EXPLANATION.—In the Left-hand Table are the years of the Century, and above each is the Dominical Letter corresponding with that Year. Then, opposite to the Month, at the foot of the Right-hand Table, will be found a corresponding Letter, over which are placed the Days of the Month and Week for that Month (distinguishing the Sundays by a different type). Each Blank Space in the Left-hand Table shows the year following to be Leap Year; and as every Leap Year has two Dominical Letters, the Letter above the Blank Space must be used for January and February in every Leap Year, and for the other months, use the Letters belonging to the respective Years.

By transposing the Dominical Letters, this Calendar would answer for any Century.

§ Where the deed is made as a security for the repayment of money to be thereafter lent, advanced, or paid, or which may become due upon an account-current, together with any sum already advanced or due, or without, other than any sums to be advanced for the insurance of any property comprised in such security against damage by fire, or for the insurance of any life or lives, or for the renewal of any grant or lease upon the dropping of any life or lives, pursuant to any agreement in any deed whereby any estate or interest held upon such life or lives is granted, assigned, or assured, or whereby any annuity is granted or secured for such life or lives—

If the total amount of the money secured or to be ultimately recoverable thereupon is limited not to exceed a given sum,—the same duty as on a mortgage or wadset for such limited sum.

And if the total amount of the money so secured or recoverable is uncertain and without any limit, then the same shall be available as a security or charge for such an amount only of money or stock intended to be thereby secured as the *ad valorem* duty denoted by any stamp thereon will extend to cover.

§ AND where the same is made as a security for the transfer or re-transfer of any share in any of the Government or Parliamentary stocks or funds, or in the stock and funds of the Governor and Company of the Bank of England, or of the Bank of Ireland, or of the East India Company, or of the South Sea Company, or of any other company or corporation, in consideration of stock or money advanced or lent at the time, or previously due and owing, or foreborne to be paid, being payable,—the same duty as on a mortgage for a sum equal to the value of the stock or fund secured according to the average price thereof on the day of the date of the mortgage, or on either of the ten days preceding, or if there shall not have been any known sale on any of such days, then on the latest day preceding on which there shall have been a known sale.

And where the same respectively shall be made, as a security for the payment of a sum of money, and also for the transfer or re-transfer of a share in any of the said stocks or funds, the said *ad valorem* duty shall be charged in respect of each.

And in case the same respectively shall be made, as a security for the payment or transfer, to different persons, of separate and distinct sums of money, or shares in any of the said stocks or funds—the said *ad valorem* duty shall be charged for and in respect of each separate and distinct sum of money, or share in any of the said stocks or funds therein specified and secured, and not upon the aggregate amount thereof.

And where any such deed or instrument as aforesaid shall be made respectively as a security for the payment of any annuity, or any sum of money by way of repayment, or in satisfaction or discharge, or in redemption of any sum lent,

advanced, or paid, as or for or in the nature of a sum intended to be repaid, discharged, or redeemed, in manner aforesaid—the same duty as on a mortgage or wadset for the sum of money so lent, advanced, or paid.

Transfer, Disposition, or Assignment of any mortgage or wadset, &c.—

Where no further sum of money or stock shall be added to the principal already secured, if such principal shall not exceed in value in the whole the sum of £1400—the same duty as on a mortgage or wadset for the total amount or value of such principal.

And if such principal shall exceed in value in the whole the sum of £1400—£1, 15s.

And where any further sum of money or stock shall be added to the principal already secured—the same duty as on a mortgage or wadset for such further money or stock only.

And in every other case not expressly provided for, such transfer, disposition, or assignment shall be chargeable with the duty of £1, 15s.

Such instrument is not chargeable with further duty (*except progressive duty*) by reason of its containing any further or additional security for the payment or transfer, or re-transfer, of such money or stock, or any interest or dividends thereon, or any new covenant, proviso, power, stipulation, or agreement, or other matter whatever in relation to such money or stock, or the interests or dividends thereon, or by reason of its containing all or any of such matters.

Where several distinct instruments are made at the same time for securing the payment or transfer of one and the same sum of money, or one and the same share of any of the stocks or funds before mentioned, the said *ad valorem* duty, if exceeding £2, shall be charged only on one of such deeds or instruments; and all the rest shall be charged with the duty to which the same may be liable, under any more general description of such instruments; and, if required for the sake of evidence, all the rest of such instruments shall be also stamped with some particular stamp, for denoting or testifying the payment of the said *ad valorem* duty on all the said instruments being produced duly stamped with the duties hereby charged thereon. This under acts previous to 13 and 14 Vict.

Any deed made for the further assurance only of any property already mortgaged as a security, by any deed which has paid the *ad valorem* duty on mortgages or bonds—

Also any deed made as an additional or further security for any sum, &c., already secured by any deed or instrument which has paid the *ad valorem* duty on mortgages and bonds as aforesaid—

Where the total amount or value of the money or stock already secured, and in respect whereof the *ad valorem* duty has been paid, shall not exceed the sum of £1400,—the same duty as on a mortgage or wadset for the amount or value of the said money or stock.

And in any other case, £1, 15s.

If any further sum shall be added to the principal already secured, such deed for further assurance, or additional or further security, either by the mortgagor or by any person entitled to the

property mortgaged by descent, &c., shall be chargeable only (exclusive of progressive duty) with the *ad valorem* duty on mortgages under 13 and 14 Vict., c. 97, in respect of such further sum, in lieu of the duty aforesaid.

RECONVEYANCE, Surrender, Discharge, or Renunciation of any mortgage or wadset, or of any other such security as aforesaid, or of the benefit thereof, or of the money or stock thereby secured—Where the total amount of the principal money or stock at any time secured shall not exceed the sum of £1400—the same duty as on a mortgage or wadset for the amount or value of the said money or stock. And in any other case £1, 15s.

WADSET, &c., with a conveyance of the equity or right of redemption or reversion, or other matter in the same deed, viz.—

Where any deed or writing shall operate as a mortgage, and also as a conveyance of the equity or right of redemption or reversion of any lands, estate, or property therein comprised, such deed or writing shall be charged not only with the said *ad valorem* duty on mortgages, but also with the *ad valorem* duty on a conveyance upon the sale of any property; but where the equity or right of redemption or reversion shall be thereby conveyed, or limited in any other manner, such deed or writing shall be charged only as a mortgage.

And in all other cases where a mortgage shall be contained in one and the same deed or writing with any other matter or thing (except what shall be incident in said mortgage), such deed or writing shall be charged with the same duties (except the progressive duty) as such mortgage and such other matter or thing would have been separately charged with if contained in separate deeds or writings.

NOTARIAL ACT, any whatsoever, 5s. And for every sheet or piece of paper, parchment, or vellum, on which the same shall be written, 5s.

NOTE.—When the Estate has been under-estimated, or effects omitted, so as to infer the payment of further duty, an additional inventory on a stamp corresponding to the aggregate amount of the original inventory, and the additional value, must be exhibited (48 Geo. III., c. 149, sec. 40), and the original inventory will be given up to the executor or his mandatory by the Solicitor of Inland Revenue, and repayment of the amount of the duty upon it will be obtained from the Collector at Edinburgh. A full copy of the original inventory and oath must be left with the Solicitor.

When the Estate has been over-estimated, or effects improperly included, a corrected inventory must be exhibited, engrossed on a stamp corresponding to the true amount, and allowance of the original stamp will be got as a spoiled stamp within six months from the date of recording the corrected inventory. Forms of the affidavit may be got at the Solicitor's Office, where, after being sworn, it is lodged along with a full copy of the original inventory and relative oath.

RETURN OF INVENTORY-DUTY.

A return of the duty paid on the inventory may be obtained if the personal debts due by the deceased at the time of his death reduce the estate to a sum in respect of which a less stamp-duty is payable than has actually been paid. The claim is made by affidavit and schedule, according to regulations, to be had from the Solicitor of Inland Revenue, and requires to be lodged with him (the days for this purpose are Monday and Friday, between twelve and two o'clock) within three years from the date of the inventory, and to be accompanied by a copy of the recorded inventory and stamped appraisements, vouchers, &c., of the constitution of the debts (such as bonds, bills, accounts, &c.), and of the payment. The time for lodging the claim, if expired, may be extended on application, by letter addressed to the Secretary of the Board of Stamps and Taxes, London.

REGULATIONS AS TO EXCHANGING SPOILED STAMPS.

The Solicitor's Office, No. 5 in the Inland Revenue Office, is open for the allowance of spoiled stamps on Tuesday and Thursday, every week, from twelve noon to two P.M. The distributors of stamps at the following places also receive spoiled stamps for allowance: Glasgow, Ayr, Kilmarnock, Dumfries, Perth, Dundee, Aberdeen, Banff, and Elgin.

A supply of forms of affidavits is kept by the Solicitor and the above distributors, and claimants may attend at the Solicitor's office, and have the affidavits filled up and taken; or they may get copies of the forms, and take the oath before a justice of the peace, and afterwards lodge the affidavits and the stamps with any of the above officers. If the claim be admitted, a ticket is issued, stating that application is to be made for the new stamps after Thursday se'ennight, and within six weeks from the date of the ticket. If not made within that time, the claim will be forfeited.

The stamps, if belonging to parties resident in Edinburgh, or within ten miles thereof, must be presented for allowance within six months after being signed in the case of executed instruments, and six months after being spoiled in the case of unexecuted instruments. If beyond that distance, six months in the former, and twelve months in the latter case.

Bills and notes delivered to payees, or negotiated, or issued in any way, and bills accepted or tendered for acceptance, cannot be exchanged, unless a new bill be produced, in all respects the same, excepting the correction of the error.

