THE ROYAL AIR FORCE MEMORIAL FUND has been established to commemorate the work of the Flying Services during the Great War by an organization which will be of lasting benefit to the Officers and Men of the Royal Air Force and their dependents, whether from the Dominions or the United Kingdom. It is proposed to establish schools or other institutions for the children of Airmen, to provide scholarships for the children of Officers, and either directly or in co-operation with other organizations, to give help to Officers, Airmen and their dependents who are disabled, sick, or otherwise infirm.

In addition, a permanent Memorial to the Officers and Men of the Flying Services who fell in the Great War, to be erected in London.

For all the above purposes the Fund requires a capital sum of £400,000, of which at present only one-third has been raised. Money is therefore urgently needed, and an appeal is made to all Officers, past and present, of the Flying Services, their relatives and friends, and to the General Public, for whom the Officers and Men of the Flying Services did such splendid and gallant service in all theatres of war from 1914 to Armistice Day, 1918.
