LIST OF POST-OFFICES IN SCOTLAND.

EXPLANATIONS.

When in the subjoined list *two* places are mentioned, the first is only a sub-office, and the second is the head-office to which the first is subordinate.

In all cases the figures after a place show its distance in miles from the sub-office.

All head-offices are Money Order offices, but sometimes there is a Money Order Office nearer the sub-office than is the head-office. In these cases, such Money Order office is added as a *third* name, for the information of any persons who may wish to remit money to the neighbourhood.

As regards *Town-receiving offices*, those only are entered at which Money Order business is transacted; and these will be found under the names of the respective head-offices.

Each Money Order office is distinguished by the letter *o*.

EXPLANATIONS AND MISCELLANEOUS INFORMATION.

ABBREVIATIONS.—Al, alternate; Apr, April; Belg., Belgium; Brit., British; ea., each; ex., exceptional; E., evening; ev., every; Mars., Marseilles; M., Morning; Mo., Month; Pt., Pkt., Packet; Pub., Publisher; Regis., Registered; Sun., Sunday; Sun. exc., Sunday excepted; Tues., Tuesday; v., via.

When the Day of Dispatch at London falls on a Sunday, letters require to be posted here a day earlier.

OPTIONAL OR COMPULSORY PREPAYMENT.—* The asterisk prefixed to a division (as that of Letters or Newspapers) indicates that in such case Prepayment is compulsory. In other cases, Prepayment is not compulsory unless the Letter be Registered.

DISTANCE TO WHICH THE POSTAGE CARRIES THE LETTER, &c.—d. The letter d prefixed to any division (as that of Letters or Newspapers)

shows that the postage there entered carries the Letter, &c., from the place where it is posted in the United Kingdom to its place of destination. In all other cases, the postage carries it only part of the way. The word "Free," as applied in certain cases to Newspapers, &c., simply means that no charge is made upon them in this country.

ROUTES.—When the route by which a Letter, &c., is to go is not marked on it, it will, under ordinary circumstances, be sent by the route immediately following the name of the place. Thus, a Letter or Newspaper directed to India, with no route marked on it, will be sent via Marseilles, and charged the higher postage attendant thereon.

EXCEPTIONAL RATES OF POSTAGE.—Rates of Postage chargeable upon Newspapers, Gazettes, Periodical Works, Stitched or Bound Books, Pamphlets, Sheets of Music, Catalogues, Prospectuses, Announcements, and Notices of various kinds, whether printed, engraved

or lithographed, addressed to France, and countries through France; which rates must be paid in advance:—

FOR A PACKET OF REGISTERED NEWSPAPERS.

Not exceeding 4 ounce.	Above 4 ounce, not ex. 8 ounce.	Above 8 ounce, not ex. 16 ounce.	Above 16 ounce, not ex. 24 ounce.	Above 24 ounce, not ex. 32 ounce.
Os. 1d.	Os. 2d.	Os. 4d.	Os. 6d.	Os. 8d.

And so on, 2d additional for every subsequent 8 ounce, or fraction of 8 ounce.

FOR A PACKET OF OTHER PRINTED PAPERS.

Not exceeding 4 ounce.	Above 4 ounce, not ex. 8 ounce.	Above 8 ounce, not ex. 16 ounce.	Above 16 ounce, not ex. 24 ounce.	Above 24 ounce, not ex. 32 ounce.
Os. 3d.	Os. 6d.	1s. 0d.	1s. 6d.	2s. 0d.

And so on, 6d additional for every subsequent 8 ounce, or fraction of 8 ounce.

Periodicals not of daily publication, issued in the shape of pamphlets, may be sent to Belgium, Bremen, Hamburg, Holland, Prussia, and the United States, at the following rate, *which must be prepaid*; not exceeding 2 oz. 1d; 2 oz. and not exceeding 3 oz. 6d; 3 oz. and not exceeding 4 oz. 8d; with an addition of 2d for every additional ounce up to 16 ounces, above which weight the privilege does not extend; and at the same rate of postage, pamphlets, not being periodicals, may be sent to the United States, if not exceeding 8 oz.

