An additional fee of 1d. will secure a despatch till within 15 minutes of each departure. Both postage and fee must be paid in stamps, and dropped into the late letter-box.

Registered Letters require to be posted 30 minutes before the box closes, but, for a late fee of 4d., may be received up to the closing of the box.

The Office is open every lawful day from 6.45 a.m. till 9 p.m., and on Sunday from 9 till 10.15 a.m. only. For Telegraph business, from 9 till 10.15 a.m. and from 4 till 5 p.m.

INLAND LETTERS.

The rates of postage, when prepaid, are as follows, viz.:—

For a letter not above 1 oz.,	1d.
„ above 1 oz. but not above 2 oz.,	1½d.
„ „ 2 oz. „ 4 oz.,	2d.
„ „ 4 oz. „ 6 oz.,	2½d.
„ „ 6 oz. „ 8 oz.,	3d.
„ „ 8 oz. „ 10 oz.,	3½d.
„ „ 10 oz. „ 12 oz.,	4d.

A letter above the weight of 12 oz. is liable to a postage of 1d. for every ounce, beginning with the first ounce. Thus, a letter weighing between 14 and 15 oz. must be prepaid 1s. 3d.

A letter posted unpaid is chargeable on delivery with double postage; and a letter posted insufficiently prepaid is chargeable with double the deficiency.

No letter may be above 18 inches in length, 9 inches in width, or 6 inches in depth, unless it be sent to or from one of the Government Offices.

COLONIAL AND FOREIGN LETTERS.

The rates of postage on letters to the colonies and foreign countries will be found in the Table of Colonial and Foreign Postage.

INLAND NEWSPAPERS.

Under the “Post Office Act, 1870,” any publication fulfilling the conditions hereafter named can, upon payment of an annual fee of 5s., be registered at the General Post Office to pass within the United Kingdom as a newspaper for a postage of one half-penny: Without such registration no newspaper is entitled to be sent through the post at less than the book rate of postage.

For each inland newspaper, whether posted singly or in a

packet, the postage, when prepaid, is one halfpenny; but a packet containing two or more registered newspapers is not chargeable with a higher rate of postage than would be chargeable on a book packet of the same weight, viz., one halfpenny for every 2 oz. or part of that weight.

A newspaper posted unpaid, or a packet of newspapers posted either unpaid or insufficiently paid, is treated as an unpaid or insufficiently paid book packet of the same weight.

The postage must be prepaid either by an adhesive stamp, or by the use of a stamped wrapper.

No newspaper can now be sent through the post a second time for the original postage. For each transmission a fresh postage is required.

Every newspaper must be posted either without a cover (in which case it must not be fastened, whether by means of gum, wafer, sealing-wax, postage-stamp, or otherwise), or in a cover entirely open at both ends, so as to admit of easy removal for examination. If this rule be infringed, the newspaper is treated as a letter.

Every newspaper must be so folded as to admit of the title being readily inspected.

COLONIAL AND FOREIGN NEWSPAPERS.

The rates of postage to the colonies and foreign countries on newspapers registered for transmission abroad will be found in the Table of Colonial and Foreign Postage. Each newspaper is liable to a separate rate of postage, whether sent singly or in a packet, and if above 4 oz. in weight it is liable to two rates of postage, and so on.

The conditions of registration for transmission abroad are the same as those for inland transmission.

INLAND BOOK POST.

The postage is one halfpenny for every 2 oz. or part of that weight.

COLONIAL AND FOREIGN BOOK POST.

The limit of size for a book-packet addressed to any place abroad is 24 inches in length and 12 inches in width or depth.

COLONIAL AND FOREIGN PATTERN AND SAMPLE POST.

There is a Pattern and Sample Post to the colonies and foreign countries generally; but it is restricted to *bona fide trade patterns and samples of merchandise*.

CARD POST.

Post Cards, whether official or private, having a halfpenny stamp impressed upon them (adhesive stamps not being accepted in payment of the postage), may be transmitted between places in the United Kingdom with letters written upon the back.

FOREIGN CARD POST.

Foreign Post Cards may be sent to all the countries comprised in the Postal Union, and are sold at 1d. and 1½d. each.

REGISTRATION (INLAND AND FOREIGN).

The fee for registering a letter, newspaper, book-packet, or other article passing through the post between any two places in the United Kingdom is 2d.

Every article to be registered must be given to an agent of the Post Office, and a receipt obtained for it; and it should on no account be dropped into a letter-box. If, on the contrary, any article is dropped into a letter-box, it will, if directed to any place in the United Kingdom, be liable to a registration fee of 8d. instead of the ordinary fee of 2d.

