THE PUBLISHERS OF THE POST OFFICE GREENOCK DIRECTORY beg to return their acknowledgments for the liberal patronage bestowed on the Publication which, for fourteen years, they have had the honour to conduct, and which has become indispensable.

During the past century the Town has increased from about 4000 to 43,206, as at last Census, taken on the 7th April of this year, exclusive of 2000 persons estimated as belonging to the Town, but absent at sea prosecuting their avocations.

Nothing has transpired to warrant us in changing or modifying what we stated in the Preface to the Directory for last year—1860-61.

\* In the present issue for 1861-62 many additions and improvements have been made. The Plan of the Town, which is prefixed to the volume, has been specially prepared as an accompaniment, and, for its size, will be found useful and correct. The Appendix has been much enlarged, and will, it is hoped, be found very complete and comprehensive. The Shipping Lists have been carefully extended, and the information given is exact. The Statistics of the Volunteer Artillery and Rifle Corps may be relied upon as authentic; and, indeed, in every part of the work, the Publishers have aimed at making it a correct book of reference suited to the locality. In addition to the usual alphabetical arrangement, a Street Directory has been introduced, so that if the Street in which a person reside be known, his full name and the number of his residence will be easily found. Advantage has been taken of this double reference to correct some slight errors that have crept into the body of the work; and, on the whole, this number of the Directory, as the list of contents will indicate, is superior to any of its predecessors.

The Directory continues to be esteemed by Advertisers as a medium for keeping their professions, trades, or enterprises before the Public, and their orders have been faithfully obeyed.

The Publishers again return their thanks for the liberal support they have received, and again assure the Public that no exertion will be spared to sustain the Directory, and to preserve and increase the reputation it has obtained.

(INLAND BILL) DRAFT OR ORDER, after the 10th October, 1853, for the payment of any sum of money to the bearer, or to order, on demand, 1d. And the following instruments shall be deemed and taken to be drafts or orders for the payment of money within the intent and meaning of this Act, and of any act or acts relating to the stamp duties on bills of exchange, drafts or orders, and shall be chargeable accordingly with the stamp duties imposed by this act or any such act or acts, viz.: All documents or writings usually termed letters of credit, or whereby any person to whom any such document or writing is or is intended to be delivered or sent, shall be entitled, or be intended to be entitled to have credit with or in account with, or to draw upon any other person for, or to receive from such other person any sum of money therein mentioned.

EXEMPTIONS.--Any Draft or Order drawn by any Banker upon any other Banker, not payable to bearer, or to order and used solely for the purpose of settling or clearing any account between said Banker. Any letter written by a Banker to any other Banker directing the payment of any sum of money, the same not being payable to bearer or to order, and such letter not being sent or delivered to the person to whom payment is to be made, or to any person on his behalf.

INLAND BILL, DRAFT, OR ORDER for the payment of any sum of money, though not made payable to the bearer, or to order, if the same shall be delivered to the payee, or some person on his or her behalf, the same duty as on a bill of exchange for the like sum, payable to bearer or order.

INLAND BILL, DRAFT OR ORDER for the payment of any sum of money weekly, monthly, or at any other stated periods, if made payable to the bearer, or to order, or if delivered to the payee, or some person on his or her behalf, where the total amount of the money thereby made payable shall be specified therein, or can be ascertained therefrom, or shall be indefinite, the same duty as on a bill payable to bearer or order on demand.

PROMISSORY NOTE for the payment of any sum of money by instalments, or for the payment of several sums of money at different days or times, so that the whole of the money to be paid shall be definite and certain, the same duty as on a promissory note, payable otherwise than to the bearer on demand, for a sum equal to the whole amount of the money to be paid.

N. B.—The duties on Foreign Bills drawn out of the United Kingdom, are to be denoted by adhesive stamps. The amount of duty on adhesive stamps is impressed on two parts: The Board of Inland Revenue recommend that the cancellation should be one of the parts, and the other left legible:

If a Foreign Bill payable abroad, and as to which the provision "drawn in sets of three or more" apply, shall be drawn in a single bill, the duty will be the same as on an Inland Bill, and if in a set of two, the duty on each will be the same as on an Inland Bill. This is in accordance with the opinion of the Board of Inland Revenue. But the Board have given an opinion that a Foreign Bill drawn abroad and payable in this country in duplicate or triplicate only represents one transaction, and is liable to the duty on one Inland Bill of the same amount—that is, if one of the parts have the full duty, the others may be unstamped. The schedule of the act does not provide for such a Bill being drawn in sets. Bills bearing to be drawn out of the United Kingdom are to be deemed Foreign Bills so drawn, although they may in reality be drawn in the United Kingdom, 17 and 18 Vict. c. 83, § 4. A person in the United Kingdom drawing and issuing a Bill payable out of United Kingdom in a set, must draw the whole set, and a person transferring or negotiating such Bill must transfer and deliver, stamped, the whole number of the set. Penalty £100. A person taking such bill must get the whole set, stamped, or otherwise he cannot recover on it or make it available, ib. § 6. This applies only to bills drawn within and payable out of the United Kingdom.