B. The privilege of the Book Post to and from India and New South Wales is limited to packages not exceeding 3 pounds in weight. Any package weighing more than 3 pounds is liable to the Letter Rate of Postage.

G U. According to the regulations of the German Customs' Union, no Letter exceeding 50 grammes (a little more than $1\frac{1}{2}$ oz.) in weight, and containing any other enclosure than paper, can be allowed to circulate by the post. Any Letters, therefore, forwarded in the Mail to Prussia above that weight, and containing any other enclosure than paper, will be liable, on their arrival at the Prussian frontier, to be stopped, and sent to the Custom House, for delivery as *freight*.

REGISTRATION OF LETTERS.—By the prepayment of the usual British registration fee of 6d., Letters can be registered between this country and the British West Indies, United States, Malta, Gibraltar, and Ceylon; and by the prepayment of the British registration fee and the additional prepayment of a Foreign registration fee, Letters can be registered between this country and France, *and those countries through France to which the postage can be paid to destination*, to Prussia, and to countries through Prussia. Moreover, by the prepayment of the British registration fees Letters can be registered between this country and Belgium and Holland, and countries through Belgium and Holland. Again, by the prepayment of the British registration fee, a letter addressed to any other place can be registered to the port of despatch, and entered separately in the Letter Bill; it being in these cases left to the postal authorities of the Colony or Foreign Country to carry on the registration, or not, as they may choose. The British and Foreign registration fee on a Letter to France, or to a country through France, is exactly as much again as the Postage, *both British and Foreign*, whatever that may amount to. Thus, the joint British and Foreign postage on a Letter to France weighing not more than $\frac{1}{2}$ oz. being 4d., the Registration Fee on such a Letter would also be 4d.; and if the Postage amount to 8d., the fee is 8d. also.

The Foreign registration fee on a Letter to or through Prussia (except to Russia) is 3d, without regard to weight; making a total fee, British and Prussian, of 9d., in addition to the ordinary postage.

STAMPS AND MONEY.—Books must always be prepaid in stamps; the prepayment of Letters outwards (that is from this country to places abroad) may be made either in money or English postage stamps.

WARM CLIMATES.—The practice of Sealing Letters passing to and from the *East and West Indies*, and other warm Climates, with Wax (except such as is specially prepared) is attended with much inconvenience, and frequently with serious injury to the Letters, in consequence of the Melting of the Wax and Adhesion of the Letters to each other; the public are therefore recommended in all cases to use Wafers in preference to Wax in securing their Letters sent to *India* or other warm Climates, and also to advise their Correspondents in those Countries to pursue the same course.

COLONIAL BOOK POST REGULATIONS.

The postage (which may be found by referring to the table of foreign and colonial postage,) must be prepaid in full by means of postage stamps affixed outside the packet or its cover.

Every packet must either have no cover, or be sent in a cover open at the ends or sides. The packet may contain any number of separate books, or other publications, prints, or maps, and any quantity of paper, parchment, or vellum, (to the exclusion, however, of letters, sealed or open, or any enclosure, sealed or otherwise closed against inspection); either printed, written, or plain, or any mixture of the three, together with whatever is necessary for the safe transmission of literary or artistic matter, or usually appertains thereto.

No letter, or communication of the nature of a letter, written or printed, in any such packet, or on its cover, is allowed, but entries merely stating who sends the book, &c., or to whom it is given, are not regarded as a letter.

No book-packet to exceed two feet in length, width or depth.

The Colonial Book Post extends to those Colonies only which are so marked in the Table of Colonial and Foreign Postage.

In no case can a book-packet be sent to the Colonies (except at the letter rate of postage) through a foreign country.

FOREIGN AND COLONIAL NEWSPAPER REGULATIONS.

