Preface.

The poems in this work have, with only a few exceptions, been taken from Dr. Maclean's MS., R. Macdonald's collection, Gillies's collection, A. and D. Stewart's collection, Turner's collection, John Maclean's MS., and D. C. Macpherson's Duanaire. Dr. Maclean's MS. was written about the year 1770, and John Maclean's about the year 1815. R. Macdonald's collection was published in 1776, Gillies's collection in 1786, A. and D. Stewart's collection in 1804, Turner's collection in 1813, and D.C. Macpherson's Duanaire in 1868.

We are in possession of John Lom's poems not as they were made, but as they were taken down from oral recitation long after the death of their author. Owing to this fact some of them are full of glaring mistakes and others extremely imperfect in versification, whilst a few of them are either mere fragments or an incongruous mixture of two or three different poems. As a general rule the oldest written or printed form of a poem

is the most correct. This is unquestionably true of John Lom's poems. Whilst we should feel thankful to Turner for his collection, it must be admitted that his versions of old poems are frequently extremely inaccurate.

I have made several changes in some of the poems in this work. My aim in making these changes was to remove obscurities, to correct inaccuracies in historic matters, and to bring lines to be of the proper length. That these changes are improvements, I do not pretend to say. Such of them as are of any real importance are pointed out in the notes.

The poems that appear in this work were published in *THE CASKET*, Antigonish, and struck off from the type of that newspaper in book form. As the proofs could not be sent me I had no opportunity of correcting misprints or making alterations.

I have to thank the Rev. Alexander Macdonald, D.D., of St. Francis Xavier's College, Antigonish, for the interest taken by him in this work. Were it not for his kindness in getting it published in *THE CASKET* it would, in all probability, never appear.

I sincerely trust that some one who is

better acquainted with the history of the Highland Clans in the days of John Lom than I am, and who may have access to manuscripts that I have never seen, will favor those who take an interest in the poems of the famous Keppoch bard with a better edition of them than I have been able to give.

John Lom Macdonald.

John Macdonald, one of the most celebrated of the Gaelic bards, was born in the Braes of Lochaber. He was a great-great-grandson of John Alainn, fourth Macdonald of Keppoch. He was known as Iain Lom, and also as Iain Manntach. He had a large amount of general information, and was intimately acquainted with all the political plans and movements of his day. He belonged to the Roman Catholic Church. He was an ardent Jacobite, and an active and influential member of his party. He was a man of superior talents, intense earnestness and unflinching determination. He spoke and acted according to his convictions. He was thus respected and feared by those who knew him. He was a faithful friend, but a bitter enemy. He possessed poetic gifts of a high order, and composed a large number of valuable songs and elegies. His powers of invective were extraordinary. He was a very old man at the time of his death. He was buried at Dun-Aingeal. Some of his admirers erected a handsome mon-

ument over his grave a few years ago.
In reading his poems we must remember
that he lived in rough times.

CUMHA AONGHUIS MHIC-RAONNILL OIG.

'Rìgh, gur mor mo chuid mulaid,
Ged is fheudar dhomh 'fbulang,
Ge b'e 'dh'ei-sdeadh ri m' uireasbhìdh 'aireamh
Bho na chaill mi na gadhair,
Is an t-eug gan sior thaghall,
'S beag mo thoirt gar an taghail mi 'm Braighe.

Is eun bochd mi gun daoine,
Air mo lot air gach taobh dhìom;
Is tric rosad an aoig air mo chairdean-

Gur mi 'n giadh air a spionadh,
Gun iteach, gun linnich,
'S mi mar Oisain fo bhinn an taigh Phadrig.

Gur mi 'chraobh air a rusgadh,
Gun chnothan, gun ubhlan,
S' an snothach 's an rusg air a fagail.

Ruaig sin ceann Loch-a-Tatha,
'S i 'chuir mis' ann am ghaibheach;
Dh' fhag mi Aonghas na laighe 'san araich.

Mun do dhirich sibh 'm bruthach
'S ann 'nur deidh a bha 'n ulaidh;
Bha sar ghiomanach gunn' air dhroch caradh,

Ged a dh'fhag mi ann m' athair,
Chan ann air tha mi 'labhairt,
Ach mu'n lot 'rinn an claidheabh mu. t' air-
nean-s'.

Gur h-e dhruidh air mo leacainn
'M buille mor a bha 'd leth-taobh,
'S tu 'nad laigh' an taigh beag Choire-Char
maig.

B'i mo ghradh do ghnuis aobhach
 'Dheanadh dath le t' fhuil chraobhich,
 'S nach røbh seachnach air aodann do namhaid.

Gadhar, a hound, a lurcher. Rosad, misfortune, mischief. Linnich, layer, lining. Gaibheach, a person in want. Leacainn, the side of the head.

Angus Macdonald, of Keppoch, Aonghus Mac Raonuill Oig, and John Lom's father, Domhnall Mac Iain mhic Dhomhnuill mhic Iain Alainn, were killed at the fight of Strona-chlachain, near Loch Lay, in 1640.

Oran Do Dhomhnall Gorm Og.

A Dhomhnaill nan dun,
 'Mhic Ghilleasbuig nan tur,
 Chaidh t'èineach 's do chliu thar chach.

Tha seire ann ad ghruaidh;—
 Caol mhala gun ghruaim,
 Beul meachair bho 'n suairce gradh.

Bidh sud ort a triall,
 Claidheabh sgaiteach gorm siar;
 Air t' uilinn bidh sgiath, gun sgath.

'S a ghrabhailt mhath ur
 Air a taghadh o'n bhuth;
 B' i do roghainn an tus a bhlair.

A churaidh gun ghiamh,
 'N trath ghabhadh tu fiamh,
 'S e 'thogadh tu sgian mar arm.

'N trath chargadh tu 'n t-suil
 Ri d' ghunna nach diu't,
 Gum bitheadh ann sugradh searbh.

LUIÑNEAG.

Hi rim ho ro, ho ro leatha,
 Hi rim ho ro, ho ro leatha,
 Hi rim ho ro, ho ro leatha,
 Chaidh an latha le clann-Domhnuill.

'N cuala sibh an tionndadh duineil
 'Thug an camp' a Cille-Chuimein?
 'S fad' a chaidh ainm air bhur n-urras;
 Thug sibh as bhur naimhdean iomain.

Dh' aithnich mi bhur surd air tapadh
 A direadh am mach glun Chuil-Eachidh
 'S ged tha mo dhuthich 'na lasair,
 'S eirig air a chuis mar thachair.

Ged a bhiodh oighreachd a Bhraighe
 Gu ceann sheachd bliadhna mar tha í,
 Gun chur' gun chliathadh, gun aiteach,
 'S math an riadh 'sa bheil sinn paighte.

Dhirich mi moch maduinn cheorich
 Gu braigh' caisteal Inbhir-Lochidh;
 Chunnic mi 'n t-arm a dol an ordagn,
 'S bha buaidh a bhlair le Clann-Domhnaill.

Alasdair nan geur-lann sgaiteach,
 Thoisich thu 'n de ri cur as daibh;
 Chuir thu ratreut seach an caisteal,
 Agus surd gle mhath ga leantail.

Alasdair nan geur-lann guineach
 Nam biodh agad t' armuinn uile,
 B' f heudar do na dh' fhalbh diu fuireach,
 S ratreut air prabar an duilisg.

Alasdair mhic Cholla ghasda
 Lamh dheas a sgoltadh nan caisteal;
 Chuir thu'n ruaig air Gallaibh glasa
 'S ma dh' ol iad cal chuir thu asd' e.

Thug sibh toiteal teth mu Lochidh
 A toirt bhuillean mu na sronaibh;

 Agus cuilbheir, caol, direach,

 Tha e 'm bladhan' aginn 'na thodhar,
 Gun inneir chaorach no ghobhar
 Ach fuil nan Duibhneach air reothadh,

Montrose entered Argyle on the 13th of December, 1644. He sent his followers in various directions, plundering and

laying waste the lands of the Campbells. He collected them together on the 29th of January, 1645, and began marching towards Inverness. When he was at Cille-Chuimein, or Fort Augustus, a messenger came to him in great haste with the information that the Marquis of Argyll had entered Lochaber with an army of 3000 men, that he was burning and laying waste the country, and that his head-quarters were at Inverlochy. It is to Argyll's depredations that the line, "Ged tha mo dhuthich 'n a lasair" refers. Montrose marched back with all possible speed to attack Argyll. He arrived in Glen-Nevis on the evening of February 1st. The battle of Inverlochy began shortly after sunrise on Sunday, February 2nd, 1645. Argyll's army was made up of his own followers and 1,000 Lowlanders. It was commanded by Sir Donald Campbell of Auchinbreck, a very brave man. Argyll prudently withdrew from the scene of action the night before the battle. Montrose's army consisted of the Irishmen who had come over to Scotland with Alasdair mac Cholla, the Macdonalds, the Stewarts and Robertsons of Athole, the Farquharsons, Camerons, and others. Montrose won a

complete victory. He lost only eight men, Lord Ogilvie, Captain Brain and six privates. Argyll lost fourteen barons of his own clan and 1,500 common soldiers. Among the prisoners taken was Sir Donald Campbell of Barbreck, a greedy and cruel man, who had succeeded in making himself proprietor of Ardnamurchan. John Lom viewed the battle from an elevated spot that overlooked the castle of Inverlochy, which was occupied by fifty of Argyll's musketeers. The battle was begun by George Stewart, son of the laird of Urrard in Athole. He was known as Deorsa Mac Alasdair.

The battle of Auldearn was fought May 9th, 1645. General Hurry had 3,500 foot and 400 horse. Montrose had 1,500 foot and 250 horse. Alexander Macdonald, who had 400 men under him, left a strong position behind a garden wall to attack his foes. He was compelled to retreat, and was in great danger when going back through the garden gate. The Mackenzies and Frazers fought under Hurry. Among the slain was Sir Mungo Campbell, of Lawess, tighearna Labhair.

'Sir Lachlan Maclean of Duart was
 seized at Inverary by the Marquis of Ar-
 gyll, in 1647, and imprisoned in the
 Castle of Carrick. He was kept in
 prison about a year. He died shortly
 after being set at liberty.

Cumha Alasdair Mhic Cholla.

 Ged a sgriobht e air paipeir,
 Ach a mheud 's a bha 'n ardan 'ad shroin.

 Mun dig croich air a mbiorbhuilean mor'.

'S eil leam sgapadh fir Ile,

The garrison of Dainaverty, consisting of about 260 men, surrendered to General David Leslie shortly after the middle of July, 1647. The helpless prisoners were put to death five days afterwards. A few weeks later Colla Ciotach, who had fallen into Leslie's hands, was hanged at Dun-

staffnage. Alexander Macdonald, Alasdair Mac Cholla, left Ireland for Scotland with 1,500 men, July 27th, 1744. He returned to Ireland in May, 1647. He was killed at the battle of Cnocnanos, in the County of Cork, November 13th, 1647.

'G amharc luchairt a bhaile,
Agus tur Abargheallaidh,
, Gun luchd-surd a bhi 'n talla nan teud;

'G amharc aros nan luibhean,
Far am b' abhaist dhuit suidhe;
Bhiodh ann faileadh nan ubhall 's nam peur,

Aig ceann-uidhe nan Gaidheal,
Far an suidheadh iad statail,
Gheibhteadh racha gach aite dhaibh reidh,

Gheibhteadh coinnlean an lasadh
An ceann choinnleirean praise;
Bhoidh do sheomraichean laiste le ceir.

Chluinnteadh gleodhartaich feodair
'Cur an adhaifeibh beoire,
Seal mun digeadh trath-noine do 'n ghrein;

'S uisge-beatha na tairgne

'S m'vai uchd-gheal, gruaidh-dhearga, 'cur

Chan e gaoir bhan a Chlachain
 A tha mise 'n diugh 'g acain,
 Gar an òigeadh gin asde 'n choig ceud.

'S bodhd an naidheachd an Albainn
 Bog-na-gaoth' an Strath-bhalgaidh
 'Bhi ga chlaoidheadh le armaitibh sreìn';

Agus leithid Mòrair Hunndaidh
 A bhi 'n laimh an t ll-butha,
 Agus naimhdean 'na dhuthchannaibh f hein.

Morair Hunndaidh 's am Marcus
 Bho thur nan clach' naidhte,
 Far 'm bu tionmhor laogh breac ri cois feidh.

Ach ma chaidh do ghlacadh
 Leis a Mheinneireach as-caoin,
 B' e mo dhiubhail a bh' aca 's b' e 'm beud.

