## VICTORIA CROSS.

(Extract from the London Gazette dated 22nd May, 1915.)

War Office,  
22nd May, 1915.

His Majesty THE KING has been graciously pleased to approve of the grant of the Victoria Cross to the undermentioned Officers, Non-commissioned Officers, and Men, for their conspicuous acts of bravery and devotion to duty whilst serving with the Expeditionary Force:—

No. 8191 Corporal William Anderson, 2nd Battalion, Alexandra, Princess of Wales's Own (Yorkshire Regiment).

For most conspicuous bravery at Neuve Chapelle on 12th March, 1915, when he led three men with bombs against a large party of the enemy who had entered our trenches, and by his prompt and determined action saved, what might otherwise have become, a serious situation.

Corporal Anderson first threw his own bombs, then those in possession of his three men (who had been wounded) amongst the Germans, after which he opened rapid rifle fire upon them with great effect, notwithstanding that he was at the time quite alone.

No. 10523 Private Edward Dwyer, 1st Battalion, The East Surrey Regiment.

For most conspicuous bravery and devotion to duty at "Hill 60" on the 23rd April, 1915. When his trench was heavily attacked by German grenade throwers he climbed on to the parapet, and, although subjected to a hail of bombs at close quarters, succeeded in dispersing the enemy by the effective use of his hand grenades.

Private Dwyer displayed great gallantry earlier on this day in leaving his trench, under heavy shell fire, to bandage his wounded comrades.

No. 10531 Private Robert Morrow, 1st Battalion, Princess Victoria's (Royal Irish Fusiliers).

For most conspicuous bravery near Messines on 12th April, 1915, when he rescued and carried successively to places of comparative safety, several men who had been buried in the debris of trenches wrecked by shell fire.

Private Morrow carried out this gallant work on his own initiative, and under very heavy fire from the enemy.

2nd Lieutenant William Barnard Rhodes-Moorhouse, Special Reserve, Royal Flying Corps.

For most conspicuous bravery on 26th April, 1915, in flying to Contraire and dropping bombs on the railway line near that station. On starting the return journey he was mortally wounded, but succeeded in flying for 35 miles to his destination, at a very low altitude, and reported the successful accomplishment of his object. He has since died of his wounds.

2nd Lieutenant Geoffrey Harold Woolley, 9th (County of London) Battalion, The London Regiment (Queen Victoria's Rifles), Territorial Force.

For most conspicuous bravery on "Hill 60" during the night of 20-21st April, 1915.

Although the only Officer on the hill at the time, and with very few men, he successfully resisted all attacks on his trench, and continued throwing bombs and encouraging his men till relieved. His trench during all this time was being heavily shelled and bombed and was subjected to heavy machine gun fire by the enemy.

For marked ability during the campaign, especially at Neuve Chapelle during the operations from 10th to 14th March, 1915, when the successful work of the Division was to a very great extent dependent on the efficiency of the communications established and maintained by him under very heavy fire.
