5th, Letters sent by a Member, must, to entitle them to pass free, be superscribed wholly in the hand-writing of that Member, and must have endorsed on them the name of the Post Town from which the same are intended to be sent, the day, month and year, when they are put into the Post-Office, the day of the month to be in words at length, and the Member must be within the said Post Town, or within twenty miles of it, on the day, or the day before the day on which such letters are put into the Post Office thereof.

6th, All the letters which Members can send or receive free must be to and from places within the United Kingdom of Great Britain and Ireland.

7th, Foreign and Ship letters are therefore excluded from the privilege. All franked letters put into the Twopenny Post, in London, are liable to the Twopenny Post Rates, and are also liable to the Penny Rate when going into or coming from any of the Country Penny Posts.

8th, The Act of 54 Geo. III. Cap. 169, Sect. 17. enacts, that it shall be lawful for every Member of either House of Parliament to receive by post any petition addressed to either House of Parliament, free from the duty of postage, so as the same be sent in a cover open at the sides, and that the same shall not exceed the weight of six ounces.

Newspapers, Printed Votes, and Proceedings in Parliament.

By the 42d of Geo. III. chap. 63, Members of both Houses of Parliament, and the clerks of the two Houses, are authorised to send by the post, within the United Kingdom, any printed votes or proceedings in Parliament, free of postage, provided the same be sent without covers, or in covers open at the sides, signed on the outside thereof by the hand of any Member, or either of the said respective clerks; and it is also lawful for the respective Members and clerks to authorise such printed votes or proceedings to be sent by the post, in covers open at the sides, free of postage, addressed to them at such places within the said United Kingdom as they shall have previously given notice of in writing to the Postmaster-General, either at London or Dublin.

Also certain clerks in the Offices of the Secretaries of State, and in the General Post-Office in London, are authorised to send printed votes and parliamentary proceedings, in covers open at the sides, signed on the outside by the said clerks in the manner they have been accustomed to do.

By the 42d Geo. III. chap. 63, and 6th Geo. IV. chap. 68, printed newspapers may be sent by the post within the United Kingdom, free of postage, provided they be sent without covers, or in covers open at the sides.

All votes, parliamentary proceedings, and newspapers, sent otherwise than under the above regulations, are chargeable with the full duty of postage by any Officer or Postmaster who detects the irregularity.

### *Form of Proceeding in the Recovery of Small Debts.*

Debts may be recovered, in a summary form, before the Justice of Peace Courts, to the extent of £5; and before the Sheriff Courts, to the extent of £8, 6s. 8d.

The first step is to set forth in a complaint or libel, agreeably to a prescribed form [the Clerks of Court will provide all necessary forms,] the origin of the debt, or ground of action, and to cause the same, with a copy of the account, if any, to be served on the defender.

A warrant will, at same time, be obtained to cite witnesses, and, when the case is before the Sheriff, to use arrestments.

The parties may appear either by themselves, or by members of their families, or others whom the Court may authorise; but in no case by persons practising the profession of the law.

If the defender fail to appear, after being cited personally, he will be held as confessed, and judgment will be given against him.

If the defender has not been cited personally, he will receive a second citation; after which, whether given personally or not, he will be held confessed, as above.

But when decree is given in absence against the defender, he may, before the expiry of the charge, apply for a rehearing on consigning the sums decerned for.

If decree in absence be given against the pursuer, he may, within one month, obtain a rehearing on consigning of 2s. 6d. if the case be before the Justices; and the expenses decerned for, if the case be before the Sheriff.

The case will be adjourned upon the pursuer or defender offering a suitable excuse, or if any witnesses be absent.

If decree be given against the defender in his personal presence, diligence may proceed against him by arrestment, poinding and sale, and imprisonment; after six free days if the case be before the Sheriff, and at the end of ten days if before the Justices.

If decree be given against the defender in his absence, poinding, and sale, and imprisonment can only follow after a charge of six days if before the Sheriff, and ten days if before the Justices.

The defender, on showing cause, may be allowed to pay the sums decerned for by instalments.

The decrees of the Sheriff may be executed in any county on the same being indorsed by the Clerk of such county.

Any arrestments used in cases before the Sheriff must be used within sixty days after the warrant is obtained, and renewed every three months; and such arrestments may be loosed on offering sufficient caution, or on showing evidence of absolvitor, or payment, or on consigning the sums demanded, if before decree.

The above forms will apply to any action of forthcoming whatever before the Sheriff or Justices, for making effectual arrestments; but in such actions both the defender and arrestee must be cited to appear in Court on the same day.

