## INLAND PARCEL POST

Parcels *not exceeding 11 lbs in weight* are received at any Post Office for transmission between places in the United Kingdom.

In order that a packet may go by Parcel Post it must be tendered for transmission as a parcel, and should bear the words "Parcel Post," which should be clearly written in the left-hand top corner.

Every Post Office is open to the public for Parcel Post business on week days during the same hours as for general postal business. No Parcel Post Business is, as a rule, transacted in England or Ireland on Sundays, Christmas Days, and Good Fridays : nor in Scotland on Sundays and all public holidays.

The following are the principal conditions and regulations :—

The size allowed for an Inland Postal Parcel is :—

Greatest length.....3 ft 6 in

Greatest length and girth combined 6 ft 0 in

For example—

A parcel measuring 3 ft 6 in in its longest dimension may measure as much as 2 ft 6 in in girth, *i e*, round its thickest part ; or—

A shorter parcel may be thicker ; thus, if it measure no more than 3 ft in length, it may measure as much as 3 ft in girth, *i e*, round its thickest part.

The most convenient mode of measuring is by means of a tape 6 ft. long, having the length of 3ft. 6in. marked thereon. So much of the tape as is not used in measuring the length is the measure of the maximum girth permissible. Such a tape, if provided by stationers, may conveniently be marked in one colour up to 3ft. 6in., and the remaining portion in another colour.

The rates of postage are—for a parcel—

Not exceeding 1lb. in weight.....3d.

Every additional lb. or fraction of a lb. up to 11lbs., 1½d extra.

Compensation for loss or damage will be given subject to certain regulations, in accordance with the following table :—

Without payment of fee, to amount not exceeding £2.

On payment of Fee.	Limit of Compensation.
2d	£5
3d	10
4d	15
5d	20
6d	25

No parcel is accepted which weighs more than 11lbs., or is not sufficiently paid. The postage must in all cases *be paid in*

*advance*, and by ordinary postage stamps, which must be affixed by the sender before tendering a parcel for transmission by Parcel Post at a Post Office.

Parcels must not be posted in a letter box, but must be taken into a Post Office and handed over the counter. Care must be taken that every parcel bears a clean address.

A parcel bearing the words "Parcel Post," or otherwise marked for transmission as a parcel, and posted out of course in a letter box, must be forwarded as a letter or book packet if it is fully prepaid at the rate proposed to either, and it is otherwise in accordance with the regulations of the Letter or Book Post.

If it does not comply with the above conditions, but is fully prepaid at the Parcel rate and is otherwise in accordance with the Parcel Post regulations, it will be forwarded by Parcel Post and charged with a fine of 3d, together with the deficient postage, if any, at the Parcel Post rate.

The address of a parcel must be clearly written either on the outer wrapper or on a separate address label securely fastened to the parcel; and the necessary stamp or stamps, to prepay the postage must in all cases be placed (as in the case of letters) close above the address.

Parcels which bear on the outside any writing or drawing of an indecent or offensive nature, or within which any contents of a like nature may be observed, and parcels containing gunpowder, cartridges, lucifer matches, or anything explosive or liable to sudden combustion, bladders containing liquid, live animals, grossly offensive or filthy matter, and anything in a condition likely to injure other parcels or any officer of the Post Office, are prohibited.

If such parcel be tendered for posting, it is refused, or, if detected in transit, it is detained. Parcels containing fish, game, meat, eggs, &c., or razors, scissors, needles, knives, forks, or other parcels. Liquids, or semi-liquids, such as jellies, pickles, paint, varnish &c., are not accepted unless in bottles or cans securely stoppered; nor powders, unless so packed that they cannot escape in transmission. Bottles or glass in any form can be accepted only when so packed as to be secure from breakage. If a parcel be tendered in a damaged or insecure condition, or in a condition likely to injure other parcels or any officer of the Post Office, it is refused. If a parcel in such a condition is observed in transit, it is, if possible, made secure and sent forward; but, if it cannot be so secured, it is detained.

