INLAND PARCEL POST.

Parcels *not exceeding 11 lbs. in weight* are received at any Post Office for transmission between places in the United Kingdom.

In order that a packet may go by Parcel Post it must be tendered for transmission as a parcel, and should bear the words "Parcel Post," which should be clearly written in the left-hand top corner.

Every Post Office is open to the public for Parcel Post business on week days during the same hours as for general postal business. No Parcel Post business is, as a rule, transacted in England or Ireland on Sundays, Christmas Days, and Good Fridays; nor in Scotland on Sundays and all public holidays.

The following are the principal conditions and regulations :—

The size allowed for an Inland Postal Parcel is :—

Greatest Length..... 3 ft. 6 in.

Greatest length and girth combined... 6 ft. 0 in.

For example—

A parcel measuring 3 ft. 6 in. in its longest dimension may measure as much as 2 ft. 6 in. in girth, *i.e.*, round its thickest part; or—

A shorter parcel may be thicker; thus, if it measure no more than 3 ft. in length, it may measure as much 3 ft. in girth, *i.e.*, round its thickest part.

The most convenient mode of measuring is by means of a tape 6 ft. long, having the length of 3 ft. 6 in. marked thereon. So

much of the tape as is not used in measuring the length is the measure of the maximum girth permissible. Such a tape, if provided by stationers, may conveniently be marked in one colour up to 3 ft. 6 in., and the remaining portion in another colour.

The rates of Postage are—for a Parcel—

Not exceeding 1 lb. in weight 3d

Every additional lb. or fraction of a lb. up to 11 lbs. 1½d extra.

Compensation for loss or damage will be given subject to certain regulations, in accordance with the following table:—

Without payment of fee to amount not exceeding £1

On payment of insurance fee of 1d in addition to postage, to an amount not exceeding..... £5

On payment of insurance fee of 2d in addition to postage, to an amount not exceeding..... £10

No parcel is accepted which weighs more than 11 lbs., or is not sufficiently paid. The postage must in all cases *be paid in advance*, and by ordinary postage stamps which must be affixed by the sender before tendering a parcel for transmission by Parcel Post at a Post Office.

Parcels must not be posted in a letter box, but must be taken into a Post Office and handed over the counter. Care must be taken that every parcel bears a clean address.

A parcel bearing the words "Parcel Post," or otherwise marked for transmission as a parcel, and posted out of course in a Letter Box, must be forwarded as a Letter or Book Packet if it is fully prepaid at the rate proper to either, and it is otherwise in accordance with the regulations of the Letter or Book Post.

If it does not comply with the above conditions, but is fully prepaid at the Parcel rate and is otherwise in accordance with the Parcel Post regulations, it will be forwarded by Parcel Post and charged with a fine of 3d, together with the deficient postage, if any, at the Parcel Post rate.

The address of a parcel must be clearly written either on the outer wrapper or on a separate address label securely fastened to the parcel; and the necessary stamp or stamps, to prepay the postage, must in all cases be placed (as in the case of letters) close above the address.

Parcels which bear on the outside any writing or drawing of an indecent or offensive nature, or within which any contents of a like nature may be observed, and parcels containing gunpowder, cartridges, lucifer matches, or anything explosive or liable to sudden

combustion, bladders containing liquid, live animals, grossly offensive or filthy matter, and anything in a condition likely to injure other parcels or any officer of the Post Office, are prohibited.

If any such parcel be tendered for posting, it is refused, or, if detected in transit, it is detained. Parcels containing fish game, meat, eggs &c., or razors, scissors, needles, knives, forks, or other parcels. Liquids or semi-liquids, such as jellies, pickles, paint, varnish, &c. are not accepted unless in bottles or cans securely stoppered; nor powders, unless so packed that they cannot escape in transmission. Bottles or glass in any form can be accepted only when so packed as to be secure from breakage. If a parcel be tendered in a damaged or insecure condition, or in a condition likely to injure other parcels or any officer of the Post Office it is refused. If a parcel in such a condition is observed in transit it is, if possible, made secure and sent forward; but, if it cannot be so secured, it is detained.

