# Brother Electors.

---

**P** is a Placeman---a thorough-bred Hack---

**A** like used to Voting *Black White* as *White Black*.

**L**ook back to his Life---take, first, CASTLEREAGH,

**M**ix him up with CANNING, PEEL, WELLINGTON, GREY,

**E**xamine the Product, and see what you find him---

**R**eformer, forsooth! What Pledges would bind him?

**S**hall such be the Men, now the Battle is done,

**T**o watch o'er the Rights we so dearly have won?

**O**h no, brother Freemen, it must not be thus!

**N**o time-serving Rat shall *mis*-represent us.
