LIFE INSURANCE.

THIS Company offers to the Public the security of an ample paid up Capital, and Accumulated Fund of ONE MILLION AND A HALF STERLING, with an ANNUAL REVENUE OF £200,000 from the Life Branch Alone. Four-fifths, or 80 per Cent., of the profits are appropriated to all Policies of £100 and upwards, every Fifth year, and without responsibility of Partnership.

The share of profits alloted to each policy may be added to the sum insured and payable at the death of the life—or its present value in cash may be received—or an equivalent reduction of the future Annual Premium obtained at the option of the insured.

Assurances effected at lower rates without participation. Reversions purchased, and annuities granted.

Loans are granted by the Company on Life Policies, on approved personal security, and advances are also made on the security of Policies of adequate value.

VOLUNTEER CORPS.

Persons insured with this Company are at liberty to serve in any Volunteer Corps within the United Kingdom, without prejudice to their policies.

"DAYS OF GRACE."

By the condition of the Company's Policies, invariably acted upon for upwards of Fifty Years, the period for payment of premiums is not only extended to the days of grace, without forfeiture of the policies, but the sums insured are recoverable, the same as if the claim had risen at any time previously.

No charge for Life Policy Stamps or Medical Fees.

Are effected by the Company at the usual rates on the various descriptions of Property. Manufactories and similar risks insured by special agreement, on favourable terms. Losses by gas explosion are made good.