Parcels known to contain a letter, packet or, parcel intended for delivery at an address other than that borne on the parcel itself are prohibited.

3. The person to whom a Postal Order is issued must, before parting with it, fill in the name of the person to whom the amount is to be paid, and may fill in the name of the Money Order Office at which the amount is to be paid. The person so named must, before payment can be made, sign the receipt at the foot of the Order and must also fill in the name of the Money Order Office, if that has not been already done.

4. Every person to whom a Postal Order is issued should keep a record of the number, date and name of office of issue to facilitate inquiry if the Order should be lost.

No Money Order, Postal Orders, or Savings Bank business is transacted on a Sunday.

APPLICATIONS TO RETURN LETTERS.—A letter when it has once been posted, cannot be returned to the writer, but must be forwarded to the person to whom it is addressed.

CHANGE AND BAD MONEY.—No Postmaster is bound to give change, or is authorised to demand change; and when any money is paid at this office whether as change or otherwise, no question as to its right amount, goodness, or weight can be entertained after it has been removed from the counter.

POST OFFICE SAVINGS BANK.

1. Post Office Savings Banks are established at all Money Order Offices in the United Kingdom and are open for the receipt and payment of money daily during the hours appointed for Money Order business.

2. At these banks deposits of one shilling, or any number of shillings, will be received; but no one may deposit more than £30 in one year ending 31st December, or make a further deposit when

the total amount standing to his credit has reached £150 exclusive of interest.

3. Interest at the rate of £2 10s per cent. per annum (which is at the rate of sixpence in the pound for each year, or at the rate of one halfpenny on each complete pound for each month reckoning from the first day of the calendar month next following the day on which a complete pound has been deposited, up to the last day of the calendar month preceding the day on which the money is withdrawn) is allowed until the sum due to a depositor amounts to £200, when interest ceases to be allowed.

INLAND LETTERS—RATES OF POSTAGE.

The rates of postage when prepaid are as follows:—

For a letter not above 1 oz.,	1d
„ above 1 oz. and not above 2 oz., ...	1½d
„ „ 2 oz. „ 4 oz., ...	2d
„ „ 4 oz. „ 6 oz., ...	2½d
„ „ 6 oz. „ 8 oz., ...	3d
„ „ 8 oz. „ 10 oz., ...	3½d
„ „ 10 oz. „ 12 oz., ...	4d

And so on by ½d for every additional 2 oz.

A letter posted unpaid is chargeable on delivery with double postage; and a letter posted insufficiently prepaid is chargeable with double the deficiency.

RE-DIRECTION.

1. Every inland re-directed letter, post card, or other postal packet is liable to an additional postage (at the prepaid rate) for each re-direction, unless both the original and the second address be within the delivery of the same Post Office, or Sub-Office, or rural walk, and the re-direction be made by an officer of the Post Office. Thus on a paid or unpaid letter not exceeding 1 oz. in weight re-directed either by an officer of the Post Office, or by any one else to a different delivery, an additional postage is levied of one penny; and if the weight be more than 1 oz., but less than 2 oz., of three-halfpence, and so on.

Exception.—No charge for re-direction is made on Government letters.

2. An inland registered letter, when re-directed to any place within the United Kingdom, is only liable to the same additional charge as an ordinary letter.

3. If an inland registered letter, when re-directed, instead of being taken back to the Post Office to be dealt with as a registered letter, is dropped into the letter box as an ordinary letter (the word “registered” not having been erased or having been erased in

pencil only), it becomes liable to the same treatment as any other letter which is marked registered and found in the letter box; and must be surcharged with a registration fee of 8d *minus* the value of any stamps already fixed for the registration.

4. Notices of removal, and applications for letters to be re-directed, must in all cases be duly signed by the persons to whom the letters are addressed, and in provincial towns they must be sent to the local Postmaster. Printed forms of notice can be obtained at any Head or Branch Office, or from the Postman of the walk; and when filled up and signed, they should be given to the Postmaster of the district or to the Postman; but owing to the frequent removals which take place in the Metropolitan district, it is desirable, for the prevention of mistakes, that persons who are about to change their residence should inform their correspondents beforehand of their intention so that their letters may be directed in the first instance to their new address.

