INLAND POSTAGE REGULATIONS.

Letter Postage.

The rate of postage on all inland letters is regulated by weight, irrespective of distance, and (with the exceptions afterwards mentioned) is as follows, *if paid in advance*:—

Letter weighing not more than $\frac{1}{2}$ oz.	1d
“ “ more than $\frac{1}{2}$ oz., but not exceeding 1 oz.	2d
“ “ more than 1 oz., “ “ “ 2 oz.	4d
“ “ more than 2 oz., “ “ “ 3 oz.	6d

and so on, twopence being charged for every additional ounce.

As a general rule, the postage, if not paid in advance, is double the foregoing; and, if the payment in advance be insufficient, double the deficiency is charged.

There is no limit to the weight of paid letters, but unpaid letters must not exceed 4 oz., and no inland letters or packets must exceed 24 inches in length, breadth, or depth. The only *exceptions* to these regulations are in the case of—**1.** Addresses to Her Majesty—**2.** Petitions to either Houses of Parliament, forwarded to any Member of such House without cover, or in covers open at the ends—**3.** Printed votes or proceedings of Parliament—**4.** Letters or packets to or from public departments or public officers in her Majesty's Service—**5.** Letters, &c., to or from certain places abroad.

If the Stamps affixed to letters are mutilated or defaced, the letters will be liable to the unpaid rate.

A Stamp which has been cut from an envelope and affixed to a letter, entitles it to pass free of charge.

Re-directed Letters are charged an additional postage for each re-direction according to the Prepaid Scale.

When the value of Stamps on a letter is less than the amount of the postage to which it is liable, the letter will be charged double the amount of such difference on delivery, but letters exceeding in weight four ounces, on which three quarters at least of the postage is not prepaid, will be charged with *double* the amount of the *difference between the stamps affixed* and the prepaid rates, and be either detained and opened, and returned to the sender, or forwarded at the option of the Postmaster General.

All persons sending letters by the Post unpaid, which, from any cause whatever, cannot be delivered to the parties to whom they are addressed, are liable to pay the postage charged thereon, which may be recovered, with costs, by summary proceedings before a magistrate.

By the 1st Victoria, cap. 36, sec. 2, any person illegally conveying Letters, incurs a penalty of £5 for every offence, and £100 for every week the practice is continued. The sender also incurs a penalty of £5 for every offence, with full costs of suit.

Periodical Publications, including Newspapers.

Periodical Publications, including Newspapers, published in the United Kingdom, at intervals not exceeding thirty-one days, and which bear an impressed stamp or stamps denoting the stamp duty (of the kind formerly confined chiefly to Newspapers) may be transmitted or re-transmitted through the post within the United Kingdom free from postage, under the following regulations, viz.:—

They are subject to the same restrictions, with regard to the number of sheets and superficial extent, as were lately applicable only to Newspapers, properly so called. These restrictions are shown in the following table:—

Amount of Stamps impressed on the Publication.	Maximum Number of Sheets.	Maximum Superficial Extent of Letterpress on one side.
One Penny.....	Two	2,295 inches.
Three Halfpence.....	Three	3,443 "
Twopence.....	Four	4,591 "

The impressed stamp on each publication must be at least of the value of one penny.

The title and date must be printed at the top of every page.

The publication must be folded so that the whole of the stamp or stamps denoting the full duty, shall be exposed to view; and when, in the same cover there are more than two, it will be sufficient if they are so arranged as readily to admit of examination.

The publication must not be printed on pasteboard or cardboard, or on two or more thicknesses of paper pasted together, nor must any pasteboard, card board, or such pasted paper be sent with it as a back or cover thereto, or otherwise.

It must be posted within fifteen days from the date of publication.

It must either have no cover, or a cover open at the ends.

It must contain no enclosure.

No mark or writing is allowed but the name and address of the person to whom it is sent, nor anything on the cover but such name and address, the printed title of the publication, and printed name and address of the publisher or vendor who sends it.