Decrees, pronounced in this summary form by the Sheriff, will only be reviewable by the next Circuit Court of Justiciary, or, if there be no Circuit Court, by the High Court of Justiciary at Edinburgh, on the ground of corruption, or malice, or oppression, on the part of the Judge.

Such decrees, when pronounced by the Justices, will only be reviewable by a reduction before the Court of Session on the ground of malice and oppression on the part of the Justices; and such reduction will only be competent for one year, and on finding caution for costs.

No person will be exempted from the jurisdiction of Justices or Sheriffs in such cases by reason of privilege as a member of the College of Justice.

This Table is calculated for the Broomielaw, on the supposition that the tides are only influenced by the action of the sun and moon. It will, therefore, be necessary, when using it, to remember, that, in rivers like the Clyde, the regularity of the tides is much interrupted by heavy rains, as well as by high winds, the former producing what are called floods or freshes, the latter altering both the height of the tide, and the time of high water.

Heavy rains affect the hour of full tide in a very inconsiderable degree, but a strong gale from the north west, north, or north east, not only prevents the tide from rising so high as usual, but causes high water to happen sometimes above half an hour earlier than what is stated in the table, while, on the other hand, if the gale be from the south east, south, or south west, the tide will be as much later, and probably from 12 to 18 inches higher than the average.

The preceding Table will be applicable to the following Places, if, to the time of High Water at Glasgow, the hours and minutes, opposite to the given place, be added or subtracted as directed.

This Society has for its basis ECONOMY COMBINED WITH SECURITY,—the terms of Assurances for young and middle-aged lives being much lower than those of any other Office which gives a bonus to the Assured; and a full statement of its affairs is annually made to the Share-holders and Policy-holders, who have a controul over the Society.

Three-fourths of the profits are now divided among those Assured on an equable scale, for the whole term of life after the Policies shall have been in force four years; and eventually the whole of the profits will be so divided.

Endowments for children are granted, and Assurances on Joint Lives, Survivorships, Survivorship Annuities, as well as every species of Life contingency, at rates proportional to the nature of the risks, which are as low as possible compatible with security to the Assured.

Assurances are also effected, either by paying small Premiums at first, and increasing them every five years, or by paying a high Premium at first, subject to periodical abatements, and, ultimately, the payments to cease altogether. In fine, persons may be Assured in any way which may be best adapted to their circumstances or wishes.

Medical Referees are appointed in most cities and large towns, and Agents in many, from whom information may be obtained and Prospectuses had.

## ASYLUM

**Foreign and Domestic Life Office,  
70, Cornhill, and 43, Pall-Mall, London,**

THE HONOURABLE WILLIAM FRASER, Chairman,  
COLONEL LUSHINGTON, C.B. M.P. Deputy Chairman,  
And Ten Directors.

### The Lowest Rates Ever Published,

WHETHER FOR A TERM OR FOR THE WHOLE OF LIFE.

The following are selected from the Even Rates.

| Age. | Whole Life. | 7 Years. |
|------|-------------|----------|
| 20   | 1 11 9      | 0 17 1   |
| 30   | 2 2 0       | 1 2 10   |
| 40   | 2 17 1      | 1 10 8   |
| 50   | 4 2 0       | 2 1 7    |

### ALTERNATIVE.

One-third of the Premium may be left unpaid, to be deducted from the sum assured, on a scale equal to interest at 4 per cent.

Thus, at the age of 30, 20 Guineas a year, will insure £1500 in the first instance, to be reduced by £10, 18s. 5d. if the Assured die within the first year; by £59, 2s. 11d. if he die within the fifth year; and so on, according to a scale endorsed on the Policy.

### Ascending Scale of Premiums.

| Age. | First 7 Years. | Next 7 Years. | Every Year after. |
|------|----------------|---------------|-------------------|
| 20   | 1 1 4          | 1 6 2         | 2 4 7             |
| 30   | 1 8 7          | 1 15 1        | 3 0 11            |
| 40   | 1 18 3         | 2 7 0         | 4 9 8             |
| 50   | 2 11 11        | 4 0 11        | 7 0 3             |

A man at 30,—instead of £2, 2s. for every year of life, according to the Even Table, by adopting the Ascending Scale—will pay £1, 8s. 7d. per annum for the first seven years, £1, 15s. 1d. per annum for a further seven years, and £3, 0s. 11d. for every year of life after.

This scale ought to supersede all others in cases of Annuity, or Leases for lives, in which very low rates for so long a period as 14 years, will be found highly advantageous.

### INSURANCES ON THE LIVES OF OTHERS.

Parties having a fixed or variable interest in the lives of others, may have a general admission of interest on the Policy.

Contingent interests,—as a father insuring a child during minority, or a husband his wife,—will be admitted, the insurance being confined to the particular interest detailed in the proposal.
