdom. **BILLS payable on demand, and indorsed out of the United Kingdom, wheresoever drawn, are held to be Foreign Bills, but chargeable with the same duty as Inland Bills not payable on demand.** (27 & 28 Vict. c. 56, § 2.)

INLAND BILL, DRAFT, or ORDER, for the payment of any sum of money, though not made payable to the bearer, or to order, if the same shall be delivered to the payee, or some person on his or her behalf, the same duty as on a bill of exchange for the like sum, payable to bearer or order.

INLAND BILL, DRAFT, or ORDER for the payment of any sum of money, weekly, monthly, or at any other stated periods, if made payable to the bearer, or to order, or if delivered to the payee, or some person on his or her behalf, where the total amount of the money thereby made payable shall be specified therein, or can be ascertained therefrom, or shall be indefinite, the same duty as on a bill payable to bearer or order on demand.

PROMISSORY NOTE for the payment of any sum of

money by instalments, or for the payment of several sums of money at different days or times, so that the whole of the money to be paid shall be definite and certain, the same duty as on a promissory note, payable otherwise than to the bearer on demand, for a sum equal to the whole amount of the money to be paid.

MARRIAGE CONTRACT.—The leading head under which marriage contracts are chargeable is 'Settlement.' By the statutory note under this head it is provided that instruments containing settlements of lands or other property, or other matter or thing, besides the settlement of money or stock, shall be chargeable with duty in respect of such, as if contained in a separate deed. A marriage contract may therefore be liable to a number of different duties. If definite and certain sums, and shares of stocks, are settled so as an interest to any extent shall be given, which shall certainly take effect, and not be altogether contingent, these are liable to the *ad valorem* Settlement Duty. If an annuity is provided to widow or others, such is liable to Bond of Annuity Stamp Duty. Obligations to pay sums to widow, such as for mournings, are liable to *ad valorem* Bond Duty. All settlements of property, or other matters not liable to specific duty, will be covered by one general deed duty, over and above the other duties. An obligation by the husband

to pay sums to the trustees for the children, if any, would be liable to the Bond Duty, not Settlement Duty, being contingent.

[The stamp duty of 5s. imposed by 55 Geo. III. c. 184, on a certificate of marriage, and on a certificate of reception of the holy sacrament, is repealed by the 28 & 29 Vict. c. 96, § 21.]

And in case the same respectively shall be made as a security for the payment or transfer, to different persons, of separate and distinct sums or shares,—The *ad valorem* duty shall be charged for each separate and distinct sum or

share therein specified and secured, and not upon the aggregate amount.

And where any such deed or instrument shall be made respectively as a security for the payment of any annuity, or any sum by way of repayment, or in satisfaction or discharge, or in redemption of any sum lent, advanced, or paid, as, or for, or in the nature of a loan intended to be repaid, discharged, or redeemed, in manner aforesaid,—The same duty as on a mortgage or wadset for the sum of money so lent, advanced, or paid.

RECEIPTS for money amounting to £2 or upwards—1d.

The following provisions as to what shall be deemed a receipt, and the exemptions from receipt duty by 55 Geo. III. c. 184, are still in force.

Any note, memorandum, or writing whatever, given upon the payment of money, whether signed or not, shall be a receipt if it shall import or signify that any sum of money, debt, or demand, or any part thereof amounting to £2 or upwards, has been paid or settled; and like documents given upon payment by bills, drafts, promissory notes, or other securities for money, are also receipts.

According to decisions, a simple acknowledgment of a sum of money in loan, or of the correctness of a debt, or of a deposit of money, is not liable to stamp duty, either as a receipt or promissory note. The judges held it essential to render a receipt liable to duty that something formerly due had been discharged. On this principle a receipt for a sum of money as a donation to a religious or charitable purpose, not being anything formerly due, would not be liable. The Board of Inland Revenue have intimated that they are to regard such receipts as exempted.

Among the exemptions from receipt duty are—

Receipts written on promissory notes, bills, drafts, or orders for the payment of money, duly stamped.

Receipts written on any bond, mortgage, or other security, or any conveyance, deed, or instrument whatever, duly stamped, acknowledging the receipt of the consideration money therein expressed, or the receipt of any principal money, interest, or annuity thereby secured.

The exemption of letters by the general post acknowledging the safe arrival of any bills of exchange, promissory notes, or other securities for money, is repealed by 17 & 18 Vict. c. 83, § 13.

[Stamps may be impressed or affixed. Where adhesive stamps are affixed, the grantor is required to cancel the stamps by writing, stamping, or impressing in ink, his name or initials on them. Penalty for omission, £10. Penalty for removing adhesive stamps, or using them a second time, or doing any fraudulent act to defraud of duty, £20. (16 & 17 Vict. c. 59, § 3, 4, and 5; 24 & 25 Vict. c. 91, § 33.)]

REGISTERING OF DEEDS. See under DEEDS.

Note.—An instrument of sasine proceeding on

two precepts, even although in one disposition, is liable to two duties of 5s.

SCHEDULE or INVENTORY of heritage or moveables, or containing the terms of any proposed sale, lease, etc., or regulations for the cultivation and management of any farm, etc., separate from and referred to in lease, bond, deed, agreement, etc., chargeable with any Stamp duty not exceeding 10s.—The same duty as shall be chargeable on such lease, bond, agreement, etc.; and where referred to in such, chargeable with a duty exceeding 10s.—10s. Progressive duty, 10s.

SCRIP CERTIFICATE, after 4th August 1853, that is to say, any document denoting or intended to denote the right or title of the holder thereof, or any person, to any share or shares in any joint-stock or other company, or proposed or intended company, or any certificate declaring or entitling the holder thereof, or any person, to be or become the proprietor of any share or shares of or in any such company, where such certificate, or the right or title to such share or shares shall be, or be intended to be, transferable by the delivery of such certificate, or otherwise than by deed or instrument in writing—1d. (16 and 17 Vict. c. 63.)

SETTLEMENT.—Any deed or instrument, whether voluntary or gratuitous, or upon any consideration other than a *bona fide* pecuniary consideration, whereby any *definite and certain* principal sum or sums of money, or any *definite and certain* shares in any stocks or funds, shall be settled or agreed to be settled upon or for the benefit of any person or persons, either in possession or reversion, either absolutely, or for life or other partial interest, or in any other manner whatsoever,—if such sum or sums, or the value of such share or shares, together, shall not exceed in the whole £100—5s.

And if the same shall exceed £100, then for every £100, and fractional part of £100—5s.

Bonds, debentures, policies of insurance, covenants, or contracts settled or agreed to be settled, shall be deemed to be settlements of the principal sums of money in them. But in the case of policies of insurance, if no provision for keeping them up, the duty shall be charged only on the value of such policies. (27 Vict. c. 18, § 12.)

As to the mode of ascertaining the value of the foreign and colonial stocks, funds, and securi-

ties, and sums in foreign and colonial currency, see *ib.* § 13.

All such deeds which contain any settlement of lands or other property, or any other thing besides the settlement of such money or stock, shall be chargeable with such further duty as any separate deed containing such settlement of lands or other property, or other thing, would have been chargeable with, exclusive of the progressive duty.

And where there is more than one such deed chargeable with any such duty exceeding £1, 15s., one of them only shall be charged with the *ad valorem* duty; and also where any settlement shall be made in pursuance of any previous articles chargeable with, and which shall have paid any such duty exceeding £1, 15s., it is not chargeable with the *ad valorem* duty; and the deeds not chargeable with the *ad valorem* duty shall be charged with the duty to which they are liable under any more general description in the stamp schedules: and on the whole being produced duly executed and stamped, the latter shall also be stamped with a particular stamp for denoting the payment of the said *ad valorem* duty.

Exemption from this ad valorem duty.—Wills, testaments, and testamentary instruments, and dispositions *mortis causa*.

INVENTORY DUTY.

I. PERSONAL ESTATE:—

Exhibition of the Inventory, and mode of paying the Duty.

All and every person or persons who, as executor or executors, or otherwise, shall enter upon the possession or management, in whole or in part, of any personal or moveable estate in

Scotland of any deceased person, shall, within six months thereafter, exhibit upon oath in the Commissary Court an Inventory, duly stamped, of all the personal or moveable estate and effects of the deceased. The Inventory and testamentary writings left by the deceased, if any, shall be recorded in the books of the said Court. (48 Geo. III. c. 149, § 38.)