As to the exchange of sea policies of insurance, see 54 Geo. III., cap. 133.

Unexecuted instruments are allowed, if inadvertently spoiled. Executed, that is, signed by any party, if void in law from the beginning; from error, or mistake, unfit for the purposes originally intended; from the death or refusal to sign of any person whose signature is necessary; from the want of the signature of some material and necessary party; from refusal to act under; or from non-acceptance, they shall be unfit for or fail of the purpose intended, or if the transaction be carried through by another instrument duly stamped.—(See 53 Geo. III., cap. 108.) In the cases of transfers of stock, if signed by the seller alone, and other instruments if by one party, new deeds require to be produced to the proper officer of stamps, who, as to transfers, is instructed to certify in what particulars they differ from those spoiled.

Stamps of a different description may be obtained for any stamp spoiled, if it be of the value of £6 or upwards. Application for this purpose to the Commissioners of Stamps and Taxes should be lodged with the affidavit. The Commissioners, by 3 and 4 Will. IV., cap. 97, sec. 19, may, in their discretion they think fit, refund, in money, the amount of spoiled stamps. They are also authorized to repay the amount of stamps for which the possessor has no immediate use, if applied for within three months after being purchased.

STAMPING DEEDS AFTER BEING SIGNED.

Beyond Twelve Months.—The duty, or deficiency of duty, shall be due and payable to her Majesty, and also the penalty of £10. The deed will only be stamped on payment of the whole, or (as the case may be) the deficiency of the stamp-duty remaining payable on it, and, over and above such duty, a penalty of £10; and if the whole amount of said duty or deficiency shall exceed £10, then, in addition to said duty and penalty, there shall be paid, by way of additional penalty, interest on the duty or deficiency at the rate of 5 per cent from the date or first signing of the deed; but such interest shall not exceed the amount of the said duty, or deficiency of duty.

Within Twelve Months.—If the deed shall be brought to the Commissioners of Inland Revenue within twelve months after the first signing or executing, in order to be stamped, it may be stamped without payment of the penalty, or on payment only of a portion thereof, provided it shall be proved to the satisfaction of the Commissioners, that the deed was not duly stamped previously to being signed, by reason of accident, mistake, inadvertency, or urgent necessity, and without any wilful design to evade or delay the payment of duty.—(13 and 14 Vic., c. 97, sec. 12.)

Abroad.—If the deed shall be executed by any party abroad, it may be stamped without any penalty, if brought to be so within two calendar months from the time of being received in the kingdom, upon proof of the facts to the satisfaction of the Commissioners.—(13 and 14 Vic., c. 97, sec. 13.)

N.B.—Instruments are received at the Solicitor's Office, Inland Revenue, Waterloo Place, Edinburgh, and transmitted to London to be stamped—if within sixty days of the first date, on payment of the duty—if beyond that date, on payment of the duty and penalty. Parties, on applying, will be furnished with a Schedule, and, after being filled up, it is to be presented, along with the Instrument, at the Solicitor's Office, No. 5 Inland Revenue, between 10 and 12 o'clock on Wednesdays only. The amount of duty wished to be impressed on the instrument is to be inserted by the applicant, before being presented at the Solicitor's Office; and, afterwards, he pays it, and the penalty, if any, to the Cashier, No. 3 Lobby. The Instrument will be returned through the Warehousekeeper, No. 2 Lobby, and it must be called for after twelve days and within twenty-one days from the date of its being lodged.

DOUBTS AS TO THE SUFFICIENCY OF STAMPS MAY BE REMOVED.

The opinion of the Commissioners of Inland Revenue as to the duty to which a deed, whether previously stamped or otherwise, is chargeable, may be obtained on payment of a fee of 10s. The duty or insufficient duty which the Commissioners may assess, and the penalty, if any, being paid, they shall stamp the deed with the duty so paid, and thereupon, and also in the case of the deed being previously sufficiently stamped, shall also impress the deed with a particular stamp to be provided for the purpose. The deed shall then be received in evidence, notwithstanding any objection to it as insufficiently stamped. The provision does not apply to bonds or mortgages for unlimited amounts, nor instruments after being signed, prohibited from being stamped. The opinion of the Commissioners may be appealed against to the Court of Exchequer at Westminster, on the stamp-duties assessed being paid, and 40s. for costs being deposited.—(13 and 14 Vic., c. 97, sec. 14 and 15.)

N.B.—Instruments are received for adjudication, on the same conditions as to duty and penalty as instruments to be stamped merely.—(See above.) The mode of proceeding is as follows:—The sum of *ten shillings* for the adjudication stamp is first to be paid to the Cashier, No. 3 Lobby. Then the schedule—the instrument after execution—and a full copy (written on foolscap paper) of it, are to be left at the Solicitor's Office, No. 5, on Wednesdays, between 10 and 12 o'clock only. Between 10 and 12 o'clock next day, a party who can give explanation, must call on the

chief clerk of the Solicitor's Department (No. 6); and he should be prepared to pay the proper duty, and penalty, if any, to the cashier, No. 3 Lobby.

It is desired that there may be appended to the copy of the instrument, a table of the clauses and provisions of the deed, and a reference to the page of the copy on which each commences.

DUPLICATES OR COUNTERPARTS.

Duplicates or counterparts of instruments requiring to be impressed with the denoting stamp to render them valid, may now be lodged at the Solicitor's Office, No. 5 Inland Revenue, Edinburgh. A transmission of them is made once a-week to the Head Office, but the revenue takes no risk of loss or injury connected with the custody or carriage of them. The principal instrument, as well as the duplicate, must be lodged, and both must appear to be properly stamped, otherwise they will not be transmitted.

DISCOUNT ON THE PURCHASE OF STAMPS.

Parties who may purchase *stamps* (except receipt stamps, labels for medicines, newspapers, and postage stamps), at London, Edinburgh, or Dublin, under the value of £10 each, but to the value of £30 or upwards in the whole, are allowed discount at the rate of 30s. per cent (12 and 13 Vic., c. 80); and any person who *purchases* at the Stamp-Offices of London, Edinburgh, or Dublin, stamps for *receipts* to the amount of £5 or upwards, or of any distributor or sub-distributor not within ten miles from said respective offices, to the amount of £1 or upwards, shall receive an allowance at the rate of £7, 10s. per cent—no allowance for a fraction of a pound.—(13 and 14 Vic., cap. 97, sec. 18.)

GENERAL POST-OFFICE, EDINBURGH.

POSTMASTER-GENERAL FOR THE UNITED KINGDOM,
THE RIGHT HONOURABLE VISCOUNT CANNING.

SECRETARY—FRANCIS ABBOTT, ESQ.

INLAND POSTAGE AND GENERAL REGULATIONS.

The RATES OF POSTAGE ON LETTERS *prepaid* are :—

Under half an ounce,	1d.
Above half and under an ounce,	2d.
Above an ounce and under two ounces,	4d.

And so on, two rates being added for each additional ounce.

On Letters *unpaid* double the above rates is charged. Letters *exceeding four ounces in weight are not forwarded until the postage be paid.*

Addresses to Her Majesty, and Petitions to Parliament under thirty-two ounces, open at the ends, *pass free*.—Books and Parliamentary Proceedings at reduced rates, explained under their respective heads,—the only exceptions to the above rates.

Adhesive Stamps and Envelopes.

Prepayment of Letters *in money* is now prohibited.

The Stamps should be placed on the front of the Letter, at the right hand corner; and care should be taken that they firmly adhere. The better method is to wet the Letter, not the Stamp.

Any Postmaster, Sub-postmaster, or Letter-Receiver, will supply the Public with Postage Stamps or Envelopes at the following Prices:—

The Penny Label Stamps at 1d. each.
The Twopenny ditto . . . 2d.
Tenpenny ditto . . . 10d.
Shilling ditto . . . 1s.
Envelopes, 24 for 2s. 3d., or 2 for 2½d.

Redirected Letters.

Redirected Letters are subject to additional rates of Postage; but whether originally prepaid or not, they are only liable to be charged at the prepaid rate for the additional Postage.

Overcharges, Delays, &c.

In cases of complaint, whether arising from overcharges, delays, or other irregularities, the covers (and contents in all practicable cases) should be forwarded to the Secretary, General Post-Office, for investigation, as affording the only efficient means of answering such complaints satisfactorily. Overcharges are returned between the hours of ten and four, at the Window Office.

Letters not to be Delivered Back.

To prevent the possibility of Letters being surreptitiously obtained from the offices where put in, office-keepers are strictly forbid returning, to any person whomsoever, Letters that may be applied for, under whatever circumstances the recovery may be urged.

Illegal Conveyance of Letters.

By the 1st Victoria, cap. 36, sec. 2, any person illegally conveying Letters, incurs a penalty of £5 for every offence, and £100 for every week the practice is continued. The Sender also incurs a penalty of £5 for every offence, with full Costs of Suit.

Articles which may Not be Sent by Post.

Letters or Packets cannot be forwarded by the Post-Office containing any of the following enclosures, viz. :—any Glass, Razor, Scissors, Knife, Fork, or other sharp or pointed instrument; any Leeches, Game, Fish, Flesh, Fruit, Vegetable, or other perishable substance; any Bladder, or other vessel containing liquid; or any article, matter, or thing whatsoever, which might, by pressure or otherwise, be rendered injurious to the Officers of the Post-Office, or to the contents of the Mail-bags; and the Act 3 and 4 Victoria, cap. 96, expressly directs that no Letter shall be sent by Post containing any EXPLOSIVE or OTHER DANGEROUS MATERIAL OR SUBSTANCE. No Letter or Packet exceeding in breadth, or length, or depth, twenty-four inches measurement, can be forwarded by Post.