FOREIGN BILLS OF EXCHANGE, drawn in but payable out of United Kingdom, when drawn single same as Inland Bills.

## RATES OF POSTAGE AND CONDITIONS OF TRANSMISSION.

### *Inland Letters.*

The rate of postage on all inland letters is regulated by weight, irrespective of distance, and (with the exceptions afterwards mentioned, is as follows :—

#### *If paid in advance.*

Letter weighing not more than $\frac{1}{2}$ oz. *	- - - - -	1d
„ „ more than $\frac{1}{2}$ oz. but not exceeding 1 oz	-	2d
„ „ more than 1 oz. „ „ 2 oz.	-	4d
„ „ more than 2 oz. „ „ 3 oz.	-	6d

and so on ; twopence being charged for every additional ounce.

#### *Unpaid Letters.*

As a general rule, the postage, if not paid in advance, is double the foregoing ; and if the payment in advance be insufficient double the deficiency is charged. An inland letter, for example weighing more than half an ounce, and not exceeding one ounce if bearing a penny stamp only, is, on delivery, charged twopence. The unpaid *additional* postage on re-directed letters, however, is not doubled, being the same as if such postage were prepaid. Unless three quarters, at least, of the postage of a letter weighing more than 4 oz. be prepaid, the letter is not forwarded, but notice of its detention is given to the sender, or when that is not practicable, to the person to whom the letter is addressed.

\* If the weight be exceeded to the smallest extent, even though the balance be merely turned, the letter becomes liable to a higher postage. The same rule applies to letters going abroad. To provide, therefore, for errors in scales, &c., it is well to allow a little margin, or to pay the postage of the next greater weight.

*II. Newspapers and other periodical Publications bearing the Newspaper Stamp.*

Although the provision is made for forwarding newspapers, books, and money through the post, it is not compulsory on any one to employ this mode of transmission; everything except letters may be sent in any other other way.

All periodical publications, including newspapers, published in the United Kingdom, at intervals not exceeding thirty-one days, and which bear an impressed stamp or stamps denoting the stamp duty (of the kind formerly confined chiefly to newspapers) may be transmitted and re-transmitted through the post within the United Kingdom free of postage.

INLAND BOOK POST.

*The following are the regulations of the Inland Book Post:—*

1st. Rates of Postage:

Weighing not more than 4 oz.	-	-	-	-	-	1d
„ more than 4 oz. and not exceeding 8 oz.	-					2d
„ more than 8 oz.	„	„	16 oz.	-		4d
„ more than 1 lb.	„	„	1½ lb.	-		6d

and so on, 2d being charged for every additional half pound or fraction of a half pound.

- 2d. The postage must be prepaid, to the extent of one rate at least; by means of postage stamps affixed outside the packet or its cover; and if the whole postage be not thus prepaid the packet is treated in the manner described in Section 9.
- 3d. Every packet must be sent either without a cover, or in a cover open at the ends or sides; so as to admit of the enclosures being removed for examination. For the greater security of its contents the packet may be tied at the ends with string; but in such case the Postmaster is authorised to cut the string, although he is required to refasten the packet.
- 4th. A book-packet may contain any number of separate books or other publications (including printed letters and printed matter of every kind), photographs when not on glass or in cases containing glass, prints, or maps, and any quantity of paper, parchment, or vellum. And the books or other publications, prints, maps, &c., may be either printed, written, or plain, or any mixture of the three. Further, all legitimate binding, mounting, or covering of a book, &c., or of a portion thereof, will be allowed, whether such binding, &c. be loose or attached; so also rollers, in the case of prints or maps; markers (whether of paper or otherwise), in books; and, in short, whatever is necessary for the safe transmission of literary matter, prints, or maps, or usually appertains thereto; but no patterns, or books of patterns (unless these consist merely of paper) can be allowed.

