INLAND POSTAGE AND GENERAL REGULATIONS.

The Rates of Postage on Letters *prepaid* are :—

- Under half an ounce, - - 1d.
- Above half and under an ounce, - 2d.
- Above an ounce and under two ounces, 4d.

And so on, two rates being added for each additional ounce.

On Letters *unpaid* double the above rates is charged. *Letters exceeding four ounces in weight are not forwarded until the postage be paid.*

Addresses to Her Majesty, and Petitions to Parliament under thirty-two ounces, open at the ends, *pass free*.—Books and Parliamentary Proceedings at reduced rates, explained under their respective heads,—the only exceptions to the above rates.

ADHESIVE STAMPS AND ENVELOPES.

Prepayment of Letters *in money* is now prohibited.

The Stamps should be placed on the front of the Letter, at the right hand corner; and care should be taken that they firmly adhere. The better method is to wet the Letter, not the Stamp.

Any Postmaster, Sub-Postmaster, or Letter Receiver, will supply the Public with Postage Stamps or Envelopes at the following prices :—

- The Penny Label Stamps at 1d. each.
- The Twopenny ditto - 2d.
- Tenpenny ditto - - 10d.
- Shilling ditto - - 1s.
- Envelopes, 24 for 2s. 3d., or 2 for 2½d.

REDIRECTED LETTERS.

Redirected Letters are subject to additional rates of Postage ; but whether originally prepaid or not, they are only liable to be charged at the prepaid rate for the additional Postage.

OVERCHARGES, DELAYS, &c.

In cases of complaint, whether arising from overcharges, delays, or other irregularities, the covers (and contents in all practicable cases) should be forwarded to the Secretary, General Post-Office, for investigation, as affording the only efficient means of answering such complaints satisfactorily. Overcharges are returned between the hours of ten and four.

LETTERS NOT TO BE DELIVERED BACK.

To prevent the possibility of Letters being surreptitiously obtained from the offices where put in, office-keepers are strictly forbid returning, to any person whomsoever, Letters that may be applied for, under whatever circumstances the recovery may be urged.

ILLEGAL CONVEYANCE OF LETTERS.

By the 1st Victoria, cap. 36, sec. 2, any person illegally conveying Letters, incurs a penalty of £5 for every offence, and £100 for every week the practice is continued. The Sender also incurs a penalty of £5 for every offence, with full Costs of Suit.

ARTICLES WHICH MAY NOT BE SENT BY POST.

Letters or Packets cannot be forwarded by the Post-Office containing any of the following enclosures, viz :—any Glass, Razor, Scissors, Knife, Fork, or other sharp or pointed instrument ; any Leeches, Game, Fish, Flesh, Fruit, Vegetables or other perishable substance ; any Bladder, or other vessel containing liquid ; or any article, matter, or thing whatsoever, which might, by pressure or otherwise, be rendered injurious to the Officers of the Post-Office, or to the contents of the Mail-bags ; and the Act 3 and 4 Victoria, cap. 96, expressly directs that no Letter shall be sent by Post containing any *explosive or other dangerous material or substance*. No Letter or Packet exceeding in breadth, or length, or depth, twenty-four inches measurement, can be forwarded by Post.

REGISTERED LETTERS.

The system of registration provides a secure mode of transmitting Bank Notes, Bank Post Bills, Drafts, &c. &c. The arrangements have been made with the view of insuring the punctual delivery of *Letters of Value* ; on their delivery, the parties to whom they may have been addressed will be required to acknowledge in writing their receipt. *Letters offered for Registration must have the full amount of Postage in Stamps affixed thereon, and the Registration Fee of Sixpence must be paid in money.*

Registered Letters will be taken at the General Post-Office, at the Receiving-Houses, and by all Postmasters throughout the United Kingdom, until within half an hour of the closing of the

Box for the particular Mail or Bag by which they are to be despatched.

An acknowledgment by receipt will be given to the parties registering Letters, and each receipt must bear the Office Stamp.

The practice of committing Letters containing valuable property to the Post-Office unregistered should in all cases be avoided. It is expected that persons having occasion to transmit such letters will avail themselves of the proper means of security, and in no case, by committing property unregistered to the Letter-Boxes, *risk its loss*. If, however, notes are sent, parties are recommended to cut them in halves, and the second half should not be despatched until the receipt of the first has been acknowledged. The numbers, dates, and amount, should also be carefully taken.

BOOKS, MAPS, PRINTS, &c., UNDER CERTAIN REGULATIONS, FORWARDED AT A REDUCED RATE.

By the regulation which came into operation on 1st March last, the Book privilege is greatly extended, and now includes Maps, Prints, and other literary matter. The following are the new Regulations.

A Book-Packet may contain any number of separate Books, Maps, or Prints, and any quantity of Paper, Vellum, or Parchment (to the exclusion of Letters, whether sealed or open); and the Books, Maps, Paper, &c., may be either printed, written, or plain, or any mixture of the three.

