The Dundee Advertiser.

DAILY. 8 PAGES. ONE PENNY.

The Leading Newspaper in Scotland North of the Forth.

Is an old-established Liberal Newspaper that has been repeatedly enlarged of late years, in consequence of the favour in which its large circulation and influence have caused it to be held as an advertising medium, and the efforts made to render it complete in all its departments. By the spirit and enterprise of its Managers, the *ADVERTISER* has become a splendid Advertising Medium, and is now invariably selected for all important announcements intended to be brought under the notice of the Mercantile, Manufacturing, Shipping, Professional, and Agricultural interests. Its reports and statistics upon the Linen and Jute Trades, of which Dundee is the seat, are quoted in all important commercial centres. On public questions its tone is fearlessly independent. Its London Offices at 186 Fleet Street are connected by special telegraph wire with the Head Office in Dundee, and it has also Branch Offices, with Special Reporting and Publishing Staffs attached, in the following important centres—viz., Forfar, Arbroath, Montrose, Aberdeen, Cupar-Fife, Perth, Stirling, Edinburgh, and Glasgow.

DUNDEE DIRECTORY,

1888-89.

Copied from a painting kindly lent by a Dundee connoisseur, showing St Mary's Tower, the Town's Churches, and Nethergate, looking westward.

GENERAL NOTICE.

DURING the twelve months that have intervened since the date of our last publication much has been done in the way of local legislation. Schemes which a year ago were only in course of projection, or at most in their initiatory stage, have been floated, and now bid fair to add to the name and fame of our good town.

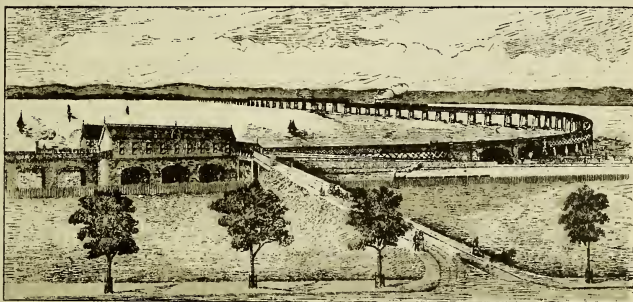

On our staple industries little comment can be made. The silver lining in the cloud that we have so often wistfully looked for has yet to show itself. It is true that in the autumn of last year we got a glint of that much to be desired event : trade became brisker, wages were increased, and the prospect seemed fair. But this transient glimpse of better times was soon overcast. In the early days of 1888 the old familiar cry of glutted markets was raised, and the demand for goods diminished. To lessen the difficulty, and allow the markets to be cleared, the Chamber of Commerce resolved to recommend the adop-

tion of short time. This recommendation was agreed to with more unanimity than generally characterizes the doings of that body, in respect to shortening the hours of labour at least, and it was resolved that the works should be run for five days a week for three months. At the expiry of that period there was no improvement in the state of trade, and to still further limit the production another three months of short time were added. In some departments several of the leading manufacturers are busy ; but, generally speaking, the bulk of those engaged in trade continue to suffer from the commercial depression to which we have so often referred.

In other respects the town is prospering. Its external aspect is improving year by year, and it will ere long deserve in reality the appellation of "Bonnie Dundee." Many of the alterations mentioned in our last notice, and which were then in progress, have either been completed, or will soon receive the final touch. Several necessary changes are taking place in the old suburbs. In these localities, as well as in the centre of the town, sodden, unsightly houses—the abodes of "distress, disease, and want, and woe"—are being pulled down to make way for such much needed improvements as those which have been made by the opening up of Dallfield Walk, Rosebank, and Hilltown. That the town is extending at a sure pace to the north and to the east, reference has only to be made to the laying out of the grounds of the Old Asylum, to the streets in the vicinity of Baxter Park, and to Butterburn. In the west end a good deal of building has been going on, but the restrictive policy of the landlords retards extension in this direction. In most of the new thoroughfares the houses erected are of a superior class, and the sanitary appointments are such as must largely conduce to health.

The centre of the town is in a state of mutation. Some of the gaps caused by the demolition of old properties in leading thoroughfares have yet to be filled in. When complete, the architectural features of these streets, with one or two exceptions, will be all that the most fastidious Dundonian might desire. Whitehall Street, with its sweeping crescent, is now flanked by fine buildings, conspicuous amongst which are the Gilfillan Memorial Church, Mathers' Hotel, and the elegant business premises of Messrs T. S. Blakeney & Sons, warehousemen. In the immediate vicinity the Caledonian Railway Company are to construct, in the course of the year, a handsome new Station. It is designed in the style known as Scotch Baronial, and will have a frontage of about a hundred yards. Further east, Seagate and Commercial Street bid fair to outvie Whitehall Street in ornate embellishment. The large block, nearly completed, adjoining the Theatre is of a fine order, and will compare favourably

with those in any part of the town. It is but justice to state that the proprietors of these fine buildings deserve high commendation for doing their utmost to adorn our old town with styles of architecture pleasing and attractive to the eye. The stance on the west side of Commercial Street—a vestige of the historic Castle Hill—has been acquired by St Paul's Episcopal Church for congregational purposes. In Greenmarket, a familiar landmark, bearing the impress of time, is about to be ranked amongst the things that were. Drummond Castle, better known as the old Custom House, long the abode of some of our best Scottish nobility, and afterwards the dwelling-place of staid respectable burghers, is to be demolished. Like other old edifices in crowded localities, it has become dilapidated, useless, and unsightly, and the order has gone forth that it must be removed.

New West-End Station and Bridge at Buckingham Point.

One of the most prominent schemes of the year, and one which stands conspicuously out from its fellows, is the resolution to extend the Esplanade westward beyond Buckingham Point towards Wills Braes. Many difficulties were placed in the way of carrying out this scheme. These, however, have been successfully overcome. Operations have already commenced, and ere long this important undertaking will be added to the amenities of the town. There cannot be a doubt that this is but the initiatory step towards the accomplishment of a more ambitious undertaking, and we anticipate that as the years roll on there will be a similar embankment as far as the Bay of Invergowrie. This is a question of the future, but the

time will arrive when this scheme will be completed *in extenso*, and the inhabitants of Dundee will thus possess one of the finest marine promenades in Britain.