Newspapers sent abroad are liable to the same regulations as Newspapers circulating (under the Newspaper privilege), through the United Kingdom, except that, before going abroad, the name of the Newspaper must have been registered at the General Post Office, and that instead of requiring to have an impressed stamp, each Newspaper, if sent to a British Colony, is liable to a postage of one penny (which must be prepaid by a postage label or in money,) together with an additional postage (as shown in the Table of Colonial and Foreign postage) when the Newspaper has to pass through a foreign country. In all cases of Newspapers going abroad, the impressed stamp stands for nothing.

and so on, increasing 2d. per oz.

There is no limit to the weight of paid letters, but unpaid letters must not exceed 4 oz., and no inland letters or packets must exceed 24 inches in length, breadth or depth. The only *exceptions* to these regulations, are in the case of—1, Parliamentary proceedings, or Addresses to Her Majesty.—2. Petitions to either Houses of Parliament, forwarded to any Member of such House.—3 Printed votes or proceedings of Parliament.—4. Letters or packets to or from public departments or public officers in her Majesty's Service.—5. Letters, &c., to or from places abroad.

If the Stamps affixed to letters are mutilated or defaced, the letters will be liable to the unpaid rate.

A Stamp which has been cut from an envelope and affixed to a letter, entitles it to pass free of charge.

Re-directed Letters are charged an additional postage for each re-direction according to the Prepaid Scale.

When the value of Stamps on a letter is less than the amount of the postage to which it is liable, the letter will be charged double the amount of such difference on delivery, but letters exceeding in weight four ounces, will be charged with *double* the amount of the *difference between the stamps affixed and the prepaid rates*, and be either detained and opened, and returned to the sender, or forwarded at the option of the Postmaster-General.

All persons sending letters by the Post unpaid, which, from any cause whatever, cannot be delivered to the parties to whom they are addressed, are liable to pay the postage charged thereon, which may be recovered, with costs, by summary proceedings before a Magistrate.

By the 1st Victoria, cap 36, sec. 2, any person illegally conveying Letters, incurs a penalty of £5 for every offence, and £100 for every week the practice is continued. The sender also incurs a penalty of £5 for every offence, with full costs of suit.

and so on, increasing 2d. per half-pound, or any less weight.

Book Packets limited in length, width, and depth, to two feet.

CONDITIONS ON WHICH BOOKS ARE FORWARDED AT THE ABOVE RATES.

The postage must be fully prepaid, by means of postage stamps affixed.

Every packet must either have no cover, or a cover open at the ends.

If the amount of postage paid thereon be 4d., it may contain any number of separate books or other publications, prints or maps, and any quantity of paper, parchment, or vellum, either printed, written, plain, or any mixture of the three; together with whatever is necessary for the safe transmission of literary or artistic matter, or usually appertains thereto; to the exclusion of letters sealed or open, or any enclosure sealed or otherwise closed against inspection, or any letter or any communication of the nature of a letter written or printed in any such packet or on its cover. Entries merely stating who sends, or to whom the book is sent, are not considered as letters, and are allowed when the amount of postage is 4d.

But, if the postage paid be less than 4d., the packet must consist *exclusively of printed matter*; the number of publications or separate sheets, bound or unbound, not being restricted.

PERIODICAL PUBLICATIONS, INCLUDING NEWSPAPERS.

Periodical publications, including Newspapers, published in the United Kingdom, at intervals not exceeding thirty-one days, and which bear an impressed stamp or stamps denoting the stamp duty (of the kind formerly confined chiefly to newspapers) may be transmitted or re-transmitted through the post

within the United Kingdom free from postage, under the following regulations, viz. :—

They are subject to the same restrictions, with regard to the number of sheets and superficial extent, as were lately applicable only to Newspapers, properly so called. These restrictions are shown in the following table :—

Amount of Stamps impressed on the Publication.	Maximum Number of Sheets.	Maximum Superficial Extent of Letterpress on one side.
One Penny.....	Two.	2,295 inches.
Three Halfpence.....	Three.	3,443 „
Twopence.....	Four.	4,591 „

The impressed stamp on each publication must be at least of the value of one penny.