Parcels known to contain a letter, packet, or parcel intended for delivery at an address other than that borne on the parcel itself are prohibited.

### INLAND LETTERS—RATES OF POSTAGE.

For a letter not above 1 oz., ...	...	...	...	1d
„ above 1 oz. and not above 2 oz., ...	...	...	...	1½d
„ „ 2 oz. „	4 oz., ...	...	...	d

„ „ 10 oz. „	12 oz., ...	...	...	4d

And so on by ½d for every additional 2 oz.

A letter posted unpaid is chargeable on delivery with double postage; and a letter posted insufficiently prepaid is chargeable with double the deficiency.

### RE-DIRECTION.

1. No letter is charged for redirection, whether re-directed by an officer of the Post Office, or by an agent of the addressee after delivery, provided only in the latter case that the letter is re-posted within 24 hours (excluding Sundays and public holidays) after delivery, and that it does not appear to have been opened.

Re-directed letters re-posted more than 24 hours after delivery, or which appear to have been opened, will be liable to charge (unless paid a fresh postage) as unpaid letters.

2. Post cards, book packets, sample packets, newspapers and parcels, are liable to an additional postage (at the prepaid rate) for each re-direction.

3. If an inland registered letter, when re-directed, instead of being taken back to the Post Office to be dealt with as a registered letter, is dropped into the letter-box as an ordinary letter (the word "registered" not having been erased or having been erased in pencil only, it becomes liable to the same treatment as any other letter which is marked registered and found in the letter-box, and must be surcharged with a registration fee of 8d *minus* the value of any stamps already fixed for the registration.

4. Notices of removal, and applications for letters to be re-directed, must in all cases be duly signed by the persons to whom the letters are addressed, and in provincial towns they must be sent to the local Postmaster. Printed forms of notice can be obtained at any Head or Branch Office, or from the postman of the walk; and when filled up and signed, they should be given to the postmaster of the district or to the postman; but owing to the frequent removals which take place in the Metropolitan district it is desirable, for the prevention of mistakes, that persons who are about to change their residence should inform their correspondents beforehand of their intention, so that their letters may be directed in the first instance to their new address.

5. A Postmaster is not bound to re-direct for a person temporarily leaving his home, and not having a private bag or box, unless the house be left uninhabited.

---

#### ADDRESSES TO THE QUEEN AND PETITIONS TO PARLIAMENT.

Petitions and addresses to Her Majesty, forwarded direct, are exempt from postage, and such petitions and addresses, as also petitions to either House of Parliament, if sent to a Member of either House, are likewise exempt, provided they do not weigh more than two pounds, and are without covers, or are in covers open at the ends. No letter or other enclosure, however, must be inserted, and if one be found, such enclosure, unless it bears the proper number of postage stamps, will be charged as an unpaid letter.

---

#### INLAND NEWSPAPERS.

For each inland newspaper, whether posted singly or in a packet, the postage when prepaid is one halfpenny; but a packet containing two or more registered newspapers is not chargeable with a higher rate of postage than would be chargeable for a book packet of the same weight, viz., one halfpenny for every 2 oz., or part of that weight.

A newspaper posted unpaid, or a packet of newspapers posted either unpaid or insufficiently paid, is charged double postage.

The Newspaper Wrappers are sold at 10 for 5 $\frac{3}{4}$ d.

The Post Cards are sold at the following prices :—Thin Cards, 5 $\frac{1}{2}$ d ; Stout Cards, 6d per packet of 10.

Foreign Post Cards may be sent to all the countries comprised in the General Postal Union.

Foreign Post Cards with an impress d stamp of 1d each are sold at that rate, and are transmissible to the countries of the Union without extra charge.

Registered Letter Envelopes sold at 12 for 2s 2 $\frac{1}{2}$ d, or 2 $\frac{1}{4}$ d each.

