"Full pressure" work puts a Morris-Commercial into its element. Day in, day out, and under all conditions, it stands up to any amount of heavy loads. And there's the added efficiency of EQUI-LOAD. With EQUI-load each axle takes its fair share of the burden—the chassis is not unduly stressed, tyre wear is reduced and the load itself protected. May we send you full details of these vehicles?

THE
MONTHLY
ARMY LIST
SEPTEMBER, 1938

NOTICES

Under the provisions of the Army Act, 1881, Section 163 (1) (d), this Army List is evidence of the status and rank of the Officers mentioned in it.

No Army List, except this List, its Half-Yearly Supplement and the Half-Yearly List, is authorised by the War Office.

The figures in square brackets thus [1] after the titles of Infantry regiments denote the former territorial districts to which the regiments belonged.

The badges, &c., borne on Regimental Colours are shown after the titles of Regiments, the "centre" badge being printed in heavy type. In the case of Regiments and Corps which do not carry Standards, Guidons or Colours, the badges &c. shown after their titles are borne on their Clothing or Appointments.

The words subscribed to the titles of regiments, as "Peninsula," "Waterloo," "Neuve Chapelle," &c., denote the Honours awarded to such regiments in commemoration of their services. Those printed in heavy type are borne on their Standards or Colours, or, in the case of regiments having no Standards or Colours, on their Appointments.

Where two dates are shown against the name of an officer without explanation, the first denotes his seniority in his Regiment or Corps or is his most recent date of appointment to the Regiment or Corps, and the second denotes his present Army seniority. Where three dates are shown, the second is his date of substantive appointment to his present rank, and the third denotes his present Army seniority.

Officers whose names are printed in *italics* are on the supernumerary or seconded lists.

In regimental lists of Foot Guards and Infantry an officer's battalion is indicated by a number in optical brackets, e.g. (2) after his name; a number enclosed in square brackets, e.g. [2], denotes that the officer is attached and not posted.

Communications from Officers of the Militia, Territorial Army and Supplementary Reserve regarding their service in this List (a) of letters denoting military qualifications, and (b) of the symbol $\otimes$ denoting War Service, should be forwarded through the usual official channels. Other communications regarding corrections, errors or omissions should be addressed direct as follows:—

THE UNDER-SECRETARY OF STATE,

Army List.

The War Office
London, S.W.1.

Officers who succeed to peerages, baronetcies or courtesy titles are responsible for immediately notifying the fact to the Under-Secretary of State, The War Office, in order that the necessary alterations may be made in the Army Lists and in the official records of the War Office.

The Home was constructed and is equipped for 150 girls, and the desire of the Committee is to maintain the full complement.

The need of such an Institution is apparent from the fact that there is always a long waiting list for admission.

The Committee earnestly appeal to a generous public to aid them in the support of the Charity. They also ask for the co-operation in the good work of every Regiment and Corps.

A contribution of but 6d. a year from each Non-Commissioned Officer and Man throughout the Service would provide for the support of a child from every Regiment.

MILITARY WIDOWS' FUND. BRITISH SERVICE.

This Fund enables a British Service (Army) Officer, by subscribing from Rs. 6 to Rs. 10 per quarter, to assure, in the event of his death while on the Indian Establishment, immediate payment :—

To his widow		Rs. 8,775 to Rs. 12,375
For each child		„ 750 to „ 1,125

Payments are made immediately on receipt of report of death, irrespective of death occurring in or out of India.

The sum paid to the widow varies with subscription, and the sum for each child varies with age of child. Subscriptions are based on the rank of the officer.

Benefits are payable whether the deceased officer's family is residing in India or not.

It is to the advantage of an officer to join the Fund on his first tour of service in India, as otherwise, on joining it in a subsequent tour he would have to pay subscriptions for any previous tour in the country as a married officer, but not in excess of four years.

The Fund (late Queen's Military Widows' Fund) was established in 1820, to assist families of British Service (Army) officers dying in India, and mainly to enable them to return home without delay.

The Fund is controlled by a Committee consisting of and elected by subscribing officers serving at Army Headquarters, Simla.

For admission apply to :—

97, Jermyn Street, S.W.1.

This Home (opened in February, 1854) was founded in 1851, in memory of H.R.H. Adolphus Frederick, Duke of Cambridge, K.G., to provide a home for widows of Non-Commissioned Officers and Privates of the Army. They are not to be under 50 years of age, but there is no restriction as to religious persuasion.