The title and date must be printed at the top of every page.

The publication must be folded so as that the whole of the stamp or stamps, denoting the full duty, shall be exposed to view; and when, in the same cover, there are more than two, it will be sufficient if they are so arranged as readily to admit of examination.

The publication must not be printed on pasteboard or card board, or on two or more thicknesses of paper pasted together, nor must any pasteboard, card, board, or such pasted paper be sent with it as a back or cover thereto, or otherwise.

It must be posted within fifteen days from the date of publication.

It must either have no cover, or a cover open at the ends.

It must contain no enclosure.

No mark or writing is allowed but the name and address of the person to whom it is sent, nor anything on the cover but such name and address, the printed title of the publication, and printed name and address of the publisher or vender who sends it.

If addressed to any one within the free delivery of the place where it is posted, a postage stamp—1d., must be affixed.

Unstamped publications, or stamped publications, which have been issued more than fifteen days, can be forwarded within the United Kingdom, and to the Colonies, under the regulations of the Book Post.

Newspapers and other Periodicals, published in the Islands of Guernsey, Jersey, Alderney, Sark, Isle of Man, will be subject to the same regulations as those which are published in other parts of the United Kingdom.

REGISTRATION OF LETTERS, &c.

By the prepayment of a fee of Sixpence, which must be made not in money, but by affixing stamps) letters, books, or other packets paying *ordinary* postage may be registered. This will make their transmission more secure, by rendering it practicable to trace them from their receipt to their delivery.

L O N D O N.

For postal purposes, London and its environs is divided into Ten Districts, and each is treated, in many respects, as a separate Town.

Every means should therefore be taken by the public for causing Letters to be directed *according to the district for which they are intended*, so as to ensure a rapid and correct delivery.

Information as to the district in which any part of London or its environs is included, may be obtained in either of the following publications, which can be procured at the Post Office :—

1st, British Postal Guide, published quarterly, price 6d.

2nd, Alphabetical List of the Principal Streets and Places in London and its Environs, as divided into Postal Districts, price 1d.

It is also enacted (Sec. 93) that if any person, liable to have any officer or soldier quartered upon him, shall refuse to receive and to afford proper accommodation to such officer or soldier so quartered, he "shall forfeit for every such offence, neglect, or refusal, any sum not exceeding Five Pounds, nor less than Forty Shillings."

EXPLANATION.—In the Table at the head of the page are the Years of the Century, and above each of which is the Domical Letter corresponding with that Year. Then, opposite to the Month and Week, at the Foot of the Second Table, will be found a corresponding Letter, over which are placed the Days of the Month and Week for that Month (distinguishing the Sundays by a different Type). Each Blank Space in the Table at the head shows the year following to be Leap Year; and as every Leap Year has two Domical Letters, the Letter above the Blank Space must be used for January and February in every Leap Year, and for the other Months, use the Letters belonging to the respective Years.

WILLIAM CHALMERS, MANAGER.

MUTUAL LIFE ASSURANCE.

THE CORPORATION OF THE
Scottish Provident Institution,
 14, ST. ANDREW SQUARE, EDINBURGH.

THE SCOTTISH PROVIDENT INSTITUTION combines the advantage of Participation in the Profits, with moderate Premiums. It is a MUTUAL ASSURANCE SOCIETY, in which the WHOLE PROFITS belong to the Policy-holders; and it is free from the objection of excessive premiums which is urged by the Proprietary Companies against other Mutual Societies.

Assurances may be effected by way of ANNUAL Payment, at the following moderate rates:—

Examples of ANNUAL Premium to Assure £100 at Death.

Age 15	20	25	30	35	40	45	50
£1 11 2	£1 15 8	£1 18 0	£2 1 6	£2 6 10	£2 14 9	£3 5 9	£4 1 7

Thus a person of 30 may secure £1000 at death, for a yearly payment of £20 15s.; which, if paid to any of the other Mutual Offices, would secure a Policy for £800 only, instead of £1000.