5. A Postmaster is not bound to re-direct for a person temporarily leaving his home, and not having a private bag or box, unless the house be left uninhabited.

ADDRESSES TO THE QUEEN AND PETITIONS TO PARLIAMENT.

Petitions and Addresses to Her Majesty, forwarded direct, are exempt from postage, and such petitions and addresses as also petitions to either House of Parliament if sent to a Member of either House are likewise exempt provided they do not weigh more than two pounds, and are without covers, or are in covers open at the ends. No letter, or other enclosure, however, must be inserted, and if one be found, such enclosure, unless it bears the proper number of postage stamps, will be charged as an unpaid letter.

INLAND NEWSPAPERS.

For each inland newspaper, whether posted singly or in a packet, the postage when prepaid is one halfpenny; but a packet containing two or more registered newspapers is not chargeable with a higher rate of postage than would be chargeable for a book packet of the same weight, viz., one halfpenny for every two oz., or part of that weight.

A newspaper posted unpaid, or a packet of newspapers posted either unpaid or insufficiently paid, is treated as an unpaid or insufficiently paid book packet of the same weight.

The newspaper wrappers are sold at 10 for 5¾d.

The Post Cards are sold at the following prices:—Thin Cards, 7d; Stout Cards, 8d per dozen.

Foreign Post Cards may be sent to all the countries comprised in the General Postal Union.

Foreign Post Stamps with an impressed stamp of 1d and 1½d each are sold at that rate, and are transmissible to the majority of the countries of the Union without extra charge.

Registered Letter envelopes sold at 12 for 2s 2½d, or 2¼d each.

INLAND BOOK POST.

The following are the regulations for the Inland Book Post :—

The postage is one halfpenny for every 2 oz., or part of that weight.

A packet posted wholly unpaid is charged with double the book postage ; and if posted partially prepaid, with double the deficiency.

A book packet may be posted either without a cover (in which case it must not be fastened, whether by means of gum, water, sealing wax, postage stamp, or otherwise), or in a cover entirely open at both ends, so as to admit of the contents being easily withdrawn for examination ; otherwise it is treated as a letter. For the greater security of the contents, however, it may be tied at the ends with a string ; Postmasters being authorised to cut the string in such cases, although if they do so they must again tie up the packet.

CIRCULARS *i.e.*, letters which, according to internal evidence, are being sent in identical terms to several persons and the whole or the greater part of which is printed, engraved, or lithographed, may also be sent by book post.

ABUSE OF THE BOOK POST.

It seems to be but imperfectly understood that there is no legal way of sending a letter other than a circular letter, through the post for a postage of a halfpenny, except by means of a post card

A notion appears to prevail that, because a post card which is open to inspection may have a letter written or printed upon it, any card whatever, and even any piece of paper, if only it be placed in open wrapper, may be sent through the post with a letter written or printed upon it for a postage of a halfpenny.

It seems necessary, therefore, to explain for the guidance of the public—

1. That the letter rate of postage must be prepaid for any communication of the nature of a letter, whether it be placed in a closed envelope or in an open cover, unless a post card be used for the purpose, or unless the letter be a circular letter—*i.e.*, a letter having internal evidence that it is intended for transmission, in identical terms, to several persons, and the whole or greater part of which is printed, engraved, or lithographed.

Large numbers of letters, not being circular letters, are from time to time found in halfpenny wrappers, contrary to the express provisions of the book post; and, as the officers of the department are instructed to surcharge all such letters with additional postage, it will save not only trouble to the Post Office but annoyance to the public, if care be taken always to pay letter postage for letters other than circular letters, unless they be written or printed on post cards.

REGISTRATION.

The fee for registering a letter, newspaper, or book packet passing between any two places in the United Kingdom is 2d.