At Buckingham Point foot traffic is to be diverted from the old crossing by the throwing of a Bridge over the lines, and connecting it with the Esplanade. And at this point, too, the North British Railway Company is to provide a new Station for the accommodation of people at the west end of the town and those residing in the locality. Our diagram gives a good illustration of the approach to the Bridge, which is by a raised embankment running in a direct line from Thomson Street, thence across Magdalen Green in an easy gradient till it joins the Esplanade at Buckingham Point. The position, style, and elevation of the proposed Station are also shown.

Several schemes of minor importance have been entered upon during the year. The proposal to connect Dundee with Stanley has been abandoned for the time being ; but the Suburban Railway, which is to link the lower part of the town with the upper, is already begun. The jubilee year of Her Majesty's reign was celebrated amidst loyal demonstrations. To mark the event in an appropriate manner, several propositions were made, but the one that met with favour was the formation of a Gallery of Fine Arts—to bear the distinctive title of Victoria Art Gallery. This scheme is now on foot, and the buildings of the Albert Institute are being extended to provide the necessary accommodation. An Industrial Exhibition, inaugurated and carried out under the auspices of the Dundee Trades Council, proved one of the successes of the year ; and, as has been remarked, “nowhere in Britain has such an Exhibition been equipped so exclusively by men in the lower ranks of life.” A much needed institution is going on at Fairmuir, where a Fever or Epidemic Hospital is being built ; and the Girls' branch of Dundee High School in Euclid Crescent will be finished ere long.

The places in the immediate vicinity have shown an equal degree of advancement. Broughty Ferry has been erected into a distinct burgh, and Newport and Tayport have been raised to independent positions.

Altogether the year in many respects has been most satisfactory, and we express the hope that the ensuing twelve months will be marked by the same substantial progress as has characterized the year that has passed away.

INLAND RATES OF POSTAGE—LETTERS.*

The rates of postage, when prepaid, are as follows, viz.—

For a letter not above 1 oz.	-	1d.
„ above 1 oz. but not above 2 oz.	-	1½d.
„ „ 2 oz.	„ 4 oz.	- 2d.
„ „ 4 oz.	„ 6 oz.	- 2½d.
„ „ 6 oz.	„ 8 oz.	- 3d.
„ „ 8 oz.	„ 10 oz.	- 3½d.
„ „ 10 oz.	„ 12 oz.	- 4d.
„ „ 12 oz.	„ 14 oz.	- 4½d.

and so on at the rate of ½d for every additional 2 oz.

A letter posted unpaid is chargeable on delivery with double postage; a letter posted insufficiently prepaid is chargeable with double the deficiency.

No letter may be above 18 inches in length, 9 inches in width, or 6 inches in thickness, unless it be sent to or from one of the Government Offices.

NEWSPAPERS.

The prepaid postage on every registered inland newspaper is one halfpenny but a packet, containing two or more registered newspapers, is not liable to higher rate than the book-postage upon it would be. For each transmission a fresh postage must be paid.

A newspaper posted unpaid, or a packet of newspapers posted unpaid, insufficiently paid, is treated as an unpaid or insufficiently paid book packet the same weight (see Book Post).

Any publication fulfilling the subjoined conditions can, upon payment of annual fee of 5s, be registered at the General Post Office for circulation within the United Kingdom as a newspaper, as also for transmission places abroad. Unregistered, a newspaper is liable to the book rate postage.

- a. The publication must consist wholly or in great part of political other news, or of articles relating thereto, or to other current topics with or without advertisements.
- b. It must be printed and published in the United Kingdom; and in numbers at intervals of not more than seven days.
- c. The full title and date of publication must be printed at the top of first page, and the whole or part of the title, and the date, at the top of every subsequent page. This regulation applies also to "Tables Contents," and "Indices."

* Inland letters are those which pass between places in the United Kingdom, including the Isle of Man, the Orkney, Shetland, Scilly, and Channel Islands.

d. A supplement must consist wholly or in great part of matter like that of a newspaper, or of advertisements, printed on a sheet or sheets, or on a piece or pieces of paper, unstitched; or wholly or in part of engravings, prints, or lithographs illustrative of articles in the paper. It must in every case be published with the paper, and have its title and date printed at the top of every page; or, if it consists of engravings, prints, or lithographs, at the top of every sheet or side.

A newspaper, if posted in a cover, must have such cover open at both ends, so as to admit of easy inspection.

The title of every newspaper must be exposed to view.

A newspaper or packet of newspapers which contains any enclosure, except supplements (unless it be such as might be sent at the book rate of postage, and the entire packet be sufficiently prepaid as a book packet), is liable to be charged as a letter.

A newspaper which has anything written on it, or its cover, of the nature of a letter, is liable to postage as an unpaid or insufficiently paid letter.

A packet of newspapers must not weigh above 14 lbs., or exceed two feet in length, one foot in width, or one in depth.

Newspaper wrappers are sold at the following prices:—Bearing halfpenny stamp, at the rate of 7 for 4d or £1 2s 10d per parcel of 480; bearing penny stamp, at the rate of 8 for 8½d or £1 1s 3d per parcel of 240.

BOOK POST.

The prepaid postage is one halfpenny for every 2 oz. or part of that weight. If posted unpaid the charge is double that amount; and if posted partially paid, double the deficiency.

The following may be sent by book post:—Books and other literary publications, photographs, prints, and drawings on paper; and, generally, any paper or other substance in ordinary use for printing or writing upon, whether plain or not, provided that it bear no letter or communication of the nature of a letter,* except a “circular” (as defined below); and a book packet may also contain anything necessary for the safe transmission of any of the before-mentioned articles, and legitimate binding or mounting (not consisting of glass or any brittle substance) when transmitted in the same packet with the article to which it belongs.

Circulars—i.e., letters which, from internal evidence, appear to be intended for transmission in identical terms to several persons, and the whole or the greater part of which is produced by means of ordinary type, engraving, lithography, or other mechanical process—may also be sent by book post.

A book-packet may be posted either without a cover (in which case it must not be fastened, whether by means of gum, wafer, sealing wax, postage stamp, or otherwise), or in a cover entirely open at both ends, so as to admit of the contents being easily withdrawn for examination, otherwise it is treated as a letter. It may, however, be tied at the ends with string.†

No book-packet may be above 5 lbs. in weight, 18 inches in length, 9 in width, or 6 in depth, unless it be sent to or from a Government office.