Further, all legitimate Binding, Mounting, or Covering of the same, or of a portion thereof, will be allowed, whether such Binding, &c., be loose or attached; as also Rollers, in the case of Prints; Markers (whether of Paper or otherwise), in the case of Books—and, in short, whatever is necessary for the safe transmission of literary or artistic matter, or usually appertains thereto.

The following are the remaining Regulations respecting the Inland Book Post—all previous notices regarding it being cancelled.

RATES OF BOOK POSTAGE.

For each Packet not exceeding One Pound in weight	-	0s. 6d.
„ exceeding One Pound and not exceeding Two Pounds	- - - -	1s. 0d.
„ exceeding Two Pounds and not exceeding Three Pounds	- - - -	1s. 6d.

And so on, 6d. being charged for every complete Pound, and for any additional fraction of a Pound.

Every Packet must be sent either without a Cover, or in a Cover open at the ends or sides.

It must not contain any Letter, open or sealed, nor any sealed enclosure whatever.

No Packet must exceed two feet in length.

The Book Post to which the foregoing rules relate, is confined to the United Kingdom, and does not affect the privileges allowed to Votes and Proceedings in Parliament, or to Newspapers.

Postmasters are instructed to open and examine Book-Packets, to see that the conditions on which they are allowed are all com-

plied with ; and if he find any Letter, whether sealed or open, or sealed enclosure of any kind, such Letter or enclosure is to be taken out and dealt with as an Unpaid Letter—the Address on the Packet being written thereon if there be no other Address. And if in any other respect either of the above conditions be violated, or if for any reason the Postmaster does not think that the Packet comes within the privilege of the Book Post, he must forward it to the Principal Office, there to be dealt with.

To prevent obstacles to the regular transmission of Letters, any Officer of the Post-Office may, when necessary, delay forwarding a Book-Packet for a period not exceeding twenty-four hours beyond the time at which it would otherwise be forwarded.

NEWSPAPERS, AND SUPPLEMENTS TO NEWSPAPERS.

It is not compulsory to send Newspapers or their Supplements by Post ; but those that are intended to be so transmitted must be sent in covers open at the sides ; and no words of communication may be printed or written on such papers (except under the conditions hereafter explained) after the same shall have been published, when they are entitled to pass free.

Parties will be allowed, however, to put any Writing or Marks on Newspapers passing by Post, in the United Kingdom, provided that a Postage of a Penny be prepaid, *by means of a Stamp* conspicuously affixed outside the Cover or folded Newspaper, it being understood that in those cases where the Newspaper may be liable to Postage, irrespective of such Writing or Marks (as when it is both posted and delivered in the same town), the Penny Stamp shall cover both the Writing and Postage. But this privilege is to be confined to Writing or Marks *on the Newspaper itself*, and not to extend to the *Cover*, which must contain nothing but the address.

Any Writing or Marks on the *Cover*, besides the address, or on the Newspaper (if not prepaid as above), will subject it to the same rate as that of an Unpaid Letter, according to weight.

Newspapers pass free by the Edinburgh Local Posts, except in those cases where they shall be posted and delivered within the limits of the General Post delivery (which now includes Leith), when the Postage is one penny on each Newspaper.

Prices Current and *Commercial Lists* published in the United Kingdom, if duly stamped, and under the weight of two ounces, will be treated as Newspapers, and enjoy the Newspaper privileges, the sanction of the Postmaster-General having been previously obtained.

. As the mere affixing a Newspaper Stamp on any new periodical publication will not entitle it, as a matter of course, to pass free by the Post, those who may be about to publish, for the first time, any such paper, should submit a copy to the Postmaster-General, in order that it may be determined whether the Publication is of a nature that will entitle it to pass free of postage.

Clause of the Act of 1st Victoria, cap. 34, sec. 32.—“ And be it further enacted, that in all cases, in which a question shall arise, whether a printed Paper is entitled to the privileges of a News-

“ paper, or other publication hereby privileged, so far as respects
 “ the transmission thereof by the Post under the Post-Office acts,
 “ the question shall be referred to the determination of the Post-
 “ master-General, whose decision, with the concurrence of the
 “ Lords of the Treasury, shall be final.”

Newspapers published in the Channel Islands and the Isle of Man are now excluded from the Newspaper privileges, except such as may be printed in the French language.

PRINTED VOTES AND PROCEEDINGS OF PARLIAMENT.

Printed Votes and Proceedings of Parliament, or of the Colonial Legislatures are charged—

Under four ounces,	1d.
Above four and under eight ounces,	2d.
Above eight and under twelve ounces	3d., and so on.

Such Votes and Proceedings, whether paid or unpaid, pass at these rates between places in the United Kingdom, as well as to the Colonies, by *Packet*. The Postmaster-General is authorised (if he shall see fit) to delay the transmission of Printed Votes and Proceedings in Parliament for any space not exceeding Twenty-four hours from the time at which the same would otherwise have been forwarded.