Registered Letters.

The system of Registration provides a secure mode of transmitting Bank Notes, Bank Post Bills, Drafts, &c. &c. The arrangements have been made with the view of insuring the punctual delivery of LETTERS OF VALUE; on their delivery, the parties to whom they have been addressed will be required to acknowledge in writing their receipt. LETTERS OFFERED FOR REGISTRATION SHOULD HAVE THE FULL AMOUNT OF POSTAGE AND REGISTRATION FEE OF SIXPENCE AFFIXED THEREON IN STAMPS.

Registered Letters will be taken at the General Post-Office, at the Receiving-Houses, and by all Postmasters throughout the United Kingdom, until within half an hour of the closing of the Box for the particular Mail or Bag by which they are to be despatched.

An acknowledgment by receipt will be given to the parties registering Letters, and each receipt must bear the Office stamp.

The practice of committing Letters containing valuable property to the Post-Office unregistered should in all cases be avoided. It is expected that persons having occasion to transmit such letters will avail themselves of the proper means of security, and in no case, by committing property unregistered to the Letter-boxes, RISK ITS LOSS. If, however, notes are sent, parties are recommended to cut them in halves, and the second half should not be despatched until the receipt of the first has been acknowledged. The numbers, dates, and amount, should also be carefully taken.

Books, Maps, Prints, &c., under Certain Regulations, Forwarded at a Reduced Rate.

A Book-Packet may contain any number of separate Books, Maps, or Prints, and any quantity of Paper, Vellum, or Parchment (to the exclusion of Letters, whether sealed or open); and the Books, Maps, Paper, &c., may be either printed, written, or plain, or any mixture of the three.

Further, all legitimate Binding, Mounting, or covering of the same, or of a portion thereof, will be allowed, whether such Binding, &c., be loose or attached; as also Rollers, in the case of Prints; Markers (whether of Paper or otherwise), in the case of Books—and, in short, whatever is necessary for the safe transmission of literary or artistic matter, or usually appertains thereto.

The following are the remaining Regulations respecting the Inland Book Post—all previous notices regarding it being cancelled.

Rates of Book Postage.

For each Packet not exceeding One Pound in weight	0s. 6d.
„ exceeding One Pound and not exceeding Two Pounds,	1s. 0d.
„ exceeding Two Pounds and not exceeding Three Pounds	1s. 6d.
And so on, 6d. being charged for every complete Pound, and for any additional fraction of a Pound.	
Every Packet must be sent either without a Cover, or in a Cover open at the ends or sides.	
It must not contain any Letter, open or sealed, nor any sealed enclosure whatever.	
No Packet must exceed two feet in length.	

The Book Post to which the foregoing rules relate, is confined to the United Kingdom, and does not affect the privileges allowed to Votes and Proceedings in Parliament, or to Newspapers.

Postmasters are instructed to open and examine Book-Packets, to see that the conditions on which they are allowed are all complied with; and if he find any Letter, whether sealed or open, or sealed enclosure of any kind, such Letter or enclosure is to be taken out and dealt with as an Unpaid Letter—the Address on the Packet being written thereon if there be no other Address. And if in any other respect either of the above conditions be violated, or if for any reason the Postmaster does not think that the Packet comes within the privilege of the Book Post, he must forward it to the principal Office, there to be dealt with.

To prevent obstacles to the regular transmission of Letters, any Officer of the Post-Office may, when necessary, delay forwarding a Book-Packet for a period not exceeding twenty-four hours beyond the time at which it would otherwise be forwarded.

Newspapers, and Supplements to Newspapers.

It is not compulsory to send Newspapers or their Supplements by Post; but those that are intended to be so transmitted must be sent in covers open at the sides; and no words of communication may be printed or written on such papers (except under the conditions hereafter explained) after the same shall have been published, when they are entitled to pass free.

Parties will be allowed, however, to put any Writing or Marks on Newspapers passing by Post, in the United Kingdom, provided that a Postage of a Penny be prepaid, BY MEANS OF A STAMP conspicuously affixed outside the Cover or folded Newspaper, it being understood that in those cases where the Newspaper may be liable to Postage, irrespective of such Writings or Marks (as when it is both posted and delivered in the same town), the Penny Stamp shall cover both the Writing and Postage. But this privilege is to be confined to Writing or Marks *on the Newspaper itself*, and not to extend to the *Cover*, which must contain nothing but the address.

Any Writing or Marks on the *Cover*, besides the address, or on the Newspaper (if not prepaid as above) will subject it to the same rate as that of an unpaid Letter, according to weight.

Newspapers pass free by the Edinburgh Local Posts, except in those cases where they shall be posted and delivered within the limits of the General Post delivery (which now includes Leith), when the Postage is one penny on each Newspaper.

PRICES CURRENT and COMMERCIAL LISTS published in the United Kingdom, if duly stamped, and under the weight of two ounces, will be treated as Newspapers, and enjoy the Newspaper privileges, the sanction of the Postmaster-General having been previously obtained.

* * As the mere affixing a Newspaper Stamp on any new periodical publication will not entitle it, as a matter of course, to pass free by the Post, those who may be about to publish, for the first time, any such paper, should submit a copy to the Postmaster-General, in order that it may be determined whether the Publication is of a nature that will entitle it to pass free of postage.

Clause of the Act of 1st Victoria, cap. 34, sec. 32—“And be it further enacted, that in all cases, in which a question shall arise, whether a printed Paper is entitled to the privileges of a Newspaper, or other Publication hereby privileged, so far as respects the transmission thereof by the Post under the Post-Office acts, the question shall be referred to the determination of the Postmaster-General, whose decision, with the concurrence of the Lords of the Treasury, shall be final.”

Newspapers published in the Channel Islands and the Isle of Man are now excluded from the Newspaper privileges, except such as may be printed in the French language.

Printed Votes and Proceedings of Parliament.

Printed Votes and Proceedings of Parliament, or of the Colonial Legislatures, are charged—

Under four ounces,	1d.
Above four and under eight ounces,	2d.
Above eight and under twelve ounces	3d., and so on.

Such Votes and Proceedings, whether paid or unpaid, pass at these rates between places in the United Kingdom, as well as to the Colonies, by PACKET. The Postmaster-General is authorised (if he shall see fit) to delay the transmission of Printed Votes and Proceedings in Parliament for any space not exceeding Twenty-four hours from the time at which the same would otherwise have been forwarded.

Stamped Publications.

Stamped Publications, not being Newspapers, but having the authority of the Postmaster-General, to pass as such by Post, are restricted to the weight of 2 oz.

Parliamentary Notices.

These Notices may be sent through the Post, provided they are posted on or before the 12th of December, at the Chief Offices of London, Edinburgh, or Dublin, or at any of the following Offices:—Birmingham, Bristol, Exeter, Lincoln, Liverpool, Leeds, Manchester, Newcastle-on-Tyne, Norwich, Shrewsbury, Aberdeen, Glasgow, Inverness, Athlone, Belfast, and Cork. The words, “Parliamentary Notice” must be legibly *printed* on the face of the Letter; the postage must be prepaid, as well as a Registration Fee of 6d. in Stamps. Duplicate Lists must also be sent with the Notices, and they are to be arranged in the same order as entered on these Lists. Parties should arrange previously with the Post-Office as to a suitable time for posting.

FOREIGN AND COLONIAL LETTERS & NEWSPAPERS.

General Regulations.

The prepayment of Postage is optional to many parts abroad, Foreign as well as Colonial. For information on this point, reference may be made to the List of Foreign Places, commencing at page 378.

Letters for the Colonies and Foreign Countries posted unpaid, although specially-addressed to be forwarded by routes *which require the Postage to be paid in advance*, will not, if there are any means of transmitting them, be opened and returned to the writers for payment of such postage, but will be despatched, if possible, by other routes unpaid.

Weight of Letters.

Foreign Letters are charged on the same principle as Inland, according to weight, as follows:—

Not exceeding $\frac{1}{2}$ oz., one Rate.
Do. do. 1 oz., two Rates.

And two Rates for every succeeding oz.

The French and Belgian scale of progression is as follows:—

Under $\frac{1}{4}$ oz., one Rate.
Weighing $\frac{1}{4}$ oz., under $\frac{1}{2}$ oz., two Rates.

And one Rate for every succeeding $\frac{1}{4}$ oz.

In charging the British and Foreign COMBINED rates, it is to be observed, that a letter will be liable to two Foreign rates if it *reaches* the $\frac{1}{4}$ oz., whereas two British rates are not chargeable unless the letter *exceeds* $\frac{1}{4}$ oz. (the limit for a single British rate); so that a letter, to be subject to a single Foreign rate, as well as British, must be *under* $\frac{1}{4}$ oz. The following shews the method of taking the postage on letters for France and Belgium:—

FRANCE,	{	under $\frac{1}{4}$ of an ounce.	{	British, 0s. 5d. Foreign, 0s. 5d. <hr style="width: 50%; margin: 0 auto;"/> 0s. 10d.	} reaching $\frac{1}{4}$ of an ounce.	{	British, 0s. 5d. Foreign, 0s. 10d. <hr style="width: 50%; margin: 0 auto;"/> 1s. 3d.
BELGIUM,	{	under $\frac{1}{4}$ of an ounce.	{	British, 0s. 4d. Foreign, 0s. 2d. <hr style="width: 50%; margin: 0 auto;"/> 0s. 6d.	} reaching $\frac{1}{4}$ of an ounce.	{	British, 0s. 4d. Foreign, 0s. 4d. <hr style="width: 50%; margin: 0 auto;"/> 0s. 8d.

Ship Letters.

