## RATES OF POSTAGE, AND CONDITIONS OF TRANSMISSION.

### INLAND LETTERS.

The prepaid rates of postage are as follows, viz.:—  
For a letter not exceeding 1 oz., 1d.  
" above 1 oz. but not exceeding 2 oz., 1½d.  
" " 2 oz. " " 4 oz., 2d.  
" " 4 oz. " " 6 oz., 2½d.  
" " 6 oz. " " 8 oz., 3d.  
" " 8 oz. " " 10 oz., 3½d.  
" " 10 oz. " " 12 oz., 4d.  
A letter exceeding the weight of 12 oz. is liable to a postage of 1d. for every ounce, beginning with the first ounce. Thus a letter weighing between 14 and 15 ounces must be prepaid 1s. 3d.

A letter posted unpaid is chargeable on delivery with double postage; and a letter posted insufficiently prepaid is chargeable with double the deficiency.

### COLONIAL AND FOREIGN LETTERS.

No letter may exceed the dimensions of 18 inches in length, 9 inches in width, and 6 inches in depth, unless it be sent to or from one of the Government offices.

The rates of postage on letters to foreign countries and the colonies are entered in the Table of Foreign and Colonial Postage. To some countries prepayment is compulsory, and to some the whole of the postage cannot be prepaid, but to all other countries prepayment is optional.

A letter posted unpaid, or paid only in part, directed to go by a route by which prepayment is compulsory, is returned to the writer, unless there is another route to send it by which prepayment is not required. Letters, however, for Australia and New Zealand, if prepaid as much as one rate (even

though the prepayment be insufficient), are forwarded, charged with the deficient postage and an additional rate.

A letter posted insufficiently prepaid for a place to which prepayment is optional, is sent forward charged, the value of the stamps, however, being as a rule taken into account.

The following are the charges made on delivery at the under-mentioned places upon letters posted unpaid (wholly or in part):—

1s. each in addition to the deficient postage—British West Indies (except British Guiana, Jamaica, and Trinidad), St Helena.

6d. each in addition to the deficient postage—Cape Coast Castle, Cape of Good Hope, Falkland Islands, Gambia, Gold Coast, Lagos, Natal, Sierra Leone.

3d. each per  $\frac{1}{2}$  oz. in addition to the deficient postage—Bermuda, Brazil, British Guiana, Ceylon, China, Danish Colonies, French Colonies (except Marquesas Islands, St Pierre-et-Miquelon and Tahiti), Hong Kong, India, Jamaica, Japan, Labuan, Mauritius, Netherland Colonies, Penang, Persia *via* the Persian Gulf, Portuguese Colonies, Singapore, Spanish Colonies, Trinidad.

Double the prepaid rate, minus the value of any stamps affixed—Austria, Azores, Belgium, Beyrout, Canada, Canary Islands, Constantinople, Denmark, Egypt, France and Algeria, Germany, Gibraltar, Greece, Holland, Italy, Madeira, Majorca, Marquesas Islands, Minorca, Malta, New Brunswick, Newfoundland, Norway, Nova Scotia, Persia *via* the Black or Caspian Seas, Portugal, Prince Edward Island, St Pierre-et-Miquelon, Smyrna, Spain, Sweden, Switzerland, Tahiti, Tangier, Tunis, Turkey, United States.

The same rates are chargeable in this country upon unpaid or insufficiently paid letters received from the above-named places.

No letter for any colony or foreign country may be above 2 feet in length, or 1 foot in width or depth.

Letters not specially directed by a particular route are forwarded by the route immediately following the name of the place in the Table of Colonial and Foreign Postage:

- Exceptions.*—1. Letters for Aden and India are sent *via* Southampton, if that route be indicated by the postage; letters for Borneo, Ceylon, China, Japan, Java, Labuan, Philippine Islands, and Singapore, are sent by first packet, whether British or French, according to the route indicated by the postage.
2. Letters for Alexandria are sent in the first mail despatched. Those for Gibraltar, posted or received in London on Thursday morning in time for the mail *via* Southampton, are forwarded by that route.
3. Letters for Canada posted after the despatch of the mail by Canadian packet on Thursday, are forwarded *via* the United States on Saturday.
4. Letters, etc., for New Brunswick, Nova Scotia, and Prince Edward Island, posted after the despatch of the mail *via* Halifax, are forwarded by the Canadian Packet.
5. Letters for the Argentine Confederation and Uruguay are sent in the first mail despatched by British or French packet after the time of posting; those for Brazil, Hayti, and the United States of Colombia, and Venezuela are sent by the first packet *via* Southampton or Liverpool. Those for Cuba are sent in the mail *via* France, if such be the first mail, and those for Mexico by the first packet, *via* Southampton, Liverpool, or France.

Letters for Brazil, Monte Video, Peru, Bolivia, and Chili, if specially directed '*by Supplementary Mail via Bordeaux*,' and posted in time for despatch from London by the day mail of Friday, will in due course overtake, at Bordeaux, the packet despatched from Liverpool on the previous Wednesday. The postage *via* Bordeaux is the same as *via* Liverpool.

Letters for such places in Turkey and Asia Minor as have no Austrian Post Office, should be addressed to the care of an agent residing in the nearest port at which an Austrian Post Office has been established. Letters for places on the Persian Gulf are forwarded *via* Bombay, if specially directed by that route and prepaid the Indian rate of postage.

Letters for Russia should have the name of the town added in either English, French, or German; and they should bear as a part of their address the name of the province or government in which they are situated. In addressing all letters, etc., for Russia, the name of the place of destination and government must be correctly given, and the address plainly written. If these conditions are not complied with, the Russian Post Office declines to undertake delivery.

No letters containing gold or silver money, jewels, or precious articles, or anything liable to customs duties, can be sent, *even if registered*, to any country of the General Postal Union.

### INLAND CARD POST.

Official post cards, impressed or private post cards, embossed with a halfpenny stamp, are available for transmission between places in the United Kingdom.

The front (or stamped) side is intended for the address only. There must be nothing else written, printed, or otherwise impressed on it, nor must there be any writing or printing across the stamp. On the reverse side, any communication, whether of the nature of a letter or otherwise, may be written or printed. Nothing whatever may be attached; nor may the card be folded, cut, or otherwise altered. If any of these rules be infringed, the card will be charged 1d. on delivery.

When, owing to a great and unusual influx of letters, books, etc., the transmission or delivery of the letters would be delayed if the whole mail were dealt with without distinction, post cards may be kept back until the next despatch or delivery.

No card other than one of those issued by the Government, or a private card impressed with the halfpenny stamp, will pass under a halfpenny stamp, if it bear on it a written communication of the nature of a letter.

Post cards are sold at the rate of 7d. and 8d. per dozen.

For information as to the conditions under which private cards are impressed with a halfpenny stamp, application must be made to the office of Inland Revenue.

### FOREIGN POST CARDS.

Foreign post cards, 1 $\frac{1}{2}$ d. each, may be sent to Canada and Newfoundland, and to all the countries comprised in the General Postal Union, British India excepted. The postage of a card is in every case one-half the single letter rate.

### INLAND NEWSPAPERS.

Under the Post Office Act, 1870, any publication fulfilling the conditions hereafter named can, upon payment of an annual fee of 5s., be registered at the General Post Office to pass within the United Kingdom as a newspaper for a postage of one halfpenny. Without such registration, no newspaper

is entitled to be sent through the post at less than the book rate of postage.

Registration for inland circulation includes registration for transmission abroad.

The conditions are as follows:—

The publication must consist wholly or in great part of political or other news, or of articles relating thereto, or to other current topics, with or without advertisements.

It must be printed and published in the United Kingdom, must be published in numbers at intervals of not more than seven days, and must be printed on a sheet or sheets unstitched.

The full title and date of publication must be printed at the top of the first page, and the whole or part of the title and the date of publication at the top of every subsequent page; and this regulation applies to 'Tables of Contents' and 'Indices.'

A supplement must consist wholly or in great part of matter like that of a newspaper, or of advertisements, printed on a sheet or sheets, or on a piece or pieces of paper, unstitched; or wholly or in part of engravings, prints, or lithographs illustrative of articles in the newspaper. The supplement must in every case be published with the newspaper, and must have the title and date of publication of the newspaper printed at the top of every page; or, if it consist of engravings, prints, or lithographs, at the top of every sheet or side.

For each inland newspaper, whether posted singly or in a packet, the postage, when prepaid, is one halfpenny; but a packet containing two or more registered newspapers is not chargeable with a higher rate of postage than would be chargeable on a book packet of the same weight—viz. one halfpenny for every 2 oz. or fraction of 2 oz.

A newspaper posted unpaid, and a packet of newspapers posted either unpaid or insufficiently paid, will be treated as an unpaid or insufficiently paid book packet of the same weight.

The postage must be prepaid either by an adhesive stamp or by the use of a stamped wrapper.

No newspaper can be sent through the post a second time for the original postage; for each transmission a fresh postage is required.

Every newspaper or packet of newspapers must be posted either without a cover or in a cover entirely open at both ends, and in such a manner as to admit of easy removal for examination. A newspaper must not be fastened in its cover by means of gum, sealing-wax, postage-stamp, or otherwise. If this rule be infringed, the newspaper or packet will be treated as a letter.

Every newspaper must be so folded as to admit of the title being readily inspected.

A newspaper, or a packet of newspapers, which contains any enclosure except the supplement or supplements belonging to it, is charged as a letter, unless the enclosure be such as might be sent at the book rate of postage, and the entire packet be sufficiently prepaid as a book packet, in which case it is allowed to pass.

A newspaper which has any letter, or any communication of the nature of a letter, written in it or upon its cover, will be charged as an unpaid or insufficiently paid letter.

No packet of newspapers must exceed 14 lbs. in weight, nor may it exceed 2 feet in length or 1 foot in width or depth.

## COLONIAL AND FOREIGN NEWSPAPERS.

The rates of postage to the colonies and foreign countries on newspapers registered for transmission abroad will be found in the Table of Colonial and

Foreign Postage. Each newspaper is liable to a separate rate of postage, whether sent singly or in a packet; and if above 4 oz. in weight, it is liable to two rates of postage, and so on.

The conditions of registration for transmission abroad are the same as those for inland transmission; excepting that for foreign transmission a newspaper may be published at intervals of thirty-one days, and that it may be printed (but not its supplement) on sheets stitched together. Moreover, 'prices current' and 'market reports,' but not private price-lists or trade catalogues, are admitted to the same privileges as newspapers for foreign transmission, provided they are published at intervals not exceeding thirty-one days.

Publications registered for transmission abroad must be posted *within eight days* from the date of publication, including the day of publication; but if posted later, must be prepaid the book rate of postage.

The collected numbers issued during the month of a weekly or fortnightly publication will not be allowed to pass as a monthly publication.

*The postage must be prepaid with postage labels only.*

Every newspaper or packet of newspapers must be posted either without a cover or in a cover entirely open at both ends, and in such a manner as to admit of easy removal for examination.

Every newspaper must be so folded as to admit of the title being readily inspected.

No newspaper, whether posted singly or in a packet, may contain any enclosure except the supplement or supplements belonging to it.

There must be no writing or other mark on a newspaper sent abroad but the name and address of the person to whom it is sent; nor anything on the cover but such name and address, the printed title of the publication, the printed name and address of the publisher or vendor who sends it, and words indicating the date on which the subscription to the newspaper will end.

No packet of newspapers must exceed 2 feet in length or 1 foot in width or depth. For limit of weight, see Table of Colonial and Foreign Rates.

## INLAND BOOK POST.

The postage is one halfpenny for every two ounces or fraction of that weight.

A packet posted wholly unpaid will be charged with double the book postage; and if posted partially prepaid, with double the deficiency.

A book packet may contain any number of separate books or other publications, photographs (when not on glass or in cases containing glass or any like substance), drawings, prints, or maps, and any quantity of paper, or any other substance in ordinary use for writing or printing upon; and the books or other publications, prints, maps, etc., may be either printed, written, engraved, lithographed, or plain, or any mixture of these. Further, all legitimate binding, mounting, or covering of a book, etc., or of a portion thereof, is allowed, whether such binding, etc., be loose or attached; as also rollers in the case of prints or maps, markers (whether of paper or otherwise) in the case of books, pens or pencils in the case of pocket-books, etc., and, in short, whatever is necessary for the safe transmission of such articles, or usually appertains thereto; but the binding, rollers, etc., must not be sent as a separate packet.

*Circulars*, i.e. letters which are intended for transmission in identical terms to several persons, and the whole or the greater part of which is printed, engraved, or lithographed, may also be sent by book post.

Every book packet must be posted either without a cover or in a cover entirely open at both ends, and in such a manner as to admit of the contents being easily withdrawn for examination; otherwise it will be treated as a letter.

A book packet may not contain any letter, or communication of the nature of a letter (whether separate or otherwise), unless it be a circular letter, nor any enclosure sealed or in any way closed against inspection, nor any other enclosure not allowed. (Entries, however, merely stating who sends the book, etc., or to whom it is given, are not regarded as a letter.) If this rule be infringed, the entire packet will be charged as a letter.

