Bye-Laws and Regulations for Hackney Carriages.

No licence shall be granted, or afterwards renewed, unless the carriage, horse, and harness, shall have been examined by the superintendent of police, inspector of hackney carriages, or other person appointed by the magistrates, and reported in writing to the magistrates, to have all the requisites, and to be in a fit state to be licensed. No carriage will be licensed unless it be provided with lamps, and have roof, springs, wheels, cushions, lining, pannels, doors, and windows, clean, and in good repair, and the steps of entry safe and convenient, and that skin, rope, or coir mats, or other matting equally comfortable, are provided for passengers' feet.

The owner of each licensed carriage shall have the same ready to take a fare at the stands appropriated as public stands, from nine o'clock in the morning until ten o'clock at night, and, within their respective yards, coach-houses, or stables, after being called upon, between ten o'clock at night and nine o'clock in the morning of every lawful day.

Every driver shall deliver to the person hiring his carriage—if demanded—a ticket, having printed thereon the number of the carriage, the name of the proprietor, and the following words:—"Reference in case of incivility, loss, or overcharge."

If any owner or driver shall refuse or delay to take a fare if not before engaged; or if any owner or driver, having agreed to take any fare, at any time, or from any place, shall delay, neglect, or refuse so to do, every person so offending, shall forfeit and pay for each such offence a sum not exceeding twenty shillings; and for every offence subsequent to a first offence, a sum not exceeding forty shillings.

No person shall be permitted to act as driver of any such carriage who is under seventeen years of age, or who is not known to the owner to be of good behaviour, and to have had experience in driving, and to be capable of such employment; and no person shall act as driver without the consent of the owner.

In every case of any property being inadvertently left in any carriage, by any person or persons who may have hired or used the same, such property shall be taken and delivered up to the person or persons who have left the same, or shall, within twelve hours, be taken in the state in which it was found to the police office, and there delivered to the chief officer on duty, with the name of the owner and driver, and number of the carriage.

No owner or driver shall canvass or importune for employment—nor shall carriages be taken from their station in search of employment, but shall wait their chance in proper order.

No driver of any such carriage shall take any person to ride upon the box, or in or upon any part of such carriage, without the permission of the person or persons hiring the same, first obtained, under a penalty not exceeding twenty shillings.

Every driver shall keep his carriage lamps lighted while driving, after sunset and before sunrise, during the months of October, November, December, January, and February, and ready to be lighted when on the stand during these months.

No owner or driver of a hackney carriage, used for conveying passengers, shall knowingly carry or convey therein any person affected with any infection or contagious disease, or any dead body.

The following places are hereby appointed public stands, viz. :—

III. Smithhills opposite Abbey gate.

IV. East end of Gauze street.

V. West end of Wellmeadow.

The number of carriages at each of the stands, or division of stands, and the space to be occupied, shall be fixed from time to time, as may be found necessary. There shall always be a clear space, equal to the length of two carriages, left in front of the railway stations to take up and set down passengers.

All carriages shall take their stations on the stands in the order of their arrival, and at such distance from each other as that persons walking may conveniently pass between them. And when any carriage shall be called or driven off any stand, the carriage immediately behind shall draw up to the place vacated, and any other carriage behind in the like order.

All carriages ordered back for a party at any place, shall have the preference of drawing up near to the door or entrance of any such place in the order of arrival, but there shall be left opposite to the door or entrance a space sufficient to allow a carriage to drive up to take its fare.

All carriages let out on any station or place for hire shall be subject to the stand rules; as also carriages when met with, if not at the time actually engaged.

It shall be in the option of the hirer to engage any hackney carriage, either by time or distance, providing this be done at the time of hiring.

Whether the fares are by distance or by time, the hirer pays tolls.

For shopping, making calls and the like, when the driving is not continuous, the charge shall be one shilling for the first half hour, and sixpence for every additional quarter of an hour or part thereof.

The distance to which any hackney carriage may be driven, under these bye-laws, shall be five miles from the post office in Gilmour street.

If the carriage be detained longer, a charge shall be allowed for waiting at the rate of sixpence for every twenty minutes, or part thereof, commencing at the period when the free waiting expires.