STAMPED PUBLICATIONS.

Stamped Publications, not being Newspapers, but having authority of the Postmaster-General to pass as such by Post, are restricted to the weight of two ounces.

FOREIGN & COLONIAL LETTERS & NEWSPAPERS.

GENERAL REGULATIONS.

The prepayment of Postage is optional to many parts abroad ; Foreign as well as Colonial. For information on this point, reference may be made to the List of Foreign Places.

Letters for the Colonies and Foreign Countries posted unpaid, although specially addressed to be forwarded by routes *which require the Postage to be paid in advance*, will not, if there are any means of transmitting them, be opened and returned to the writers for payment of such Postage, but will be despatched, if possible, by other routes unpaid.

WEIGHT OF LETTERS.

Foreign Letters are charged on the same principle as inland, according to weight, as follows :—

Not exceeding $\frac{1}{2}$ oz. one Rate.
 Do. do. 1 oz. two Rates.

And two Rates for every succeeding oz.

The French and Belgian scale of progression is as follows :—

Under $\frac{1}{4}$ oz. one Rate.

Weighting $\frac{1}{4}$ oz., under $\frac{1}{2}$ oz., two Rates.

And one Rate for every succeeding $\frac{1}{4}$ oz.

In charging the British and Foreign *combined* rates, it is to be

observed, that a letter will be liable to two Foreign rates if it reaches the $\frac{3}{4}$ oz., whereas two British rates are not chargeable unless the letter exceeds $\frac{1}{2}$ oz. (the limit for a single British rate); so that a letter, to be subject to a single Foreign rate, as well as British, must be under $\frac{3}{4}$ oz. The following shews the method of taking the postage on letters for France and Belgium.

France.	{	under $\frac{1}{4}$ of an ounce.	{	British, 0s. 5d.	
				Foreign, 0s. 5d.	
				0s. 10d.	
France.	{	reaching $\frac{1}{4}$ of an ounce.	{	British, 0s. 5d.	
				Foreign, 0s. 10d.	
				1s. 3d.	
Belgium.	{	under $\frac{1}{4}$ of an ounce.	{	British, 0s. 4d.	
				Foreign, 0s. 2d.	
				0s. 6d.	
Belgium.	{	reaching $\frac{1}{4}$ of an ounce.	{	British, 0s. 4d.	
				Foreign, 0s. 4d.	
				0s. 8d.	

SHIP LETTERS.

The single uniform rate on Ship Letters between the United Kingdom and any place beyond seas (except those for France, Belgium, Holland, Hamburg, Bremen, Brunswick, Hanover, Denmark, Oldenburg, Lubec, and Mecklenburg-Schwerin, to which places the rate is the same as by packet), when conveyed by private ship, is 8d. under the $\frac{1}{2}$ oz., and so on, in whatever part of the United Kingdom the same may be posted or delivered. Letters intended to be conveyed by "private ship" should be so addressed.

PERSONS EXEMPT FROM SHIP LETTER POSTAGE.

The owners, charterers, and consignees, resident in the United Kingdom, and owners, consignees, and shippers of goods on board vessels inward bound, are entitled to receive their letters free from sea postage (the inland postage only being chargeable) to the extent 6 oz. collectively, by any one vessel to any such person. In the case of vessels coming from Ceylon, the Mauritius, the East Indies, or the Cape of Good Hope, for an owner, charterer, or consignee of such vessel, the letters may collectively be 20 oz. in weight. The owner, charterer, or consignee, must be described as such on the address or superscription; and, in the case of owner, consignees, or shippers of goods, it must also appear by the ship's manifest that they have goods on board the vessel. Such persons are entitled to have their letters which come within the above conditions, before the master of the vessel delivers the other letters in his charge to the Post-Office.

* * * Any person who shall, with intent to evade any duty of

postage, falsely superscribe a letter as being the owner, charterer, or consignee of a vessel conveying the same, or as the owner, shipper, or consignee of goods shipped in such vessel, shall, for every offence, forfeit £10.

LETTERS NOT TO BE SEALED WITH WAX WHEN SENT TO WARM CLIMATES.

The practice of sealing letters which pass to and from the East Indies, and other warm climates, with wax, leads to much inconvenience, from the melting of the wax, and the letters adhering to each other. The public, therefore, are recommended, in all such cases, to use wafers instead of wax, and to advise their correspondents to do the same.

ADHESIVE STAMPS AND ENVELOPES.

Stamps may be used to pay Foreign or Colonial Letters *outwards*, but care must be taken that, by the addition of such stamps, the letters do not exceed the weight intended to be paid for. In those cases in which the value of the stamps on the letter is less than the amount of postage chargeable, they will, if prepayment is not compulsory, be forwarded charged with the difference. In cases where the prepayment is compulsory, they will be sent to the Dead Letter Office, and opened and returned to the writers for the proper postage. Stamps are not permitted to be used on letters arriving in the United Kingdom from the Colonies or foreign countries. Whenever, therefore, such letters bear any, they will be charged the full rate of postage, without regard to such stamps. These regulations will be applicable to newspapers in those cases where they are liable to postage.

