LIFE DEPARTMENT.

I.—LIFE INSURANCE BRANCH.—The large proportion of NINE-TENTHS of the PROFITS is divided among the Policy-holders, on the participating Scale, every five years; and is allocated not only on the sums insured, but also on the previous additions, if any, which have not been surrendered.

The last Division of Profits was made as at 31st December, 1880, when there was declared a Bonus of £1 7s 6d per cent. per annum.

If taken as a per centage on the original sums assured, this Bonus is equivalent to an addition of from £2 11s 4d per cent. per annum on the oldest Policies, to £1 7s 6d per cent. on those now for the first time entitled

to participate.
II.—ANNUITY BRANCH.—ANNUITIES, Immediate, Contingent, or

Deferred, are granted on favourable terms.

#### FIRE DEPARTMENT.

BUY YOUR BOOTS AND SHOES AT THE

# "PERCY" SHOE HOUSE

AND REALLY SAVE MONEY.

THE system of Selling Single Pairs of Boots and Shoes at Manufacturer's Prices has proved successful beyond the most sanguine anticipations of the Proprietor.

Ladies and Gentlemen daily visiting this model Shoe Depot are amazed and agreeably pleased at the very reasonable prices charged for HIGH-CLASS BOOTS and SHOES, frankly acknowledging the saving of from 20 to 30 per cent. paid to their former Shoemaker for the same Class of Goods.

We receive this testimony of our Customers in all truth, and would wish in passing to impress on the minds of those parties who have not yet favoured our Establishment with a visit that the Mannfacturer who produces and directly thereafter offers for Sale his wares (no intermediate system of "dealing" stepping in to swell the charges), he only is in a position to offer special saving advantages over small shopkeepers, "dealers," "factors," &c.

Why pay 20s when you can receive equal value at the "Percy" for 15s? The same honest saving holds good whether you purchase "Pinet's" Finest or "Percy's" Own.

The Pro Bono Publico System, only carried out at the "Percy" of Selling Single Pairs of Boots and Shoes direct to the Public at MANUFACTURER'S PRICES, has made the name of "C. M. Percy" and "Cheap Boots and Shoes" household words in Greenock.

### RATES OF POSTAGE & CONDITIONS OF TRANSMISSION. Inland Letters.\*

The rates of postage to be prepaid are as follows, † viz:-For a letter not exceeding 1 oz. 1dFor a letter exceeding 1 oz. but not exceeding 2 oz. 11d  $2\bar{\mathrm{d}}$ 2 oz. 4 oz. 4 oz. 6 oz.  $2\frac{1}{2}d$ ,, ,, 3d 6 oz. 8 oz. 10 oz.  $3\frac{1}{2}d$ 8 oz. ,, 12 oz. 10 oz.

A letter exceeding the weight of 12 oz. is liable to a postage of 1d for every ounce, beginning with the first ounce. A letter, for example, weighing beween 14 and 15 ounces, must be prepaid

fifteenpence.

A letter posted unpaid is chargeable on delivery with double postage, and a letter posted insufficiently prepaid is charged with double the deficiency. On re-directed letter, the charge for redirection is the same whether prepaid or collected on delivery.

No letter may exceed the dimensions of one foot six inches in

length, nine inches in width, and six inches in depth.

### Addresses to the Queen and Petitions to Parliament.

Petitions and addresses to Her Majesty, forwarded direct, are exempt from postage; and such petitions and addresses, as also petitions to either House of Parliament, if sent to a member of either House, are likewise exempt, provided they do not weigh more than two pounds, and are either without covers or are in covers open at the sides. No letter, or other enclosure, however, must be inserted; and if one be found, such enclosure, unless it bear the proper number of postage stamps, will be charged as an unpaid letter.

### NEWSPAPERS. - (I.) - Inland.

Subject to the following regulations, Newspapers pass within the United Kingdom at the rate of one halfpenny each:—

1st. To have the privilege of passing as a Newspaper, the publication must first have been accepted as a Newspaper by the Postmaster-General, and have been placed on a Register at the General Post-Offic,‡ from which it is liable to be removed, either through the non-renewal of the registration year by year, or in consequence of any change which may deprive it of the characteristics of a Newspaper.

Registration for inland circulation includes registration

for transmisson abroad.

t The condition of admission to the Register may be ascertained on ap-

plication to the Secretary of the Post Office.