When, owing to an unusually heavy influx of letters, books, &c., the transmission or delivery of the letters would be delayed if the whole mail were dealt with without distinction, book-packets (and also post cards) may be kept back till the next despatch or delivery.

A book packet, in the case of which any of the above rules is infringed,

* Entries merely stating who sends the book, &c., or to whom it is given, are not regarded as a letter.

† In order to secure the return of book-packets which cannot be delivered, the names and addresses of the senders should be printed or written *outside*; thus, “From———of———.”

is chargeable, if under 8 oz. in weight, as a letter packet, and if over 8 oz. it is transferred to the Parcel Post and charged a fine of 1d, in addition to any deficient parcel postage.

POST CARDS.

Official Post Cards, impressed with a halfpenny stamp,—double or reply Post Cards impressed with a halfpenny stamp on each portion of them,—and private Cards impressed at the Office of Inland Revenue with halfpenny stamps,—may be transmitted between places in the United Kingdom with letters printed or written upon the back. Adhesive stamps are not accepted in payment of the postage.

The front (or stamped) side is for the address only, in addition to the words printed thereon. Nothing else must be written, printed, or otherwise impressed on it or the stamp. On the reverse side any communication, whether of the nature of a letter or otherwise, may be written or printed. Nothing whatever may be attached, except an adhesive stamp for a late fee; nor may the card be folded, cut, or otherwise altered. If any one of these rules be infringed, the card will be charged 1d on delivery.

No card other than one of those issued by the Government, or a private card impressed with a halfpenny stamp at the Office of the Inland Revenue, will pass under a halfpenny stamp, if it bear on it a communication of the nature of a letter (unless it be a circular letter as defined above).

Post Cards are sold at 7d per dozen; superior quality, 8d.

Double or reply Post Cards are sold at 1s 2d per dozen; superior quality, 1s 4d.

INLAND PATTERN AND SAMPLE POST.

Trade Patterns and Samples of Merchandise may be sent between places in the United Kingdom at the following rates of postage:—

For a packet weighing not more than 4 oz.	-	-	-	-	-	1d.
„ „ more than 4 oz. but not more than 6 oz.						1½d.
„ „ „ 6 oz.	„	„	„	„	8 oz.	2d.

No packet must exceed 8 oz. in weight. Limits of dimensions—12 in. by 8 in. by 4 in.

This post is absolutely restricted to *bona fide* trade Patterns and Samples of Merchandise. No article sent for sale or in execution of an order, or sent from a private individual, will be admissible, and if any such be posted at the Pattern rate it will be charged with double the deficient postage at the letter rate, together with a fine of 6d.

Patterns and Samples must be sent in wrappers (marked Pattern Post or Sample Post) entirely open at both ends, so that they can be easily withdrawn for examination; but Samples of seeds, flour, drugs, &c., may be enclosed in boxes (but in such a way as to admit of easy examination), or in bags tied at the neck. Closed bags, even if transparent, will not be allowed.

It is obligatory that the name, trade, and address of the sender be in all cases *printed* on the outside of the wrapper above the address.

The number, price, and private business marks may (as well as the address) be in writing, but no other writing will be allowed.

No glass bottle, or glass in any form, can be sent.

INLAND PARCEL POST.

Parcels *not exceeding 11 lbs. in weight* are received at any Post Office for transmission between places in the United Kingdom.

In order that a packet may go by Parcel Post, it must be tendered for transmission as a parcel, and should bear the words "Parcel Post,"—which should be clearly written in the left-hand top corner.

Every Post Office is open to the public for Parcel Post business on week days during the same hours as for general postal business.

The size allowed for an Inland Postal Parcel is—

Greatest length,	-	-	-	-	3 ft. 6 in.
Greatest length and girth combined,	-	-	-	-	6 ft. 0 in.

The rates of Postage are—for a Parcel—

Not exceeding 1 lb. in weight,	-	-	-	-	3d.
Exceeding 1 lb. in weight and not exceeding 2 lbs.,	-	-	-	-	4½d.
„ 2 lbs.	„	„	„	3 lbs.,	6d.
„ 3 lbs.	„	„	„	4 lbs.,	7½d.
„ 4 lbs.	„	„	„	5 lbs.,	9d.
„ 5 lbs.	„	„	„	6 lbs.,	10½d.
„ 6 lbs.	„	„	„	7 lbs.,	1s. 0d.
„ 7 lbs.	„	„	„	8 lbs.,	1s. 1½d.
„ 8 lbs.	„	„	„	9 lbs.,	1s. 3d.
„ 9 lbs.	„	„	„	10 lbs.,	1s. 4½d.
„ 10 lbs.	„	„	„	11 lbs.,	1s. 6d.

Postage stamps to the required amount must be affixed by the sender, and parcels must not be posted in a letter-box, but must be taken into a Post Office and handed over the counter.

Parcels containing fish, game, meat, eggs, &c., or razors, scissors, needles, knives, forks, or other sharp instruments, are not accepted unless securely packed so as to guard against risk of injury to other parcels. Liquids or semi-liquids, such as jellies, pickles, paint, varnish, &c., are not accepted unless in bottles or cans securely stoppered; nor powders, unless so packed that they cannot escape in transmission. Bottles or glass in any form can be accepted only when so packed as to be secure from breakage.

Parcels addressed to or sent from the Channel Islands are received under the above conditions and rates, but such parcels are liable to Customs examination at the port of arrival, and the sender is required to make a declaration of contents upon a special form provided for the purpose at the office where the parcel may be posted.

Parcels for the Isle of Man are treated in the same way as parcels for places in the United Kingdom generally. They are liable to examination by the officers of Customs; but the sender is not called upon to furnish a declaration of contents.

Parcels addressed to a Post Office to be called for, or to a person residing beyond the free postal delivery, are kept three weeks. At the end of one week, if the parcel bears on the outside the sender's name and address, a notice of the fact that the parcel has not been delivered is sent to him.

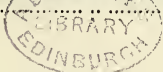

Parcels addressed to a Post Office “to be called for,” are liable to a demurrage charge at the rate of 1d a day. No demurrage is charged on parcels addressed to persons outside the limits of free delivery, or to persons on board ship.

