THE FOLLOWING

COLLECTION OF GAELIC POEMS

ARE RESPECTFULLY INSCRIBED,

BY HIS LORDSHIP'S MUCH OBLIGED

AND MOST OBEDIENT HUMBLE SERVANT,

DUNCAN M'INTYRE.

DUNCAN M'INTYRE, Author of the following Poems, was born in Glenorchy, Argyleshire, in the year 1724. The only amusement of his youth was fowling and fishing. He was for some time in the army: Afterwards a Forester to the Right Honourable the Earl of Breadalbane, in Coire-Chéathaich and Beinn-Dourain; and thereafter to his Grace the Duke of Argyle, in Buachill-Eite. He was likewise, for a considerable time, in the City-guard of Edinburgh.—He began to compose Songs in the twenty-third year of his age.—Though he has received no education, nor been assisted by any person, yet the following Songs, &c. are wholly of his own composition.

ORAN I.

*Oran do bhlár na h Euglais brice *.*

I.

Lá dhuinn air mach thir Alba,
Na bha dh'armailt aig a chuigse,
Thachair iad oirne na reabail
'S bu neo'-aobhain leoinn a chuideachd ;
'Nuair a chuir iad an ratreud oirn,
'Siad 'nar diaigh a los ar murta,
'S mur deanamaid feum le'r casan,
Cha d'thug finne frad le'r musgan.

* 'Se fo ceud oran an ughdair.

II.

'S a dol an coinneamh a Phrionnfa,
 Gu'm bu fhunntach a bha sinne,
 Shaoil finn gu'm faigheamaid cúis deth,
 'S nach ro dhuin, ach dol g'a fhireadh;
 Nuair a bhuail iad air a cheile,
 'S ard a leumamaid a tilleadh,
 'S ghabh finn amach air an abhuin,
 'S dol g'ar n amhaich ann san linne.

III.

'Nam do dhaoineibh dol nan eideadh,
 Los na reabalaich a thilleadh,
 Cha do shaoil finn, gus na gheil finn,
 Gur finn fhein a bhi'dhte 'g iomain;
 Mar gu'n rachadh cú ri caoiribh,
 'S iad 'nan ruith air aodann glinne,
 'S ann mar sin a ghabh iad sgaoileadh
 Air an taobh air an ro sinne.

IV.

Sin' 'nuair thanig each 'fa dhearbhadh iad
 Gu'm bu shearbhadh dhuinn dol' nan cuideachd;
 Se'n troupe Gallta g'an ro chall sin,
 Bha Collin gun cheann air cuid dhibh
 Nuair a thachair ribh clann Domhnuil,
 Chum iad comhail air an uchdan,
 D'hfhag iad creachd'an air an reubadh
 Scha leifeadh leidh a n'cuiseadhn.

V.

Bha na heich gu crúitheach, frianach,
 Girteach, iallach, fiamhach, troupach,
 'S bha na fir gu harmach, foghluint',
 Air an sonrachadh gu murta.
 'Nuair a dhaom sinn bhar 'ntfleibh,
 Is moran feum aguin air furtachd
 Na bha beo bha cuid dhiubh leoint
 'S bha sinn bronach mun a thuit ann.

VI.

Dh'eirich fuathas ann san ruaig dhuinn,
 'Nuair a ghluais an fluagh le leathad
 Bha Prionns' Tearlach le chuid Francach,
 'S iad ann geall air teachd 'nar rathad.
 Cha d' fhuair sinn focal command'
 A dh'iaruidh ar naimhdean a sgathadh;
 Ach comas sgaoilidh feadh an tsaoghail,
 'S cuid aguin gun fhaotain fhathasd.

VII.

Sin 'nuair thainig mise dhathigh,
 Dh' ionnsuidh Ghileaspic o'n Chrannuich,
 'Sann a bha é 'n sin co'-fhiata,
 Ri broc-lia a bhiodh ann garuidh;
 Bha é duilich ann san ám sin,
 Nach ro ball aige r'a tharruing,
 'S mor an diú'ail na bha dhí air
 Cloidheamh sinnfireachd a shean athar.

VIII.

Morain iarruing air bheug faobhair,
 Gu'm b'e sud eagus a chloidheamh,
 'Se gu lubach, leumnach, bearnach,
 'S bha car cam ann, ann san amhuich,
 Dh'fhag é mo chruachansa bruite
 Bhi 'ga ghiulan feadh an rathaid,
 'Sé cho trom ri cabar fearna,
 'S mairg a dh'fhairdeadh an ro rath air.

IX.

'Nuair a chruinich iad nan ciadan
 'N lá fin air sliabh na h eaglais,
 Bha ratreud air luchd na Beurla
 'S ann doibh fein a b' eigin teicheadh;
 Ged' a chaill mi ann san ám fin
 Cloidheamh ceannart chloin an Leafdair;
 Cloidheamh bearnach a mhi-fhortain,
 'Sann bu choslach é ri greidlein.

X.

Am ball teirmeafg a bha meirgeach,
 Nach d'rinn feirbhis a bha dleufnach;
 'S beag an diú'ail leam r'a chunnta
 Ged' a dh iontraich mi mu fheafgar:
 An cloidheamh duth nach d'fhuair a fgúradh
 'S neul an t fuigh air a le'taobh,
 'S beug a b'fhiugh e 's e air lubadh,
 'S gum b'e diuthadh a bhuill deis e.

XI.

An cloidheamh braoisgeach, bh'aig na daoine
 Nach d'rinn caonag 's nach d'thug buillean,
 Cha ro eugas air an t faoghal,
 'S maireg a fhaoruich leis an cumeasg;
 An cloidheamh duth air an ro 'n taimhleas
 Gun chrìos, gun chrambait, gun duille,
 Gun ruinn, gun fhaobhar, gun cheanbheart,
 'S maireg a tharladh leis an cunthart.

XII.

Thug mi lium an cloidheamh bearnach,
 'S b'olc an an asuig e fa' chabhaig,
 Bhi ga ghiulan ar mo fhliasuid;
 'S maireg mi riamh a thug o'n bhail é,
 Cha toir é stobadh na fathadh,
 'S cha ro é laidir gu gearradh
 Gu'm b'e diuthadh a bhuill airm é,
 'Se air meirgeadh air an fharadh.

XIII.

Chruinnich uaislean Earraghaidheal,
 Armait laidir do mhillis, [lach,
 'S ehuaidh iad mu choinnimh Phrionns' Tear-
 'S duil aca r'a champ a bhristeadh;
 S ioma fear a bh' ann fan ait' ud
 Nach ro sabhailt mur bha mise,
 A'mhead fa dhfhag fìnn an fan áraich,
 La blár na h Eaglais brice.

ORAN II.

Oran do Thailcart a bha aig Ban-ri Mairi.

I.

