Collection at Railway Station only at 1.10 p.m. on Sunday. Letters arriving by mails after the 4.50 p.m. delivery may be had on calling at the Office from 8.30 till 9 p.m.

Money Orders are issued and paid every day (Sunday excepted) from 9 a.m. till 6 p.m.

An additional fee of 1d will secure a despatch till within 15 minutes of each departure. Both postage and fee must be paid in stamps, and dropped into the late letter-box.

Registered Letters require to be posted 30 minutes before the box closes; but, for a late fee of 4d, can be received up to the closing of the box.

The Office is open every lawful day from 7 a.m. till 9 p.m., and on Sunday from 9 till 10.15 a.m. only.

INLAND LETTERS.

The rates of postage, when prepaid, are as follows, viz. :—

For a letter not above 1 oz.,	1d.
„ above 1 oz. but not above 2 oz.,	1½d.
„ „ 2 oz. „ 4 oz.,	2d.
„ „ 4 oz. „ 6 oz.,	2½d.
„ „ 6 oz. „ 8 oz.,	3d.
„ „ 8 oz. „ 10 oz.,	3½d.
„ „ 10 oz. „ 12 oz.,	4d.

A letter above the weight of 12 oz. is liable to a postage of 1d for every ounce, beginning with the first ounce. Thus, a letter weighing between 14 and 15 oz. must be prepaid 1s 3d.

A letter posted unpaid is chargeable on delivery with double postage; and a letter posted insufficiently prepaid is chargeable with double the deficiency.

No letter may be above 18 inches in length, 9 inches in width, or 6 inches in depth, unless it be sent to or from one of the Government Offices.

COLONIAL AND FOREIGN LETTERS.

The rates of postage on letters to the colonies and foreign countries will be found in the Table of Colonial and Foreign Postage.

INLAND NEWSPAPERS.

Under the “Post Office Act, 1870,” any publication fulfilling the conditions hereafter named can, upon payment of an annual fee of 5s, be registered at the General Post Office to pass within the United Kingdom as a newspaper for a postage of one halfpenny. Without such registration no newspaper is entitled to be sent through the post at less than the book rate of postage.

For each inland newspaper, whether posted singly or in a packet, the postage, when prepaid, is one halfpenny; but a packet containing two or more registered newspapers is not chargeable with a higher rate of postage than would be chargeable on a book packet of the same weight, viz., one halfpenny for every 2 oz. or part of that weight.

A newspaper posted unpaid, or a packet of newspapers posted either unpaid or insufficiently paid, is treated as an unpaid or insufficiently paid book packet of the same weight.

The postage must be prepaid either by an adhesive stamp or by the use of a stamped wrapper.

No newspaper can now be sent through the post a second time for the original postage. For each transmission a fresh postage is required.

Every newspaper must be posted either without a cover (in which case it must not be fastened, whether by means of gum, wafer, sealing wax, postage stamp, or otherwise) or in a cover entirely open at both ends, so as to admit of easy removal for examination. If this rule be infringed, the newspaper is treated as a letter.

Every newspaper must be so folded as to admit of the title being readily inspected.

COLONIAL AND FOREIGN NEWSPAPERS.

The rates of postage to the colonies and foreign countries on newspapers registered for transmission abroad will be found in the Table of Colonial and Foreign Postage. Each newspaper is liable to a separate rate of postage, whether sent singly or in a packet, and, if above 4 oz. in weight, it is liable to two rates of postage; and so on.

The conditions of registration for transmission abroad are the same as those for inland transmission.

INLAND BOOK POST.

The postage is one halfpenny for every 2 oz. or part of that weight.

COLONIAL AND FOREIGN BOOK POST.

The limit of size for a book-packet addressed to any place abroad is 24 inches in length and 12 inches in width or depth.

COLONIAL AND FOREIGN PATTERN AND SAMPLE POST.

There is a Pattern and Sample Post to such colonies and foreign countries as are marked in the Table of Colonial and Foreign Postage with the letter "P;" but it is restricted to *bona fide trade patterns or samples of merchandise.*

CARD POST.

Post Cards, whether official or private, having a halfpenny stamp impressed upon them (adhesive stamps not being accepted in payment of the postage), may be transmitted between places in the United Kingdom with letters written upon the back.

REGISTRATION (INLAND AND FOREIGN).

