„ „ 10 oz. „ 12 oz.....	4d.

and so on, rising ½d for every additional 2 oz.

A letter posted unpaid is chargeable on delivery with double postage, and a letter posted insufficiently prepaid is chargeable with double the deficiency.

No letter may be above 18 inches in length, 9 inches in width, or 6 inches in depth, unless it be sent to or from one of the Government Offices.

NEWSPAPERS (INLAND).

The prepaid postage on every inland newspaper is one halfpenny, but a packet, containing two or more registered newspapers, is not liable to a higher rate than the book-postage upon it would be. For each transmission a fresh postage must be paid.

A newspaper posted unpaid, or a packet of newspapers posted unpaid, or insufficiently paid, is treated as an unpaid or insufficiently paid book packet of the same weight (*see* p. 38, Book Post, par. 2).

Any publication fulfilling the subjoined conditions can, upon payment of an annual fee of 5s., be registered at the General Post Office for circulation within the United Kingdom as a newspaper, as also for transmission to places abroad. Unregistered, a newspaper is liable to the book rate of postage.

- a. The publication must consist wholly or in great part of political or other news, or of articles relating thereto, or to other current topics, with or without advertisements.
- b. It must be printed and published in the United Kingdom; and in numbers at intervals of not more than seven days.
- c. The full title and date of publication must be printed at the top of the first page, and the whole or part of the title, and the date, at the top of every subsequent page. This regulation applies also to “Tables of Contents,” and Indices.”
- d. A supplement must consist wholly or in great part of matter like that of a newspaper, or of advertisements, printed on paper, unstitched; or wholly or in part of engravings, prints, or lithographs illustrative of articles in the paper. It must in every case be published with the paper, and have its title and date printed at the top of every page; or, if it consists of engravings, prints, or lithographs, at the top of every sheet or side.

A newspaper, if posted in a cover, must have such cover open at both

ends, so as to admit of easy inspection, otherwise it will be treated as a letter.

The title of every newspaper must be exposed to view.

A newspaper or packet of newspapers must not contain any enclosure, except supplements, and no newspaper must bear on any part of it words of the nature of a letter.

A newspaper which has anything written on it, or its cover, of the nature of a letter, is liable to postage as an unpaid or insufficiently paid letter.

A packet of newspapers must not weigh above 14 lbs., or exceed two feet in length, one foot in width, or one in depth.

Any newspaper or packet of newspapers, in the case of any of these rules being infringed, is chargeable, if under 8 oz., as a letter packet; and if over 8 oz. it is transferred to the Parcel Post, and charged a fine of 1d. in addition to any deficient parcel postage.

BOOK POST (INLAND).

The prepaid postage is one halfpenny for every 2 oz. or part of that weight. If posted unpaid the charge is double that amount; and if posted partially paid, double the deficiency.

A book-packet may contain any number of separate books or other publications, photographs (when not on glass or in cases containing glass or any like substance), drawings, prints, or maps, and any quantity of paper, or any other substance in ordinary use for writing or printing upon; and the books or other publications, prints, maps, &c., may be either printed, written, engraved, lithographed, or plain, or any mixture of these. It may also contain all legitimate binding, mounting, or covering of a book, &c., or of a portion thereof, whether such binding, &c., be loose or attached; as also rollers in the case of prints or maps, markers (of paper or otherwise) in the case of books, pens or pencils in the case of pocket-books, &c., in short, whatever is necessary for the safe transmission of such articles, or usually appertains thereto; but the binding, rollers, &c., must not be sent as a separate packet; neither may a book-packet contain anything in the nature of a letter* (attached or otherwise), unless it be a "circular" (as defined hereafter).

A book-packet may be posted either without a cover (in which case it must not be fastened, whether by means of gum, wafer, sealing wax, postage stamp, or otherwise), or in a cover entirely open at both ends, so as to admit of the contents being easily withdrawn for examination. It may, however, be tied at the ends with string.

No book-packet may be above 5 lbs. in weight, 18 inches in length, 9 in width, or 6 in depth, unless it be sent to or from a Government office.