When a carriage is called, but not used, a charge of sixpence shall be allowed, if the place to which it is called be under half a mile from the stance, and one shilling if beyond that. Waiting as in section twenty-nine.

From eleven at night till two in the morning, fare-and-half shall be exigible; from two till five morning, double fare; and after five o'clock the ordinary fare.

When a difference occurs between the driver and hirer, and the driver found correct, the hirer shall be bound to pay all expenses incurred in such disputes.

ADVERTISING LIST.

60 BACK SNEDDON STREET, PAISLEY,**

Begs to thank the Public of Paisley and Vicinity for the liberal patronage bestowed on him for the sale of the above Articles, and assures them that nothing will be wanting on his part to merit that confidence hitherto bestowed on him for producing an Article of first-class standing.

Orders from the Country punctually attended to.

JAMES WILKIE,

JOINER & GLAZIER,

PAINTER AND PAPER HANGER,

**1 AND 2 HUNTER STREET,
PAISLEY.**

THOMAS MILLER,

CRYSTAL, CHINA, & STONEWARE MERCHANT,

AND GENERAL WASTE DEALER,

117 GEORGE STREET, PAISLEY.

BONUS YEAR, 1866.

IN THE SCOTTISH WIDOWS' FUND,

THE LARGEST MUTUAL LIFE OFFICE IN THE WORLD.
THE WHOLE PROFITS ARE DIVIDED AMONG THE MEMBERS.

The extent and profitable result of the Society's business, and the prospects of its Policy Holders, are sufficiently indicated by the following facts:—

Magnitude, Wealth, and Public Usefulness.

Existing Assurances, including Bonus additions,	£13,700,000
Invested Funds,	4,270,000
Annual Revenue,	545,000
Claims paid since 1815,	5,020,000
Claims paid in 1865 alone,	331,563

Profit Realised.

Profit from 1815 to 1845, 31 years,	708,968
Profit from 1846 to 1852, 7 years,	*591,158
Profit from 1853 to 1859, 7 years,	*724,117

Total Profit to 1859, ... £2,024,243

* These enormous surplus sums of £591,158 and £724,117 yielded on the original sums assured an average Bonus of £2 5s per cent. per annum, believed to be the LARGEST BONUS declared by any Life Assurance Institution since the Society was founded in 1815.

Progress since last Bonus.

	New Assurances.	New Premiums.
New Business, 1860,	£380,305	£12,530
New Business, 1865,	†1,045,000	35,000

† This immense New Business does not include any "Re-assurances with other Offices" (as is usual in Life Assurance accounts), not a single Policy having been issued above the Society's limit of risk.

The current Bonus-accumulating Period has been remarkable for the improved return yielded by the investments, as well as for the unprecedented increase which has taken place in the New Business. It is therefore anticipated that the surplus for Division at 31st December next will be an unusually large one. In that Division every Policy issued in 1866 will participate.

MESSRS PRESCOTT, GROTE, CAVE, AND CAVE.

This Company having been established more than fifty-six years, ample time has elapsed to prove the soundness of the principles on which it has been conducted. During that period its operations have attained great magnitude, and it has enjoyed much prosperity.

Atlas Assurance—Continued.

LIFE DEPARTMENT.

The Accumulated Premiums amount to more than £1,650,000. The Annual Income exceeds £170,000,

Bonuses have been declared on some Policies to an amount greater than the sum originally assured.

Premiums have been extinguished where the parties assured have applied the Bonus in reduction of the Annual Premium.

The total Surplus divided amongst the Assured up to the present time, amounts to the sum of £1,253,106 in actual money, and is represented by a still larger reversionary sum payable at death.

The sum of £4,301,661 has been paid during the existence of the Office for claims under Life Policies, of which amount a very considerable part was for Bonuses.

Persons assuring in Great Britain have the option of Participating Rates of Premium or of Non-Participating Rates.

The Rates of Premium have been adjusted equitably for all ages, in accordance with long experience.

The Non-Participating Scale is particularly adapted to parties wishing to assure a fixed sum only, at a fixed rate of Premium, and on low terms.

Combined provision may be made for Old Age and early Death, so that a person may secure a sum of money for himself, to be paid at a stipulated Age, if he should live so long, or to be paid to his Executors if he should die before that age. This feature in the ATLAS OFFICE arrangements deserves particular attention, as likely to meet the requirements of a large number of persons.