Since its opening, 507 widows have been elected. There are 70 widows in the Home, in addition to 19 widows receiving pensions. Each inmate has a furnished room, and receives twelve shillings a week and a monthly allowance for coal in addition to other amenities.

The total funded income of the Charity falls short of the estimated average annual cost by about £1,000.

The Committee make an urgent appeal for additional subscribers, as every year a considerable number are lost through death.

Most Corps, Regiments and Regimental Depots make annual subscriptions; but the Committee have also relied upon retired officers, and it is to them that a special appeal is made.

Every person subscribing half-a-guinea annually is entitled to one vote at each election, and a donation of five guineas ensures one vote at each election throughout life.

LLOYD'S PATRIOTIC FUND

**LLOYD'S BUILDING, 5, LIME STREET,
LONDON, E.C.3.**

ESTABLISHED 1803.

This Fund is administered by Trustees under a scheme approved by the Charity Commissioners, in whose name the Capital is invested.

The Trustees grant pecuniary aid to such Officers, Soldiers, Seamen and Marines, or their Widows, Orphans or Dependent Relatives, as, in the opinion of the Trustees, shall be fitting objects for such aid, having special regard to long and meritorious service, and to suffering and losses arising during active service. With the exception of the families of Naval Officers, only very few cases arising out of the Great War can be considered at present.

This fund also nominates children of such Officers and Men to Army and Navy Schools.

The balance of the Mansion House South African War Fund is also administered for the benefit of men disabled by wounds, disease, or sickness in that War, discharged "medically unfit" in consequence and unable to work on account of their disability.

Applications and enquiries should be addressed to the Secretary, who will be very pleased to receive subscriptions on behalf of this Fund. Cheques and Postal Orders should be crossed "National Provincial Bank, Ltd."

This Home is for Officers and ex-Officers of the Royal Navy, Army (including Territorial Army) and Royal Air Force who must be, or become, members of The Officers' Association.

No charge whatever is made for maintenance or nursing, but patients are responsible for the payment of their physicians, surgeons and treatment. Patients may select any physician or surgeon to attend them.

Officers wishing to be admitted, or requiring further information, should write to The Matron or call between the hours of 11 a.m. and 1 p.m.

ARMY, NAVY, MARINES AND AIR FORCE PROVIDENT SOCIETY.

This Society affords to Officers a means whereby they may, at a minimum cost, provide annuities for their widows (or their children when eligible, if their wives predecease them) which may prove a welcome addition to the service pensions.

Officers of the Army, under 50 years of age, may take up one, two, three or four memberships: the annual contribution for each membership being £1 10s. plus a disparity fee of 2s. 6d. for each year that the wife is younger than the member.

If the member dies before six years of membership have been completed, the whole of the contributions are refunded to his widow. If six years of membership have been completed the widow receives an annuity, the amount of which depends upon the number of years of completed membership.

President—FIELD-MARSHAL H.R.H. THE DUKE OF CONNAUGHT, K.G., &c.

Commissioners.

Chairman—THE PAYMASTER-GENERAL,
and 11 others.

A candidate for registration for admission to the School must be the son of a warrant officer, non-commissioned officer or man who is serving or has served in the Regular Army, or of an officer who has been promoted from the ranks to a commission in the Regular Army. Preference in general is given to orphans, and to those whose fathers have been killed in action or have died while in the Service or after leaving the Service. Those selected by the Board of Commissioners are admitted between the ages of nine and eleven years, provided they reach the required medical and educational standards. The School's waiting list is a long one, but each application is considered on its merits, the career and character of the father while in the Service being always considered as principal recommendations.

The normal age for leaving the School is fifteen years, when boys may (a) join His Majesty's Army, (b) return to their homes or to an occupation in civil life, or (c) if recommended, continue their education in the Upper School until the age of nineteen years.

There is no obligation for boys to enter the Army from the School, but those who do not intend to do so are not retained beyond the age of fifteen years.

Two Scholarships are available for boys who qualify at an Army Entrance Examination for admission to the Royal Military Academy, Woolwich, or the Royal Military College, Sandhurst. The value of a Scholarship is sufficient to cover the whole of a boy's expenses until he enters the Army as an officer.

Further information will be given on application to the Secretary at the School.