A book packet, in the case of any of these rules being infringed, is chargeable, if under 8 oz., as a letter packet; and if over 8 oz. it is transferred to the Parcel Post, and charged a fine of 1d in addition to any deficient parcel post.

When, owing to an unusually heavy influx of letters, books, &c., the transmission or delivery of the letters would be delayed if the whole mail

* Entries merely stating who sends the book, &c., or to whom it is given, are not regarded as a letter.

were dealt with without distinction, book-packets may be kept back till the next despatch or delivery.

Circulars—*i.e.*, letters which, from internal evidence, appear to be intended for transmission in identical terms to several persons, and the whole or the greater part of which is produced by means of ordinary type, engraving, lithography, or other mechanical process—may also be sent by book post.

PARCEL POST (INLAND).

Parcels *not exceeding 11 lbs. in weight* are received at any Post Office for transmission between places in the United Kingdom.

In order that a packet may go by Parcel Post, it must be tendered for transmission as a parcel, and should bear the words "Parcel Post,"—which should be clearly written in the left-hand top corner.

Every Post Office is open to the public for Parcel Post business on week days during the same hours as for general postal business. No Parcel Post business is, as a rule, transacted in England or Ireland on Sundays, Christmas Days, and Good Fridays; nor in Scotland on Sundays and Sacramental Fast Days, but there will in most cases be a delivery on Christmas Day.

The size allowed for an Inland Postal Parcel is—

Greatest length,	- - - - -	3 ft. 6 in.
Greatest length and girth combined,	- - - - -	6 ft. 0 in.

For example—

A parcel measuring 3 ft. 6 in. in its longest dimensions may measure as much as 2 ft. 6 in. in girth, *i.e.*, round its thickest part; or—

A shorter parcel may be thicker; thus, if it measure no more than 3 ft. in length, it may measure as much as 3 ft. in girth, *i.e.*, round its thickest part.

The most convenient mode of measuring is by means of a tape 6 ft. long, having the length of 3 ft. 6 in. marked thereon. So much of the tape as is not used in measuring the length is the measure of the maximum girth permissible.

The rates of Postage are—for a Parcel—

Not exceeding 1 lb. in weight,	- - - - -	3d.
Exceeding 1 lb. and not exceeding 2 lbs.,	- - - - -	4½d.
„ 2 lbs., „ „ 3 lbs.,	- - - - -	6d.
„ 3 lbs., „ „ 4 lbs.,	- - - - -	7½d.
„ 4 lbs., „ „ 5 lbs.,	- - - - -	9d.
„ 5 lbs., „ „ 6 lbs.,	- - - - -	10½d.
„ 6 lbs., „ „ 7 lbs.,	- - - - -	1s. 0d.
„ 7 lbs., „ „ 8 lbs.,	- - - - -	1s. 1½d.
„ 8 lbs., „ „ 9 lbs.,	- - - - -	1s. 3d.
„ 9 lbs., „ „ 10 lbs.,	- - - - -	1s. 4½d.
„ 10 lbs., „ „ 11 lbs.,	- - - - -	1s. 6d.

No parcel is accepted which weighs more than 11 lbs., or is not sufficiently paid. The postage must, in all cases, be paid in advance, and by ordinary postage stamps, which must be affixed by the sender before tendering a parcel for transmission by Parcel Post at a Post Office.

Parcels must not be posted in a letter-box, but must be taken into a Post Office, and handed over the counter. Care must be taken that every parcel bears a clear address.

INSURANCE AND COMPENSATION (INLAND).

The Postmaster General will, subject to certain conditions, give compensation for the loss or damage of inland parcels according to the following scale :—

1. Where no fee except postage is paid, compensation will be given to an amount not exceeding - - - - - £1
2. Where in addition to the postage an insurance fee of 1d is paid, compensation will be given to an amount not exceeding - - - - - £5
3. Where in addition to the postage an insurance fee of 2d is paid, compensation will be given to an amount not exceeding - - - - - £10

In no case will a larger amount of compensation than £10 be paid.

The compensation given in case of damage will be in proportion to that which would have been given had the parcel been lost ; but in no case will it exceed the value of the article lost or the damage sustained.