Inventories and relative testamentary writings

are to be given up and recorded in, and confirmations granted by, the Commissary Court of the county wherein the deceased died domiciled; and in the case of persons dying domiciled furth of Scotland, or without any fixed or known domicile, having personal property in Scotland, the Commissary Court of Edinburgh. (21 & 22 Vict. c. 56, § 3 and 8.)

Oaths and Affirmations to Inventories of personal estates, to be given up and recorded in any Commissary Court, may be taken either before the Commissary or his Depute, or the Commissary-Clerk or his Depute, or before any Commissioner appointed by the Commissary, or before any Magistrate or Justice of the Peace within the United Kingdom or the Colonies, or any British Consul. (21 & 22 Vict. c. 56, § 11.)

If the deceased person died domiciled in Scotland, it shall be competent to include in the Inventory of the personal estate in Scotland, the personal estate in *England and Ireland*. The estate in England and Ireland shall be separately stated in the Inventory, and the Inventory shall be stamped with a duty corresponding to the entire value of the estate situated within the United Kingdom. If confirmation be required, the domicile must be proved, and the Commissary must find it to be in Scotland. A confirmation, in which shall be included personal estate in England and Ireland, on being produced in the principal Probate Court in England, and the Court of Probate in Dublin, and a copy thereof deposited with the Registrar, together with a copy of the interlocutor of the Commissary finding that the deceased died domiciled in Scotland, is to be returned sealed, and is thereafter to have the same force and effect in England and Ireland, as if Probate or Letters of Administration had been granted by these Courts. (21 & 22 Vict. c. 56, § 9, 12, and 13.)

The provisions of the Act are merely permissive to pay Inventory Duty on the whole personal estate in Great Britain and Ireland where the deceased died domiciled in Scotland, and the like provisions as to the payment of Probate and Administration Duty where the deceased died domiciled in England and Ireland. It is therefore still competent to pay Inventory Duty on the estate situated in Scotland, and Probate or Administration Duty in respect of the estate in England and Ireland. In the case of a person dying domiciled furth of the United Kingdom having personal estate situated in Scotland, this mode of paying the duty must be followed, as in that case there is no provision for payment of Stamp Duty, in respect of the personal estate in England or Ireland, on the Inventory, or obtaining confirmation in respect thereof.

Additional Inventory—Corrective Inventory.

If there be any omission in the Inventory inferring payment of further duty, an additional Inventory of such is required to be exhibited by 48 Geo. III. c. 149, § 38; and § 40 provides that the same shall also specify the amount or value of the estate and effects of the same person comprised in the former Inventory. By 16 & 17 Vict. c. 59, § 8, such additional Inventory shall be chargeable only with such amount of Stamp Duty as, together with the Stamp Duty charged upon the former duly stamped Inventory of the estate and effects of the same deceased person, shall make up the full amount

of Stamp Duty, in respect of the total amount of all the estate and effects of the deceased specified in the said additional and any such former Inventory. If the estate shall be over-estimated, or if something shall be improperly included in the Inventory, an Inventory on a stamp corresponding to the ascertained value must be exhibited, and the original Inventory will be allowed on affidavit as a spoiled stamp, within six months after the recording of the second Inventory.

Personal Property disposed of by Will under an absolute power liable to Inventory Duty—Indian Government Promissory Notes, etc., Personal Property in England—British Ships at Sea—Property to be valued at the time the Inventory is sworn to, and the Inventory to include the proceeds accrued on the property down to that time.

Personal estate which a person, dying after 3d April 1860, shall have disposed of by will, under any authority enabling such person to dispose of the same as he shall think fit, shall be deemed personal or moveable estate of the person so dying, for the purpose of payment of Inventory, Probate, or Administration Duty. (23 Vict. c. 15, § 4.) The duties shall be charged on the property in respect of which the same are payable, and shall be paid thereon by the trustees or owners thereof, to the executors, for the benefit of the persons entitled to the personal estate of the deceased. (*ib.* § 5.) Indian Government Promissory Notes and Certificates issued, or Stock created in lieu thereof, being assets of a deceased person, the interest of which shall be payable in London, registered in London, or enfaced in India for the purpose of such registration, before the death of the owners; also Indian Government Promissory Notes with coupons attached, in the same circumstances as to registration, and Certificates issued, or Stock created in lieu thereof, shall be personal estate and *bona notabilia* in England of the deceased (23 Vict. c. 5, § 1); Also any ship, or any share of a ship, belonging to a deceased person, registered at any port in the United Kingdom, notwithstanding such ship at the time of the death may have been at sea, or elsewhere out of the United Kingdom, shall be deemed to have been at the time aforesaid in the port at which she may be registered (27 & 28 Vict. c. 56), and liable to Inventory, Probate, or Administration Duty. 'The Inventory and additional Inventory of any person deceased, required to be exhibited and recorded in the proper Commissary Court in Scotland, shall be stamped with duty according to the value of the property contained therein at the time they shall be respectively sworn to, including the proceeds accrued thereon down to that time; and the duty, or deficient duty, according to such value and proceeds, and interest thereon at the rate of five per centum per annum, shall be a debt to her Majesty by the person making oath to said Inventory and additional Inventory, and his heirs and successors; and if such Inventory and additional Inventory shall not be exhibited and recorded, the Inventory Duty on all the personal or moveable estate and effects of the deceased, and interest thereon at the rate of five per centum per annum from the expiry of the period of six months after the death of such deceased person, shall be payable and

shall be a debt to her Majesty by the person who shall intromit with or enter upon the possession and management of such personal or moveable estate and effects, or any part thereof, and his heirs and successors.' (23 & 24 Vict. c. 80, § 5.)

I. MONEY SECURED ON HERITAGE, ETC.

The Act 23 Vict. c. 15, § 6 (3d April 1860), declared that money secured on heritable property in Scotland, and money secured by Scotch bonds in favour of heirs and assignees, excluding executors, should be chargeable with Inventory, Probate, or Administration Duty.

The Act 23 & 24 Vict. c. 80, was passed to regulate the levying and collection of the said duty. Sec. 1 gives a description of the property which shall be liable to Inventory Duty under the Act of 23 Vict. c. 15; and sec. 8 further explains what shall be subject to duty. Sec. 9 of the Act 23 & 24 Vict. c. 80, repeals the Act 23 Vict. c. 15, § 6, in so far as regards Probate and Administration Duty being chargeable in respect of the property, so that *now in all circumstances such property is liable to Inventory Duty.* Sec. 1 is in these terms:—

Description of Property liable to Duty, and Commencement of Duty.

'All money secured on heritable property in Scotland, and all money secured by *Scottish* bonds and other instruments, excluding executors, and all money secured by *Scottish* bonds and other instruments, the rights to which shall be taken excluding executors, constituting the succession, or part of the succession, of any person who shall have died on or after the 3d day of April in the year 1860, shall be liable to Inventory Duty under the said recited Act.'

There are two modes of paying the duty provided for—23 & 24 Vict. c. 80, § 3, 4:—

Two Modes of Paying the Duty.

1. By a 'Special Inventory' of the property, to be lodged with the Solicitor of Inland Revenue at Edinburgh (a form of which, with relative oath, is given in the schedule to the Act), stamped according to the amount of property contained in it. The Inventory Stamp shall be testate or intestate, according as the Stamp on the Inventory of the personal estate shall denote the testate or intestate rate of duty.
 2. By adding the amount of the property to the Inventory of the personal estate, and paying Stamp Duty upon the aggregate amount.
- This second mode will generally be the most advantageous for the tax-payer; and will be followed when the interest in the heritable and moveable estate is the same, or when the heir and executor can make an arrangement as to the payment of the duty. As to both modes of paying the duty, it is declared that the duty is ultimately to be borne by the parties proportionally according to their interests in the property.

Value to be at the date of the oath to the Inventory, and Inventory to include proceeds to that time.

The 5th section of 23 & 24 Vict. c. 80 provides, that the Inventory Duty shall be payable on the property made liable by the Acts referred to, according to the value of such property at the time the Inventory containing it shall be sworn to, including the proceeds accrued thereon down to that time.

Act retrospective as to time of valuing Personal Estate.

It will be observed that the Inventory Duty on money secured on heritage, etc., is limited to such property constituting the succession of a person who shall have died on or after the 3d April 1860 (23 & 24 Vict. c. 88, § 1); but the provision for valuing property at the date of the affidavit to the Inventory, and including the proceeds down to that time, is retrospective and universal in its operation, applying to all Inventories sworn to on or after the passing of the Act (6th August 1860), without regard to the date of death.

III. GENERAL OBSERVATIONS.

Modes in which Duty may be paid when deceased domiciled in Scotland, and personal property in Scotland, England, and Ireland, and money secured on heritage.