Compensation for loss or damage of registered letters, books, or newspapers will be given, subject to certain regulations, as follows:—

Where no fee, except postage and registration fee is paid, to an amount not exceeding - - - - - £5
 Where, in addition to postage and registration fee, insurance fee of 2d is paid, to an amount not exceeding - - - - - £10

Every letter, &c., to be registered should be presented at the counter, and a receipt obtained for it, and should on no account be dropped into a letter box. If, contrary to this rule, a letter marked "Registered" be dropped into a letter box, it will, "if directed to to any place in the United Kingdom," be liable to a registration fee of 8d, instead of the ordinary fee of 2d.

Every article presented for registration must be enclosed in a strong cover, securely fastened. If the article contains money, it must, in order to gain the benefit of the guarantee be enclosed in a Registered Letter Envelope sold by the Post Office; and if coins are sent, they must on no account be put in loose, but must be packed and enclosed in such a way as to move about as little as possible.

All inland letters which contain coin, watches, or jewellery, even though they be posted without registration, are treated as registered, and are charged on delivery with a registration fee of 8d in addition to the ordinary postage; and any such letters which cannot be registered in time to be forwarded by the Mail for which they are posted are detained for the next despatch.

The registration of a packet makes its transmission much more secure, inasmuch as under ordinary circumstances, a registered packet can be traced through its whole course, and thus the loss of a registered packet is a very rare occurrence.

ARTICLES NOT ALLOWED TO BE SENT BY POST.

1. It is forbidden to forward by post any indecent or obscene print, painting, photograph, lithograph, engraving, book, or card, or any other indecent or obscene article, or any letter, newspaper, publication, packet, or card, having thereon any words, marks, or designs of an indecent, obscene, libellous, or grossly offensive character. Anything posted contrary to this prohibition will be stopped and sent up to the Returned Letter Office, London.

2. Postmasters are instructed not to receive any letter which there is good reason to believe contains anything likely to injure the contents of the Mail bag, or to do bodily harm to any officer of the Post Office. If such a packet be posted without the Postmaster's knowledge, or if at any time before its despatch he should discover any such packet, he is directed not to forward it, but to report the case, with the address of the packet, to the Secretary. The following are the examples of the articles referred to :—

A glass bottle or glass in any form ; leeches, game, fish, meat, fruit, or vegetables ; bladders or other vessels containing liquids ; gunpowder, lucifer matches, or anything which is explosive or liable to sudden combustion ; razors, scissors, needles, forks, or other sharp instruments are also forbidden, except when sent in packets or samples to foreign countries on the condition mentioned in Rule.

 PATTERN AND SAMPLE POST, INLAND.

1. Trade Patterns and Samples of Merchandise may be sent between places in the United Kingdom, at the following rates of postage :—

For a packet not exceeding 4 oz. in weight	-	-	1 <i>d.</i>
" " 6 oz. "	-	-	1½ <i>d.</i>
" " 8 oz. "	-	-	2 <i>d.</i>

2. No packet must exceed 8 oz in weight. The limits of dimensions are 12 in. by 8 in. by 4 in.

3. A packet posted wholly unpaid will on delivery be chargeable with double postage ; and if insufficiently paid will be chargeable with double the deficient postage.

4. Patterns and Samples must be sent in wrappers (marked "Pattern Post" or "Sample Post") entirely open at both ends, and must be so packed that they may be easily withdrawn for examination ; but Samples of seeds, flour, drugs, and such-like articles,

which cannot be sent in open wrappers, may be enclosed in boxes (but in such a way as to admit of easy examination) or in bags of linen or in other like material, tied at the neck. Closed bags, even if transparent, will not be allowed

5. The name, address, and trade of the sender must be in all cases *printed* (not written) on the outside of the wrapper above the address. If this rule be not complied with the packet will be liable to be charged on deliveyr.

6. The number, price, and private business marks may be written (at the top left-hand corner), but no other writing will be allowed. Packets infringing this rule will be surcharged at the letter-rate.

7. No glass bottle, or glass in any form, may be sent; no explosive liquid, semi-liquid or greasy matter, nor powders of any kind which may stain or do other damage; nor any living creature.

8. Patterns of scissors, knives, razors, and other sharp articles must be so packed and guarded as to completely prevent injury to the other contents of the Mail Bags, or to the officers employed, but the packets must at the same time admit of easy examination. When these requirements are not complied with, the packet will be stopped.

