5. No compensation will be given in respect of damage to—

- (1.) A parcel containing eggs, soft fruit, or any liquid or semi-liquid.
- (2.) A parcel containing any article of exceptionally fragile character, or any other article which, from its nature, cannot with reasonable safety be sent by post.
- (3.) A parcel containing any perishable article, where the damage arises from natural decay, and the parcel is delivered without undue delay.

But in all such cases compensation will be given in respect of the loss of the parcel, or of any article contained therein.

6. In other respects the general conditions and regulations contained in paragraphs 10 to 23 under the heading of "Registration and Compensation" apply also to compensation in the case of ordinary inland parcels.

7. The new system of compensation up to £2 for ordinary inland parcels does not apply to foreign and colonial parcels. The rules as regards compensation for loss or damage of these parcels, which are set forth on pages 376-77 of the Post Office Guide, remain unaltered.

INLAND REGISTRATION.

1. The fee for registering any Postal Packet (parcels included) passing by post between any two places in the United Kingdom is twopence, and this registration fee and the postage must be prepaid, by means of postage stamps upon the cover, except on official letters for Government Offices in London, Dublin, or Edinburgh, which may be registered on prepayment, in stamps, of the registration fee only.

2. No article addressed to initials or to a fictitious name can be registered, unless it be addressed to the care of a person or firm.

3. Every article presented for registration must be enclosed in a strong cover, securely fastened.

4. Every article to be registered must be given to an agent of the Post Office, and a receipt obtained for it; and it must on no account be dropped into a letter-box. If, contrary to this rule, an article marked "Registered" be dropped into a letter-box it will, *if directed to any place in the United Kingdom*, be liable to a registration fee of 8d. (less any amount prepaid for registration), instead of the ordinary fee of 2d.

5. Every article presented for registration should be marked "Registered," and with the amount of the fee proper to the value up to which the sender desires to secure compensation, thus: "Registered, 2d.; Registered, 3d." (see regulations as to Registration and Compensation).

6. The latest time for posting registered articles on payment of the ordinary fee is usually half-an-hour before the closing of the letter-box, or, in the case of parcels, half-an-hour before the latest time for posting ordinary parcels; but at all Provincial Head Offices and at the Chief Offices in Edinburgh and Dublin, articles bearing a late fee of 4d., in addition to the ordinary registration fee, may be registered at any time within the half-hour referred to, if the office is open to the public.

7. When several postal packets are sent by the same person for registration, they should be accompanied with a list (in duplicate) of the addresses; one list to be retained at the Post Office, and the other, when signed, to be returned to the bearer.

8. The loss of a registered article (as it can be traced through its whole course) is a rare occurrence. Nevertheless, large sums of money or other articles of great value should not be sent through the post, even if registered; as the machinery of the Department is not arranged with a view to such transmission. If sent *unregistered*, valuable articles are exposed to risk; consequently, inland postal packets which contain coin, watches, or jewellery, and also all inland postal packets on the cover of which the word "Registered," or any word or phrase to that effect, is written or impressed, if posted without registration, are subjected to compulsory registration, and are charged on delivery with a fee of eightpence in addition to the ordinary postage. If they cannot be registered in time to be forwarded by the mail for which they are posted, they are detained for the next despatch.

9. The compulsory registration referred to in paragraphs 4 and 8 gives no title to compensation (see regulations as to Registration and Compensation).

10. No Town Postman is allowed to take a postal packet to be registered; but Rural Postmen will take postal packets for registration on their outward and inward walks, whenever it is practicable for them to do so.

ACKNOWLEDGMENT OF DELIVERY OF REGISTERED POSTAL PACKETS.

11. The sender of an inland registered letter, parcel, or other registered postal packet, may obtain an acknowledgment of its due delivery to the addressee by paying in advance, at the time of posting, a fee of 2d in addition to the postage and registration fee. The sender must enter in the form provided for the purpose both his own name and address and the name and address of the person to whom the packet is sent, and he must also affix a stamp of the value of 2d, in payment of the fee.

12. If an application for this form is made at a small office at which the forms are not kept in stock, or to a Rural Postman, the fee of 2d. should be paid in money or stamps, and a memorandum furnished giving the name and address of the sender of the packet. The proper form will then be subsequently made out by an officer of the Department, and forwarded with the packet to its destination.

Registration and Compensation.

1. The Postmaster General will (not in consequence of any legal liability, but voluntarily, and as an act of grace), subject to the rules hereinafter mentioned, give compensation up to a maximum limit of £25 for the loss and damage of Inland Registered Postal Packets of all kinds upon prepayment of a fee in addition to the postage. This fee either consists of or includes in each case the ordinary registration fee of 2d.; and the scale of fees and the respective limits of compensation are as follow :—

Fee.	Limit of Compensation.	Fee.	Limit of Compensation.
2d. £5	7d. £30
3d. £10	8d. £35
4d. £15	9d. £40
5d. £20	10d. £45
6d. £25	11d. £50

RULES.

