THE  
MONTHLY  
ARMY LIST  
FOR

APRIL, 1938

---

NOTICES.

---

Under the provisions of the Army Act, 1881, Section 163 (1) (d), this Army List is evidence of the status and rank of the Officers mentioned in it.

No Army List, except this List, its Half-Yearly Supplement and the Half-Yearly List, is authorised by the War Office.

The figures in square brackets thus [1] after the titles of Infantry regiments denote the former regimental districts to which the regiments belonged.

The badges, &c., borne on Regimental Colours are shown after the titles of Regiments, the "centre" badge being printed in heavy type. In the case of Regiments and Corps which do not carry Standards, Guidons or Colours, the badges &c. shown after their titles are borne on their Clothing or Appointments.

The words subscribed to the titles of regiments, as "Peninsula," "Waterloo," "Neuve Chapelle," &c., denote the Honours awarded to such regiments in commemoration of their services. Those printed in heavy type are borne on their Standards or Colours, or, in the case of regiments having no Standards or Colours, on their Appointments.

Where two dates are shown against the name of an officer without explanation, the first denotes his seniority in his Regiment or Corps or is his most recent date of appointment to the Regiment or Corps, and the second denotes his present Army seniority. Where three dates are shown, the second is his date of substantive appointment to his present rank, and the third denotes his present Army seniority.

Officers whose names are printed in *italics* are on the supernumerary or seconded lists.

In regimental lists of Foot Guards and Infantry an officer's battalion is indicated by a number in optical brackets, e.g. (2) after his name; a number enclosed in square brackets, e.g. [2], denotes that the officer is *attached* and not posted.

Communications from Officers of the Militia, Territorial Army and Supplementary Reserve regarding the entry in this List (a) of letters denoting military qualifications, and (b) of the symbol  $\times$  denoting War Service, should be forwarded *through the usual official channels*. Other communications regarding alterations, errors or omissions should be addressed direct as follows:—

THE UNDER-SECRETARY OF STATE,

*Army List.*

*The War Office,  
London, S.W.1.*

Officers who succeed to peerages, baronetcies or courtesy titles are responsible for immediately notifying the fact to the Under-Secretary of State, The War Office, in order that the necessary alterations may be made in the Army Lists and in the official records of the War Office.