The single uniform rate on Ship Letters between the United Kingdom and any place beyond seas (except those for France, Belgium, Holland, Hamburg, Bremen, Brunswick, Hanover, Denmark, Oldenburg, Lubeck, and Mecklenburg-Schwerin, to which places the rate is the same as by packet), when conveyed by private ship, is 8d. under the $\frac{1}{4}$ oz., and so on, in whatever part of the United Kingdom the same may be posted or delivered. Letters intended to be conveyed by "private ship" should be so addressed.

Persons Exempt from Ship Letter Postage.

The owners, charterers, and consignees, resident in the United Kingdom, and owners, consignees, and shippers of goods on board vessels inward bound, are entitled to receive their letters free from sea postage (the inland postage only being chargeable) to the extent of 6 oz. collectively, by any one vessel to any such person. In the case of vessels coming from Ceylon, Mauritius, the East Indies, or the Cape of Good Hope, for an owner, charterer, or consignee of such vessel, the letters may collectively be 20 oz. in weight. The owner, charterer, or consignee, must be described as such on the address or superscription; and, in the case of owner, consignee, or shippers of goods, it must also appear by the ship's manifest that they have goods on board the vessel. Such per-

sons are entitled to have their letters which come within the above conditions, before the master of the vessel delivers the other letters in his charge to the Post-Office.

** Any person who shall, with intent to evade any duty of postage, falsely superscribe a letter as being the owner, charterer, or consignee of a vessel conveying the same, or as the owner, shipper, or consignee of goods shipped in such vessel, shall, for every offence, forfeit £10.

Letters not to be Sealed with Wax when sent to Warm Climates.

The practice of sealing letters which pass to and from the East Indies, and other warm climates, with wax, leads to much inconvenience, from the melting of the wax, and the letters adhering to each other. The public, therefore, are recommended, in all such cases, to use wafers instead of wax, and to advise their correspondents to do the same.

Adhesive Stamps.

Stamps may be used to pay Foreign or Colonial Letters OUTWARDS, but care must be taken that, by the addition of such stamps, the letters do not exceed the weight intended to be paid for. In those cases in which the value of the stamps on the letter is less than the amount of postage chargeable, they will, if prepayment is not compulsory, be forwarded charged with the difference. In cases where the prepayment is compulsory, they will be sent to the Dead Letter Office, and opened and returned to the writers for the proper postage. Stamps are not permitted to be used on letters arriving in the United Kingdom from the Colonies or foreign countries. Whenever, therefore, such letters bear any, they will be charged the full rate of postage, without regard to such stamps. These regulations will be applicable to newspapers in those cases where they are liable to postage.

Newspapers and Prices Current to the Colonies and Foreign Countries.

Newspapers and Prices Current, duly stamped and authorised, provided the regulations are complied with, and they are posted within seven days of their publication, may be forwarded to the Colonies and to foreign countries, by Post Office packets or private ships. To the British Colonies they are forwarded free, except in cases where the conveyance is by private ship, as also to many foreign countries, which will be found in the Lists. But to all places to which newspapers are not sent free, the postage on them must be paid in advance. Newspapers and Prices Current, duly stamped, to the Colonies, by PRIVATE SHIP, are charged one penny each. To France, Belgium, Holland, and countries through Holland, by PRIVATE SHIP, one penny each. Chili, Peru, Guatemala, Western Coast of America, Venezuela, St Helena, St Mary's, River Gambia, Sierra Leone, Cape Coast Castle, Fernando Po, and Ascension Island, one penny each. All other places not British, by PRIVATE SHIP, twopenny each, which must be prepaid.

The undermentioned printed PRICES CURRENT having obtained the sanction of the Lords of the Treasury, pass through the Post-Office to the Colonies and foreign countries at one penny each, provided they contain simply the names and prices of articles. The names and addresses of the parties dealing in such articles must be excluded:—

Annual Supplement to Prices Current.
British Ships entered inwards and cleared outwards from and to places within the limits of the East India Company's charter.
Commercial Daily List.
Lloyd's List.
London New Price Current.

London Mercantile Price Current.
Mercantile Journal.
Nicolson's New Price Current.
Prince's Price Current.
Sound List.
Trades' List.
Universal Corn Reporter.

Wetenhall's Course of the Exchange.

Each copy to be made up in the same way as a newspaper, with cover open at the sides.

The title of the publication must be written or printed immediately above the address; and any other writing than such address, name, initial, or mark for reference of any kind, calculated to convey information as to the party by whom such publication is forwarded, will subject the same to full letter rates of postage.

Prices Current cannot be forwarded a second time without being charged full letter postage.

Prices Current from any colony or place abroad by private ship are charged the same rate as newspapers. Prices Current from any British colony by packet, direct to any place in the United Kingdom, one penny each.

Prices Current from any foreign country by packet (except France, Belgium, Holland, and China), direct to the United Kingdom, twopence each.

Prices Current from whatever part (except China) received by way of France, Belgium, Holland, or Hamburg, twopence each.

Newspapers posted out of date, written on, or in any way marked for reference, or containing anything contrary to the Act, or without being prepaid, will, if there be no means of forwarding them as unpaid letters, be sent to the Dead Letter Office. When they can be forwarded, those out of date, or not prepaid as required, will be charged with the ordinary letter postage.

Newspapers posted in France contrary to the established regulations of that country, are transmitted to this country as letters. British newspapers reprinted in France for England are charged with the British frontier postage of 5d. per half ounce.

Periodical Publications, &c.

Periodical works, unstamped, and not of daily publication, Parliamentary proceedings, &c., may be forwarded to and from France, Belgium, Bremen (*via* Hamburg), Hamburg, Lubeck (*via* Hamburg), Oldenburg, Holland, Prussia (*via* Holland), Denmark, and the United States (but not to countries passing through), under the following regulations:—

1st, The postage must be paid in advance (except those from).

2d, They must be sent in covers open at the sides for examination.

3d, They must be printed in the English language, or the language of the country they are sent from.

The rate on such works will be as follows:—

Not exceeding 2 oz. in weight, one penny.

Not exceeding 3 oz. in weight, sixpence.

And twopence for every additional ounce to 16 inclusive, beyond which weight no publication can be forwarded except paid for as letters.

Plates of fashions, music, &c., accompanying newspapers and periodicals, are to be considered as part of such publication, and are not liable to extra charge. Prints published with newspapers, and duly stamped, may be sent by post separately as a newspaper; but those bearing the supplement stamp of $\frac{1}{2}$ d. only, must be sent with the paper it belongs to, and be under the weight of two ounces.

Periodicals posted without previous payment will be forwarded as unpaid letters, and no single pamphlet or work unnumbered, and without reference to its continuance at any other time or period, can be considered or taken to be a periodical.

PAMPHLETS, *although not published periodically*, may be forwarded to the UNITED STATES at the same rates as above, when not exceeding eight ounces.

Stamped Publications.

Stamped Publications, other than Newspapers, must not exceed 2 oz. in weight, and are subject to the same regulations as Newspapers with regard to date, when intended for abroad.

Printed Votes and Proceedings of the Imperial Parliament, and of the Colonial Legislature,

Whether paid or unpaid, pass at the same rates to the Colonies, by packet, as between places in the United Kingdom. Where there are no packets, they may be forwarded by private ships at double these rates. They are not, however, forwarded to places through France under the full rates of letter postage. The following are the rates chargeable:—

Under 4 oz., 1d.

Above 4 oz. and under 8 oz., 2d.

Above 8 oz. and under 12 oz., 3d.—and so on.

Books sent at Reduced Rates to certain Colonies.

Printed books, magazines, reviews, and pamphlets (whether British, Colonial, or Foreign) may be transmitted by the post between the United Kingdom and

Registered Letters, Foreign, Colonial, and Ship.

In the case of foreign, colonial, or ship registered letters, it must be clearly understood that registration cannot extend beyond the port of despatch in the United Kingdom; and the office does not engage for the security of any registered foreign, colonial, or ship letter longer than while the contents of the mail shall be in the custody of the British Post-Office. Letters, however, addressed to France, and letters passing through France, are exceptions to this rule, the French Post-Office undertaking to provide for their security till they shall have been delivered, if addressed to France, and so long as they remain in the French territory, if passing through France. All registered letters to and from France, and countries passing through France, must be paid to their destination, or to the farthest limit, and are subject to the following regulations :—

1st, A registration fee of sixpence in addition to the British portion (or rate) of the postage upon such letters.

2d, The foreign portion of the rate must be calculated, and the amount doubled.

Registered letters for Belgium and countries through Belgium,

— — Holland and countries through Holland,

— — Hamburg and countries through Hamburg,

are charged with the British registration fee only, in addition to the postage an ordinary letter would be liable to, and the postage must be prepaid.

Registered letters for Prussia, or to foreign countries through Prussia, must be prepaid the full postage (British and Foreign) as well as the British registration fee of sixpence, and a further charge of threepence on each registered letter, whatever may be its weight, on account of the Prussian registration fees. It is hoped that the public will take the precaution to register all letters of value.

Redirected Letters.

Redirected letters between France, Belgium, and Holland, and countries the correspondence of which passes through France, Belgium, and Holland, and the United Kingdom, are returned charged with the same amount of postage that should have been paid by the receivers. Letters originating in the United Kingdom, redirected from France, Belgium, or Holland, are returned under the same conditions, and are liable to a further charge of British postage—viz., 5d. from Calais, and 8d. from Holland.

All other redirected letters, which cannot be forwarded without prepayment of postage, must be sent to the Dead Letter Office to be returned for the amount due—viz., for their conveyance to the United Kingdom (if the postage to the United Kingdom is not paid), and for the further amount from the United Kingdom to the place of redirection.