Where no insurance fee is paid, but it is desired to secure compensation, a certificate of posting should be obtained from the officer receiving the parcel. This certificate must be filled up by the sender, and handed to the officer of the Post Office, who will sign and return it to him. Forms of certificate can be obtained at any Post Office, and from any Rural Postman.

- POST CARDS (INLAND).

Official Post Cards, impressed with a halfpenny stamp,—double or reply Post Cards impressed with a halfpenny stamp on each portion of them,—and private Cards impressed at the Office of Inland Revenue with halfpenny stamps,—may be transmitted between places in the United Kingdom with letters printed or written upon the back. Adhesive stamps are not accepted in payment of the postage.

The front (or stamped) side is for the address only, in addition to the words printed thereon. Nothing else must be written, printed, or otherwise impressed on it or the stamp. On the reverse side any communication, whether of the nature of a letter or otherwise, may be written or printed. Nothing whatever may be attached ; nor may the card be folded, cut, or otherwise altered. If any one of these rules be infringed, the card will be charged 1d on delivery.

Post Cards are sold at 7d. per dozen ; superior quality, 8d.

Double or reply Post Cards are sold at 1s. 2d. per dozen ; superior quality, 1s. 4d.

REGISTRATION (INLAND).

The fee for registering a letter, newspaper, or book-packet, is twopence, and this registration fee and the postage must be prepaid, except on official letters for Government Offices in London, Dublin, or Edinburgh, which may be registered on prepayment, in stamps, of the registration fee only.

No article addressed to initials or to a fictitious name can be registered, unless it be addressed to the care of a person or firm.

Every article presented for registration must be enclosed in a strong envelope, securely fastened. If the article contains money, it must, in order to gain the benefit of the guarantee described in the last paragraph under his heading, be enclosed in a Registered Letter Envelope sold by the Post Office ; and if coins are sent, they must on no account be put in loose, but

must be packed and enclosed in such a way as to move about as little as possible.

Every article to be registered must be given to an agent of the Post Office, and a receipt obtained for it; and it should on no account be dropped into a letter-box. If, contrary to this rule, an article marked "Registered" be dropped into a letter-box, it will, *if directed to any place in the United Kingdom*, be liable to a registration fee of 8d., instead of the ordinary fee of 2d.

The loss of a registered article (as it can be traced through its whole course) is a rare occurrence. Nevertheless large sums of money or other articles of great value should not be sent through the post, even if registered; as the machinery of the Department is not arranged with a view to such transmissions. If sent unregistered, valuable articles are exposed to risk; consequently Inland letters or packets which contain coin, watches, or jewellery, if posted without registration, are subjected to registration, and are charged on delivery with a fee of eightpence in addition to the ordinary postage. If they cannot be registered in time to be forwarded by the Mail for which they are posted, they are detained for the next despatch.

By law the Postmaster General is not responsible for the safe delivery of registered articles; but henceforth he will be prepared to make good the contents of a registered article lost while passing through the Post *to the extent of £2*, in certain cases, provided that the sender duly observed all the conditions of registration; that the article was securely enclosed in a reasonably-strong cover, and if it contained money, that it was enclosed in one of the Registered Letter Envelopes sold by the Post Office; that application was made to the Secretary of the Post Office immediately the loss was discovered; and that the Postmaster General, whose decision shall be final, is satisfied that the loss occurred while the article was in the custody of the British Post Office, and was not caused by any fault on the part of the sender.

LETTERS (FOREIGN).

The Compensation granted will be according to the following scale:—

- | | |
|---|-----|
| 1. Where no fee except postage and the registration fee is paid, compensation will be given to an amount not exceeding - | £2 |

Letters posted unpaid, or insufficiently paid, to any country where payment is compulsory, are returned to the writers.

Letters posted unpaid, or insufficiently paid, for Australia, New Zealand, Cape Colony, or Natal, are charged 6d. each in addition to the deficient postage.

Unpaid letters addressed to countries in the Postal Union are charged double the prepaid rate, and those partially prepaid are charged with double the deficiency.

No letter for a colony or foreign country may exceed 2 feet in length or 1 foot in width or depth.

NEWSPAPERS (FOREIGN).