NEWSPAPERS AND PRICES CURRENT TO THE COLONIES AND FOREIGN COUNTRIES.

Newspapers and Prices Current, duly stamped and authorised, provided the regulations are complied with, and they are posted within seven days of their publication, may be forwarded to the Colonies and to foreign countries, by Post-Office packets or private ships. To the British Colonies they are forwarded free, except in cases where the conveyance is by private ship, as also to many foreign countries, which will be found in the Lists. But to all places to which newspapers are not sent free, the postage on them must be paid in advance. Newspapers and Prices Current, duly stamped, to the Colonies, by *private ship*, are charged one penny each. To France, Belgium, Holland, and countries through Holland, by *private ship*, one penny each. Chili, Peru, Guatemala, Western Coast of America, Venezuela, St Helena, St Mary's, River Gambia, Sierra Leone, Cape Coast Castle, Fernando Po, and Ascension Island, one penny each. All other places not British, by *private ship*, twopence each, which must be prepaid.

The undermentioned printed PRICES CURRENT having obtained the sanction of the Lords of the Treasury, pass through the

Post-Office to the Colonies and foreign countries at one penny each, provided they contain simply the names and prices of articles. The names and addresses of the parties dealing in such articles must be excluded:—

Annual Supplement to Prices Current.

British Ships entered inwards and cleared outwards
from and to places within the limits of the East
India Company's charter.

Wetenhall's Course of the Exchange.

Each copy to be made up in the same way as a newspaper, with cover open at the sides.

The title of the publication must be written or printed immediately above the address; and any other writing than such address, name, initial, or mark for reference of any kind, calculated to convey information as to the party by whom such publication is forwarded, will subject the same to full letter rates of Postage.

Prices Current cannot be forwarded a second time without being charged full letter postage.

Prices Current from any colony or place abroad by private ship are charged the same rate as newspapers. Prices Current from any British colony by packet, direct to any place in the United Kingdom, one penny each.

Prices Current from any foreign country by packet (except France, Belgium, Holland, and China), direct to the United Kingdom, twopence each.

Prices Current from whatever part (except China) received by way of France, Belgium, Holland, or Hamburg, twopence each.

Newspapers posted out of date, written on, or in any way marked for reference, or containing anything contrary to the Act, or without being prepaid, will, if there be no means of forwarding them, as unpaid letters, be sent to the Dead Letter Office. When they can be forwarded, those out of date, or not prepaid as required, will be charged with the ordinary letter postage.

Newspapers posted in France, contrary to the established regulations of that country, are transmitted to this country as letters. British Newspapers reposted in France for England are charged with the British frontier postage of 5d. per half ounce.

PERIODICAL PUBLICATIONS, &c.

Periodical works, unstamped, and not of daily publication, par-

liamentary proceedings, &c., may be forwarded to and from France, Belgium, Bremen (*via* Hamburg), Hamburg, Lubeck (*via* Hamburg), Oldenburg, Holland, Prussia (*via* Holland), Denmark, and the United States (but not to countries passing through), under the following regulations :—

- 1st, The postage must be paid in advance (except those from).
- 2d, They must be sent in covers open at the sides for examination.
- 3d, They must be printed in the English language, or the language of the country they are sent from.

The rate on such works will be as follows :—

Not exceeding 2 oz. in weight, one penny.

Not exceeding 3 oz. in weight, sixpence.

And twopence for every additional ounce to 16 inclusive, beyond which weight no publication can be forwarded except paid for as letters.

Plates of fashions, music, &c., accompanying newspapers and periodicals, are to be considered as part of such publication, and are not liable to extra charge. Prints published with newspapers, and duly stamped, may be sent by post separately as a newspaper ; but those bearing the supplement stamp of $\frac{1}{2}$ d. only, must be sent with the paper it belongs to, and be under the weight of two ounces.

Periodicals posted without previous payment will be forwarded as unpaid letters, and no single pamphlet or work unnumbered, and without reference to its continuance at any other time or period, can be considered or taken to be a periodical

Pamphlets, although not published periodically, may be forwarded to the *United States* at the same rates as above, when not exceeding eight ounces.

STAMPED PUBLICATIONS.

Stamped Publications, other than Newspapers, must not exceed 2 oz. in weight, and are subject to the same regulations as Newspapers with regard to date, when intended for abroad.

PRINTED VOTES AND PROCEEDINGS OF THE IMPERIAL PARLIAMENT, AND OF THE COLONIAL LEGISLATURE,

Whether paid or unpaid, pass at the same rates to the colonies, by packet, as between places in the United Kingdom. Where there are no packets, they may be forwarded by private ships at double these rates. They are not, however, forwarded to places through France under the full rates of letter postage. The following are the rates chargeable :—

Under 4 oz., 1d.