DEOCH slainte Ri Deorfa,
Gu'n olainn ar thus,
Le onoir 's le buaidh
Nan daoine uaisl' tha na chuir,
Le Seanalair Hawley,
As Maidfear Cochun,
Gun di' chuimhn' air Mairi,
Bean mhálta mo ruin.

II.

Mo bheannachd gu bráth
Aig a Bhan-ri nach beo;
'San aic' a bha Mairi,
G'a h árach 's i og;
Bean shiobhalta, shamhach,
'S i nárach gu leor:
'Nuair theid mi 'n tigh thairne,
'Si phaigheadh mo stóp.

III.

'Stu chumadh an co'throm
 'S an onoir 'ud rium,
 'S a chuireadh a'm sporan
 Na dollair 's na crúin,
 Ged' a dh' ólainn leann laidir,
 Fion Spáinteach as rúm;
 'S tu b' urrain a phaigh,
 'S tu 'n ait air mo chúl.

IV.

Nuair thíginn leat dathigh,
 Thar faithch' an rabhiu,
 'S tu sínnt ann am bhreacan,
 Bu taitneach leam thu;
 Gu'n deanuin do thafguidh,
 Far am faicinn do ghnuis,
 Mo Mhairi dhonn mhaifeach,
 Air 'n do leag mi mo rún.

V.

'S ann do nian na Ban-ri
 Thug mi grádh as mi óg,
 O'n a fhuair mi air laimh i,
 Cha ro faillin a'm lón;
 Fhuair mi coir ort o'n chaiptein,
 Nach tugainn feachad air ór,
 'S ge do rachuin am blár leat,
 Cha 'n fhágain thu beo.

VI.

'S ann a fhuair mis' an toiseach,
 Leis an fhortan a bh' ann,
 A bhean as diriche pearfa,
 Theid a mach fa' chommand ;
 'S a dh'aindeoin na h aoise,
 Cha dean i h aogas a chall,
 Cha chaoluich a casan,
 'S cha mho ghlaflas a ceann.

VII.

Tha Mairi cho boigheach
 Ri mnaoi oig a tha 's tír,
 'S i gun uireasbhuidh foghlum,
 Uafal, mordhalach, grinn ;
 'Se m' aidhir 's mo fhólas,
 Gu'm bheil i pósdar ium fhin,
 'S ge 'd a thearuig dhuinn stóras,
 Gheibh sin ór aig an Ri.

VIII.

Bi finn uil' aig Ri Deorfa,
 'S cha ghóruiche dhuinn ;
 O's ann aige tha' n stóras
 As cóir air a chrún ;
 Bheir é 'm paigh 'nar dorn duinn,
 'S cha 'n iar é oirn dad g'a chion,
 Gheibh sinn anart as aodach
 Co faor ris a bhúrn.

IX.

Cha 'neil trioblóid r'a chunntas,
 Air muintir an Rí,
 Ach miorag as fúgradh,
 'S bí gun churam do ní;
 Ged' a dh' ólainn na galain,
 A h uile car a theid diom,
 Cha troideadh mo bhean rium,
 'S cha leig i an t aran am dhi.

X.

'S ann agams' tha 'n leannan,
 Nach 'eil feammach na brein,
 'Si 'n uaifl' tha na mala,
 Tha cuir a ceanail an geil,
 'S tha mí fad an am barail,
 Nach 'eil a coimeas fu' 'n ghrein,
 'S ní mí pórsan dith daingean,
 Mu bhios i mairthean a'm dheigh.

ORAN III.

Oran do 'n Mhusg.

I.

'S IOMADH car a dh'fheudas tighn air na fearaibh
Is theag' gu'n gabh iad gaol air an té nach fhuigh
iad, [mi,
Thug mi fichead bliadhna do'n chiad té ghabh
Is chuir i 'rithist cúl rium, is bha mi folamh.

II.

Is thainig mi Dhun-eudan a dh'iarraidh lean-
nain, [bhaile,
Is thúirt an Cauptin Caimbeul, 's é 'n geard a
Gu'm b'aithne dha bantrach ann áite falaich,
Is gu'n deanadh é áird air a cur a'm 'charaibh.

III.

Rinn é mar a b' amhaist co'mhaith 's a
ghealladh,
Thug é dhamh air laímh i, 's am páidh marri;
Is ge b'e bhios a feóraich a h ainm no floinneadh,
Their iad ria Seónaid, 's b'e Deorfa sean-aír.

IV.

Tha i foitheamh, fuairce, gun ghruaim, gun
 fmalan,
 Is i cho' árd ann uaisle re mnaoi fan fhearan,
 Is culaidh a m' chumail suas i, o'n tha i marrium,
 Is mór an t' ádh'r smuairein do'n fhear nach
 fhuigh i.

V.

Leig me dhiom Nic-cóshum ge d'tha i mair-
 thean, [aire,
 Is leig mi na daimh chrocach an taobh bha 'n
 Is thao' mi ris an og mhnaoi, 'fann lium nach
 aithreach,
 Cha n'eil mi gun stóras en phós mi 'n ainnir.

VI.

Bheir mi fhein mo bhriathr' gu bheil i ro-
 mhaith,
 Is nach d'athinich mi riamh orra cron am falach,
 Ach gu foinneamh, finealta, díreach, fallain,
 Is i gun gháoid, gun ghiomh, gun char fiar,
 gun chamadh.

VII.

Bithidh i air mo ghiulan, 's gur maith an airidh,
 Ni mi fhein a fgúradh gu maith 's a glanadh,
 Chuirinn ri' an t uilleadh ga cumail ceanalt,
 Is cuiridh mi ri m' shuil i, 's cha diult i aingeal.

ORAN IV.

Oran do'n Rìgh.

I.

'S i deoch fiant' an Rìgh as áil linn,
Sin an ioc-shlaint aluinn, uafal,
Bhì ga h ol a dh'fhiòn na Spainte,
No do phuinfe laidir, uaibhreach,
'Nuair a bhios i air a stráichdadh
Co lán 'fa chumas na cuachan,
Ge b'e lann an dean i tachairt,
'S coir gu'm faiceadh é muncuairt i.

II.

'S mor an sonas th' ann san ríoghachd,
Ona chuaidh an Rì fo chrúnadh,
Ann san ait' a bh' aig a shinn's reachd,
An d'fhuair a shéan-seanair cóir dhúthchais,
Albainn, as Sasgunn, as Eirinn,
'Nois' a' géileachduin do 'n aon fhear,
Mar nach fhacas iad riamh roimhe
O'n a chothuicheadh air thús aid.

III.

'S mor an t ádh a th' áir an oig-fhear,
 An treas Deors' a shuith sa' chaithir,
 Cha neil Rí ann san Roinn-eorpa,
 Chumas cómhrag ris le cloidheamh;
 'S óg a thoifich é ri cruadal,
 'S tha bhuanachd gu tric na lamhan,
 Fearann chaich 'ga shír thoirt uatha,
 'S na h uil' aite fhuair é ghleidheadh.

