IMPORTANT TO ADVERTISERS.

THE cheapest and best means of reaching all classes in the community is by advertising in a newspaper finding its way into the homes of the people. Business Announcements are thus brought directly under the notice of the reading public, quite as effectively as by separate circular or handbill, and at much less expense. Advertisers will find the *Stirling Sentinel* most useful in this respect. Its sale in Stirling, Bannockburn, St. Ninians, Cambusbarron, Pleau, Cowie, Fallin, Causewayhead, Bridge of Allan, the Western District of Perthshire, and in Clackmannanshire, is wide-spread and increasing.

Advertisements should be forwarded not later than Monday night. Small announcements are received up to 11 on Tuesday forenoon.