No book packet may exceed 5 lbs. in weight, or 18 inches in length, 9 inches in width, and 6 inches in depth, unless to or from one of the Government Offices.

When, owing to a great and unusual influx of letters, books, etc., the transmission or delivery of the letters would be delayed if the whole mail were dealt with without distinction, book packets may be kept back till the next despatch or delivery.

### COLONIAL AND FOREIGN BOOK POST.

The rates of postage on book packets to the colonies and foreign countries are given in the Table of Colonial and Foreign Postage.

Every book packet must be posted either without a cover or in a cover entirely open at both ends, so as to admit of the contents being easily withdrawn for examination; otherwise it is treated as a letter. For the greater security of the contents, however, it may be tied at the ends with string.

The conditions specified in the third paragraph under 'Inland Book Post' are applicable to places abroad, with the exception of water-coloured drawings to France or Algeria.

The limit of size for a book packet addressed to any place abroad is 24 inches in length and 12 inches in width or depth.

### COLONIAL AND FOREIGN PATTERN AND SAMPLE POST.

There is a Pattern and Sample Post to such colonies and foreign countries as are marked in the Table of Colonial and Foreign Postage with the letter 'P'; but it is restricted to *bonâ fide trade patterns or samples of merchandise*. Goods sent for sale, or in execution of an order (however small the quantity may be), or any articles sent by one private individual to another which are not actually patterns or samples, are not admissible.

The rates of postage are the same as for book packets.

Patterns or samples, when practicable, must be sent in covers open at the ends, and in such a manner as to be easy of examination. But samples of seeds, drugs, and such like articles, which cannot be sent in covers of this kind,—but such articles only,—may be posted enclosed in boxes or in bags of linen or other material, fastened in such a manner that they may be readily opened.

There must be no writing or printing upon or in any packet except the address of the person for whom it is intended, the address of the sender, a trade mark or number, and the price of the articles.

A packet of patterns or samples sent to Portugal, Madeira, the Azores, Cape de Verdes, France, or to Turkey, Syria, or Egypt, by French packet, must

not exceed 18 inches in length, width, or depth; a packet to any other place abroad must not exceed 24 inches in length or 12 inches in breadth or depth.

Samples of intrinsic value must not be sent to any foreign country, to Bermuda, British Guiana, Canada, Ceylon, Hong Kong, India, Jamaica, Labuan, Mauritius, Straits Settlements, Trinidad. Samples of eider down, raw or thread silk, woollen or goats' hair thread, vanilla, saffron, carmine, or isinglass, are considered to fall under this rule if they weigh more than three ounces.

Such articles as scissors, knives, razors, forks, steel pens, nails, keys, watch machinery, metal tubing, pieces of metal or ore, provided that they be packed and guarded in so secure a manner as to afford complete protection to the contents of the mail bags and the officers of the Post Office, while at the same time they may be easily examined, may be sent as samples to places abroad, except France and places *viâ* France. Indigo cannot be sent to any place abroad.

The limit of weight is not the same to all countries. See Table of Colonial and Foreign Postages. A packet must not exceed 24 inches in length by 12 inches in width or depth.

### INDIAN PARCEL POST.

Parcels can be sent to any part of British India, through the *Indian Parcel Post Agency*—established under authority of the Director-General of the Post Office of India—at 122 Leadenhall Street, London, E.C.

The charge from London to destination in India is 1s. per lb. or fraction of a lb. (prepayment optional). Insurance may be effected at the rate (to be prepaid) of 1s. up to £3 value, 2s. 6d. up to £10 value, and 5s. up to £20 value. Indian customs duty (if chargeable) will be realized from the addressee.

N.B.—Parcels containing books or articles treated as books under the British Inland Book Post rules will be charged at half rate, viz. 6d. per lb.

The maximum weight, size, and value of a parcel are:—weight 50 lbs., size 2 feet long by 1 foot broad and 1 foot deep, value £20.

The following articles are forbidden contents:—Jewellery, watches, precious stones, liquids, or articles of a dangerous or damaging nature.

Parcels must be entirely closed and securely packed and fastened; a covering of cloth or waterproof sewn at the edges being recommended. The Indian address should be legibly written, with the superscription, 'By Indian Parcel Post.'

A letter of advice, stating name and address on parcel, contents and value for Custom House clearance, with legible signature and address of sender, should be sent to the agency with each parcel, accompanied by payment, if it be desired to prepay or insure the parcel.

Parcels forwarded from the country to the office in London should have the Indian address, enclosed in an outer covering, bearing the address, 'Indian Parcel Post Agency, 122 Leadenhall Street, London, E.C.' The charges for carriage to London are additional to charges for transit or insurance to India, and may be prepaid to the local carrying agent, or left to be paid on delivery in London, and subsequently collected from the addressee. Cheques or money orders in payment for transit or insurance should be made payable to A. M. Bethune.

## SPECIAL RATES OF POSTAGE, AND CONDITIONS OF TRANSMISSION.

### ADDRESSES TO THE QUEEN, AND PETITIONS TO PARLIAMENT.

Petitions and addresses to Her Majesty, forwarded direct, are exempt from postage; and such petitions and addresses, as also petitions to either House of Parliament, if sent to a member of either House, are likewise exempt, provided they do not weigh more than two pounds, and are without covers, or in covers open at the ends. No letter or other enclosure, however, must be inserted; and if one be found, such enclosure, unless it bear the proper number of postage stamps, will be charged as an unpaid letter. There is no limit to size.

### PARLIAMENTARY PROCEEDINGS.

Printed proceedings of the Imperial Parliament, sent without covers, or in covers open at the ends, may circulate within the United Kingdom at the rate of  $\frac{1}{4}$ d. for every two ounces or fraction of that weight.

The words 'Parliamentary Proceedings' must be written or printed on the cover of the packet; otherwise it will be treated as an ordinary book packet.

Prepayment, when the circulation is within the United Kingdom, is optional; and when paid in part, the amount deficient only is charged.

Parliamentary proceedings may be sent, under the book post privilege, to all the colonies, and to those foreign states between which and this country there is a book post.

The limit of size prescribed for ordinary book packets does not apply to printed parliamentary proceedings.

### PARLIAMENTARY NOTICES.

Parliamentary notices may be forwarded through the post under the following regulations:—

The words 'Parliamentary Notice' must be legibly printed on the face of the letter; and in order to secure the speedy return of any notices which may be undelivered, the name and address of the solicitor issuing such parliamentary notice should also be legibly printed or written on the face of the letter; though this is not imperative.

These notices must be posted at any Post Office at which money order business is transacted.

All notices which, by the standing orders of either House of Parliament, are required to be served on or before the 15th December, must be posted not later than the 12th December, unless the 12th fall on a Sunday, when they must be posted not later than the 11th; but those notices which, by the same orders, may be served after the 15th, must be posted not later than the 18th, unless the 18th falls on a Sunday, when they must be posted not later than the 17th December.

The postage chargeable on these notices, and the registration fee of 6d. on each, must be prepaid by stamps.

The notices must be posted at the Post Office window, accompanied with duplicate lists of the addresses; the notices being arranged, for the convenience of comparison, in the order of the list. These lists will be examined by the officer in attendance at the window; and if they correspond with the addresses, he will sign and stamp every sheet of each list. One of the duplicate lists will

then be returned to the person who brought the letters, and the other forwarded to the Secretary, General Post Office, London.

The hours for receiving such notices are the same as those for the registry of ordinary letters, unless they be presented at such a time as to interfere with the other duties of the office; in which case the postmaster may appoint any other time within the next twenty-four hours for receiving the same, provided that, when the notices are to be served on or before the 15th December, such arrangement do not delay the posting beyond the 12th. Re-directed parliamentary notices are, like letters, liable to an additional rate of postage.

The senders of parliamentary notices should, if possible, arrange on the previous day with the postmaster as to the most convenient time for posting them, and state the probable number.

### LETTERS FOR NON-COMMISSIONED OFFICERS, SOLDIERS, AND SEAMEN IN HER MAJESTY'S SERVICE.

Non-commissioned officers, bandmasters, army schoolmasters (not being superintending schoolmasters or schoolmasters of the 1st class), schoolmistresses, private soldiers, or seamen belonging to Her Majesty's ships, whether serving on sea or land, and whether in a British possession or foreign country, as also enrolled pensioners in Canada, can send and receive letters by packet or man-of-war, for a postage of 1d.; but if any such letters have to pass through a foreign country, they are subject, in addition, to the foreign postage, whatever that may be. Thus, the postage to the under-mentioned countries (including the British charge of one penny) is as follows

To or from—	<i>s. d.</i>
China, Ceylon, India, Japan, or Australia, <i>viâ Brindisi</i> . . . . .	0 3
Mauritius, by French packet . . . . .	0 3
Chili, Peru, or any other place in the South Pacific, <i>viâ Southampton and Panama</i> . . . . .	0 2

The person claiming the privilege must at the time be actually employed in the service of Her Majesty, and must not be either a commissioned officer or warrant officer, viz. assistant engineer, gunner, boatswain, or carpenter, the privilege not extending to these officers.

If the letter be posted within the United Kingdom, the penny must be prepaid, as must any foreign postage that may be chargeable; and if sent by a private ship, the gratuity of one penny to the captain must also be prepaid. If posted abroad, prepayment is not compulsory; but if the letter be sent unpaid, it is on delivery charged twopence, together with any foreign postage or gratuity to a sea captain that may be due.

The letter must not weigh more than  $\frac{1}{2}$  oz., and must relate entirely to the private concerns of the soldier or seaman.

The name of the soldier or seaman, with his class or description, must appear in the direction, and the officer having the command must sign his name, and specify the ship or regiment, corps or detachment, to which the soldier or seaman belongs; the name of the ship or regiment being entered in full. The foregoing particulars must be given in one of the following forms:—

## SEAMEN.

From A. B., Seaman, H.M.S. \_\_\_\_\_  
*(Here the direction of the letter to be inserted.)*  
 C. D., Captain (or other Commanding Officer),  
 H.M.S. \_\_\_\_\_  
 To A. B.,  
 Seaman, H.M.S. \_\_\_\_\_  
*(Here the direction of the letter to be finished.)*

## SOLDIERS.

From A. B., Sergeant, etc., — Regt. \_\_\_\_\_  
*(Here the direction of the letter to be inserted.)*  
 C. D., Colonel (or other Commanding Officer),  
 — Regt. \_\_\_\_\_

To A. B.,  
 Private (or Sergeant, Corporal, etc.) — Regt. \_\_\_\_\_  
*(Here the direction to be finished.)*

If the letter be posted in the United Kingdom for a place abroad, unpaid or insufficiently paid, or if the class or description of the soldier or seaman be not written in the address, it will be detained, and returned to the writer for payment of the postage.

LETTERS FOR PASSENGERS ON BOARD  
MAIL PACKETS.

Letters for passengers on board the packets for America touching at Queenstown, or on board the Mediterranean packets about to sail from Southampton or Brindisi with the mails for India, Australia, China, etc., may be posted up to the time at which ordinary registered letters to go by the same packets are received.

The letters must be registered, and be addressed to the 'care of the commander of the packet.'

Letters for passengers by the Canadian packets touching at Londonderry may be posted up to the same time as ordinary registered letters for Canada, and must be addressed to the 'care of the officer in charge of the mails.'

Letters directed to the care of the packet agent at Suez, and despatched by the mail *via Brindisi*, will probably reach passengers for India, etc., who have sailed in the packet from Southampton the previous week.

## REGULATIONS AS TO PREPAYMENT, REGISTRATION, ETC.

## MODES OF PREPAYMENT.

Inland letters, newspapers, and book packets must be prepaid by means of stamps, either adhesive or embossed or impressed, except at the General Post Office, Edinburgh, where *letters and book packets* may, from 10 a.m. to 4 p.m., be prepaid in money, provided the amount be never less than £1, and that the letters and book packets be tied in separate bundles of 5s. each, with the addresses arranged in the same direction.

Letters to places abroad must be prepaid wholly in stamps. This rule applies also to registered letters.

Newspapers, book packets, and sample packets for places abroad can be prepaid only by means of stamp; and in their case prepayment is *always compulsory*.

British postage stamps, though available for all letters, etc., going out of this country, are not, as a general rule, available for letters, etc., coming into it; the principal exception being in the case of letters posted by naval officers, marines, and seamen serving abroad, which, if posted in the ship's bag, must be prepaid by means of British postage stamps.

## REGISTRATION (INLAND AND FOREIGN).

The fee for registering a letter, newspaper, or book packet passing between any two places in the United Kingdom is 2d.