In order to facilitate the return of parcels which cannot be delivered, it is most desirable that the name and address of the sender should appear on the outside of every parcel.

Insurance and Compensation.

The Postmaster-General will (not in consequence of any legal liability, but voluntarily, and as an act of grace), subject to certain rules, give Compensation for the Loss and Damage of Inland Parcels according to the following scale, viz. :—

- I. Where no Fee except postage is paid, the Postmaster-General will give compensation to an amount not exceeding £1
- II. Where in addition to the postage an Insurance Fee of 1d is paid, the Postmaster-General will give Compensation to an amount not exceeding..... £5

III. Where in addition to the postage an Insurance Fee of 2d is paid, the Postmaster-General will give Compensation to an amount not exceeding..... £10

In no case will a larger amount of compensation than £10 be paid. The compensation given in case of damage will be in proportion to that which would have been given had the Parcel been lost.

REGISTRATION.

The fee for registering a letter, newspaper, or book-packet, is twopence, and this registration fee and the postage must be prepaid.

Every article presented for registration must be enclosed in a strong envelope, securely fastened. If the article contains money, it must, in order to gain the benefit of the guarantee described in the last paragraph under this heading, be enclosed in a Registered Letter Envelope sold by the Post Office; and if coins are sent, they must on no account be put in loose, but must be packed and enclosed in such a way as to move about as little as possible.

Every article to be registered must be given to an agent of the Post Office, and a receipt obtained for it; and it should on no account be dropped into a letter-box. If, contrary to this rule, an article marked "Registered" be dropped into a letter-box, it will, *if directed to any place in the United Kingdom*, be liable to a registration fee of 8d, instead of the ordinary fee of 2d.

The loss of a registered article (as it can be traced through its whole course) is a rare occurrence. Nevertheless large sums of money or other articles of great value should not be sent through the post, even if registered; as the machinery of the Department is not arranged with a view to such transmissions. If sent unregistered, valuable articles are exposed to risk; consequently Inland letters or packets which contain coin, watches, or jewellery, if posted without registration, are subjected to registration, and are charged on delivery with a fee of eightpence in addition to the ordinary postage. If they cannot be registered in time to be forwarded by the Mail for which they are posted, they are detained for the next despatch.

No Town Postman is allowed to take a letter to be registered; but Rural Postmen will take letters for registration on their outward and inward walks whenever it is practicable for them to do so.

The Postmaster-General will (not in consequence of any legal liability, but voluntarily, and as an act of grace), subject to certain rules, give Compensation for the Loss and Damage of Inland Registered Letters, and other Registered Postal Packets, according to the following scale, viz. :—

- I. Where no Fee except postage and the registration Fee is paid, the Postmaster-General will give Compensation to an amount not exceeding £5
- II. Where in addition to the postage and the registration fee an Insurance Fee of 2d is paid, the Postmaster-General will give Compensation to an amount not exceeding..... £10

In no case will a larger amount of compensation than £10 be paid, and the compensation given in case of damage will be in proportion to that which would have been given had the Letter been lost.

RE-DIRECTION.

Letters and Postal Packets are, when re-directed, liable to additional charge (at the prepaid rate) for each re-direction unless both the original and the second address are within the delivery of the same Post Office.

Notices of Removal and applications for letters to be re-directed must in all cases be duly signed by the person to whom the letters are addressed. Printed forms can be obtained from the local Postmaster.

A Postmaster is not bound to re-direct letters for a person temporarily

ving home, and not having a private bag or box, unless the house be left unhabited.

FOREIGN AND COLONIAL LETTERS.

The rates of postage on letters for Foreign Countries and the Colonies will be found in the Table of Foreign and Colonial Postage at page 115.

Letters posted unpaid, or insufficiently paid, to any country where payment is compulsory, are returned to the writers.

Letters posted unpaid, or insufficiently paid, for Australia, New Zealand, Cape Colony, or Natal, are charged 6d each in addition to the deficient postage.

Unpaid letters addressed to countries in the Postal Union are charged double the prepaid rate, and those partially prepaid are charged with double the deficiency.

No letter for a colony or foreign country may exceed 2 feet in length or 1 foot in width or depth.

No letters containing gold or silver money, jewellery, or precious articles, or anything liable to customs duties, can be sent, *even if registered*, to any country outside the Postal Union.

FOREIGN AND COLONIAL NEWSPAPERS.

The rates of postage to Foreign countries and the Colonies on newspapers registered for transmission abroad will be found in the Table of Foreign and Colonial Postage, page 115. Each newspaper is liable to a separate rate of postage, whether sent singly or in a packet, and if above 4 oz. in weight, it is liable to two rates of postage; and so on.

The conditions of Registration of Newspapers for transmission abroad are the same as those for inland transmission; excepting that for foreign transmission a Newspaper may be published at intervals of thirty-one days. Moreover, Prices Current and Market Reports (but not private price lists or trade catalogues) may be registered as Newspapers for foreign transmission, provided that they be published at intervals not exceeding thirty-one days.

All publications registered for transmission abroad *must be posted within eight days from the date of publication*, including that day; and any newspaper not posted more than eight days after the date of publication, as well as any unregistered publication, must be prepaid at the book rates of postage.

The collected numbers issued during the month of a weekly or fortnightly publication are not allowed to pass as a monthly publication.

FOREIGN AND COLONIAL BOOK POST.

Articles which may be sent to places abroad under the Book Post Regulations consist of two classes, as follows:—

(a) "Commercial Papers," under which are comprised all papers or documents written or drawn wholly or partly by hand (except letters or communications in the nature of letters, or other papers or documents having the character of an actual and personal correspondence), documents of legal procedure, Deeds drawn up by public functionaries, copies of or extracts from Deeds under private seal (and whether written or printed on stamped or unstamped paper), Way Bills, Bills of Lading, Invoices, and other documents of a mercantile character, documents of Insurance and other public companies, all kinds of manuscript music, the manuscript of books and other literary works, and other papers of a similar description.