If addressed to any one within the free delivery of the place where it is posted, a postage stamp—1d.—must be affixed, otherwise it will be charged 2d. on delivery.

Unstamped publications, or stamped publications, which have been issued more than fifteen days, can be forwarded within the United Kingdom, and to the Colonies, under the regulations of the Book Post.

Newspapers and other Periodicals, published in the Islands of Guernsey, Jersey, Alderney, Sark, Isle of Man, will be subject to the same regulations as those which are published in other parts of the United Kingdom.

Registration of Letters, &c.

By the prepayment of a fee of Sixpence (which must be made not in Money.

but by affixing stamps) letters, books, or other packets paying *ordinary* postage may be registered. This will make their transmission more secure, by rendering it practicable to trace them from their receipt to their delivery.

Book Postage.

	Not above 4 oz.	...	1d
Above 4 oz.	...	8 oz.	2d
... 8 oz.	...	16 oz.	4d
... 1 lb.	...	1½ lb.	6d

and so on, increasing 2d per half-pound, or any less weight.

Book Packets limited in length, width, and depth, to two feet.

Conditions on which Books are forwarded at the above rates.

The postage must be fully prepaid, by means of postage stamps affixed.

Every packet must either have no cover, or a cover open at the ends. It may contain any number of separate books or other publications, prints or maps, and any quantity of paper parchment, or vellum, either printed, written, plain, or any mixture of the three; together with whatever is necessary for the safe transmission of literary matter, or usually appertains thereto; to the exclusion of letters or any enclosure sealed or otherwise closed against inspection, or any communication of the nature of a letter written in any such packet or on its cover. Entries, however, merely stating who sends the book, &c., or to whom it is given, are not regarded as a letter.

If a packet be not sufficiently prepaid with stamps, but nevertheless bear a stamp of the value of one rate (1d.) it is forwarded, charged with the deficient book postage, together with an additional rate of a penny, but any packet which bears no postage stamp is charged with the "unpaid" letter postage.

COLONIAL BOOK POSTAGE.

At the following charges, and on the same conditions as the foregoing (except that no packet weighing more than three pounds can be sent to the East Indies, or to New South Wales, and that no book packet can be sent direct to any other part of Cape Colony than Cape Town, Port Elizabeth, and Mossel Bay), book-packets can be forwarded to every British Colony.

1st. To India, Ceylon, New South Wales, Victoria, Tasmania (Van Diemen's Land), South and Western Australia, New Zealand, Mauritius, and Hong-Kong, the charge is as follows:—

		Via Southampton.		Via Marseilles.	
Weighing not more than 4 oz.	4d	...	6d
" more than 4 oz. but not exceeding 8 oz.	8d	...	1s 0d
" " 8 oz.	"	"	1 lb.	1s 4d	2s 0d
" " 1 lb.	"	"	1½ lb.	2s 0d	3s 0d

and so on; two rates being charged for every additional half-pound or fraction of a half-pound.

2nd, To every other British Colony:

Weighing not more than 4 oz.	3d
" more than 4 oz. but not exceeding 8 oz.	6d
" " 8 oz.	"	"	1 lb.	1s 0d
" " 1 lb.	"	"	1½ lb.	1s 6d

and so on; 6d being charged for every additional half-pound, or fraction of a half pound.

FOREIGN AND COLONIAL NEWSPAPER REGULATIONS.

Newspapers sent abroad are liable to the same regulations as Newspapers circulating (under the Newspaper privilege) through the United Kingdom, except that, before going abroad, the name of the Newspaper must have been registered at the General Post Office, and that, instead of requiring to have an impressed stamp, each Newspaper, if sent to a British Colony, is liable to a postage of one penny (which must be prepaid by a postage label or in money), together with an additional postage (as shown in the Table of Colonial and Foreign Postage) when the Newspaper has to pass through a foreign country. When posted unpaid, they are retained at the Returned Letter Office for one week, and if the postage still remains unpaid, they are destroyed. In all cases of Newspapers going abroad, the impressed stamp stands for nothing.