Redirected Newspapers.

Newspapers originating in the United Kingdom, addressed to parties in France, Belgium, and Holland, who have returned, may be redirected (on the original covers) to them, and are liable to the first charge only.

Newspapers from the colonies and foreign countries, for persons who may have removed, may be redirected to them at any place within the United Kingdom free of postage, provided they have not

been opened at the place to which they were originally addressed. But a newspaper which has been opened is charged at the same rate as if it were a letter from the place of redirection to the place at which it may be ultimately delivered. Newspapers upon which any colonial or foreign postage may be due when redirected, shall be delivered at any place within the United Kingdom for the same amount of postage that would have been chargeable had they been delivered at their original address. Newspapers from one foreign country or colony to another, in transit through, and addressed to the care of a person in, the United Kingdom, may be redirected forward without extra charge, provided they have not been out of the custody of the Post-Office; but such Newspapers cannot be reposted without incurring the charge of letter postage.

Non-Commissioned Officers, Seamen, and Soldiers in Her Majesty's Service Abroad.

Letters to seamen and soldiers may be forwarded by post at the rate of one penny each, under the following regulations:—

1st, The penny must be paid at the time the letter is put into the Post-Office.

2d, The direction must signify the class of seaman or soldier.

3d, The name of the ship, regiment, or corps, to which he belongs.

4th, The letter must not exceed half an ounce, and be upon their private concerns only.

Letters for seamen or soldiers, whether in her Majesty's or the East India Company's military or naval service (while on actual service), may be forwarded, under the foregoing regulations, to India, China, &c., *via* Southampton. They can now be sent to India, *via* Marseilles, on payment of the British rate of 1d., besides the French rate of 5d., if under a quarter of an ounce, or 10d. exceeding that weight, or to any foreign country, on payment of the foreign rate of postage in addition to the British rate of 1d. as above.

Letters for seamen and soldiers forwarded by private ships (with the following exceptions:—St Helena, East Indies, New South Wales, Cape of Good Hope, and Mauritius) are charged 3d. each.

Letters of soldiers and seamen, addressed to the United States of America, will in future be chargeable with the American rate of five cents, or twopence-halfpenny sterling each, in addition to the ordinary British rate of one penny; the postage of all such letters must be prepaid.

Warrant officers, either in the army or navy, or masters' mates, or engineers of the navy, are not entitled to transmit letters at less than the usual rates of postage.

Seamen's or soldiers' letters received from any part beyond sea, upon which the said penny has not been prepaid, shall be charged to the receiver with double the rate—viz., 2d. each.

Redirected Letters for Officers, Soldiers, and Seamen.

Letters redirected to commissioned officers in the army or navy, subject to foreign or colonial postage, may be forwarded to such officers when removed upon service (whether at home or abroad), and be delivered to them for the same amount of postage that would have been chargeable had they been delivered at their original address. In all other cases they are subject to the same regulation as ordinary redirected letters. Soldiers' and seamen's letters are not liable to any additional rate upon redirection.

Money Order Office.

Money Orders are issued and paid at the General Post-Office, Edinburgh, between the hours of 10 and 4.

The Commission chargeable for Money Orders is threepence on sums not exceeding £2; and on sums above £2, and not exceeding £5, sixpence. No Order will be given for sums beyond this amount.

The Money Order Office, and the system of Registration, have been devised expressly for the security of Money and other valuable property transmitted through the Post-Office. With the great convenience thus afforded for transmitting small sums at so low a charge, and the power given of Registering Letters containing value, it is hoped the public will no longer forward letters of value *except in one or other of these methods.*

In all cases where personal attendance is inconvenient, if the Money Order is receipted by the person to whom it is made payable, and the party presenting it for payment can afford full information as to the Christian name, surname, address, and occupation of the person *who originally obtained the Order*, payment will be made; but unless these conditions are strictly complied with, it will be refused. Any Money Order presented through a bank, will be paid, without the name of the remitter and the signature in full of the Christian name of the payer being insisted upon as a condition of payment, provided that the bank be situated in the town on which the Money Order is drawn, that the order be crossed with the banker's name, and the party applying at the Money Order office be known there as in the employment of the bank. It must be understood, however, that in all such cases the liability of the Post-Office will absolutely terminate with the Payment of the Order so presented.

With a view to simplicity and economy in the accounts of the Money Order Office, it has been found necessary to lay down the following rules:—

1. Every Money Order issued on or after the 6th October 1848, must be presented for payment before the end of the second calendar month after that in which it was issued (for instance, if issued in October, it must be presented for payment before the end of December), otherwise a new Order will be necessary, for which a second commission must be paid.

2. If an Order be not presented for payment before the end of the twelfth calendar month after that in which it was issued (for instance, if issued in October, and not presented before the end of next October), the Money will not be paid at all.

3. As, after once paying a Money Order, by whomsoever presented, the Office will not be liable to any further claim, the public are strictly cautioned—

a. To take all means to prevent the loss of the Money Order.

b. Never to send a Money Order in the same letter with the information required on payment thereof.

c. To be careful, on taking out a Money Order, to state correctly the Christian name as well as the surname of the person in whose favour it is to be drawn.

d. To see that the name, address, and occupation, of the person taking out the Money Order, are correctly known to the person in whose favour it is to be drawn.

4. Neglect of these instructions will lead to delay and trouble in obtaining payment, and even risk the loss of the Money.

These instructions, together with some others of minor importance, will be found printed on every Money Order.

See pages 390 to 415 for places in Scotland, England and Wales, and Ireland, upon which alone Money Orders can be drawn, and at which they can be issued. A Money Order intended for a person residing at a place in which there is no Money Order Office, should be drawn upon the Post-Town nearest to it which may have a Money Order Office.

“At Edinburgh, the 21st day of September,
“Eighteen Hundred and Fifty.

“Which day the Right Honourable the Lord Provost and Magistrates, being assembled, did, and hereby do, in terms of the powers conferred on them by the Edinburgh Police Act, 1848, make, ordain, and enact the following Bye-Laws for the Hackney Carriages of Edinburgh, and appoint the same to take effect from the first day of October next.

“Extracted from the Minutes of the Magistrates by

“R. MORHAM, Dep. City Clerk.”

3. Each licensed Carriage shall have a Number issued for it, which, together with the Owner's name, shall be painted in legible letters, of a light colour conspicuously different from that of the Carriage on a dark ground, or of a dark colour conspicuously different from that of the Carriage on a light ground, and at least one inch in length, on each door immediately below the window-frame; and said Number shall not be transferred to any Carriage other than the one licensed.

Said Name and Number shall also be affixed conspicuously on a card or plate inside, of the following tenor:—

“Name.

“No charge for luggage under 70 lbs.”

Each substituted Carriage shall have the Name and Number of the Carriage for which it is substituted painted in the same way as above, on a movable plate or strap, to be placed on each door, immediately below the window-frame, and in like manner shall have a card or plate inside with the Name and Number of the Carriage for which it is substituted.

4. Whenever a licensed Carriage ceases to ply, intimation thereof shall be immediately given to the Depute City Clerk, Council Chamber, and the Licence shall be returned.

5. In the event of a licensed Carriage requiring repair, intimation thereof shall be immediately given to said Clerk; and no unlicensed Carriage shall ply or be substituted for a licensed one until the same shall have been approved of by a Magistrate, and permission granted, specifying the time it shall be used.

OWNERS.

6. Owners, when at the Stance or Driving, shall conform and be subject to all the rules laid down for Drivers. They shall produce the Driver of any Carriage against whom a complaint is made. They shall keep Lists of their Drivers and their residences, and produce the same at all times when required, and they shall be answerable in all cases affecting the Drivers when the Drivers are not forthcoming. When they discharge a Driver, they shall send notice thereof to the Depute City Clerk, giving the cause of dismissal. They shall see that their Drivers are cleanly in their persons and respectably clothed. They shall furnish to the Inspector all reasonable information he may require when in the discharge of his duty.

DRIVERS.

7. No person shall be licensed as a Driver who is not above Eighteen years of age; and

before any person is licensed, he shall produce a satisfactory written certificate of his ability to drive, and of his good character, and shall find caution for his good behaviour, under the penalty of Forty Shillings.

Each Licence shall continue in force for one year only, or until the next General Licensing Meeting.

When a Driver's Cautioner dies or permanently leaves town, the Driver shall report the same to the Depute City Clerk, Council Chamber, to whom he shall deliver his Licence until he find another Cautioner. Drivers changing their residences or employment, shall give immediate notice thereof to said Clerk.

They shall upon all occasions when required, exhibit the Bye-Laws, Table of Fares, and their Licence.

They shall be strictly sober, cleanly in their persons, and respectably clothed, and shall conduct themselves at all times in a proper, civil, and decorous manner, and shall conform themselves in all respects to the Enactments of the Police Act and Bye-Laws, for the time being, for Hackney Carriages.

They shall not be permitted to smoke on the Stances, or when waiting for parties, or when driving.

When a party enters a Coach, they shall deliver a Ticket with the number of the Coach and Name of the Proprietor, and the following words printed thereon—"Reference in case of incivility, loss, or overcharge."

They shall, when driving, hold the check-string, keep the lamps lighted when necessary, observe the ordinary rules of the road, drive carefully, and *exercise extra caution in thoroughfares, and in passing crossings and corners.* When disengaged, the disengaged signal shall be prominently exhibited on the top of the carriage. Drivers shall on no occasion have a companion of their own on the Box along with them.