(b) "Printed Papers," including periodical works, books (stitched or bound), pamphlets, sheets of music (printed), visiting cards, address cards, proofs of printing (with or without the manuscript relating thereto), engravings, photographs (when not on glass or in frames containing glass), drawings, pictures, papers impressed for the use of the blind or card-board drawing,

models stamped in relief (except for Russia and Sweden), plans, maps catalogues, prospectuses, announcements, and notices of various kinds whether printed, engraved, lithographed or autographed, and in general all impressions or copies obtained upon paper, parchment, or card-board by means of printing, lithographing, autography, or any other mechanical process easy to recognise, except the copying press, and anything usually attached or appurtenant to any of the before-mentioned articles in the way of binding, mounting, or otherwise, and anything convenient for their safe transmission by post which shall be contained in the same packet; also printed, engraved, or lithographed circulars, notwithstanding that such circulars may be letters or communications in the nature of a letter. Stamps for prepayment and all printed articles constituting the sign of monetary value are however excluded.

The two classes are subject to the same rates of postage, except that when addressed to countries in the Postal Union the minimum rate for Commercial Papers is $2\frac{1}{2}$ d in every case. If there be any mixture of the two in the same packet the whole packet is treated as Commercial Papers.

A Book Packet may be posted without a cover or in a cover open at both ends. It may be tied at the ends with string.

The limit of size for Packets addressed to countries of the Postal Union is 18 inches in length by 1 foot in width or depth; and for Packets addressed to other places abroad 2 feet in length by 1 foot in width or depth.

All Books and printed matter imported into the United States through the Post, however small the values, are subject to a duty of 25 per cent. on that value.

The under-mentioned articles are still exempt from Custom duties:—

1. Newspapers and periodicals already exempt from duty.
2. Photographs and printed papers, other than Books, received in the United States in such small quantities as to suggest that they are intended for personal use and not for sale.

Books and Periodicals addressed to the Republic of Colombia are liable to Customs duties unless intended for the personal use of the addressees.

The rates of postage, which must be prepaid, on packets to places abroad are given, under the heading of Books, in the Table of Foreign and Colonial Postage, page 115.

FOREIGN AND COLONIAL PATTERNS AND SAMPLES.

There is a Pattern and Sample Post to Foreign Countries and the Colonies generally; but it is restricted to *bonâ fide trade patterns or samples of merchandise*. Goods sent for sale, or in execution of an order (however small the quantity may be), or any articles sent by one private individual to another which are not actually patterns or samples, can only be forwarded as letters.

No article liable to Custom Duties can be sent as a sample or pattern.

The rates for Patterns are the same as for Books, except that the lowest charge is 1d for a packet addressed to any of the countries to which the postage is $\frac{1}{2}$ d per 2 oz. for Books. (See page 122).

Patterns or Samples, when practicable, must be sent in covers open at the ends, and in such a manner as to be easy of examination. But samples of seeds, drugs, and such like, may be posted enclosed in boxes or bags fastened in such a manner that they may be readily opened.

There must be no writing or printing upon or in any Sample Packet for non-Union countries, except the address of the person for whom it is intended, the address of the sender, a trade mark or number, the price of the articles, the weight or size, and the quantity to be disposed of, or such as may be necessary to indicate the place of origin or the nature of the merchandise.

Samples of saleable value must not be sent to any foreign country, or to any of the British possessions which are comprised in the Postal Union.

Liquids, Glass, and Powders are absolutely prohibited.

A Packet of Patterns or Samples sent to any place in the Postal Union (except Belgium, France, Greece, Japan, Luxemburg, Portugal, Switzerland *via* France, and the United States) must not exceed 8 inches in length, 4 in width, or 2 in depth. The limit to Belgium, France, Greece, Japan, Luxemburg, Portugal, Switzerland *via* France, or the United States, is 1 foot in length, 8 inches in width, and 4 inches in depth. The size of a packet for a non-Union country or colony is limited to 2 feet in length and 1 foot in width or depth.

FOREIGN AND COLONIAL POST CARDS.

Post Cards for abroad with impressed stamps of 1d, 1½d, and 2d each are sold at those rates, and are transmissible to all the countries of the Postal Union without extra charge.

Reply Post Cards for certain places abroad are also issued, those with a 1d stamp impressed on each half, price 2d; those with a 1½d stamp on each half, price 3d; and those with a 2d stamp on each half, price 4d.

Inland Post Cards are also transmissible if the additional postage required is supplied by postage stamps being affixed.

The regulations relating to Inland Post Cards apply also to Cards posted for places abroad, except that the latter, when these regulations are infringed, are not forwarded.

FOREIGN AND COLONIAL PARCEL POST.

GENERAL REGULATIONS.

Dimensions.—The dimensions allowed are:—

For Austria, Azores (*via* Lisbon), Bulgaria, Cameroons, Congo, Denmark, Germany, Heligoland, Java, Madeira (*via* Lisbon), Norway, Portugal, (direct), Servia—2 feet in any direction.

Parcels which slightly exceed 2 ft. in length are accepted for transmission to Belgium, France, Holland, Luxemburg, Sweden, and Switzerland, provided that their other dimensions are inconsiderable.

For Adrianople, Algeria, Annam, Cayenne, Cochin China, Corsica, Guadeloupe, Italy, Jerusalem, Martinique, Mayotte, New Caledonia, Philippopolis, Reunion, Senegal, Spain, Tonquin, Tripoli, Tunis, Turkey—greatest length, 2 feet; greatest length and girth combined, 4 feet.

For Canada—

Greatest length,	2 ft.
------------------	-----	-----	-----	-----	-----	-------

Greatest depth or width,	1 ft.
--------------------------	-----	-----	-----	-----	-----	-------

For places other than those detailed above—same as for Inland Parcel Post.

Weight.—The maximum weight for parcels for Adrianople, Algeria, Annam, Austria, Azores, Bulgaria, Cameroons, Cape of Good Hope (except Cape Town), Cayenne, Corsica, Denmark, France, Germany, Guadeloupe, Heligoland, Italy, Jerusalem, Madeira, Martinique, Mayotte, Natal, New Caledonia, Philippopolis, Portugal, Reunion, Senegal, Servia, Sweden, Switzerland, Tonquin, Tripoli, Tunis, Turkey, is 7 lbs.; for Spain, 6½ lbs.; for Canada, 4 lbs.; and for all other places, 11 lbs.

The postage must in all cases *be paid in advance*, and by means of postage stamps, which must be affixed by the sender, and no parcel will be accepted for transmission which is not sufficiently prepaid.