RATES OF POSTAGE OF FOREIGN AND COLONIAL LETTERS, &c.

For Explanations, Exceptional Rates, &c., see page 82. The following Tables are subject to alteration during the year. When the day of dispatch at London falls on a Sunday, letters require to be posted here a day earlier.

to a division (as that of letters) indicates that in such case Prepayment is voluntary, unless the letter be registered. In all other cases Prepayment is compulsory.

Explanations and Miscellaneous Information.

ABBREVIATIONS.—Al, Alternate; Apr, April; Belg., Belgium; Brit., British; ea., each; ex., excepted; E., Evening; ev., every; Mars., Marseilles; M., Morning; Mo., Month; Pt., Pkt., Packet; Pub., Publications; Regis., Registered; Sun., Sunday; Sun. exc., Sunday excepted; Tues., Tuesday; v., via.

DISTANCE TO WHICH THE POSTAGE CARRIES THE LETTER, &c.—a—The letter a prefixed to any division (as that of Letters or Newspapers) shows that the postage there entered does not carry the Letter, &c., from the place where it is posted in the United Kingdom entirely free to its place of destination, but that it is liable to a further charge upon delivery.

OPTIONAL OR COMPULSORY PREPAYMENT.—"v"—The letter v prefixed

B.—Where the letter B is prefixed to the Book Post rate, no packet must exceed 3 lbs.

G.U.—According to the regulations of the German Customs' Union, no Letter exceeding 50 grammes (a little more than $1\frac{1}{2}$ oz.) in weight, and containing any other enclosure than paper, can be allowed to circulate by the post. Any Letters, then, forwarded in the Mail to Prussia above that weight, and containing any other enclosure than paper, will be liable, on their arrival at the Prussian frontier, to be stopped, and sent to the Custom House for delivery as *freight*.

ROUTES.—When the route by which a Letter, &c., is to go is not marked on it, it will under ordinary circumstances, be sent by the route immediately following the name of the place in the foregoing table.

Non-commissioned officers, private soldiers, or seamen serving abroad, can receive letters for a postage of 1d, provided the letter weigh not more than half an ounce, the postage be prepaid, and the direction distinctly specify the rank or class of the soldier or seamen, and the ship or regiment to which he belongs; but if any such letters have to pass through a Foreign Country, they are subject, in addition, to the Foreign Rates.

EXCEPTIONAL RATES OF POSTAGE.—Rates of Postage chargeable upon Newspapers, Books, and other Printed Papers to Belgium, France, Algeria, or the French Offices in Turkey, Syria, and Egypt; which rates must be paid in advance.

FOR A PACKET OF REGISTERED NEWSPAPERS.

Not exceeding 4 oz.	Above 4 oz. & not ex. 8 oz.	Above 8 oz. & not ex. 16 oz.	Above 16 oz. & not ex. 24 oz.	Above 24 oz. & not ex. 32 oz.
0s 1d	0s 2d	0s 4d	0s 6d	0s 8d.

And so on, 2d being charged for every additional 8 ounces, or fraction of 8 ounces.

FOR A PACKET OF OTHER PRINTED PAPERS.

Not exceeding 4 oz.	Above 4 oz. & not ex. 8 oz.	Above 8 oz. & not ex. 16 oz.	Above 16 oz. & not ex. 24 oz.	Above 24 oz. & not ex. 32 oz.
0s 3d	0s 6d	1s 0d	1s 6d	2s 0d

And so on, 6d being charged for every additional 8 ounces, or fraction of 8 ounces.