In the case of a person dying domiciled in Scotland, having personal property in Scotland, England, and Ireland, and also money secured on heritage, etc.:—I. Duty in respect of the whole may be paid on the Inventory required to be recorded in the Commissary Court; II. Or Inventory Duty may be paid on the personal property situated in Scotland, and Duty may be paid on a 'Special Inventory' of the money secured on the heritage, etc., and probate or administration may be obtained in England and Ireland in respect of the personal estate in these countries, and duty paid in respect of such on these several instruments.

Mode in which Duty may be paid when deceased domiciled furth of the United Kingdom.

In the case of a person dying domiciled furth of the United Kingdom leaving personal estate in Scotland, England, and Ireland, an Inventory must be given up in Scotland, probate or administration taken out in England and Ireland, and duty paid on such in respect of the property in each country.

For Probate and Administration Duty, debts and sums of money due from persons in the United Kingdom to a deceased, on obligation or other specialty, shall be estate and effects of deceased within the jurisdiction of her Majesty's Court of Probate in England or Ireland in which the same would be if they were debts upon simple contract, without regard to the place where the obligation or specialty shall be at the time of the death. (25 Vict. c. 22, § 39.)

(If confirmation be required, That confirmation of the said personal estate is required in favour of the deponent and the said) All which is truth, as the deponent shall answer to God.

OPINION.

We are of opinion that it is sufficient in the Inventory given up of the estate of a person deceased for confirmation, to set forth the value of the estate as at the date when the Inventory is given up, and that it is not also necessary to set forth the value as at the date of death. We further think, that the statutory form of confirmation contained in Schedule E of the Act 21 & 22 Vict. c. 56, must be modified, in order to be in accordance with the still more recent statute, 23 & 24 Vict. c. 80, by leaving out the words 'at the time of his death.' Act 5 & 6 Vict. c. 79, § 23, provides for a re-

will be prolonged on application to the Board
of Inland Revenue. A return of the duty paid
on heritable securities may also be made in
certain circumstances. See 23 & 24 Vict. c.
80, § 4 and 6. No return shall be given in
respect of any voluntary debt due from any
person dying after 28th June 1861, expressed
to be payable on the death of such person, or
payable under any instrument which shall not
have been *bona fide* delivered to the donee
three months before the death of such person.

On Legacies, Residues, etc. Duty per ct.
To children or their descendants,
or lineal ancestors, . . . £1 0 0
Brother or sister, or descendant, . . . 3 0 0
Uncle or aunt, or their descendants, . . . 5 0 0
Grand uncle or aunt, or their de-
scendants, . . . 6 0 0
All other relations or strangers, . . . 10 0 0
The husband or wife of the deceased is not
chargeable with duty. If the legatee's husband
or wife is of nearer consanguinity than the
legatee, duty is payable according to such near
relationship. (16 & 17 Vict. c. 51, § 11.)
This duty is payable for every legacy out of the
personal or moveable estate, or out of or charged
upon the real or heritable estate of the de-
ceased, or out of any moneys to arise by the

sale, mortgage, or other disposition of the de-
ceased's real or heritable estate, or any part
thereof: Also for the clear residue (after de-
ducting debts, funeral expenses, legacies, and
other charges first payable thereout) of the
personal or moveable estate, whether the title
to such residue shall accrue by virtue of any
testamentary disposition, or upon a partial or
total intestacy: And also for the clear residue
of the moneys to arise from the sale, mortgage,
or other disposition of any real or heritable
estate, directed to be sold, mortgaged, or other-
wise disposed of by any will or testamentary
instrument. (55 Geo. III. c. 184, sch. part iii.)
Annuities commencing to be payable on the
death of persons dying after 19th May 1853,
are valued for legacy duty according to tables
annexed to the Succession Duty Act (16 & 17
Vict. c. 51); and Annuities commencing to be
payable previous to that date, by the tables
annexed to the Legacy Duty Act (36 Geo. III.
c. 52).

Duty is not exigible on legacies or residues
under £20; but if a legatee take two or more
legacies under any testament, which shall to-
gether be of the amount of £20, each shall be
charged with duty, though each or either may
be separately under that amount.

N.B.—Printed forms and regulations regarding
all the succession duties will be obtained gratis,
on application at the Inland Revenue Office,
Edinburgh; and at the offices of the Distribu-
tors of Stamps in the country.

SUCCESSION DUTY.—The duty commences on the
death of persons dying after the 19th May 1853
(16 & 17 Vict. c. 51, § 2 and 54), and seems to
be imposed on all property, both heritable and
moveable, passing by death, not liable to the
duty on legacies and successions to personal

estate upon intestacy—the duty imposed by the Legacy Duty Acts. The duty on *heritable property* is charged on the annual value, after allowance of the necessary outgoings (§ 22), as an annuity for the life of the successor (§ 21), which is to be valued by tables annexed to the Act.

Personal property is liable to duty according to the value of the succession; and money charged on heritage—heritable securities—is chargeable as personality (§ 1).

The property chargeable with duty is called 'Succession' (§ 1), and 'Successor' denotes the person entitled to it, and 'Predecessor' the person from whom the interest of the successor is derived (§ 2).

Rates of Succession Duty.

Lineal issue, or lineal ancestor of the predecessor—£1 per cent.

Brothers and sisters of the predecessor, and their descendants—£3 per cent.

Brothers and sisters of the father or mother of the predecessor and their descendants—£5 per cent.

DISCOUNT ON THE PURCHASE OF STAMPS.

Purchasers of stamps (except receipt, labels for medicines, newspapers, and postage stamps) at London, Edinburgh, or Dublin, under the value of £10 each, but to the value of £30 or upwards in whole, are allowed discount at the rate of 30s. per cent. (12 & 13 Vict. c. 80.) The like discount is allowed to any person lodging at Edinburgh, paper or forms containing printed matter only, to be impressed with stamp duties under the value of £10 each, but to the value of £30 or upwards in whole.

To persons who, at one time, shall produce at the Office of Inland Revenue in *London, Edinburgh, or Dublin*, paper to be stamped with, or shall purchase at the office in *London, Edinburgh, or Dublin*, stamps to the amount of £2 or upwards, or of any distributor or sub-dis-

REGULATIONS AS TO EXCHANGING SPOILED STAMPS.

The Solicitor's Office, No. 5 in the Inland Revenue Office, is open for the allowance of spoiled stamps every Tuesday and Thursday, from 12 noon to 2 P.M. The distributors of stamps at the following places also receive spoiled stamps for allowance:—Aberdeen, Ayr, Banff, Cupar-Fife, Dumfries, Dundee, Elgin, Forfar, Glasgow, Greenock, Inverness, Peebles, Perth, Stirling, and Tain.

A supply of forms of affidavits is kept by the Solicitor and the above distributors, and claimants may attend at the Solicitor's Office, and have the affidavits filled up and taken; or they may get copies of the forms, and take the oath before a Justice of the Peace, and afterwards lodge the affidavits and the stamps with any of the above officers. If the claim be admitted, a ticket is issued, stating that application is to be made for the new stamps after Monday se'ennight, and within six weeks from the date of the ticket. If not made within that time, the claim will be forfeited.

The stamps, if belonging to parties resident in Edinburgh, or within ten miles thereof, must be presented for allowance within six months after being signed in the case of executed instruments, and six months after being spoiled in the case of unexecuted instruments. If the stamps belong to persons beyond that distance,

Brothers and sisters of the grandfather or grandmother of the predecessor and their descendants—£6 per cent.

Any other person—£10 per cent.

The husband or wife of the predecessor is not chargeable with duty (§ 18); and if the successor's husband or wife shall be of nearer consanguinity than the successor, duty is payable according to such nearer relationship (§ 11).

The following are also *exemptions* from the succession duty:—

1. Successions from the same predecessor, passing on any death, not amounting in principal value to £100 (§ 18).
2. Any succession of less value than £20 in the whole (*ib.*).
3. Legacies and personal property charged with legacy duty, in respect of the same acquisition (*ib.*).