- 5th. No book packet may contain anything which is sealed or otherwise closed against inspection; nor must there be any letter, nor any communication of the nature of a letter, whether separate or otherwise, unless the whole of such letter or communication be printed. Entries, however, merely stating who sends the book, &c., or to whom it is given, are not regarded as a letter. Indeed as respects the name and address of the sender, not only is the writing permitted but recommended; so that if the cover come off or for any other reason the the packet cannot be forwarded, it may be returned.
- 6th. No book packet must exceed two feet in length, width, or depth; and if any such packet be presented at a Post Office it will not be received.
- 7th. Any packet which shall not be open at the ends or sides, or shall have any written letter or any communication of the nature of a letter written in it, or upon its cover, will be charged with the "unpaid" letter postage.
- 8th. If a packet be found to contain any written letter, whether closed or open, or any enclosure sealed or otherwise closed against inspection, or any other unauthorized enclosure, the letter or enclosure will be taken out and forwarded to the address on the packet, charged with the full postage, as an unpaid letter, together with an additional rate; and the remainder of the packet, if duly prepaid with stamps, will then be forwarded to its address.
- 9th. If a packet be not sufficiently prepaid with stamps, but nevertheless bear a stamp of the value of one rate, it is forwarded, charged with the deficient book-postage, together with an additional rate; but any packet which bears no postage stamp is charged with the "unpaid" letter postage.
- 10th. In every case in which the postage chargeable under these regulations is greater than the letter rate, the latter postage is substituted.

## POSTAGE STAMPS.

Every Postmaster is required to have on hand a sufficient stock of postage labels and embossed penny envelopes, and to sell them to the Public at the following prices:—

### *Postage Labels.*

Penny Labels,.....1d each.	Fourpenny Labels,....4d each.
Twopenny do.,.....2d each.	Sixpenny do.,.....6d each.
Shilling Labels,....1s each.	

*Embossed Penny Envelopes.*

6       "       .....0s	6 $\frac{3}{4}$ d	1       "       .....0s	1 $\frac{1}{4}$ d

Two kinds of embossed envelopes are now issued; one with a thread passing through the stamp, and the other without any thread, but made with thicker and better paper. Every person can have the kind he prefers.

No coloured paper can be received for stamping, nor any paper which is too thin to bear the impression of the dies.

Envelopes provided by the office of Inland Revenue, with the proper stamps thereon, will be substituted for any which may be spoiled in the operation of stamping.

A license to sell postage stamps can be obtained, free of expense, by any respectable person on application to the office of the Inland Revenue.

## REGISTRATION.

By the prepayment of a fee of sixpence any letter, newspaper, book, or other packet on which the postage has been prepaid in stamps, may be registered to any place within the United Kingdom. Book packets and newspapers can also be registered to the colonies. To foreign countries *letters only* can be registered. The registration of a packet makes its transmission more secure, by rendering it practicable to trace it, when inland, from its receipt to its delivery; and when colonial or foreign, if not to its delivery, at least to the port of despatch. The Post Office does not guarantee the safe delivery of the letter, &c., though any officer who may neglect his duty on this point, will be called to strict account, and if the Postmaster-General think fit, will be required to make good any loss that may be sustained.

The postage and registration fee of registered letters must be prepaid; and if the letter be inland, such prepayment must be by stamps.

Every letter to be registered should be presented at the windows and a receipt obtained for it, and must on no account be dropped into the letter-box. If, contrary to this rule, a letter marked "Registered" be dropped into the letter-box, it will, *if directed to any place in the United Kingdom*, be liable to a registration fee of one shilling, instead of the ordinary fee of sixpence. No Letter-Carrier or Rural Messenger is required to take letters for the Public to have them registered.

Prepayment of inland letters, &c., must be by labels or embossed stamps,\* except at the Chief Post Office, London, where prepayment of such letters from 10 a.m. to 5 p.m., is permitted in *money*, provided the amount be not less than £1. Letters also to the colonies and foreign countries may be prepaid in money. Except in the case of letters posted in Malta, Gibraltar, Constantinople, Alexandria, Cairo, Suez, Buenos Ayres, Lagos, and Fernando Po, and those sent by officers and seamen serving on board Her Majesty's ships, British postage stamps are not available for the payment of letters, &c., *coming into this country*.

By using embossed envelopes all risk of the stamp being detached may be avoided; but when labels are used, these should be examined to see that they firmly adhere since if they fall off, the letters, &c., will be charged with postage; which in the case of inland letters is double the prepaid rate. To some places abroad also, double the prepaid rate is chargeable in such cases; and in other instances the letters, &c., are liable to be detained for the deficient postage. The labels should be placed on the front of the letter, and upon the right hand corner of the upper side.