Fior thoiseach a gheamhraidh,
 Ann am fochair na samhna,
 Bha do bhochdan air tionndadh bho 'n ceill

N Dail-nam-both an Strath thamhann.
 Aig a bhrothair' gun naire,
 Bha lamh-sgapidh a mhail air luchd-theud.

'S ann an clachan Chill-muiee
 'Dh' f hag sibh 'n ceannard gun tuisleadh,

LUINNEAG.

Lamh an Rìgh leinn, a dhaoine,
 Cuin a chaoch 'leas a bheirt so?
 'S gu fheil fios san Roinn-Eorpa
 Gur h-i choir tha sibh sracadh.
 'Fhir a chruthaich o thus sinn,
 Cuir a chuis gu treun, taiceil,
 Air na Banntairean breige
 'Rinn an eucoir a chleachdadh.

'S mi ag amhais Strath chuaiche,
 'S mor mo ghruai n, 's cha bheag m' eislein,
 'S mi ag amharc nan gleanntan
 San robh 'n camp' aig Iarl' Einne;
 Ris an goirt' an t-Eun Tuath ch,—
 Eun nach d' fhuaradh ri breun chirc,
 Ged a tha e 'san am so
 'Se gun cheann an Duneideann.

Gur a mor mo chuis mulaid
 'S mi air m' uilinn 'am onrachd,
 'S mi ag amharc an righe
 For 'n do shuidhicheadh bordaibh.
 Tha e 'n duigh fo ghleus chapull,
 Fo fheur fad' agus folach;
 Chaill e 'nachdaran smachdail,
 An deagh Mharcus cha bheo e.

Naile, chunnaic mis' uair thu,
 Is gum b' uasal do loiseam,
 'Tigh 'nn am mach le d' gheard rioghail
 Air na grinneinean gorma;
 Luchd nan casagan sìoda

'Ghlacadh pic gu grinn' modhar,
Is a bheireadh adbhansa
Ann an am dol an òrdagh.

Bha mi eolach ad thalla,
'S bha mi steach ann ad sheombar;
Bhiodh ann iomairt air taileasg,
Is da chlarsaich a comhstrith;
Gus am freagradh am balla,
Do mhactalla nan oragan,
'S bhiodh fion Spainteach ga thogail
'M pairt de dh-òbair nan or-cheard.

Cha do dh-fhogainn leo t' fhogradh
Air feadh fhrogan ga t' fhalach;
Ach do thur-bhailtein mora
Bhi gun choir aig Mac.Cailein.
'N uair a fhuair iad thu t' onrachd,
Rinn iad oirne gnìomh alla;
Bha t' fhuil rioghail gun fhòtus
Ga dluth dhòrtadh mu 'n sgafal.

Ach a Thearlaich oig Stiubhairt]
'S fad' an dusgadh so t'h' agad;
Gur a fad' ann ad shuain thu,
S tim dhuit gluasad bho' d chadal.
Mur h 'ell t'aire gu dìreach
Air do righeachd a thagradh;
Leig d'niot 's an droch uair i.
Mur h-eil cruadal ad aigneadh.

'S math an cuideachadh sluaigh dhuit
Thu 'bhi 'n uachdar na corach,
Gu coir t' athar a dhiughladh
Air na h-Iudasaich dheamhnaidh.
Ach na faireadh iad baòth thu,
No blas faoin air do chomhradh;
No mar chladheah bog staoine
An truail chaoin air a h-oradh.

Tha ard uaislean do righeachd
'N dìugh gan stiogadh an claisean,

Is gam falach an guibhsaich
 'N deidh do chuinneadh a phasadh.
 Daoine beag' a rinn cillein,
 'S iad lan gionaich gu 'n craicionn,
 Tha nam parlamaid rioghail,
 'N deidh an rìgh a chur seachad.

Tha na h-amraichean-muine
 'Gabhail iuil 'sa chuan fharsuinn;
 'S an loingear daraich a crionadh,
 'S am biodh fion gun dad airce,
 Is 'gan tilgeadh air oitir,
 As na portaibh a chleachd iad.—
 Ma mhaireas an tuil so,
 'S mairg a dh'fhuirich r'a faicinn.

 Ge tric do dhreach gam dhusgadh
 Cha ruisg mi 'chach e 'n nochd.

'Mhic Neill o Asainn chianail,
 Nan glacainn ann am lion thu,
 Bhiodh m' fhacal air do bhinn
 Is cha diobrainn thu o 'n chroich.

DO MHAC-GILLEAIN DHUBHAIRT.

Ged is fada nà thuath mi,

Gu duthaich Shir Lachuinn
 Nam piob is nam bratach;

 Ris na teudan bu dluite,
 'Bheireadh mise do'r duthaich bhig, chrin.

Gur h-e bas Mhic-Gilleain,

Agus blaignean nan ceann 'gan toirt sìos.

Is mòr abhar mo shulais ri gaire.

Ged is fada 'nam thosd mi,
Ma 's a cuis sin a 's olc leibh,

As na cliathan teann, druidte,

Mort Na Ceapich.

'S teare an diugh mo chuis ghaire
 'Tigh'nn na raidean so 'n iar,
 'G amharc fonn Ionarlaire
 'N deidh a stracadh le siol;
 Ged tha 'Cheapach na fasach,
 Gun aon aird oirr' a's fiach.
 'S furasd' fhaicinn, a bhraithrean,
 Gur trom 'bharc oirnn an t-sionn.

'S fad' bhios cuimhn' air an Aoine
 'Dh' fhag a chaoidh sinn fo sprochd,

Ann an am na Feill-Micheil,
 'S cha bu ni 'chall air flod;
 Ach bhi 'n diugh 'n ar cuis-bhurta
 Mar mhiol-buirn air an loch;
 'N uair 'theid gach cinneadh a dh-aon taobh,
 Bidh sinne sgaoilt' mu 'n chnoc.

'S ann Di-sathuirne gearr bhuainn
 Bhuail an t-earchall orm goirt,
 'S mi os cionn nan corp geala
 'Bha 'call fala fo 'n bhrot:
 Bha mo lamhan-sa craobh dhearg
 'N deidh bhi taosgadh bhur lot;
 'S e bhur cur ann sa ehiste
 Turn a's misde mo thoirt.

B' iad mo ghaol na cuirp chul-bhuidh'
 'Sam bu dluth cuir nan sgian
 'S iad 'nan sineadh air urlar
 'N seomar ur gan cur sios,
 Fo chasan Shiol Dughail,
 Luchd a spuilleadh nan cliar;
 Dh' f hag a'iedh am biodag
 Mar sgail ruidil bhur bian.

Fha 'n taigh cadail 'n diugh duinte,
 'Se gun smuid deth, gun cheo;
 Far an d'aom iad d' ur n-ionnsaidh
 'Thaobh ur cuil is ur beoil,
 Ach nan robh agaibh uin'
 Bho 'r luchd mi-ruin a bhi beo,
 Cha bu bhaile gun surd e,
 Bhiodh ann muirn agus ceol.

'S fuar caidreamh taigh-tabhairn,
 'San robh gairich is cosd,
 Far nach cluinnear guth clarsich
 Ach goir chraiteach nam bochd;
 'N diugh mar thaileasg fo dhaoin'
 Tha t' fhearann sgaoilte 's e nochd;
 Tilgear urchair na disne,
 'S chi gach ti am meur goint'.

Oirne thauig an diombuaidh
 Is an iomagain gheur,
 Mar bha claidheabh ar fine
 Cho minig 'nar deidh;
 Paca Thureach gun sireadh
 A bhi pinneadh bhur cleibh,
 Bhi 'nur breacain 'gur filleadh
 'Measg 'ur cinnidh mhoir fein.

'Leith'd de mhort cha robh 'n Albinn,
 Ged bu bharbarr' a gleus;
 S' cha bu laghail an t-sealg e
 'Chosnadh sealbh rioghachd Dhe.
 Ge b' e 'm fath mu 'n robh 'n sgionadh,
 'Chaoidh chan innis mi 'n sgeul;
 Cha dan' a leithid de mhilleadh
 Air ceann-cinnidh fo 'n ghrein.

Ghabh sibh roimhe so fath oirnn,
 Dh' fheuch bhur cairdeas ruinn geur;
 Chaidh sibh 'staigh ann san fhasach
 'N uair a thar sibh bhi reidh;
 Chuir sibh cungaidh a chaise
 'Staigh an aros nan teud,
 'S cuid de 'm buaillichean ba-chruidh
 Ann an garadh nam peur.

Cait an robh e fo 'n adhar
 'Sheall 'nur bathais gu geur,
 Nach dugadh dhuibh athadh,
 Luchd 'nr labhairt 's 'ur beus,
 Mach bho chlann bhrath 'r 'ur n-athar,
 'Mheall an t-aibhistear treun?
 Ach ged rinn iad bhur lot-sa,
 'S trom an rosad dhaibh fein.

Tha leann-dubh 'na chas cruaidh orm,
 'Tigh 'nn an uaigneas mo chleibh;
 Leis mar dh' f has e 'na chuan orm,
 B' fhearr leam bhuan e marcheud.
 Ciamar dh' fhaodas mi dìreadh,

Gun ite dhìles 'nam sgeith;
Is luchd deanamh na sìthne
Bhi feadh na tire gun deidh.

'S og a bha sibh de bhliadhnaibh,
Ghlac an ciatadh sibh luath;
'S glan a nochd sibh bhur ciall
Gu cur bhur riaghailtean 'suas.
Ge b'e ghabhadh rium fiabhras
Bhi 'gur n-iargain 's sibh bhuan,
Bidh mi 'cumha mu 'r riasladh
Gus an liath air mo ghruaig.

Chuir Dia oirnn mac oighre
Gu bhi 'na choinnleir roimh chach,
'Chum gun soillsicheadh 'sholus
Mar phreas-tòridh fo bhath.
'S mi gum freagradh do chaismeachd
Air fraoch-bhratich gun chearb,
Dealbh do bradain, do dhobhrain,
Do luing', leoghin, 's laimh dheirg.

Dh' ordich Dia dhuinn craobh-shiochaint
'Chumadh dìon oirnn le treoir,
Do 'm bu choir dhuinn bhi strìochdadh
Fhad 's an cian 'bhiomid beo.
Ma 's sinn fhin a chuir dìth oirr'
Chan fhèarr a chrìoch a thig oirnn;
Tuitidh tuagh as na fàitheas
Leis an sgathar na meoir.

An glan fhiuran so 'bh' aginn
'N taobh so fhlaithheas Mhic Dhe,
An t-aon fhliuran a b aillidh'
'Bh' ann sa phàirc an robh speis,
Thanig sgiursadh a bhais air
'Thug gu lar e 'dh-aon bheum,
Mar gum buaineadh sibh ailean
Leis an fhaladair gheur.

'S math is toilltinneach sinne
'Bhi gu minig am pein,

Ehòn a ghlac sinn fal spiorad
 Ann an ionad fiamh Dhe.
 Mar luirg bhrìst' air an linge,
 Ged bu mhillis am beul,
 Bha na daoine dha 'm buineadh
 A bhi umaibh mar sgeith.

Tha mulad air 'm inntinn
 A bhi 'g innseadh bhur beus':
 'S ann a ghabh iad am fath oirbh
 N uair chaidh 'ur fagail leibh fein.
 'S bochd an sgeul eadar bhraithrean
 'Dhol an lathair Mhic Dhe,
 Mar a chreachadh na fiurain
 Leis na h-Iudasich bhreun.

Cha b'e sud 'bha mi 'g ionndrainn,
 Ge do phlunndrig iad sibh,
 Ach na h-oganich chul-bhuidh'
 Air an lubadh 'san lion.
 'S e 'chuir stad air mo shugradh
 'S 'dh-fhag mo shuilean gun dion,
 Sibh bhi sint' ann sa chruisle
 'S graisg na duthcha gun fhiamh.

Gun sealladh Dia oirnn le 'ghrasan
 Ge b'e la thig ar crìoch,
 Bhon is mallicht' an t-al sinn
 'S gur mairg a ch-araich ar trian;
 Is gne Thurcach gun bhaigh sinn
 Ach nach d' aichaidh sinn Crìosd;
 Fagaidh muir air an t'aigh sinn
 Mar chulidh-bhaite gun dion.

'Dheil an stoc as an d' fhas sibh,
 'Cur bhur bais an neo-shuim,
 'S uir-luch riabhach na pairce
 'Gabhail saith fo fhal-fuinn?
 Cìamar 'dh' fhuilingeas tu fein sud,
 Gun t' fhuil a dh' eirigh fo thuinn,
 'S gur tu 'thog iad 'nan oige,
 'Staigh mu bhord an Dun-tuilm?