8. The Stances shall be—

1. All the Railway Termini at the Waverley Bridge Stations, the Caledonian Railway Terminus, Lothian Road, Princes Street, George Street, and Queen Street. These shall be held to be One Stand, and called the Centre Stand.
2. The Tron Church, Forrest Road, College, and County Hall.
3. Newington.
4. Tollcross.
5. Stockbridge, Pitt Street, the Railway Station at Scotland Street, and St Mary's Church; and
6. Union Place and Gayfield Square.

The number of Carriages at each of the Stances or divisions of Stances, and the spaces to be occupied, shall be fixed from time to time as may be found necessary.

No Carriage shall be stationed beyond the bounds fixed, or be placed so as to obstruct crossings, nor shall any Carriage be placed opposite any part of the Scott Monument. At Princes Street, West End, no Carriage shall be placed further West than two full Coach lengths to the East of the crossing from Charlotte Street to the West Kirk Gate.

No Carriage shall be allowed to be stationed upon any part of the Public Streets not allotted as a Coach Stance, except at the dismissal of the Theatre, Assemblies, and the like.

When the Carriages are at the Stances, Theatre, Assemblies, or the like, the Driver shall either sit on the Box or stand at the head of his horse, and neither the Owners nor Drivers, nor any one employed by them, shall canvass for employment, or draw out from the body of the Stance in order to go to the rear or to another Stance.

When a Carriage is at a Stance, it shall be held to be disengaged, and no engagement shall be refused.

When a signal for a Carriage is made from a distance, the Carriage first in turn at the end of the Stance to which the signal is made, shall draw off, and in no case shall more than one Carriage at a time do so.

Carriages coming or returning to a Stance, shall draw on to the rear of the Stance, and no Carriage shall be drawn off a Stance, or follow Stage-Coaches or other public conveyances, on pretence of employment.

When a Carriage is ordered, the hour shall be punctually kept, and its arrival immediately announced.

All loiterers shall be turned away from the Stances by the Police.

FARES.

9. (I.) FARES BY DISTANCE.

1st, The distance to which any Hackney Carriage may be driven under these Bye-Laws, shall be seven miles from the Cross of Edinburgh.

2d, When a party not exceeding two grown-up persons, and without any luggage other than a carpet-bag or the like, enters a Carriage at a Stance, or when driving along disengaged, they shall be driven half a mile for 6d., and if they return they shall pay another 6d.

Note.—No measurement of this distance is given in the Tables, but the Public and Drivers may easily compute it, from knowing that it is half a mile from the Register Office to the following places, viz., South Castle Street, West End of Regent Terrace, Surgeons' Hall, Nicolson Street, and Gayfield Place, Leith Walk.

3d, Excepting the Sixpenny Fare, the Fares by distance shall be as shewn in the annexed Table of Fares. The charges in the Table shall include going from the nearest Stance to the Hirer's residence and waiting ten minutes. But if the Carriage be detained before starting more than ten minutes, a charge of waiting at the rate of 6d. for each quarter of an hour, or part thereof, after the expiry of the ten minutes, shall be allowed; and if the place where the Hirer is to be lifted be beyond the nearest Stance, or above half a mile from the Stance, whence the Carriage is taken, there shall be a charge of 6d. extra.

4th, When any Place is not mentioned in the Table, the Fare shall be the same as that to any place mentioned which may be in the immediate vicinity.

5th, When the Fare of any particular place not mentioned cannot be ascertained by reference to a place in the immediate vicinity, the Fare shall be 1s. for a distance from the Stance not exceeding a mile and a half, and 6d. for every additional half mile, or part thereof, calculating the distance in the case of the Centre Stance from George Street Assembly Rooms.

6th, Half Fare returning.

7th, When parties return (which they shall have the option of doing), and the Fare going is 1s., the Carriage shall wait ten minutes without any charge for waiting; when 1s. 6d., fifteen minutes; when 2s. and upwards, twenty minutes. If the Carriage be detained longer, a charge will be allowed for waiting, at the rate of 6d. for every twenty minutes, or part thereof, commencing at the periods when the free waiting expires.

8th, When a Carriage is called but not used, a charge of 6d. shall be allowed, if the place to which it is called be under half a mile from the Stance, and a Shilling if beyond that.—Waiting as in section seventh.

(II.) FARES BY TIME.

It shall be in the option of the Hirer to employ a Carriage within the bounds of Police by time, for *bonâ fide* SHOPPING, MAKING CALLS, and the like, where the driving is not continuous. The charge in such cases shall be 1s. for the first half hour, and 6d. for every additional quarter of an hour.

For an Airing into the Country within five miles from the General Post-Office, and returning either by the same or a different road, the rate shall be Sixpence for every ten minutes. A drive round the Queen's Drive to be considered an Airing. Unless the Hirer wishes a slower rate, the rate of driving when out an Airing shall be at least six miles an hour. If the Airing go beyond five miles, the duty to be paid in addition.

(III.) WHETHER THE FARES ARE BY DISTANCE OR BY TIME,—

1st, The Hirer pays Tolls.

2d, If there be more than four grown persons driven, a charge of 6d. extra shall be made for each additional grown person, and a charge of 6d. for each two children above six years of age. No additional charge for one child above six or children under six.

3d, For Luggage exceeding 70 lbs. in weight there shall be a charge of 6d. extra. But there shall be no charge for Luggage under that weight. The Driver shall assist in loading and unloading in all cases when required.

4th, From Eleven at Night till Eight Morning, Fare and a half.

5th, The above Fares for One-Horse Carriages. The Fares for Two-Horse Carriages shall be one-third more.

6th, Owners or Drivers may agree to drive at lower Fares than those fixed. In that case, should they demand more than the Fare agreed on, they shall be liable as for an overcharge.

(IV.) FARES MAY BE WITHHELD.

Any Party shall be entitled to withhold payment of the Fare,—

1st, When the Name and Number are not painted outside, or when there is no card or plate inside, in terms of Article Second of these Bye-Laws.

2d, When the Reference-Ticket is not offered on entrance.

3d, When the Bye-Laws, Table of Fares, and Driver's Licence are not shewn on demand; and,

4th, When an overcharge is made.

PROPERTY LEFT.

10. All Property left in Carriages shall be immediately returned to the owner if known, or if not known, shall within 24 hours be delivered to the Depute City Clerk at the Council Chambers, and the Driver shall be rewarded in such cases as the Magistrates may direct.

REDRESS.

11. Parties contravening these Bye-Laws are liable for each contravention in a penalty not exceeding Forty Shillings, or to withdrawal or suspension of the Licences, in a prosecution before the Magistrates; and Parties aggrieved will obtain Redress on application to the Procurator-Fiscal at the City Chambers, within eight days after the date of the offence.

Note.—Attention is specially directed to the 237th Section of the Police Act, which imposes a Penalty not exceeding 10s. on any person who refuses to pay the Regular Fare on demand.

LIFE DEPARTMENT.

THE RATES OF PREMIUM UNDER THE NON-PARTICIPATING SCALE OF THIS COMPANY, ENABLE A PARTY AGED 30 TO OPEN A POLICY FOR £1244, 9s. 9d., PAYABLE AT DEATH, FOR THE SAME PREMIUM THAT THE MUTUAL COMPANIES INSURE £1000, THUS GIVING AN IMMEDIATE BONUS OF £244, 9s. 9d.

The Participating Scale of Premiums gives the Assured a right to participate in the Profits to the extent of about 84 per cent, and on more favourable terms than Mutual Companies.

The result of these favourable circumstances being known and appreciated by the Public, has been that the Company issued during the year 1851-52 nearly twice as many Policies as were issued during the preceding year.

Example of Bonuses already Declared.

	Sums Insured.	Duration of Policies.	Bonuses Declared.
A.	£500	6 years	£37 10 0
B.	1000	7 "	87 10 0
C.	1500	8 "	150 0 0
D.	2000	9 "	225 0 0
E.	2500	10 "	312 10 0
F.	3000	11 "	412 10 0

No Extra Premium is charged for residence in Australia, Van Diemen's Land, Cape of Good Hope, or America north of 38 degrees north latitude.

The Expenses of Management (a most important item with some Companies) are not, as in Mutual Companies, wholly borne by the Insured, being allocated between the two Departments (Fire and Life) of the Company's business.

No Entry Money.

IMPORTANT NOTICE.

Parties effecting Assurances, under certain exceptions and conditions, may, on application, receive a Certificate declaring them exempt, after the expiry of five years from the date of the Assurance, from the payment of extra premium for travelling or residing beyond the limits of Europe; and all Policies may, on application, if the Directors see fit, either at entry or afterwards, be declared indisputable on any ground whatever, after the lapse of five years from their date; and the Assured may receive a Certificate or indorsement on their Policies to the above effect.

FIRE DEPARTMENT.

The Company insures Houses, Manufactories, Rents, Furniture, Goods, and Merchandise, Farming Stock, and Shipping in port or dock from Loss and Damage by Fire, upon liberal terms.

No charge is made for Policies when the sum insured amounts to £300, nor for Policies when the Insurance is transferred from other Companies.

THE following are the advantages given by this Company:—

The BENEFITS of MUTUAL ASSURANCE, without liability.

The Guarantee of a responsible body of Proprietors either personally or otherwise assured with the Office, affords the most undoubted security to all classes of Assurers.

NINE-TENTHS of the WHOLE PROFITS septennially divisible among the Assured.

This is a larger proportion than can ever be divided by any simple Mutual Assurance Society.

[Continued.]

[Edinburgh Life Assurance Company—continued.]

AN INTERMEDIATE BONUS paid on Policies becoming Claims between one investigation and another.

All the advantage of an Annual Division is thus given, without its attendant evils.

THE MOST EQUITABLE PRINCIPLE OF DIVISION.