The rates of postage to Foreign countries and the Colonies on newspapers registered for transmission abroad will be found in the Table of Foreign and Colonial Mails, page 48.

All publications registered for transmission abroad *must be posted within eight days from the date of publication*, including that day; and any newspaper posted more than eight days after the date of publication, as well as any unregistered publication, must be prepaid at the book rates of postage.

The collected numbers issued during the month of a weekly or fortnightly publication are not allowed to pass as a monthly publication.

PARCEL POST (FOREIGN).

A Parcel Post is established between the United Kingdom and the countries named in the list given on page 50.

The dimensions are the same as for the Inland Parcel Post, except for European countries, 2 feet in any direction; for Jamaica, length 2 feet, girth 4 feet.

Dangerous or offensive articles, and contraband articles, must not be sent by means of this Parcel Post. Parcels exceeding £50 in value are also prohibited to India, Egypt, St. Helena, and the Cape of Good Hope.

A declaration of the contents and their value must accompany every parcel. Customs duty is collected on delivery.

BOOK POST (FOREIGN).

Articles which may be sent to places abroad under the Book Post Regulations consist of (a) "Commercial Papers," comprising all papers or documents written or drawn wholly or partly by hand (except ordinary letters, &c.), documents of legal procedure, Invoices, manuscript music, and other papers of a similar description; and (b) "Printed Papers," including periodical works, books, pamphlets, sheets of music (printed), engravings, photographs, drawings, plans, maps, catalogues, prospectuses, circulars, &c., &c.

The two classes are subject to the same rates of postage, except that when addressed to countries in the Postal Union the minimum rate for Commercial Papers is higher than that for printed papers. If there be any mixture of the two in the same packet the whole packet is treated as Commercial Papers.

The rates of postage, which must be prepaid, on packets to places abroad are given, under the heading of Books, in the Table of Foreign and Colonial Mails, page 48.

All books and printed matter imported into the United States through the post, however small the value, are subject to a duty of 25 per cent. of that value—the exception hitherto accorded to books not exceeding one dollar being withdrawn.

PATTERNS AND SAMPLES (FOREIGN).

There is a Pattern and Sample Post to Foreign Countries and the Colonies generally; but it is restricted to *bona fide trade patterns or samples of merchandise*. Goods sent for sale, or in execution of an order (however small the quantity may be), or any articles sent by one private individual to another which are not actually patterns or samples, are not admissible.

No article liable to Custom Duties can be sent as a sample or pattern.

The rates for Patterns are the same as for Books, except that the lowest charge is 1d for a packet addressed to any of the countries to which the postage is $\frac{1}{2}$ d per 2 oz. for Books.

POST CARDS (FOREIGN).

Post Cards for abroad, with impressed stamps of 1d, $1\frac{1}{2}$ d, and 2d each, are sold at those rates, and are transmissible to all the countries of the Postal Union without extra charge.

Reply Post Cards for certain places abroad are also issued, those with a 1d stamp impressed on each half, price 2d; those with a $1\frac{1}{2}$ d stamp on each half, price 3d; and those with a 2d stamp on each half, price 4d.

The regulations relating to Inland Post Cards apply also to Cards posted for places abroad, except that the latter, when these regulations are infringed, are not forwarded.

MISCELLANEOUS REGULATIONS AND SUGGESTIONS.

The Post Office is not, by law, responsible for any loss or inconvenience which may arise from the non-delivery, mis-sending, or mis-delivery of any letter, book, or other postal packet (even if the packet be registered), nor is the Post Office responsible for any injury which a packet may sustain during its transmission.

Postmasters are not allowed to return any letter or other packet to the writer or sender, or to any one else, or to delay forwarding it to its destination according to the address, even though a request to such effect be written thereon.

Neither money or any other article of considerable value ought ever to be sent through the Post, except by means of a money or postal order, or in a registered letter. Any person who sends money or jewellery otherwise, not only runs the risk of losing his property, but exposes to temptation every one through whose hands his letter passes.

To facilitate the delivery of letters, a Letter-box should be affixed to every house-door.

MONEY ORDERS.

When applying for Money Orders, the public should use the printed "Application Forms," which are supplied gratuitously at all Money Order Offices.