No letter or postal packet addressed to initials

## LETTERS BY PRIVATE SHIPS.

Letters intended to be sent by private ship must be addressed 'By Private Ship;' and if by a particular vessel, the name of the ship must be added. But in exception to this rule, no letters are forwarded by private ship sailing for New York. The postage of a letter by a private ship is as follows:—

Country.	For a prepaid Letter.	Fine if not wholly prepaid
	per ½ oz.	
*Ascension, . . . . .	6d.	—
Bermuda, Demerara, . . . . .	6d.	3d. per ½ oz.
Jamaica, and Trinidad, } British West Indies (except Demerara, Jamaica, and Trinidad), . . . . .	3d.	3d. each.
Canada, . . . . .	2½d.	2½d. per ½ oz.
Cape de Verdes, . . . . .	6d.	3d. per ½ oz.
Cape of Good Hope, Falk- land Islands, Gambia, } Gold Coast, Lagos, } Ceylon, Hong Kong, India, } and Mauritius, . . . . .	6d.	6d. each.
Countries comprised in the General Postal Union, . . . . .	2½d.	2½d. per ½ oz.
Natal and Sierra Leone, . . . . .	6d.	6d. each.
New Brunswick, Newfound- land, Nova Scotia, Prince Edward Island, . . . . .	2½d.	2½d. per ½ oz.
St. Helena, . . . . .	4d.	4d. each.
*All other countries, . . . . .	5d.	—

Letters cannot be sent unpaid to the countries marked thus (\*). The postage for letters weighing more than ½ oz. advances in the same manner as that for letters sent by mail packets. Unpaid letters coming into this country are charged the same rates as unpaid letters going out of it.

Book packets and patterns may be sent for the same postage as by mail packets to all places to which there are mail packets.

Newspapers by private ships must be prepaid 1d. each per 4 oz.

or to a fictitious name can be registered, nor can any letter be accepted for registration unless the contents be securely placed so as not to move about, and be enclosed in a proper and well-fastened cover.

The fee chargeable to places abroad will be found in the Table of Colonial and Foreign Postage. To some countries a letter can be registered only to the port of arrival, and to a few countries there is no arrangement for registration.

Registered letters, etc., must be prepaid as regards both postage and registration fee; except official letters for Government Offices in London, Dublin, or Edinburgh, which may be registered on prepayment in stamps, of the registration fee only.

Every letter, etc., to be registered must be given to an agent of the Post Office, and a receipt obtained for it, and should on no account be dropped into the letter-box. If, contrary to this rule, a letter marked 'registered' be dropped into the letter-box, it will, *if directed to any place in the United Kingdom or the British colonies*, be liable to a registration fee of 8d., instead of the ordinary fee of 2d.

Registered letters require to be posted at General Post Office thirty minutes, and receiving offices fifteen minutes, before the closing of the box for ordinary letters; but upon payment of a late fee of 4d. they may be registered at General Post Office

until the closing of the letter-box for ordinary letters for each despatch.

The registration of a packet makes its transmission much more secure, inasmuch as, under ordinary circumstances, a registered packet can be traced through its whole course; and thus the loss of a registered packet is a very rare occurrence. Nevertheless, large sums of money or other articles of great value should not be sent through the post, as the machinery of the department is not arranged with a view to such transmissions.

By law the Post Office is not responsible for the safe delivery of registered packets, though any officer who may neglect his duty on this point will be called to strict account. Sent in *unregistered* letters, valuable articles are exposed to risk; and the department cannot in any way undertake the safe conveyance of such packets.

All inland letters which contain coin, watches, or jewellery, even though they be posted without registration, are treated as registered, and charged on delivery with a registration fee of 8d. in addition to the ordinary postage; and any such letters which cannot be registered in time to be forwarded by the mail for which they are posted, are detained for the next despatch.

Letters containing coin, watches, or jewellery, cannot be accepted for registration for any foreign or colonial country in the General Postal Union.

Letters containing coin for any of the British colonies not in the General Postal Union can be registered, and if posted unregistered, they are treated as inland letters under similar circumstances.

By law the Postmaster-General is not responsible for the safe delivery of registered letters or packets, but he is prepared to make good the contents of a registered letter lost while passing through the post to the extent of £2 in certain cases, provided—

1. That the sender of the letter duly observed all the conditions of registration required;
  2. That the letter was securely enclosed in a reasonably strong envelope; and if it contained money, that it was enclosed in one of the registered letter envelopes sold by the Post Office for the purpose;
  3. That application was made to the Secretary of the Post Office immediately the loss was discovered;
- [When the complaint is that the contents of a letter have been abstracted, the envelope must accompany the application, otherwise the question will not be entertained.]
4. That the Postmaster-General, whose decision shall be final, is satisfied that the loss occurred while the letter was in the custody of the British Post Office, and was not caused by any fault on the part of the sender.

No town letter-carrier is allowed to take a letter to be registered; but in country places where no Post Office is near, letters will be registered by rural post messengers on their walks, whenever it is practicable for them to do so.

#### RE-DIRECTION AND DELIVERY.

Every inland re-directed letter, post card, or other postal packet, is liable to an additional postage (at the prepaid rate) for each re-direction, unless both the original and the second address be within the delivery of the same Post Office, and the re-direction be made by an officer of the Post Office. Thus, on a paid or unpaid letter not exceeding 1 oz. in weight, re-directed, either by officer of the Post Office, or by any one else, to a different delivery, an additional postage is levied of one penny; and if the weight be more than 1 oz., but less than 2 oz., of three halfpence, and so on.

Letters, etc., received from a country of the General Postal Union and re-directed to any country within the Union, are not liable to any additional charge, nor, if registered, to an additional registration fee; such, however, as have been in the first instance addressed to a place in the country where they were posted, are chargeable on re-direction with the inland rate of the country to which they are re-directed, but, if registered, without additional fee.

Letters, etc., addressed from one part of the United Kingdom to another, and then re-directed to a country not in the Postal Union, are liable to an additional colonial or foreign rate, and, if registered, to an additional fee for registration.

Letters, etc., received here from a country not in the Postal Union, and re-directed to another country not in the Postal Union, are liable to an additional colonial or foreign rate, and, if registered, to an additional fee: if re-directed to some place within the United Kingdom, they are liable to an additional inland rate: and, if re-directed to any country of the Postal Union, they are liable to the inland rate of that country. In the two latter cases, letters, if registered, are not liable to any additional fee.

Letters, etc., received from any country of the Postal Union, and re-directed to a country not in the Postal Union, are liable to an additional colonial or foreign rate, and, if registered, to an additional fee.

If a registered letter, when re-directed, instead of being taken back to the Post Office to be dealt with as a registered letter, is dropped into the letter box as an ordinary letter (the word 'registered' not having been erased, or having been erased in pencil only), it is surcharged with a fresh registration fee of fourpence.

*Exceptions.*—No charge for re-direction is made on Government letters; nor is any charge for re-direction made on newspapers from any place abroad, unless they have been opened, in which case they are liable to postage as books.

Further: Letters addressed to commissioned officers in the army, navy, or ordnance, or to schoolmasters or schoolmistresses in the army, or non-commissioned officers, private soldiers, or seamen employed on actual service in any of Her Majesty's colonies, or on any foreign station, and who, before receiving the letters, may have started on their return home or to another station, may be re-directed to such officers, private soldiers, or seamen, etc., when these have removed *upon service*, and will be delivered to them without any charge for re-direction. The same privilege extends to the letters of *non-commissioned officers, schoolmasters in the army (of all but the first class), schoolmistresses in the army, private soldiers, and seamen* (but to these only), re-directed from one part of the United Kingdom to another, or from the United Kingdom to a place abroad, provided the original postage is prepaid and the letters do not exceed half an ounce in weight.

Notices of removal and applications for letters to be re-directed must in all cases be duly signed by the persons to whom the letters are addressed; printed forms of notice can be obtained at the General Post Office. Persons who are about to change their residence should inform their correspondents beforehand of their intention.

No person living within the town free delivery, unless he rent a private box, can obtain his letters at the General Post Office.

*Private Boxes and Bags.*—The fee for a private

box is £3 per annum, and if for a private bag, £1 additional, payable in advance.

### POSTAGE AND TELEGRAPH STAMPS.

Postage labels are of the respective values of  $\frac{1}{2}$ d., 1d.,  $1\frac{1}{2}$ d., 2d.,  $2\frac{1}{2}$ d., 3d., 4d., 6d., 1s., 2s., and 5s. Telegraph labels are of 1d., 3d., 4d., 6d., 1s., 3s., 5s., 10s., £1, and £5; stamped book 20s., and interleaved 2d. extra. The embossed envelopes are of four sizes, viz.  $4\frac{3}{4} \times 3\frac{1}{2}$ ,  $5\frac{1}{4} \times 3\frac{3}{4}$ ,  $5\frac{1}{4} \times 3$ ,  $4\frac{3}{4} \times 2\frac{3}{4}$ , and are sold thus: the largest size at 2s. 3d., other sizes at 2s. 2d., per packet of 24. Registered Letter envelopes  $2\frac{1}{4}$ d. each, or 2s.  $2\frac{1}{2}$ d. per doz. Stamped wrappers are sold at 8 for  $4\frac{1}{2}$ d., and post cards at 7d. and 8d. per doz., or  $3\frac{1}{2}$ d. and 4d. per half doz. Foreign post cards at  $1\frac{1}{2}$ d. each.

Payment of postage cannot be made by means of postage stamps which have been cut, torn, or otherwise rendered imperfect; or of embossed or impressed stamps, cut out from the envelopes, cards, or wrappers on which such were embossed or impressed.

Applications for allowance on spoiled stamps which have not been used, should be made to the office of Inland Revenue, London.

Every rural messenger is authorized to sell penny postage stamps, and when any person applies to him for postage labels, the messenger must either supply them, or (if he have none in his possession) must, without extra charge, receive the postage in money, and on his arrival at the post office obtain labels for the amount, and affix them carefully to the letters.

To discourage the transmission of coin by post, all postmasters in the United Kingdom at whose offices money order business is transacted, are permitted, though not compelled, to purchase postage stamps from the public (provided the stamps be not soiled or otherwise damaged), at a charge of  $2\frac{1}{2}$  per cent.; the charge, however, never being less than one halfpenny. Under this arrangement the charges are as follows: For stamps not exceeding 1s. 8d. in value,  $\frac{1}{2}$ d.; 3s. 4d., 1d.; 5s.,  $1\frac{1}{2}$ d.; 6s. 8d., 2d.; 8s. 4d.,  $2\frac{1}{2}$ d., and so on. No separate stamps can be purchased, or less than two adhering to each other.

In consequence of representations made to the Post Office by various firms, that there is reason to believe that their postage stamps were purloined by persons in their employ, the department has recommended that the name or initials of firms, etc., be either printed on the *back* of the stamps (by arrangement with the Inland Revenue Office, Somerset House), or perforated through the stamps by means of a machine devised for the purpose, so that, the sale of such stamps being thereby rendered difficult (postmasters having been instructed not to purchase any of them), there may be little or no temptation to steal them.

### ARTICLES NOT ALLOWED TO BE SENT BY POST.

It is forbidden to forward by post any indecent or obscene print, painting, photograph, lithograph, engraving, book, or card, or any other indecent or obscene article, or any letter, newspaper, publication, packet, or card having thereon any words, marks, or designs of an indecent, obscene, libellous, or grossly offensive character. Anything posted contrary to this prohibition will not be forwarded.

Postmasters are instructed not to receive any letter which there is good reason to believe contains anything likely to injure the contents of the mail bag or the person of any officer of the Post Office. If such a packet be posted without the postmaster's knowledge, or if at any time before its despatch he should discover any such packet, he is directed not to forward it, but to report the

case, with the address of the packet, to the Surveyor-General. The following are examples of the articles referred to:—

A glass bottle, or glass in any form; leeches, game, fish, meat, fruit, or vegetables; bladders or other vessels containing liquids; gunpowder, lucifer matches, or anything which is explosive or liable to sudden combustion. Razors, scissors, needles, forks, or other sharp instruments are also forbidden, except when sent in packets of samples to the foreign countries mentioned in the section of Colonial and Foreign Pattern Post.

The transmission of letters or other packets containing gold or silver money, jewels or precious articles, or anything liable to customs duties, through the post to any country of the General Postal Union is prohibited.

The laws of Costa Rica and Peru also forbid the transmission by the post within these countries of letters or other packets containing coins, watches, jewellery, or other articles of value which are liable to customs duties; and any such packets, if forwarded, are liable to confiscation. Packets containing jewellery or other articles of value for Canada, the Cape of Good Hope, or Queensland, are liable to be detained, and not delivered to the addressees until the customs duties have been paid; and letters or packets containing jewellery (which is liable to customs duties) sent to Victoria, are liable, with their contents, to be forfeited.

### MISCELLANEOUS REGULATIONS AND SUGGESTIONS.

No information can be given respecting letters which pass through a post office except to the persons to whom they are addressed; and in no other way is official information of a private character allowed to be made public.

Provision having been made, by means of the British Postal Guide (with local Postal Guides in large towns) and the Postal Official Circular, to supply full and authentic information on all postal matters, the public should abstain, as much as possible, from applying for such information to postmasters and other officers of the department.

Postmasters are not allowed to return any letter or other packet to the writer or sender, or to any one else, or to delay forwarding it to its destination according to the address, even though a request to such effect be written thereon.

Postmasters are not bound to give change, nor are they authorized to demand change; and when money is paid at a post office, whether as change or otherwise, no question as to its right amount, goodness, or weight can be entertained after it has been removed from the counter.

Postmasters are not bound to weigh any letters or other packets for the public, but they may do so if their duty be not thereby impeded.

