His Royal Highness.

Upon His M A JESTIES late DECLARATION.

OF a Just King, the Pow'rful Words declare
Great *JAMES* Presumptive and Apparent Heir :
(The words betoken one and self-same Thing :

Though some, Them would under distinction bring)
Such Declaration, *Henry Third of France*
Wifely made use of, when some 'gan advance
Pretensive Heirs, Fourth *Henry* to displace,
(A lawful Heir, though much remote in Race.)
Such Declaration by both kings must be,
An Act impulsed by Divine Decree,
What good effects from first of these did flow,
The *Gallick* Chronicles at large doe show :

Check'd *Henry* after Care and War became
Eternally great in his Fame and Name.
Great Duke in this Declarement acquiesce,
In sweet repose and rest thy self possesse.
This heavenly opening of thy Brothers Breast,
(With all due Reverence be it exprest.)
Hath likenesse unto that in Sacred Text.
Save that a Brother's own'd in stead of Son,
What more than this can in the Case be done ?
Who dare henceforth this Kingly Act gainfay,
Who dare against Thy Royal Highness bray,
Surely the Mouths of the Tumultuous Crew,
Are stoop, or else to Meane: we bid Adieu,
Where a Kings word is, There is Power, (so saith
The Sacred VVrit on which we ground our Faith.)
Henceforth of just necessity must cease
Those Clamours which so much disturb Thy peace,
Henceforth no Voiage over Britiſh Seas,
Or cold Retirement under Scotch Degrees
Needst thou to take, but still abide where Birth
Thou first receiv'dst (passing time in Mirth)
By Sovereign below'd, by Friends careſt,
Rever'd by all, and by the Heavens bleſt,
Exactly making good that Expectation,
Of being mighty Pillar to this Nation :

A Stay of State, a strong supporting Prop,
Ordain'd to Scale the Point of Honours top :
Long ſince foretold of Thee, as we may ſee
At large expreſt in day Fatality.
Nor can't be ſpar'd from Serene Charles his ſide.
Being active vigilant, helpful to Guide
Affairs of State by land as well as Sea,
For laſt of which none more renown'd can be,
Let *Arragon* her Teſtimonial give,
And Thy *Dutch* Victory in Sixty five.
Which *Higons* muſe hath ſo inſpir'dly ſung,
Making Thee *Neptunes* Hero's chief among.
None may ſo well that glorious Motto claim,
Of being terror of the Ocean main,

See the
Fatality.

(VVhich *Louis* did for *Michael's* Knights ordain.
As once a Servant of King *Edward's* went
VVith Royal Cup his Maſter to preſent,
One foot did trip ; being quick he did prevent
(VVith r'other legg the Fall) *Godwin* of Kent,

Laughing, ſaid to the King, Ev'n thus, one Brother
VVe ſee is ready ſtill to help another.
The King reply'd, Juſt ſo might *Alfred* me,
But, That remov'd by baſe Treachery.
The *Belgick* Sheaf and *Aſſops* Moral Teach,
Berwixt own Brothers there ſhould be no Breach.
The Scripture ſaies, They muſt together dwell,
Union's their Heaven, Diſunion's their Hell.
Unworthy are They, whoſe'r they are
Fraternal Union to break that dare.

Then in deſpight of ſuch as would diſjoine
Your perſons, live together ſays *Elaigne*.
VVhen men are abſent, their back friends dare ſay
And do thoſe things which elſe they'd ne'r eſſay ;
Divide & Impera we may *Engliſh* make,
Firſt ſeparate, and then Advantage take.

Long live Great Prince, who not deſire to ſee
Thy Lieges Funeral Solemnity,
But guided by an equal and juſt Soul,
Humbly ſubmit't unto Divine controul,
Nor doſt expect, but ſtay to ſee the Fate,
Ordain'd above, Sign'd from Eternal Date.

VVe read of *Louis* a *Montpenſier* Peer,
VVho though his Father had been dead 5 year,
Yet took ſuch Grief at ſeeing of his Grave,
As did ſtreight after him of life bereave ;
Even juſt ſo, *JAMES* we may expect to Die,
VVhen *Charles* ſubmits to mortal Deſtiny :
Gods wondrous hand, after a long Exile,
Them hand in hand brought back to Native Iſle,
VVhen wiſeſt men eſteem'd their ſtate ſozlorn,
They ſaw them ſtated in the Land where Born ;
A ſtrange agreement they have underwrit,
Sometimes of Blifs, ſometimes of Diſcontent :
VVhy may not then Fraternal Sympathy
Co-operate to dying Harmony ?

VVhen thinking what they've ſuffered in times paſt,
One can't endure the other to our-laſt ;
But as they've liv'd together ſo to die,
May be their Fate ordain'd by God on high ;
The poſſibility of this is no doubt,
By various Authors we may make it out.
Let 'em both live until they have out-done,
That Age which *David* calls a wondrous one :
That Royal Prophet whoſe Afflictions were
So great, and with which *JAMES* his may compare.
Thoſe Clouds are clear'd, the Sun is now braſt out,
His Brothers Rays incompaſs him about ;
Apollo's Rays, That can alone diſpell
All fumes and vapours though exhaled from Hell ;
Thoſe Rays late iſſued from the Declaration,
Forever making Calm and Still the Nation.