<sup>\*</sup> Inland letters are those which pass between places in the United Kingdom, including the Isle of Man, the Orkneys, Shetland, Seilly, and Channel Islands.

<sup>†</sup> If the weight be exceeded to the smallest extent, even though the balance be merely turned, the letter becomes liable to a higher postage. The same rule applies to letters going abroad. To provide, therefore, for errors in scales, &c., it is well to allow a little margin, or to pay the postage of the next greater weight.

2nd. It must be printed and published in the United Kingdom, must be published in numbers at interval of not more than seven days, and must be printed on a sheet or sheets.

3rd. The full title and date of publication must be printed at the top of the first page, and the whole or part of the title and date of publication at the top of every subsequent page; and this regulation applies to "Table of Contents" and "Indices."

4th. A supplement must in every case be published with the Newspaper, and must have the title and the date of publication of the Newspaper printed at the top of every page; or, if it consists of engravings, prints, or lithographs, at

the top of sheet or side.

5th. For each Newspaper, whether posted singly or in a packet, the postage, when prepaid, is one-halfpenny; but a packet containing two or more registered Newspapers is not chargeable with a higher rate of postage than would be chargeable on a book-packet of the same weight, viz., one halfpenny for every 2 oz. or fraction of 2 oz.

6th. A Newspaper posted unpaid, and a packet of Newspapers posted either unpaid or insufficiently paid, will be treated as an unpaid or insufficiently paid book packet of the

same weight.

7th. The postage must be prepaid either by an adhesive stamp

or by the use of a stamped wrapper.

Sth. No Newspaper can be sent through the post a second time for the original postage. For each transmission a fresh postage must be prepaid, except that in the case of redirection the amount chargeable may be collected on delivery.

9th. Every Newspaper, or packet of Newspapers, must be posted either without a cover, or in a cover entirely open at both ends, and in such a manner as to admit of easy removal for examination. If this rule be infringed, the

newspaper or packet will be treated as a letter.

10th. Every newspaper must be so folded as to admit of the

title being readily inspected.

11th. A Newspaper, whether posted singly or in a packet, which contains any enclosures except the supplement or supplements belonging to it, will be charged as a letter, unless the enclosure be such as might be sent at the Book-rate of Postage and the entire packet be sufficiently prepaid as a book-packet, in which case it may be allowed to pass.

12th. A Newspaper which has any letter, or any communication of the nature of a letter, written in it, or upon its cover, will be charged as an unpaid or insufficiently paid letter.

13th. No Packet of Newspapers must exceed 14 lbs. in weight, nor may it exceed two feet in length or one foot in width or depth.

PARLIAMENTARY PROCEEDINGS.

Printed Votes or Proceedings of the Imperial Parliament sent without covers, or in covers open at the ends, may circulate within the United Kingdom at the rate of one halfpenny for 2 oz. or fraction of that weight.

The words "Parliamentary Proceedings" must be written or printed on the cover of the packet, otherwise it may be treated

as an ordinary Book Packet.

Prepayment, when the circulation is within the United Kingdom, is optional; and if it be made in part, the simple difference

only will be charged.

Parliamentary Proceedings may be sent, under the Book Post privilege, to all the Colonies, and to those Foreign States between which and this country there is a Book Post.

Book Post.—(1.)—Inland.

A Book Packet may contain, not only books, papers, or other substance in ordinary use for writing or printing, whether plain

or written or printed upon (to the exclusion of any written letter, or communication of the nature of a letter), photographs, when not on glass, or in frames containing glass, or any like substance, and anything usually appertaining to such articles in the way of binding and mounting necessary for the safe transmission by post, but also Circulars—i.e., letters which appear from internal evidence to be intended for transmission in identical terms to several persons, and the whole or the greater part of which is printed, engraved, or lithographed.

1st. The postage is one halfpenny for every 2 ozs., or fraction

of that weight.

2nd. The postage must be prepaid, either by adhesive stamps or by means of a stamped wrapper, or by a combination of the two; except at the Chief and District Post Offices, and the Branch Offices at Lombard Street and Charing Cross in London; and the Chief Offices in Edinburgh and in Dublin; where, from 10 a.m. till 8 p.m., it may be prepaid in money, provided the postage amounts to not less than £1 in any one case, and provided the packets are posted in bundles, each representing a postage of 5s.