IV.

'S iomadh ait' an ro chuid armait,
 Cliutach, ainmeil 'nuair a thairnt' iad
 A choifichin lúthar, calma,
 A's troup meamnach nan each laidir;
 Bha Eirionnaich, Gaoill, as Sas'naich,
 'Nan gaisgich ann tìr an namhaid,
 'S maing a thach'radh air na fearuibh,
 'Nuair a theannadh iad ri lamhach.

V.

Ann fa h uile cás a's cunthart,
 'S mor an t urram fhuair na Gaidhil,
 'S bha'as greis ga 'n cuir an duileachd,
 Mar nach buineadh iad do'n phairti;
 Ach 'nuair fhuair iad mios as creid'eas,
 'Sa chreideadh nach deanadh iad failling,
 'Siad bu sheasmhaich' air an onair
 A thug lann sholais a scábart.

VI.

Bha iad bras a h uile latha,
 Ri ám catha dol sna bláruibh,
 Chuaidh gach duine dhiu air chruadal,
 'S ann orra bha buaidh gach lárach,
 Bha commisean aig gach oig-fhear,
 'S e toirt órdugh d'a bhratailean,
 'S iad cho dileas do Ri Deorfa,
 'Sa bhiodh na leoghain dha'n cuid álaich.

VII.

Bha chairt-iuil is cuimhl' an fhortain,
 Bha feoid a chogaidh gu leir leat ;
 Ann fa h uile blár a bh' aca,
 Rinn Mars na bu choir dha fein deth :
 'N ám do loingis bhi 'gan gluafad,
 Chuir Æolus fuaim led' bhréidean ;
 Thug Neptune co-throm a chuain duit,
 'S co bha uait a dheanadh feum dhuit.

VIII.

Bha na gearasdaín cho daingean,
 'S gu'm b' amaideach dol gan seifdeadh,
 Aghaidh laidir air gach balla,
 Chum nam barag a bhi gleidhtéach,
 Rampair árd nach reachta thairis,
 Bat'raidh 's canain orra gleusda,
 Bu mhairg a bhiodh roimh an anail
 'Nuair a theannadh iad ri geisgil.

IX.

Gach Rì a thoifich ad' aghaidh,
 Ghabh iad mar roghain an diutha,
 'S ionan sin 's mur dh'eirich dhaibhfan,
 'S mor a chaill iad air a chúis ud,
 'Thug thu tarraing bhar an Fhrancaich,
 'S fhuair thu ceanglaichin a's cumhnant,
 Nach togadh é rithisd t'angar,
 Mu'n eireadh aimhleas ni bu mho dha.

X.

Bha Ban-ri Hungary górach,
 'Nuair a thoifich i ri stri riut ;
 'S cha bu ghlice Rì na Spainte,
 'Thoifich é gu dana mi-mho'il :
 Ged' a bha 'n dithisd ud laidir,
 'S Rì no dha a bh'ann sna h innsean,
 Fhuair thu dhiu gach cuis a dh'iarr thu,
 'S tha na fiachan air an dioladh.

XI.

Tha 'n Rì anois' mar as aill leis,
 Sábhailt a dh' fhaodas é luighe,
 Tharruing é gu tír a chamhlach,
 'S channeil feum air camp a ghléidheadh.
 Gach duine bha dha 'nan naimhdean,
 Chinn iad da 'nan cairdean matha,
 'S tha iad uile dha cho díleas,
 'S dh' fhuirich an t fìocha' sin fhathast.

XII.

An ceithir airdean an t faoghail,
 Tha fearunn as daoine aig Deorsa,
 'S tha chinn-euglais ann f'gach áite
 Chum an fábhailadh o dho-bheairt,
 'Tha lagh a's parlamaid aca,
 Chumail ceartais riu a's córach,
 'S tha mheirl' ann deigh a casga,
 Sguir na creachan a's an tórachd.

XIII.

Bi' a h uile diuc a's iarla,
 Mar as miann leo am fad as beo thu,
 'S gheibh gach mor-fhear, as gach tighearn',
 A h uile dlitheadh as coir dhoibh;
 'Tha daon uaisl', as tuath an fhcaruinn
 Mar as math leo thaobh an stórais,
 'Tha luchd ceaird a faotain cosnaidh,
 'S channeil duine bochd gun phórfan.

XIV.

'Tha toradh am fás na talmhuin,
 Gu miosach, ar' arach, pórach,
 Chinn ann spreidh gu bliochdach, bairn'or,
 Sona, fliochdór, fáilleach, feólór,
 'Tha fitheann air fliabh gach garbhluich,
 Sealgairean a faotain spórsa,
 'S tha tighin air iasg na fairge,
 'S paillt an t airgiod ri linn Dheorsa.

XV.

'S mór a rinn e dh' fhearas-tighe,
 Sgaoil é h uile matheas oirne,
 Chuir é drochaid air gach álltan,
 'S réitich é na ráidean-mora ;
 Chuir é scoil fa' h uile gleann,
 A los gu'm faigheadh ar clann foghlum,
 'S gheibh sinn airm a's aodach Gaidh'leach,
 O 'fe 's fhear linn gu bhi sporfail.

XVI.

'Se as airde do na flaithibh,
 'S am mac-ratha o thús oige,
 Ceannard laidir fa' h uil' ionad,
 Air gach fineadh 's air gach feorfa ;
 Titul Bhreatain a's na Fraince,
 Tha na banntan sin 'na phóchda,
 Stoileadh Eirinn, steibh a' chreidimh,
 G'a chumail creid'easach ann órdugh.

XVII.

Gu meal thu do chrún 's do chaithir;
 D' uinein, do chloidh' 's do mhòr-chuis,
 'S do theāghlach mór, rioghail, cliutach,
 'S an lu chairt am bheil thu chomhnuidh ;
 Ge b'e uair a thig an aois ort,
 Na chaochla's tu bhar an t feoil sin,
 Gu'm bi do mhac-oighre fábhailt,
 Ann ad' aite mar is coir dha.

ORAN V.

Oran do Mhac-fhear Ghlinn-urchaidh.

I.

S^{GEUL} a b' ait leam r'a innseadh,
Mu'n og aigeannach, riombach,
Laoineach, bhafdalach, phrifeil,
Chaoineil, mhacanta, fhiobhailt,
A rinn gach beart a bha rioghail,
Ann an ceartas 'f'am firinn,
O thoiseach na strì' so thainig :
O thoiseach, &c.

II.

'S ioma ait' am bheil cliu ort,
Nach ro 'm pairtì do dhuthcha,
Sheas thu dána gun chúram,
Gun fhailing, gun lúbadh,
Gu neo'-fgáthach le dúrachd,
Ann fan aite bu rún leat,
Far na gheall thu o thús a bhi cairdeach :
Far na gheall, &c.