Letter Cards sold at 1 $\frac{1}{4}$ d each, or in Packets of 10 for 1s.

---

### INLAND BOOK POST.

The following are the regulations for the Inland Book Post:—

The postage is one halfpenny for every 2oz., or part of that weight.

A packet posted wholly unpaid is charged with double the book postage; and if posted partially prepaid, with double the deficiency.

A book packet may be posted either without a cover (in which case it must not be fastened, whether by means of gum, wafer, sealing wax, postage stamp, or otherwise), or in a cover entirely open at both ends, so as to admit of the contents being easily withdrawn for examination ; otherwise it is treated as a letter. For the greater security of the contents, however, it may be tied at the ends with a string ; Postmasters being authorised to cut the string in such cases, although if they do so they must again tie up the packet.

CIRCULARS, *i.e.*, letters which, according to internal evidence, are being sent in identical terms to several persons, and the whole or the greater part of which is printed, engraved, or lithographed, may also be sent by book post.

---

### ABUSE OF THE BOOK POST.

It seems to be but imperfectly understood that there is no legal way of sending a letter, other than a circular letter, through the post for a postage of a halfpenny, except by means of a postcard.

A notion appears to prevail that, because a post card which is open to inspection may have a letter written or printed upon it, any card whatever, and even any piece of paper, if only it be placed in open wrapper, may be sent through the post with a letter written or printed upon it for a postage of a halfpenny.

It seems necessary, therefore, to explain for the guidance of the public—

That the letter rate of postage must be prepaid for any communication of the nature of a letter, whether it be placed in a closed envelope or in an open cover, unless a post card be used for the purpose, or unless the letter be a circular letter—*i.e.*, a letter having internal evidence that it is intended for transmission, in identical terms, to several persons, and the whole or greater part of which is printed, engraved, or lithographed.

Large number of letters, not being circulars letters, are from time to time found in halfpenny wrappers, contrary to the express provisions of the book post; and, as the officers of the department are instructed to surcharge all such letters with additional postage, it will save not only trouble to the Post Office but annoyance to the public, if care be taken always to pay letter postage for letters other than circular letters, unless they be written or printed on post cards.

### REGISTRATION.

The fee for registering a letter, newspaper, or book packet passing between any two places in the United Kingdom is 2d.

Compensation for loss or damage of registered letters, books, or newspapers will be given, subject to certain regulations, as follows:—

Fee.	Limit of Compensation.
2d	£5
3d	10
4d	15
5d	20
6d	25

Every letter, &c., to be registered should be presented at the counter, and a receipt obtained for it, and should on no account be dropped into a letter box. If, contrary to this rule, a letter marked "Registered" be dropped into a letter box, it will, "if directed to any place in the United Kingdom," be liable to a registration fee of 8d, instead of the ordinary fee of 2d.

Every article presented for registration must be enclosed in a strong cover, securely fastened. If the article contains money, it must, in order to gain the benefit of the guarantee, be enclosed in a Registered Letter Envelope sold by the Post Office; and if

coins are sent, they must on no account be put in loose, but must be packed and enclosed in such a way as to move about as little as possible.

All inland letters which contain coin, watches, or jewellery, even though they be posted without registration, are treated as registered, and are charged on delivery with a registration fee of 8d in addition to the ordinary postage; and any such letters which cannot be registered in time to be forwarded by the Mail for which they are posted are detained for the next despatch.

The registration of a packet makes its transmission much more secure, inasmuch as under ordinary circumstances, a registered packet can be traced through its whole course, and thus the loss of a registered packet is a very rare occurrence.

#### ARTICLES NOT ALLOWED TO BE SENT BY POST.

1. It is forbidden to forward by post any indecent or obscene print, painting, photograph, lithograph, engraving, book, or card, or any other indecent or obscene article, or any letter, newspaper, publication packet, or card, having thereon any words, marks, or designs of an indecent, obscene, libellous, or grossly offensive character. Anything posted contrary to this prohibition will be stopped and sent up to the Returned Letter Office, London.

