

To Messrs. WOODCOCK & PART.

Gentlemen,

We, the undersigned, being Shareholders in the projected undertaking for forming a Railway between the towns of Preston and Wigan, request you to call a General Meeting of Proprietors, to take into consideration the propriety and advantage of connecting with this design a Branch or Line of Railway, to the town of Bolton, to commence at the most eligible point of the Preston and Wigan Road; and of inviting the Bolton gentlemen to concur in such a measure. And we also request that you will apprise each Proprietor of the expediency of his either attending such Meeting personally, or authorising some person to act and vote on his behalf.

Dated the 20th day of September, 1830.