The greatest benefits are thereby bestowed upon the oldest Policies, thus securing that first class Lives shall not suffer by any undue Bonus being paid away to those who may die early.

RATES OF PREMIUM EXTREMELY MODERATE.

The Non-Participation scale is equivalent to a present Bonus of considerable amount, when compared with most other Offices.

ASSURANCES effected in any way that the interest of parties may require.

The Company transact for the purchase and sale of Annuities, present and contingent Reversions, &c.

No Entry-Money or other Charge beyond the Policy Stamp.

CLAIMS PAID THREE MONTHS AFTER PROOF.

The Benefits of the Participation Plan of Insurance are exhibited in the following examples of

Bonus Additions to Policies effected with this Company.

IN addition to the advantages hitherto offered by this Institution, the Directors have recently obtained the sanction of the General Court of Members to the adoption of one or two new points of practice, which they trust will be found conducive to the general interests of the Society.

In particular, it may be stated that, under the powers now held by them, they are authorised,

- 1st, To grant (under certain conditions and provisions) Certificates declaring Policies unchallengeable on any ground whatever, except the non-payment of Premium.
- 2d, To allow the Vested Bonus Additions attaching to Policies to be applied towards Reduction either of the whole Future Premiums under the same, or of such Premiums only as may be payable previous to the next succeeding period of Investigation—the temporary relief in the latter case being of course, in most instances, to a much larger extent.

A Copy of the Report of the last Annual Meeting, shewing the results ascertained at the recent Septennial Investigation into the Society's Affairs, may be obtained on application at the Society's Office, or at any of the Agencies.

The extent of Bonus Additions previously declared may be exemplified by the following Table of one or two cases of Emerged Policies.

DIVISION OF PROFITS.

Examples of the Application of the Bonus as at 15th November 1850.

The Profits of the Company are ascertained every Five Years, and Additions, by way of Bonus, have been made to the Policies at four periods,—1835, 1840, 1845, 1850.

I. ADDITIONS TO THE SUM ASSURED.

Date of Policy.	Sum in Policy.	Bonus Additions.	Together.	Date of Policy.	Sum in Policy.	Bonus Additions.	Together.

II. SURRENDER OF BONUS FOR VALUE IN CASH.

According to this method, if the person assured does not wish the sum in his Policy increased, he may surrender the Bonus, and take its value in cash; that is, instead of the amount being paid with the sum assured at death, such a sum will now be given as the Directors may consider equivalent to it in present value.

In the case of the Policy of £1000 opened before 15th November 1825, for instance, as quoted above, assuming the party to have assured at the age of 35, and to be now 60 last birthday, the sum of £463, 7s. 9d. would be given for a surrender of the Bonus of £873, while the Policy will continue to receive its share of profits, at future investigations, as if the surrender had not taken place.

III. APPLICATION OF THE BONUS TO THE EXTINCTION OF ANNUAL CONTRIBUTIONS.

A person, aged 45, who assured in 1830 for £1000, has received Bonus Additions to the extent of £633. He pays a premium of £37, 7s. 6d., but wishes to apply the Bonus in extinction of the Annual Payment. His age being 65 last birthday, he can redeem his future Premiums by surrendering £578, 14s. 9d. of his Bonus, leaving £54, 5s. 3d. to be paid along with the sum assured at death, and will receive further additions at each Investigation he may survive.

SELECT ASSURANCES.

The Public are indebted to this Company for the introduction of new and important benefits in the practice of Life Assurance. A Standard Policy which has existed for Five Years is admissible to a class of "SELECT ASSURANCES;" and in that class all Policies are unchallengeable on any ground of objection whatever. The Directors have also made provision, in connection with that class, for relieving the Assured who have no prospect of going abroad, from the usual irksome restrictions as to Residence beyond the limits of Europe. Persons lending money on the security of Policies, Marriage Trustees, and, in short, all who rely on the security afforded by Life Assurance, cannot fail to appreciate these new and important advantages.

A full Report on the late Investigation of the Company's affairs and Division of Profits can be obtained by application at the Offices or Agencies of the Company.

THE COLONIAL LIFE ASSURANCE COMPANY has been established for the purpose of afford-
ing to the Colonies of Great Britain the advantages of Life Assurance, and its Regulations have
been so framed as to attain that object in the most efficient manner, under the most liberal covenants.
The progress of the business has been attended with complete success.

From the wide basis of its constitution, and the extent of its resources, the Company affords
advantages which no local institution can confer, and it has good ground for asking public preference
and support over other British Offices doing business in the Colonies, not only with reference to the
facilities which it affords by receiving Premiums and paying Claims in any British Colony where its
policy-holders may reside, but on the ground, that in seeking business out of Great Britain it does so
not as an after-thought, its Colonial Arrangements not being mere extensions of or additions to a
home business, but as part of its original scheme and intention.

The Profits of the Company for the period from 1846 to 1854 fall to be divided as at 25th May
1854, and parties who assure during the present year will participate.

Every information as to the Company, and its Terms and Conditions for Assurance, can be had
on application at any of the Branch Offices or Agencies of the Company at home or abroad.

- III. AT THE END OF FIVE YEARS *from the date of a Policy, liberty to reside in any quarter of the world without payment of Extra Premium, on the Assured shewing, at taking out the Policy, that they have no prospect then of going abroad.*
- IV. AT THE END OF FIVE YEARS *from their date, the Company's Policies are indisputable on any ground whatever, so that the Policy will not be vitiated by any error or mis-statement in the declaration by the Assured, and the sum in the Policy will be paid without reference to the place where, or the circumstances under which, the Assured may have died.*
- V. *When a Policy falls, by non-payment of the Premium, from oversight or other cause, no advantage is taken thereof to deprive the holder of the Policy of its full surrender value; and special notice is given that the same will be paid on application within Three Months. Life Assurance.

This COMPANY offers to Insurers the most important advantages:—The Security of a large Subscribed Capital—moderate rates of Premium, especially for young lives—a participation in the Profits of the Life business ascertained quinquennially—and the option of having the Bonus added to the original sum in the Policy, or applied to reduce the future annual payments.

The BOARD, with a view to giving increased facilities in the transaction of Life Business, have constructed a great variety of Tables by which Assurances may be arranged:—Non-participating Tables at reduced rates of Premium—Tables with gradually increasing or decreasing rates of Premium—Tables subject to a limited number of annual payments, future payments ceasing at a fixed period—Tables for Endowment Assurances, securing a sum payable to the Assured himself on attaining a certain age, or to his heirs should he die previous to attaining that age.

It may be observed, that no Entrance Fees are charged, and the Assured may proceed to any part of Europe without extra Premium.

Loans also are made up to the value of the Policy, on its simple deposit with the Company, and without expense to the borrower.

THE Assured in this Society enjoy *during their own lives* the Surplus or Profits arising on the business. The divisible Surplus is ascertained *every year*, and is paid over *in money* to the Assured at the settlement of their next Annual Premiums. By this system, Life Assurances are obtained at the *lowest expense* consistent with security.

In 1845, 1846, and 1847, the surplus thus repaid to the members amounted to 30 per cent of their Premiums, that is, 6s. per £1. They were, therefore, required to pay only 14s. per £1 of their Premiums in each of these years. In 1848, 1849, 1850, 1851, and 1852, the surplus repaid amounted to 35 per cent of the Premiums, that is, 7s. per £1; and the members had, therefore, to pay only 13s. per £1 in these years. For example:—

A member whose Annual Premium is £10, has, this year, paid only £6, 5s.; and another member whose annual Premium is £25, has paid only £16, 5s.

The following are specimens of the Premiums payable in the present year by members whose Policies had existed for five years at the date of the last Division of Profits.

Age at Entry.	Policies of £100.	Policies of £500.	Policies of £1000.	Policies of £5000.
	£ s. d.	£ s. d.	£ s. d.	£ s. d.

30	1 11 7	7 17 11	15 15 10	78 19 2
40	2 2 4	10 11 8	21 3 4	105 16 8

*** This mode of dividing the Surplus or Profits has been adopted by no other Assurance Office in Scotland.*

Under Policies of £500 and upwards, only *one-half* of the Premiums for the first six years need be paid; the remaining half being deductible from the sum assured at death, if not paid previously, and bearing interest payable annually, in advance. The outlay for a Policy, say of £1000, may be thus reduced to scarcely more than for a Policy of £500; and yet the whole £1000 will be paid at death, only under deduction of the trifling amount of Half-Premiums unpaid.

During the last three years alone, upwards of Three Thousand individuals have joined the Institution—assuring their lives for sums varying from £100 to £5000.

The Society have Agents in most of the towns in England and Scotland.

Prospectuses will be sent, post-paid, to any part of the kingdom; and parties residing in districts where there are no Agents of the Society may readily effect Assurances by communicating with the Office at Edinburgh or London.

PERCY M. DOVE, *Actuary.*

Extract from J. H. Hartnoll's Letter to the President of the Board of Trade.

"The success of the Royal Insurance Company has been very remarkable. It was shewn in the *Post Magazine* of the 25th August 1848, as the returns themselves will now serve to exhibit, that the profits on the business of the office for the preceding four years had amounted to the enormous sum of £108,641; 'affording a disposable surplus of £100,000, after payment of all charges for management, and apportioning five per cent as a dividend on the previously paid-up capital.' The Directors very wisely recommended that, instead of withdrawing this sum for the purpose of distributing it among the proprietors, in the form of cash bonus, the sum of £89,280 should be taken from

Royal Insurance Company—continued.

the accumulated fund, and added to the permanent paid-up capital of £178,560, which was thus raised to £267,840. I fear that the comments which have been made from time to time in the *Post Magazine* on the success of the Royal Insurance Company have had the mischievous effect of creating a desire in many of the new *Life Offices* to 'try their luck' in the *Fire* line. Several engraftments of the kind have already been made, others are announced, and more are privately talked of. The results that are exhibited in most of the preceding summaries of accounts are not, however, very encouraging for such experiments. It is as hazardous to enter upon a '*Little Fire Insurance business*' as the good old Duke used to say it was to enter upon a '*Little war*.'"