3rd. A packet posted wholly unpaid will be charged with double the book postage, and if posted partially prepaid

with double the deficiency.

4th. Every book packet must be posted either without a cover or in a cover entirely open at both ends, and in such a manner as to admit of the contents being easily withdrawn for examination,\* otherwise it will be treated as a letter.

5th. A book packet may not contain any letter, or communication of the nature of a letter (whether separate or otherwise), not being a circular letter, or not wholly printed, nor any enclosure sealed or in any way closed against inspection, nor any other enclosure not allowed by section 9. (Entries, however, merely stating who sends the book, &c., or to whom it is given, are not regarded as a letter.) If this rule be infringed, the entire packet will be charged as a letter.†

6th. No book packet may exceed 5 lbs. in weight, or one foot 6 ins. in length, 9 ins. in width, and 6 ins. in depth.

### POST CARDS.

1. Official Post Cards, impressed with halfpenny stamp; double or reply Post Cards impressed with halfpenny stamp on each portion of them, and private Cards embossed at the office of Inland Revenue with halfpenny stamps, may be transmitted between places in the United Kingdom with letters printed or

<sup>\*</sup>In order to secure the return of book packets which cannot be delivered, the name and address of the senders should be printed or written outside thus, "From —, of —,"

thus, "From —, of —,"

written upon the back. Adhesive stamps are not accepted in

payment of the postage.

2. The front (or stamped) side is for the address only, in addition to the printed words "Post Card" and "The address only to be written on this side." There must be nothing else written, printed, or otherwise impressed on it, nor must there be any writing or printing across the stamp. On the reverse side any communication, whether of the nature of a letter or otherwise, may be written or printed. Nothing whatever may be attached; nor may the card be folded, cut, or otherwise altered. If any one of these rules be infringed, the card will be charged 1d on delivery.

3. When, owing to a great and unusual influx of letters, books, &c., the transmission or delivery of the letters would be delayed if the whole mail were dealt with without distinction, Post Cards (unless paid for and posted as late letters) may be kept back until

### CUSTOM OF THE PORT.

The Chamber of Commerce and Manufactures of Greenock, at a General Meeting held this day, declare that the following is the Custom of the Port of Greenock, with reference to the matters herein referred to, applicable when no special stipulations are made in Charter Parties or other binding documents :-

I .- ENTERING CARGO.

1. When a vessel has been reported at the Customs, the Master gives notice to the Consignee, and the latter is bound, within forty-eight hours after such notice, to enter the cargo at the Customs.

II .- BERTHING VESSEL AND DELIVERING CARGO.

1. Vessels are bound to discharge at the berths assigned by the Harbour Master, and Consignees are bound to take delivery of cargo from alongside when landed at the quay at said berths.

2. In the case of Timber discharged into the water, the Consignee is not bound to take delivery unless the timber is inside a Harbour Basin, so that when the assigned berth is not inside a Harbour Basin the ship is bound to float the timber into a Harbour Basin, and deliver it there.

3. All Deals, Staves, or broken stowage must be landed on the

Quay by the ship.

III .- TIME FOR DISCHARGING WHEN NO NUMBER OF LAY DAYS IS-

SPECIFIED IN THE CHARTER PARTY.

1. When the Vessel is in the berth assigned by the Harbour Master, the Master gives notice thereof to the Consignees, and the Master is bound to begin delivering, and the Consignee to begin taking delivery of the cargo within twenty-four hours thereafter, provided the time allowed for entering the cargo shall then have elapsed.

2. The Master is bound to tender, and the Consignee to receive, cargo each working day, weather permitting, at the following rates, unless a larger quantity is mutually agreed on, or unless modified by the Harbour Master, in virtue of the powers

possessed by him under the Harbour Bye-Laws :-

a. Vessels laden with sugar not exceeding 200 tons register. are allowed one working day for every 50 tons of the estimated weight of the cargo; and vessels above that tonnage similarly laden are allowed one day for every 75 tons of the estimated weight of the cargo during the winter months (October to February inclusive), and for every 100 tons of such estimated weight during the remainder of the year, except in regard to vessels with Brazil cases of sugar, which are allowed one day for every 50 tons during the first period, and every 75 tons during the latter period.

b. Vessels with Wood or Timber are allowed one day for every 100 loads of the cargo during the winter months, and for

every 150 loads during the remainder of the year.

c. The Discharge of Vessels laden with other non-dutiable goods to be carried on during the ordinary working hours according to the season of the year-unless when overtime is worked by mutual agreement, and consignees are bound, weather permitting, to keep the Discharge going continuously during said hours, and to receive and to remove the cargo from the Ship's gangway in such a way as to enable the work to be carried on without interruption throughout the entire discharge to the full extent of the ordinary hours allowed for carrying on the work.