Above 4 oz. and under 8 oz., 2d.

Above 8 oz. and under 12 oz., 3d.—and so on.

And so on, increasing 1s. for every additional pound or fraction of a pound ; provided, however, that the following conditions be carefully observed :—

- 5th, The postage must be prepaid in full, by affixing outside the packet or its cover the proper number of stamps.

If any of the above conditions be violated, the packet must be charged as a letter, and treated as such in all respects.

REGISTERED LETTERS, FOREIGN, COLONIAL, AND SHIP.

In the case of foreign, colonial, or ship registered letters, it must be clearly understood that registration cannot extend beyond the port of despatch in the United Kingdom ; and the office does not engage for the security of any registered foreign, colonial, or ship letter, longer than while the contents of the mail shall be in the custody of the British Post-Office. Letters, however, addressed to France, and letters passing through France, are exceptions to this rule, the French Post-Office undertaking to provide for their security till they shall have been delivered, if addressed to France, and so long as they remain in the French territory, if passing through France. All registered letters to and from France, and countries passing through France, must be paid to their destination, or to the farthest limit, and are subject to the following regulations :—

- 1st, A registration fee of sixpence in addition to the British portion (or rate) of the postage upon such letters.
- 2d, The foreign portion of the rate must be calculated, and the amount doubled.

Registered letters for Belgium and countries through Belgium,
 — — Holland and countries through Holland,
 — — Hamburg and countries through Hamburg,
 are charged with the British registration fee only, in addition to the postage an ordinary letter would be liable to, and the postage must be prepaid.

Registered letters for Prussia, or to foreign countries through Prussia, must be prepaid the full postage (British and Foreign) as well as the British registration fee of sixpence, and a further charge of threepence on each registered letter, whatever may be its weight, on account of the Prussian registration fees. It is hoped that the public will take the precaution to register all letters of value.

REDIRECTED LETTERS.

Redirected letters between France, Belgium, and Holland, and countries, the correspondence of which passes through France, Belgium, and Holland, and the United Kingdom, are returned charged with the same amount of postage that should have been paid by the receivers. Letters originating in the United Kingdom, redirected from France, Belgium, or Holland, are returned under the same conditions, and are liable to a further charge of British postage—viz., 5d. from Calais, and 8d. from Holland.

All other redirected letters, which cannot be forwarded without prepayment of postage, must be sent to the Dead Letter Office to be returned for the amount due—viz., for their conveyance to the United Kingdom (if the postage to the United Kingdom is not paid), and for the further amount from the United Kingdom to the place of redirection.

REDIRECTED NEWSPAPERS.

Newspapers originating in the United Kingdom, addressed to parties in France, Belgium, and Holland, who have returned, may be redirected (on the original covers) to them, and are liable to the first charge only.

Newspapers from the colonies and foreign countries, for persons who may have removed, may be redirected to them at any place within the United Kingdom free of postage, provided they have not been opened at the place to which they were originally addressed. But a newspaper which has been opened is charged at the same rate as if it were a letter from the place of redirection to the place at which it may be ultimately delivered. Newspapers upon which any colonial or foreign postage may be due when redirected, shall be delivered at any place within the United Kingdom for the same amount of postage that would have been chargeable had they been delivered at their original address. Newspapers from one foreign country or colony to another, in transit through, and addressed to the care of a person in, the United Kingdom, may be redirected forward without extra charge, provided they have not been out of the custody of the Post-Office; but such newspapers cannot be re-posted without incurring the charge of letter postage.

NON-COMMISSIONED OFFICERS, SEAMEN, AND SOLDIERS IN HER
MAJESTY'S SERVICE ABROAD.

Letters to seamen and soldiers may be forwarded by post at the rate of one penny each, under the following regulations:—

- 1st, The penny must be paid at the time the letter is put into the Post-Office.
- 2d, The direction must signify the class of seaman or soldier.
- 3d, The name of the ship, regiment, or corps, to which he belongs.
- 4th, The letter must not exceed half an ounce, and be upon their private concerns only.

Letters for seamen and soldiers, whether in her Majesty's or the East India Company's military or naval service (while on actual service), may be forwarded, under the foregoing regulations, to India, China, &c., *via* Southampton. They can now be sent to India, *via* Marseilles, on payment of the British rate of 1d., besides the French rate of 5d., if under a quarter of an ounce, or 10d. exceeding that weight, or to any foreign country, on payment of the foreign rate of postage in addition to the British rate of 1d. as above.

Letters for seamen and soldiers forwarded by private ships (with the following exceptions:—St Helena, East Indies, New South Wales, Cape of Good Hope, and Mauritius) are charged 3d. each.

Letters of soldiers and seamen, addressed to the United States of America, will in future be chargeable with the American rate of five cents, or twopence-halfpenny sterling each, in addition to the ordinary British rate of one penny; the postage of all such letters must be prepaid.