The commission on Inland Money Orders is :—

For sums under 10s,	-	-	2d	For sums of £6 and under	£7,	8d
„ of 10s and under	£2,	3d		„ £7	„	£8, 9d
„ „ £2	„	£3,	4d	„ £8	„	£9, 10d
„ „ £3	„	£4,	5d	„ £9	„	£10, 11d
„ „ £4	„	£5,	6d	„ £10	-	-
„ „ £5	„	£6,	7d			1s

No order may contain a fractional part of a penny.

The applicant must furnish in full the surname and at least the initial of one Christian name, both of the remitter and the payee, together with the remitter's address. In the case of Foreign Orders the full address of the payee must be given; and if the Order be payable to a native in British India, the Tribe or Caste, and the Father's name must also be furnished.

Exceptions.—1st. The remitter of an Inland Order may direct at the time of issue, that the Order be crossed like a cheque thus, & Co. and thus be payable only through a Bank. In that case he may give or withhold the name of the payee. The designation of the Bank need not be furnished.

2nd. If the remitter or payee be a peer or a bishop, his ordinary title is sufficient.

3rd. The usual designation of a firm is sufficient, except when a company trades under a title which does not consist of the names of the persons composing it, as the "Carron Company," but even a designation of this nature may be accepted provided the Order be crossed for presentation through a Bank.

The holder of an Inland Money Order may direct, by crossing it, that the Order be paid through a Bank, even though its payment was not originally so restricted.

Money Orders are issued in the United Kingdom on the following Foreign countries, British possessions, Agencies, and Colonies, at the rates of commission shown below :—

FOREIGN COUNTRIES.—Austria, Belgium, Denmark, Danish West Indies, Dutch East Indian Possessions, Egypt, France, German Empire, Holland, Hungary, Iceland, Italy, Japan, Norway, Portugal, Sweden, Switzerland, United States. BRITISH AGENCIES.—Constantinople, Smyrna, Panama. BRITISH POSSESSIONS AND COLONIES.—Belize, Bermuda, British Columbia, British Guiana, Cape of Good Hope, Canada, Ceylon, Cyprus, Falkland Islands, Gambia, Gibraltar, Gold Coast, Heligoland, Hong Kong, India (including agencies at Aden, Bagdad, Bandar, Abos, Bushire, Busrah, Guadur, Jask, Linga, Muscat, and Zanzibar), Legos, Malta, Mauritius, Natal, New Brunswick, Newfoundland, New South Wales, New Zealand, Nova Scotia, Prince Edward Island, Queensland, St. Helena, Seychelle Islands, Sierra Leone, South Australia, Straits Settlements, Tasmania, Victoria, West Indies, Western Australia. For sums not exceeding £2—6d. ; £5—1s. ; £7—1s. 6d. ; £10—2s.

POSTAL ORDERS (INLAND).

Postal Orders, for certain fixed sums from 1s. up to £1, are issued to the public at all Post Offices in the United Kingdom at which Money Order business is transacted.

The following are the amounts for which Postal Orders are issued, together with the Poundage payable in respect of each Order :—

Amount of Order.	Poundage.	Amount of Order.	Poundage.
1s. od.	- - ½d.	4s. 6d.	- - 1d.
1s. 6d.	- - ½d.	5s. od.	- - 1d.
2s. od.	- - 1d.	7s. 6d.	- - 1d.
2s. 6d.	- - 1d.	10s. od.	- - 1d.
3s. od.	- - 1d.	12s. 6d.	- - 1d.
3s. 6d.	- - 1d.	15s. od.	- - 1½d.
4s. od.	- - 1d.	20s. od.	- - 1½d.

Broken amounts may be made up by the use of postage stamps not exceeding fivepence in value affixed to the face of any one Postal Order.

The person to whom a Postal Order is issued must, before parting with it, fill in the name of the Money Order Office at which the amount is to be paid. The person so named must, before payment can be made, sign the receipt at the foot of the Order, and must also fill in the name of the Money Order Office, if that has not been already done.

Every person to whom a Postal Order is issued should keep a record of the number, date, and name of office of issue to facilitate enquiry if the order should be lost.