'S iomad oganach treubhach,
 'Shiubhleadh reidh is glaic chrom,
 Eadar ceann Drochaid Eire
 'S Rudha Shleite nan tonn,
 A ghrad dheanadh leat éirigh,
 'Dheagh Shir Seumas nan long,
 'S leis 'm bu mhiann 'bhi' diol t'éirig,
 Nam biodh do chrenuhag lan tholl.

Ach a Mhorair Chloinn-Domhnaill
 'S fad' do chomhnidh 'measc Ghall;
 Dh' fhag thu sinn' ann am breislich
 Nach do fhreasdail thu 'n t-am;
 Cha mho ghleidh thu na gibhtean
 'Chaidh gun fhios duit air chall;
 Tha sinn corrach as t' aogais,
 Mar cholainn sgaoilte gun cheann.

A Mhic Moire 's a Chrìosda
 'Dh' fhuiling pian nan coig creuchd,
 Faic mar theill iad an diteadh.
 Gach aon ti 'bha mu 'n eug;
 Ma tha toradh 'san diogh 'ltas
 'Chur do righeachd an leud,
 Gaoir na fala tha 'dhith orm
 Gu ruige sith flaitheas De.

He was an excellent young man. Alasdair Buidhe, third son of Alasdair nan Cleas, had acted as Tutor of Keppoch for a number of years. He was an ambitious, selfish, and unscrupulous man, and resolved to get rid of his two nephews, Alexander and Ronald by assassination in order to secure the chieftainship of the Macdonalds of Keppoch for himself. He had five sons, Allan, Archibald, Alexander, Donald, and Ronald. Allan and Donald, assisted by Alasdair Ruadh Mac-Dhughail of Ionarlaire and his six sons, went stealthily to Keppoch house and murdered Alasdair Mor and his brother Ronald, who was only a young boy. The horrible deed was committed in September, 1663.

“Mort na Ceapich” is a very beautiful poem, and gives us a good view of John Lom in a state of repose. He stands before us as a tender-hearted and faithful friend, a preacher of truth and righteousness, and a man of firm faith in a just God. The appeals to Macdonald of Sleat and MacDonald of Glengarry show good sense and good taste. The poet was a skilful pleader.

DO MHAC-MHIC-RAONAILL NA CEAPICH AGUS
A BHRATHAIR, A CHAIDH A MHORT 'SA
BHLIADHNA, 1663.

'S mi am shuidh' air bruaich torrain
Mu 'n cuairt do Choire-na-cleithe;

Ged nach h- 'eil mo chas crubach,
Tha lot na's mu orm fo m' leine;

Ged nach h- eil mo bhian sracte,
Tha fo m' aisne mo chreuchdan;

'S chan e curam na h-inrich,
No iomagain na spreidhe;

No bhi gam chur do Cheann-taile,
'S gun fhios cia 'n t-aite do 'n deid mi;

Ach bhi 'n nochd gun cheann-cinnidh;
'S tric 's gur minig leam fein sin;

Ceann-cinnidh nam Braigheach
'Chuireadh sgath air luchd-Beurla.

Tha mo choill air a maoladh,
Ni a shaoil leam nach eireadh.

Tha mo chnothan air faoisgneadh,
'S cha bu chaoch iad ri 'm feuchinn.

Chan fheil ann diu ach tuaileas,
Dh' fhan iad bhuan am barr gheugan.

Cha b'e fuaim do ghreigh lodain
'Gheibht' a sodrich gu feilltean;

No geum do bha tomairn
'Dol an coinnimh a ceud laoigh;

No uisge nan sluasid *
Bharr druablas na feithe.

'S e bu mhiann le d' luchd-taighe.
'Bhi gan tathich le beusan;

Mu dha thaobh Garbh-a-chonnidh,
Far 'm biodh na sonnanich gle mhor.

Le am morgha geur, sgaiteach,
Frith bhacach, garbh leumnach.

'S beag an t-ionghnadh leam t' uaisle
'Thigh'nn an uachdar ort 'eudail;

Is a liuthad sruth uaibhreach
As 'n do bhuaineadh thu 'n ceud uair.

Ceist nam fear thu bho'n Fhearsit
Is bho Cheapich nam peuran;

Bho Loch-treig an fheoir dhosrich,
'S bho Shrath-Oisein nan reidhlean,

'S bho cheann Daire-na-mine
Gu Sron-na-h-iolaire leithe.

Sliochd an Alasdair Charrich
'Rachadh allail 'na eideadh;

Sar mhac an Iarl Ilich
Ceannard mhiltean is cheudan.

'S ro mhath shloinninn do shìnsreadh,
Fuil dhireach Chuinn Cheud-chathich;

Bho mhac an rìgh Spaintich
A rinn tamh ann an Eirinn.

Sìol Mhìlidh nan cathan
A bha grathun 'san Eiphaith.

B'è mo chreach is mo ghonadh
Nacn d'fhuair thu cothram na Feinne.

Gun tigh'nn ort 's tu 'nad chadal
Ann an leaba gun eirigh,

'S ann air maduinn Di-domhnaich
'Rinn na meirlich do reubadh;

Da mhac brathair t' athar,
Gum bu scrathail leam fein sud.

Agus seachd de shìol Dughail
Luchd spuilleadh nan ceudan.

Ach thig Sir Seumas nam bratach,
'S bheir e 'm mach dhujinn bhur n-eirig;

Agus Aonghus bho Ghairidh,
Leoghan fathramach gleusta;

'S gun a choimas air thalamh
An am tarruinn nan geur-lann.

Thig na cinn dibh a chonaibh,
'S ann leam 'bu toilicht' an sgeula.

Oran do Shìol Dughail.

'S trom 's gur h-eis leineach m' aigne,
'N duigh gur feudar dhomh aideach',
'S iad gam ruagadh mar chabrach nan torr.

Iad gam fhogradh a Clachaig,
'S mi gun mhanas, gun aitreabh,
'S nach h-e 'm mal a tha fairtleachadh orn.

Iad gam fhogradh a m' dhuthaich,
 'S m' fhearann posd' aig Siol Dughail,
 'S iad am tarail gun uraich iad coir.

Iad gam fhogradh gun aobhar,
 'S nach mi shalaich an t-saobhaidh,
 Mar mhadadh-alluidh 's a chaonnag mu
 'shroin.

Mo ni 's m' earnais feadh monaidh,
 'S mi mar ghearr eadar chonaibh,
 Gun chead tearnadh' measg loinne no feoir.

Bho nach d' fhas mi 'm fhear-murta,
 Gu bhi sathadh mo chuirce,
 Mar na cealgairean curta 's taighmhor.

Bha fuil chradhbhach o lotan,
 'Dh' fhaoidt' a thogail le copan,
 'Ruith na carchain mu bholtaibh nam brog.

Ach ged 'mhort an luchd-reubainn—
 Na fir og' a b'fhearr beusan,
 'S mis' 'tha 'n diugh ann an eiginn bho 'n toir.

Mar lagh Sgìre Ma-Cheallaig,
 Anns na linntean nach maireann,
 Nuair a dhit iad an gearran 'sa mhod.

Lagh cho cearr 's a bha 'm Breatunn,
 'Bhi le meirleach a seasamh,
 Is ga thearnaadh bho leadairt nan cord.

Cleas gpiomh narach na musaig
 A bha posd aig a chruiteir
 Nuair a bhuaill i sa phluic e le dorn.

A bhean challaidh gun obadh,
 'Chionn a dochair a thogail,
 B' aill leath' fhagail gu h-obann gun deo.

Bha a bheist air a buaireadh
 No ciont fhein 's i lan uabhair,
 'S chaidh an eucoir an uachdar gu mor.

A Ruaidh robaich nam maodal,
 Ged a stobadh tu caolain,
 'S beag dhe d' chogadh a shaoil mi 'bhiodh
 oirnn.

'S aobhar mulaid is naire
 Gum faict' fhathasd a lathair
 Na fir bhorb 'bha mu strathadh nan og.

Ach faodar cadal gu seistheil,
 Aig fìor fhadal Shir Seumas,
 Leig f'ach ladarnas deistinneach leo.

'S truagh nach faicinn do loingear;
 'S mi nach brisdeadh a choinnimh,
 Nam biodh coiseachd air chomas dhomh beo.

Bhiodh do ghillean gun smalan,
 Sruth a mireadh ri 'daraich,
 'S a croinn ghuibhais fo sparradh nan seol.

Nuair a lagadh a ghaoth oirnn,
 Bhiodht' a pasgadh a h-aodaich,
 'S buidheann ghasda mo ghaoil 'dol air
 doigh.

Raimh ntu 'n dunadh na basaibh
 Bhiodh a lubadh air bhacaibh;
 Sud a chursachd o 'n atadh na leois.

Bhiodh fir chalin' air a totaibh,
 I 'na deann chum na cloiche,
 Is muir dhughorm a spoltadh mu 'bord.

The Siol Dughail were Macdonalds. They came from Moidart to Lochaber about the year 1547. Alasdair Ruadh was the principal man among them in

Alasdair Buidhe's time. He lived at Ionarlaire. He was put to death for the Keppoch murder by the Ciaran Mabach in 1665. His six sons were slain at the same time.

An Ciaran Mabach.

Ged 's eun fograidh mi 'san tìr so.
 Air mo ruagadh as na crìochan,
 Gloir do Dhia 's do dh-Iarla Shifort,
 Cha bhi sinn tuilleadh fo 'n bhinn æ',

'Shir Seumas nan tur 's nam baideal,
 Gheibh luchd muirne cuiridh ad aitreabh;
 Ged a rinn thu 'n ùsal cadail,
 'S eibhinn leam do dhusgadh maidne.

Slan fo d' thriall, a Chiarain Mhabich,
 'Shinbheadh sliabh gun bhiadh, gun chadal;
 Fraoch fo d' bhroig gun bhosd, gun bha-
 gradh;

Chuir thu ceo fo 'n roiseal bhradach.

Diciadain a chaidh thu 't uidhim,
 Le d' bhratich aird 's le d' ghillibh dubha.
 Thug thu sgrìob an nall a Uibhist,
 'S bhuail thu 'd dheann aig ceann an uidhe.

Chuir thu stopadh air na caolais
 Mun deant'sgial mu d' thriall a sgaoileadh.
 Cha robh coit no ramh no taoman
 Nach do ghlacadh le do dhaoine.

Cha d' iarr thu bat no long dharich
 Ri am geamhradh 'a tus na gaillinn;
 Triubhas teann feadh bheann is bheulach;
 Coiseachd bhonn ge trom do mheallag.

Rinn thu mhoch-etrigh Didomhnich,
 Cha b' ann gu 'n aitreabh a chomhdach;
 Ach thoirt am mach nan cas cheann doite,
 'S chur sradaig fo bhraclich na feola.

'S buidheach mis' airson do ghniomha;
 Cuid de 'n achain 'bha mi 'g iarraidh,
 'N grad spadadh le glas lainn liatha,
 'S bhi taruinn ghad air fad am fiacal.

Bhon smachdaich thu 'n Ionarlair' iad,
 'S a chuir thu gach cuis gu h-aite,
 Mun d' sgaoil thu t' itean air saile,
 'S feirrd do mheas e 'measg nan Gaidheal.

'S ann leam nach bu chruaidh a ghaoir ud
 Bh' aig mnathaibh galach nam falt sgaoilte,
 Nuair a bha na fir nach maoinneadh
 'Sealg nam boc mu dhos nam maoiseach.

'S maing a rinn fhlaolum 'san drochbheirt,
 'N deidh a phlaosgaidh 'fhuair bhur plocan;
 Claignean gan slaodadh o chorpaibh,
 Mar chinn laogh an deidh nan corcan.

BRIAN.

Thoir soraidh gu Iain Manntach bhuam,
 Rag mheirleach nan each breanndalach;
 Gur tric a thug am mealltair ud
 Leis meann am mach o 'n chro.

B' e fasan fir a Bhraigh' agaibh,
 'S da thaobh Loch-Iall gu Arisaig,
 Bhiodh sgian 'san dara brathair dhiu
 Mu urad ara 'dh-fheoil.

IAIN LOM.

A theanga liotach, mhiorailteach,
 Nach tuig thu bhí gad dhlomoladh.
 'S mithich tarruinn gu claidh-lionraith leat
 'S am faigheadh Brian a leoir.

Cha b' chubair a ghóid ghearran mí,
 Cha d' chuir mí uídh 'san ealain sin;
 S' e a mho a chum e caithris orm
 'Bhí dol an caratbh cro.