If a letter be forwarded under cover to any postmaster with a request that he will re-post it at his office, the letter, on being re-posted, will be endorsed with the words 'posted at ———, under cover, to the Postmaster of ———.'

To facilitate the delivery of letters, a letter-box should be affixed to every house door.

Every address should be legible and complete, and every letter should contain the full address of the writer, in order to ensure its return if the person to whom it is directed cannot be found.

The practice of sealing letters passing to and from the *East and West Indies*, and other countries with hot climates, with wax (except such as is specially prepared), is attended with much inconvenience, and frequently with serious injury, not only to the letters

so sealed, but to the other letters in the mail, from the melting of the wax and adhesion of the letters to each other. The public are therefore recommended in all such cases to use either wafers or gum, and to advise their correspondents in the countries referred to to do the same.

### MONEY ORDERS.

Money Orders are issued and paid at General Post Office, from 10 to 4; Saturdays, 10 to 1; and at the Receiving Offices, 9 to 6; Saturdays, 9 to 5.

When applying for Money Orders, the public should use the printed 'Application Forms,' which are supplied gratuitously at all Money Order Offices.

The commission on Inland Money Orders is:—

For sums under 10s.	2d.
" of 10s. and under £2	3d.
" " £2 " "	4d.
" " 3 " "	5d.
" " 4 " "	6d.
" " 5 " "	7d.
" " 6 " "	8d.
" " 7 " "	9d.
" " 8 " "	10d.
" " 9 " "	11d.
" " 10 " "	1s.

No single Money Order can be issued for more than £10 (except in payment of Government taxes, and in favour of the Receiver-General of Inland Revenue), neither can an order contain a fractional part of a penny.

No Money Order can be issued, unless the applicant furnish, in full, the surname, and at least the initial of one Christian name, both of the remitter and the payee, together with the remitter's address.

In the case of Foreign Orders, the full address of the payee must be given; and if the order be payable to a native in British India, the tribe or caste and the father's name must also be furnished.

**Exceptions.**—If the remitter or payee be a peer or a bishop, his ordinary title is sufficient; and the usual designation of a firm is sufficient, except in the case of a company trading under a title which does not consist of the names of the persons composing it, as the 'Carron Company;' also when the remitter directs at the time of issue that the order, by being crossed like a cheque, be paid only through a bank, it is left to his option to give or withhold the name of the payee.

When application is made for a Money Order payable in London, or at any other town where there is more than one Money Order Office, the remitter should say at which of such offices he wishes it to be paid; otherwise the order can be cashed only at the Head Office. It is not incumbent on a postmaster to supply such information relative to local or provincial offices.

An order once issued cannot be cancelled; and should repayment or transfer to a different office be required, the remitter or payee must apply to the paying postmaster.

In order to enable the remitter to obtain an acknowledgment of the receipt of a Money Order before the money is paid, it is arranged that he may make his order payable ten days after date, provided that, in the presence of the postmaster, when he obtains the order, he affixes thereto, in the space after the request C., a penny receipt stamp, and write his signature across the stamp.

When an order is presented for payment (otherwise than through a bank), the postmaster has first to see that the signature of the payee be in agreement with the advice. He has then to

call on the applicant to give the name of the remitter; and if the reply be correct, the order will be paid, unless the postmaster have good reason for believing that the applicant is neither the rightful claimant, nor deputed by him. When an order is paid through a bank, it is sufficient that it be receipted (without regard to any discrepancy between the signature and the name in the advice), and that it be presented (crossed with the name of the receiving bank) by some person known to be in the employment of the bank.

The holder of a Money Order is always at liberty to direct, by crossing it, that the order be paid through a bank, even though its payment was not originally so restricted; and when the order is thus crossed, the question put on the presentation of an ordinary Money Order is dispensed with.

Money Orders do not require a receipt stamp.

Although at the end of twelve months from that in which it was issued, a Money Order, if still unpaid, becomes legally void, nevertheless, when a good reason can be given for the delay in presenting it, an application for payment, subject to a certain deduction, is entertained.

No application can be entertained for compensation for alleged injury from the non-payment of a Money Order at the expected time.

After once paying a Money Order, by whomsoever presented, the office is not liable to any further claim.

To guard against any person, even if he obtain possession of a Money Order fraudulently, getting it cashed, the remitter is recommended—

1. When he is well known to the payee, to sign the letter enclosing the order with his initials only.
2. When this is not the case, either to make the order payable ten days after date, or to register the letter enclosing it, or to make the order payable through a bank by crossing it like an ordinary cheque.
3. When it is not considered expedient to adopt either of these courses, to send the remitter's name (without a knowledge of which payment cannot be obtained) in a separate letter from that containing the Money Order; although this latter precaution is much less effective than either of the others.

Payment of an order cannot be demanded on the same day as that on which the order was issued.

In case of the miscarriage or loss of an inland Money Order in transmission through the post, a duplicate is granted on a written application giving particulars to the Controller of the Money Order Office in England, Scotland, or Ireland, as the case may be, where the original order was issued; but for an order otherwise lost, a charge of 1s. for sums not exceeding £5, and 2s. for sums not exceeding £10 is made for a duplicate order. If it be desired to stop payment of an inland order, application must be made at the office where the order is payable, and a second commission must be paid. If alteration in the name of the payee or remitter of an inland Money Order should be required, application must be made by the remitter to the postmaster of the office at which the order was issued, and a second commission must be paid. Should transfer of payment of an inland order from one office to another in the United Kingdom, or repayment of the amount of an order, be required, an application enclosing the order must be made to the postmaster at whose office the order is payable, who will transmit in exchange a new order payable at the place desired, but for a less sum than the original order by the amount of the second commission charged for the re-issue. Proper printed forms for making applications in all these cases may

be obtained at any Money Order Office. Whenever, on complaint being made, it is found that the necessity for an application, entailing the payment of a fresh commission, is attributable to the Post Office, the charge will be remitted to the applicant, and imposed on the officer in fault.

A postmaster is required to give information how to apply for a duplicate order, etc., and must furnish the prescribed form of application. If payment of an order be refused in consequence of the replies to the questions respecting the remitter, or the signature on the order, not corresponding with the entries in the advice, the applicant for payment should communicate with the remitter, and request him to apply personally to the issuing postmaster.

No letter-carrier, rural messenger, or other servant of the Post Office is bound to procure a Money Order for any person, or to obtain payment for one; but such services are not forbidden.

Money Orders are issued in the United Kingdom on the following colonies, British agencies, and foreign countries (particulars as to the towns in the various countries may be learned at any Money Order Office):—

Alexandria.	German Empire.	Queensland.
Berbec (New Amsterdam).	Gibraltar.	St Helena.

If payable in any other place abroad (including most of the colonies) authorized to transact Money Order business with this country, . . . . .	1 0	2 0	3 0	4 0

The issue of a duplicate order, or the stoppage of payment of an order issued by a colony on the United Kingdom, will be made on application to the Controller of the Metropolitan Office of that portion of the United Kingdom in which such colonial order is payable, provided an additional British inland rate of commission be enclosed with the application. Postmasters in the United Kingdom have power to transfer to other offices in the United Kingdom payment of colonial and foreign orders (with the exception of French issues) originally drawn on their own offices.

Orders issued in the United Kingdom and payable in the German Empire are subject to the conditions that govern the payment of orders in that Empire. Orders issued in France on the United Kingdom cannot be paid after three months from the date of issue without the authority of the French Post Office, and orders issued in the United Kingdom on France cannot be paid after three months from the month of issue without the authority of the Chief Office, London. Orders issued in the United Kingdom on Italy, and vice versa, cannot be paid after three months from the month of issue without the authority of the Chief Office of the country of issue.

### POST OFFICE SAVINGS BANKS.

Post Office Savings Banks are established at all Money Order Offices, and are open for bank business during the same hours as for money orders.

Deposits of one shilling, or of any number of shillings, may be made, but no one may deposit more than £30 in one year ending 31st December, or make any further deposit when the amount standing in his name, exclusive of interest, has reached £150. When any depositor's principal and interest amount together to £200, all interest will cease so long as the balance of the account continues to amount to the said sum of £200.

Interest, calculated yearly at the rate of £2, 10s. per cent. per annum, will be allowed on every complete pound deposited, reckoned from the first day of the calendar month next following the day on which a complete pound shall have been deposited or completed up to the first day of the calendar month in which the moneys are withdrawn. The interest thus calculated will be at the rate of one halfpenny per calendar month for every complete pound. The interest will be reckoned to the 31st December in every year, and will then be added to the principal.

Besides ordinary persons, deposits may be made—

- (A.) By a trustee on behalf of another person, in the joint names of such trustee and the person on whose account such money shall be so deposited; but repayment of the same, or any part thereof, will not be made without the receipts of both parties. A person may act as trustee in any number of accounts, and at the same time have an account in his own name.
- (B.) By two persons jointly on their own behalf, provided neither of them is already a depositor.
- (C.) By, or for the benefit of, children, but will not be repaid until they attain the age of 7 years; but in the event of death before the age of 7 years, the money will be payable, on a month's notice, to their personal representative or relatives in the same manner as of a deceased depositor.
- (D.) By the trustees or treasurer of any legally established friendly, charitable, or provident society, or penny savings bank, provided such trustees or treasurer make application by post to the Controller of the Savings Bank Department, accompanied by a copy of their rules. Such societies, etc., are allowed to invest considerably beyond the usual limit, or even without restriction as to amount, according to circumstances.
- (E.) In the name of the Registrar of any County Court. Under the 24th sect. of the Act 30 and 31 Vict. c. 142 (County Courts Act), 'trust moneys' not in excess of £500 may be thus deposited; and under the 26th sect., money paid into a County Court in 'equitable proceedings' may be deposited by the Registrar without restriction as to amount.

Deposits made by a married woman, or by a woman afterwards married, will be repaid to her unless her husband shall give notice, in writing, of such marriage, and furnish proof thereof, to the Postmaster-General, requiring payment to be made to him, provided always that such deposits shall not come under the provisions of the 'Married Women's Property Act, 1870,' which became law on 9th August 1870. By section 16 the Act does not extend to Scotland.

Once in each year, on the anniversary of the day on which the first deposit was made, the depositor must forward the deposit book to the Controllor of the Post Office Savings Bank Department in London, in order that it may be compared with the books of that department, and the interest due to the depositor inserted in it.

When a depositor wishes to withdraw the whole or any part of the sum due to him, he must make application for the same in a form which may be obtained at any Post Office Savings Bank. On receipt of this form at the G.P.O., London, a warrant for the amount required, payable at the Post Office Bank named by the depositor, will be sent him by return of post.

Postmasters and other officers of the Postmaster-General employed in the receipt or payment of deposits, are strictly forbidden to disclose the name of any depositor, or the amount deposited or withdrawn, except to the Postmaster-General, or to such of his officers as are appointed to assist in carrying on the business of the Post Office Savings Banks.

A full statement of the regulations of the Post Office Banks may be seen at any Money Order Office.

## GOVERNMENT INSURANCE AND ANNUITY OFFICE.

The Postmaster-General is empowered, under the Act 27 & 28 Vict. c. 43, to insure the lives of persons of either sex, between the ages of 16 and 60, for not less than £20 or more than £100. He is also empowered, under the same Act, to grant immediate or deferred annuities of not more than £50 on the lives of persons of either sex, and of the age of 10 years and upwards. The persons whose lives are insured, or to whom annuities are granted, by the Postmaster-General, have direct Government security for the payment of the money at the proper time.

Tables of the premiums to be charged for the insurance of lives, for the grant of immediate annuities, for the grant of deferred annuities or deferred monthly allowances, without return of purchase money, or for the grant of deferred annuities or deferred monthly allowances, with return of purchase money, may be seen at the G.P.O.

### PREMIUMS CHARGED FOR THE INSURANCE OF LIVES.

The life of a man or woman in his or her 30th year may be insured for £100—

	£	s.	d.
By a single payment of . . . . .	43	3	7
Or by an annual payment, throughout life, of . . . . .	2	6	7
Or by a fortnightly payment, throughout life, of . . . . .	0	2	2
Or by an annual payment, until the insured person reaches the age of 60, of . . . . .	2	13	10
Or by a fortnightly payment of . . . . .	0	2	6

Smaller sums may be insured by proportionate payments, but no one of the periodical payments must be of less amount than two shillings.

No one life can be insured for less than £20 in the whole; but when a life has been insured for £20, further insurances may be effected on the same life from time to time, for any amount, until the whole sum for which it is insured amounts to £100.

If, after having duly made his payments for a period of five years, the insured person shall be unable to continue, or shall desire to discontinue, such payments, a portion of the premiums paid by him, which portion will in no case be less than one-third of the whole sum paid by him, will be returned to him.

The sums to be charged for the purchase of immediate annuities will vary with the age and sex of the person on whose life the annuity is to depend:

Thus, a man aged 65 can purchase an immediate annuity of £10, payable half-yearly, for . . . . .	£88	18	4
A woman of the same age can purchase a like annuity for . . . . .	103	16	8
A man aged 70 can purchase an immediate annuity of £10, payable half-yearly, for . . . . .	73	3	4
A woman of the same age can purchase a like annuity for . . . . .	84	19	2

The sums to be charged for the purchase of deferred annuities or deferred monthly allowances will vary with the age and sex of the person on whose life the annuity or monthly allowance is to depend, and with the length of the term for which the annuity is deferred (or in other words, with the number of years which are to pass before the commencement of the annuity), and with the conditions of the contract as to the mode of purchase, mode of payment, and return or non-return of purchase money.