The Directors also invite attention to the advantageous terms on which Assurances can be effected with them by way of SINGLE payment,

The following are Examples of the SINGLE Payment for a Provision of £100 at Death.

Age.	Payment.	Age.	Payment.	Age.	Payment.
30	£36 4 0	40	£43 2 10	50	£53 19 3
35	39 2 9	45	48 0 8	55	60 0 8

For a sum of £500 paid down by a person of 40, a Policy of £1160 may be obtained, payable to his Family or Executors at his death, however soon that may happen, with the prospect of additions from the Profits, on the very favourable system of this Society.

While he lives he has nearly as much command of his money as if it had been deposited in a bank. He can either surrender his policy, or borrow a yearly increasing sum on its security alone, without any expense, and at a very moderate rate of interest. Assurances from £50 to £5000 may be secured in this way.

Every information may be had on application at the head office, or to

DIVISION OF PROFITS.

ONE DISTINCTIVE FEATURE in the STANDARD LIFE ASSURANCE COMPANY, the operation of which has contributed in a marked degree to the great success of the Institution, is the mode pursued in the DIVISION OF PROFITS among the Assured, and the Directors request attention to its peculiar advantages. The Divisions are made at intervals of *five* years, and the system is such that the greatest benefits are derived by those Members whose Policies are maintained for the longest period; in other words, *those who pay most Premiums*. Persons who effect Assurances as a provision for their families, or from other prudential motives, can thus look forward to *increasing* advantages as they advance in life, each period of Division they may survive bringing additional benefits.

The mode of division is essentially Tontine. The additions under that system, during the first few years from the commencement of Assurances, may not be so large as in Offices following a mode of Division where the earlier claims have the greater benefit; but it cannot be doubted that the principle of Division in the Standard Company is the more equitable one.

The share of Profits attaching to a Policy may be applied to increase the Sum Assured, or the value may be received in Cash, or be applied to reduce and extinguish the Annual Premiums.

The Company have divided Profits at five periods—1835, 1840, 1845, 1850, and 1855, and in some instances the Bonus Additions made to Policies exceed the original sum assured.

The next Division of Profits will be made in 1860.

TERMS AND CONDITIONS OF ASSURANCE.

THE DIRECTORS INVITE PARTICULAR ATTENTION TO THE TERMS AND CONDITIONS OF ASSURANCE UNDER THE COMPANY'S POLICIES.

SELECT ASSURANCES.

The privileges of this class are—Permission to travel and reside in any part of the world, *free of extra premium*; and the cancellation of all conditions under the Company's Policies, which thus become unchallengeable on any ground whatever, except non-payment of the ordinary premium.

REVIVAL OF POLICIES.

Policies not renewed within the days of grace do not become absolutely forfeited, but may be revived on certain conditions, any time within 13 months from the date of the Premium falling due. The regulations under this head are very favourable to the assured in other respects also, and are worthy of special attention.

SURRENDER VALUES.

Liberal allowances made for surrender of Assurances under the Profit Scheme, at any time after payment of one annual premium.

LOANS.

Advances made on the security of the Company's Policies to the extent of their value, at a moderate rate of interest.

Life Department.

THE BUSINESS of this Company has been greatly extended within the last few years. During the last Financial Year, ended at 31st January, 1857, 681 Proposals for Assurances in Lives, to the ex-

tent of £270,275 were submitted to the Directors, for 587 of which Policies were issued,—the Sums Assured amounting to £225,775, and the Premiums to £7032 16s. 11d.

The success of the Company's operations during the last five years, was tested by a rigid investigation at the close of that period, the results of which were submitted to the Thirty-first Annual Meeting of the Corporation, held in Aberdeen, on 20th March last. At that meeting it was agreed, in consideration of the satisfactory character of those results, to declare a Retrospective Bonus of £1 7s. 6d., per cent. on Policies of the Participation Class, which were in force at 31st January last, (Bonuses previously vested being included) in respect of every year for which Premiums had been received since the investigation of 1852, together with a Prospective Bonus on such of these Policies as might become Claims by death before another investigation. The effect of this, with previous Declarations of Bonus Additions, will appear from the following

Table of vested additions to Policies for £1000.

