And so on, at the rate of ½d. per every 2 oz.

No Inland Letter must exceed 18 inches in length, 9 inches in breadth, and 6 inches in depth.

Re-directed letters are liable to new rates of postage, but though the new postage should not be paid on the reposting the letter, it will, on delivery, be charged only the prepaid rate.

Newspapers for Foreign parts and Colonies, if posted later than 8 days after publication, are charged *book postage*.

## Parcels Post.

1. In order that a packet may go by Parcel Post, it must be tendered at a Post Office for transmission as a parcel. The words "Parcel Post" should be written or printed on the left-hand side, immediately above the address.

2. The Rates of Postage are, for a parcel—Not exceeding 1 lb. in weight, 3d.; every additional 1 lb., 1½d. *No Parcel can be sent exceeding 11 lbs. in weight.*

3. The dimensions allowed for an Inland Postal Parcel are—Greatest length, 3 ft. 6 in.; greatest length and girth combined, 6 ft. For example—A Parcel measuring 3 ft. 6 in. in length may measure as much as 2 ft. 6 in. in girth. A shorter Parcel may be thicker; thus, if it measure no more than 3 ft. in length, it may measure as much as 3 ft. in girth—*i.e.*, round its thickest part.

4. The full postage must be *prepaid*, by means of ordinary postage stamps, which must be affixed by the sender.

5. Parcels must not be posted in a letter-box, but must be handed over the counter of a Post Office to the proper officer, by whom the size, weight, and postage of each parcel will be tested before it is accepted. Any packet or parcel marked "Parcel Post," and posted contrary to this regulation, will, unless admissible and fully prepaid at the letter or book post rate, be charged on delivery with a fine of 1d. in addition to any deficient postage at the parcel rate.

*Prohibited Parcels.*

6. Parcels bearing or containing writing or marks of an offensive or indecent character; or containing gunpowder, cartridges, lucifer matches, or other combustible material, live animals, offensive or filthy matter, or any substance likely to cause injury to other parcels, or to the Officers of the Post Office, may not be sent through the post.

7. Parcels may not contain any letter or packet intended for delivery at an address other than that borne by the parcel itself.

*Parcels requiring Special Precautions.*

8. Parcels containing ripe fruit or eggs, fish, meat, or other animal matter; or knives and other sharp instruments; can only be sent if so packed as to prevent all risk of injury to other parcels. Liquid matter must be sent in bottles, cases, or cans securely stoppered, and bottles and other glass articles must be so packed as to be secure from breakage.

*Parcels addressed to a Post Office to be called for.*

9. Parcels may be addressed to and obtained at Post Offices under the same regulations generally, as letters.

10. Parcels addressed to a Post Office to be called for will be kept (unless containing perishable articles) for three weeks. After they have remained in the office one clear day, they will be charged 1d. a day for demurrage until called for.

## INSURANCE AND COMPENSATION.

*This scheme of Insurance and Compensation does not apply to Foreign and Colonial parcels.*

11. The Postmaster General will (not in consequence of any legal liability, but voluntarily, and as an act of grace), subject to the rules hereinafter mentioned, give compensation for the loss and damage of inland parcels according to the following scale, *viz.*:—1. Where no fee except postage is paid, the Postmaster General will give compensation to an amount not exceeding £1. 2. Where in addition to the postage an insurance fee of 1d. is paid, the Postmaster General will give compensation to an amount not exceeding £5. 3. Where in addition to the postage an insurance fee of 2d. is paid, the Postmaster General will give compensation to an amount not exceeding £10.

In no case will a larger amount of compensation than £10 be paid. The compensation given in case of damage will be in proportion to that which would have been given had the parcel been lost.

No legal liability to give compensation in respect of any parcel will attach to the Postmaster General, either personally or in his official capacity, and whether or not an insurance fee has been paid. Accordingly, the decision of the Postmaster General as to all questions of compensation will be final.

**RULES AS TO INSURANCE AND COMPENSATION.**

*Posting and Packing of Parcels.*

1. The parcel must be posted in the manner prescribed for the posting of parcels by the regulations for the time being, and the postage must be prepaid.

2. Where no insurance fee is paid, but it is desired to secure compensation, a certificate of posting should be obtained from the officer receiving the parcel. This certificate must be filled up by the sender and handed to the officer of the Post Office, who will sign and return it to him. Forms of certificate can be obtained at any Post Office and from any rural postman.

3. In order to insure a parcel—(1.) The insurance fee must be prepaid. (2.) A certificate of posting, bearing thereon a receipt for the insurance fee, must be obtained on the prescribed form. This certificate must be filled up by the officer of the Post Office receiving the parcel. (3.) The insurance fee must be paid at a Post Office. Rural postmen and mail cart drivers have no power to give a receipt for such fee.

4. The contents of the parcel must be securely packed and enclosed in a reasonably strong case, wrapper, or cover securely fastened, and of a nature calculated to preserve the contents from loss or damage in the Post.

*For exemptions and further particulars, see the Post Office Handbook and Post Office Guide.*