When the condition of the contract is to be, that no part of the purchase money shall in any event be returned:

A man aged 30 may purchase a deferred annuity of £10, to commence on his reaching the age of 60, and to be payable half-yearly, either by an immediate payment of . . . . .	£21	3	4
Or by an annual payment, until he reaches the age of 60, of . . . . .	1	8	4
A woman of like age may purchase a like annuity by an immediate payment of . . . . .	32	8	4
Or an annual payment, up to 60, of . . . . .	1	17	6

and a man aged 30 may purchase a deferred allowance of £2, 7s. 3d. per month, to commence when he reaches the age of 60, by a payment until he reaches that age of 8s. per month; and a woman of like age may, by a like payment of 8s. per month, purchase a deferred allowance of £1, 16s. 7d., to commence when she reaches the age of 60.

When the condition of the contract is that, in the event of the death of the person on whose life the annuity or allowance is to depend before the commencement of the annuity or allowance, the purchase money is to be returned to his representatives, and that if the purchaser at any time before the commencement of the annuity or allowance is unable to continue, or wishes to discontinue, the purchase, the purchase money shall be returned to him, the price charged will be higher than when no such condition is made.

Under this condition, a man aged 30 may purchase a deferred annuity of £10, to commence when he at-

tains to 60 years of age, and to be payable half-yearly, either by an immediate payment of . . .	£40	9	2
Or by an annual payment, until he attains to 60 years, of . . .	2	0	10
And a woman of like age may purchase a like annuity, either by an immediate payment of . . .	47	0	10
Or by an annual payment of . . .	2	7	6

and a man aged 30 may purchase an allowance of £1, 14s. 2d. per month, to commence when he attains the age of 60 years, by a monthly payment of 8s.; and a woman of like age, by a like payment until she reaches the age of 60 years, may purchase an allowance of £1, 9s. 4d. per month.

The annuity or monthly allowance granted on any one life must not exceed £50 per annum, or £4, 8s. 4d. per month; but purchasers need not purchase the whole amount of such annuity or allowance at one time. They may begin by purchasing such part as they can afford to purchase, and go on increasing their purchases from time to time as their circumstances will permit.

Husband and wife may each be insured to the full amount of £100, and may each purchase an annuity of £50, or a monthly allowance of £4, 3s. 4d. Any two persons may purchase an annuity on their joint lives, with or without continuance of the annuity to the survivor.

Persons contracting for the insurance of their lives, or for the purchase of annuities or monthly allowances, will be allowed to pay their periodical premiums or instalments of purchase money at such of the post offices which have been or may hereafter be opened for the purpose, as will suit them best.

#### POST OFFICE TELEGRAPHS.

The charge for telegrams throughout the United Kingdom, but excepting the Scilly Islands, is 1s. for the first twenty words, and 3d. for every additional five words, *i.e.* for every additional group of not more than five words, the names and addresses of the sender and receiver not being counted.

The charge to the Scilly Islands is 2s. 6d. for five words, and 6d. for every additional word; and 6d. for every word above ten in the addresses *in addition to the ordinary inland rate*.

When the terminal telegraph office, *i.e.* the office from which the message is delivered, is a Head Post Office, the amount paid for the transmission of a message covers the cost of delivery within the town postal delivery of that office. But when it is not a Head Post Office, the message is delivered free only within the limit of one mile.

When the addressee resides beyond the above-described limits, portage is charged at the rate of 6d. per double mile (that is, a mile out and a mile back), or any part thereof, provided the whole distance to be traversed does not exceed three miles out and three miles back; but the charge is calculated from the boundary of the district within which no portage is levied.

If the addressee resides at a greater distance than three miles from the terminal telegraph office, portage is charged for delivery by mounted messenger at the rate of 1s. per double mile, except in Ireland, where the charge is 8d. per double mile.

If the sender requires his telegram to be forwarded by post or by train from the terminal telegraph office, he must write the words 'by post' or 'by train' at the end of the address of the party to whom it is sent.

A deposit of 5s. is required upon all telegrams addressed to persons on board ship (unless the ship be lying in the dock) to cover any expense incurred in their delivery; but application can be made to the Secretary for any surplus.

Telegrams may be repeated at the request of the sender, if he desires to adopt this extra security against risk of error. The charge for repetition is one-half the ordinary tariff; fractions of threepence being reckoned as twopence.

If the receiver of a telegram doubts its accuracy, he may have it repeated by depositing half the amount paid for its transmission to him. The money will, however, be refunded if an error has been found in transmission.

The cost of a reply to a telegram may be prepaid; and a Prepaid Reply Pass will then be delivered to the addressee, who will be at liberty to send his reply, from any telegraph office, at any time within two months after the date of the original telegram. If the pass be not used, application for the return of the money, accompanied by the Prepaid Reply Pass, may be made to the Secretary, G.P.O., London. A Prepaid Reply Pass, however, need not necessarily be used for the reply to a message, but may be used for another message containing the same number of words.

Persons who wish to avoid sending so far as to a telegraph office may, without additional charge, post a telegram form, enclosed in an envelope addressed 'Telegraph Office,' in a wall or pillar box, or in the letter-box of a receiving office or sub-post office. Telegrams so posted are sent on to the nearest telegraph office by the first collection from the letter-box in which deposited. The period of arrival at the postal telegraph office is regarded as the time of receipt from the public.

Telegrams so posted, but insufficiently prepaid, are forwarded to their destination, the difference of charge being obtained from the addressee; but unpaid telegrams are not forwarded.

No combination of two or more words is counted as one word, with the exception of those words which are ordinarily coupled by hyphens, such as 'mother-in-law,' 'non-delivery,' 'sub-lieutenant,' 'alms-houses,' etc., or words denoting the names of persons or towns, whether connected by hyphen or not, such as 'O'Neil,' 'MacDonald,' 'Newcastle-on-Tyne,' 'Isle of Wight,' etc. The name of the county added to the name of a place is reckoned separately, as, for example, 'Newcastle, Staff.,' 'Bradford, Yorks.,' the charge being in each instance for two words.

The following exceptional compound words are charged for as one word:—Midday, midnight, noon-day, se'nnight, cannot, to-day, to-night, to-morrow, yesternight, yesterday, halfpenny, twopence, and so on.

Abbreviations of auxiliary verbs designated by apostrophes (such as can't, won't, don't, I'll, you'll, couldn't, shouldn't, etc.) are charged for as one word. By writing words in this way, however, there is a greater risk of error.

Numbers expressed in figures in an inland telegram are counted as so many words, according to the number of figures employed; and in fractions one word is counted for the bar or mark of division.

When the sender of a telegram desires words to be underlined, or placed in a parenthesis, or within inverted commas, two extra words are charged for.

The department is not liable for losses incurred through the incorrect transmission, delay, or non-delivery of telegrams.

Telegraph offices are, as a rule, open from 8 a.m. to 8 p.m., and from 8 a.m. to 10 a.m. on Sundays. There are, however, offices in several of the larger towns which are open longer; and at various offices in London and in the country the attendance is continuous. G.P.O., Edinburgh, always open.

Particulars as to foreign telegrams can be obtained at any postal telegraph office.

## STAMP AND LEGACY DUTIES, ETC.

The following is a list of Stamp Duties according to the schedule of the Act 33 and 34 Vict. c. 97 (amended by 34 Vict. c. 4, 34 and 35 Vict. c. 103, and 35 and 36 Vict. c. 20, and other Acts), with the Duty on Policies of Insurance, Letters Patent, Patent Medicine, and Plate, and Inventory, Legacy, and Succession Duties, which remain under the former Acts. Generally, the items are given in the words of the schedule. New matter is put within brackets. When the sections are merely cited without the Act, they are the sections of 33 and 34 Vict. c. 97. All items in the schedule of the Act relating solely to England and Ireland are excluded. In the same session were passed the Acts 33 and 34 Vict. c. 98, Stamp Duties Management, and 33 and 34 Vict. c. 99, repealing certain enactments relating to the Stamp Duties. The Duties came into operation on the 1st January 1871.

The exemptions in other Acts in force are preserved (§ 3).

The attention of the public may be directed to the following matters:—

1. The general deed duty, or duty on a deed not otherwise charged, is reduced to 10s.

2. Progressive duty on words is not imposed.

3. Provisions are made for charging *ad valorem* duty on conveyances in respect of periodical payments or annuities.—§ 72.

4. An agreement for a lease for a term not exceeding 35 years is to be charged with the lease duty.—§ 96.

5. An instrument chargeable as a lease in consideration, in whole or in part, of produce or other goods—

Where it is stipulated that the value shall amount to or not exceed a given sum, *ad valorem* lease duty on such sum.

A statement in the lease in regard to the value of such produce or goods to be conclusive as to stamp duty, unless and until shown to be incorrect.—§ 97.

6. A notarial instrument is liable to the same duty as an instrument of seisin—to wit, 5s.

7. Any instrument specifically charged by any previous Act with the duty of 35s. is chargeable with the duty of 10s.—§ 4.

8. Instruments relating to the property of the Crown, and to the private property of the sovereign, are liable to same duties as instruments relating to the property of the subject.—§ 5.

9. Instruments are to be so stamped that the stamp may appear on the face of the instrument, and cannot be applied to any other instrument written upon the same piece of material.—§ 7 (1). Every instrument on the same piece of material is to be separately stamped.—§ 7 (2).

10. Instruments relating to several distinct matters are to be separately stamped in respect of each.—§ 8 (1). An instrument liable to *ad valorem* duty, if made for any other valuable consideration, is to be charged in respect of it as if it were a separate instrument for such.—§ 8 (2).

11. An appropriated stamp (by word on the face of it) cannot be used for an instrument of another description.—§ 9 (1). An instrument of the description to which a stamp is appropriated, is not to be duly stamped unless stamped with the stamp appropriated to it.—§ 9 (2).

12. All the facts and circumstances affecting the liability of an instrument to *ad valorem* duty, or the amount of it, are to be fully and truly set forth. If not, penalty on person who executes and on person concerned in the preparation, £10.—§ 10.

13. Instrument chargeable with *ad valorem* duty in respect of money in foreign or colonial currency, the duty to be calculated on the value in British currency, according to the current rate of exchange at the date of the instrument.—§ 11.

14. Instrument chargeable with *ad valorem* duty in respect of stock or marketable security, the duty to be calculated on the value, according to the average price at the date of the instrument.—§ 12.

15. If the instrument contains a statement of the current rate of exchange, or average price, and is stamped accordingly, it is to be deemed duly stamped until statement shown to be untrue, and that the instrument is in fact insufficiently stamped.—§ 13.

16. The duties apply to instruments executed in the United Kingdom, and to instruments, wherever executed, relating to property situated, or

to any matter or thing done or to be done, in the United Kingdom.—§ 17.

17. No instrument, except in criminal proceedings, shall be pleaded or given in evidence, or admitted to be good, useful, or available in law or equity, unless it is duly stamped in accordance with the law in force when executed.—§ 17.

18. If any person registers an instrument not duly stamped, penalty £10.—§ 22.

19. Except where express provision is made to the contrary, all duties are to be denoted by impressed stamps only.—§ 23.

**PROPERTY LIABLE TO THE DUTY.**—*Generally*—All personal property (heritable securities are personal property which include bonds of annual rent and bonds of annuity and real burdens on land, but not securities by absolute disposition qualified by back bond) belonging to the deceased in the United Kingdom, heritable securities, and bonds excluding executors, and also money secured by *ex facie* absolute dispositions. (48 Geo. iii. c. 149, § 38, etc.; 55 Geo. iii. c. 184, Schedule, Part ii.; 21 & 22 Vict. c. 56, §§ 9, 12, 13, etc.; and 16 & 17 Vict. c. 59, § 8; 31 & 32 Vict. c. 101, §§ 3 and 117; 37 & 38 Vict. c. 94, § 30; and 23 & 24 Vict. c. 80).

*Personal Property*—*Absolute power of disposal.*—

Personal estate which a person dying after 3d April 1860 shall have disposed of by will, under any authority enabling such person to dispose of the same as he shall think fit, shall be deemed personal or moveable estate of the person so dying, for the purpose of payment of inventory, probate, or administration duty. (23 Vict. c. 15, § 4.)

*Indian Promissory Notes*—*Ships.*—Indian Government promissory notes and certificates issued, or stock in lieu thereof, being assets of a deceased person, the interest of which shall be payable in London, registered in London, or enfaced in India for the purpose of such registration, before the death of the owner; also Indian Government promissory notes with

coupons attached, in the same circumstances as to registration, and certificates issued, or stock created in lieu thereof, shall be personal estate and *bona notabilia* in England of the deceased person (23 Vict. c. 5, § 1): Also any ship, or any share of a ship, belonging to a deceased person, registered in any port in the United Kingdom, notwithstanding such ship at the time of the death may have been at sea, or elsewhere out of the United Kingdom, shall be deemed to be at the port at which she may be registered (27 & 28 Vict. c. 56), and liable to inventory, probate, or administration duty.