The fee for registering a letter, newspaper, or book-packet between any two places in the United Kingdom is fourpence.

At all Post-Offices the latest time for posting registered letters on the payment of the ordinary fee is entered in the notice exhibited in the Office window ; but, upon payment of a late fee of fourpence, in addition to the ordinary registration fee, at all provincial Head Offices, letters may be registered after the hours specified, until the closing of the letter-box for each despatch (exclusive of the time during which late letters are received), or until the office is closed for the night.

No Letter Carrier, Rural Messenger, or other servant of the Post-Office, is allowed to carry a letter for any person to be registered.

RE-DIRECTION.

Every re-directed letter, post-card, or other postal packet, is liable to an additional postage (at the prepaid rate) for each re-direction, unless the re-direction be made by an officer of the Post-Office, and both the original and the second address be within the same free delivery.

A Postmaster is not bound to re-direct letters for a person temporarily leaving his home, and not having a private bag or box, unless the house be left uninhabited, or the letters would be delayed in their transmission by being sent to the house to be re-directed there.

DELIVERY.

Letter Carriers and Rural Messengers are prohibited from distributing any letters, newspapers, &c., except such as have passed through a Post-Office, whether before beginning their rounds, whilst on their rounds, or after they have completed them. Nor are they allowed to receive any payment beyond the postage for the delivery or collection of any letter, &c. ; nor to deviate from the route laid down for them. The prohibition from receiving payment in addition to the postage does not, however, extend to Christmas boxes.

No person living within the town free delivery, or within the limits of a rural post free delivery, unless he rent a private box, can claim to have his letters delivered at the office window if a delivery by Letter Carrier or a despatch by messenger is about to take place ; but letters which arrive by a mail, after

which there is no immediate delivery by Letter Carrier or Messenger, may be obtained by any person on application at the office window, so long as the office is open for delivery.

POSTAGE STAMPS.

Every Head Postmaster is required to keep, for sale to the public, a sufficient stock of the different postage stamps in use, as also envelopes bearing an embossed penny stamp, newspaper wrappers bearing an impressed halfpenny stamp, and Post Cards. The stamps are of the respective values of $\frac{1}{2}$ d, 1d, $1\frac{1}{2}$ d, 2d, 3d, 4d, 6d, 9d, 10d, 1s, 2s, and 5s. The embossed envelopes are made of four sizes.

POST OFFICE TELEGRAPHS.

The charge for telegrams throughout the United Kingdom, including the Channel Islands and the Isle of Man, but excepting the Scilly, Orkney, and Shetland Islands, is 1s. for the first 20 words, and 3d for every additional five words—*i.e.*, for every additional group of not more than five words; the names and addresses of the sender and receiver not being counted.

Telegrams may be re-directed from town to town at an extra charge of one half the ordinary tariff (fractions of threepence being reckoned as twopence); but in such cases they must not have been opened.

MONEY ORDERS.

The public are recommended, when applying for Money Orders, whether inland, colonial, or foreign, to use the printed "Application Forms," prepared expressly for the purpose, which are supplied gratuitously at all Money Order Offices. These forms save time, and afford greater security than verbal messages against mistakes.

The commission on inland Money Orders is—

For sums under 10s,	1d.
„ of 10s and under £1,	£1,	2d.
„ „ £1	„ £2,	3d.
„ „ £2	„ £3,	4d.
„ „ £3	„ £4,	5d.
„ „ £4	„ £5,	6d.
„ „ £5	„ £6,	7d.
„ „ £6	„ £7,	8d.
„ „ £7	„ £8,	9d.
„ „ £8	„ £9,	10d.
„ „ £9	„ £10,	11d.
„ „ £10	1s.

No order is allowed to contain a fractional part of a penny.

No Money Order can be issued unless the applicant furnish, in full, the surname and at least the initial of one Christian name, both of the remitter and the payee, together with the remitter's address. In the case of Colonial and Foreign Orders the full address of the payee must be given; and if the Order be payable to a native in British India, the tribe or caste, and the father's name, must also be furnished.

POST OFFICE SAVINGS BANKS.

Every Post Office Savings Bank is also a Money Order Office, and is open for bank business during the same hours as for Money Orders.