Note.—The collection of the succession duty forms a branch of the business of the Legacy Duty Department of the Inland Revenue. Forms of the accounts may be obtained at the Legacy Duty Office, Edinburgh, and at the offices of the Distributors of Stamps in the country.

tributor of stamps at any place not within the distance of ten miles from the said offices respectively, stamps to the amount of £1 or upwards, denoting any rate of duty not exceeding 1s. on *Bills of Exchange, Drafts or Orders, or Promissory Notes, or Stamps*, for denoting the duty of one penny on any instrument or document whatever (except postage stamps and customs stamps), an allowance shall be made of tenpence for every 20s. of the amount of the duties denoted by such stamps. (23 & 24 Vict. c. 111, § 3.) Any person selling such stamps shall not make any charge for the paper whereon the same are impressed. Penalty for doing so, or demanding or receiving a greater price or sum than the amount of the stamp duty—£10. (*ib.* § 25.)

six months in the former, and twelve months in the latter case.

Bills and notes delivered to payees, or negotiated or issued in any way, and bills accepted or tendered for acceptance, cannot be exchanged unless a new bill be produced, in all respects the same excepting the correction of the error. As to the exchange of sea policies of insurance, see 54 Geo. III. c. 133.

Unsigned instruments are allowed if inadvertently spoiled. Signed, if void in law from the beginning; from error or mistake, unfit for the purpose originally intended; from death, or refusal to sign, of any person whose signature is necessary; from the want of the signature of some material and necessary party; from refusal to act under, or from non-acceptance—they shall be unfit for, or fail of the purpose intended; or if the transaction be carried through by another instrument duly stamped. (See 53 Geo. III. c. 108.) In the case of transfers of stock signed by the seller alone, and other instruments if by one party, new deeds require to be produced to the proper officer of stamps, who, as to transfers, is instructed to certify in what particulars they differ from those spoiled.

Stamps of a different description may be obtained for any stamp spoiled if it be of the value of £6

or upwards. Application for this purpose to the Commissioners of Inland Revenue should be lodged with the affidavit. The Commissioners, by 3 & 4 Will. iv. c. 97, § 19, may, if in their discretion they think fit, refund, in money, the amount of spoiled stamps. They

are also authorized to repay the amount of stamps for which the possessor has no immediate use, if applied for within three months after being purchased. In both cases is deducted the percentage allowed by law on the purchase of stamps.

STAMPING DEEDS AFTER BEING SIGNED.

Beyond Twelve Months.—The duty or deficiency of duty shall be due and payable to her Majesty, and also the penalty of £10. The deed will only be stamped on payment of the whole or (as the case may be) the deficiency of the stamp duty remaining payable on it, and over and above such duty a penalty of £10; and if the whole amount of said duty or deficiency shall exceed £10, then, in addition to said duty and penalty, there shall be paid, by way of additional penalty, interest on the duty or deficiency at the rate of five per cent. from the date or first signing of the deed; but such interest shall not exceed the amount of the said duty or deficiency of duty.

Within Twelve Months.—If the deed shall be brought to the Commissioners of Inland Revenue within twelve months after the first signing or executing, in order to be stamped, it may be stamped without payment of the penalty, or on payment only of a portion thereof, provided it shall be proved to the satisfaction of the Commissioners that the deed was not duly stamped previously to being signed, by reason of accident, mistake, inadvertency, or urgent necessity, and without any wilful design to evade or delay the payment of duty. (13 & 14 Vict. c. 97, § 12.)

Abroad.—If the deed shall be executed by any party abroad, it may be stamped without any penalty, if brought to be so within two calendar months from the time of being received in the kingdom, upon proof of the facts to the satisfaction of the Commissioners. (13 & 14 Vict. c. 97, § 13.)

Adhesive Stamps.—Where adhesive stamps may

be affixed to any instrument, an officer of Inland Revenue, authorized by the Commissioners, may, on the instrument being produced to him, affix and cancel the adhesive stamp. The instrument shall thereupon be deemed sufficiently stamped. But this not to apply to instruments not allowed to be stamped after being made, signed, or issued, nor to instruments after the expiration of the period limited for stamping them. The penalty required to be paid on stamping of the instrument is not affected by this provision. (24 & 25 Vict. c. 91, § 32.)

N.B.—Instruments are received at the Solicitor's Office, Inland Revenue, Waterloo Place, Edinburgh, to be stamped, if within two months of the first date (the Solicitor may, in certain circumstances, receive them within two months of the last date), on payment of the duty; if beyond that date, on payment of the duty and penalty. Parties, on applying, will be furnished with a schedule; and after being filled up, it is to be presented, along with the instrument, at the Solicitor's Office, No. 5 Inland Revenue, between 10 and 12 o'clock on Mondays and Wednesdays only. The amount of duty wished to be impressed on the instrument is to be inserted by the applicant before being presented at the Solicitor's Office; and afterwards he pays it, and the penalty, if any, to the cashier, No. 3 Lobby. As to stamping agreements and charter-parties (which are received at the Cashier's Office, No. 3 Lobby, between 10 and 1 o'clock from Monday to Friday, and on Saturdays between 10 and 12), see Notes under these heads.

DOUBTS AS TO THE SUFFICIENCY OF STAMPS MAY BE REMOVED.

The opinion of the Commissioners of Inland Revenue as to the duty to which a deed, whether previously stamped or otherwise, is chargeable, may be obtained on the deed being presented at their office (Edinburgh), and a fee of 10s. paid. The duty or insufficient duty which the Commissioners may assess, and the penalty, if any, being paid, they shall stamp the deed with the duty so paid; and thereupon, and also in the case of the deed being previously sufficiently stamped, shall also impress the deed with a particular stamp to be provided for the purpose. The deed shall then be received in evidence, notwithstanding any objection to it as insufficiently stamped. The provision does not apply to bonds or mortgages for unlimited amounts, nor to instruments after being signed, prohibited from being stamped. On the stamp duties assessed being paid, and 40s. for costs being deposited, the opinion of the Commissioners may be appealed against to the Court of Exchequer in Scotland, if the deed has been presented for the opinion of the Commissioners at their office in Edinburgh; to the Court of Exchequer at Westminster, if the deed has been presented at London; to the Court of Exchequer in Ireland, if the deed has been presented in Dublin. (13 & 14 Vict. c. 97, § 14 & 15; 28 & 29 Vict. c. 96, § 22.) The Com-

missioners may also adjudge on deeds not liable to any stamp duty; and if any duty is assessed, the party may appeal. (16 & 17 Vict. c. 59, § 13.)

N.B.—Instruments are received for adjudication at the Solicitor's Office, Inland Revenue, Edinburgh, on the same conditions as to duty and penalty as instruments to be stamped merely (see above). The mode of proceeding is as follows:—The sum of *ten shillings* for the adjudication stamp is first to be paid to the Cashier, No. 3 Lobby. Then the schedule (the duty to be impressed of course not being inserted in the schedule), the instrument after execution, and a copy (written on foolscap paper) of it (omitting the bounding description of lands, etc., and having appended to it a table giving the substance of the clauses and provisions, particularly dates and sums, and a reference to the page of the copy on which each commences), are to be left at the Solicitor's Office, No. 5, on Mondays and Wednesdays, between 10 and 12 o'clock only. Between 10 and 12 o'clock on the Thursday following, a party who can give explanation must call on the chief clerk of the Solicitor's Department, No. 6; and he should be prepared to pay the proper duty, and penalty, if any, to the Cashier, No. 3 Lobby.

DUPLICATES OR COUNTERPARTS.

Duplicates or counterparts of instruments requiring to be impressed with the denoting stamp to render them valid, may be lodged at the Solicitor's Office, No. 5, Inland Revenue, Edinburgh, between 10 and 12 o'clock on Mondays and Wednesdays only. A transmission of them is made once a week to the Head Office. The principal instrument, as well as the dupli-

cate, must be lodged, and both must appear to be properly stamped, otherwise they will not be transmitted.

Mem.—The revenue takes no risk of loss or injury connected with the custody or carriage of the instruments received and transmitted to be stamped.

HACKNEY CARRIAGES IN EDINBURGH.

FARES BY DISTANCE.

1. The distance to which any hackney carriage may be driven under these Bye-laws, shall be seven miles from the Cross of Edinburgh.

2. When a party not exceeding two grown-up persons, and without any luggage other than a carpet-bag or the like, enters a carriage at a stance, or when driving along disengaged, they shall be driven half a mile for 6d.; and if they return they shall pay the same fare. The driver shall draw up to either side of the pavement when called; and if detained more than five minutes before starting, he shall be entitled to 6d. for waiting.

N.B.—This rule shall not apply to fares from railway stations.

3. Excepting the Sixpenny Fare, the fares by distance shall be shown in the annexed Table of Fares. The charges in the table shall include going from the stance or stable to the hirer's residence, and waiting ten minutes. But if the carriage be detained, before starting, more than ten minutes, a charge of waiting at the rate of 6d. for each quarter of an hour, or part thereof, after the expiry of the ten minutes, shall be allowed; and if the place where the hirer is to be taken up be beyond half a mile from the stance or stable whence the carriage is taken, there shall be a charge of 6d. for such distance.