**Specialty Debts.**—For probate and administration duty, debts and sums of money due from persons in the United Kingdom to a deceased on obligation or other specialty, shall be estate and effects of the deceased within the jurisdiction of Her Majesty's Court of Probate in England or Ireland in which the same would be if they were debts upon simple contract, without regard to the place where the obligation or specialty shall be at the time of the death. (25 Vict. c. 22, § 39.)

**Foreign Bonds and Stocks.**—Documents of the debts of foreign governments and foreign companies which pass from hand to hand are property where the documents may be. Debentures or bonds by foreign companies and governments, and the title to stocks of foreign companies and governments, are property in this country if in the possession of any person in this country, and can be sold in the market, and the title of the purchasers completed to them in this country. See Attorney-General v. Bouwens, 4 Meeson and Welsby 171.

**Rents of Herbage.**—If the deceased survive Whitsunday, one moiety of the rents of the crop of that year is personal estate. If he survive Martinmas, the whole rents of that crop fall into the executry. In addition, from and after 1st August 1870, the Act 33 & 34 Vict. 1870, c. 35, would seem to give the executor a proportion of the rents from the term preceding the date of death to the date of death. That Act would also seem to give a proportion of the term's rents of quarries, minerals, and houses, and also feu-duties current at the death. The executor's right to house rents would not therefore be to the half-year's rents current at death, but to a proportion only to the date of death.

#### MODES IN WHICH DUTY MAY BE PAID.

**When deceased domiciled in Scotland.**—In the case of a person dying domiciled in Scotland having personal property in Scotland, England, and Ireland, and also heritable securities excluding executors, and personal bonds excluding executors, duty in respect of the whole may be paid on the inventory required to be recorded in the Sheriff Court; or inventory duty may be paid on the personal property situated in Scotland, including heritable securities made moveable by the Act 31 & 32 Vict. c. 101, § 117, and duty may be paid on a 'special inventory' of the heritable securities excluding executors, and personal bonds excluding executors, and probate or administration may be obtained in England and Ireland in respect of the personal estate in these countries, and duty paid in respect of such on these instruments.

**When deceased domiciled furth of the U. K.**—In case of a person dying domiciled furth of the United Kingdom leaving personal estate in

Scotland, England, and Ireland, an inventory must be given up in Scotland, probate or administration taken out in England and Ireland, and duty paid on such in respect of the property in each country.

## HACKNEY CARRIAGES IN EDINBURGH.

## FARES BY DISTANCE.

1. The distance to which any hackney carriage may be driven under these Bye-laws, shall be seven miles from the Cross of Edinburgh.

2. When a party not exceeding two grown-up persons, and without any luggage other than a carpet-bag or the like, enters a carriage at a stance, or when driving along disengaged, they shall be driven half a mile for 6d.; and if they return, they shall pay the same fare. The driver shall draw up to either side of the pavement when called; and if detained more than five minutes before starting, he shall be entitled to 6d. for waiting.

N.B.—This rule shall not apply to fares from railway stations.

3. Excepting the Sixpenny Fare, the fares by distance shall be shown in the annexed Table of Fares. The charges in the table shall include going from the stance or stable to the hirer's residence, and waiting ten minutes. But if the carriage be detained, before starting, more than ten minutes, a charge for waiting at the rate of 6d. for each quarter of an hour, or part thereof, after the expiry of the ten minutes, shall be allowed; and if the place where the hirer is to be taken up be beyond half a mile from the stance or stable whence the carriage is taken, there shall be a charge of 6d. for such distance.

4. When any place is not mentioned in the table, the fare shall be the same as that to any place mentioned which may be in the immediate vicinity.

5. When the fare of any particular place not mentioned cannot be ascertained by reference to a place in the immediate vicinity, the fare shall be 1s. for a distance from the stance not exceeding a mile and a quarter, and *sixpence* for every additional half-mile or part thereof.

6. Half fare returning with the party, excepting the half-mile drive.

7. When parties return (which they shall have the option of doing), and the fare going is 1s., the carriage shall wait ten minutes without any charge for waiting; when 1s. 6d., fifteen minutes; when 2s. and upwards, twenty minutes. If the carriage be detained longer, a charge shall be allowed for waiting, at the rate of 6d. for every twenty minutes or part thereof, commencing at the periods when the free waiting expires.

8. When a carriage is called but not used, a charge of 6d. shall be allowed, if the place to which it is called be under half a mile from the stance or stable, and 1s. if beyond that.—Waiting as in Section 7.

## FARES BY TIME.

It shall be in the option of the hirer to employ a carriage within the municipal bounds by time, for SHOPPING, MAKING CALLS, and the like, where the driving is not continuous. The charge in such cases shall be 2s. for the first hour or part thereof, and 6d. for every additional quarter of an hour or part thereof.

For an Airing into the country within seven miles from the Cross of Edinburgh, and returning either

by the same or a different road, the rate shall be 3s. for the first hour or part thereof, and 1s. for every twenty minutes or part thereof. A drive round the Queen's Drive shall be at the rate of 3s. per hour. Unless the hirer wishes a slower pace, the rate of driving when out an airing shall be at least six miles an hour; and in the event of the driving being at a slower pace than six miles an hour, contrary to the wish of the hirer, it shall be optional for the hirer to pay the fare in the proportion of 3s. for every six miles so travelled.

## WHETHER THE FARES ARE BY DISTANCE OR BY TIME.

1. The hirer pays tolls.

2. If there be more than four grown-up persons driven, a charge of 6d. extra shall be made for each additional grown-up person, or for each two children above six years of age, and under twelve. No additional charge for one child above six to twelve, or children under six years.

3. From eleven at night till seven morning, double fare, excepting in cases in which the hiring begins before eleven o'clock and ends at or before a quarter past eleven o'clock.

4. On Sunday the fares for such carriages as shall have been previously ordered or engaged, or hired elsewhere than on the public streets or stances, shall be fare and a half.

5. The above fares are for one-horse carriages, and there shall be no additional charge when two horses are used by the owner without being required to do so; but if two horses be used at the request of a hirer, the charge shall be fare and a half.

6. No owner or driver shall demand or receive more than the regular fare.

7. Owners or drivers may agree to drive at lower fares than those fixed. In that case, should they demand more than the fare agreed on, they shall be liable as for an overcharge.

## LUGGAGE.

For luggage exceeding 100 lbs. in weight there shall be a charge of 6d. extra. But there shall be no charge for luggage under that weight. The driver shall assist in loading and unloading in all cases when required.

## FARES MAY BE WITHHELD.

Any party shall be entitled to withhold payment of the fare—

1. When the name and number are not painted outside, or when there is no plate inside, in terms of Article Third of these bye-laws.

2. When the reference ticket is not given.

3. When the bye-laws, table of fares, and driver's licence are not shown on demand.

4. When an overcharge is made.

5. When the driver fails or refuses to complete an engagement; but if payment of the fare be withheld, the party shall give the driver his full name, designation, and residence.

## REDRESS.

Parties aggrieved will obtain redress on application to the Procurator-Fiscal at the City Chambers, within eight days after the date of the offence, except in cases when parties are prevented making such application by their absence from town.

## TABLE OF CAB FARES FROM THE FOLLOWING STANCES.

To prevent disputes or loss of property, every party on entering a carriage should ask for a reference ticket, which the driver is bound to give.  
Any person refusing to pay the regular fare on demand is liable to a penalty not exceeding 10s.

**THE** Company is prepared to accept Loans upon Debenture in sums of not less than £50, at the following rates of Interest—

For three or four years fixed, . . . . . at 4½ per cent.

For five years or upwards, . . . . . at 5 „

For seven years, . . . . . at 5½ „

Interest is payable half-yearly by Coupons attached to the Debentures, at the Company's Bankers in Edinburgh or London, on 15th May and 11th November in each year, free of expense.

The Security to Lenders is of the most unexceptional character, consisting of—

1. The Company's whole Assets, which are invested in first-class Mortgages in Canada, chiefly in the Province of Ontario, with a margin of one-half on the value.

2. The uncalled but fully subscribed portion of the Company's Capital, held by Shareholders of undoubted stability, to the amount of which the borrowing powers of the Company are limited by the Articles of Association.

This Company, registered in Scotland, having its Head Office in Edinburgh, and subject to the jurisdiction of the Scotch Courts, was promoted in December 1877, after meetings in the autumn of that year with gentlemen from Canada desirous for its establishment, when the whole working of such a Company, the nature of the property to be mortgaged, the system of Registry of Mortgages in Canada, the financial condition and prospects of Ontario, and kindred important matters were fully gone into. The first issue of Capital was subscribed for privately within a very few days, the Prospectus never having been advertised, thus showing the confidence of the Proprietors in the undertaking. It is the only Company formed in Edinburgh to act as an intermediary between Investors in this Country and Landowners and others in Ontario desirous of borrowing money. The Advising Board in Canada is appointed by the Directors in this Country, and subject to their control, a consideration which should be kept prominently in view by Lenders to Canadian Investment Companies. The appreciation shown by the lending public for the Debentures of the Company during the short time (four months) it has been formed is convincing to the Directors that a felt want has been supplied in the formation of such a Company, having its Registered Office and Resident Board in Edinburgh. The Debenture Bonds of the Company are granted under its common seal, and are signed by two Directors and the Secretary. They are issued without expense of any kind to the Lenders.

Every information will be given to intending Lenders, and the Memorandum and Articles of Association and List of Shareholders exhibited, upon application to the Secretary, at the Offices of the Company.

39 CASTLE STREET, EDINBURGH, May 1878.

**HENRY MONTEATH, Accountant, Secretary.**

N.B.—The Union Bank of Scotland receives and pays money at all its Branches on behalf of the Company; and Lenders are thus saved the trouble and expense of procuring Bank Drafts or paying charges on Coupons.

## DEPOSITS AND DEBENTURES.

THE ASSOCIATION receives Money on DEPOSIT or DEBENTURE BOND, at Rates varying from 3 to 4½ per cent., according to the market value of money at the time. If preferred, a uniform Rate of Interest will be given on Deposits for fixed periods of from one to five years, on terms to be arranged. The Debenture Bonds will be granted for five or seven years.

## SAFETY OF DEPOSITS AND DEBENTURES.

The ASSOCIATION lends its Funds on HERITABLE PROPERTY *only*, and at rates corresponding to the market value of money. All the Loans are repayable by instalments, which adds greatly to their safety, any depreciation which might take place in the value of the security being more than met by the gradual diminution of the Loan. The risk arising from the Investments of the Company is thus small, and they are enabled to give comparatively high rates for Deposits. In addition to the Loans being secured on Heritable Property, Depositors have the *further guarantee of the Company's large Subscribed Capital and Reserve Fund*.

The Deposits at 31st December 1877 amounted to . . . . .	£1,032,520
And the Loans on Heritable Security to . . . . .	1,126,679

## LOANS.

Loans are granted on Security of Land, Houses, Shops, and other Heritable Property.

The Loans are repayable in periods of from four to sixteen years. If desired, *part only* may be made repayable by instalments—the remainder bearing interest, payable half-yearly.

Borrowers, by arrangement with the Directors, can pay off their Loans at any time, either in whole or in part; or the period of repayment can be altered to one more suitable.

## TO INVESTORS.

Debenture Bonds are issued by this Company for sums of £100 and upwards, bearing interest at from  $4\frac{1}{4}$  to  $4\frac{1}{2}$  per cent.; and money is also received on Deposit at from 3 to  $4\frac{1}{2}$  per cent., according to the period it remains.

## SECURITY.

The whole Funds, which include the monies received on Debenture and Deposit, are only employed in lending on Heritable Property under the advice of the Company's Surveyor, every Loan being also approved by the Board of Directors. The sum lent is in all cases considerably under the market value of the property, and the margin is always increasing, as the Loans become immediately repayable by instalments. Investors with the Company have therefore the security of carefully selected Heritable Bonds, while in addition they are protected against the possibility of loss by the Uncalled Capital of £216,000, the Reserve Fund of £18,000, and the Paid-up Shares amounting to £24,000.

## ACCIDENT DEPARTMENT.

This Department is one now widely taken advantage of by all classes of society. ## LIFE DEPARTMENT.

SECURITY of the highest order is afforded to Policy-holders. In illustration of the stringency of the principles of valuation employed, it may be stated that the Reserve made by the Caledonian is on the highest scale, and is equal to 75 per cent. of all the Premiums received under existing Policies. On reference to the Valuation Statements published by the Board of Trade, it will be seen that very few Companies maintain so high a Reserve.

The Funds of the Life Department are separately invested for the benefit of the Life Policy-holders and Annuitants, and are in no way liable for the obligations of the Fire Department.

The BONUSES have been increased at successive Divisions of Profit, the rate declared at the latest Septennial Division (1871) being equal to £94, 10s. per £1000 assured.

PREMIUMS MODERATE.

## FIRE DEPARTMENT.

The Fire Reserve Fund, which has been accumulating during a long course of years, is now much larger in proportion to the Premium Income than that of the majority of British Companies. This deserves attention, as the extent of SECURITY afforded is the most important point to be kept in view in the selection of a Fire Insurance Office, the rates of premium charged by all Fire Companies of good standing being practically the same.