If a Postal Order be crossed " & Co." payment will only be made through a Banker, and if the name of a Banker is added, payment will only be made through that Banker.

POST OFFICE SAVINGS BANK.

The Post Office Savings Bank is open for bank business during the same hours as for Money Orders.

Deposits of one shilling, or of any number of shillings, or of pounds and shillings, may be made by any person at the Post Office Savings Banks, provided that such depositor shall not make deposits amounting to more than £30 in any one year ending 31st December, or make any further deposit when the total amount standing to his credit has reached £150 exclusive of interest.

GOVERNMENT INSURANCES AND ANNUITIES.

Under the Government Annuities Act, 1882, Insurances may be effected for amounts not less than £5, and not more than £100 on one life; and Annuities may be purchased for amounts not less than £1 and not more than £100 on one life.

The persons whose lives are insured, or to whom Annuities are granted by the Postmaster-General, have direct Government security for the payment of the money at the proper time.

Forms of proposals for the Insurance of Lives and the Purchase of Annuities, and all necessary information on these subjects, may be obtained at the Post Office.

POST-OFFICE TELEGRAPHS.—INLAND TELEGRAMS.

The charge for telegrams throughout the United Kingdom is 6d for the first 12 words, and $\frac{1}{2}$ d for every additional word. Addresses are now charged for. The public are required to affix the stamps to the message forms just as they are required to affix stamps to letters.

When the terminal office, *i.e.*, the office situated nearest to the address, is a Head Post Office, the amount paid for transmission covers the cost of delivery within one mile, or within the town postal delivery of that office when the delivery extends for more than a mile. But when it is not a Head Post Office, the message is delivered free within the limit of one mile only.

When the addressee resides beyond the free delivery, portorage is charged at the rate of 6d per mile or part of a mile, provided the whole distance does not exceed three miles; but the charge is calculated from the boundary of the district within which no portorage is levied. For instance, if the addressee's residence is a mile and a quarter from the terminal office, and also beyond the town postal delivery, the charge for portorage would be 6d; if the distance is above two miles and under three, 1s.

If the addressee resides at a greater distance than three miles from the terminal office, portorage is charged, for delivery by mounted messenger, at the rate of 1s per mile (except in Ireland, where the charge usually is only 8d per mile), the distance being reckoned from the office door.

SAVINGS BANK

OF THE

COUNTY & CITY OF PERTH,

(Established 1838, and Certified under the Act of 1863,

AND

GOVERNMENT ANNUITY OFFICE.

THE OFFICE, TAY STREET, PERTH,

IS OPEN EVERY DAY, EXCEPT SATURDAY, FROM TEN TILL
THREE.

ON SATURDAY FROM TEN TILL TWELVE NOON, AND FROM SIX
TILL EIGHT EVENING.

N.B.—No Money paid out on Saturday after Twelve noon.

THIS BANK receives Deposits of One Shilling and upwards, but not more than £30 in one year, ending 20th November, or £150 in all which may accumulate, at Compound Interest, till it reaches £200.

Certified Friendly Societies may lodge their whole Funds. The Deposits of other Societies and Charitable Institutions are limited to £100 in one year and £300 in all.

INTEREST, at a comparatively high rate, is added to the Principal once a year, at 20th November, irrespective of the Depositors' personal attendance at the Bank for that purpose, by which they derive the benefit of *Compound Interest*.

GOVERNMENT ANNUITIES, from £4 to £100 a-year, and the Insurance of Lives, may be contracted for through this Bank. Particulars may be had on application at the Office of the Bank.

The numerous advantages of the Institution will be seen from the Pass Books, which are given to Depositors free of any charge.

The Funds of the Bank are securely invested, and the whole Accounts are periodically audited by a professional Auditor unconnected with the Bank.

The total amount of Funds invested 20th November, 1885, was £600,305 2s.

The total number of individual Depositors at the same date was 20,215, embracing members of every section of the labouring and industrial classes.

The Bank opened in 1839 with 859 Accounts ; now they number upwards of 20,000.

The Capital in 1839 was only £3000 ; now it is upwards of £600,000.

The utility and success of this Bank are thus sufficiently apparent from the amount of Business which has been done since its establishment in 1838.