Arrangements have been made by which paper and envelopes taken by the public to the office of Inland Revenue, Somerset House, can be embossed with stamps equal to any rates of postage (including a threepenny stamp) under the following regulations:

- 1st. When the stamps required do not amount to £10 worth, one shilling is charged, in addition to the postage stamps, for each distinct size of paper.
- 2d. When the stamps amount to £10 worth, no fee is charged, provided one size of paper only be sent.
- 3d. When the stamps amount to £20 worth no fee is charged, provided not more than two sizes of paper be sent.
- 4th. When the stamps amount to £30 no fee is charged, provided not more than three sizes of paper be sent.
- 5th. When the stamps amount to £40 no fee is charged, provided four sizes of paper only be sent; and no more than four sizes can be received on a single warrant.†
- 6th. No *folded* envelopes can be stamped; and therefore paper, whether intended for envelopes or letters, must be sent unfolded and without being creased.

---

\* Payment in labels must always be made by affixing outside the letter, &c. before it is posted, a number of labels equal in value to the amount of postage.

† The warrants (or requisition forms) used in applying for paper to be stamped are obtainable on application at the office of Inland Revenue, Somerset House, London. W.C.

## MONEY ORDERS.

The public are recommended, when applying for Money Orders, to use printed "Application Forms," which save time, and afford greater security, than verbal messages, against mistakes. These Forms are supplied gratuitously at all Money Order Offices.

The commission on an inland Money Order not exceeding £2 is threepence, and one above £2 it is sixpence; no order being granted for more than £5. The commission on Money Orders to Canada is fourfold these sums, and on Money Orders payable at Malta or Gibraltar threefold.

No order is allowed to contain a fractional part of a penny.

With the subjoined exceptions, no Money Order can be issued unless the applicant furnish in full, the surname and at least the initial of one Christian name, both of the remitter (the person who sends the order) and the payee (the person to whom the money is to be paid), together with the remitter's address :—

- 1st. If the remitter or payee be a peer or a bishop, his ordinary title is sufficient; and if a firm, the usual designation of such firm suffice, (the mere term "Messrs," however, is not sufficient), will except a company trading under a title which does not consist of the names of the persons composing it, as the "Carron Company," to which kind of company the above privilege does not extend.
- 2d. Money Orders for transmission by the Public to the Privy Council Office will be issued payable to "The Privy Council Office," the name of the payer not being required in these cases.
- 3d. When the remitter notifies in writing that the order is to be paid through a bank, it is left to his option to give or withhold the name of the payee; and he may, if he wish it, substitute for the name of the payee any other designation or any modification of the name, as for example :—"The Cashier of the Bank of England,"—"The Chief Clerk of the Foreign Office,"—"The Publisher of *The Times*,"—"Messrs Longman & Co."

When application is made for a Money Order payable in London or at any other town where there is more than one Money Order Office, the remitter should say at which of such offices he wishes it to be paid, otherwise the order can be cashed at the Head Office alone. It is not incumbent on a Postmaster to supply such information relative to local or provincial offices, but the nearest Money Order Office to any street in London may be ascertained by referring to the Street List published in the Post Office Regulations.

An order once issued cannot be cancelled; and should repayment or transfer to a different office or alteration of name be required, the remitter must apply to the issuing or paying Postmaster according to the directions printed on the back of the order:

The remitter of an order may make that order payable ten days after date, provided he sign the requisition "C." printed on the face of that order, to defer payment until ten days after date, and affix a penny receipt stamp thereto.

When an order is presented for payment (otherwise than through a bank) the Postmaster has first to see that the signature of the payee be as full as the name given in the advice, and be not in any way inconsistent therewith. He has then to call on the applicant to give the name of the remitter, and if the reply be correct, the order will be paid, unless the Postmaster have good reason for believing that the applicant for payment is neither the rightful claimant, nor deputed by him. When an order is paid through a bank it is sufficient that it be receipted (without regard to any discrepancy between the signature and the name in the advice, or to whether the receipt is given by the payee himself or by another person,) and that it be presented (crossed with the name of the receiving bank) by some person known to be in the employment of the bank.

The holder of a Money Order is always at liberty to direct, by crossing it, that the order be paid through a bank, even though its payment was not originally so restricted; and when the order is thus crossed, the question put on the presentation of an ordinary Money Order is dispensed with.

*A DAILY PAPER FOR GREENOCK.*

The *North British Daily Mail* is the oldest and most influential Daily Newspaper in Scotland, and has for several years enjoyed a most extensive circulation amongst the wealthy and mercantile classes of the country. The Proprietors have spared no effort or expense to enable the *North British Daily Mail* worthily to maintain its position as the *leading journal* of the mercantile interests of Scotland, and to render it an adequate reflex of the passing history of the age.