THE ADVANTAGES offered by this Company are:—

## MODERATE RATES OF PREMIUM,

Under a variety of Tables, adapted to the requirements of all who desire to make provision for the future.

## AN EQUITABLE BONUS SYSTEM,

Which secures to each Policyholder a fair share in the Profits, and at the same time give to those who attain old age the larger benefits to which they are entitled.

## A COMPREHENSIVE NON-FORFEITURE SYSTEM,

Including nearly every class of Policies, and securing Policyholders against losing the benefit of their contributions from inability to continue the payment of Premiums.

*The Mode of dividing the Surplus or Profit in a Life Assurance Office is a matter of the highest importance to the intending assurer,—second only to the integrity of the Institution he proposes to join.*

THE ASSOCIATION HAS TWO CLASSES OF POLICIES UNDER SEPARATE BONUS SYSTEMS. AT the DIVISIONS OF PROFIT in CLASS A3 (*New Series*), the BONUSES are applied in TOTALLY EXTINGUISHING the premiums for the policies at the earliest possible period. An ORDINARY POLICY effected at the usual annual premium payable for life is thus, after a few years, transformed into a

## PAID-UP POLICY OR ABSOLUTE BOND FOR THE WHOLE SUM ASSURED,

*requiring no payments and no care to keep it in force, and carrying the specially high value and privileges of such a document.* ENTRANTS at a medium age will probably be required to pay premiums for about TWENTY YEARS only, instead of for the whole of life; a shorter period sufficing for older lives, while a somewhat longer period may be required in the case of younger entrants. The sum insured, also, will thereafter go on increasing by Bonus Additions.

The POLICY-HOLDER has the option of having his Share of profit applied *wholly* in BONUS ADDITIONS to the sum Assured, similar to the ordinary Bonuses of other Offices.

The Policy-holders have the NON-FORFEITABLE PREMIUM SYSTEM, as well as many other FACILITIES AND PRIVILEGES.

IN CLASS B, by the operation of the BONUS SYSTEM, the Policies become highly

## PROFITABLE INVESTMENTS

to the assured who attain an average length of life.

*The Bonuses being reserved exclusively for these, there is the certainty of all the participants realizing very large Profits, far exceeding what can be obtained under any other system or in any other Institution.*

At the DIVISIONS OF PROFIT, the BONUSES are declared payable only in the case of those assured who survive the average life-time. Upwards of a half of the whole number of entrants will survive that period. The BONUSES can be applied, at the option of the policy-holder, either in increasing his sum assured by BONUS ADDITIONS, or in a

## CASH PAYMENT OR LIFE ANNUITY

of an important amount, sufficient to form a considerable PROVISION for himself DURING the REMAINDER of HIS LIFE, while the sum assured remains untouched for his representatives.

THE ASSOCIATION transacts every description of LIFE ASSURANCE and ANNUITY BUSINESS, and also secures ENDOWMENTS, payable at any period of Life, as PROVISIONS FOR OLD AGE. It combines PERFECT SECURITY to the ASSURED, with MODERATE RATES OF PREMIUM, careful SELECTION OF RISKS, and *liberal* and *immediate* PARTICIPATION IN PROFITS. The FUNDS are SECURELY INVESTED, and of AMPLE AMOUNT. The SUBSISTING LIFE ASSURANCES exceed FOUR MILLIONS STERLING.

NINE-TENTHS (90 per cent.) of the PROFITS are divided among the ASSURED every FIVE YEARS.

SIX DIVISIONS OF PROFITS have taken place since the establishment of the Association:—viz. in 1846, 1853, 1860, 1865, 1870, and 1875—at each of which BONUS ADDITIONS, at rates which have never been lower than

**ONE POUND TEN SHILLINGS PER CENT. PER ANNUM,**

have been made to all PARTICIPATING POLICIES effected for the WHOLE TERM OF LIFE;—leaving all the sources of FUTURE PROFITS unimpaired.

Copies of the VALUATION REPORTS and BALANCE SHEETS may be had on application.

The SEVENTH QUINQUENNIAL INVESTIGATION AND DIVISION OF PROFITS will take place at CHRISTMAS 1880. POLICIES effected on the PARTICIPATION SCALE before Christmas 1878 will be entitled to THREE YEARS' BONUS ADDITIONS on that occasion.

## LIFE DEPARTMENT.

PREMIUMS, 1877, . . £250,790.

The Advantages and Facilities offered to Insurers with the Liverpool and London and Globe Insurance Company are as follows, viz.:—

LIFE POLICIES are issued upon two different Plans, namely:—Either upon a Scale of Premiums entitling the Assured to a *Participation* in Profits;—or upon a Scale which, requiring a smaller payment to secure a specified sum, does not entitle to such participation.

These Two Scales of Premium enable the COMPANY to meet the wishes of those who desire to accumulate BONUS ADDITIONS TO THEIR POLICIES; and also of another numerous class, to whom the lowest fixed rate of *Non-Participating* Premiums for a fixed amount of Insurance, without Bonus Additions, are either more convenient or, for especial reasons—as, for instance, in some case of Trusteeship—more proper.

The DIVISION OF PROFITS will for the present be quinquennial, but the first declaration of BONUS ADDITIONS to the Sums Insured upon the Participating Scale will be made for the term ending 31st December 1878.

The Assured's Share will be FOUR-FIFTHS of the Profits so ascertained to have accrued upon Life Policies of their class after the present date on the Participating Scale, and remaining in force on the 31st December 1878, and will be divided among the then existing Policies of that class, and which shall have been in force for one or more years.

Claims under Policies will be paid in THIRTY DAYS after the claim itself has been admitted, being the same time as is allowed for the payment of Renewal Premiums. This is an advantage peculiar to the Company.

Medical Fees and Policy Stamps paid by the Company.

THE MANCHESTER FIRE ASSURANCE COMPANY was established in 1824, upon principles of public utility, and consists of a numerous and wealthy proprietary—possessing a large paid-up Capital, which, with the accumulations of Profits, offers to Insurers the most ample security.

The cheerfulness and promptitude with which important losses have been paid by this Company are well known and admitted, it being the desire of the Directors to settle them with liberality and despatch.

By a system of the most complete classification, the result of each description of risk is ascertained annually; and the rates charged, being founded on an experience of half a century, are as favourable to the Insured as is consistent with the security of the Company.

No charge made for New Policies. Losses by Fire occasioned by Lightning are made good. The Policies of this Office extend to and cover Losses by Explosion of Gas.

Insurances effected for Seven Years will be charged for Six Years only; or if for any number of years more or less than Seven, a reasonable Discount will be allowed upon the Premium.

Insurances may be effected in Foreign Countries and in the Colonies, as well as throughout Great Britain.

Farming Stock and Implements of Husbandry on a Farm are Insured without the average clause.

# THE MAGNETICON,

FOR THE CURE, RELIEF, AND PREVENTION OF DISEASE.

EDGAR WETTON'S

PATENT MAGNETIC BELTS, LUNG INVIGORATORS, CHEST PROTECTORS, SPINE BANDS, KNEE CAPS, ANKLETS, WRISTLETS, PADS, Etc. Etc.

PRICES, 1s. 6d. to 63s.

THE special advantages of our Appliances as curative agents are that they are made of a light material, and generate Electricity without the aid of Voltaic Batteries, Metallic Plates, Chain Bands, or Acids, and give no Shocks and cause no Sores; and as the magnetic current passes rapidly through an intervening garment, contact with the body is not necessary.

The following are some of the many diseases in which our Magnetic Appliances will effect a cure or afford relief:—Gout, Rheumatism, Lumbago, Neuralgia, Sciatica, Epilepsy, Dropsy, Biliousness, Thick Neck, Loss of Voice, Languor, Diarrhoea, Nervousness, Asthma, Palpitation of the Heart, Congestion of the Lungs, Enlarged Tonsils, Hysteria, Erysipelas, Paralysis, Indigestion, Incipient Consumption, Loss of Appetite, Bronchitis, Sore Throat, Cutaneous Diseases, Headache, Pleurisy, Croup, Tumours, Constipation, Deafness, Wakefulness, Spinal Debility, Ague, Sprains, Quinsy.

From Captain WILKIE of Glasgow:—

SEVERE CASE OF ASTHMA, LIVER COMPLAINT, AND GENERAL WEAKNESS.

'1 ROBERTSON STREET, GLASGOW,  
20th November 1877.

'DEAR SIR,—I feel it no more a pleasure than a duty to inform you that the "Magneticon" Belt and Lung Invigorator, which I purchased from you in Dundee some two months back, have, I may state, entirely restored me to health. Previous to wearing them I had tried almost everything that is known for the cure of the complaints from which I suffered, but none of them were of any avail; and I even came to you without the slightest hope of deriving any benefit. It, however, gives me very great pleasure and satisfaction to be able to inform you that my health is now thoroughly restored, and that I am quite a different man to what I was before wearing your appliances, and to what I had been for many years past. I therefore have much pleasure in allowing you to use my name or to publish this letter wherever you think it may be of any good to the public; and, with best thanks, I remain, yours truly,

'JAMES WILKIE.

'To Wm. WHITTLE, Esq. (of Messrs.  
Wetton & Co.).'

COLD FEET.

'52 CARLTON STREET, KENTISH TOWN, N.,  
4th June 1874.

'FOR years I have suffered much, both in summer and winter, from cold feet. Your patent "Magneticon" Socks, which, by the way, are most comfortable to wear, have infused into them such

a continuous glow of warmth that I have not suffered in this respect since. 'SARAH JUDD.'

NEURALGIA.

'TEMPERANCE HOTEL, 12 HUTCHESON ST.,  
GLASGOW, 18th April 1878.

'DEAR SIR,—One of my family, who had been suffering from neuralgic pains in the spine, and, in fact, all over the body, for upwards of two years, was, in December last, induced to try your Magneticon Appliances (after all the other various remedies had been applied without effect), and the most beneficial results followed. After wearing a Belt and Lung Invigorator for about three weeks, the pains entirely left her, and she is now thoroughly restored to health.

'I have since bought from you several other Appliances for friends, and in every case they have been worn with the most beneficial results.

'MARY M'INNES.'

DYSPEPSIA AND LIVER COMPLAINT.

'EDINBURGH, February 13, 1878.

'DEAR SIR,—I have benefited so much from the use of your Magneticon Belt, that I feel myself bound to recommend it very strongly. For months I suffered from Dyspepsia and Liver Complaint, and it was almost with a feeling of despair that I determined to try the Magneticon.

'The result, I am glad to say, has been eminently satisfactory. In a very few days I felt a new being, and you may be sure I will do all I can to encourage my friends to do as I have done.—Yours truly,

'D. M.

'P.S.—You are at liberty to give my name and address to any one.'

IMPORTANCE OF WEARING MAGNETIC CORK SOLES.

Few are conscious of the very great advantage of wearing under the feet a medium that will not only prevent the abstraction of electricity by the cold earth, but will at the same time generate in the feet those electric currents on which natural warmth depends. Prices, 4s. 6d. to 10s. 6d. per Pair.

For additional TESTIMONIALS and full particulars of the Magneticon, see Illustrated Pamphlet, post free or gratis on application.

As a protection against the inclemency and changeableness of the weather, the Magneticon Appliances are invaluable.

Consultations on Health and the application of Curative Magnetism daily.

# BEGBIE'S PURE FLUID MAGNESIA.

THE valuable properties of Magnesia have been long and universally known. The use of Magnesia in the solid form has been very properly objected to, on account of its tendency to form dangerous concretions in the bowels. The introduction of the Fluid Magnesia has removed this objection, as it has been proved by eminent medical authorities that the use of this favourite Medicine in the liquid state is not liable to produce these concretions. It can therefore be used with perfect safety and incalculable benefit by anyone, and is specially adapted for Adult Females and Children.

This preparation is deservedly esteemed, possessing as it does all the medicinal properties of Magnesia, with more immediate action, and being administered in a more elegant and convenient form.

The continued use of Soda and Potash as antacids has been known to produce very serious results in the system. These agents can be entirely dispensed with, as the Fluid Magnesia is a more efficient remedy, and is perfectly free from the danger of causing injurious effects.

ESTABLISHED 1848.

## JOHN HISLOP, Coach Builder and Harness Maker,

**B**EGBS to intimate that, to meet the demands of his numerous customers at a distance, he has opened those extensive Premises in EDINBURGH, where he has for Sale a variety of NEW and SECOND-HAND CARRIAGES, at Moderate Prices.

The well-known character of the work hitherto built by him will be maintained in every department. The timber used is of the best quality, and thoroughly seasoned. By the use of the best brands of steel and iron, the weight of Carriages has been much reduced, without any diminution of strength or fitness for rough work.

THE HADDINGTON PORTABLE ROOFED WAGGONETTE forms a handsome close or open Carriage, is of easy draught, and turns easily on a narrow road.

THE HADDINGTON PRIZE MEDAL PORTABLE SEATED WAGGONETTE has obtained the highest honours wherever submitted to competition, having been awarded Five Silver Medals.