2. Postmasters are instructed not to receive any letter which there is good reason to believe contains anything likely to injure the contents of the Mail bag, or to do bodily harm to any officer of the Post Office. If such a packet be posted without the Postmaster's knowledge, or if at any time before its despatch he should discover any such packet, he is directed not to forward it, but to report the case, with the address of the packet, to the Secretary. The following are the examples of the articles referred to:—

A glass bottle or glass in any form; leeches, game, fish, meat, fruit or vegetables; bladders or other vessels containing liquids; gunpowder, lucifer matches, or anything which is explosive or liable to sudden combustion; razors, scissors, needles, forks, or other sharp instruments are also forbidden, except when sent in packets or samples to foreign countries on the condition mentioned in Rule.

#### PATTERN AND SAMPLE POST INLAND.

1. Trade Patterns and Samples of Merchandise may be sent between places in the United Kingdom, at the following rates of postage:—

For a packet not exceeding 4 oz. in weight	-	1d
"          "          6 oz.      "	-	1½d
"          "          8 oz.      "	-	2d

2. No packet must exceed 8 oz. in weight. The limits of dimensions are 12 in. by 8 in. by 4 in.

3. A packet posted wholly unpaid will on delivery be chargeable with double postage; and if insufficiently paid will be chargeable with double the deficient postage.

4. Patterns and Samples must be sent in wrappers (marked "Pattern Post" or "Sample Post") entirely open at both ends, and must be so packed that they may be easily withdrawn for examination; but Samples of seeds, flour, drugs, and such-like articles, which cannot be sent in open wrappers, may be enclosed in boxes (but in such a way as admit of easy examination) or in bags of linen or in other like material, tied at the neck. Closed bags, even if transparent, will not be allowed.

5. The name, address, and trade of the sender must be in all cases *printed* (not written) on the outside of the wrapper above the address. If this rule be not complied with the packet will be liable to be charged on delivery.

6. The number, price, and private business marks may be written (at the top left-hand corner), and they may contain in addition to patterns, any article or document transmissible in a book packet.

7. No glass bottle, or glass in any form, may be sent; no explosive liquid, semi-liquid or greasy matter, nor powders of any kind which may stain or do other damage; nor any living creature.

8. Patterns of scissors, knives, razors, and other sharp articles must be so packed and guarded as to completely prevent injury to the other contents of the Mail bags, or to the officers employed, but the packets must at the same time admit of easy examination. When these requirements are not complied with, the packet will be stopped.

9. When necessary for securing the due transmission, or delivery, of letters, Patterns and Samples may be kept back for the succeeding despatch or delivery.

10. The Postmaster-General wishes it to be clearly understood that the Post is expressly intended for the benefit of, and is absolutely restricted to *bona fide Trade Patterns and Samples of Merchandise*. Packets not containing *bona fide* Patterns, and posted prepaid at the pattern-rate only, will be charged with double fee deficient postage, *at the letter rate*, together with a fine of 6d.

#### PATTERN AND SAMPLE POST, FOREIGN.

1. The Pattern and Sample Post to Foreign Countries and the Colonies generally is restricted to *bona fide trade patterns or*

*samples of merchandise.* Goods sent for sale or in execution of an order are not admissible, nor any article liable to Custom Duties. Patterns and Sample Packets must be prepaid.

2. Patterns or Samples, when practicable, must be sent in covers open at the ends, and easy of examination. But samples of seeds, drugs, &c, may be enclosed in boxes or in bags, fastened in such a manner that they may be readily opened.

3. There must be no writing or printing upon or in any packet for non-Union Countries except the address of the person for whom it is intended, the address of the sender, a trade mark or number, the price of the articles, the weight or size, and quantity to be disposed of. But a packet for any country in the Postal Union may contain Printed Papers; and, if the rate applicable to Commercial Papers be paid, it may also contain Commercial Papers.