In all cases, Retrospective Bonuses are vested when declared; and all Bonuses are, equally with the sums originally assured, guaranteed by the Company, while the holders of policies incur no risk by connection with the Participation Branch. Policies of this class are now generally preferred, not only to form Family Provisions, but also for the other purposes to which Life Assurance is applicable

Assurances without participation in profits may be effected with this Company at very moderate rates of premium.

Policy Stamps and Fees to Medical Referees are paid by the Company.

Prospectuses containing important information, with Tables of Rates, may be obtained on application at any of the Offices or Agencies of the Company.

ANDREW COVENTRY, ESQ., ADVOCATE, IN THE CHAIR.

A REPORT by the Directors on the BUSINESS of the Year, ending 31st December, 1856, was read.

In the **Life Department**, in the course of the year, New Policies were issued insuring £274,274; and paying in Annual Premiums, £9061, 14s. 9d.

Since the extension of the Business to Life Assurance in 1823, the Company has paid Life Claims to the amount of £1,285,507.

The ACCUMULATED FUND amounted to £664,692, 13s. 11d. The ANNUAL REVENUE from Life Premiums was £116,846, 13s.

The PROFITS arising from the Life Department do not fall to be ascertained and allocated until the expiry of the Septennial period, 31st December 1858; but looking to the past favourable rate of mortality amongst the assured, and the state of the Life Fund, the benefit of the Prospective or Interim Bonus of £1 per cent. per annum, was extended to all Policies that may be effected before 31st December next.

The Bonus Accumulations at last Division of Profits ranged from 25 to 70 per cent. on the premiums paid.

In the **Annuity Department** the sum of £12,196, 19s. was received for Annuities granted during the year 1856; and the ANNUITY FUND amounted at 31st December to £112,447, 12s. 8d.

In the **Fire Department** the results of the year's business, were equally satisfactory. After providing for the dividend of *Eight per cent.* on the paid-up capital, free of Income-Tax, the sum of £7099, 10s. was carried to the RESERVE FUND, increasing it to £46,994. 0s. 1d. at 31st December, 1856. A dividend at the rate of Eight per cent., free of Income-Tax, was accordingly declared, and made payable on and after the 6th day of April next.

NORTH BRITISH INSURANCE COMPANY.

LIFE ASSURANCE.

THE system of the NORTH BRITISH INSURANCE COMPANY combines the benefit of Mutual Assurance with the safety of a large Protecting Capital, and affords all the facilities and advantages which can prudently be offered by any Life Assurance Office.

Parties may either assure a precise sum at a low rate of Premium, or, as in Mutual Assurance Offices, pay a higher rate, and have Periodical Returns in the shape of Bonus Additions to the sum insured.

NON-PARTICIPATING POLICIES may at any time be transferred to the PARTICIPATING CLASS on equitable principles.

GENERAL FACILITIES.

Bonuses may at any time be commuted for an equivalent Cash Payment, or may be applied in reduction of future Annual Premiums.

Parties who may be desirous to discontinue their Policies (after three years' subsistence) may either have the surrender value in Cash, or a NEW POLICY FOR A CORRESPONDING LARGER SUM FREE OF PREMIUM.

On Insurances for the whole life, half the premium may remain on credit for the first five years, or one-third during the convenience of the party assured.

No extra charge for residence in British North America, the Cape, Australia, (excluding the Diggings,) New Zealand, and parts of the United States; and no license required except for the voyage.

Policies, on proof of age of the party assured, are declared INDISPUTABLE from and after the expiry of FIVE YEARS from their date, provided that the ordinary annual and extra Premiums stipulated by the Policy be duly paid.