III.

'S ann ám gluafaid, na carraid,-
 Bha thu cruadalach, fearail,
 Mar bu dual duit o d' fheanair,
 Choifinn buaidh ann an Gallaibh,
 'Nuair a bhuanaich é 'm fearann,
 Bha na tuadhaich gun anam,
 'N deis an ruagadh 's an gearradh san arfhaich':
 'N deis, &c.

IV.

Laoich ghleufda gun tioma,
 Bu mhór feum ann san iomairt,
 Nach geilleadh le giorag,
 Fhuair iad réite le milleadh,
 'S cha b'i 'n eacoir a shir iad ;
 'S mor d' fheums' air bhi sgileil,
 O 's tu fhein a tha 'n ionad nan armann:
 O 's tu, &c.

V.

Sár cheannard gach fin' thu,
 Deagh mhaighifdir nan gilleam,
 'S an commandair gun tioma,
 An tús ai'-reit no iomart,
 Nach dean parladh a shireadh
 Le d' lanndaibh geur, biorach,
 Bhiodh caldach as iomain air namhaid :
 Bhiodh, &c.

VI.

'S bidh do chinne mor fhcin leat,
 Ann sgach cunn'art an d'theid thu,
 'S iad gu fuileachdach, feumail,
 Bhualadh bhuilean as spéicean,
 'S lionar curaidh 'na eideadh,
 Bhi'os ullamh gu eiridh,
 An ám dhuit bhi 'g eubhaich crois-taraidh :
 Ann ám, &c.

VII.

'S ioma caraid muncuairt duit,
 Eadar Bealach a's Cruachan,
 Leis 'm bu mhath thu bhi 'n uachdar
 Le neart tein' agus luaidhe,
 'S nan lann tana, geur, cruaidhe,
 Rachadh marriut g'am bualadh,
 'Nuair a thogadh tu suaicheantas árd :
 'Nuair, &c.

VIII.

Air fonn, The Flowers of Edinburgh.

I.

'S Duilich leam an caradh
 Th' air coire gorm an fhásaich,
 Ann raibh mi greis am arach
 'S an bhraidhe fo thall ;
 'S iomadh fear a bharr orm,
 A thaitneadh e r'a nádur,

Na 'm biodh é mar a bha é,
 'Nuair dh' fhág mi e nall;
 Gunmaireachd is lamhach
 Spurt is adhbhar ghaire,
 Chleachd bhi aig na h ármuinn
 A b'abhaísd bhi fa' ghleann,
 Rinn na fir ud fhágail,
 'S mac eoghain tanna drásta,
 Mar chlach an ionnad cápaig
 An aite na bh' ann.

II.

Tha 'n coir' air dol am fáillín,

 Gun duin aig am bheil cás deth
 Mun ait' ann san ám;
 Na feidh a bh' ann air fhagáil,

 'Scha 'neil an aite támha
 Mar bhla e fa ghleann.
 Tha 'm Baran air a fharuch'
 'S dhartluich air an taladh,

 Gur tric a rinn iad fiathnail,
 Le pianadh do lámh,
 Is iad na 'm baidnibh riabhach,
 Mu d' amhaich 's ann ad sgiathan,

 Mu d' fhiacalan san ám,
 Bu ghiobach thu re riaghailt,
 Mu chidfin tighe 'n iarla,

IV.

Ged' tha thu 'nois sa' bhraighe,

 'S tha h uile duine táir ort
 O'n thainig thu ann ;

 Na 's measa na mar thainic,
 Cha taitinn thu re 'n nádur,

 Gur coslach re muir ruaidh e,
 Na ruaimle feadh stanng.

VIII.

Tha 'n t àit an raibh na fuarain
 Air fás na chroite cruaidhe,
 Gun fóbhrach, gun dail-chuach,
 Gun lus uafal air carn ;
 An sliadh an raibh na h éildean,
 An aite laidhe 's eiridh
 Cho' lom re caufar féille,
 'S am fear chinn e gann ;
 Chuir Alastair le gheisgeil,
 A ghreidh ud as a cheile,
 'S thur leam gur mor an éu-coir
 An eadail a chall ;
 Cha lughadh 'n t adhbhar mío-thlachd,
 Am fear a chleachd bhi tíorail,
 A' tearnadh is a dìreadh
 Re frí nan damh feang.

IX.

Ach ma's duine do shliochd Pháruic,

 Air fasach nam beann ;
 Bi' buic sna baddan blátha,
 Na bric san abhuinn laimh riu,

Sna feidh an frath na láir'ge
 Ag árach na mang,
 Thig gach uile ní g'a ábhaist,
 Le aidheir is le ábhachd,
 'Nuair gheibh am Baran bairlin,

 Tha mo ghruaighean air seachda',

 A ghluais a chaismeachd 'ud duin',

Fear Glinn-iuthair a dhí oirn',
 Le puthar luchd mio-rúin,

 Gun chron r'a gh'rait air a chúl,
 Lán do ghliocas, 's do leirfin,
 Gu dana, miosnachail, treubhach,
 Gach ait' an fírte gu feum thu,
 'S ann leat a dh'eireadh gach cúis;
 B'e do choimeas an dreagan,
 Na 'n t seothag 'sna speuran,
 Co bu choslach r'a cheile
 Ach iad fein agus tu?

III.

'S cruaidh an teacair a thainic,

Nach do sheachuin thu 'n t áite,
 'N do ghlac am bás, thu air thús;
 Suas o chachuile gháruidh,
 Fhuair thu 'n tacaíd a chráith mí,
 'S gun do thaic a bhi laimh riut,
 'Nuair ghabh iad fáth ort o'd chúl,
 Air do thaobh 's thu gun chomhradh,
 San ám 'n do chaochail an deo uait,
 D' úil chraobhach, dhearg, bhoidheach,
 A gabhail dorta 'na brúchd,
 Le gníomh an amadain ghóraich,
 A bha gun aithne gun eolas,
 A chreic anam air stóras,
 Nach do chuir ann trócair a dhúil.

IV.

B'e 'n croidhe gun tioma, gun deiseim,
 Gun ádh, gun chineas, gun cheatamh,
 A chuir lámh a'd mhille gun reasan,

 'Se ghlac mar chomhairl' an eucoir,
 'S boc an gnothach mar dh'eirich,
 Dh'fhág é sinne fuidh euslain,
 Is e fein 'na fhear cúirn,
 'S ge nach sámhach a leaba,
 Le eagal a ghlacadh,

 Ach mar a thachair do'n chúis,

'S trom a dh'fhás orm an iargain,
As goirte tárfa na 'm fiadhrus,
Mo chomh-alt áluin, deus, ciatfach,
An deis a reubadh gu dlú' ;
Míle molachd do'n laimh fin,
A ghabh cothrum is fáth ort,
A thug an comas do'n lamhach,
'Nuair chuir e 'n Spáinteach r'a fhúil,

 A chuireadh smúid ris an Appuin,
 A chion gu'm faiceadh iad thu.