4. Samples of saleable value must not be sent to any foreign country in the Postal Union. Eider down, raw or thread silk, woollen or goats' hair thread, vanilla, or isinglass, fall under this rule, if weighing more than three ounces.

5. Samples of scissors, knives, razors, forks, steel pens, nails, keys, watch machinery, metal tubing, pieces of metal or ore, must be packed and guarded so as not to injure the contents of the mail bags or the officers of the Post Office, while at the same time they may be easily examined. Indigo, liquids, or explosives cannot be sent.

6. A packet of Patterns or Samples sent to any place comprised in the Postal Union (except Belgium, France, Greece, Luxemburg, Portugal, Switzerland *via* France, the Argentine Republic, and the United States) must not exceed 8 inches in length, 4 inches in width, 2 inches in depth, and 8 oz. in weight. The limit to Belgium, France, Greece, Luxemburg, Portugal, Switzerland *via* France, the Argentine Republic, and the United States is 12 inches in length, 8 inches in width, 4 inches in depth, and 12 oz. in weight. The size of a packet for a non-Union country or colony is limited to 24 inches in length, 12 inches in width or depth, and 5lbs. in weight, except New South Wales, Queensland, and Fiji, for which the limit is 3lbs in weight.

There is no Express Delivery on Sunday, Good Friday,\* or Christmas Day.

*Replies and Further Services.*

On the delivery of an Express Packet the delivering Messenger may take a reply or perform a further express delivery service before 7.0 p.m. The Express Fee must be paid by the sender of the first service or by the sender of the reply or further service.

When a reply or further service is required by the sender, the words "Wait Reply" or "Further Service" should be written above the address of the Packet, and the Messenger is allowed to wait 10 minutes free of charge, but after that time 2d is charged for every quarter of an hour or part of quarter of an hour during which the Messenger is required to wait for the reply.

When a Packet on a return or further service is taken to an address within half a mile of the Post Office from which the Messenger started on the original service, half only of the Express Mileage Rate is charged.

*Acceptance by Telegraph Messenger.*

A Telegraph Messenger, on delivering a telegram, may, if desired, take back to the Post Office where he is employed a Packet or Express Delivery. If the Office is not an Express Delivery Office, the Letter or Parcel will be sent by Post to the first Express Delivery Office. Charges to be paid by the sender by means of postage stamps affixed to the Packet.

*Letters Posted at Railway Stations.*

Letters to be posted in the Late Fee Letter Boxes attached to the Mail Trains may be handed in at any Post Office at which the Express Service is in operation, for immediate conveyance to the Railway Stations. The postage and late fee must be prepaid in stamps affixed to the letter.

*Single Letters Conveyed by Railway.*

Railway Letters not exceeding 1 oz in weight, for transmission by ordinary trains, may be handed in at any Post Office at which the Express Service is established, for immediate conveyance to the Railway Stations.

*Posting of Late Letters and Parcels*

Letters and Parcels are accepted for conveyance by Express Messenger to the General Post Office, or other Post Office in London, or to the Chief Offices in Provincial Towns, in time for an outgoing Mail.

\* Scotland excepted as regards Good Friday.

*Messengers Called by Telephone or Private Wire \**

Subscribers to the Telephone Exchanges of the Post Office, and Renters of private wires terminating at a Post Office can use their wires for the purpose of summoning a Messenger for the Express Delivery of Letters or Parcels. The fees for such Express Service are charged to deposit account

EXPRESS DELIVERY OF LETTERS, &c, AFTER TRANSMISSION BY POST

Under this Service, Letters and Parcels are forwarded by Mail in the regular course of Post, and on arrival at the office of delivery are sent out by Special Messenger.