Warrant officers, either in the army or navy, or masters' mates, or engineers of the navy, are not entitled to transmit letters at less than the usual rates of postage.

Seamen's or soldiers' letters received from any part beyond sea, upon which the said penny has not been prepaid, shall be charged to the receiver with double the rate—*viz.*, 2d. each.

REDIRECTED LETTERS FOR OFFICERS, SOLDIERS, AND SEAMEN.

Letters redirected to commissioned officers in the army or navy, subject to foreign or colonial postage, may be forwarded to such officers when removed upon service (whether at home or abroad), and be delivered to them for the same amount of postage that would have been chargeable had they been delivered at their original address. In all other cases they are subject to the same regulation as ordinary redirected letters. Soldiers' and seamen's letters are not liable to any additional rate upon redirection.

MONEY ORDER OFFICE.

Money Orders are issued and paid at the General Post-Office, Perth, between the hours of 9 and 6.

The Commission chargeable for Money Orders is threepence on sums not exceeding £2; and on sums above £2, and not exceeding £5, sixpence. No Order will be given for sums beyond this amount.

The Money Order Office, and the system of Registration, have been devised expressly for the security of Money and other valuable

property transmitted through the Post-Office. With the great convenience thus afforded for transmitting small sums at so low a charge, and the power given of Registering Letters containing value, it is hoped the public will no longer forward letters of value *except in one or other of these methods.*

In all cases where personal attendance is inconvenient, if the Money Order is receipted by the person to whom it is made payable, and the party presenting it for payment can afford full information as to the Christian name, surname, address, and occupation of the person *who originally obtained the Order*, payment will be made; but unless these conditions are strictly complied with, it will be refused. Any Money Order presented through a bank, will be paid, without the name of the remitter and the signature in full of the Christian name of the payer being insisted upon as a condition of payment, provided that the bank be situated in the town on which the Money Order is drawn, that the order be crossed with the banker's name, and the party applying at the Money Order office be known there as in the employment of the bank. It must be understood, however, that in all such cases the liability of the Post-Office will absolutely terminate with the payment of the Order so presented.

With a view to simplicity and economy, in the accounts of the Money Order Office, it has been found necessary to lay down the following rules:—

1. Every Money Order issued on and after the 6th October, 1848, must be presented for payment before the end of the second calendar month after that in which it was issued (for instance, if issued in October, it must be presented for payment before the end of December), otherwise a new Order will be necessary, for which a second commission must be paid.

2. If an Order be not presented for payment before the end of the twelfth calendar month after that in which it was issued (for instance, if issued in October, and not presented before the end of the next October), the Money will not be paid at all.

3. As, after once paying a Money Order, by whomsoever presented, the Office will not be liable to any further claim, the public are strictly cautioned—

a. To take all means to prevent the loss of the Money Order.

b. Never to send a Money Order in the same letter with the information required on payment thereof.

c. To be careful, on taking out a Money Order, to state correctly the Christian name as well as the surname of the person in whose favour it is to be drawn.

d. To see that the name, address, and occupation, of the person taking out the Money Order, are correctly known to the person in whose favour it is to be drawn.

4. Neglect of these instructions will lead to delay and trouble in obtaining payment, and even risk the loss of the Money.

These instructions, together with some others of minor importance, will be found printed on every Money Order.

A Money Order intended for a person residing at a place in which there is no Money Order Office, should be drawn upon the Post-Town nearest to it which may have a Money Order Office.

* **EXAMPLE.**—At the commencement of the year 1841, a person, aged 30, took out a policy for £1000, the annual payment for which is £24, 1s. 8d; in 1847 he had paid in Premiums £186, 11s. 8d.; but the profits being $2\frac{1}{4}$ per cent. per annum on the sum insured (which is £22, 10s. per annum for each £1000), he had £157, 10s. added to the policy, almost as much as the Premiums paid.

The Premiums, nevertheless, are on the most moderate scale, and *only one-half need be paid for First Five Years*, when the Insurances are for Life.

Parties desirous to participate in the next division of Profits should make immediate application to the Resident Director, at the Office, 8 Waterloo Place, London; to any of the Company's Agents in nearly all important Towns; or to

Deputy-Governor.

The Right Hon. the EARL of ELGIN and KINCARDINE.

THE DIRECTORS OF THE STANDARD LIFE ASSURANCE COMPANY REQUEST ATTENTION TO THE HIGH POSITION IN WHICH THE COMPANY STANDS IN PUBLIC FAVOUR, THE SUCCESSFUL RESULTS OF THE BUSINESS, AND THE LIBERALITY OF ITS DEALING.

I. PROGRESS OF THE BUSINESS.

The Company have effected Assurances, within the last ten years, to the amount of upwards of Four Millions of Pounds sterling, and during the last two years, to the extent of Nine Hundred and Seventy-Six Thousand Pounds, being a larger extent of business than any other Scotch office has transacted in the same period. Upwards of One Thousand Six Hundred and Eighty Persons have joined the Company as Assurers in these two years.