At all Post Offices the latest time for posting registered letters on the payment of the ordinary fee is entered in the notice exhibited in the Office window; but, upon payment of a late fee of fourpence, in addition to the ordinary registration fee, at all provincial Head Offices, letters may be registered after the hours specified, until the closing of the letter-box for each despatch (exclusive of the time during which late letters are received), or until the Office is closed for the night.

No Town Letter Carrier is allowed to take a letter to be registered; but for the convenience of persons living in country places, where no Post Office is near, letters will be registered by Rural Letter Carriers on their outward and inward walks.

RE-DIRECTION.

Every inland re-directed letter, post-card, or other postal packet, is liable to an additional postage (at the prepaid rate) for each re-direction, although the re-direction be made by an officer of the Post Office, and both the original and the second address be within the same free delivery.

A Postmaster is not bound to re-direct letters for a person temporarily leaving his home, and not having a private bag or box, unless the house be left uninhabited.

DELIVERY.

All Letter Carriers are prohibited from distributing any letters, newspapers, &c., except such as have passed through a Post

Office, whether before beginning their rounds, whilst on their rounds, or after they have completed them. Nor are they allowed to receive any payment beyond the postage for the delivery or collection of any letter, &c., nor to deviate from the route laid down to them. The prohibition from receiving payment in addition to the postage does not, however, extend to Christmas-boxes.

No person living within the town free delivery, or within the limits of a rural post free delivery, unless he rent a private box, can claim to have his letters delivered at the office window if a delivery by Letter Carrier or a despatch by messenger is about to take place; but letters which arrive by a mail, after which there is no immediate delivery by Letter Carrier, may be obtained by any person on application at the Office window, so long as the Office is open for delivery.

POSTAGE, TELEGRAPH, AND RECEIPT STAMPS.

At every Money Order Office the Postmaster is required to keep, for sale to the public, a sufficient stock of the different postage stamps in use, as also envelopes bearing an embossed penny stamp, registered letter envelopes, newspaper wrappers bearing an impressed halfpenny and penny postage stamps, and inland and foreign post cards. The stamps are of the respective values of $\frac{1}{2}$ d., 1d., $1\frac{1}{2}$ d., 2d., $2\frac{1}{2}$ d., 3d., 4d., 6d., 8d., 1s., 2s., and 5s. The embossed envelopes are made of four sizes. Telegraph stamps at the value of 1d., 3d., 4d., 6d., 1s., 3s., 5s., 10s., and £1. At all Post Offices penny adhesive receipt stamps are kept in stock.

POST OFFICE TELEGRAPHS.

The charge for telegrams throughout the United Kingdom is 1s. for the first twenty words, and 3d. for every additional five words—*i.e.*, for every additional group of not more than five words,—the names and addresses of the sender and receiver not being counted.

Telegrams may be re-directed from town to town at an extra charge of one-half the ordinary tariff (fractions of threepence being reckoned as twopence); but in such cases they must not have been opened.

GOVERNMENT INSURANCES AND ANNUITIES.

The Postmaster-General is empowered, under the Act 27 and 28 Victoria, cap. 43, to insure the lives of persons of either sex, between the ages of 16 and 60, for not less than £20 or more than £100. He is also empowered under the same Act to grant Immediate or Deferred Annuities of not more than £50 on the lives of persons of either sex, and of the age of 10 years and upwards.

MONEY ORDERS.

The public are recommended, when applying for Money Orders, whether inland, colonial, or foreign, to use the printed "Application Forms," prepared expressly for the purpose, which are supplied gratuitously at all Money Order Offices. These forms save time, and afford greater security than verbal messages against mistakes.

The commission on inland Money Orders is—

For sums under 10s.,	2d.
„ of 10s. and under	£2,	3d.
„ „ £2	„ £3,	4d.
„ „ £3	„ £4,	5d.
„ „ £4	„ £5,	6d.
„ „ £5	„ £6,	7d.
„ „ £6	„ £7,	8d.
„ „ £7	„ £8,	9d.
„ „ £8	„ £9,	10d.
„ „ £9	„ £10,	11d.
„ „ £10	„	1s.

No order is allowed to contain a fractional part of a penny.

No Money Order can be issued unless the applicant furnish, in full, the surname and at least the initial of one Christian name, both of the remitter and the payee, together with the remitter's address. In the case of Colonial and Foreign Orders, the full address of the payee must be given; and if the order be payable to a native in British India, the tribe or caste, and the father's name, must also be furnished.

POST OFFICE SAVINGS BANK.