VII.

'S trom a pháigh sinn an iobairt,
 A chuir ar namhaid a dhí oirnn,
 Ged' tha 'n aich'mhail gun díoladh,

 Chuireas cách ann staid íofail,
 Airson an aileagain phríofail,

 A chleachd firinn is cliu:
 'S boc an nuaidheachd r'a aireamh,
 Gur ann an nasguidh a tha thu,
 Nach d'thainic fhathasd mu'n chás 'ud,
 Na dheanadh ábhachd thoirt duinn,
 Ach air fhad 's gam bi' dáil ann
 Comh cheart 's tha mi 'g raite,

VIII.

 Air thús a tighinn gun chearbuich,
 'S gur ioma' fear armach,
 A sheas'adh calma r'a chúl;

 Leis an eireadh fuinn nach bu leanbuidh,
 Na laoiach buidhneach, mhór, mheannach,
 Le'n lanna ceann-bheartach, cúil;
 Mac Dhom'uil duith, 's cloinn Chamroin,
 'S gu leoir a thighearnan ainmeal;
 'S fhad o'n chuala' finn seachas,
 Gu'n do dhearbhadh iad an cliù.

IX.

'S ghabh thu áite le órdugh,

 'S cha b' ann air ghaol stórais,
 'Na los am pórfan thoirt diú';
 Ach a sheufamh an córach,
 Le mcud do cheifd air an t feors' ud,
 'S an oidhre dleasnach air fogra,
 G'am bu choir bhi fa' chúirt:
 'S ge do theireadh luchd fáoineachd,
 Gu'n raibh 'd aire-fa daonan,

 Na 'n leigeadh sgaoilteach air-chúl,

 Num fuighe tu faoghal,

Gur é bhi tarruing luchd gaoil ort,
As gach taobh, a bha 'd rún.

X.

Bu tu croidhe na feile,

'S óg a banntrach ad' dheidh i,

O'n a dheug a ceile deus, úr ;
Thuair mi 'n fealladh nach b' aoibhin,
An uaigh mud' choinnimh 'ga reitich,
'S truagh gach comman thug speis dhuit,
O'n chuaidh tu fein ann fan úir,
'S gun dúil a nois' ri thu dh'eiridh,
'Se dh'fhág mise fuidh eu-flain,

ORAN XVI.

Marbh-rann coilich.

I.

AN cuala sibh an t fealg,
A bha ainmeal air feadh nam bailtean;
Rinneadh i fan an-moch,
'S cha b' fhear dhuinn i bhi fa mhaduinn;
O'n a' bha i cearbach
Le dearbhadh, 'nuair chuaidh i feachad,
Cumaidh sinn am foirm,
Gu'n raibh'n dorch ann, 's nach fheudta faicinn.
'S olc an obair oidhche,
Le coinnlean, ged' theid an lasadh,
Gunnaireachd dhaoin óga;
'S i ghóraich a thug amach iad.

II.

Chúal iad fa h uil' aite,
Am breamas a rinn Páraic,
'Nuair a dh'innis é do chách é,
Gu'n d' thainig an croman-lachdan,
Bheireadh' é na bóidean
Gur mór é, 'fa bhroileach glas air,
Is gu'n do luidh é direach
Air círein mulaich na h aitreabh.

Mur cumadh a' chomhl' é,
 Gu'm biodh na h coin air an fgapadh;
 Nach mór a bhiodh beo dhiubh,
 Gu'n leon mu'n d' thigeadh a' mhadain.

III.

Sin 'nuair ghlac an fealgair,
 An gunna bh' air an ealchain,
 'S chuir é luaith gharbh innte,
 Dairearach do'n acfuin Shas'naich:
 Chum é fúd r'a shealbhan,
 'S gu'm b' fhear gu'n rachadh i seachad,
 'S ann a rinn é marbhadh,
 A b' ainmic a leithid fhaiciunn.
 'Nuair a las am fúdar,
 'S é 'n dúil gu'n dianadh é thapadh,
 'Se coileach an dúnain,

IV.

B'é fin an coileach boidheach,

 Bu ro-mhaith na bótan,
 An rómaich' a bh' air a chofan;
 Bha spuir air a spógan,
 Bha córr a dh'ionnfuidh a' ghleachdaidh,

'Nuair a thigeadh Di-máirt',
A bhiodh cách a' feuchain an gaisge.

V.

B'é sin an coileach ceutach,

'S an uair a chuaidh a reubadh,
B' é 'n déisean leam bhi 'ga fhaicinn,
Cha leighifeadh leigh é,
'Sa chreuchdan a' dol am braisead,
Tonnan g'a fhuil chrao'aich,
A taomachadh as a chraicean.
An t sealg a rinn na daoine,
Gun saoireachadh fad' air astar,
Gun uchdach a dhíreadh,
Ach eidir a ghriósach 's an stairfneach.

VI.

'S an dithifd thug am bíune,
'S a dh' fhág é sin 'na shíneadh,

'S b'é 'n gíomanach rinn a leagadh,
'S cha 'n fhágadh iad fhios é,
Nam fuigheadh é firinn is ceartas :
Cha d'rinn é riamh ea-coir,
'S deadh bheusan aige mar fhasan.
Theannadh é re eigheach,
Gu h eifeachdach 's sinn 'nar coda!
Is dhúisgeadh é gu leir sinn,
'S gu'n eireamaid ann fa mhadain.

VII.

Chuaidh litir a Shrath-eirion,

 Do'n té dhiubh air am bheil Sef.
 Gu bheil sinn fuidh champar,
 O'n ám an d' thainig an sneachda,
 Mu'n choilcach a chaill sinn,

 O's té nach 'eil teann í,
 'S nach ganndar a rinne i chleachdadh,
 Gu'n dean i ruinn fabhor,
 O's ámhait rud a bhi aice.

VIII.

Beannachd aig an righbhinn,
 A bha gu fuairce fíobhailt,
 Nach do leig air di-chuimhn',
 An sgríobha sin a chuir dha-thigh;
 Chuir i gill 'an tír fo,
 Le fíoltaiche do na cearcan,
 'S ghiulain é gu ríomhach,
 A ghibht phríofail ud na achlais.
 Tha dreach an fhir a dh' fhág sinn,
 A fás air an fhear a th' againn,
 'S o'n tha e, na áite,
 Saoilidh cách gur h é mhac é.