Extract from the "Edinburgh Evening Post."

"With regard to the results of the last year, as traceable in the report read at the last annual meeting of the Royal Insurance Company, we find that the premiums amounted to £49,110, 17s. 5d., exceeding those of the previous year by £5000. That is in the fire department alone; and in the life branch the premiums on new policies received during the first six months of 1852 were greater in amount by upwards of 10 per cent than the whole number of new premiums for the entire twelve months included in the last report. The fact that assurances effected during 1852 would participate in the division of profits of 1854 has, we have no doubt, added greatly to the number assured and the amount of premiums since the above report was issued last year.

* * * * *

"This statement of the actual results of the Company's operations, unprecedented in the history of these societies, and the high position it has attained in the scale of comparison with similar incorporations, constitutes the most effectual test and demonstration of its claims on the confidence of assurers."

A NEW SCALE OF PREMIUMS on Insurances for the whole term of life has recently been adopted, by which a material reduction has been made at all ages below 50 years.

FOUR-FIFTHS, or 80 per cent of the Profits, are assigned to Policies *every fifth year*, and may be applied to increase the sum insured; to an immediate payment in cash; or to the reduction and ultimate extinction of future Premiums.

ONE-THIRD of the Premium on Insurances of £500 and upwards, for the whole term of life, may remain as a debt upon the Policy, to be paid off at convenience; by which means £1500 may be insured for the present outlay otherwise required for £1000.

SECURITY.—Those who effect Insurances with this Company are protected by its large Subscribed Capital from the risk incurred by Members of Mutual Societies.

INSURANCES without participation in Profits may be effected at reduced rates.

Prospectuses and further information may be had at the Chief Office, as above; at the Branch Office, No. 16 Pall Mall, or of the Agents in Town and Country.

LIFE DEPARTMENT.

THE following advantages are offered by this Company:—

I. SECURITY.

It is possessed of a very large Subscribed Capital, divided among a numerous body of Proprietors, and thus the absolute security so essential to a Life Assurance Society is afforded in its most substantial form.

II. PREMIUMS.

The Rates of Premium have been calculated expressly for it, and will bear a fair comparison with those of other Companies. NO ENTRY-MONEY IS CHARGED. Parties may assure either a specific sum, payable at death, on payment of a reduced rate of premium; or, on payment of an increased rate, they may participate in the Profit Scheme of the Company.

III. DISTRIBUTION OF PROFITS.

TWO-THIRDS of the Profits arising on the Participating Class of Policies, *without being subject to any charges for Management*, are divided EVERY FIVE YEARS among those entitled to participate, on the MOST EQUITABLE PRINCIPLE, viz., in the proportion each party has contributed to the Fund.

The following Table shews the Additions made to Policies of £1000 which have been in existence Seventeen complete years, from 1st August 1834:—

Age when Assured under.	Additions.			Total Sum Payable in case of Death.		
	£	s.	d.	£	s.	d.
30	250	1	6	1250	1	6
35	254	2	6	1254	2	6
40	259	6	11	1259	6	11
45	267	11	10	1267	11	10
50	281	12	7	1281	12	7

Thus averaging upwards of one and a half per cent per annum on Policies which have been in existence from the commencement of the Profit Scheme in 1834, a period of Seventeen years.

The Bonus may be applied, at the option of the Assured, in any of the following ways:—

- I. It may be added to the Sum Assured; or,
- II. Applied in Reduction of Future Premiums; or,
- III. Surrendered for its Present Value in Cash.

Liberal Sums allowed for the Surrender of Policies after Three Premiums have been paid.

Assurances may be effected on the Increasing or Decreasing Scale of Premiums, and upon Joint Lives and Survivorships.

Assurances without Participating in the Profits on a Reduced Scale of Premiums.

FIRE DEPARTMENT.

This Company Insures almost all kinds of property against accidents arising from Fire, at rates commensurate with the risk.

THE SCOTTISH EQUITABLE LIFE ASSURANCE SOCIETY is an Institution peculiarly adapted to afford provisions for families. It is a purely Mutual Assurance Society. The whole Profits are allocated every THREE YEARS amongst Policies of five years' duration. No part is, as in the case of a Proprietary Company, diverted from those who are Assured, and paid away to Shareholders; and the additions which have already been made to Policies, afford the clearest evidence of the prosperity of the Institution, and the great advantages derived by its members.

THE SCOTTISH PROVIDENT INSTITUTION is the only Office which combines the advantage of participation in the Whole Profits with moderate Premiums. It is a Mutual Assurance Society, in which the Whole Profits belong to the Policy-holders; and it is free from the objection of excessive Premiums, which is urged by the Proprietary Companies against other Mutual Societies.

The Premiums are as low as those of the *non-participating* scale of the Proprietary Companies. They admit of being so, not only with safety, but with ample reversion of Profits to the Policy-holders—being free from the burden of payment of dividends to Shareholders.

The principle on which the Profits are divided is at once safe, equitable, and favourable to good lives—the Surplus being reserved for those members who alone can have made surplus payments; in other words, for those whose Premiums, with accumulated Interest, amount to the sums in their Policies. This principle, while it, on the one hand, avoids the anomaly of giving additions to those Policies which become claims in their earlier years, secures, on the other hand, that there is no member who has not been, in a pecuniary sense, a gainer by the transaction, who does not receive a share of the Profits.

The practical working of the system has been, that at the first Division of Surplus—fifteen and a half years after the commencement—Bonus Additions have been made to the Policies which have come within the Participating Class,

Varying from 20 to 54 per Cent on the Sums Assured.

In all points of practice—as in provision for the indefeasibility of Policies, facility of licence for travelling or residence abroad, and of obtaining advances on the value of the Policies—the regulations of the Society, as well as the administration, are as liberal as is consistent with right principle.

ANNUAL PREMIUM TO ASSURE £100 AT DEATH.

Age 25	30	35	40	45	50
£1 18 0	£2 1 6	£2 6 10	£2 14 9	£3 5 9	£4 1 7

It will be seen, on comparison, that the same Premium which, at age 30, for example, is charged in the other Scottish Mutual Offices for Assurance of £1000, will secure, in this Society, a Policy for £1230. And it is to be borne in mind that the higher immediate Assurance in this Office does not involve the sacrifice of the member's interest in the Profits, or any portion of it.

This advantageous comparison holds good, to nearly the same extent, with the *participating* scale of the Proprietary Companies.

Copies of the recent Annual Report, detailing the First Investigation and Division of Profits, Forms of Proposal, and every information, may be had on application.

Life Assurance.

THIS Institution, which combines every advantage of a Scotch and English Office, while it hopes to receive the *especial Patronage of Episcopalsians*, rests its claims to the support of the *Public generally* on the sound and equitable principles of its scheme.

It combines the MUTUAL or Participating, with the PROPRIETARY or Non-Participating System of Assurance.

In the former, the Assured are entitled to FOUR-FIFTHS of the Accumulated Profits. In the latter, they are charged the lowest Rates of Premium consistent with security to the Establishment.

In both branches the Policy-holders are fully protected by the large Proprietary Capital of the Company, subscribed by a numerous and influential body of Shareholders.

The remarkable success of the Institution will be evident from the result of the last Division of Profits, when a BONUS of FIFTY-SIX per Cent on the Premiums paid was declared—or an equivalent Reduction varying from TWENTY-FIVE to FORTY per Cent on the Premiums payable *during the ensuing five years*.

LOANS can be effected with this Company on Policies on the Mutual Scale, which have been Five Years in existence, to the extent of the Surrender Value, on the simple deposit of the Policy, without further security.

Fire Assurance.

Premiums of Assurance against Fire are charged at the usual moderate rates, with a Reduction of L.10 per Cent on the Residences and Furniture of Clergymen of *all denominations*, and the Buildings and contents of Churches and Church Schools.

Detailed Prospectuses, the necessary Forms of Proposal, and every requisite information as to the mode of effecting Assurances, may be obtained either by letter or personal application at the Branch Office of the Institution, 55 Great King Street, Edinburgh.

THIS Society transacts every variety of business dependent on the contingencies of Life on the most equitable and liberal scale, the Withdrawal Table affording most important advantages to the Assured.

The leading principles and advantages of the Society are the following:—

A Life Assurance effected either by one Payment, or by an Annual Premium.

The Assured on the Withdrawal Table may at any time obtain an advance of one-half of all Premiums previously paid, by simple endorsement, without Deposit of Policy; or the Assured may retain one-half of the Premiums at Interest, for the whole period of Assurance.

Policies effected at reduced rates, without the privilege of withdrawing one-half of the Annual Payments; Assurances effected on the Life of another, on Joint Lives, or Survivorships.

Two-thirds of the Profits after Five Years divided **annually** amongst those Assured for Life on the Withdrawal and Participating Scales of the Society.

Annuities, Immediate, Deferred, or Contingent, granted; also Endowments for Children.

Naval and Military Men, not in Active Foreign Service, assured without extra charge, and liberty to go abroad, on payment of moderate rates of Extra Premium.

Notices of Assignment of Policies Registered and Acknowledged, so as to make them available in the hands of third parties.

Lapsed Policies may be renewed without fine, on proof of health, and payment of Arrears of Premium, without interest.

No Entrance-Fees, or other Charges beyond Policy Stamp.