The Commercial, Shipping, Legal, and General Intelligence of the *North British Daily Mail* is supplied from original and trustworthy sources, and the double sheets on Wednesdays and Saturdays enable its conductors to make it in every respect more available than hitherto for conveying information suited to the varied tastes and interests of all classes of readers.

Unfettered by party ties, the NORTH BRITISH DAILY MAIL advocates all measures calculated to develop the social, political, and commercial progress of the country.

When the advantages derived from a Daily Newspaper are considered, coupled with the cheapness to which the NORTH BRITISH DAILY MAIL is supplied to Subscribers, no individual who can afford Six Pence WEEKLY ought to hesitate in availing himself of the privileges which it confers.

As an Advertising medium, there can be few journals better suited for the announcement of Sales of Landed Estates, Minerals, House and other valuable Property, as well as for all Advertisements addressed to the commercial and monied interests, as proved by the fact that FORTY COPIES of the MAIL are ordered Daily for the Royal Exchange in Glasgow, which is

ONE-THIRD MORE THAN THAT OF ANY OTHER NEWSPAPER ORDERED FOR THE SAME ROOM.

## DISHER'S DANDELION PILLS,

*For Indigestion, Bilious, Liver, and Stomach Complaints.*

**A**LTHOUGH we cannot conscientiously offer them as a specific in all complaints, well knowing the absurdity of such pretensions in any one compound, still they will be found superior to every other medicine, in respect to their gentle mode of action.

They are a safe and valuable remedy for Bilious Complaints, and Pains in the Stomach and Bowels; are completely calculated for those whose bowels are habitually slow, and consequently require the use of laxatives; and are well adapted for general FAMILY USE, being purely of vegetable composition.

As a Purifier of the Blood, this will be found superior to every other Pill in the United Kingdom.

They form a most excellent remedy for Indigestion, Crudities in the Stomach, Loss of Appetite, Costiveness, Headache, arising from flatulency in the Stomach and Bowels, which generally attend those who lead sedentary lives.

Sold in Boxes at 1s. 1½d and 2s. 9d. each, including the Government Stamp, with full Printed Directions for Use.

*BOTANIC MEDICAL HALL, 83 LONDON STREET.*

*Country Patients remitting 15 Postage Stamps will receive a Box of Pills by return of post, to any part of the United Kingdom.*

## WHEELER & WILSON'S LOCK-STITCH SEWING MACHINES, SALE ROOMS—82 UNION STREET, Glasgow.

**T**HE WHEELER & WILSON MANUFACTURING COMPANY invite the attention of Families, Seamstresses, Dress-makers, Tailors, and Manufacturers in general, to the perfect adaptation and unrivalled excellence of their  
SEWING MACHINES.

Their extensive and increasing sale, and the unanimous commendation they have received, warrant the company in warmly recommending them. They have been in use sufficiently long to test them thoroughly, and have given entire satisfaction.

They are simple in construction, efficient and durable in operation, beautiful in model and finish, fitted to adorn the parlour and suited to the workshop; applicable alike to the use of the family and the manufacturer. Their speed is from 1200 to 2000 stitches per minute, or equal in efficiency to 12 Seamstresses. Substituting, as they do, healthful exercises and rational employment for the soul-and-body-destroying drudgery of Hand-sewing, they are hailed as Woman's Friend.

 *Observe the Address, give a call, examine the Specimens, and judge for yourselves.*

**R**EADER, there is probably no existing Art which confers a greater pleasure than that which perpetuates to us the Features and the Expression of those that we hold in memory dear, and we all ought to feel impressed with the gratification derived from possessing a Faithful Likeness of a Relative or Valued Friend, in order that when Death or Distance may cause a separation we may, through the medium of the Photographer's Art, recall to mind the Features and the Expression of those who were once so dear to us. Parties who are desirous of possessing this last Relic of Friendship, would do well to call on the Photographer,

Whose well-skilled art does faithfully pourtray  
 The forms and features of the present day ;  
 Through him, in future ages, may be seen  
 The aged as they once in youth had been.  
 The young may have a likeness well defined  
 Of parents much beloved, to their mind ;  
 And friends may view throughout each passing year  
 Each one they'd wish to hold in memory dear.  
 The distant lover may with joy behold  
 That face and form more worth than sterling gold ;  
 And, as on wings of love, by Penny Post,  
 These gems may be conveyed through Britain's coast.  
 Make no delay, but to M'Lintock haste  
 Parent, or child, or friend or lover chaste ;  
 Embrace the present moment to obtain  
 What in the future will be sought in vain.
