## PREFACE.

*The want of a suitable DIRECTORY for such an important town as Stirling has long been felt, not only by those engaged in business in the town itself, but by persons living at a distance, and others who visit the neighbourhood occasionally. It is hoped that this little Work will be found useful in supplying this necessity, and afford a ready reference to all who may have occasion to consult it.*

*Considerable pains have been taken to furnish correct lists under the several divisions; and the Publishers will feel much obliged by being made aware of any changes or alterations that may take place, and which may be reckoned necessary to be noted for correction in future yearly editions.*

## CALLANDER.

### DREADNOUGHT HOTEL.

D. M'GOWAN, Proprietor.

THIS large and commodious Hotel, so long conducted by the late Mr. M'Gregor, and which has recently undergone extensive alterations and improvements, is beautifully situated at the west end of the village, and commands a magnificent view of the Vale of the Teith, Ben Ledi, and surrounding district, and is within a short distance of the Roman Camp, the Falls of Bracklin, Loch Vennacher, Loch Lubnaig, the Pass Leny, of Ben Ledi, &c., &c.

Tourists will find Callander very central for visiting those places mentioned in Sir Walter Scott's "Lady of the Lake," viz., the Lake of Menteith, Clachan of Aberfoyle, Lochard, the Trossachs, Loch Achray, Loch Katrine, Strathyre, Clachan of Balquhidder (where Rob Roy M'Gregor is buried), Loch Voil, Lochearnhead, &c., &c.

On and after first May, and during the season, stage Coaches in connection with this Hotel and Mr. Blair's Hotel at the Trossachs, run several times each day to suit the arrival and departure of Trains at Callander and Steamer on Loch Katrine. On and after the first June, and during the season, the QUEEN OF BEAUTY Stage Coach starts from the Hotel for Lochearnhead, Killin, Kenmore, and Aberfeldy, every lawful morning at 10 o'clock.

Omnibuses run to and from each Train.—Posting in all its Branches.—Letters for Carriages, Coach Seats, or Hotel Accommodation, carefully attended to. Lake and River Fishing to be had in the immediate neighbourhood.

Table de Hotè at 3 P.M.

J. S. invites special attention to his Patent W. C., the best in the market, and which has given great satisfaction during the six years it has been in use, and may be seen on the premises. Action, simple and efficient, with durability and non-liability to derangement; and is so constructed that no impurity is allowed to remain, and no bad smell generated. It may be supplied with or without a Cistern, and will work equally with high or low pressure. The W. C. is so simple in its construction that it may, in a few minutes, be made equal to new, without removing it from its situation; and when fitted up by J. S., is kept in repair for two years free of charge, and then left in as good condition as when first put up.
