

## AN COMANN GAIDHEALACH - ACTION PLAN

1. Membership Drive : This is under way, with the publication of the new leaflet.
2. Festivals : Festivals are to be encouraged in the communities, and An Comunn Gaidhealach will explore the possibility of having festivals within each An Comann Region each year. We will also seek a Gaelic input in respect of current festivals, e.g. the Edinburgh Festival.
3. Inter-Celtic Mod : A study will be undertaken with a view to establishing this at an appropriate time.
4. Crofters' Act : A travelling show is in the course of preparation, and will be ready for taking throughout Scotland in 1986.
5. Book : A book is being prepared, which will contain a variety of writings previously published in "An Gaidheal". The book will be suitable for all who have an interest in the stories and pastimes of previous generations, and it is hoped that it will be a means of giving a taste of these to the young who are growing up in a different world.
6. Youth Groups : Debates and competitions will be carried out among the young, and sponsorship and status will be sought for this work.
7. 1991 : An Comann will be 100 years old in 1991. It is proposed that 1991 be designated "National Gaelic Year" and preparations must be initiated without delay. In order to mark this, it would be sought to have to hand then the ability to commence a National Gaelic Centre. Methods for establishing a feasibility study are to be looked at.
8. The National Mod : The National Mod will continue each year. Ways as to how the Mod (and Community Mods) can best support Gaelic will be examined.
9. Oighrean a' Chomuinn : An Comunn seeks to be actively involved with the young, through Oighrean a' Chomuinn.
10. General : An Comann will continue to fight for the language in every appropriate way.
