2. The Rates of Postage for Parcels addressed to any part of the United Kingdom are:—

For example—A Parcel measuring 3 ft. 6 in. in length may measure as much as 2 ft. 6 in. in girth. A shorter Parcel may be thicker; thus, if it measure no more than 3 ft. in length, it may measure as much as 3 ft. in girth—*i.e.* round its thickest part.

4. The full postage must be *prepaid*, by means of ordinary postage stamps, which must be affixed by the sender.

5. Parcels must not be posted in a letter-box, but must be handed over the counter of a Post Office to the proper officer, by whom the size, weight, and postage of each parcel will be tested before it is accepted. Any packet or parcel marked "Parcel Post," and posted contrary to this regulation, will, unless admissible and fully prepaid at the letter or book post rate, be charged on delivery with a fine of 1d. in addition to any deficient postage at the parcel rate.

Prohibited Parcels.

6. Parcels bearing or containing writing or marks of an offensive or indecent character; or containing gunpowder, cartridges, lucifer matches, or other combustible material, live animals, offensive or filthy matter, or any substance likely to cause injury to other parcels, or to the Officers of the Post Office, may not be sent through the post.

7. Parcels may not contain any letter or packet intended for delivery at an address other than that borne by the parcel itself.

Parcels requiring Special Precautions.

8. Parcels containing ripe fruit or eggs, fish, meat, or other animal matter; or knives and other sharp instruments; can only be sent if so packed as to prevent all risk of injury to other parcels. Liquid matter must be sent in bottles, cases, or cans securely stoppered, and bottles and other glass articles must be so packed as to be secure from breakage.

Parcels addressed to a Post Office to be called for.

9. Parcels may be addressed to and obtained at Post Offices under the same regulations generally, as letters.

10. Parcels addressed to a Post Office to be called for will be kept (unless containing perishable articles) for three weeks. After they have remained in the office one clear day, they will be charged 1d. a day for demurrage until called for.

*Regulations as to Inland Registration, and as to Compensation for the Loss or Damage of Inland Registered Postal Packets (including Parcels) and Inland Parcels.***COMPENSATION FOR THE LOSS OR DAMAGE OF INLAND PARCELS.**

1. The Postmaster General is not legally liable to make good any claim arising out of the conveyance of a parcel sent by post, but he will accept liability under certain conditions.

2. If the parcel is registered, compensation will be given under the rules and regulations contained in full under the heading of "Registration and Compensation."

3. If the parcel is not registered, the Postmaster General will accept liability up to £2, without payment of any fee beyond the postage, provided that—

(1.) The parcel is posted in the manner prescribed for the posting of parcels by the regulations for the time being, and the postage prepaid.

(2.) A certificate of posting is obtained from the officer receiving the parcel. This certificate must be filled up by the sender, and handed to the officer of the Post Office, who will sign and return it to him.

(3.) The contents of the parcel are securely packed, and enclosed in a reasonably strong case, wrapper, or cover, securely fastened, and of a nature calculated to preserve them from loss or damage in the post.

4. No compensation either for loss or damage will be given in respect of—

(1.) A parcel containing anything which, according to the regulations for the time being, may not be sent by the Inland Parcel Post.

(2.) A parcel containing money.

(3.) A parcel containing a watch or jewellery, unless registered by the sender.

5. No compensation will be given in respect of damage to—

- (1.) A parcel containing eggs, soft fruit, or any liquid or semi-liquid.
- (2.) A parcel containing any article of exceptionally fragile character, or any other article which, from its nature, cannot with reasonable safety be sent by post.
- (3.) A parcel containing any perishable article, where the damage arises from natural decay, and the parcel is delivered without undue delay.

But in all such cases compensation will be given in respect of the loss of the parcel, or of any article contained therein.

6. In other respects the general conditions and regulations contained in paragraphs 10 to 23 under the heading of "Registration and Compensation" apply also to compensation in the case of ordinary inland parcels.

7. The new system of compensation up to £2 for ordinary inland parcels does not apply to foreign and colonial parcels. The rules as regards compensation for loss or damage of these parcels, which are set forth on pages 376-77 of the Post Office Guide, remain unaltered.

INLAND REGISTRATION.

1. The fee for registering any Postal Packet (parcels included) passing by post between any two places in the United Kingdom is twopence, and this registration fee and the postage must be prepaid, by means of postage stamps upon the cover, except on official letters for Government Offices in London, Dublin, or Edinburgh, which may be registered on prepayment, in stamps, of the registration fee only.

2. No article addressed to initials or to a fictitious name can be registered, unless it be addressed to the care of a person or firm.

3. Every article presented for registration must be enclosed in a strong cover, securely fastened.

4. Every article to be registered must be given to an agent of the Post Office, and a receipt obtained for it; and it must on no account be dropped into a letter-box. If, contrary to this rule, an article marked "Registered" be dropped into a letter-box it will, *if directed to any place in the United Kingdom*, be liable to a registration fee of 8d. (less any amount prepaid for registration), instead of the ordinary fee of 2d.