Each parcel must be plainly directed, such direction setting forth the name and full address of the person for whom the parcel is intended. It should bear the words "Parcel Post" in the upper left-hand corner, and the name and address of the sender. The date of posting should also be added. A parcel must not be posted in a letter box, but, as in the case of the Inland Parcel Post, must be taken into a Post Office and presented at the counter.

Parcels will be liable to Customs duties and regulations, and the sender of each parcel will be required to make a Customs declaration furnishing—upon a special form provided for the purpose, which can be obtained at any Post Office—an accurate statement of the contents and value, the date of posting, and the sender's signature and place of abode. In the case of parcels for the Continent of Europe the sender will also be required to enter thereon the net weight of the contents of the Parcel. The declaration form should, if possible, be filled up in both English and French. Customs duties will be collected on delivery. In addition to Customs duties a charge of 6d per parcel is levied at the Cape of Good Hope and Natal on all incoming parcels for stamp duty, clearance, &c.

No Parcel containing dangerous articles, perishable articles, articles likely to injure other parcels, liquids (unless securely packed in proper cases), or any contraband article or substance, will be accepted for transmission. A parcel must not contain another parcel, or a letter or other postal packet, intended for delivery to a person other than the addressee of the first-named parcel.

The transmission of any letter whatever, no matter to whom addressed, in parcels for foreign countries and for the Cape of Good Hope, Natal, Jamaica, the Australian Colonies, and Trinidad, is strictly forbidden.

Parcels for Ascension, the Cape of Good Hope, Natal, Egypt, India, and St Helena must not exceed £50 in value.

If a parcel cannot be delivered as addressed, or is refused, the sender, if his address be given on the parcel, will be communicated with by the Post Office as to the manner in which the parcel shall be disposed of.

Parcels should be securely and substantially packed and closed by the sender, and in some cases seals may be found necessary. If wax is used, it should be of the special quality which resists the heat of a hot climate.

Compensation will be given (subject to certain rules) to an amount not exceeding £1 for the loss or damage of parcels sent between the United Kingdom and the following places:—Ascension, Barbadoes, B. Guiana, B. Honduras, Ceylon, Cyprus, Gibraltar, Grenada, Hong Kong, Labuan, N. Borneo, St Lucia, St Vincent, S. Australia, Straits Settlements, Trinidad.

INDIAN PARCEL POST.

Parcels (up to 50 lbs. in weight) may be sent from London to India, Burmah, and Aden, every Monday—Rates, 1s per lb., books 6d per lb. (prepaid,

or payable on delivery); and to Ceylon and Straits Settlements every alternate Monday—Rates, Ceylon, 9d per lb., books 6d; Straits, 9d per lb. Parcels should be enclosed in strong wooden boxes, and forwarded to the P. & O. Navigation Co.'s Offices, 122 Leadenhall Street, London, E.C. Full particulars of contents and value must also be sent to the Company.

MISCELLANEOUS REGULATIONS AND SUGGESTIONS.

The Post Office is not, by law, responsible for any loss or inconvenience which may arise from the non-delivery, mis-sending, or mis-delivery of any letter, book, or other postal packet (even if the packet be registered), nor is the Post Office responsible for any injury which a packet may sustain during its transmission.

To guard against such injury all postal packets which are likely to suffer from stamping or from great pressure should be placed in strong covers; and even with this precaution no fragile article should be sent through the Post.

Postmasters are not allowed to return any letter or other packet to the writer or sender, or to any one else, or to delay forwarding it to its destination according to the address, even though a request to such effect be written thereon.

Neither money nor any other article of considerable value ought ever to be sent through the Post, except by means of a money or postal order, or in a registered letter. Any person who sends money or jewellery otherwise, not only runs a risk of losing his property, but exposes to temptation every one through whose hands his letter passes.

MONEY ORDERS.

When applying for Money Orders, the public should use the printed "Application Forms," which are supplied gratuitously at all Money Order Offices.

The commission on Inland Money Orders is:—

For sums not exceeding £1,	-	-	-	-	-	2d.
„ above £1 and not exceeding £2,	-	-	-	-	-	3d.
„ „ £2 „ „ £4,	-	-	-	-	-	4d.
„ „ £4 „ „ £7,	-	-	-	-	-	5d.
„ „ £7 „ „ £10,	-	-	-	-	-	6d.

No order may contain a fractional part of a penny.

The applicant must furnish, in full, the surname and at least the initial of one Christian name, both of the remitter and the payee, together with the remitter's address. In the case of Foreign Orders the full address of the payee must be given; and if the Order be payable to a native in British India, the Tribe or Caste, and the Father's name must also be furnished.

Exceptions.—1st. The remitter of an Inland Order may direct at the time of issue, that the Order be crossed like a cheque thus, & Co., and thus be payable only through a Bank. In that case he may give or withhold the name of the payee. The designation of the Bank need not be furnished.
2d. If the remitter or payee be a peer or a bishop, his ordinary title is sufficient.
3d. The usual designation of a firm is sufficient, except when a company trades under a title which does not consist of the names of the persons composing it, as the "Carron Company," but even a designation of this nature may be accepted provided the Order be crossed for presentation through a Bank.

The holder of an Inland Money Order may direct, by crossing it, that the order be paid through a Bank, even though its payment was not originally so restricted.

The remitter may make his order payable ten days after date, provided that, when he obtains the order, he affix thereto, in the presence of the Postmaster, in the space after the request C., a penny adhesive stamp, and write his signature across the stamp.

1st. When he is well known to the payee, to sign the letter enclosing the Order with his initials only.

3d. When it is not considered expedient to adopt either of these courses, to send the remitter's name (without a knowledge of which payment cannot be obtained) in a separate letter from that containing the Money Order; although this latter precaution is much less effective than either of the others.