Deposits of one shilling, or of any number of shillings, or of pounds and shillings, may be made by any person at the Post Office Savings Banks, provided that such depositor shall not make deposits amounting to more than £30 in any year ending the 31st December, or make any further deposit when the amount standing in his name, exclusive of interest, exceeds £150. When any depositor's principal and interest amount together to £200, all interest will cease so long as the balance of the account continues to amount to the said sum of £200.

GOVERNMENT INSURANCES AND ANNUITIES.

The Postmaster-General is empowered, under the Act 27 and 28 Victoria, cap. 43, to insure the lives of persons of either sex, between the ages of 16 and 60, for not less than £20 or more than £100. He is also empowered under the same Act to grant Immediate or Deferred Annuities of not more than £50 on the lives of persons of either sex, and of the age of 10 years and upwards.

THERE are two questions which frequently occur to a thoughtful man: What provision is there for my Family if I die early? and, What provision is there for myself if I live to Old Age?

Both of these events may be provided against by one Life Assurance Policy with this Association.

The above Company claims the possession of all the elements calculated to make a sound and prosperous Office, and submits the following principal features to the consideration of the public:—

1. *Policies made payable during life at ordinary Rates of Premium.*
2. The large number of the Assured, about 40,000 Policies having been issued.
3. Careful, experienced, and economical management.
4. Policies do not become void through any temporary inability to pay the Premium when it becomes due.
5. A full and detailed Financial Statement of the Business and Assets of the Office are published every year, under Act of Parliament.
6. Prompt Settlement of Claims.

SAVINGS BANK

AND

Government Annuity Office

OF THE

COUNTY AND CITY OF PERTH.

ESTABLISHED 1838, AND CERTIFIED UNDER THE ACT OF 1863.

THE BANK, No. 24 CHARLOTTE STREET, PERTH,
WILL NOW BE OPEN EVERY LAWFUL DAY, EXCEPT SATURDAY,
FROM TEN TILL THREE.
ON SATURDAY FROM TEN TILL TWELVE NOON, AND FROM
SIX TILL EIGHT EVENING.

N.B.—No Money paid out on Saturday after Twelve noon.

THIS BANK receives Deposits of One Shilling and upwards, but not more than £30 in one year, ending 20th November, or £150 in all, which may accumulate, at Compound Interest, till it reaches £200.

Certified Friendly Societies may lodge their whole Funds. The Deposits of other Societies and Charitable Institutions are limited to £100 in one year, and £300 in all.

INTEREST, at a comparatively high rate, is added to the Principal once a year, at 20th November, irrespective of the Depositors' personal attendance at the Bank for that purpose, by which they derive the benefit of *Compound Interest*.

GOVERNMENT ANNUITIES, from £4 to £50 a year, may be contracted for through this Bank. Tables of Prices, and other particulars, may be had on application at the Office of the Bank.

The numerous advantages of the Institution will be seen from the Pass-Books, which are given to Depositors free of any charge.

The Funds of the Bank are securely invested, and the whole Accounts are periodically Audited by a professional Auditor unconnected with the Bank.

The total amount of Funds invested 20th November, 1873,
was£346,574 12 10

The total number of individual Depositors at the same date was ———, embracing members of every section of the labouring and industrial classes.

The Bank opened in 1839 with 859 Accounts; now they exceed 16,000.

The Capital in 1839 was only £3000 ; now it is upwards of £340,000.

Both the Capital and number of Depositors have considerably increased since the last Balance.

The utility and success of the COUNTY AND CITY OF PERTH SAVINGS BANK are sufficiently apparent from the amount of Business which has been done since its establishment in 1838.

2. To disseminate the principles of sound trading among the mercantile classes, and to impress upon them the necessity of so managing their affairs that they may at any time readily obtain a full and complete knowledge thereof, and in particular, that they adhere to the plan of having periodical investigations and general balances made up from correct sets of business books.

3. To collect debts for Members upon terms fixed by the Directors.

4. To communicate with Merchant Companies, Chambers of Commerce, and other mercantile and Public Bodies throughout the kingdom, and concert joint measures for the protection of Trade and Traders and the Improvement of the Commercial Law.

5. To communicate, when necessary, with the Law Officers of the Crown, and suggest and support measures for the Improvement of the Commercial Law of the country.

6. To co-operate with other Societies, established for similar purposes, in striving to promote the objects of the Society and the general interests of Commerce throughout the kingdom.

7. By communicating with Railway Companies and other public carriers to obtain rates and privileges favourable to the Mercantile classes.