Thoir soraídh gu bard Asaint bhuan,
 Gu seann bhus liath nan ceapairean;
 Gur coltach do bheal rapasach
 Ri slait de 'n chealtair chloth.

Beul salach, molach, feusagach,
 Lan snuig is ronn is reumannan;
 'S gur tric do bhru 'sa gheisgeil ort
 'N deidh faigheal creis nam bord.

A sheann-tuir leith nan ursannan,
 Gur tric a dheabh thu cupachan,
 'Sa chaidil thu 'sna guiteirean
 An deidh do ghucag ol.

An uair bu dlúithe 'n alleag ort,
 Bu lionmhor cu is galla 'bhíodh
 A toirt nan sul 's nam mala dhíot,
 'S tu bruchdadh baladh feol'.

Gur salachar lic' is urlair thu,
 Lan sgeig is goimh is drúisealachd,
 Mar bharaill 'n deidh a tñionndadh
 'Se 'cur sgum gu barr-iall bhrog.

Ged 's cam am muigh mu d' ghluinean thu,
 Gur caime 'staigh fo d' shuillean thu',

 A reic an crun air ghrot.

DOMHNALL GRUAMACH.

A bhean nam pog mealla,
 'N nan gorm-shuilean meallach,
 'S ann tha mo chion falaich
 Fo m' bhannan do m' ghradh.

Chan fheil mi gad leirsinn,
 Ach mar gum biodh reul ann
 An taic ris a ghrein so
 'Tha 'g eirigh gach la.

IAIN LOM.

Air leatsa gur reul i,
 'S gur coltach ri grein so
 'S og a chaill thu do leirsinn,
 Ma thug thu 'n eisg ud do ghradh.

Boladh uilleadh an sgadain
 De dh-urlainn na h-apa;
 'S i 's cubaiche faicinn
 'Tha 'n taice ri traigh.

DOMHNULL GRUAMACH.

Fios bhuam gu Iain Mabach,
 Dha 'm bu dual a bhi 'gadachd,
 Nach co-ion da bhi 'caig rium
 'S ri cabaire baird.

A bhusaire rodnaich,
 Fhir nam pliut-chasan croma,
 Tha na cuspan air lomadh
 Gu bonnaibh do shail'.

A phliutaire bhusaich,
 Fhir nam brusg-shiulean musach,
 Chan fhasa do thuigsinn
 Na plubartaich cail.

Ged tha thu 'm' fhuil dhirich,
 Naile, cumaidh mi sios thu;
 Cha bhi coille gun chrionaich
 Gu dilinn a fas.

Fuigheal fìor-dheireadh feachd thu,
 Chan fhiach le each ac' thu;
 Chaill thu t' inghnean sa Cheapich,
 'S griobadh prais' agus chlar.

IAIN LOM.

Fios bhuamsa dhuit, 'ille,
 Chaill thu dualchas do chinnidh;
 Gu bheil thu air mhìre
 Le inisgean baird.

Mi cho saor de no ronnan
 Ri aon beo dhe do shloinneadh;
 Naile, rinn thu bhreug shoilleir
 Am follais do chach.

Ma 's ann ormsa mar dhimeas,
 Ghabh thu choill as a crionaich,
 Iarr an doìre na 's isle
 Fo iochdar do chlair.

Mur bhi dhomhsa mac t' athar,
 Is ann da tha mi 'g athadh,

 'Tha faisg, air do chail.

DO SHIR SEUMAS MOR MAC-DHOMHNAILL.

'S trom eiseineach m' aigheadh,
'S nach eighear mi 'n caidreamh nam braith-
rean.

Leam is aithghear an ceilidh
'Rinn mi mar ris an t-Seu nas
Ris 'n do dhealich mi 'n de roimh la caisge.

Dia 'na stiuir air an darach
'Dh' fhalbh air thus an t-siuil-mhara
Seal mun dug e 'cheud bhoinne de thraghadh.

A chrom chrannairneach riabhach,
Luchdmhor, lairdir, saidh-dhionach,
Leam a b' ait 'bhi 'g ol fion' air a claraibh.

Cha bu mharcich' eich sreine
A chumadh geall reis riut
'N uair a thogteadh do bhreid os-cionn saile.

'N uair a chairteadh riut tonnag
Air chuan iargalt nan dronnag,
'S iomad gleann leis an cromadh tu t' earr-
linn.

'N uair a shuidheadh fear stiuir ort
An am fagail do dhuthcha,
Bu mhear-shruthach cuan dubh-ghlas fo d'

Cha b' iad na lus-chrubain mheanbha
'Bhiodh mu d' chupuill ag eilgheadh,
Nuair a dh' eireadh mor shoirbheas le bar-

Ach na fuirbinnean treuna,
 'S math a dh' iomradh 's a dh' eigheadh,
 'S bheireadh tulg an tus cleith air ramh

'N uair a dh' fhalichteadh fo uisg' i,
 Is nach faicteadh lan suidh dh' i,
 Bhiodh luchd-a-taighe 'sior-lubadh a h-

 Bu mhath siubhal a darich
 'Gearradh astair gu caithream Chaoil-

 'Mach gu Uibhist bhig, riabhich, nan cradh-

Cha bu bhruchag air meirg' i,
 'Fhuair a treachailt le 'h-eirbheirt,
 'Nuair a thigeadh oirr' doirbh shion le gab-

Gum b' ard-shranntach air muir i,

Gur a mor mo chion fein ort,
 Ged nach bi mi ga eigheach,
 'Mhic an fhir leis an eireadh na Braighich.

Ceist nam ban o Loch-treig thu,

 Gheibhtheadh bruic agus feidh air a h-arinn.

Dh' eireadh buidheann a Ruaidh leat,
 'Lubadh iubhar mu 'n g'uai'libh,
 'Thig o bruthichean fuar' Charn-na lairce.

Dream eile dhe d' chinneadh
 Clann-Iain o 'n Innein
 'S iad a rachadh 'san iomairt, neo-sgathach.

Ged b'e Mart cur a choirc' e,

 'S ann a bhidhinn an toiseach a bhata.

Marbhrann do Shir Seumas Mac-Dhomhnaill.

Gur a mis' tha fo phramh,
Thuit mo chridhe gu lar ;
A Rìgh, 's deacair dhomh tamh 's mi beo.

'S e do thuras o'n Dun
A dh' fhag snìgh' air mo shuil,
'S a bhi faicinn do thuir gun cheo.

Tha do bhaile gun speis,
Gun eich gam modhadh le sreìn ;
Dh' fhalbh gach fasan le Seumas og.

Bhiodh do ghillean mu seach
'Taomadh dibhe b' fhearr blas,
Fion Spainteach dearg datht' is beoir ;

'S uisge-beatha nam pìos
'Rachadh t' airgiod ga dhiol ;
Chit' an gloin' e mar ghriogan oir.

Nuair a rachadh tu 'strìth
Ann an armait an rìgh,
Bhiodh do dhiollaid air mìl-each gorm,

Nam biodh gairm ort am mach
A chur naimhdean fo smachd,
Bhiodh Iain Muideartach leat 's Mac-Leoid.

Bu leat fìr an taoibh tuath,
Fìr a Bhraighe so shuas,
Is Mac-Griogair bho Ruadh-Shruth chao.

Bhiodh clanr-Iain an nall,
Bho throm dhubhar nam beann,
'Chuireadh saighead le srann am feoil.

Bhiodh a Atholl an nìos

Fo 'n triath gaisgeanta, finealt', og.

Bu leat Clann-Farlain nan sgiath,
 'Bh' aig fear t' aite-sa riamh,
 'S Mac-an-Aba le 'chiad fear mor.

Gur ma sealbhach mar thriath
 Do dheagh mhac air an t-sliabh,

 Na leig mulad gu brath d'a choir.

It was at one time supposed that the Clan Donnachie, or Robertsons, were descended from Duncan, a natural son of Angus Mor of Islay. The Robertsons have no connection with the MacDonalds. It is fairly certain that they are descended from the old earls of Athole. Duncan, their progenitor, was known as Donnachad Reamhan. He was the son of "Andrew of Athole." He was succeeded by his son Robert, who was succeeded by his son Duncan, who was succeeded by his son Robert. The Robertsons were originally Duncansons, and are still Duncansons, clann-Donnachidh, in Gaelic.

Sir James Macdonald of Sleat died on the 8th of December, 1678.

Oran Do Thriath Ghlinne- Garadh.

'S e mo chion an t-og meanmrach
 'Bu shar cheannard nan ceudan ;
 Fhuair thu urram fir Alba
 Le do dhearbh acfhuinn ghleusda
 Mac Moire 'dhion t' anma
 Anns gach aona bhall 'san deid thu;
 'S na rachadh do mharbhadh
 Gun oircheas Mhic De leat.

A shar mharcaich an steud eich
 Ur ghleusd air dheagh inneal.
 Le acfhuinn mhath sreine,
 'S d'a reir sin do stiorap.
 'Nuair a rachadh tu 'leum air,
 Cha bu reidh dol gad thilleadh;
 Spainteach ghasda chruaidh gheur ort,
 'S bhiodh ra-treut mar a shirinn.

Beus de bheusaibh a Ghlinnich,
 Gun robh sinn' umad eolach,
 Nach gabhadh tu giorag;
 Naile thilleadh tu 'n torachd.
 Bhiodh an t-iubhar ga lubadh
 Mar-ri fiubhaidh chinn storaich
 Air a leigeadh gu h-ealamh
 As na taifeidean corcaich.

Ach, Aonghuis oig Ghlinnich,
 Chan 'eil sinn' umad suarach,
 'Nuair a thogadh tu 'n iomairt
 Bu ghlan do chinneadh ri 'ghluasad.
 Gu bheil cuid diu air linne
 'N laimh an innein so 'suas lhuainn;
 Ceud connsunn gun ghiorag
 Nach tilleadh le fuathas.

Chan fhuil bhodach no prabair,
 Chan fhuil graisge no tuatha,
 Ach fuil ghlan an Iarl Ilich
 A ta 'direadh ri d' ghruaidhibh.—
 'S car thu mhilidh nan cathan
 A thaobh t' athar coig uairean;
 Dh' fhag sud cruadal 'ad lamhan
 Gus an claidheadh a bhualadh.

Nam biodh maoin air do naimhdean
 Gu do champ' mar hu mhinic,
 Gum biodh cuid diu 'nan laighe
 'S gun an lamhan ri 'n slinnein
 'S iad gun chlaiginn, gun chluasan.
 Ach an uairchinn ri sileadh.
 Sgaithteadh 'n casan o 'n cruachanaibh
 Le cruadal a Ghlinnich.

'S mor am muiseag 'san trath so
 Air mo ghradh de na fearaibh,
 Mu 'n tagradh air Cnoideart
 A bhi 'm poca Mhic-Cailain.—
 'S iomadh uisge nach lugha,
 'S nach leigeadh claodhaire thairis,
 As an dug thu do chasan
 Gu coiseachd a dh-aindeoin. ✓

Rud a's mo orm mar chruaidh-chuis
 Ann san uair so 'ga eisdeachd,

 Air bhur tighinn gu fallain,
 Thugaibh aire do m' sgeul-sa,
 'S fhearr dhuibh dithisd 'san abhainn
 Na 'bhi grathunn bho cheile.

Aimh-reite Chlann-Domhnaill
 Leam 's neo-chomhnard a bheirt e;
 Gun do chuir e orm gruaman
 Coig uairean 's mi 'm chadal.
 'S ann a dh'eirich iad comhla

Leis a mhor fhein so bh' againn,
 E-fhein 's 'Onair Sir Seumas
 A bha 'reir an aon aignidh. 

Ged tha 'Onair Sir Seumas,

 B'ait leam Iarlachd Rìgh Fionna-Ghall
 A chluinntinn mar b' ail leam.
 Bheirinn bliadhna dhe m' shaogal,
 'S gach ni 'dh'fhaotuinn a tharsainn,

 Bho laimh an rìgh gun dad failinn.

Mur bhi cliopaich mo theanga
 Dheanainn seanachas mu 'n cuairt duit;
 Tha do ranntaichean farsuinn,

 Nach bu dleas da 'bhi leatsa,
 An am caismeachd na h-uaire,

Gur a farsuinn do ranntachd,
 Agus teann-sa ri 'cheile iad;
 Gu bheil cuid diu gu cliuteach
 Mu Ruta na h-Eireann,

 'Nuair nach seasadh sibh fhein e?
 Ged tha ro-mheud bhur n-uabhair
 'N diugh 'g ur buaireadh bhø cheile
 'S e 'n t-aon stoc as 'n do ghluais sibh.
 Fuil uasal Chuinn Chead-chatbaich.