A N t urram thar gach beinn
Aig Beinn-dourain,
Na chunnaic me fuidh 'n ghrein,

'S aigeannach fear ea-trom,
Gun mhór-chuis,

'S ann a chunna' mi 'n óigh air bord tigh-leanna,

 A mhóid 'fa chuir thu gu faoin
 Do m' fmaointean górach, próis nam boireannach,

 Bu duilich do chách gu bráth a gearradh,
 'S é 'n dán damh 'm faillean a bhuain.

VII.

 Ri daoine fanna, boc', truagh ;
 Is tha mi le'd' sheól, ann dóchas ro-mha',
 Gur lón a d' anam do dhuais.

IX.

Chuir mi air thús ort iúl as aithne,
 Le fúgra' ceanalta, suaire,
 'Nuair theannain riut dlú', bu chúraidh' d' anail
 Na úbhlan meala 'gam buain :

 A b' fhiu, nach mealladh i uam ;
 Nan cuireadh i cúl rium 's diulta' baileach,
 Bu chúis damh anart as uaigh.

X.

Do bhriodal bla fdo mharan milis,
 Do nadur grinneas gach uair,
 Gu bialchair gaireach aluinn coineil,
 Gun chás a thoille dhuit fuath,
 Chuir i guin bhais fad rái 'm bhuineal
 Dh'fhag lan mi mhulad sa ghruaim
 Nuair thuig i mar bha sa thár mi nulaidh
 Ghrad spar i 'n cunnart ud uam.

XI.

'S ann thog e mi 'm prís o'n tíom fo 'n uraidh,

 An fiol a's urramach buaidh.
 Sin na chuir mi co-riomhach umad ;
 Bha d' inntin bunailteach buan :
 Líonadh do fgiamlachd miann gach duine,
 An dreach, fiamh, an cumachd, 's an fhuagh.

XII.

Do chuach-fhalt bán air fás cho-barrail,
 'Sa bhár lán chamag as dhual ;
 T aghaidh ghlan, mhálta, nárach, bhanail,
 Do dhá chaol mhalaidh gun ghruaim ;

*Hem o, ho io, ho ro chaora chean-fhionn,
Hem o, ho io.*

'S a' chaora fhuair mi o Shiúfaidh,

Hem o, &c.

Gu'm bu flán do'n t fár-mhnaoi uafail,
O'n d'fhuaradh a' chaora chean-fhionn :
Hem o, &c.

Cuimhnichidh mi do dheoch-fláinte
Sa' h uil' áit' ann ól mi drama.
Hem o, &c.

Chaora tháinig a Coir'-uanain
Páirt g'a fuanaich mar an canach :
Hem o, &c.

Bha cuid dhith air dhath na carnaid,
'S cuid eile mar bhár na bealuidh ;
Hem o, &c.

'S ann bu chofail ris an t síde
Caora mhín nan cafa geala.

Hem o, &c.

'S iomadh cuileag hun an íafguich,
Tháinig riamh as a cúl cannach:

Hem o, &c.

Cungaídh mhaith nam breacan daora
Ann s a h uile taobh g'a falluing;

Hem o, &c.

Cuiridh iad i air na cláduibh,
'S áluin i 'nuair theid a tarruing.

Hem o, &c.

'S i bu mholaiche na 'n líon
'S fhearr tha cinntinn aig na Galluibh.

Hem o, &c.

Bhíodh aice dá uan fa' bhliadhna
'S bha h uile h aon riamh dhiubh fallain;

Hem o, &c.

'S 'nuair a thigeadh míos roimh Bhealltuinn,

Air fhuairid 's g'am biodh an t earrach:

Hem o, &c.

Dh' fhoghladh i dhamh fad an t'famhruidh
Chumail annloin rium is aran.

Hem o, &c.

Cha raibh leithid hun an eadruidh
Am fad is freagradh do Mhac Caillein.

Hem o, &c.

Bhiodh i air thoiseach an t fealmhain
A' tighinn 's a' falbh o'n bhaile.

Hem o, &c.

'S mise fhuair an sgobadh creachuidh
'N la a leag iad i fan ranuich :

Hem o, &c.

'S tric tha mi 'g amharc an áit'
'N raibh i bláth, 's i call a fola :

Hem o, &c.

'S ann san fhraoch aig taohh Uillt-ghartain,
Rinn i 'n codal as nach d' fhairich :

Hem o, &c.

'S diomach mi do'n ghile-mhártuinn,
Bha-cho'-dána 's dol 'na caruibh.

Hem o, &c.

Feuduidh na h eunlain bhi róichdeil
Ag itheadh a feóla 's a faille :

Hem o, &c.

Cha 'n 'eil eun a laidh air fulachd.
Nach raibh umad ann an cabhaig.

Hem o, &c.

Am fear ruadh a chuir gu bás i
Thug é páirt dhith hun na garuidh.

Hem o, &c.

'Nuair a ránuig mis' an ár-fhaich',
Cha raibh láthair dhìot ach faileas;

Hem o, &c.

Bha na cnaimhean air an lomadh,
Is bha 'n olann air a pealladh.

Hem o, &c.

O'n a chaill mi 'nois mo chaora,
'S cofail a m' aodach bhi tana:

Hem o, &c.

Cia leis a nítear dhamh cóta,
O nach beo a' chaora chean-fhionn.

'S innfidh mi na bhios air m' aire;

Hem o, &c.

Gheibh mi tlám a chlóimh nan caorach,
O'na tha mi dh' aodach falamh:

Hem o, &c.

Gheibh mi rúsg an 'Tigh-na-fróine
O'n mhnaoi chóir a bha san Arrar.

Hem o, &c.

An Gleann-ceitilein an fheoir
Gheibh mi na rúisg mhóra, gheala.

Hem o, &c.

Gheibh mi lán na flige-chreachuinn
O nion-Dónuil ghlais an drama;

Hem o, &c.

'S fheaird' a ghiúlaineas mi 'n eallach.

Hem o, &c.

Hem o, &c.

'S mór is duilich leam do ghearan;
Hem o, &c.

Bheir i nuas an t-uifge-beatha
Dh' fheuchainn an crath é dhiom an smallan.
Hem o, &c.

Their gach té tha 'n Druim-a-chóthuis,
Gheibh thu rud, 's gur maith an airidh:
Hem o, &c.

'Nuair a theid mi dh' Iner-chárnain,
Cha leig aon té th' ann mi falamh.
Hem o, &c.

'Nuair theid mi 'n bhail' tha láimh ris,
Gheibh mi tláman ann 's gach talla.
Hem o, &c.

Cha'n 'eil té tha 'n Daile-'n-eafa
Nach d' theid mi 'm freasdal a-ceanail.
Hem o, &c.

Thig mi dhathigh leis na gheibh mi,
'S tomad deth co-mhór ri gearran:
Hem o, &c.

Foghnuidh síd damh cór as bliadhna
Chumail sniamh ri nian a' bharain;
Hem o, &c.

'S 'nuair a theid é fuidh na spáluibh,
Ni i fábhór rium a bhain-fhítheach.