4. When any place is not mentioned in the table, the fare shall be the same as that to any place mentioned which may be in the immediate vicinity.

5. When the fare of any particular place not mentioned cannot be ascertained by reference to a place in the immediate vicinity, the fare shall be 1s. for a distance from the stance not exceeding a mile and a half, and *sixpence* for every additional half-mile or part thereof.

6. Half fare returning with the party, excepting the half-mile drive.

7. When parties return (which they shall have the option of doing), and the fare going is 1s., the carriage shall wait ten minutes without any charge for waiting; when 1s. 6d., fifteen minutes; when 2s. and upwards, twenty minutes. If the carriage be detained longer, a charge shall be allowed for waiting, at the rate of 6d. for every twenty minutes, or part thereof, commencing at the periods when the free waiting expires.

8. When a carriage is called but not used, a charge of 6d. shall be allowed, if the place to which

it is called be under half a mile from the stance or stable, and 1s. if beyond that.—Waiting as in Section 7.

FARES BY TIME.

It shall be in the option of the hirer to employ a carriage within the municipal bounds by time, for *bona fide* SHOPPING, MAKING CALLS, and the like, where the driving is not continuous. The charge in such cases shall be 1s. for the first half-hour, and 6d. for every additional quarter of an hour.

For an AIRING into the country within seven miles from the Cross of Edinburgh, and returning either by the same or a different road, the rate shall be 6d. for every ten minutes, or 3s. per hour. A drive round the Queen's Drive shall be considered an airing. Unless the hirer wishes a slower pace, the rate of driving when out an airing shall be at least six miles an hour; and in the event of the driving being at a slower pace than six miles an hour, contrary to the wish of the hirer, it shall be optional for the hirer to pay the fare in the proportion of 3s. for every six miles so travelled.

WHETHER THE FARES ARE BY DISTANCE OR BY TIME.

1. The hirer pays tolls.

2. If there be more than four grown-up persons driven, a charge of 6d. extra shall be made for each additional grown-up person, or for each two children above six years of age, and under twelve. No additional charge for one child above six to twelve, or children under six years.

3. From twelve at night till seven morning—double fare.

4. The above fares are for one-horse carriages, and there shall be no additional charge when two horses are used.

5. Owners or drivers may agree to drive at lower fares than those fixed. In that case, should they demand more than the fare agreed on, they shall be liable as for an overcharge.

LUGGAGE.

For luggage, exceeding 100 lbs. in weight, there shall be a charge of 6d. extra. But there shall be no charge for luggage under that weight. The driver shall assist in loading and unloading in all cases when required.

THE LEADING FEATURE

Of the Society is its **Mutual Principle**, which Secures to the Policyholders the Division of the whole Profits among themselves, without any deduction for Dividends to Shareholders, as in Life Assurance Companies of the Proprietary class. *This single circumstance retains for the Policyholders an Annual Sum equivalent to a substantial Bonus, which would otherwise BE LOST TO THEM.*

DURING THE SEPTENNIAL PERIOD,

ENDED 31ST DECEMBER 1866,

Greatly increased Success has attended the Society's operations, as shown in the following comparative Results :

	Results 1860.	Results 1866.
New Assurances, . . .	£380,305	£1,235,812

The evidence contained in the above figures, of the attainment, during the last fifty years, of so large an amount of substantial prosperity for the exclusive benefit of Policyholders, fully justifies the conclusion that

*In the Scottish Widows' Fund
Life Assurance is conducted under the most favourable circumstances for the Assured.*

THE ADVANTAGES OFFERED, AS COMPARED WITH OTHER OFFICES, ARE—

IMMEDIATELY, a greatly Larger original Assurance for the same Premium, and

EVENTUALLY, to Good Lives, as large Additions as where the ordinary high Rate of Premium is charged.

For the same yearly sum as large an Assurance may generally be secured from the first, as can be looked for elsewhere only after many years' accumulation of Bonuses. Thus, a Policy for £1200 or £1250 may be had for the Premium usually charged to assure £1000 only.

In addition to this immediate advantage, the whole profits are secured to the Policyholders themselves, and the principle on which they are divided will commend itself as not only safe and equitable, but as the most satisfactory method on which the profits arising from moderate Premiums could be allotted. Instead of being given among all Policies indiscriminately—including those which have subsisted only a few years, and on which there may eventually be a heavy loss to the common fund—they are reserved for those members who alone can have made surplus payments; in other words, for those whose Premiums, with accumulated interest, amount to the sums in their Policies.

Policies originally for £1000, which have shared at three Septennial Divisions, have thus already been increased to £1400, £1600, and even to £1800.

Examples of Premium for Assurance of £100 at Death (with Profits).

AGE,	25	30	35	40	45	50
Payable during life, .	£1 18 0	£2 1 6	£2 6 10	£2 14 9	£3 5 9	£4 1 7
Limited to 21 years, .	£2 12 6	£2 15 4	£3 0 2	£3 7 5	£3 17 6	£4 12 1

Thus a person of 30 may secure £1000 at death, with Profits, for a yearly premium of £20, 15s., which in the other Scottish Mutual Offices would assure £800 only.

Or, if unwilling to burden himself with payments during the whole of his life, he may secure a policy for £1000, with prospect of additions from the Profits, for a Premium of £27, 13s. 4d., limited to *twenty-one payments*, being nearly the same as most Offices require during the whole term of life. To **PROFESSIONAL MEN** and others whose income is dependent on the continuance of health and activity, this mode of Assurance is specially recommended.

Tables of Premiums, to cease after 7, 14, or other number of years, may be had.

Above 16,000 Policies issued. Subsisting Assurances upwards of Five and a half Millions. Annual Revenue, £205,000. Accumulated Fund, arising entirely from Premiums, above £1,240,000, all invested in unexceptionable securities in this country.

THE SCOTTISH EQUITABLE LIFE ASSURANCE SOCIETY is an Institution peculiarly adapted for securing family provisions. It is a purely Mutual Assurance Society. The whole Profits are allocated every THREE YEARS amongst Policies of five years' duration. No part is, as in the case of a Proprietary Company, diverted from those who are assured, and paid away to Shareholders; and the additions which have already been made to Policies, afford the clearest evidence of the prosperity of the Institution, and the great advantages derived by its members.

LIFE DEPARTMENT.

Upwards of 7000 Policies have been issued by this Department, representing Assurances of more than

THREE MILLIONS AND A QUARTER.

SPECIAL BONUS NOTICE.

No part of future profit has been anticipated, and New Entrants are at once placed on the best footing in assuring with this Company. INCREASED BONUSSES HAVE BEEN DECLARED AT EVERY SUCCESSIVE INVESTIGATION, FORMING A CONCLUSIVE TESTIMONY TO THE SUCCESS OF THE COMPANY, AND A MARKED DIFFERENCE FROM THE EXPERIENCE OF OTHER OFFICES.

A larger share of the Profit Fund falls to the lot of Assurers 'with Profits' than is usual in Mutual Societies, owing to the expenses of management being divided between the Fire and Life Departments, and the Profits of the Non-participating Branch being thrown into the General Life Fund.

Table 1. (see Prospectus) has been prepared to suit the case of those who desire to secure a certain sum to their representatives at the smallest annual expense. Under this Table, at age 30, £1244, 9s. 9d. may be secured for the same premium as that charged by the Mutual Offices for £1000 only, or in other words, an immediate Bonus of about 25 per cent. on the sum assured may be obtained.

FIRE DEPARTMENT.

Nearly all classes of risk are insured by the Company, and at rates as low as are consistent with safety. Claims are adjusted with liberality, and settled with promptitude. *Losses by gas explosions, in property insured by the Company, admitted, and property burnt by lightning paid for.* All the advantages of the reduced duty given.

THIS OFFICE being purely MUTUAL, the WHOLE PROFITS BELONG TO THE ASSURED. The Society has endeavoured to place its Rates and Rules on the most equitable and liberal footing; and its affairs are administered by Directors whose interests are identical with those of the Assured.

IMPORTANT RESOLUTIONS have been adopted, relieving the Policies of many usual restrictions; and the Assured are now entitled, after Five Years' continuous residence in this country, to travel and reside in any part of the world without payment of extra premium.

The additional Rates charged by the Society for Terminating Premiums are very moderate, and those of some other Offices are from fifty to upwards of one hundred per cent. more.