5. Every article presented for registration should be marked "Registered," and with the amount of the fee proper to the value up to which the sender desires to secure compensation, thus: "Registered, 2d.; Registered, 3d." (see regulations as to Registration and Compensation).

6. The latest time for posting registered articles on payment of the ordinary fee is usually half-an-hour before the closing of the letter-box, or, in the case of parcels, half-an-hour before the latest time for posting ordinary parcels; but at all Provincial Head Offices and at the Chief Offices in Edinburgh and Dublin, articles bearing a late fee of 4d., in addition to the ordinary registration fee, may be registered at any time within the half-hour referred to, if the office is open to the public.

7. When several postal packets are sent by the same person for registration, they should be accompanied with a list (in duplicate) of the addresses; one list to be retained at the Post Office, and the other, when signed to be returned to the bearer.

8. The loss of a registered article (as it can be traced through its whole course) is a rare occurrence. Nevertheless, large sums of money or other articles of great value should not be sent through the post, even if registered; as the machinery of the Department is not arranged with a view to such transmission. If sent *unregistered*, valuable articles are exposed to risk; consequently, inland postal packets which contain coin, watches, or jewellery, and also all inland postal packets on the cover of which the word "Registered," or any word or phrase to that effect, is written or impressed, if posted without registration, are subjected to compulsory registration, and are charged on delivery with a fee of eightpence in addition to the ordinary postage. If they cannot be registered in time to be forwarded by the mail for which they are posted, they are detained for the next despatch.

9. The compulsory registration referred to in paragraphs 4 and 8 gives no title to compensation (see regulations as to Registration and Compensation).

10. No Town Postman is allowed to take a postal packet to be registered; but Rural Postmen will take postal packets for registration on their outward and inward walks, whenever it is practicable for them to do so.

ACKNOWLEDGMENT OF DELIVERY OF REGISTERED POSTAL PACKETS.

11. The sender of an inland registered letter, parcel, or other registered postal packet, may obtain an acknowledgment of its due delivery to the addressee by paying in advance, at the time of posting, a fee of 2d in addition to the postage and registration fee. The sender must enter in the form provided for the purpose both his own name and address and the name and address of the person to whom the packet is sent, and he must also affix a stamp of the value of 2d. in payment of the fee.

12. If an application for this form is made at a small office at which the forms are not kept in stock, or to a Rural Postman, the fee of 2d. should be paid in money or stamps, and a memorandum furnished giving the name and address of the sender of the packet. The proper form will then be subsequently made out by an officer of the Department, and forwarded with the packet to its destination.

Registration and Compensation.

1. The Postmaster General will (not in consequence of any legal liability, but voluntarily, and as an act of grace), subject to the rules hereinafter mentioned, give compensation up to a maximum limit of £25 for the loss and damage of Inland Registered Postal Packets of all kinds upon prepayment of a fee in addition to the postage. This fee either consists of or includes in each case the ordinary registration fee of 2d.; and the scale of fees and the respective limits of compensation are as follow:—

Fee.	Limit of Compensation.	Fee.	Limit of Compensation.
2d. £5	9d. £70
3d. £10	10d. £80
4d. £20	11d. £90
5d. £30	1s. 0d. £100
6d. £40	1s. 1d. £110
7d. £50	1s. 2d. £120
8d. £60		

RULES.*Posting and Packing.*

2. The postal packet must be posted in accordance with the rules for the time being in force with respect to the posting of inland registered postal packets, and a certificate of posting, bearing thereon an acknowledgment that the fee for registration and compensation has been paid, must be obtained. This certificate will be filled up and signed by the officer of the post office receiving the postal packet.

3. The contents of the postal packet must be securely packed and enclosed in a reasonably strong case, wrapper, or cover, securely fastened, and of a nature calculated to preserve the contents from loss or damage in the post, and if it be desired to secure compensation for damage to a postal packet (other than a parcel), such postal packet must bear the words, "Fragile, with Care." These words should appear on the face of the cover above the address.

4. The packet must be marked "Registered," and with the amount of the fee proper to the value up to which the sender desires to secure compensation, thus:—

Registered, 2d.; Registered, 3d.; and so on.

5. The registered Parcel Post will be available for watches and jewellery, which it has hitherto been necessary to exclude from compensation if sent by the Parcel Post. Money may also be sent in a registered parcel, but no compensation will be given in respect of the loss or damage of such parcel or of any of its contents.

Book Postage.

Printed Books, Pamphlets, Magazines, Reviews, &c., whether British, Foreign, or Colonial, may be forwarded by post between places in the United Kingdom (made up in the same manner as newspapers), if prepaid in stamps, at the following rates:—

Under 2 oz., $\frac{3}{4}$ d.; under 4 oz., 1d.; under 8 oz., 2d.; and $\frac{3}{4}$ d. for every additional 2 oz. No parcel to exceed 18 inches any way, but may contain any number of separate Books, Maps, or Prints, and any quantity of Paper, Vellum, or Parchment, and may be either printed, written, or plain.

Books, if prepaid in stamps, are also forwarded by packet, if unwritten on inside or in the cover, at the rate of $\frac{3}{4}$ d. for every 2 oz., to Canada, United States of America, and the Continent.