Hem o, &c.

'S ioma' té nì aodach guamach
Ach cha luaidh i é gun chearthar.

Hem o, &c.

Th' uile gruagach tha 'n Gleann-éite
Dh' fheumainns' iad a thigh'n do'n bhaile;

Hem o, &c.

'S 'nuair a chuireas mi air seól iad,
'S ann a theid an cló' a theannadh;

Hem o, &c.

Nuair a theannas iad re fúchdadh,
Cha bhi túchadh air an anail;

Hem o, &c.

Nuair a fhuidheas iad air cléidh,
Gu'n cluinnt' an eughach thar na beànnuibh;

Hem o, &c.

Nuair a fheinneas iad na h órain,
Cuiridh iad na h eoin an crannuibh;

Hem o, &c.

Nuair a theannas iad ri luinneag,
'S binn' iad na guileag na h eala;

Hem o, &c.

'S mór is binne fuaim nan nionag
Na ccól píob air thús a' phannail;

Hem o, &c.

Bithidh a týrn an láimh gach té dhiubh,
'S bithidh a beul a' feinn na h ealaidh;

Hem o, &c.

Té ri búrn, as té ri móinidh,
'Té a' cur feól air an ainneal,

Hem o, &c.

Té ga phostadh ann an túbadh
Té 'ga luidreadh, té 'ga ghlanadh,

Hem o, &c.

Dithis 'ga fhlaoidhadh gu láidir,
Dithis 'ga fhálgadh gu gramail,

Hem o, &c.

Ach mu'n cuir iad as an láir' é
'S cinnteach mi gu'm fás é daingeann;

Hem o, &c.

Hem o, &c.

Mur d' thig e 'm jonnsuidh an táileir,
'S nár dha é 's gu'n d' thug sinn bean da.

Hem o, &c.

'S ann an fin a theid mo chómhach
Leis a' chlóimh a rinn mi thional.

Hem o, &c.

Gur mise tha gu duthach
Ri cumha do 'n chaora chean-fhionn,

'S beag an t' ionghnadh dhamh bhi duilich
Mulad a bhi orm as faran ;

'Nuair a shuidheas mi air tulaich,

A' cuimhneacha' cofail na caorach
Nach raibh h eug'as ann san fhearann ;

Hem o, &c.

Bha i riathach, 's bha i lachdunn,
Bha i cais-fhionn, 's bha i cean-fhionn ;

Hem o, &c.

Bha i croidh-fhionn, 's bha i bótach ;
Bha geal mór air bár a-breàmain.

Hem o, &c.

'Nuair theid mi shealltuinn nan caorach,
Undraichidh mi chaora chean-fhionn ;

Hem o, &c.

S' mífde mi gu'n d'rinn i m' fhágail,
 'S b'fheairde mi i 'm fad 's a dh'fhan i;
Hem o, &c.

Cha do leig i riamh an fháiling'
 Ann am árdach, fhad 's a mhair i;
Hem o, &c.

'Nuair a rachuinn chum na h áiridh,
 Chuireadh i na tráighean tharum,
Hem o, &c.

'S ro-mhaith thogadh i na páisdean,
 Bhiodh iad fáthach 'nuair bu mhaith lean.
Hem o, &c.

'S mise bha air bheagan faoithreach
 'M fad 's a bha mo chaora mairtheann:
Hem o, &c.

O'na tháinig ceann a faoghail,
 'S eigin dainh bhi daor fa' cheannachd.
Hem o, &c.

Gu'm bu flán do'n cháta' chaorach
 As an d' théin' a' chaora cheann-fhionn;
Hem o, &c.

'S an té o'n d'fhuair mi i 'n toiseach,
 'S ro-mhaith chofainn i mo bheannachd.
Hem o, &c.

Beannachd leis an rud a dh'fhalbhas ;
 Cha 'ne 's fhearr dhuinn ach na dh'fhanas ;
Hem o, &c.

'S fhearr bhi criodhail leis na dh'fhuirgheas,
 Na bhi tuirfeach mu na chailleas.
Hem o, &c.

 Is iad mar loingeas gun bhi díonach,

 Ge do bhitheadh an gábhadh cruaidh.

III.

 Far nach dúisg e gu la Luain.

VI

'S ann an tráthaibh na Feill-bríde

 Bha thu fìofrach, glic, neo-luaineach;
 Bha t'inntinn buan anns a' chóir.
 O 'na thug iad air ghiúlan fluaigh thu,
 'S aobhar sin a luathaich deoir.

IX.

Cha 'n'eil ei'neas ann am Bealach ;
 Cha 'n'eil farum ann na ceól ;
 Daoine dubhach, 's mnathan galach,
 Is iad gun ealaidh ach am brón,
 O 'na chaidh do ghiúlan dachaidh
 O 'n mhachair air mhúthadh feoil ;
 'N áit' an éidigh sin a chleachd thu,
 Ciste, 's léine, 's brat do'n t-fról.

X.

'Nam bu daoine bheireadh dhinn thu,
 Dh'éireadh míltean air an tóir :
 O bhcuil Tatha gu Lathurn íochdrach,

 Far an d'fhás na gallain fhíor-ghlan,
 Is iad líonmhor ann gu leoir,
 A rachadh togarrach gud' dhíoladh,
 Nach obadh dol síos le deoin.

XI.

'Sann tha chúis nì's fearr mar tha i,

 Am measg nan aingeal a tha 'm phárras,
 Ann an gairdeachas ro-mhór.
 Gur e 'n Ti a ghlac air láimh thu
 Thug fan áite sin dhuit cóir
 Air oighreachd a's fearr na dh'fhág thu,
 'An áros ághmhor Rìgh na glóir.

XII.

 (Soirbheas ard re cúl gach seoil)
 A dh'fhaotainn feilbh air an t-faibhreas
 'S air an oighreachd sin bu chóir,
 A ghabhail cúram ga chuid fearainn-

Mr Robert Young, tailor, Garengill
Mr William Young, farmer, Stennymuir
Mrs Jean Young, Cornrigg

THE END.

JAIN FAOCHAG ann an Saffunn,
Smor a mhaistadh is a mhiachlu:
Chaill e na bhaige do chairdean,
'S tha naimhdean air cinntinn lion'or,
Ge b' fhada theich e air aitar,
Chaidh a ghlaca, 's tha e ciosnaicht,
Chàirich iad e fo na glasan,
'S tha niuchair tailgt aig maor a phríosain.

'Tha e nise' 'n aite cumhann
'Se na chruban dubhach deurach
A chas daingean ann an iarunn
Ca phianadh is e na eiginn;
Basadh dha bhi ann san fhia'rus
Na 'n iargain a tha na chreubhaig,
S' e 'n fin o cheann còr as bliadhra,
A h nile la ag iarruidh réite.