II. DIVISION OF PROFITS.

THE PROFITS OF THE COMPANY are ascertained every five years, and additions, by way of Bonus, have been made to the Policies at four periods, 1835, 1840, 1845, 1850. The following are examples :—

<i>Date of Policy.</i>	<i>Sum in Policy.</i>	<i>Bonus Additions.</i>	<i>Together.</i>

1846,	1000	52, 10s.	1052. 10s.

III. SURRENDER OF BONUS FOR VALUE IN CASH.

According to this method, if the person assured does not wish the sum in his Policy increased, he may surrender the Bonus, and take its value in cash; that is, instead of the amount being paid with the sum assured at death, such a sum will now be given as the Directors may consider equivalent to it in present value.

In the case of the policy of £1000 opened before 15th November 1825, for instance, as quoted above, assuming the party to have assured at the age of 35, and to be now 60 last birth-day, the sum of £463, 7s. 9d. would be given for a surrender of the Bonus of £873, while the policy will continue to receive its share of profits, at future investigations, as if the surrender had not taken place.

IV. APPLICATION OF THE BONUS TO THE EXTINCTION OF ANNUAL CONTRIBUTIONS.

A person aged 45, who assured in 1830 for £1000 has received Bonus Additions to the extent of £633. He pays a premium of £37, 7s. 6d., but wishes to apply the Bonus in extinction of the annual payment. His age being 65 last birth-day, he can redeem his future premiums by surrendering £578, 14s. 9d. of his Bonus, leaving £54, 5s. 3d. to be paid along with the sum assured at death, and will receive further additions at each investigation he may survive.

V. SELECT ASSURANCES.

The Public are indebted to this Company for the introduction of new and important benefits in the practice of Life Assurance. A Standard Policy which has existed for five years is admissible to a class of "*Select Assurances*;" and in that class all Policies are unchallengeable on any ground of objection whatever. The Directors have also made provision in connection with that class, for relieving the Assured who have no prospect of going abroad, from the usual irksome restrictions as to Residence beyond the limits of Europe. Persons lending money on the security of Policies, Marriage Trustees, and, in short, all who rely on the security afforded by Life Assurance, cannot fail to appreciate these new and important advantages.

A full Report on the late Investigation of the Company's affairs

and Division of Profits can be obtained by application at the Offices or Agencies of the Company.

Insurance of all kinds of Property is effected on the most favourable terms; and Policies on FARMING STOCK—including Bestial, Agricultural Produce, Utensils, and Implements of Husbandry—are issued *Free of Duty*.

No charge for Policies when transferred from other Offices.

Terms will be learned, and every facility afforded for the transfer of Policies and effecting new Insurances, on application at the Company's Office, Dundee; or at any of the Agencies.

LIFE ASSURANCE COMPANY,

ESTABLISHED IN 1823.

INCORPORATED BY ACT OF PARLIAMENT.

CAPITAL, £500,000.

EDINBURGH.—(Head Office), 22 GEORGE STREET.

LONDON.—11 KING WILLIAM STREET, (CITY).

The following are the advantages given by this Company :—

MUTUAL ASSURANCE, without liability.

The guarantee of a responsible body of Proprietors, either personally or otherwise assured with the Office, affords the most undoubted security to all classes of Assurers.

WHOLE PROFITS (except One-Tenth), Septennially divided among the Assured.

This is a larger proportion than can ever be divided by any simple Mutual Assurance Society.

An **INTERMEDIATE BONUS** paid on Policies becoming Claims between one Investigation and another.

All the advantage of an Annual Division is thus given, without its attendant evils.

The **MOST EQUITABLE PRINCIPLE** of DIVISION.

The greatest benefits are thereby bestowed upon the oldest Policies, thus securing that first-class Lives shall not suffer by any undue Bonus being paid away to those who may die early.

RATES OF PREMIUM EXTREMELY MODERATE.

The Non-Participation Scale is equivalent to a present Bonus of considerable amount, when compared with most other Offices.

The benefits of the Participation Plan of Insurance are exhibited in the following examples of

It will be observed that, in two instances, the Bonuses amount together to *more* than the *sum originally insured*—a feature of success of which few Offices can boast.

Copies of the Report of Proceedings at last General Meeting to declare the Bonus of 1849, with Prospectus and Rates, and all information, may be obtained at Head-Office, or any of the Agencies.

In effecting a Policy, *No Entry Money* or other Charge is made beyond the Premium and Stamp.

THE ASSOCIATION, by its Act of Parliament, is subject to the annual supervision of the Board of Trade. The object

for which it has been established is for the purpose of giving security for the fidelity of persons in situations of trust, and thereby providing to the employer a safeguard against loss arising through dishonesty or failure to account, by the well-known principles of Life and Fire Insurance, in lieu of the uncertain and unsatisfactory protection afforded by the system of private guarantee. The important advantages which the adoption of the principle of Associated Guarantee is calculated to confer on both employer and employed are very obvious, and need not be dwelt on.