 Ma nitear leat m' fhagail
 Tha mi baite 'm muir dhomhainn.
 Chan 'eil neach 'dheanadh m' eucoir
 No shaltradh ceum ann am ghnòthach.

 Ach Tighearn' og Ghlinne-Garadh,

 'Dh-fhios an la' theid ceann crich' ort.

Angus MacDonald, of Glengarry, was forfeited by Cromwell in 1651. His estate was given to the Marquis of Argyll, who gave it to Sir Ewan Cameron of Lochiel, who gave it to the original

owner. Glengarry claimed the chiefship of the whole of the Clandonald. This led to a dispute with Sir James Macdonald of Sleat.

In 1676 Lord Macdonell, Sir Ewan Cameron of Lochiel and Archibald Macdonald of Keppoch went to assist the Macleans against the Earl of Argyll. No fighting took place. John Lom expresses regret that the Macdonalds, Camcrons and Macleans did not enter Glenaray to cut the "wry mouths." The Earl of Argyll went to Edinburgh and thence to London to seek aid from the government against the Macleans and their allies. Lord Macdonell followed him. In February 1676 the matters in dispute between the Earl of Argyll and the Macleans were remitted to three lords of the privy council of Scotland for adjudication. The final result was that the Macleans of Duart were deprived of their lands; the Earl of Argyll got possession of them.

A Cholla cuimhnich 's gach gnìomh
 Cliu do shìnsre bho chian;
 Seas do rìgh, agus Dia, 's a choir

The 13th, 14th, 15th and 16th verses may or may not belong to the poem. The 13th verse refers to Raonull Og, and the 14th verse to his son Angus. It is said that 15th and 16th verses also refer to Angus. They may; still 15th verse may refer to Donald Glas and his murdered sons, while the 16th may refer to Alasdair Buidhe, who was drowned in the Spean! It is likely that some will be ready to say that John Lom would never refer to Donald Glas's sons as "da leanabh." The word leanabh is sometimes applied to a person under the age of twenty-one, or a minor. Raonull na Sgeithe speaks of Ailain Muideartach as a "leanabh" at the battle of Rinrory or Killiecrankie. Allan was at that time about nineteen years of age.

 Oighre dlìeheach Dhuntuilm thu,
 'S olar deoch air do chuirn gun bhì sgìth.

The foregoing song was composed about Sir Donald Macdonald of Sleat. Sir Donald married, in 1662, Mary, daughter of Robert Douglas, third Earl of Morton. It will be noticed that the poet does not speak of Sir Donald as the chief or ceann-cinnidh of the Macdonalds; he styles him their captain.

Oran do Mharcus Atholl.

Slan gun dìth dhuit, a Mharcuis,
 Direach, maiseach, gun chromadh;
 Da shuil ghorm fo d' chaol mhala,
 Nach d' fhas balachail, bronnach.
 Cheart cho cinnteach sam bas,
 Ged tha thu, 'n drast as an t sealladh,
 Gu bheil mulad fo 'd chliabh ort
 Mu bhas triath Gbhinne-Garadh.

B' fheumail dhuinn' e 'n am muisig,
 Le beachd mo shul gur mi chunnaic.
 Cha robh againn de sgathan
 Ach greasad trath do 'n taigh-ghrunnaich,

Aisling cuid mar an durachd,
 Bha mi-run ac' do 'n duin' ud
 Ged bu ladarna 'n culchainnt,
 Stad a chuis air an iomall.

Cha b' e aingeachd na tuatha
 'Ghluais am Marcus le 'dhaoine.
 'S ann a thog e a bhratach
 'G iarraidh smachd air luchd aobhair.
 Fhuair thu iuchair na corach
 Gu t' ordagh le d' dhaoine;
 Agus fosgladh gach caisteil
 Bha fo smachd an Iarl' Aoraich.

Gheill Dunsta'nnis grad dhuit,
 Innis fharsuinn nam faochag,
 Ged bu'daingean a chlachan
 Fhuair thu steach air bheag saoitreach.
 Cha robh cuilibheir caoil gluice,
 No gunna praise gun sgaoilleadh,
 Bho Innis Chonnain nan canach
 Gu ruig bail' Ionaraora.

'S Ard-Liftenant o 'n rìgh thu
 Thug thu sgrìob 'dh-Earraghaidheal;
 Bu leat Tairbeart 's Cinntire,
 'S gach aon ni bha 's gach ait dhiu;
 Agus Ile, bheag, riabhach
 Mu 'n fadh a mhuir shai'each.
 'S goirt a chnead a tha 'm chliabh-sa,
 Fhad 's bha 'n t iasad gun phaigheadh.

Tighearn' og Ghlinne-Garadh
 Cha bhi falach a ruin ort;
 Oighr' an duin' e 'tha maireann,
 'S e ar caraid e dubailt.
 Chan fheil neach air an talamh
 Ni ar sgaradh o chulaobh,
 Bhiodh siol Chu'nn leis gu daingean,
 Ged bhiodh falachd a chruin ris.

'S e do charid mor dealaidh
 Mac-Mhic Ailein a Muideart,
 'S Mac-Mhic Raonuill na Ceapich,
 Le 'fhir dheasa nach diultadh.
 'S iad nach cuireadh cainb shalach
 No taibheid ealamh ri cul-chrann,
 'Bheireadh beum air a h-athlorg
 Fhad's a mhaireadh dhaibh fiubhaidh.

'S leat Clann-Iain o 'n Innein,
 Dream nach tilleadh le gealtachd;
 Bhiodh an claidhean air mhire
 Anns an iomairt ri casgairt.
 'S leat Mac-Laomuinn 's Mac-Lachinn,
 'S Mac-an-Ab' o Ghleanndochairt,
 Is Mac-Neachdainn 's Mac-Dhughail,
 'S Mac-Iain-Stiubhairt o 'n Apunn.

Is beag t' aobhar 'bhi fiamhach
 An taobh shios do Bhunatha,
 Ged theid Duibhnich gu 'n dichìoll,
 Is gu dideann a chlaidhibh.
 'S iomadh triath 'bhiodh san strith leat,
 Cheart cho cinnteach ri saighead.
 'S leat Mac Fhionghain an t-Sratha
 Agus da Mhac-Gilleain.

'S fhearr leam fhaicinn na chluinntinn,
 Gun d' stad a chuing air am muineal.
 'Nis on thionndaidh a chuibhle,
 'S fad bhios Duimhnich gun urram.
 Ged a shaoil le Mac-Caillein
 E bhi na bharan air Muile.
 B' fhearr dha 'chumail na bh' aige
 Na bhi 'g agradh air tuilleadh.

Nam biodh fear a bheoil mhoir ann,
 Bho nach doirteadh gloir bhreamais,
 Naile chailleadh sibh geoidh ris,
 Nach deant' a rostadh ri teine.

Fhuair sibh sgapadh nan caorach
 Nam biodh a dhaoin' air an talamh;
 'S ged a ghlac sibh le foill e,
 'B e-fhein an saighdear 'bu ghlaine.

Gur maírg a dh' earbadh a cairdeas
 Neach a dh' fhas a'ir an t-sloinneadh,
 Nam biodh cuimhn' air an lath' ud
 Fhuair iad t' athair fo 'n comas.
 Chuir iad smuid ri tuir arda
 Chaisteil Bhlair gu gle shoilleir.
 'S beag bha dhochas an la sin
 Gum biodh iad paighte na chomain.

'S mor tha eadar dha latha,
 Ged bha e grathunn gun tighinn.
 Chaidh thu 'n cuirt na bu leatha
 An deidh t' athar a mhilleadh.
 Gun aon bhuille le claidheabh,
 Gun sathadh sgeine no biodaig;
 Mar gum bathadh tu coinnean,
 Chaill e oighreachd 's a chinneadh.

'S beag a b' fhiach do 'n triath Mhoireach
 'Dhol 'nur coinnimh ach ainneamh,
 No a ghabhail mar chompach
 'M fear le 'n geallt' bhí na charaid
 Air a chomasdair Stuibhart
 'S trom a bhruich na fir charach,
 Chuir sibh 'n ceann deth gun sgrubadh,
 'S gum bu ghulneach bhur n' aniochd.

Buail na treudan gu sealbhach,
 'S na deun searbh iad gun bhinneas,
 'S na doir t' aghaidh gu cearbach
 Do 'n fhear nach earb thu ri d' shleinnein.
 Ma chuir an rìgh an t-slat sgiursaidh
 'N glaic do dhuirn gun a cìreadh,
 Uair mu seach aig an fhuirneis,
 Mar bhuill' uird air an innein.

Gloir do 'n Rìgh th' air a chathair,
 'S aobhar aighir is solais
 Mar a thachair do 'n Iarla
 'Chleachd cho iargalt' a a chumbachd,
 Ma 's e droch-bheairtean Iudais
 'Dh' fhuaigh an shìd air an Lunnainn,
 Chaill e 'n luireach 's na breidean,
 Is gach eideadh 'bha uime.

'N cuala sibhse 'san duthaich
 An ranntar-buth' 'bh' aig na luchaidh,
 'S iad a cruinneachadh ri 'cheile
 'Nan dìoch reiseamaid churta.
 Nuair bha eagal a chait orr',
 Chaidh droch sgaradh an cuid diù;
 'S a bneisd mhor 's an robh phlaigh dhiu,
 Sgrois gun agh oirr, gun fhurtachd.

Nuair a labhair Dubh 'n Amraidh,
 'Bheist ghrann'd 's a chrain mhullaich,
 Cha robh 'n sabhal no 'n ath dhiu
 Biasd le h-al nach dè chruinnich.
 Nuair bha 'm mod 'g 'ur cruaidh sharach'
 'S, na cuird ri 'm fasgadh mu 'r muineil,
 'S ann an sin a bha 'n gatar
 Co a charadh iad umaibh.

Nuair bha 'n ad oirbh an uiridh,
 Bha sibh urranta, straiccail;
 'M bliadhna chaill sibh an currachd,
 'S feumair fuireach gle shamhach.
 Chaill an t-Iarl air bhur turas
 Mhead 'sa bhuinig e mhal oirbh;
 Ach cha b' fhiach leis an duin' ud
 A bhì cruinneachadh chamhaig.

B' olc a b' fhiach do dh-Iarl Atholl
 'Dhol an' coinnimh rint Eirdsi,
 'N deidh latha Roinn-Liothuinn;
 Thug sibh iocshlaint mar earlas.

Mheall sibh 'null thar na h-abhunn
Iarla Atholl 's a bhrathair;
Chair sibh 'n laimh an toll-buth iad,
'S loisg sibh duthaich Iarl' Earlaidh.

Tha do thiodalan lionmhor,
'Cumail dìon air do chairdean.
Tha, thu 'd mharcus am bliadhna,
'S gur tu iar! Thulaich-Bheardinn.
Geard an rìgh tha fo t' ordagh,
'S thu 'd mhorair Ghlinn-Amuinn.
'S ged a dheanadh iad diuc dhiot
Bu mhath 'b' fhiu thu an t-aite.

Ranntar-buth, a wild confused dance Curta,
bad, infamous Amraidh, a cupboard.

In July, 1640, the Earl of Argyle plundered the Earl of Airly's lands and destroyed his castle, the bonnie house of Airly. Shortly afterwards he captured by stratagem John, first Earl of Athole of the Murray family, and sent him to prison in Edinburgh. The Earl of Athole died in June, 1642. He was succeeded by his son, John. John, second Earl of Athole, was appointed Captain of the King's Guards in 1670, created Marquis of Tullibardine in 1676, and appointed Lord-Lieutenant of the County of Argyll in 1681.

Archibald, ninth Earl of Argyll, was condemned to death in 1681, on the groundless charge of high treason. He

escaped from prison and fled to Holland. He took part in Monmouth's rebellion in 1685. He was captured by a man named Riddell on the banks of the Clyde, and sent to Edinburgh, where he was beheaded June 30th, 1685. One cannot wonder that the Campbells detested Riddell just as much as John Lom detested Macleod of Assynt.

Oran.

Airfeachd Rìgh Seumas a gluasad gu blar,
Raon-Ruari.

'S mithich dhuinn mearsadh 'nis as an tìr so,
Bhon chuir sinn dìth air feoil nam mart.
N deidh a bhi 'n ordagh tamull le 'r mor-shulagh
Dh' innich ar n-oigridh bhuainn am mach.
'Chuillein ghrinn oig, ma tha thusa leoint',
Gun seall an Rìgh Mor riut anns gach beirt.
Air maduinn Dimairt 's ann thoisich am mear-
sadh,

'S facal gach seirdsin 'ruith oirnn mu seach.

