The Life Funds, exceeding £330,000, are set apart by Deed of Settlement and Act of Parliament for the exclusive Security of Life Policy Holders, who possess in addition the Security of the General Assets of the Company, exceeding £750,000, and of the uncalled but fully-subscribed Capital of £2,250,000.

The Expenses of Management are limited by Deed of Settlement to a small per centage on the Premium Income.

The Second Valuation was made on the 31st December, 1872, and while no provision was omitted to make the Reserve as strong as possible, the resulting Bonus was very satisfactory. The Actuary's Report can be obtained on application.

PREMIUMS, 1875 ..... £255,259.

The importance of Life Insurance and the variety of purposes to which it may advantageously be applied, it is scarcely possible to overstate. Indeed, it is universally admitted to be an obligation, in very many cases amounting to a duty, that observation to urge it upon the attention of the public seems needless here.

The Directors invite attention to the following Advantages afforded by this Company to persons taking out Policies on the lives of themselves and others:—

PREMIUMS on plans adapted to the various wants of the public.

No charge for Stamps on Policies.

SURRENDERS of Policies favourably dealt with.

THIRTY DAYS allowed for the Renewal of Yearly Policies.

CLAIMS payable in one Month after admission, but, if wished, freely discounted in ordinary cases.

ANNUITIES, present and deferred at liberal rates.

ENDOWMENTS of Children and Adults: the rates of Premium are on a moderate scale.

Rates may be had on Application.

The Directors of the SCOTTISH IMPERIAL INSURANCE COMPANY, considering it their first duty to provide for the utmost safety of the Policy-holders, have, by means of the combination of Fire and Life Business under one management, been enabled to reduce the total expenses (including Commission) in the Life Department to a rate at which few offices are able to conduct the Business. The natural result must be to increase the surplus profits to an unusual extent; and while this feature affords the best guarantee of permanent security to all assurers, it is a special advantage to holders of "with profit" policies, who receive nine-tenths of the Profits, both on the participation and non-participation schemes.

This Company having been established upwards of sixty-five years, ample time has elapsed to prove the soundness of the principles on which it has been conducted. During that period its operations have attained great magnitude, and it has enjoyed much prosperity.

*Atlas Assurance—Continued***LIFE DEPARTMENT.**

The Accumulated Premiums amount to more than £1,650,000. The Annual Income exceeds £170,000.

Bonuses have been declared on some Policies to an amount greater than the sum originally assured.

Premiums have been extinguished where the parties assured have applied the Bonus in reduction of the Annual Premium.

The total Surplus divided amongst the assured up to the present time amounts to more than one million and a-half in actual money, and is represented by a still larger reversionary sum payable at death.

The sum of over £5,742,140 has been paid during the existence of the Office for Claims under Life Policies, of which amount a very considerable part was for Bonuses.

Persons Assuring in Great Britain have the option of Participating Rates of Premium or of Non-Participating Rates.

The Rates of Premium have been adjusted in accordance with a long experience, and bear equitably on all ages.

The Non-Participating Scale is particularly adapted to parties wishing to assure a fixed sum only, at a fixed rate of Premium, and on low terms.

Combined Provision may be made for Old Age and early Death, so that a person may secure a sum of money for himself, to be paid at a stipulated age, if he should live so long, or to be paid to his Executors if he should die before that age. This feature of the ATLAS OFFICE arrangements deserves particular attention, as likely to meet the requirements of a large number of persons.

The Directors are ready to receive Proposals for Assurances on any contingency involving payment of a sum at death.

**FIRE DEPARTMENT.**

This Company undertakes the Assurance of almost every species of Property in the United Kingdom, at rates of Premium, and upon principles which will be found quite as advantageous to the interests of the Assured as those offered by any other.

The great advantage of an Assurance against Fire to individuals of every class can be confirmed by the fact that this company, while it is annually assuring Property amounting in value to more than £30,963,325, has paid for Losses to the Assured within the United Kingdom, since its institution in 1808, upwards of £2,232,139 sterling.

No charge for Policies or Stamps.

Tables of Rates, Forms of Proposals, and any information needful to effect Life or Fire Assurances, may be obtained on application to the Office, No. 92 Cheapside, or to any of the Company's Agents.

### LIBERAL CONDITIONS.

THE SPECIAL BONUS SYSTEM is peculiarly favourable to good lives, many instances having occurred in which additions to Policies have exceeded 100 per cent. on the sums originally assured.

THE NON-FORFEITURE SCHEME of this Office—now extended to all ordinary Policies—entirely obviates loss to the Assured who decide on ceasing to continue payment of Premiums *at any time*.