Posting and Packing.

2. The postal packet must be posted in accordance with the rules for the time being in force with respect to the posting of inland registered postal packets, and a certificate of posting, bearing thereon an acknowledgment that the fee for registration and compensation has been paid, must be obtained. This certificate will be filled up and signed by the officer of the post office receiving the postal packet.

3. The contents of the postal packet must be securely packed and enclosed in a reasonably strong case, wrapper, or cover, securely fastened, and of a nature calculated to preserve the contents from loss or damage in the post, and if it be desired to secure compensation for damage to a postal packet (other than a parcel), such postal packet must bear the words, "Fragile, with Care." These words should appear on the face of the cover above the address.

4. The packet must be marked "Registered," and with the amount of the fee proper to the value up to which the sender desires to secure compensation, thus :—

Registered, 2d.; Registered, 3d.; and so on.

5. The registered Parcel Post will be available for watches and jewellery, which it has hitherto been necessary to exclude from compensation if sent by the Parcel Post. Money may also be sent in a registered parcel, but no compensation will be given in respect of the loss or damage of such parcel or of any of its contents.

Book Postage.

Printed Books, Pamphlets, Magazines, Reviews, &c., whether British, Foreign, or Colonial, may be forwarded by post between places in the United Kingdom (made up in the same manner as newspapers), if prepaid in stamps, at the following rates :—

Under 2 oz, ½d.; under 4 oz, 1d.; under 8 oz., 2d.; and ¾d. for every additional 2 oz. No parcel to exceed 18 inches any way, but may contain any number of separate Books, Maps, or Prints, and any quantity of Paper, Vellum, or Parchment, and may be either printed, written, or plain.

Books, if prepaid in stamps, are also forwarded by packet, if unwritten on inside or in the cover, at the rate of ½d. for every 2 oz., to Canada, United States of America, and the Continent.

Scottish Provident Institution.

INSTITUTED
1837.

INCORPORATED
1848.

HEAD OFFICE: No. 6 ST. ANDREW SQUARE, EDINBURGH.

In this SOCIETY are combined the advantages of
Mutual Assurance with Moderate Premiums.

The PREMIUMS are so moderate that an Assurance of £1200 or £1250 may generally be secured from the first for the yearly payment which usually would be charged (with profits) for £1000 only—equivalent to an immediate and certain Bonus of 20 to 25 per cent.

The WHOLE SURPLUS goes to the Policyholders, on a system at once safe and equitable—no share being given to those by whose early death there is a loss. Large Additions have thus been made to the policies of those who participate, notwithstanding the lowness of the Premiums.

Examples of Premiums for £100 at Death (with Profits).

Age	25	*30	35†	40	45	50	55
During life	£1 13 0	£2 1 6	£2 6 10	£2 14 9	£3 5 9	£4 1 7	£5 1 11
25 payments	£2 10 2	£2 13 0	£2 17 9	£3 4 6	£3 14 0	£4 8 7	£5 6 11
15 Payments	£3 8 5	£3 12 1	£3 18 0	£4 5 8	£4 16 2	£5 11 8	£6 .9 11

The usual *non-participating* Rates of other Offices differ little from these Premiums.

* A person of 30 may secure £1000 at death by a yearly payment, *during life*, of £20 15s., which would in most Offices secure (with profits) £800 only. Or he may secure £1000 by 25 payments of £26 10s. 0d.

† At age 35 the premium ceasing before age 60 is, for £1000, £28 17s. 6d., being about the same as many Offices require during life. Before the Premiums have ceased the Policy will have shared in at least one Division of Surplus, and, while in force, will continue to participate. To PROFESSIONAL MEN and others whose income is dependent on health, the limited payment system is specially recommended.

The SURPLUS at last Investigation (1894) amounted to £1,423,018. More than one half of the Members who died during the last Septennial period were entitled to Bonuses which, notwithstanding that the premiums do not as a rule exceed the non-profit rates of other Offices, were on the average equal to an Addition of about 50 per cent. to the Policies which participated. It will thus be seen that persons who effect assurances on the usual non-participating scales throw away the prospect of very considerable additions to their Policies without any compensating advantage.

ACCUMULATED FUNDS £10,000,000.

Arrangements as to Surrenders, Non-Forfeiture, Loans on Policies, Free Residence, Immediate Payment of Claims, &c., are specially liberal.