FOREIGN COUNTRIES.—Austria, Belgium, Bulgaria, Denmark, Danish West Indies, Dutch East Indian Possessions, Egypt, France, German Empire, Hawaii, Holland, Hungary, Iceland, Italy, Japan, North Borneo, Norway, Portugal, Roumania, Sweden, Switzerland, United States, and the Ottoman towns of Adrianople, Beyrout, Philippopolis, and Salonica. BRITISH AGENCIES.—Constantinople, Smyrna, Panama. BRITISH POSSESSIONS AND COLONIES.—Belize, Bermuda, British Columbia, British Guiana, Cape of Good Hope, Canada, Ceylon, Cyprus, Falkland Islands, Gambia, Gibraltar, Gold Coast, Heligoland, Hong Kong (with agencies at Shanghai, Amoy, Canton Foochow, Hankow, Hoihow, Swatow, and Ningpo), India (including agencies at Aden, Bagdad, Bander Abbas, Bushire, Busrah, Guadur, Jask, Linga, Muscat, and Zanzibar), Lagos, Malta, Mauritius, Natal, New Brunswick, Newfoundland, New South Wales, New Zealand, Nova Scotia, Prince Edward Island, Queensland, St. Helena, Seychelle Islands, Sierra Leone, South Australia, Straits Settlements, Tasmania, Victoria, West Indies, Western Australia. For sums not exceeding £2—6d; £5—1s; £7—1s 6d; £10—2s.

Postal Orders, for certain fixed sums from 1s up to £1, are now issued and paid at all Money Order Offices in the United Kingdom, and at Malta, Gibraltar, and Constantinople.

Amount of Order.	Poundage.	Amount of Order.	Poundage.
1s 0d - -	$\frac{1}{2}$ d	4s 6d - -	1d
1s 6d - -	$\frac{1}{2}$ d	5s 0d - -	1d
2s 0d - -	1d	7s 6d - -	1d

4s 0d - -	1d	20s 0d - -	$1\frac{1}{2}$ d

The person to whom a Postal Order is issued must, before parting with it, fill in the name of the person to whom the amount is to be paid, and may fill in the name of the Money Order Office at which the amount is to be paid. The person so named must, before payment can be made, sign the receipt at the foot of the Order, and must also fill in the name of the Money Order Office, if that has not been already done.

If a Postal Order be crossed " & Co." payment will only be made through a Banker, and if the name of a Banker is added, payment will only be made through that Banker.

POST OFFICE SAVINGS BANK.

The Post Office Savings Bank is open for bank business during the same hours as for Money Orders.

Deposits of one shilling, or of any number of shillings, or of pounds and shillings, may be made by any person at the Post Office Savings Banks, provided that such depositor shall not make deposits amounting to more than £30 in any one year ending 31st December, or make any further deposit when the total amount standing to his credit has reached £150 exclusive of interest.

Any person desirous of saving one shilling by means of penny contributions, for deposit in the Post Office Savings Bank, may do so by purchasing with every penny so saved a penny Stamp, and affixing it to a form to be obtained at any Post Office. Instructions as to this form are printed thereon.

GOVERNMENT INSURANCES AND ANNUITIES.

Under the Government Annuities Act, 1882, Insurances may be effected for amounts not less than £5 and not more than £100 on one life; and Annuities may be purchased for amounts not less than £1 and not more than £100 on one life.

The persons whose lives are insured, or to whom Annuities are granted by the Postmaster General, have direct Government security for the payment of the money, at the proper time.

Forms of proposals for the Insurance of Lives and the Purchase of Annuities, and all necessary information on these subjects, may be obtained at the Post Office.

POST OFFICE TELEGRAPHS.—INLAND TELEGRAMS.

The charge for telegrams throughout the United Kingdom is 6d for the first 12 words, and $\frac{1}{2}$ d for every additional word. Addresses are charged for. The public are required to affix the stamps to the message forms just as they are required to affix stamps to letters.

The telegram forms are of two kinds, the "A 1" form, embossed with a stamp, and the "A" form (given gratis), with no stamp. The "A 1 forms" may be purchased singly. They may also be had in books of 20, interleaved, and with a sheet of carbonic paper, price 10s 2d each book.

When the terminal office, *i.e.*, the office situated nearest to the address, is a Head Post Office, the amount paid for transmission covers the cost of delivery within one mile or within the town postal delivery of that office when the delivery extends for more than a mile. But when it is not a Head Post Office, the message is delivered free within the limit of one mile only.

When the addressee resides beyond the free delivery, portorage is charged at the rate of 6d per mile or part of a mile, provided the whole distance does not exceed three miles; but the charge is calculated from the boundary of the district within which no portorage is levied. For instance, if the addressee's residence is a mile and a quarter from the terminal office, and also beyond the town postal delivery, the charge for portorage would be 6d; if the distance is above two miles and under three, 1s.

If the addressee resides at a greater distance than three miles from the terminal office, portorage is charged, for delivery by mounted messenger, at the rate of 1s per mile (except in Ireland, where the charge usually is only 8d per mile), the distance being reckoned from the office door.

No combination of words is counted as one, with the exception of those which are ordinarily written as one, or coupled by hyphens, as "mother-in-law," "non-delivery," "almshouses," "forty-seven."

The following exceptional names and compound words are charged for as one:—

O'Neil, MacDonald, De la Rue.

Midday.	Se'night.	To-day.	Yesterday.	Twopence,
Noonday.	Cannot.	To-morrow.	Halfpenny.	&c.

So, too, are names with the prefix "St," as St Pancras; but double names of

persons, like Smith-Payne, although written with a hyphen, are counted as two words.

Abbreviations designated by apostrophes (as can't, won't, couldn't, &c.) are counted as one word, but there is a great risk of error.

Figures are counted at the rate of five figures to a word. Fractions are counted according to the number of figures employed, one figure being added for the mark of division. In groups of figures a stop is counted as a figure. The symbols o/o, a/c, b/l, and c/o are each counted as one word.

Anyone may have an abbreviated address, or special instructions as to hours of delivery of telegrams, registered at the chief office of the town in which he resides, on payment of a guinea a year, dating from the day of registration.

FOREIGN TELEGRAMS.*

Foreign telegrams are divided into three classes,—ordinary, code, and cypher. Ordinary telegrams are those composed of a series of words, or of words, figures, and letters conveying an intelligible meaning.

Code telegrams are those composed of words, the context of which has no intelligible meaning. Proper names are not allowed in the text of code telegrams, except in their natural sense. Words of more than ten letters are not allowed. In Code telegrams only English, French, German, Italian, Spanish, Portuguese, Dutch, and Latin, may be employed, but words of any or all of these languages will be allowed in the telegram.

Cypher telegrams are those containing series or groups of figures or letters having a secret meaning; or words not to be found in a standard dictionary of the language. The portion in cypher must be composed exclusively of figures or exclusively of letters.

