REGULAR ARMY RESERVE OF OFFICERS.

a. GENERAL LIST. b. REGIMENTAL LIST.

The attention of Reserve Officers is particularly directed to the following Regulation:—

A Regular Army Reserve Officer shall report himself at the commencement of each year, in writing, to the Under-Secretary of State, The War Office. Should he fail to do so he will, (unless he is an officer in receipt of retired pay) at the end of the year in which he fails to report himself, be transferred to Class III, but his liability for service will remain unaffected by such transfer. In the event of continued failure to report, an officer (unless he has retired from the Regular Forces with liability for further service in case of emergency) may, at the discretion of the Army Council be removed from the Regular Army Reserve of Officers.

Reserve Officers reporting themselves in compliance with this Regulation, will, at the same time, furnish their addresses for the current year, and any subsequent change of address should be at once notified to The War Office.

Reserve Officers accepting service under any Government Department, County, Borough, or Municipal Authority, should notify the fact to the Under-Secretary of State, The War Office as soon as possible.

NOTE.—Officers marked § are voluntarily in the Regular Army Reserve of Officers.

The ranks and dates shown throughout are those referring to Substantive Rank; where two dates are shown, the second is that of Army Rank.