Aig leth-taobh an t-saile tharruinn na h-armuinn
'Suas 'nam bragadaibh dan' gu ro cheart;
Mu bheul an anmoich shuidhich sinn campa,
'S dh' imich ar ceannard bhuainn am mach.
Facal ar Coirneil ri Sir Domhnall
Mar ri ar n-ordagh 'bhi 'n ar glaic;—
"Na leigibh bonn dail' an seasamh a gheird
Is cumaibh 'ur naimhdean bhuaibh am mach."

Bu fhliuch a mhaduinn a thog sinn ar breacain,
 'S a chaidh sinn air astar gus an taigh 'd an robh
 chairt ;

Nuair 'rinn sinn eirigh gu 'p d' rinn sinn ar
 n-eideadh,

Is chaidh sinn 'n ar leum fo na cnapannan saic.
 'Sbu lughaid ar n-airtneal nuair 'thanig an
 feasgar,

Nuair 'loisgeadh an lasag 'bu Hoimhor srad;
 Bho cheann Loch-Iall gu n d' rinn sinn triall,
 'S nuair chom a ghrian gun d' rinn sinn stad.

Aig ceann Loch-Lochaidh shuidhich sinn campa,
 La roimh Dhidomhnaich 's da la 'na dheidh;

Chruinnich ar cairdeas uil' air an laraich,

'S thog iad an lamhan an lathair Mhle De.

Bu bheag anspeis do dh-airgiod no spreidh,

'S gun d' fhag sinn 'n ar deidh ar mnathan 's ar

'Cheart aindeoin gach lochd, ged chiurt' againn

Cha dean sinn bonn clos gus an cosgrar leinn
 Goill.

Labhair an Greumach, fear an deugh nadair,

'Chlanna nan Gaidheal, na faiceam bhur

Togaibh 'ur n-inntinn, thanig an tìm dhuibh,

'S mithich dhuinn mearsadh 'n tìr so shuas.

Dh' fhalbh sinn am mach gu h-inntinneach.
 statail,

Gus an do ranaig sinn braighe Ghlinn-Ruaidh,

'Mach ri Gleannturaid 's monadh 'sin Dhru-
 mainn,

Dn' imich gach duine 'bha guineach 'san ruaig.

'Mach monadh Dhruim Uachdair dh' imich na
 h-uaislean

A bu mhor cruadal is 'bu bheag sgios;

Nuair 'ranig sinn Atholl cha d' fhuair sinn ach
mnathan;

Chaidh fir as an rathad mu 'n gabhtheadh dhu
cis.

'N deidh mheadhòn latha 's sinn a falbh air ar

Air leth-taobh na h-abhunn ghabh sinn a sios;
Thanig marcach steach air beulaobh na glaic
'Dh' inns' gun danig am praskan 's an Coirneal
Mac-Aoidh.

B' aithghearr an cellidh rìnn muinntir Rìgh
Seumas,

Leth-taobh an t-sleighe ghabh iad a suas;

Bu shiubhlach fallus a sios gach mala

A dìreadh a bhealaich an taobh mu thuath.

Ceannard na buidhne dh' imich roim' mhuinntir,
Pairte de ar n-ionndrainn e a bhi uainn.

B' aigeannach spòrsail aigeadh Chlann-Domh-
naill,

Ged fhuair iad an leonadh bu deonach leo 'n
uair.

Ghluais gach fìne gun t-laths, gun tiomadh,

Gun sgath, gun ghiorag 'fian ionadaibh fein;

Chaidh sinn gu statail 'm brcilleach ar namhaid,

'S cha tilgteadh crann sathte an la sin gun
fheum.

Aig deireadh an latha gun d' tharruinn sinn
claidheabh;

Bha toiseach ar sgathaidh 'n am laighe do 'n
ghrein.

'Cheart cindeoin an sparraidh, ge bu laidir am

Gun chaill iad am fearann 's an t-anam 'da

A cheannaird an aigh gun d' thuit thu sa bhlar,
'S bu sgathach do lamh gus an daig an uair:

'S e do bhas a Dhundithe 'dh' fhag ormsa trom
lighe,

'Chuir toll an am chridhe 's dh' fhag snigh' air
mo ghruaidh.

Bu bheag airson t' eirig na thuit de na beisdean
An cogadh Rìgh Seumas, ged dh-eirich leinn
buaidh.

Ach sgapadh nan cuileag air muinntir Rìgh
Uilleam;

Tha siàne fo mhulad ged chuir sinn iad bhuainn.

Coirneal Ram-aidh bu mhor bha anntlachd

Ann an am bhi 'tighinn a steach

Bha sinne cho aingidh, 's guineach gu 'r naimh-
dean,

Greim air Gall cha leigeamid as.

A Choirneal Bhalfuir, a dhuinne gun diu,

Fhuair thus' tha mi 'n duil na dh' iarradh tu 'n
chath;

Bhrist iad do chrun is t' ad air do shuilean,

'S ghearr iad do bhutainn air culaobh do chas.

Lieutenant Donald Campbell, author of "The Language, Poetry and Music of the Highland Clans," had a fuller and better version of the foregoing song than the one given above. It is to be feared, however, that it has been lost. The song is generally ascribed to John Lom. I have heard it asserted, however, that it was his son that composed it.

Raon-Ruari.

An ainm an aigh ni mi tus,

Air a mheanmn' so 'tha 'm run,

Chan i so'n aimsir mu'n duin an ceitein oirnn.

Nach fhaic sibh loingeas an rìgh
 Cur an spionnidh gu tìr,
 Chan e'n t-Uilleam tha mi cho deidheil air.

Ach Rìgh Seumas 's a shìol!
 A dh'ordich Dia gus ar dìon;
 Cha rìgh iaisd d'am fàch dhuinn geilleachdinn.

Ach mar dìg thu air ball
 'S do leintean crìosa gan call,
 Is ceud misde leam thall 'san Eipheit thu.

An comunn cìogailteach, tlath,
 'Shuidh an ionad nan stait
 Mar cho-mheata chuir Satan seula riu.

Paca sligheach nan cealg
 D'am bu dligheach a mheirg,
 Dhubh am fìtheach le sachar eucoir sibh.

Cha b'e 'm brathadair coir
 'Bha cur gabhail fo'n fhoid,
 Ach fear an taigh' nach bu choir 'bu pheucan

Ann sa bheithe bheag og
 'Bha fo bhaile Mhic-Dheors',
 Gur a h-ìomad fear sroil 'bha reubte ann.

'S ìomad biorraid is gruag
 'Bha gan spealtadh mu'n cnuac,
 Bha fuil dhathte'na stuaidh air fear am muigh.

Fhuair sibh deannal sa choill
 Bho chruaidh lannaibh Shìol Chuinn,
 'Chuir 'nur dennaibh thar tuim trom-chreuch-
 dach sibh.

An Raon-Ruari nam bad
 'S lìonmhor uaigh is corp rag,
 Mìle sluasid is caib' gan leidigeadh.

A shar Chleibhirs nan each,
 Bu cheann-feadh n' thu air feachd,
 Mo chreach leir an tus gleachd mar dh'eirich
 dhuit.

Bu lasair theine dhaibh t' fhearg,
 Gus an d'eirich mi-shealbh;
 Bhual am peileir fo earball t' eididh thu.

Bu mhor cosgradh do lamh
 Fo aon chlogaide ban,
 'S do chorp nochduidh, geal, dan, gun eideadh

Cha robh eascarid suas
 Eadar Arcamh is Tuaid,
 Mur bhí 'n tacaíd a bhual san eudann thu.

'Nuair bhruchd t' uaislean am mach,
 Cha sgaoth bhuachalllean mhart,
 Ach luchd-bua'adh nan cnap gu speireadaí;

Air a bhruthach a stad
 Os-cionn dubhar nam bad,
 Luchd cur 'nan siubhal gu grad nan eucorach.

Clann-Domhnaill an aigh,
 Luchd a chonnsach' gach blair;
 Cha do ghabh iad riamh sgath roim reubaltich.

Is lionmhor spalpaire dian
 'Bha fo d' bhratich 'dol sios,
 Cha b' ascard ach lion do reiseamaid.

Is lomad fiuran deas og
 Gun lan duirn air de dh-fheoil,
 'Ghearradh claignean is smois, is feitheannan.

Mo ghaol an Domhnall Gorm og
 Bho'n tur Shleiteach's 's bho'n Ord;
 Fhuair thu deuchainn 's bu mhor an sgeula sin.

Mo ghaol an Domhnall Gorm og
 Bho'n tur Shleiteach's 's bho'n Ord;
 Fhuair thu deuchainn 's bu mhor an sgeula sin.

Mo ghaol an Tainistear ur,
 B' og am planntas mo run,
 'S cha b'e 'n campair air chul na sgeithe e.

Mo ghradh an t-Alasdair Dubh,
 Bho Ard-Gharridh nan sruth,
 'Chuir 'nan siubhal gu tiugh na reubaltich.

'S bha 'bhrathair eil' ann, Iain Og,
 'S dh' aomfich peileir troimh 'fheoil,
 'S caol a thearinn e beo bho' n speileireachd.

Tha an cogadh so searbh,
 Air a thogail gu garg;
 Ge ceann nathrach bidh earrball peucaig air.

'S e Prionns' Uilleam 's a shluagh
 'Dh' fhag an duthich so truagh,
 Nuair a chuir iad thar cuan righ Seumas bhuainn.

Guidheam sgrios orra 's plaigh,
 'S gort is mioguin is bas
 Air an sliochd mar bh 'air al na h-Eipheite;

Gach aon latha dol sìos,
 Caigneadh claidhibh troimh 'm bian,
 'S coin a ' aitheamh an diol air sleibhtichibh.

Thig am Frangach a steach
 Le treun champa 'chuid each,
 'S bidh do bhangaid 's do bhreac-staòig gleidhte
 dhuit.

Theid thu 'Hanobher air ais,
 Thig an cot dhiot an cais',
 'S i sean choir a choin ghlais a b 'fheumaille.

Brathadair, match, kindling. Peucan, a beacon. Leideigedh, leading, convoying. Cosgradh, slaughtering. Speireadail, energetic. Campair, a camp master. Speileireachd, sliding, skating. Sligheach, sly. Ciogailteach, unsteady, ticklish. Nochduidh or nochd, naked.

According to the song, the ball pierced Dundee below the breastplate. The expression "corp nochduidh" shows that the body was at least to some extent deprived of its clothing. Some writers have asserted that it was stripped by thieves. It is surely more reasonable to suppose that the stripping, so far as there was stripping, was the work of men who were examining the wound.

At the battle of Killiecrankie, Dundee's men were ranged in one line, and in the following order from right to left: the Macleans, Colonel Cannon's Irish regiment, the Macdonalds of Moydart, the Macdonells of Glengarry, the cavalry, the Camerons, a battalion under Sir Alexander Maclean, and the Macdonalds of Skye. The Grants of Glenmoriston were with the Macdonells of Glengarry. Dundee had about 2,500 men, and McKay about 4,000. The battle began about seven o'clock in the evening, or half an

hour before sunset. The Highlanders, whilst moving down the hill, received three successive volleys from McKay's line. When they got to close quarters, and drew swords, the battle lasted only a few minutes. They gained as complete a victory as could be won. Still it was a very dear victory to them; about eight hundred of them were slain. Besides they lost their commander, the only man who could keep them together and lead them to another victory. Of McKay's men two thousand were either killed or taken prisoners.

LUINNEAG.

Irin, a-rin, o-ro, bha hi,
 Irin, a-rin, o-ro, bha ho,
 Biodh gach duin' agaibh bronach
 Airson fairneart ar rìgh.

An diu chuala mi naidheachd,
 'S air àlt cha b' aimhealach leinn i,
 Nam biodh cuis mar a b' àit leinn,
 'S gum biodh an t-ath-sgeul cho binn rith'.
 Gu bheil Rìgh Seumas le farum
 A cur thairis nam mìltean,
 On 's leat uachdar na mara,
 Greas is tarruinn gu strìth iad.

A Mhic ghloirmhoir na h-oighe,
 Coimhead foirneart ar righeachd.
 Co a b' urrainn ar smaladh,
 Ach do lamh-sa 'bhi sint' leinn!
 Faic an nise Prionns' Orains
 'Cur na coir' os a cinn oirnn.
 Dean oirnn cobhair, a Shlanaighir,
 Seall le baigh air gach tinn dhi:n.