The Lords of Her Majesty's Treasury, after a very careful examination into the constitution of the Association, the nature and extent of its guarantee, and the responsibility of its Shareholders, issued a Minute, dated 16th February 1847, "giving their sanction to the security of the Association being taken for the future, in lieu of bond or deposit of stock, &c., in all cases where the Officer is desirous of availing himself of the same, instead of giving security by bond or deposit, until further directions from this Board. Let letters be written, therefore, to the following Revenue Departments, namely, Customs, Excise, Stamps and Taxes, and Post-Office, conveying the sanction of this Board accordingly, and transmitting to each Department a copy of the printed form of Policy of Guarantee which has been settled and approved of by the Law Officers of the Crown, and which should be made use of in every case where any Officer should be desirous of availing himself of the security of the Association." That Minute has been printed by order of the House of Commons.

The Forms of Policy for the various Departments under the Crown have been settled and approved of by the Law Officers of the Crown.

The Act of Parliament also specially authorises the security of the Association to be taken for the Treasurers, Actuaries, Cashiers, and other officers in Savings' Banks, Poor-Law Commission, Friendly Societies, Loan, Benefit, Government Annuity, and other such Societies, &c., in all which cases the Policies are exempted from Stamp Duty.

GENERAL BUSINESS.

The security of the Association has also been accepted by the large commercial establishments, and by all classes in the community who require security from parties in their employment.

Forms of Proposal, and every information, can be obtained at the Offices of the Association in Edinburgh and London, or at any of the Agencies.

THE SAVINGS BANK
OF THE
CITY AND COUNTY OF PERTH,
Established in 1838,

IS Established for the *safe custody* and *increase* of small savings belonging to the industrious classes of the City and County of Perth; and among its other advantages, the following may be mentioned:—

1. Any sum from 1s. up to £150 will be received from *individual* Depositors, provided that not more than £30 is deposited by each in one year. *Societies* and *Charitable Institutions* of any kind may deposit to the extent of £100 in the year, and £300 in all; while *Friendly Societies* may lodge their whole funds without any limitation.

2. The whole, or any part of the sums deposited, may be withdrawn whenever required.

3. Interest at a comparatively high rate is calculated on the accounts once a-year, and added to the principal, by which Depositors derive the benefit of *compound interest*. Every sum of 5s. and upwards gets the benefit of it.

4. The guarantees against mismanagement, provided by the Rules, are of the most complete kind, and the investment of the funds is secure, being either in one of the old Chartered Banks, or Government Funds, as the Depositor may desire.

The Office of the Bank, at No. 1 Crescent, Perth, is open for receiving Deposits every Wednesday morning, between 9 and 10, and Saturday evening, between 6 and 8; and for repaying Deposits on Thursday morning between 9 and 10. For the convenience of Country Depositors it is also open every Friday from 12 to 3.

District Savings Banks are established at Dunkeld, Coupar-Angus, Blairgowrie, Errol, Crieff, Kincardine, and Caputh.

G E N U I N E

THOSE who wish COFFEE in its NATIVE PURITY should never buy Coffee in Packages, as the expense of the Canisters must deteriorate the quality of the Coffee. For example, take a pound of Canister Coffee at 1s. 4d. Out of this 1s. 4d., the Agent gets 4d. per pound for selling it; the Canister costs 3d.; and allowing the Merchant who sends it from London, Edinburgh, or elsewhere, only 1d. per pound for his profit, there is *only 8d. left for Coffee*, at which price NO SOUND COFFEE can be bought and roasted.

We roast and grind all our Coffee on the most approved principles, and invite comparison of the following with those sold at much higher prices in Canisters:—

Fine Sound Ceylon,	1s. 0d. per lb.,	or 3d. per $\frac{1}{4}$ lb.		
Fine Jamaica,.....	1s. 4d.	do.	4d.	do.
Fine Old Mocha,.....	1s. 8d.	do.	5d.	do.

T E A S .

The present large and increasing Stock of Tea, together with the continued depressed state of the market, enables us to sell Teas such as, we believe (quality considered), were never before offered at the following prices:—

Good Strong Sound Congou,	3s. 4d. per lb. or	5d. per 2 oz.		
Fine Brisk Do.,.....	3s. 8d.	do.	5 $\frac{1}{2}$ d.	do.
Fine Souchong (recommended),	4s. 0d.	do.	6d.	do.
Finest Pekoe Souchong,.....	4s. 4d.	do.	6 $\frac{1}{2}$ d.	do.
Assam Pekoe Souchong,.....	4s. 8d.	do.	7d.	do.

We respectfully solicit a trial of this delicious and most economical Tea, satisfied that it requires only to be known to prove its superiority to all other Teas.