Ach na'm faidhe' tusa reit'e,
An cirig na rinn thu sheanachas,
Baobhar misnich do gach beist é
Gu'm feudadh iad fein do leanmhuinn;
Fear gun feadh gun laodh gun reasan,
Sann san eacoir a tha tearbsa,
Theann thu mach o achd na cleire,
'S thug thu moid nach eisd thu Searmain.

Thug thu di-meas air air an Eaglais,
Air a Chreidimh 's air na fainndean
Chuir thu breugan air an Trionaid,
'S air na h iartasan a dh'ág iad;
Tha e nis na ghnothach cofail,
A reir an t shoisgeil tha mi cláinn
Gun a chuir thu cul ri fochair,
Na faorsainn a choisinn air Slanuigh'ear.

Chuir thu cúl ri'd mhoidean-baisde,
'S mor a masla' dhuit an áicreadh,
Chaill thu chuir am biodh an ceartas
Raoinich thu 'm peacadh na háite

Ghlèidh thu 'n riaghailt fa'n feol fùiraidh,
 A bh'aig Judas do dhearbhl-bhriathair,
 'S mor an sgainnil air do dhuthaich,
 Thusa blruit gu'n d'rinn thu fàs innt.

Ach ga do Sheallta huile doire
 Cha raibh coille riamh gun chrìonach,
 'S tha fios aig an t saoghal uile
 Nach bi choill uile cho dìreach :
 S' tusa chraobh tha'n diaigh seachda,
 Gun chairt, gun mheangain, gun mheuran
 Gun, snothach, gun bhri gun duilleach,
 Gun rùsg, gun urad nam freumhan.

'S tu 'n teut a chaidh san deachamh,
 'S e'n nead creacht' an deachla t' fhagail,
 'S tu 'm fitheach nach d' rinn an ceartas,
 A chaidh air theachdaireachd o'n airce :
 'S tu 'm madadh-alluidh gun fhiacalan
 'S maing a dhiurradh bhi mar tha thu,
 'S tu 'n Ceann-cinnidh aig na biastan,
 As tha gach duin a 's fhiach a tair ort.

Cha 'n ioghnadh leam thu bhi'd bhalaach
 Le bhi falach ann ad nàdar
 O'n a lean thu ris an duthchas
 A bh' aig na sgiarfaicean o'n d' thain thu
 'S tu an tisean a fhuair an túmaidh
 Ris an t siurfaich air na fràidean,
 Si 'n droch-bheint a thog ad chloinn thu,
 Sann ad shlaighaire chaidh t érach

Thoisich thu 'n toiseach gu hìosal,
 Air a chrìne 's air a bhochdunn,
 'Sé 'n donas a thug dhuit bhi spòrsail,
 'Sann bu choir dhuit bhi gad choisneadh ;
 'S ole nach d' fhan thu aig do dhú'chas,
 Ad bhrin'air a bruich nam poitean,
 A cumail dibhe ris gach Grudair
 Nuair a dhruitheadh iad na botail.

Bha thu greis ad thúm ad Bhaigeir,
 'S laidh thu 'n fhad sin air na cairdean,
 A bhi' oidhich ann sgàch tigh as duthaich,
 A dhuraigeadh euid an trath dhuit;
 Mhead fa bha do dh' ainmheach ortfa,
 Chuir thu cuid nam bochd ga phaidheadh;
 Ciod é nis' a chuir an floc thu,
 Ach an robaireachd fa mheirleadh.

Shaoil thu ga'm faitheadh tu achain
 Bu mhaisteach ga'm biodh i'd thairgse,
 Cead fuidhe 'm Parlamaid Bhreatan,
 Gun chiall gun cheartas ad teanachinn;
 Duine dall a chaidh air seachran,
 Nach eil beachdail air na s'fhearr dhay-
 Ie comhradh, tubaisdeach tuisleach,
 'S le fier dhroch-thuiteamas cearbach..

Duine gun fhearann gun oighreachd,
 Gun ni gun staoile gun airgid,
 Gun bheus gun chreideamh gun chreideas,
 Gun ghia a chreidis a sheanachas;
 Duine misgeach bristeach breugach,
 Burri tha na bheisd fna ainmhidh,
 'S trioblaid inntin air itheadh deifneach,
 Gu tric a teumadh a chroidhe chealgaich.

Tha thu sonraicht ann ad chonan,
 A togail conais a miosg dhaoine.
 Cha chualas roimhe do choineas,
 A bhi dhonas air an t saoghal,
 Ach an Naitheir an Gara-Edain,
 A mheall Eubh aig bun na craoibh
 A chomhairlich gu buain a mhios i
 A dh' fhag ris an Cinnea'-daoine.

Thoisich thu 'n toiseach san eucair,
 Ag innseadh bhreugan air Ri'-Deorsa,
 Cha chreid duine uait an sgeul úd,
 'Scha d' thoir iad cisteachd ad cho'radh;

'S beag a dhruitheas do dhroch dhruaché,
 Air oighr' a chruin is na corach,
 Sa liuthad neach a tha gu toileach,
 A toirt onorach ga mhorachd.

Ga beag ortsa Moroir Loudin,
 Baithne dhamhsa 'n fónn o'n dh'fhas é,
 Duin-nasal foisinneach fonn'ar,
 Crìodh cónnar, aigneadh arda,
 Seanailear air thus na harmailt,
 A bha ainneil ann sna blaraibh,
 Cha mhífd é madadh air bhaitheal
 A bhi tabhunnaich an trás'ris.

'S górach a labhair thu moran
 Air cúl Jarlo Bhoid an tarmunn,
 Co'sball onorach le firinn,
 A seasamh na rioghachd gu laidir,
 'S e gu hard urramach prifeil,
 Ann an cuirt an Rìogh sna Banriogh'n,
 Adhaindeoin na Faochaig 's na 'm biadhan,
 Leis am b' fhiach dol ann am pairt ris.

Bhrùithin thu gu leir mar Albainn,
 'S b' fhearr dhuit gu 'n fanadh tu fainhach,
 Na 'n d' tigeadh tu choir na 'n garbh chrìoch
 Bu uhaig a bhiodh ann ad aite,
 Bhiodh tu 'm prìosan re do lathan,
 Dh' aindeoin na ghabladh do phairtse,
 'S an eiric na rinn thu dhroch-bheirt,
 Bheirte chroich mar ghakair bais duit.

Cha 'n ioghnadh dhuit bhi fo mhulad,
 Fhuair thu diom gach duin an ál fo,
 Se sin fhein a bha thu coisneadh,
 'S creutair crofd thu o'n dh' fhas thu,
 'Shìonar mìo-ran ann ad chuideachd,
 Mallachd na Cuigse sa Pháp ort;
 Mallachd an tsaoghail gu leir ort,
 Smo mhallachd fhein marri' each ort.
