# Fry's

PURE CONCENTRATED

# Cocoa

At all times, all seasons, this Drink-food conveys an amount of sustenance to the body obtainable from no other food with such ease. There is no undue strain on the digestive organs, and most edibles have nothing like its food value. Many of these wear out the internal machinery instead of renewing it. FRY'S puts back the loss of tissue inevitable to daily toil, whether in business or recreation.

**"THE MOST PERFECT FORM OF COCOA."**

*—Guy's Hospital Gazette.*

Dr. ANDREW WILSON, F.R.S.E., etc., lecturing on Foods says:—"The chief text in the Gospel of Nutrition is that Tea and Coffee are not Foods at all, while Cocoa is an admirable and sustaining diet. Than FRY'S PURE CONCENTRATED COCOA no better food product of this nature can be obtained or used."
