The extensive practical experience of our Mr. W. R. M. Thomson as a mechanical engineer, since 1833, and as a patent agent since 1849, has given him the most intimate knowledge of all the important patented inventions connected with textile manufactures, and machinery of every description. He can, therefore, give most reliable opinions or advice upon the novelty or validity of patentable or patented inventions, and upon all questions of infringement. - See Adv.