Cypher telegrams written in letters are only accepted for places in Europe or North America.

The address of the receiver must be paid for, and must not consist of less than two words, a name and a town. Example: Hercules, Bombay.

The address of the sender is charged for, if transmitted; if not to be transmitted, it must be written at the foot of the form.

In ordinary European telegrams the length allowed for a word is 15 letters, in extra-European telegrams 10 letters; any additional letters being charged for at the rate of 15 or 10 letters respectively to the word.

Subject to the limit as to number of letters, ordinary compound words and names of persons and places, &c., written without break or interruption, are counted as single words. If joined by a hyphen, or separated by an apostrophe, they are counted as so many separate words.

Compound numbers written in words and without break are also counted as single words subject to the same limit as to the number of letters. The name of the office and of the country of destination in the addresses of telegrams are charged for as one word each when so written by the sender, whatever their length.

Words incorrectly spelled, so as to reduce the number of letters below the maximum, or words incorrectly joined together, contrary to the usage of the language, cannot be accepted as single words.

Every separate letter or figure is charged for as one word, and in European telegrams every group of five figures or letters is counted as one word, larger groups being counted at the rate of five figures or letters to a word, plus one word for any excess. In extra-European telegrams groups of figures (or letters when used as trade marks) are counted at the rate of three to a word, plus one word for any excess. Bars of division, decimal points, and stops used in the formation of numbers are counted as figures. Letters added to figures to form ordinal numbers are counted as figures.

For rates, see next page.

# THE DUNDEE BURIAL SOCIETY

WAS established on the 20th March 1862, for the purpose of enabling working people, by means of small weekly payments, to insure sums at death according to age. It is the only Society of its kind having its headquarters in Dundee. It is managed by working-men in their spare hours. A meeting of qualified members is held in Dundee every year, where all the year's transactions are gone over and reports read as to the prosperity of the Society, both numerically and financially. At these meetings the office-bearers are elected, and any qualified member can be proposed for the vacant offices.

During the time the Society has been in existence the membership has gone up from a mere handful until it now numbers nearly 11,000; and while it was in debt the first year of its operations, there were, at the end of 1887, invested funds in Dundee to the amount of £7000 sterling. Facts like these speak for themselves; and working people belonging to, or residing in, Dundee, before joining societies with their headquarters outside the town, should make enquiries regarding the Dundee Burial Society, and see if it would not be to their interest to join a society carried on in their midst. Another feature may be mentioned: Bonuses have been paid in hard cash to members who had been a certain period in the Society—one Bonus amounting to £600 sterling, and the other to £1800 sterling. These Bonuses came as a boon to many, and did no injury to the Society. Cash Bonuses are to be paid every five years. Those desiring to participate in the Bonuses should join before the quinquennial period has expired; the first period of joining expires on the 30th June 1888.

Parties wishing to join can do so by applying at the Office—No. 2 BAIN SQUARE, DUNDEE, any lawful evening, between the hours of 7 and 8 (Saturday excepted), or by applying to any of the Collectors whose names and addresses are given on the opposite page, when all information will be given.

Special attention devoted to the Painless Extraction of Decayed Teeth by the aid of Nitrous Oxide Gas and other harmless Anaesthetics.

Stopping, where any hope remains of permanently preserving a tooth, carefully and satisfactorily accomplished.

Country Patients will find at Dr STEWART'S Establishment better facilities than can be had elsewhere for the prompt insertion of Artificial Teeth.  
By calling early in the day they may be accurately fitted with the Best Artificial Teeth in time to return same afternoon.

**T**HE attention of Patients is respectfully drawn to the special advantages contained in this now well-known Establishment for the insertion of Artificial Teeth and every Branch of Dental Surgery. Dr STEWART'S immense resources enable him to insert his Famed Artificial Teeth in the most satisfactory manner on the same day the Patient makes his or her first visit, so that the harassing delays common to smaller practices are entirely obviated.

Dr STEWART has been the first to Solve the Problem of High-Class Workmanship and Materials and Low Prices, and he has to thank his immense number of Patients for enabling him to continue to supply Work at the hitherto Unheard-of Quotations which follow:—

## INVESTMENT ASSURANCE.

THE attention of *Young Men* is specially asked to the Investment Scheme, whereby a person aged 24 next birthday, for an Annual Premium of Three Guineas, can secure £100 and a share in the Profits of the Company's business, to his heirs, in the event of death, or if he live to the age of 55, the £100, together with the Bonuses which may have been added, are payable to himself. In other words, if the Assured live to attain the age specified in the Policy, all his Premiums are returned to him, together with a fair Interest thereon, and, in addition, there is this further advantage about Investing in a Life Policy, that immediately the first Premium is paid, the Company is liable, on Death occurring, for the sum Assured, and for any Profits which may have accrued.

*All Profits divided among Policy-holders. Policies indisputable after three years from their date.*

**T**HIS Society has for some years done the largest business of any office in the world, and has introduced a new form of Life Assurance, known as the **NON-FORFEITING TONTINE OR SEMI-TONTINE POLICY**. On this plan profits are divided at stated periods, viz., TEN, FIFTEEN, or TWENTY YEARS, which must be determined upon at time of entry. When the Assured's TONTINE period has arrived, he becomes entitled to his share of the Accumulated Profits, and he is then given one of the following options:—

First.—*To take the cash value of his Policy.*

Second.—*To take a paid-up non-participating Policy for an equivalent of its cash value.*

Third.—*A yearly increasing annuity and the original sum at death to his heirs.*

The following Table gives the results, as estimated, of a 20-year Policy for £1000 taken out on the Tontine Savings' Fund plan of Assurance:—

| Age. | Annual Premium. | Total Premiums Paid. | Cash Value of Policy. | Equivalent Value in Paid-up Policy. | Annuity for Life, and £1000 at Death. |
|------|-----------------|----------------------|-----------------------|-------------------------------------|---------------------------------------|
| 25   | £19 17 6        | £397 10 0            | £533                  | £1290                               | £8 14 8                               |
| 35   | 26 7 6          | 527 10 0             | 769                   | 1460                                | 22 1 8                                |
| 45   | 37 19 2         | 759 3 4              | 1190                  | 1810                                | 67 13 5                               |

This Policy is Non-Forfeiting, i.e., it has a Surrender value in Paid-up Assurance after its third year.