A Rìgh chumhachdaich, fheartaich,
 Dha' n leir reachdan gach tìre,
 Cum air aghaidh an ceartas,
 'S an lagh seachranach pill e.
 Faic luchd nam breid dathte,
 'S gur a pailt iad san righeachd;
 Ma tha 'n eucoir nan aigheadh,
 Beum do shlait' air gach tì dhiubh.

Nuair thanig Uilleam a Shasunn,
 'S e rinn aiseag a bhreamais;
 Thug e 'n righeachd air eiginn
 O'n athair-ceil' a thug bean dha,
 Cha b' i reula nan duilean
 'Bha deanamh iull dhuit san aineol;
 Mar a bh' aig na trì rìghrean
 Nuair bha Iosa 'na leanabh.

Thug thu 'm follais an t-Slanaigheir
 Sgeula grain do luchd-teagaisg,
 Bhrìst thu fhein agus Mari
 'N ceathramh aithne gu beadaidh.
 Ghlac thu coir brath 'r do mhathar
 Ann ad laimh gu aniochdmhor;
 Mar bhreun ghearran 'sa chathair,
 'S nach b' fhear-taighe de 'shliochd thu.

'S fìor mhallaicht' an lanan
 'Thum an Spain anns an roinn ud,
 'Dh' fhaotthuinn seilbh a cheart aindeoin

Le muthadh malairt an t-slaightir.
 Ged a stadadh an claidheabh
 Gun bhuill' a chaith' mh ach na rinn e,
 Bidh fuil ag eigheach am flathea;
 Ad dheidh a latha 's a dh-oidheche.

Nuair chaidh Whitehall a losgadh
 Bu mhall bhur choiseachd gun bhrogan.
 'S mi nach rachadh le pairti
 Air mhior' a bhathadh na toite.
 Ma 's e daoine 'rinn suas e,
 B' fhaoin an cruadal 'san seoltachd.
 Chan fheil mi gearan, mo thruaigh',
 Ach' lughad 's fhuair ann an rostadh.

Cha dig ach rucas is cealgan
 O chruit an cearbach an rabail.
 Cuiridh 'n t-athbhistear saoil ris,—
 Bidh Dia is daoine ga aicheadh.
 Cleas eud bean a chruiteir,
 'Rinn an trusdaireachd ghraineil,
 Thog iad airsan mar ursgeul
 Gun do mhart e 'dhearbh bhrathair.

Gum bu ghranda na sgeoil sin
 'Thog na deamhnan ga dhibeirt,
 Is a sgaoil iad gun dearbhadh
 Mar bhuille searbh da 'n luchd-mioruin;
 Gun cuir' isean a chlamhain
 An nead clannach an fhireoin,
 Mac mucail a bhalaich
 'Shalachadh fala nan righrean.

'S mairg righ a rinn cleamhnas
 Ri Duitseach sanntach gun trocair.
 Cha b' e n' onair bu ghnaths dha,
 Ged 's tu brath' r mathar an rogair'.
 Ged a thug thu dha Mari
 Air dheas laimh 'chum a posadh,

Ghabh e t' oighreachd a' t' antofl
Thar do cheann gu ro dheonach.

Ach nan digeadh ar righ oirnn
'S a mhac dileas air aidmheil,
Ged a theirteadh le moran
Nach h-i 'choir a bhiodh againn
Cha bu mho orr' ceann Ulleim,
Air sraid Lunnainn an Sasunn
A ghrad fhuadach o mhuineal
Na cluas cuilein an radain.

Is sgeul buan do 'n mhnaoi mhearcaich
Nach tog mac leatha 'h-oighreachd.
'S ion d' i curam a ghabhail
Mun duinear cathair na soills' oirr'
Thoil i mallachd a h-athar
On ghabh an t-aibhistear greim dh' i;
'S ole an duthchas a lean i,
Chunnt i 'seanair na thraoiteir.

'S math, an toiseach ar seannsa,
Gun d rinn am Frangach de thapadh.
'S gun do ghlacadh leis Monnsa
L e fhir throm-bhuilleach, sgaiteach.
Bu mhath gum biodh an adbhansa
'Tigh'inn nan deann a chum Shasuinn,
Is gum faicteadh an cunntar
Cho grad ri tionndadh nan cairtean.

Ach ma stad air an Diuca,
'S nach h-e 'run tigh' nn na's faide,

King Louis of France captured Mons in Belgium in the Spring of 1691. Whitehall was partly destroyed by fire April 10, 1691. King James, assisted by the French, expected to invade England. His project came to a sudden termination through the defeat of the French fleet off Cape La Hogue, May 17, 1692. The Duke referred to is the Duke of Berwick. He was a natural son of King James by Arabella Churchill. He was born in 1670. He served under his father in Ireland. He was killed at the siege of Philipsburg on the Rhine in 1734.

The Union with England, which took place May 1st, 1707, was exceedingly unpopular in Scotland. It was carried however, in the Scottish parliament by a hundred and ten votes against sixty-nine. Many of those who voted for it were bribed by English gold, or by promises of rank and office. James Douglas, second duke of Queensbury, was the most active agent in bringing it about. Thomas Hay, vicount Dupplin, was in favor of it. Menzies of Weem and Uilleam Dubh, fifth Earl of Seaforth were also in favor of it. James Douglas, fourth duke of Hamilton, opposed it, but not in such a straightforward manner as was expected of him. He could have pre-

vented it, if he had exerted himself properly. John Murray, first Duke of Athole, opposed it with great zeal.

The union which made England and Scotland one kingdom was no doubt a very good thing. It is not a very pleasant thing, however, to find Sir Walter Scott, Dr. Chalmers, Lord Clyde, Dr. Livingstone, Macaulay, Gladstone, and Lord Rosebery spoken of as Englishmen. Have the countrymen of Wallace and Bruce become extinct?

The foregoing song was composed either about Alasdair nan Cleas, of Kep-poch, or Raonull Og his eldest son. John Lom may or may not have been the author of it. If he was, the song must be about Raonull Og.

In May, 1615, Alasdair nan Cleas, Raonull Og, and the eldest son of Mac-

donald, of Moidart, assisted Sir James Macdonald, of Islay, in making his escape from prison in Edinburgh. Sir James tried to wrest his lands from the grasp of the Campbells, but did not succeed. He was compelled to flee to Spain in 1616. Alasdair nan Cleas and his second son, Donald Glas, joined him about 1618. Sir James was pardoned in 1620 and allowed to return to London. He received a pension from King James of one thousand marks sterling. He died in London in 1626. Alasdair nan Cleas was also pardoned in 1620 and allowed to return to Lochaber. He received a pension of two hundred marks sterling. The year of his death is unknown. The history of Raonull Og is very obscure. He was outlawed in 1615. According to the Kinrara MS, he was in possession of Keppoch in 1639. *A. M. Shaw's Mackintoshes and Clan Chattan*, p 327. The probability is that he spent the most of his time in Lochaber. He did not go to Spain with his father. It seems certain, however, that he was in Spain for some time. It is said that he died in London.

Is lion an seipein beorach.

An deoch so air do shlaintè,
'S gum b' fheairrd thu ri do bheo i.

Gun d' rinneadh iùchair Sheumais leat

Ach tamull beag an deidh sin,

Gu crìochan 's nach robh t' eolas.

Bhiodh grabhailte mhath, chinnte ach ort

Glac chom air dheagh lughadh ort,
Sgian dubh le taghadh smeoirne;

Is gunna caol nach dailteadh sràd
Air udlaiche na croice.

Tha comharr' a bhi dileas ort, —
 Gun dug an rìgh dhuit storas;

Gun dug e o Chaol-Muile dhuit
 Gu cnoc na coille moire;

'S gun dug e cruic fo theudan dhuit,
 Is cead a seinn na sheombar,

Gum bu chonnsunn smachdail thu

'S a Raonuill oig na Ceapich,
 Gur a h-ait leinn maireann beo thu,

A cheannsachadh nan Duibhneach,
 Is gur cuimhne leinn an do bheairt.

It is possible, perhaps probable, that the foregoing song was composed by John Lom.

The Chanonrie of Fortrose is known in Gaelic as a Chananich. It is said that Raonull Og got a key made which would open the door of the prison in which Sir James Macdonald was confined, and that it was by means of this key that Sir James effected his escape. It is just possible that Alasdair nan Cleas had really more to do with getting the key made than Raonull Og. In 1618 Sir Lachlan Mackintosh invaded Keppoch with a large force for the purpose of apprehending Alasdair nan Cleas and his sons, but was under the necessity of going back without them.

In the manuscript from which I have copied this poem it is termed, "Oran do Mhac-Iain Aird-nam-Morchann, le gille a bha aige fhein." In D. C. Macpherson's Duanaire, which contains thirteen verses of it, it is termed, "Cumha Raonail Oig, le Iain Lom." I do not suppose that John Lom had anything to do with it.

According to the person who sent me this poem, it was composed about Aonghus Mac Raonuill Oig, and is the original version of *Biodh an uidheam so 'triall*. I cannot accept this view of the poem. I look upon it as being made up of stanzas from three or four different poems. The greater portion of it seems to me to be far more applicable to Macdonald of Sleat or Glengarry than to Aonghus MacRaonuill Oig. Some of the verses appear in the *Elegy on Sir James of Sleat*. I feel confident that these verses really belong to that poem. I am not aware of valid ground upon which it could be said of Aonghus MacRaonuill Oig, *Bhiodh Iain Muideartach leat's MacLeoid*. But this could be said concerning Sir James of Sleat with a fair degree of propriety. He married, as his second wife, Mary, daughter of John Macleoid, 14th of Harris; whilst Florence, one of his daughters by his first wife, was married to John Macleod, 16 of Harris. Iain Breac Roderick, 17th of Harris, was Sir James's grandson.

 Nach dugadh each an sgiath chuill deth.

Nuair threig each an cuid fearainn,
 Is nach d' fhan iad san rioghachd,
 Sheas thusa gu fearail,
 Gun sgath, sgainneal, no mi-chliu,
 Chuir thu fuaradh na froise
 Seach ar dorsan gar dionadh :
 Gun robh t-aigheadh cho laidir
 Ri leoghann ard de 'n fhuil rioghail

Cha robh iarl' ann an Albainn
 Gheibheadh earbsa no run bhuait,

'S gum biodh toiseach gach naidheachd
Gu lamhan a chuirteir.

Sgeul a b' ait leam r'a eisdeachd,
'S a bhi ga leirsinn le 'r siulean,
Do mhac oighre bhith 't fhearann
Mar bu mhath le luchd durachd.
Ach aon neach leis am b' oil e,
Luaidhe ghlas le neart fudair
'Bhith troimh cluidh' air a fiaradh
Chor 's nach iarradh e tionndadh.

Alexander Macdonell of Glengarry, Alasdair
Dubh, died in 1724.

I cannot believe that John Lom was the author of the foregoing elegy. It is fairly certain that he was in his grave long before it was composed.

John Lom was present at the battle of Stun-a-Chlachlain in 1640. It is admitted by everybody that he was at least sixteen years of age at the time. Consequently he must have been born as early as 1624. But Alasdair Dubh of Glengarry died in 1724. John Lom, if living at that time, must have been one hundred years of age. But it seems unreasonable, without clear proof, to ask us even to believe that the elegy on Glengarry was composed by a centenarian. John Lom composed an elegy on Aonghas MacRannull Oig in

1640. It does not look like the composition of a boy of sixteen. I take for granted that John Lom was a good deal older than sixteen in 1640.

The Rev. Donald Macnicol published remarks on Dr. Johnson's tour to the Hebrides, in 1779. In that work he states that John Lom lived to an extreme old age, and that there were still living people of very advanced years who remembered to have seen him. People of very advanced years, said to be people who were at least eighty-five years, or people who were born in 1694, and who were fifteen years of age in 1709. If John Lom had lived until 1724, there must have been a good many persons living in 1779 who had seen him, and these, persons who were not of very advanced years.

The sketch of John Lom which is published in *Sar-Obair nam Bard* was written by Dr. Macintyre of Kilmonivaig. Dr. Macintyre tells us that John Lom died at a very advanced age about the year 1710. Than Dr. Macintyre there could be no better authority. He took an interest in Gaelic poetry, and had the best possible opportunities for becoming acquainted with John Lom's history.

In view of the foregoing facts, I take for granted that John Lom died in 1709 or 1710, probably in 1709. But when was he born? According to Mr. Macnicol, Dr. Macintyre, and some Keppoch traditions that I have heard, he lived to an extreme old age. I think we must come to the conclusion that he was at least ninety or ninety-five years of age when he died. Thus, then, he must have been born as early as 1620, perhaps as early as 1615.

