MESSRS. PRESCOTT, GROTE, CAVE, AND CAVE.

This Company having been established upwards of sixty years, ample time has elapsed to prove the soundness of the principles on which it has been conducted. During that period its operations have attained great magnitude, and it has enjoyed much prosperity.

LIFE DEPARTMENT.

The Accumulated Premiums amount to more than £1,650,000. The Annual Income exceeds £170,000.

Bonuses have been declared on some Policies to an amount greater than the sum originally assured.

Premiums have been extinguished where the parties assured have applied the Bonus in reduction of the Annual Premium.

The total Surplus divided amongst the assured up to the present time amounts to the sum of £1,253,106 in actual money, and is represented by a still larger reversionary sum payable at death.

The sum of over £5,119,600 has been paid during the existence of the Office for Claims under Life Policies, of which amount a very considerable part was for Bonuses.

Persons Assuring in Great Britain have the option of Participating Rates of Premium or of Non-Participating Rates.

The Rates of Premium have been adjusted in accordance with a long experience, and bear equitably on all ages.

The Non-Participating Scale is particularly adapted to parties wishing to assure a fixed sum only, at a fixed rate of Premium, and on low terms.

Combined Provision may be made for Old Age and early Death, so that a person may secure a sum of money for himself, to be paid at a stipulated Age, if he should live so long, or to be paid to his Executors if he should die before that age. This feature of the ATLAS OFFICE arrangements deserves particular attention, as likely to meet the requirements of a large number of persons.

The Directors are ready to receive Proposals for Assurances on any contingency involving payment of a sum at death.

FIRE DEPARTMENT.

This Company undertakes the Assurance of almost every species of Property in the United Kingdom, at rates of Premium, and upon principles which will be found quite as advantageous to the interests of the Assured as those offered by any other.

The great advantage of an Assurance against Fire to individuals of every class can be confirmed by the fact that this Company, while it is annually assuring Property amounting in value to more than £30,963,325, has paid for Losses to the Assured within the United Kingdom, since its institution in 1808, upwards of £1,730,000 sterling.

No charge for Policies or Stamps.

Tables of Rates, Forms of Proposals, and any information needful to effect Life or Fire Assurances, may be obtained on application to the Office, No. 92 Cheapside, or to any of the Company's Agents.

IMPROVED PATENT

RIVETTED BROOMS

For the House, the Yard, the Stable, and the Street.

~~~~~

**T**HE principle upon which these Improved **PATENT BROOMS** are made is the perfection of **STRENGTH, NEATNESS, and SECURITY.** The Stocks are solid, with stail or handle holes bored clear through, while each and every portion of the material is firmly secured by the patent mode of Rivetting, which gives to the Brooms **ELASTICITY** in use, and **FREEDOM in HANDLING,** not obtainable in any other make.

Pitch, wire, string, pegs, wedges, and veneers being entirely avoided in their manufacture, they are unaffected by heat, cold, or change of temperature of any kind, and hence are admirably adapted for the out-door and in-door work of our variable climate.

**PROTECTED BY ROYAL LETTERS PATENT.**