Every Post Office Savings Bank is also a Money Order Office, and is open for bank business during the same hours as for Money Orders.

Deposits of one shilling, or of any number of shillings, or of pounds and shillings, may be made by any person at the Post Office Savings Banks, provided that such depositor shall not make deposits amounting to more than £30 in any year ending the 31st December, or make any further deposit when the amount standing to his credit has reached £150, exclusive of interest.

The total expenses in the year 1878 were barely $7\frac{1}{2}$ per cent. of the Income from Premiums and Interest, or (excluding Commission paid to Agents) less than 4 per cent.

The **whole** of the **Profit**, or surplus ascertained at each valuation, **belongs to the Assured**. The amount for the five years ending 31st December, 1875, was the largest ever earned in any five years since the formation of the Company, and was sufficient to provide a Bonus of £1 10s. per cent. per annum upon the sum assured—or £7 10s. per cent. for the whole period—besides leaving £33,420 to be carried forward.

SAVINGS BANK

AND

Government Annuity Office

OF THE

COUNTY AND CITY OF PERTH.

ESTABLISHED 1838, AND CERTIFIED UNDER THE ACT OF 1863.

THE OFFICE, TAY STREET, PERTH,

IS OPEN EVERY DAY, EXCEPT SATURDAY, FROM TEN TILL
THREE.

ON SATURDAY FROM TEN TILL TWELVE NOON, AND FROM
SIX TILL EIGHT EVENING.

N.B.—No Money paid out on Saturday after Twelve Noon.

THIS BANK receives Deposits of One Shilling and upwards, but not more than £30 in one year, ending 20th November, or £150 in all, which may accumulate, at Compound Interest, till it reaches £200.

Certified Friendly Societies may lodge their whole Funds. The Deposits of other Societies and Charitable Institutions are limited to £100 in one year, and £300 in all.

INTEREST, at a comparatively high rate, is added to the Principal once a year, at 20th November, irrespective of the Depositors' personal attendance at the Bank for that purpose, by which they derive the benefit of *Compound* Interest.

GOVERNMENT ANNUITIES, from £4 to £50 a-year, may be contracted for through this Bank. Particulars may be had on application at the Office of the Bank.

The numerous advantages of the Institution will be seen from the Pass-Books, which are given to Depositors free of any charge.

The Funds of the Bank are securely invested, and the whole Accounts are periodically Audited by a professional Auditor unconnected with the Bank.

The total amount of Funds invested 20th November, 1878, was £460,848 14s 6d.

The total number of individual Depositors at the same date was 18,615, embracing members of every section of the labouring and industrial classes.

The Bank opened in 1839 with 859 Accounts; now they exceed 18,000.

The Capital in 1839 was only £3,000; now it is upwards of £460,000.

The utility and success of the COUNTY AND CITY OF PERTH SAVINGS BANK are sufficiently apparent from the amount of Business which has been done since its establishment in 1838.

J. YOUNG, SONS & WATSON

PRINTING

Professional Opinion.

From the London "Paper and Printing Trades Journal."

"Messrs. J. Young, Sons & Watson, Perth, send copies of the 'Agricultural Show Advertiser.' Two pages are occupied with an original diagram, capitably executed in brass rule, showing the relative length of day and night throughout the year, &c. A still better piece of ingenious composition is the plan of the show-yard, made up in brass rule and ornaments, which was so much appreciated that it was adopted by several newspapers for insertion in their descriptions of the show. The cover is also well displayed. The advertisement pages, closely filled with announcements of local tradesmen and exhibitors, are tastefully arranged, and argue the possession by the printers of an extensive and varied plant of the most modern kind. The 'Advertiser' is produced throughout in a complete and workmanlike manner, highly creditable to this young but enterprising firm, who, we are glad to learn, have received a fair return for their spirited venture."—*Sept. 1879.*

From the New York "Printers' and Lithographers' Weekly Gazette."

"J. Young, Sons & Watson, Perth, Scotland—'Agricultural Show Advertiser.'—This is a publication of 32 pages, devoted to advertisements, &c., all of which are very neatly displayed. Pages 11 to 14 are worked in red and black, two of which are devoted to an original diagram, showing the relative length of day and night throughout the year—very useful and well printed. There is also a neatly executed plan of the show-yard, &c. Favour us again, gentlemen."—*Aug. 22, 1879.*

The same authority, in a previous issue, says—"A friend in England sends us an assortment of some dozen specimens of Printing by J. Young, Sons & Watson, Perth, Scotland. All are first-class, and worthy to rank with the best."