Beannachd leat, Iain Luim. Chuir mise t' orain am mach cho math 's cho ceart 's a b' urrainn mi. Tha mi 'n dochas gun dig cuid-eiginn am dheidh a ni nas fhearr.

Notes.

1. From Turner's collection.

2. From R. Macdonald's collection. The last line of the eighth verse is given in the book as follows:—'S bhiodh briogadh an deidh a h-earr'.

3. Sixteen verses from Dr. Maclean's MS. The chorus, 6th, 7th, 8th and 9th verses from Turner's collection. The following verses have been omitted:—

'N cuala sibh an turas ainmeil
'Thug Alasdair mac Cholla 'dh-Albainn',
Rinneadh leis pronnadh is marbhadh,
'S leagadh leis Coileach Srath-Bhalgaidh.

An t-eun dona ' fhuair a cheusadh
An Sasunn, an Albainn, 'S an Eirinn,
Gur h-it e a cul do sgeithe,
'S gur misde leam gun do gheill e.

These verses refer to the Earl of Huntly. If leagadh leis were dh' islich e there might be some truth in the 4th line. As it stands, it cannot be reconciled with historic facts.

4. From Turner's collection. The third line as given by Turner is as follows:—Choisinn latha Allt-Eirinn le mhor-shluagh. It was Montrose's genius that won the battle of Auldearn. Alister hac Coll had not a mor-shluagh or large host under him. A thug buaidh an Allt-Eirinn le chonnspuinn would be true. The third line of the third verse is, Nuair a bha thu 'sa gharadh a' t' onar. Alister mac Coll was not alone in the garden, sheep-pen, or whatever the enclosure may have been. The third line of the sixth verse is, Bha na shineadh am polla ud

Lochaidh. John Lom would never say that there were many of Montrose's men lying in the pool of Lochy. But what could Inverlochy have to do with Auldearn? The 7th verse is by myself. The last verse has been omitted. It is as follows:—

Chuir sibh pairt diu air theicheadh
 Gus 'n do ranig sibh Muiri,
 'S chuir sibh lasraichean teine 'sa Mhoraich.

So far as I can learn Montrose did not set fire to Moraich Mhic-Shimi, at the time of the battle of Auldearn. There may, however, have been a Moraich, or Mor-fhaiche, between Nairn and Garmouth. But whether there was or not, John Lom had too good an ear for music to suppose that Muiri rhymed with theicheadh.

6. From R. Macdonald's collection.

7. From the Highland Monthly, Vol. I, page 278. The 8th verse is from Turner's collection.

8. From Turner's collection.

9. From A. and D. Stewart's collection.

10. From Dr. Maclean's MS.

11. From Turner's collection. The 18th verse is from Gillies's collection, page 75.

I have omitted four verses. If a man does not believe that a person whom he disliked went to Heaven when he died, he had better say nothing about his occupation in the world of spirits.

12. From the transactions of the Gaelic society of Inverness, vol. XII., and Turner's collection.

13. The first nineteen verses are from Turner's collection. The 26th verse and the last fourteen verses were sent me by Alexander Macdonald, Ridge.

14. From Turner's collection. The 8th and 15th verses are by myself. A reir na naidh-eachd a thugadh dhomhsa, fhuair an Cruiteir a bhean aige ann an suidheachadh maille ri duine eirle aans nach bu choir d'i a bhith. An aite naire a ghabhail 's ann a thoi'sich i air a chain-eadh 's air tilgeadh chlach air.

15. From Gillies's collection. The third line of the third verse is given in that work as follows:—Fraoch fod ' 'shin, gun bhosd, gun bhag radh. The last two lines of the fourth verse are given thus,—

Sgriab Ghilleasbig Ruaidh a Uibhist,
Bhuail e meall an ceann an uighe.

I have reason to believe that the Ciaran Mabach was known as Gilleasbig Dubh, not as Gilleasbig Ruadh. I am not prepared, however, to insert Ghilleasbig Dhuibh in place of Ghilleasbig Ruaidh.

I received the following verse from Alexander Macdonald, Ridge:—

Chuir thu stopadh air na caolais
Mun leigt' ort iad le maol sneimheil;
Rinn thu gach coit is ramh a shaoradh,
Mharbh thu boc 's gun d' lot thu 'mhaoiseach

Maol-sneimheil, careless, is an adjective; the noun is maol-sneimhealas. It is said that a shot fired in through the window wounded Alasdair Ruadh's wife in the leg. This explains the reference to the maoiseach.

The first line of the 8th verse is, A Mhoire, 's buidheach mise, Dhia, dhìot. Without changing these words the thu in the next verse would refer grammatically to the Deity. I might, however, have avoided this difficulty by giving the 8th verse as the last. I got the ninth verse from

Alexander Macdonald, but changed dh' eitich to smachdaich. I got the following lines also from Mr. Macdonald:—

Claigean gun saonadh bho chorpaibh,
Mar chinn laogh an deidh am plotadh.

These lines, as given by Gillies, are as follows:—

Claigean gan faoisgneadh a copar,
Marr chinn laogh an deidh am plotadh.

These lines are very poetic, but are they founded upon a fact? Are we to suppose that the heads were actually put in a copper vessel of some kind, or in a pot, and washed there? The word plotadh favors this view.

16. From Turner's collection. I got the fifth verse from an old neighbor, John Macdonald, an Taillear Abrach.

17. From the Gael, vol. V., page 76.

18. From Dr. Maclean's MS.

19. From Turner's collection. The first verse is given by Turner as follows:—

Gur a fada mi 'm thamh,
Thuit mo chridhe gu lar;
A Rìgh, 's deacair dhomh tamh 's mi beo.

It is not desirable to have tamh rhyme with thamh.

The seventh verse is given thus,—

Nuair a rachadh tu 'm mach
B'ard a chluinnteadh do smachd,
Bhiodh Iain Muideartach leat 's Mac-Leoid.

As I understand these words, they mean either that Macleod was a follower of Sir James or that he was in the habit of marching with him to battle.

20. From R. Macdonald's collection.

21. This poem and the 22nd are taken from Turner's collection. They are given in that work as one poem, under the heading of Oran air Blar Tomaphubull.

22. The chorus and the first two verses refer to Lord Macdonell. The last three verses seem to belong to the poem on the Marquis of Athole, Slan gun dith dhuit a Mharcuis. I have omitted the following verses:—

'M bruadar chunnaic mi 'm chadal
 B' fharr gum faicinn e 'm dhusgadh;
 'S mi nach fuireadh na b' fhaide
 Ann am plaide fo thursa.
 Le aon sealladh dhe t' aodann
 Nuair a phlaosgadh mo shuillean,
 B' ionnan eirigh do m' aigneadh
 S' leum a bhradain le luth-chleas.

Gur a mise 'bha tursach,
 'N am dhomh dusgadh a m' bhruadar,
 A bhith faicinn do chursaibh
 'Do! an null air Druim-uachdar;
 Bhith gad chur an toll-butha,
 'S gun mo dhuil thu thigh 'nn uaithe.
 Laigh smal air mo shugradh
 Gus an ruisgear an uaigh dhomh.

These verses seem to refer to the Marquis of Huntly or to the Earl of Athole. They might suit at the beginning of Cumha Morair Hunndaidh.

23. From Turner's collection.

24. From Turner's collection.

25. From D. C. Macpherson's *Duanaire*. As published in that work, it contains nine verses, namely, the 1st, 2nd, 3rd, 4th, 7th, 8th, 10th, 11th, and 17th. The 12th 's by myself.

26. From John Maelean's MS.

27. From Gillies's collection.

28. There are four versions of this poem, Dr. Maclean's, Turner's, Ewen Maclachlan's and Alexander Macdonald's. Dr. Maclean's and Turner's differ but very little. Ewen Maclachlan copied his version from an old MS. He states that the poem was composed about Lord Macdonell. The poem, as I have given it, is partly from Dr. Maclean's version and partly from Ewen Maclachlan's. Both these versions contain the 1st, 2nd, 4th, 5th, 8th, 9th, 10th, and 11th verses. But they do not give the 4th and 10th verses in the same way. The 4th is given by Ewen Maclachlan as follows:—

Theid mi shealltuinn an null
 Air nigh'n Sheumais nan tur,
 Gum meal thu 'n staidhle sin puid ri 'd bheo.

If the poem is about Lord Macdonell nigh'n Sheumais should be nigh'n Domhnaill; if about Macdonald, of Sleat, it should be Sir Seumas or Sir Domhnaill. The 10th verse, as given by Dr. Maclean, runs thus,—

'Sleat Sir Domhnaill o'n Choal,
 'Sleat Clann Domhnaill na laoch,
 Sud a bhuidheann nach maom 'san toir.

Ewen Maclachlan has it as follows:—

Leat a dh' eireadh na laoch,
 Clann-Domhnaill an fhraoich,
 Sud na connspuinn nach faoin 'san toir.

Of course the only difference of any consequence is in the first line.

The fifth verse is in my opinion the best in the poem. But to whom does it refer? I feel confident that it must refer to Sir James of Sleat, to Lord Macdonell, or to Sir Donald of S'eat. As John Lom was a man of good common sense, I am inclined to think that Sir James and Lord

Macdonell were dead, and that Sir Donald was the man of whom he said, 'S tu a thaghainn de'n al s' tha beo.

29. From R. Macdonald's collection. The last two lines of the first verse are given in that work as follows:—

'N deoch-s' air Cauptin Chloinn-Domhnaill,
'S air Sir Alasdair og 'thig o'n Chaol.

Sir James Macdonald, ninth of Sleat, was succeeded by his son, Donald. He had no son named Alexander. Sir James 13th of Sleat died in 1723. He was succeeded by his son Alexander, who was born in 1710 and married in 1733. My reasons for believing that the poem was composed about Sir Donald, 10th of Sleat, are these:— In the first place, as we are not in possession of John Lom's poems as they were composed Sir Alasdair may be a mistake. In the second place, according to Ranald Macdonald the poem was composed in the time of Sir James, ninth of Sleat. In the third place, the subject of the poem was a married man, but Sir Alexander, 14th of Sleat, was not married until the year 1733.

I have rejected the following lines from the twelfth verse:—

A chraobh fhiogius gun ghaiseadh
'Chuireadh fion d'i am pailceas.

If the fig-tree belongs to the arms of the Macdonalds of Sleat, and it yields wine in abundance, these lines should have been retained.

30. From Turner's collection. The last two lines of the first verse are given in that work as follows:—

Gu bheil mulad fo d' chom ort
Mu bhas Ghoud Iarla Moire.

So far as known to me there was no such man as Ghoud Iarla Moire. As the poem was com-

posed about 1682, and as Lord Macdonell died in that year, it is possible that he was the person referred to by John Lom. The first half of the 8th verse is by myself.

The Earl of Argyll met John, first Earl of Athole of the Murray family, at the ford over the river Lyon, near Kenmore in Breadalbane. The former had 5,000 men with him, the latter 1200. Argyll invited Athole to a private conference. Whilst Athole and his friends were on the way they were seized by men who had been planted in ambush by Argyll, and sent off as prisoners to Edinburgh.

31. From Turner's collection.

32. From Gillies's collection. The last five verses were sent me by Alexander Macdonald, Ridge.

33. From Turner's collection.

34. From Gillies's collection.

35. From D. C. Macpherson's Duanaire.

36. From D. C. Macpherson's Duanaire.

37. From John Maclean's MS.

38. Sent me by Alexander Macdonald, Ridge. Instead of 'S leat Sir Domhnall bho 'n Chaol, Ewen Maclachlan has Leat a dh' eireadh na laoich. According to D. C. Macpherson the 21st and 24th verses are about Gilleasbig na Ceapich.

39. Sent me by Alexander Macdonald, Ridge. This version of the poem is better than the one given at page 79. Of course ionad nan stait is preferable to ionad nan stath. Stait means a leading man in the state.

40. From R. Macdonald's collection. By an oversight this poem was not sent to the printer in time. It was only when I was writing out the index that I missed it. It should have been inserted before Oran an Agaidh an Aonaidh.

41. From Turner's collection.

The few shorts stanzas composed by myself

were inserted merely as connecting links. I have pointed them all out.

I have to thank Alexander Macdonald, Ridge, Antigonish, for the poems and verses that he has sent me. Mr. Macdonald is intimately acquainted with the history, traditions, and poetry of the Macdonalds of Keppoch. He has more poems by heart than any other person known to me.