PARTICULAR ATTENTION is invited to the Special Pamphlet, explaining the system of MINIMUM PREMIUMS introduced by the Society, under which it is believed that Assurances can be effected *more economically* than in other Offices; and the combination of this system with the moderate additional Rates charged for Terminating Premiums affords peculiar facilities for those desirous of being relieved of payment of Premiums as they advance in life.

The following is an extract from the Table of Annual Rates:—

Minimum Premiums for Assurance of £100 at Death.

LIFE DEPARTMENT.

THE Policies, now in course of being issued by this Company, are free from all unnecessary restrictions, and secure every advantage derivable from the system of Life Assurance. The Premiums are strictly moderate.

The Participation Scheme was begun in 1840, and the oldest Policies for £1000 in connection with it becoming Claims after payment of the Premiums falling due in the current financial year, are increased to £1385, 16s.; those for larger or smaller sums being proportionately augmented. Bonus Additions may be surrendered for their value in cash, or an equivalent reduction of future Premiums, the Assured having their choice in all cases.

It is provided by the Company's Act of Incorporation, that Investigations shall take place at intervals not exceeding Five Years, and intermediate Bonuses are allowed when Participating Policies, in force at one Division of Profits, become Claims before another—an arrangement which secures for such cases advantages similar to those claimed for Annual Investigations.

The Business in this department has been greatly extended within the last few years. Prospectuses, with every information, may be had on application.

FIRE DEPARTMENT.

All Losses, so soon as satisfactorily ascertained, are liberally and promptly settled.

Losses arising from Explosion of Gas are paid by this Company.

Common, Hazardous, and Doubly Hazardous Risks, are undertaken at the usual rates of 1s. 6d., 2s. 6d., and 4s. 6d. per cent. respectively. Special Insurances at increased rates.

Participation Branch.—The *Whole Profits* (less Expenses for Management and Guarantee) are divided among the Assured.

The *Bonus Additions* have in many instances exceeded 70 per cent. of the Premiums paid.

Non-Participating Policies are issued at the lowest Scale of Rates consistent with safety.

EXAMPLES OF RATES FOR £100 AT DIFFERENT AGES, viz. :

Age, . . .	25	30	35	40	45	50	60

REDUCED RATES FOR THE EAST AND WEST INDIES, AND CHINA.

THE Directors have adopted a new Scale of Rates for the East and West Indies, and China, considerably lower than those formerly charged by this, or, they believe, any other Company; but differing from the old system, in respect that no reduction takes place on the assured returning to Europe, or proceeding to any other part of the world not chargeable with an extra premium.

According to this method, the Assured, instead of being subjected to a heavy Extra Premium during the years of residence in the Tropics, has the option, by paying a fixed rate, of throwing the Extra over the whole currency of the Assurance.

ANNUITIES ARE SOLD ON VERY FAVOURABLE TERMS.

Premiums may be paid Yearly, Half-Yearly, or Quarterly, for a limited number of Years only, or by a Single Payment. No Entry Money or Stamp Duty charged.

FIRE DEPARTMENT.

FIRE INSURANCES effected at the current rates of Premium. No charge is now made for Policy Stamp, and Losses are settled in a prompt and liberal manner.

Prospectuses and Forms of Proposal can be obtained at the various Offices and Agencies of the company.

BY THE PECULIARLY EQUITABLE MANNER OF DIVIDING THE PROFITS, the Policies issued by this Association *become payable during the lifetime of the person assured without extra Premium.* This is accomplished by appropriating to the extinction of the last payments of Premiums those profits which are generally applied by way of Bonus.

INDISPUTABLE WHOLE WORLD ASSURANCES, permitting unrestricted Whole World travel and residence, are granted on one payment of 10s. per cent. on the sum assured, provided the assured life shall not be under twenty-five years of age, and shall not be in the Army or Naval Employment; and shall also satisfy the Directors that he has no *present* intention of going beyond the prescribed limits.

The rapid accession of the Company's New Business, during the past ten years, will be readily seen from the following table, divided into quinquennial periods.

Quinquennial Period.	No. of Proposals.	Amount Proposed.	No. of Policies issued.	Amount Assured.	Amount of Annual Premiums.

**THE COMPANY** was established in the year 1837, for the transaction of all varieties of Life and Fire Assurance Business. Its subscribed Capital is £1,000,000 sterling, held in Ten Thousand Shares by a numerous and wealthy Proprietary widely scattered throughout England and Scotland.

**THE COMPANY** has obtained two special Acts of Parliament, conferring on it various powers and privileges; and is one of those approved of by the Postmaster-General for the Assurance of the Lives of the Post-Office Officials.

**THE RAPID PROGRESS** of the Company is seen in the fact that the New Life Business of the last quinquennial period, which closed on the 31st of December 1862, was 148 per cent. more than that of the preceding similar term; while the Fire Premiums were 185 per cent. more.

**THE BUSINESS** of the Company, both Life and Fire, is largely increasing year by year.

**THE NEW LIFE BUSINESS** of the last THREE YEARS is as follows:

|                       |           |               |       |
|-----------------------|-----------|---------------|-------|

| In 1866,           "  | 230,000,  | "             | 7000  |

**ALL CLAIMS** are settled with liberality and the utmost promptitude, in order that the full benefit of the assistance and relief which Assurance is designed to afford should be secured to Assurers or their representatives.

**THE LARGE CAPITAL** of the Company, the whole of which is available to meet Claims, and the Reserve Fund in hand, are guarantees of perfect security to Policyholders, who are in no way involved in the mutual liabilities of Partnership.

**A CASH BONUS** of 22 PER CENT., equivalent to a REVERSIONARY BONUS of from 30 to 60 PER CENT., according to the age of the Assured, was declared at the last Division of Profits.

**THE PREMIUMS** charged by this Company will contrast favourably with those of other Offices.

**LOANS** from £50 to £1000 are granted by the Company on Personal Security, and the assignment of a Life Policy to be effected with the Company.

**POLICIES** issued on the CREDIT SYSTEM, in the case of Assurances for the whole of Life for £250 and upwards. Half the Premium for five years, or one-third for the Whole of Life, may remain as a Debt on the Policy.

# ROYAL INSURANCE COMPANY.

AT the ANNUAL MEETING OF THE SHAREHOLDERS, on 10th August 1866, the Report of the Directors announced the following highly satisfactory particulars of the position of the Company :

|                                                                               |               |
|-------------------------------------------------------------------------------|---------------|
| Net Fire Premiums for the year, . . . . .                                     | £414,733 13 0 |
| New Life Assurances accepted during the 12 months, . . . . .                  | 886,663 7 8   |
| Amount of Declined Lives for the same period, . . . . .                       | 189,947 1 2   |
| Balance to the credit of Profit and Loss after payment of Dividend, . . . . . | 62,076 9 0    |
| Addition to Life Reserve for the year 1865, . . . . .                         | 103,146 7 3   |

The Returns of Duty published by Parliament, on the motion of the Chairman of the Company, exhibit by far the largest measure of increase which the Company has ever, in its most prosperous times, experienced.

## AUDITORS' REPORT TO ANNUAL MEETING, AUG. 1866.

'All your books have been most carefully audited. There is not a single Account belonging to the Company which has not passed through our hands, and been carefully examined. Every document, every voucher, your bank account, and every security, even to your title deeds, has been found correct.'

## FIRE INSURANCE.

Insurances of every description, both HOME and FOREIGN, effected at Moderate Rates. No charge for Policy Stamps.

## LIFE INSURANCE.

The Premiums received in 1866 were £254,397, and the Annuities paid amounted to £40,763. The Fund accumulated to meet these Liabilities is £1,856,493. The Liability of Proprietors is unlimited.

BONUSES on Life Policies are GUARANTEED when the Insurance is Effected.

Claims paid in THIRTY DAYS after admission.

THE ANNUITY Rates are extremely liberal, and every facility given to purchasers as to place and time of payment.

CLAIMS UNDER POLICIES have at all times been properly adjusted and paid, and in the course of thirty-one years have exceeded FIVE MILLIONS AND A HALF STERLING. This test, and the present revenue, are conclusive evidence of the satisfactory way in which the business of the Company is conducted.

*Secretary*—SIR S. BIGNOLD.

CHIEF OFFICE FOR SCOTLAND—31 Princes Street, Edinburgh.

TWO-FIFTHS OF THE PROFITS are periodically Distributed among Parties Insuring in the Society. A BONUS of NEARLY FIFTY PER CENT. upon Current Premiums was paid to the Policyholders on the last occasion.