*Fees.*

1 (a) In addition to the full ordinary postage the Express Fee is—

For every mile or part of a mile .. .. . 3d.

(b) If the sender desires that a special conveyance be used, or if the distance exceeds two miles, and a public conveyance is not available in both directions, the actual cost of a special conveyance (generally 1s per mile) must be paid in addition to the above charges.

(c) The sender is responsible for the fee and charges. The fee is in no case less than 3d, and this and the postage must be prepaid by means of stamps affixed to the Letter or Parcel. When the distance exceeds two miles at least one half of the amount payable in respect of fee and charge for special conveyance must be prepaid, and the deficiency, if any, will be demanded from the addressee

(d) If one half of the amount so chargeable is not prepaid, the Letter will not be delivered by Special Messenger, but will be treated as an ordinary Mail Letter.

In London a single Express fee of 3d is as a rule sufficient to cover the cost of delivery when the Letter or Parcel is expressed from the usual delivering office

*Posting and Distinctive Marking.*

2. (a) The words "Express Delivery" must be boldly and legibly marked above the address on the left-hand side of the cover, and in the case of an Express Letter the cover must in addition be marked with a broad perpendicular line from top to bottom, both on front and back.

- (b) Letters may be handed in at a Post Office, or to a Rural Postman, or, if not for registration, posted in a Letter Box
- (c) Parcels and Registered Letters for this Service must be handed in at a Post Office, or to a Rural Postman.

*Delivery.*

*On Week Days.*

3. (a) By Special Messenger during the hours in which the Office of Delivery is open for Telegraph business.
- (b) To Callers, whether by day or by night when the Postal Staff is in attendance, if the Letter or Parcel arrive too early or too late for delivery by Special Messenger, or if it be addressed to the Post Office "To be called for."

*On Sundays.*

*Letters Only.*

- (c) By Special Messenger during the hours in which the Office of Delivery is open for Telegraph business, and to Callers for letters.

*N.B.*—In London there is no Express Delivery on Sunday.

*Parcels.*

- (d) There is no delivery on Sunday.

*Reply and Further Services.*

On the delivery of a Letter or Parcel under this Service the Special Messenger may, if desired, take a Letter or Packet for Express Delivery under any of the Services described in this Notice.

EXPRESS DELIVERY OF MAIL LETTERS FROM CHIEF OFFICES.

Letters and Parcels transmitted by Mail in the regular course of Post from any Provincial Office to London can be delivered by Special Messenger from the General Post Office or other Chief District Office at which the bag containing the Letter or Parcel is first opened, thus gaining considerably in time of delivery. Similarly, Letters and Parcels addressed to any part of the town or rural district served from a Provincial Head Post Office, can, if desired, be sent out for delivery by Special Messenger immediately on their arrival at the Head Office.

*Fee*

The Express Delivery Fee is chargeable subject to the same conditions as in the foregoing Service. In no case must a fee of less than *3d* be prepaid in addition to the Postage, and if the distance be over two miles, one-half of the amount chargeable must be prepaid in stamps affixed to the letter or parcel.

*Distinctive Marking*

The words "*Express Delivery from Chief Office*" must be boldly and legibly marked above the address on the front of the cover of Letters and Parcels, and Letters must in addition be marked with a perpendicular line from top to bottom both on the front and back.

## EXPRESS AFTER FIRST STAGE.

Express Letters and Packets may be handed in at any Post Office which is not an Express Delivery Office under the following conditions:—

The Letter or Packet takes the ordinary course of post from the Office where it is handed in, until it reaches the first Express Delivery Office, and thence it is conveyed direct to destination by Express Messenger.

The Express fees are charged as from the Express Delivery Office and not from the Office of Posting, and must be prepaid by the sender.