The Directors are ready to receive Proposals for Assurances on any contingency involving payment of a sum at death.

FIRE DEPARTMENT.

This Company undertakes the Assurance of almost every species of Property in the United Kingdom, at Rates of Premium and upon principles which will be found quite as advantageous to the interests of the Assured as those offered by any other.

The great advantage of an Assurance against Fire to individuals of every class can be confirmed by the fact that this Company, while it is annually assuring Property amounting in value to more than £30,963,325, has paid for Losses to the Assured within the United Kingdom, since its institution in 1808, upwards of £1,564,000 sterling.

FIRE DUTY now reduced to 1s. 6d. per cent. per annum on every description of Property, and no charge for Policies or Stamps.

Tables of Rates, Forms of Proposal, and any information needful to effect Life or Fire Assurances, may be obtained on application to the Office, No. 92 Cheapside, London, or to any of the Company's Agents.

LIFE DEPARTMENT.

The next Investigation into the Life Department and Declaration of Bonus falls to be made as at first August, and parties effecting Insurances on the Participation Scheme before that date will participate in the Division when ascertained.

The Number of Life Policies issued during the four years of the current quinquennial period, viz, from 1st August 1861, has been 4057, insuring sums to the amount of £1,841,199.

The attention of Parties desirous to effect Life Assurances should be more especially directed to the three following points:—

The Security offered by the Company.

The Rates of Premium demanded.

The Bonus or return of Profits declared upon the Policies.

On all these points the SCOTTISH UNION INSURANCE COMPANY occupies a very favourable position, and the business is conducted on principles which are brought to bear, in the most advantageous manner, on the interest of the Assured.

UNQUESTIONABLE SECURITY

is guaranteed by this Incorporation, which is composed of a numerous and influential body of Proprietors, having a large Subscribed Capital to meet all contingencies, and thus the absolute security so essential to a Life Assurance Establishment is afforded in its most substantial form.

Every five years each Policyholder entitled to participate receives a share of the Surplus in exact proportion to the Premiums paid during the five years, with accumulated interest thereon. The share of Profits so allocated is then converted into a Reversionary Bonus, according to the age of the party.

The Books Close for the Year on 31st July, 1866.

Scottish Union Insurance—Continued.

FIRE DEPARTMENT.

PROPERTY of almost every description may be assured against accidents arising from FIRE, by the Payment of a small Annual Premium; and Risks involving more than ordinary hazard are moderately rated.

All LOSSES, when satisfactorily ascertained, are IMMEDIATELY PAID; and the Directors of this Incorporation confidently refer to the liberality and promptitude which have hitherto marked their settlement of claims.

In 1857 the Revenue amounted to	£35,479
In 1860 " " 	45,699
In 1865 " " 	56,000

Being an increase of upwards of fifty per cent. during the last seven years.

INSURANCES OF FARMING STOCK.

FARMING STOCK, which includes Hay and all sorts of Corn and other Grain, and Implements of Husbandry, may be insured with this Company, against Loss by FIRE or LIGHTNING, in one Sum on a Farm, and in the Offices, WITHOUT ANY AVERAGE CLAUSE, for a year or for any shorter period. The Live-Stock and Thrashing-Mill Machinery require to have separate values stated thereon.

LOSSES caused by Lightning to Farming Stock are paid; and no Government Duty is chargeable on the Insurance of Farming Stock.

Prospectuses and all other information may be had on application at the Offices of the Company in Edinburgh (Head Office), London, or Dublin, or any of the Company's Agents.

Manager—William Spens, Esq.

This Office being purely Mutual, the whole Profits belong to the Assured. The Society has endeavoured to place its rates and rules on the most equitable and liberal footing; and its affairs are administered by directors whose interests are identical with those of the assured.

Important resolutions have been adopted, relieving the Policies of many usual restrictions; and the assured are now entitled, after five years' continuous residence in this country, to travel and reside in any part of the world, without payment of extra Premium.

The additional rates charged by the Society for terminating Premiums are very moderate, and those of some other Offices are from fifty to upwards of one hundred per cent. more.