IV .- LAY DAYS WHEN THE NUMBER IS SPECIFIED.

1. The Master gives written notice to the Consignee when the Vessel is in the Discharging Berth assigned by the Harbour Master and ready to discharge, and the lay days begin to count from the date on which the said notice is given; but the day of giving notice does not count as a lay day unless the said notice is received by the Consignee before Twelve o'clock Noon.

2. In case the Harbours are so crowded that the Vessel cannot be berthed, the Master gives written notice to the Consignee when the Vessel is in the Harbour Basin or moored at the Quays, and, provided she would have been ready to begin discharging if the Berth had been available, such notice takes the place of that

provided in the previous Clause.

3. Days (not described as "running days") meaning working days—i.e., Sundays and Customs and local holidays do not count.

4. When the number of lay days is specially mentioned for discharging, the Master is bound to tender, and the Consignee to take delivery of a proportionate quantity of the cargo each working day, unless some other quantity is mutually agreed on.

Note.—Should the said proportionate quantity be less than the quantity specified above (Section III., Clause 2), the Master is bound to tender, and the Consignee to take de-

livery of the latter quantity each working day.

5. When the number of lay days for discharging is the unexhausted balance of a number specified for discharging and other purposes, the quantity to be tendered and taken delivery of each working day is the quantity specified above (Section III., Clause 2), unless a larger quantity is mutually agreed on.

6. A day does not count against the Consignee if the discharge is interrrupted through failure of the Master to tender cargo as

above stated.

V .- SETTLEMENT OF FREIGHT.

1. Freights on Wood and Timber from Ports in Canada and United States are payable one-third in eash on arrival, and the remaining two-thirds on right and true delivery of the cargo in good and approved Bills at four months, or in eash less four months' discount at the rate of five per cent. per annum, from

the date of completion of discharge.

2. All other Freights, except Coasting and Continental Freights, are payable on right and true delivery of the cargo in cash, less one month's discount at the rate of five per cent. per annum, from date of Vessel's report at Customs, in cases of cargoes from Ports on this side of Cape Horn and the Cape of Good Hope, and less two months' discount at the said rate in cases of cargoes from Ports on the other side of the said Capes.

3. Freights on goods payable by weight are payable on the net weight delivered, unless otherwise specially stipulated; except Coasting and Continental Freights, which are payable on the gross weight, unless otherwise specially stipulated. payable by measurement are payable by calliper measure, unless otherwise specially stipulated.

4. When Freight is payable by a Bill on Usance on London or in cash equal thereto, cash without discount is meant, or a Bill for the same amount on London at such a date as the Banks here

will grant without charge.

5. Approved Bills means Bankers' Drafts or Acceptances guar-

anteed by a Banker.

6. When the ship is consigned to charterers or their agents paying usual or customary commission, the consignee of the cargo is entitled to deduct two-and-a-half per cent. from the amount of freight payable by him.

Note.-When freight is to be paid in cash on right and true delivery of the cargo, without reference to the custom of the

port, net cash free from discount is meant.

GLASGOW GRAIN AND GENERAL

## GRINDING MILLS

AND

## COFFEE ROASTING WORKS.

FRENCH Scientific Gentleman, who has directed his attention to the subject of Coffee Roasting, says:—I have found that Coffee is better roasted, and more of the aroma retained, when a double cylinder is used—the air between the interior and exterior cylinders acting as a con-conductor of heat. It is done more uniformly, while the essential oil on which the aroma depends is less liable to be depressed than when exposed to the fierce heat of a fire in a single cylinder.

In the double rotary globular method of roasting as practised at Mr Minto's Works, Græme Street, Glasgow, the above principle is acted upon, inasmuch as the globe (which has superseded the cylinder since the application of steam power to this branch) revolves in a medium of heated air, which experience has shown

best prevents the dispersion of the essential oil aroma.