9. When necessary for securing the due transmission, or delivery, of letters, Patterns and Samples may be kept back for the succeeding despatch or delivery.

10 The Postmaster-General wishes it to be clearly understood that the Post is expressly intended for the benefit of, and is absolutely restricted to, *bona fide Trade Patterns and Samples of Merchandise*. Packets not containing *bona fide* Patterns, and posted prepaid at the pattern-rate only, will be charged with double the deficient postage, *at the letter rate*, together with a fine of 6d.

PATTERN AND SAMPLE POST, FOREIGN.

1. The Pattern and Sample Post to Foreign Countries and the Colonies generally is restricted to *bona fide trade patterns or samples of merchandise*. Goods sent for sale or in execution of an order are not admissible, nor any article liable to Custom Duties. Patterns and Sample Packets must be prepaid.

2. Patterns or Samples, when practicable, must be sent in covers open at the ends, and easy of examination. But samples of seeds, drugs, &c., may be enclosed in boxes or in bags, fastened in such a manner that they may be readily opened.

3. There must be no writing or printing upon or in any packet for non-Union Countries except the address of the person for whom it is intended, the address of the sender, a trade mark or number, the price of the articles, the weight or size, and quantity to be disposed of. But a packet for any country in the Postal Union may contain Printed Papers; and, if the rate applicable to Commercial Papers be paid, it may also contain Commercial Papers.

4. Samples of saleable value must not be sent to any foreign country in the Postal Union. Eider down, raw or thread silk, woollen or goats' hair thread, vanilla, or isinglass, fall under this rule, if weighing more than three ounces.

5. Samples of scissors, knives, razors, forks, steel pens, nails, keys, watch machinery, metal tubing, pieces of metal or ore, must be packed and guarded so as not to injure the contents of the mail bags or the officers of the Post Office, while at the same time they may be easily examined. Indigo, liquids, or explosives cannot be sent.

6. A packet of Patterns or Samples sent to any place comprised in the Postal Union (except Belgium, France, Greece, Luxemburg, Portugal, Switzerland via France, the Argentine Republic, and the United States) must not exceed 8 inches in length, 4 inches in width, 2 inches in depth, and 8 oz. in weight. The limit to Belgium, France, Greece, Luxemburg, Portugal, Switzerland via France, the Argentine Republic, and the United States is 12 inches in length, 8 inches in width, 4 inches in depth, and 12 oz. in weight. The size of a packet for a non-Union country or colony is limited to 24 inches in length, 12 inches in width or depth, and 5 lbs. in weight, except New South Wales, Queensland, and Fiji, for which the limit is 3 lbs. in weight.

FUNERAL UNDERTAKERS.

Nature's Gifts.

As seasons roll successive as the tides,
 So bounteous nature lavishly provides
 For human wants—nor that with stinted hand
 Proffers the products of the Sea and Land ;
 The salient few, in order due we'll trace
 As worthy mention in this valued space :—
 Chill Winter brings to coast of Ballantrae
 Cod, Turbot, Brille, and choice Crustacea,
 Columbia's Oysters, rivalling the Pandore,
 Lochryan's scalps contribute of their store ;
 The Lobster, in his shell of purple-blue
 (Or boiled, emerges, son of Mars ! in hue) ;
 Fat Capons, Turkeys, and the homely Poule,
 The stubble Goose, so orthodox at Yule ;
 Game of all kinds, which daily wing their flight,
 Or pad the meadows at approach of night.
 Spring hails the Silver King, nursed in the classic Ayr,
 Curded and crimp, can Tay or Tweed compare
 Their woolly specimens, of elongated form,
 With compact wrestler of the western storm !
 Benignant Summer, with her large supplies,
 Brings " Caller Herrin'," rich and poor so prize ;
 The Mackerel, too, in robe cerulean lends
 Her aid to swell the shoal this season sends.
 Prolific Autumn's cornucopian horn
 Pour heavy takes which scarcely can be borne
 By daring toilers of the mighty deep ;
 But, once ashore, a rich reward all reap.
 Here Art steps in, sees safe the surplus cured,
 Then fickle Winter's placidly endured.