THE RATES OF PREMIUM being in no case higher than those charged by the other principal Companies, the advantage secured by the Insured in this Office is obvious.

FIRE INSURANCES were effected by the Norwich Union during the last year to the Amount of

SEVENTY-SEVEN MILLIONS;

And the DUTY PAID TO GOVERNMENT, *at the reduced rate*, for the same period, exceeded

SIXTY-ONE THOUSAND POUNDS;

While the Sum Insured on FARMING STOCK was upwards of

TEN MILLIONS,

Being by far the largest amount of business transacted on this class of Risks by any existing Office.

*Cashiers*—ROYAL BANK OF SCOTLAND.

*Surveyor*—ROLLAND S. HAMILTON.

*Secretaries for Scotland*—JARDINE, STODART, AND FRASERS, W.S.

# NORWICH UNION LIFE INSURANCE SOCIETY.

*Secretary*—SIR S. BIGNOLD.

CHIEF OFFICE FOR SCOTLAND—31 Princes Street, Edinburgh.

The Capital of this Society amounts to nearly

£2,400,000,

Which belongs to its Members, and has been created by the steady accumulation of the Premiums.

The result of the successful operations of the Society, during the Fifty-eight years of its existence, is best exhibited by the following :

|                                                                     |             |
|---------------------------------------------------------------------|-------------|
| Amount of Assurances accepted, and Bonuses declared thereon, exceed | £12,636,000 |
| Amount paid to the Representatives of 8334 deceased Members,        | 7,023,260   |
| Amount assigned by way of Bonus,                                    | 1,622,019   |
| Number of Policies Issued,                                          | 36,500      |

All Claims on the Society are most liberally and promptly met.

The Rates of Premium are lower than those of some Offices by nearly 10 per cent.—a benefit in itself equivalent to an Annual Bonus ; while the large amount of profits divided amongst the Policyholders reduces still further the outlay required to effect an Insurance.

## DEPOSITS AND DEBENTURES.

THE ASSOCIATION receives Money on DEPOSIT or DEBENTURE BOND, at Rates varying from 4 to 5 per cent., according to the market value of money at the time. If preferred, a uniform Rate of Interest will be given on Deposits for fixed periods of from one to five years, on terms to be arranged. The Debenture Bonds will be granted for three, five, or seven years.

## SAFETY OF DEPOSITS AND DEBENTURES.

The ASSOCIATION lends its Funds on HERITABLE PROPERTY *only*, and at rates corresponding to the market value of money. All the Loans are repayable by instalments, which adds greatly to their safety, any depreciation which might take place in the value of the security being more than met by the gradual diminution of the Loan. The risk arising from the Investments of the Company is thus small, and they are enabled to give comparatively high rates for Deposits. In addition to the fact that the Loans are all secured on Heritable Property *only*, Depositors have the *farther guarantee of the Company's large subscribed Capital.*

## LOANS.

Loans are granted on Security of Land, Houses, and every description of Heritable Property.

The Loans are repayable in periods of from four to sixteen years. If desired, *part only* may be made repayable by instalments—the remainder bearing interest, payable half-yearly.

Borrowers can pay off their Loans at any time, either in whole or in part; or the period of repayment can be altered to one more suitable.

THE FIFTY-SHILLING WATCH.—
JAMES AITCHISON begs again to Caution
Purchasers from being misled by the announce-
ments of unscrupulous advertisers who profess to
Sell *this* Watch. As JAMES AITCHISON has
no Agents whatever, no Watch of the same manu-
facture as his FIFTY-SHILLING WATCH can
be had in the Kingdom except from himself; and
advertisers who, for purposes which are very ap-
parent, do not scruple to use a title which he alone
has regularly advertised for many years, and offer
a Watch for Fifty Shillings or less, can only supply
an article inferior in every respect to AITCHISON'S
FIFTY-SHILLING WATCH. This watch could
not be Sold at so low a Price, but that its Sale has
been made a leading feature in his business, and he
is thus able to manufacture large numbers of the
same class at once.

THE WHEELER AND WILSON.

IT is impossible to convey by language a title of the merits belonging to this deservedly popular Machine. To see it perform the different operations, such as Hemming, Felling, Gathering, Embroidering, working Button-Holes, etc., it seems more like a thing of life than a machine moved by the will of the operator. It has adjustable gauges for every description of work, and can be changed in a moment to suit any material, coarse or fine. It makes six different stitches with as much ease as other machines make one. It embroiders in beautiful designs with coloured silks, and makes its own braid as it sews, taking the thread direct from the spool without re-winding. It is the only machine in the world that can work Button-Holes and Stitch, or that can be adjusted to every description of sewing for family use. It is furnished with 'Doty's' Self-Sewer, by which a blind person can sew accurately, and can also be used to great advantage in rooms where the light is obscured. It is the only machine authorized to use the Crystal Presser, by which every stitch can be seen as it passes from the needle.

For many years WHEELER AND WILSON have been awarded the highest premiums, and have now obtained 58 First-class Medals. More than 250,000 are in daily use throughout the world.

SPECIAL ANNOUNCEMENT.

I BEG most respectfully to request your attention to the Opening of those Spacious and Commodious Premises, No. 101, PRINCES STREET, EDINBURGH, as the NORTH BRITISH MAGASIN, which is established to supply every article Manufactured by the

NORTH BRITISH RUBBER AND SCOTTISH VULCANITE COMPANIES :

Also Boots, Shoes, Slippers, etc. etc. (Ordinary Leather), of Edinburgh, London, and Paris Make, for LADIES, GENTLEMEN, YOUTHS, and CHILDREN.

THE STOCK OF THE NORTH BRITISH MAGASIN, No. 101,

which is very large and comprehensive, will enable Purchasers at once to suit themselves as to Taste and Fit with Articles in the several Departments, free from the numerous and recognised drawbacks attendant on the to-order system. It has been most carefully selected, and manufactured expressly for a *First-Class Trade*; is warranted, in Quality of Material and Work, most novel in Style and Fashion, and MARKED in PLAIN FIGURES at lowest possible Ready-Money Prices. These are not quoted, as they cannot possibly give any idea of VALUE apart from comparison of the Goods themselves: and moreover, my intention is, that the NORTH BRITISH MAGASIN, No. 101, shall become widely known, more by the Character of Goods, combined with REAL CHEAPNESS, than by merely low quotations. I shall give the utmost possible attention to the wishes of my Patrons, and therefore venture to solicit your support and confidence. My long and intimate knowledge of the Boot and Shoe Trade, together with the high character which the MANUFACTURES of the NORTH BRITISH RUBBER AND SCOTTISH VULCANITE COMPANIES have so justly acquired, and continue to maintain throughout the WORLD, justify me in offering the BEST VALUE on the BEST TERMS, in these respective departments, that can be found in any City in the Kingdom. A List of various Articles in the several departments shall be gladly shown to persons calling at the NORTH BRITISH MAGASIN, No. 101, whether with the immediate intention of purchasing or not. And as the purposes to which India Rubber is now applicable are daily being multiplied, every such new adaptation will be shown as soon as produced. A call is solicited by yours respectfully,

JOHN ANDERSON.

The North British Magasin.

The North British Magasin.