THE PRIZE MEDAL RUSTIC CART has been much admired for its general appearance, which is equally novel and elegant, forming a Commodious Shooting Cart, and can be hung on two or four wheels.

THE WHITTINGHAM CART is very light, has no disagreeable motion, being as easy with one as four persons.

**HARVEY HILLIARD,**

Patentee and Sole Inventor of 'THE LOCKFAST HANDLE TABLE KNIFE,'  
7 NICOLSON STREET, EDINBURGH (*two doors from the University*).

SEE ENGRAVING, which illustrates the principle of the Invention. The tang of the knife is barbed at right angles, and the bore of the handle being suitably grooved to admit the barb, the tang can be slipped down transversely into the bore; the blade being then forced round to its proper parallel position with the handle, the barb becomes embedded into the solid ivory, and the handle and blade are thus invisibly locked fast together so securely as to resist the possibility of loosening from frequent immersion in hot water, or from any severity of usage they may be subjected to.

HILLIARD'S IVORY 'LOCKFAST' KNIVES are specially distinguished for high-class quality, strength, and elegance, in testimony of which they were adjudged a Prize Medal at the Great International Exhibition.

# THE MORRISON SANATORIUM, VITA VILLA, 27 GRANGE ROAD.

THE MORRISON SANATORIUM, open to the scrutiny of the whole Medical World, claims to be a purely Philosophical Institute, and as such seeks to settle by Science the Natural Philosophy of disease. *Resistance* to the *through* circulation of the fluids is held to be the true cause of disease, and the *removal* of this resistance—by Nature pure and simple—to be no less the true cure of disorder. To discover, by unerring electrical apparatus, the exact places of resistance, and, by the exercise of the full powers of all natural sympathies, to remove—out of Nature's way—this resistance is the object of the Sanatorium.

## THE MORRISON SANITARY WORKS ORDER OFFICE—12 ROYAL EXCHANGE.

THE MORRISON WORKS has for its object the helping of parties to not only select healthy houses, but to supply by advice, or otherwise, certain scientific suggestions on sanitary subjects to enable them to make the most of the present state of things.

## THE AIR BURNING COMPANY, LIMITED, 14 RICHMOND STREET, GLASGOW

It has been largely in use for the last five years, and is admirably adapted for Private Houses, Hotels, Laundries, etc. etc.

*Can be seen Working at*

14 RICHMOND STREET.

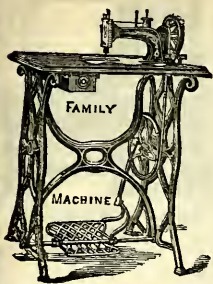

This patent process is also applicable to the heating of Dwellings, Calenders, Boilers, etc. etc.

## PATERSON & Co.,

ASPHALTERS AND CONCRETE PAVEMENT LAYERS.

WORK ESTIMATED FOR

In Farm Steadings, Warehouses, Cellars, etc., all over the Country.

OFFICE—10 NORTH ST. ANDREW STREET.

## WILLIAM MACKENZIE,

BUILDER AND ASPHALTER,

HOPE PARK END HOUSE, EDINBURGH,

**R**ESPECTFULLY intimates that he executes every description of Asphaltting, and is ready to furnish Estimates for the same, in Town or Country, on Moderate Terms.

ASPHALT FLOORING is highly recommended for Stables, Byres, Barns, Cattle Sheds, Granaries, Cottars' Houses, and all kinds of Farm Buildings, on account of its being the most effective preventative to the ascent and spread of Damp, its complete exclusion of Vermin, its neat and cleanly appearance, its durability and cheapness in comparison with other descriptions of flooring and pavement, and its healthy and disinfectant properties. While it effects a great saving, by the exclusion of rats and smaller vermin, owing to the close texture of the composition, without seam or joining, it keeps the Grain in a sweet state, from the entire absence of damp or moisture; and wherever the Asphalt Flooring has been used, it has fully realized all the benefits held out by its adoption.

## AFFLICTED UMBRELLAS.

ILLUSTRIOUS WAYFARER,

Do you rejoice in the possession of an athletic Umbrella? Inasmuch as it is a provident investment, this is an important question. Or has the destroying hand of Time and usage reduced it to a condition of inutility and abandonment?—Is it dilapidated? Is it prostrate with a fractured rib, a dislocated neck, or a broken spine? Has any unexpounded calamity tended to debilitate its nerves, or paralyse its muscularia? Is it afflicted with a damaged crenated attachment, or a ruptured vericle convergentum? Has any visitation or paralysis arrested or destroyed the facile action of the motive power? Does there exist any manifestation of an abrasion, or inaccurate tension of the epidermis? Is the tippeous extension of the epidermis unimpaired in its attachment? Is the pedaneous extremity intact; or has prolonged attrition against terraceous substances reduced it to a state of stumpiferous deformity? Is the digitalial appendage without flaw or fracture? Is the occlude and expansive action uninterrupted? Is the octahogenous osseonsity insometrically angulated? Is its centrifugal rotundity deformed by depression, semicollapse, or protrusion? Is its polyhedral conformation correct? and its circumambient proportions adequate for personal conservation? Is it loaned, lost, levanted, misappropriated, or used up? Are its mineralogical, vegetable, and animal elements, still in combination? Or is it "ALL OVER WITH IT?"

Impassioned reader! if you are mentally embarrassed in the labyrinth of these inquiries; if your technical knowledge fails to recognise their logical applicability; suffice it, that for any contingency, ample provision is made at the far-famed

# Scottish Commercial INSURANCE COMPANY.

---

[From the "Life Assurers' Handbook and Key to Life Insurance."]

IN our sketches of the various Assurance Offices, we have seen that the Scotch took a prominent part in Life Assurance business, when their first prejudices against it had been fairly surmounted. The success which attended the earliest efforts made in North Britain encouraged competitors to enter the field. These did not long confine their energies to the country in which they began their operations; and gradually, as they extended their business, and achieved the same results in England as they had done in Scotland, the Scotch companies took a high place in general confidence and esteem. In the course of time a peculiarly favourable estimate of Scotch Offices prevailed, and the later events have given no cause to think this confidence misplaced. The energy, carefulness, shrewdness, and sagacity usually associated with the Scottish character made it certain that under ordinarily satisfactory conditions Life Assurance Companies well backed in the North, might be implicitly relied upon to fulfil their contracts and conduct their business in a manner likely to prove profitable to Policyholders, and also, in the case of Proprietary offices, to Shareholders. We have seen that companies multiplied under the stimulus of a healthy rivalry between the larger towns, until a very large number had been established, and were found to be driving a profitable business. The SCOTTISH COMMERCIAL FIRE AND LIFE INSURANCE COMPANY—now the SCOTTISH COMMERCIAL FIRE AND LIFE INSURANCE COMPANY—was one of the latest in the field. It was instituted in Glasgow in the year 1865, so that it is now in its thirteenth year, and the results it has achieved during that period have been of a very remarkable character. Although there might appear to have been already a sufficient number of offices for both Fire and Life Assurance to cover the whole ground, experience has proved that business of this character in a progressive community can be developed with great rapidity, and in the natural course of things the ordinary increase of the population steadily widens the field in which operations can be conducted.

The SCOTTISH COMMERCIAL started at the first as a Fire Office, but very soon it was found desirable to add on a Life Department as well. It was supported by men of great influence in the world of commerce in the West of Scotland, and with characteristic national fervour, the promoters devoted their energies to attracting business and making their Office of a first-class nature. At the first General Meeting, held in July 1866, in accordance with the Articles of Association, the result of nine months' operations were reported to the Shareholders, but there were no printed copies of the Report issued. According to it, the Premiums on Fire business amounted to £9954, a result which it was said would compare very favourably with the figures of any other office at a like period of its existence. In the Report it was intimated that the Directors, after giving the matter full consideration, had determined on recommending to the proprietors that Life business should be assumed by the Company, and that the resolutions necessary to enable the Company to entertain Life Proposals would be submitted at the Meeting in the following March.

The exhortations of the Manager to the Agents of the Company to exert them-

selves to extend the business of their Agencies proved very effective, and were followed by excellent results. In the first complete year of the Company the net Fire Premiums were £17,353; the next year, ending January 1868, they showed an increase of 22 per cent., being £21,306; in 1869 they were £22,438; in 1870, £27,554; and in 1871, £45,243, being an increase of upwards of 60 per cent. This was not because of any undue means adopted to develop the business, but was the direct effect of the energy and industry of the Representatives and Agents of the Company, especially in its foreign business. During 1871 not only were the Directors able to boast of the largest business the Company had done, but also the largest balance at the credit of the Profit and Loss Account. The net amount for the year was £12,336, being £5000 more than in the year preceding. Hitherto the Dividend had been at the rate of 5 per cent., but the Directors thought they were warranted in rising from that to 7 per cent. They were the more easily able to come to the conclusion that it would be prudent to take this step, from the fact that this was the last year in which they required to pay preliminary expenses. These had been cleared off in five years, which was an unusually short period. By this time the Directors had greatly extended their foreign business, having established Agencies at Calcutta, Ceylon, Demerara, Kurrachee, Rangoon, Rio de Janeiro, San Francisco, Sydney, Yokohama, and Auckland.

The Life business had not been extended in equal proportions with the Fire, but the expense was reported extremely low, the mortality, fortunately, was light, and the character of the business was therefore excellent. Having a stable proprietary at its back, and always acting on the principle of making adequate provision for the risks undertaken, the Company was able to look forward to a satisfactory development in this branch. The gross Premiums for the year ending September 1870 were £3147, and £600 paid all the claims during the period. The balance forming the Life Accumulation Fund at 30th September 1870 was £6367, and the amount at the credit of the Reserve and Contingent Funds was £20,042.

The first investigation in the Life Department resulted in a Bonus of £1:7:6 per cent. per annum to the Participating Policyholders, while provision was made for an intermediate Bonus upon Assurances which might become Claims prior to the next Division of Profits. According to the Actuary's Report, the fact was established that the Accumulated Life Fund was more than sufficient to cover all liabilities under policies then existing. The Life Department, it may be stated, was established in 1867, and the investigations were quinquennial. The advantages offered to Policyholders were on a liberal scale. Amongst them may be mentioned the issue of Policies which may become fully paid-up on receipt of a limited number of Premiums. In the event of non-payment during the proper time, each Premium paid constitutes an inalienable claim to an insurance of a proportionate amount, and the objectionable features of lapsed policies are thus avoided. Among the advantages of what are thus called "Ten-payment Life Policies" may be enumerated that the Policy from the first is a valuable security for an advance, the Assurer is relieved from the necessity of paying Premiums during the later portion of his life, and as the Premiums are limited to ten, he knows how many, at the most, he is required to pay. We do not wonder, then, that these limited Policies have been highly valued.

We have given a statement of the progress of the Fire Insurance business of the SCOTTISH COMMERCIAL from its start, and during the first few years of its existence. We have also shown what were the comparatively small beginnings of its Life business, and the results that were attained on the completion of the first quinquennial period. We have thus given one term of the comparison. We shall now, by supplying the results during the last year of the Company's operations, as shown by the Report for the year 1876, enable a comparison to be formed which will exhibit the rapid progress the Company has made during its short but flourishing existence.

The Premium Income in the Fire Department yielded during 1876 the large sum of £178,020; and after providing for losses, paid and estimated, there is a balance of £64,832. Since 1866, the first year of the Company's existence, the amount of the Premiums has increased more than ten-fold, as will be seen by bearing in mind that the Premiums were then £17,353. In the Life Department the progress made has not been equally remarkable, but, as already explained,

the business is of a very safe character, and it is progressive. The Policies issued in 1876 were 316, for £143,631, yielding a new Premium Income of £4174. The Dividend has now advanced to 12½ per cent., after paying which, and applying £35,000 to the Reserve Fund, a balance of £1048 was carried forward to Profit and Loss Account. The Reserve and Fire Re-insurance Fund is now £125,000; the Paid-up Capital, formerly £100,000, is now for the same amount; and the Life Assurance Fund is £37,955. Including the balance brought forward, the Total Funds are £289,003, against £221,002 at the end of the previous year.

While the business has been extended with rapidity, it is worthy of remark that the Company has paid very much less, proportionately, for expenses than any of its neighbours. At the Meeting in 1876 the Chairman was able to state that the ratio of expenses was fully 5 per cent. less than the average of the Scotch offices, and less than half of the average of all the Life Assurance Companies of the country. While the average of all the offices was 18·74, and the average of the Scotch offices was 13·74, that of the SCOTTISH COMMERCIAL was only 8·59 per cent. Referring to the Net Premium Income from the Fire Department—then £176,360—the Chairman said it gave the office a real standing and influence, such as scarcely any company had ever before attained in an equal time. During the year 1876 the Fire Premium Income has been £178,020, as already mentioned. It is peculiarly gratifying that so great an improvement has been secured in a time of general gloom and depression. We may be sure that when better days come, the progress of this Company will be in a proportionately larger ratio. Through the continuous exercise of the same qualities that have raised it in so short a time to the high vantage-ground on which it now stands among the Assurance Offices of the Empire, the Share and Policy holders may be confident that a yet more prosperous future awaits them.