Particular attention is invited to the Special Pamphlet, explaining the system of Minimum Premiums introduced by the Society, under which it is believed that assurances can be effected more economically than in other Offices; and the combination of this system with the moderate additional rates charged for terminating Premiums affords peculiar facilities for those desirous of being relieved of payment of Premiums as they advance in life.

The following is an extract from the Table of Annual Rates:—

JENNINGS' PATENT SEWER PIPES.

ROBERT BROWN & SON,

FERGUSLIE FIRE CLAY WORKS, PAISLEY,

Now hold the exclusive right from the Patentee to Manufacture and Sell these Pipes in all Scotland, with the liberty to Sell in Ireland and in Foreign Countries.

"Mr. George Jennings' Patent Drain Pipes, as we have before taken occasion to say, are certainly the best arrangement that can be used."—*Builder*.

The Pipes are the most perfect yet introduced, and are universally acknowledged as the only improvement yet effected on the ordinary Socket or Half-Socket Pipe.

The following are some of the advantages offered by the use of these Pipes:—

1st, These Pipes, which are plain at both ends, are laid in the rebates of the chairs a sufficient distance apart to admit of the workman striking up the joint of the invert perfectly fair on the inside, thus avoiding the burr of the cement, or other stopping material being left to impede the flow of sewage, and ultimately stopping up the drain.

2nd, The Superintendent of the Works can insure this being effectually done, by personal examination, before allowing the saddle pieces to be put on.

3rd, Facilities for examination, such as no other system of drainage presents, or admits of, as in the event of stoppage, it is only necessary to remove the Upper Saddle at any point, when the cause of the stoppage is at once ascertained and removed, without in any way damaging the drain, the only expense being the labour.

4th, Should Branch Drains be required at any future time, it is only necessary to remove any one of the Plain Saddles, and to substitute for it a Junction Saddle, as at D, which, by turning round, is available for either side of the street.

These Pipes, with all the advantages they possess, are the same price per yard, including the Patent Saddle and Cradle, as charged for the ordinary Socket Pipes. Single Junctions and Bends of every kind, including the Patent Saddle and Cradle, charged as $1\frac{1}{2}$ yards; Double Junctions, as 2 yards; and Cesspools, as 3 yards.

The usual Socket Pipes also made, and sold as formerly; along with Ornamental Chimney Cans, Vent Linings, Joist Shields, Fire Bricks, &c., &c., and all articles made of fire clay.

Machine made *Building Bricks*, and also *Drain Pipes*, and *Tiles* for Field Drainage, of all sizes, and of the best quality.

THOMAS C. BARLOW,
ARTISTE IN FIREWORKS, 13 Pitt Street, Glasgow.

CAUTION.—Exhibition Fireworks being a different class of Goods to Shop work, the following Caution is requisite. There are Toy Dealers, and a Party in Glasgow and Edinburgh, who merely deal in Fancy Toy Fireworks, who have the presumption to solicit orders for displays (and even term themselves Artistes), who have really no practical knowledge of the art, or even the slightest particle of Machinery or Apparatus for the same. Therefore, T. C. BARLOW would advise those gentlemen who contemplate getting up an Exhibition to commemorate any event, to demand Designs of the set Devices, the size of each, and specification of the Aerial part of the Display, or they will merely get a quantity of small Rockets, Squibs, Jack-in-Boxes, Roman Candles, &c., and such small work, which is only fit for the amusement of juveniles.

T. C. BARLOW particularly requests it to be observed that the List of Prices quoted are for Best Ordinary Fireworks, but should the Pieces be enlarged or beautified to any considerable extent, an additional charge will be made, proportioned to the increase of labour and material.

LARGE Exhibitions of 14 Set Pieces, or Designs, with extensive finish, including Aerial Work, ... £80 0 0

EXTRAORDINARY Exhibitions, with Designs on scale of 25 ft. to 50 ft. in diameter, prepared expressly to order, and decorated in the most gorgeous manner with a profusion of superb Aerial Work, ... £200 0 0

CORONATION Displays and Gigantic Demonstrations, with Temples, Triumphal Arches, &c., To any Amount.

Showers or Flights of Rockets (variegated), From £5 to £100 and upwards.

Do.	do.	Asteroid or Parachute,	ditto.