Parties effecting Insurance with the Company may, on application, receive a Certificate declaring the Policy *exempt*, FROM AND AFTER THE EXPIRY OF FIVE YEARS FROM ITS DATE, from the payment of extra premium for travelling or residing beyond the limits of Europe, or for entering into MILITARY or NAVAL SERVICE, and from the necessity of applying for license so to travel or reside, or for entering, after the expiry of the said FIVE YEARS, into MILITARY or NAVAL SERVICE, provided it shall be shown, to the satisfaction of the Directors, that they have, at the time of application, no intention or prospect of going abroad, or of entering into Military or Naval Service.

Advances made on Policies to the extent of their acquired value.

No Entry-Money, or other charge beyond the Premium.

N.B.—In order to have the benefit of the year's entry, Proposals on the Participating Scale should be lodged on or before the 31st of December.

ANNUITIES.

1. IMMEDIATE ANNUITIES are granted on favourable terms.
2. DEFERRED ANNUITIES, to commence at any specified age, may be secured, either with or without return of premium.
For Example.—A male of 30 years of age may secure an Annuity of £10, to commence on his attaining the age of 60, for an Annual Premium of £1, 16s., without return, or £2, 6s. 1d. with return of premium to his heirs, in the event of his not arriving at 60.
3. SURVIVORSHIP ANNUITIES may be secured, with or without return of premium.
For Example.—A husband, aged 30, may secure to his wife of the same age a Survivorship Annuity of £10, for an Annual Premium during their *joint lives* of £2, 12s. 10d., without return, or £3, 14s. 2d. with return of the premiums paid, in the event of his being the survivor.

**T**HE BUSINESS carried on by this Association embraces every description of Risk contingent upon Human Life, and combines all the advantages of the MUTUAL and PROPRIETARY Systems of Assurance.

The Policies of the Association are secured by a protecting Capital of ONE MILLION Sterling, subscribed by a large and influential body of Proprietors.

The PARTICIPATION POLICIES receive valuable periodical additions from the profits of the extensive business carried on both in Scotland and England, and thus present a most advantageous mode of Investment for Family Provision, with entire exemption from responsibility. At last Investigation, a BONUS of TWO PER CENT. PER ANNUM, was added to the sums Assured. Thus a Policy opened in 1840 for £2000 was increased at Christmas, 1846 to £2280.

LOANS granted on approved personal security, in connection with Life Assurance.

ANNUITIES and ENDOWMENTS on favourable terms.

A NEW PAMPHLET, with full Tables of Rates, and Illustrations of the different Schemes of Assurance embraced in the business of the Association, may be obtained at the Head Office in Edinburgh, or from the Agents throughout Scotland.

**T**HIS SOCIETY was the First Public Company established in Great Britain to obviate the inconvenience and defects of Suretiship by private Bondsmen, and its security is accepted by the Banks of England and

Ireland, East India Company, and most of the Public Companies, Bankers Commercial and Trading Firms in the United Kingdom.

Persons of the highest character and qualifications frequently decline valuable appointments, either from an unwillingness to place themselves and their friends under so serious an obligation, or the great difficulty of obtaining satisfactory sureties; but the institution of this Society removes these difficulties.

The Guarantee Society undertakes for a small yearly payment to make good to the employer *any loss by the fraud or dishonesty* of the person employed, according to the amount specified in the bond, and therefore obviates the necessity for Private Sureties, as well as the evils arising therefrom, which often prove as prejudicial to the real interests of the Employer as to the person finding the Guarantee of private friends.

Employers, by the existence of this Society, are assured of the continued solvency of the surety for the person employed, and the security thus becomes a permanent one.

Friends and Relatives are relieved of the fear of those pecuniary losses to which persons are exposed who become responsible for the acts of others.

---

*Rates from 10s. per centum per annum and upwards, according to the nature of the employment, or the amount of the Security required.*

No charge is made for Stamp Duty, except in Special cases; the usual legal expenses of Surety Bonds will therefore be avoided by persons who enter on their respective duties under the Guarantee of this Society.

*A reduction is made in the Premium on the Sixth Annual Payment.*