It must be clearly understood that this Service is a merely supplementary one and is less expeditious than the Service described as Express throughout, because the article posted must wait until it is collected by the Postman in the ordinary course

## GENERAL REGULATIONS

Except where otherwise specified, the Express Delivery Services are subject to the existing Regulations governing the Inland Post

Compensation is paid for loss or damage of Express Registered Letters and Registered Parcels; and, up to £2, for loss or damage of an Express Unregistered Parcel. Registration of Letters and Parcels is not undertaken as regards reply or further services.

*The Express Delivery Service does not apply to Foreign and Colonial Letters and Parcels*

R. L. & Co. wish it distinctly understood that they do not profess to sell low priced Goods. (Articles purchased because they are low priced are invariably very dear, simply because they are inferior and worthless.) Their principles have always been to give good value, and this can only be done by giving good stuff. As a proof of the soundness of their system, the Business which was commenced 36 years ago on the Instalment principle, has now developed into the largest of its kind in Scotland.

# ELECTRICITY. ELECTRICITY.

LADIES AND GENTLEMEN, If your Hair is coming out,  
try L. LE CLAIR'S

## NEW ELECTRIC BATTERY.

It has a wonderful effect on the roots of the Hair, acting upon the Hair follicle. It revives the bulb, clears the capillary tubes, removes dandruff from the epidermis, and improves the circulation, so very necessary and beneficial to the growth of the Hair. In one word, it gives new life to weak and decayed Hair. The Battery is specially adapted for the above operation. It does not give any shock; on the contrary, it is nothing more than a pleasant sensation which every customer enjoys. Besides being advantageous for the Hair, is most beneficial for Neuralgia, Headaches, etc.

## HAIR. HAIR. HAIR.

THE LATEST NOVELTIES ALWAYS IN STOCK.

FRINGES made up on the shortest notice to suit every one's style and features.

Great Specialty in WIGS, SCALPETTES, TOUPETS, and BANDEAUX, made upon the most improved Hygienic System. They are quite invisible, and so natural that detection is defied even to the most experienced eye. They are a perfect work of art, and surpass everything done in the same way up to the present day.

L. LE CLAIR'S Hair-work is widely known for its great superiority of workmanship, and unequalled for neatness. Ladies requiring any of the above should inspect L. LE CLAIR'S Great Variety. Any Lady not having read L. LE CLAIR'S Pamphlet should apply for it, which will be sent by return of post free. It contains a Selection of various Plates of Hair-dressing, with a few hints how to dress hair and how it should be treated.

## NATURE'S GIFTS.

As seasons roll successive as the tides,  
 So bounteous nature lavishly provides  
 For human wants nor that with stinted hand  
 Proffers the products of the Sea and Land ;  
 The salient few, in order due we'll trace  
 As worthy mention in this valued space :—  
 Chill WINTER brings to coast of Ballantrae  
 Cod, Turbot, Brille, and choice Crustacea,  
 Columbia's Oysters, rivalling the Pandore,  
 Lochryan's scalps contribute of their store ;  
 The Lobster, in his shell of purple-blue  
 (Or boiled, emerges, son of Mars! in hue) ;  
 Fat Capons, Turkeys, and the homely Poule,  
 The stubble Goose, so orthodox at Yule ;  
 Game of all kinds, which daily wing their flight,  
 Or pad the meadows at approach of night.  
 SPRING hails the Silver King, nursed in the classic Ayr,  
 Curded and crimp, can Tay or Tweed compare  
 Their wooly specimens, of elongated form,  
 With compact wrestler of the western storm !  
 Benignant SUMMER, with her large supplies,  
 Brings " Caller Herrin'," rich and poor so prize ;  
 The Mackerel, too, in robes cerulean, lends  
 Her aid to swell the shoal this season sends.  
 Prolific AUTUMN'S cornucopian horn  
 Pours heavy takes which scarcely can be borne  
 By daring toilers of the mighty deep ;  
 But, once ashore, a rich reward all reap.  
 Here Art steps in, sees safe the surplus cured, .  
 Then fickle WINTER'S placidly endured.
