THE CORPORATION OF THE Scottish Provident Institution.

HEAD OFFICE—No. 6 St Andrew Square, Edinburgh.

The **Scottish Provident Institution** was established in 1837, with the object of giving to the **ASSURED** the full benefit of the **LOW PREMIUMS** hitherto confined to a few of the Proprietary Offices, while at the same time retaining the **WHOLE SURPLUS** for the Policyholders.

The **Premiums** are so moderate that at usual ages for assurance £1200 or thereby may be secured from the first for the yearly payment which would generally elsewhere assure (with profits) £1000 only—the difference of £200 being equivalent to

An Immediate and Certain Bonus of 20 per cent.

The **Whole Surplus** goes to the Policyholders, and is reserved exclusively for those Members (more than half of those who enter) who survive the period at which their premiums, with compound interest at 4 per cent., amount to the original assurances, no share being given to those whose early deaths cause *loss* to the Common Fund.

The **Surplus** at the latest Investigation was **£1,581,000.**

Over 60 per cent. of the Members who died during the Septennium were entitled to **Bonuses** which, notwithstanding that the **Premiums** do not as a rule exceed the non-profit rates of other Offices, were, on the average, equal to an addition of **over 50 per cent.** to the Original Assurances.

ENDOWMENT ASSURANCE—WITH PROFITS—SPECIAL CLASS.

See new Prospectus, containing full information

Accumulated Funds exceed £13,000,000.

And for Scouring in Calves and Lambs they are almost infallible.

TESTIMONIALS.

Winston Hall, Stonham.—Enclose P.O. for the Constitution Balls you sent me. They are the best remedy for Grease and Swelled Legs in Horses.—WILLIAM LONG.

Kerse, Johnstone, Lockerbie.—I have used your Constitution Balls for both Horses, Cattle and Sheep, for upwards of 30 years, and was always highly pleased with results.—R. MACGREGOR.

Sutton Farm, Boyton.—I had a weakly Yearly troubled with Scouring. I gave one ball at two different times, and the result was a perfect cure.—S. CORY.

They restore the healthy functions of the Digestive Organs, fortify and strengthen the constitution, give tone and vigour to the whole system, and prevent the injurious results of over exertion or improper feeding. Bullocks fatten much faster by occasionally having a Ball, and by their frequent use young animals grow to a larger size and come to earlier perfection with the same quantity of food.

MITCHELL & CRAIG

Railway Buildings, INVERNESS.

Established 1859.

Teas, Groceries, and Household Requisites.

THE Proprietors have pleasure in intimating that they have now made considerable additions to their premises, which will enable them to deal in the most satisfactory manner with the increasing dimensions of their Business. The distinct aim of their Business is to supply Families with GROCERIES, WINES, and SPIRITS at the lowest possible prices consistent with a high standard of quality. Knowing that a *cheap* article is not necessarily *good* value, but that, on the contrary, it may be very *poor* value at any price, they have to ask you not only to compare their prices with what is offered elsewhere, but, at the same time, to compare the quality of the Goods offered, feeling assured that the results will tell very much in their favour.

TEAS—A Speciality.

Particular attention is devoted to this Department. The TEAS are the finest imported, and blended under the personal supervision of an expert.

Prices: 1/6, 1/8, 1/10, 2/-, and 2/2 per lb.
A Trial Order solicited.

GENERAL GROCERY GOODS, also PROVISIONS of the First Quality, at Lowest possible Cash Prices.

Shooting Lodges supplied with every requisite at
Lowest London Prices.

TEA.

QUEEN'S GATE, INVERNESS.

GILLANDERS' TEAS have already made a name for themselves over the North of Scotland, *not by extravagant and untrue statements*, but by being what they are represented, viz., **Honest Value**, and Value which he challenges any firm to beat.

And following up the motto—" **The Highlands for the Highlanders,**" **K. A. GILLANDERS** hopes soon to see the day when there will not be a family in the North of Scotland who will think of sending their orders for the refreshing beverage further south than the **Capital of the Highlands**, and towards accomplishing this object he invites you to send or call for samples of his

1/6, 1/8, 1/10 and 2/2 TEAS,

and is confident that all giving them a fair trial will be convinced of their merits.

Orders from 5 lbs. up to 10 lbs. will be delivered post free. Larger parcels will be sent, carriage paid, to nearest Station or Pier.