M A N A G E R,

JAMES CLUNES.

CHARLES SMITH,
CLYDESDALE BANK, AYR,
AGENT.

The Scottish Equitable LIFE ASSURANCE SOCIETY.

HEAD OFFICE:

26 ST. ANDREW'S SQUARE, EDINBURGH.

THE SCOTTISH EQUITABLE LIFE ASSURANCE SOCIETY combines the advantages of Unquestionable Security, Liberal conditions of Assurance, and early participation of Profits. It is an entirely mutual society, there being no Shareholders to absorb any portion of the profits. These are ascertained at intervals of five years, and divided among the holders of participating policies according to an equitable arrangement, which gives a progressive bonus according to the length of time a policy has been in force. It is the aim of the Directors to give the Members the benefit of every real improvement in the practice of life insurance that is suggested by experience.

REVIVAL OF LAPSED POLICIES—If the assured is in good health a lapsed policy will be revived at any time within twelve months after the date of forfeiture, on payment of the Premium in arrear, with a fine of five per cent. upon the Premium if paid within a month after the date of forfeiture, and an additional two-and-a-half per cent. for each further month that shall elapse before payment.

SURRENDER OF POLICIES.—In the case of Participating Policies effected at the ordinary Tabular Rates, on which three years' premiums have been paid, the Minimum Surrender Value is thirty-three per cent. of the Premiums paid, in addition to the value of the Bonus.

FREE OR PAID-UP POLICIES.—In lieu of Surrender Value, a paid-up policy of corresponding amount may be obtained subject to no further payment of ordinary Premium.

LOANS TO POLICYHOLDERS are granted to an extent not exceeding the Surrender Value of the Policies, at 5 per cent. interest, free of all expense, and without any other security than the deposit of the Policies.

HALF-CREDIT OR PREMIUM LOANS.—In the case of Participating Assurances, the age not exceeding 50, one-half of the Annual Premiums for the first five years may be retained as a loan, interest at 5 per cent. on the sums so retained, being payable yearly in advance along with the other half of the Premium.

MARRIED WOMEN'S PROPERTY ACT, 1870.—A married man in England or Ireland may effect a Policy on his own life for the benefit of his wife, or wife and children, and the Policy will be secured to them free from all claims of his creditors, in the event of his becoming afterwards insolvent. The Directors have lately had a new form of Policy prepared with very great care, which will render it unnecessary to have a trustee specially appointed to receive the policy moneys, so that the representatives of the assured will be saved the expense attendant on the legal proceedings for that purpose. A married women may also assure her own or her husband's life for her separate use, under the special provision of this Act.

"A NEW DEPARTURE."
A Half-Penny Local Newspaper.

TWENTY years ago when the Western Argus came into the hands of its present proprietor, when the 'penny paper' was looked upon as "the paper of the future," an effort was made to place it ahead of all its contemporaries. This effort was successful, for in a very short time the *Argus* with which became incorporated, the Ayrshire Express was not only the largest sized penny sheet published in the provinces, but had the widest circulation, and had become the most popular of all the local newspapers. For a time it had a circulation surpassing that of all its contemporaries combined, and formed the most valuable advertising medium in the district. This success fully justified the effort made, and the risk that was then run in offering so large a sheet for a penny, became in time a venture of the most profitable character. Following on the same lines so successful in the past, the proprietor of the

"AYRSHIRE ARGUS & EXPRESS"

has ventured on a new departure, and it now appears as a

HALF-PENNY LOCAL NEWSPAPER,

Published every Wednesday and Saturday.

Hitherto published only on Wednesday, the Argus and Express has been a valuable mid-weekly Paper, keeping clear of the numerous papers published on Friday. In future it will supply another felt want, viz—a Saturday afternoon paper, and furnishing the local news not overtaken by the weekly papers, which are all printed early on Friday. As in the past, under the new arrangement no effort will be spared to make the Argus and Express not only the cheapest but the best local newspaper published twice a week, ample space will be provided for full reports of all local news.
