

10/6 *Right Honourable,*

THe Lord hath this day, here at *Philiphauch*,
 neer *Selkirk*, appeared gloriously for his peo-
 ple. The Rebels Foot are all cut off, and
 the Horse totally Routed; many Prisoners
 are taken, amongst whom are Sir *Alexander Leslie*
 their Generall Major, their Agitant Generall *Stuart*,
 Sir *John Hay*, Sir *William Rollock*, Colonel *Hay*, and
 Sir *Robert Spotswood*, whom the Earl of *Lanerick* took,
 and from him the Signet, with his own hand: The
 Particulars are not as yet so well known, that we can
 write all; onely, God be praised, we have lost no
 Noblemen, or chief Officer. This we thought fit
 to acquaint you with from the Field, that as you joy-
 ned with our dear Brethren in Fasting for us, so you
 may joyn with them and us in giving God the praise,
 who hath wrought this and all our works for us. We
 hear Generall Major *Monro* is landed; and the Gene-
 rall Lieutenant *David Leslie* will be as active in prose-
 cuting, as God hath made him in being the Instru-
 ment of this begun-Deliverance. Let God have all
 the Glory from you, and from

Philiphauch, the 13
of *Septem.* 1645.

Your affectionate friends,

<i>William Scot.</i>	<i>Balcleuche.</i>		<i>Lauderdaill.</i>
	<i>Lanerick.</i>	<i>Yester.</i>	<i>Bargeine.</i>

To the Right Honourable the Commissioners
of the Kingdom of *Scotland*, residing at
London.