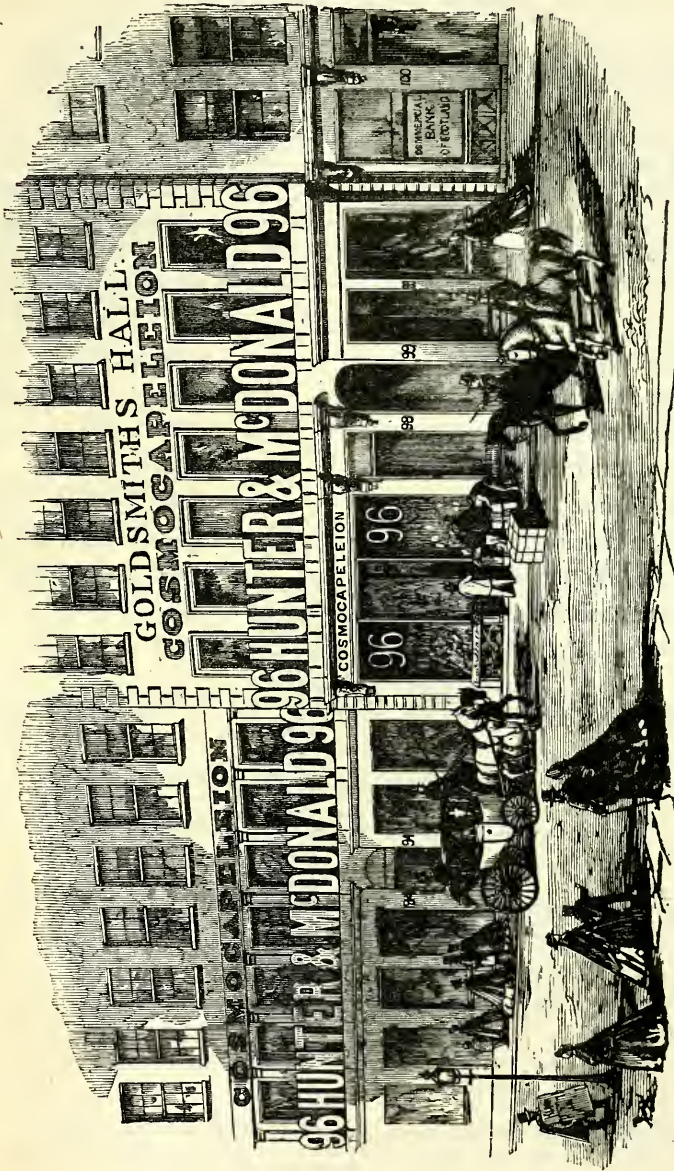

The large Trade that I have done since opening, in the India Rubber and Vulcanite Departments, seems to have given rise to an impression that the Boots and Shoes are also India Rubber or Gutta Percha. This is not so. While attending to the Overshoe Trade—'NORTH BRITISH RUBBER COMPANY'S Make'—I beg to say, for PUBLIC INFORMATION, that the Boot and Shoe Department is wholly of LEATHER, the usual Sterling Qualities I have furnished for a PERIOD of FIFTEEN YEARS.

JOHN ANDERSON,

WILLIAM BAIN & COMPANY'S

IMPROVED KIND OF

WIRE RABBIT NETTING FENCES.

The above engraving is a representation of W. BAIN & Co.'s DOUBLE STRANDED WIRE NETTING.

The improvement, which they invented in 1860, and are carrying out, consists of interweaving horizontally in the web twisted Strands, not exceeding from 9 to 12 inches apart, one of which is shown in the engraving at *SS*; and the advantages of which have now become so obvious, that they require no explanation.

For the introduction of these Strands W. B. & Co. make no extra charge.

CAMPBELL'S**INDIAN SPICED MALT VINEGAR.**

THIS carefully prepared VINEGAR is much esteemed as a table relish. With Hash, Cold Meat, and with Fish, it is generally preferred to the more expensive Sauces in use, on account of its lightness, delicacy of flavour, and efficiency as an aid to digestion. It forms a piquant flavouring for Soups, Gravies, etc., and is suitable for all purposes for which common vinegar is used. It requires no preparation or additional spices for pickling.

In reviewing an article on Salads in *Blackwood's Magazine*, and Lady Harriet St. Clair's 'Dainty Dishes,' the *Daily Review* of October 8, 1866, makes the following allusion to CAMPBELL'S INDIAN VINEGAR:—

'There is another ingredient, too, which both the writer before us and Lady Harriet St. Clair should remember. *Blackwood* gives his readers a choice between common vinegar and tarragon; and Lady Harriet has several descriptions of vinegar, the preparation of which alone would be found a serious obstacle. All these preparations have been rendered unnecessary by the vinegar invented and prepared by Mr. Campbell, "CAMPBELL'S INDIAN SPICED VINEGAR," which is at once as aromatic as tarragon, and not merely as economical, but as handy to use as the common vinegar, and more generally applicable than either—the poor man's sauce and the rich man's luxury.'

Pickles of rare quality in colour, purity, and flavour, are made with CAMPBELL'S INDIAN VINEGAR. Printed Directions may be had through any respectable Grocer.

The Directors refer with satisfaction to the strong evidence of confidence in this Institution, indicated in the progressive Business which they have had the pleasure of transacting, and invite further proposals in either Department, assuring the Public that Policies are issued on terms as low as is consistent with safety.

That the engagements of the Company will be fully carried out there is ample security in the large Capital and wealthy Proprietary, THE LATTER, including the Directors, CONSISTING OF OVER FIVE HUNDRED SHAREHOLDERS.

In the Constitution of the Board of Management, the character of its present Members, and the qualifications that will be deemed indispensable in those who succeed them, there is every guarantee:

- 1.—That strenuous endeavours will be made to facilitate the despatch of business, and give satisfaction to all with whom it may have dealings.
- 2.—That promptitude and fairness in meeting all just demands will be distinguishing features in the operations of the Company.

FIRE DEPARTMENT.

The Company insures Houses, Manufactories, Rents, Furniture, Goods and Merchandise, Farming Stock, and Shipping in Port or Dock or whilst Building, from Loss and Damage by Fire, upon Liberal Terms.

The Premiums on Ordinary Classes of Insurance on Property in the United Kingdom are—

Common Insurances, - - - -	1s. 6d. per Cent.
Hazardous Insurances, - - - -	2s. 6d. „
Doubly Hazardous Insurances, - - - -	4s. 6d. „

SPECIAL INSURANCES.—Under this head are embraced all kinds of hazardous Manufactories and Mills, Chemical Works, Sugar and Oil Refineries, &c., which are rated according to the circumstances of each particular case.

POLICIES Transferred from other Offices without additional cost or trouble to the Assured.

INSURANCES effected for Seven Years by One Payment will be charged for Six Years only. Property burnt by *Lightning* paid for.

CLAIMS arising from *Explosion of Gas* in buildings on which the Company have Insurances will be admitted.

SURVEYS of risks proposed for Insurance made free from Expense to Applicant.

LIABILITY during the DAYS OF GRACE unquestioned. NO CHARGE made for Policy.

SHORT PERIOD POLICIES, to cover temporary risks, at proportionate Premiums. ALL the advantages of the Reduced Duty given.

RENT.—Insurances may be effected to protect parties from the loss of Rent during the reinstatement of Property destroyed, or rendered untenable by Fire.

ENDORSEMENTS.—No charge made for Removals, or other alterations by Endorsement, where the danger of Fire is not increased.

LIFE DEPARTMENT.

The advantages of LIFE INSURANCE in making immediate provision for a family or dependant in case of death; in preparing for various contingencies in connection with money transactions or property matters; or in the ready means it affords of providing for old age, are now universally admitted, and all classes sanction its use by their example. The Directors, in submitting the Claims of this Company for support, would state that in the Policies issued by them there is:—

- 1.—No liability of Partnership entailed.
- 2.—A Contract that will be faithfully met—the whole Proprietary being liable to make it good.
- 3.—A simple Document of its kind, free from dubious clauses.
- 4.—A stipulation to pay the sum assured one month after the proof of claim is admitted.

The Life Funds are kept in every way distinct from those of the Fire Branch, and the expenses of management being apportioned so that the Life Department has only a fair share of them, there is a certainty that the Participating Policies will receive valuable additions from time to time.

THE RATES of Premium, as given in the Tables, have been calculated with care, and will be found moderate and equitable.

THE PAYMENTS may be made Annually, Half-Yearly, or Quarterly.

SHORT PERIOD Insurances can be effected on satisfactory terms.

The Premiums may be paid within a defined number of years, at the end of which the Policies will be clear of all charge.

The Amount insured can be received during lifetime, on attaining the age of 50, 55, 60, or 65.

THE DAYS OF GRACE are thirty for yearly payments; and during that time the Company will be liable, provided the premium be paid before they expire.

ANNUITIES ARE GRANTED ON FAVOURABLE TERMS.

ROYAL INSURANCE COMPANY.

At the ANNUAL MEETING of the SHAREHOLDERS, on 10th August, 1866, the Report of the Directors announced the following highly satisfactory particulars of the position of the Company:—

Net Fire Premiums for the year	£414,733 13 0
New Life Assurances accepted during the 12 months	886,663 7 8
Amount of Declined Lives for the same period	189,947 1 2
Balance to the credit of Profit and Loss after payment of Dividend	62,076 9 0
Addition to Life Reserve for the year 1865	103,146 7 3

The Returns of Duty published by Parliament, on the motion of the Chairman of the Company, exhibit by far the largest measure of increase which the Company has ever, in its most prosperous times, experienced.

AUDITOR'S REPORT TO ANNUAL MEETING, AUG. 1866.

"All your books have been most carefully audited. There is not a single account belonging to the Company which has not passed through our hands, and been carefully examined. Every document, every voucher, your bank account, and every security, even to your title deeds, has been found correct.