Periodicals not of daily publication, issued in the shape of pamphlets, may be sent to Holland, Prussia, the United States, California, and Oregon at the following rate, *which must be prepaid*; not exceeding 2 oz., 1d; 2 oz., and not exceeding 3 oz., 6d; 3 oz., and not exceeding 4 oz., 8d; with an addition of 2d for every additional ounce, up to 16 ounces, above which weight the privilege does not extend; and, at the same rate of postage, pamphlets, even though they are not periodicals, may be sent to the United States, if not exceeding 8 oz. Other printed books to those places are liable to letter rate of postage. Upon pamphlets sent to the United States there must be no writing except the names and addresses of the persons to whom they are sent.

REGISTRATION OF LETTERS, &c.—The fee chargeable for registering a letter in addition to the ordinary postage, *both of which must be prepaid*, will be found against each country in the Table of Foreign and Colonial Postage.

¶ Where this sign is made use of in the columns of Registration Fees in the Table of Colonial and Foreign Postage, it signifies that the letters can only be registered with certainty to the Port of Dispatch.

Newspapers and Book Packets must always be prepaid in stamps; the prepayment of Letters sent abroad may be made in money or in English postage stamps.

WARM CLIMATES.—The practice of sealing Letters passing to and from the *East and West Indies*, and other Warm Climates, with wax (except such as is specially prepared) is attended with much inconvenience, and frequently with serious injury to the Letters, in consequence of the melting of the wax, and adhesion of the Letters to each other; the public are therefore recommended, in all cases, to use wafers in preference to wax in securing their Letters sent to *India*, or other warm climates, and also to advise their correspondents in those countries to pursue the same course.

LIST OF POST TOWNS IN SCOTLAND, INCLUDING ORKNEY AND SHETLAND.

Explanations.

When in the subjoined List *two* places are mentioned, the first is only a sub-office, and the second is the Head Office to which the first is subordinate.

In all cases the figures after a place show its distance in miles from the sub-office.

With some exceptions, all Head Offices are Money Order Offices, but sometimes there is a Money Order Office nearer to the Sub-office than is the Head Office. In these cases such Money Order Office is added as a *third* name, for the information of any person who may wish to remit money to the neighbourhood.

As regards *Town Receiving* Offices those only are entered at which Money order business is transacted; and these will be found under the names of the respective Head Offices.

Each Money Order Office is distinguished by an *.

The last word in the Address of every letter, &c., should be the name of the town to which, or near to which, the letter is sent; except when the Post-Office at that town is only a Sub-office, in which case the Head Office to which this Office is subordinate must be added; and except also that where there are two Post Towns of the same name the county must be given.

LIFE ASSURANCE.

THE system of the NORTH BRITISH INSURANCE COMPANY combines the benefit of Mutual Assurance with the safety of a large Protecting Capital, and affords all the facilities and advantages which can prudently be offered by any Life Assurance Office.

Progress of the Company.

During the two years *preceding* the last Division of Profits, in December, 1858, the sums assured amounted to £654,356.

During the two years *succeeding* the last Division of Profits, the sums assured amounted to £925,562.

DURING THE YEAR 1860 ALONE, 741 NEW POLICIES WERE ISSUED, ASSURING THE SUM OF £475,649.

Advantages offered by this Company.

1. Nine-tenths (90 per cent.) of the Profits, or, in other words, the whole of the Profits arising from the Life Business, after setting aside one-tenth for the guarantee, are divided among the Assured entitled to participate.

2. Bonuses may be added to the sum assured, or surrendered for a cash payment, or applied to the reduction of the future Premiums.

3. A Prospective Bonus of one per cent. per annum is allowed on Policies which have subsisted for five years, which may become claims previous to the next Investigation in 1865.

4. No Extra Charge for residence in British North America, the Cape, Australia (excluding the Digging-), New Zealand, Port Natal, Buenos Ayres, and parts of the United States, and no licence required except for the voyage.

5. On proof of age, and by special application, Policies are declared unchallengeable from and after the expiry of Five Years from their date, and parties, on receiving a licence, may go to any part of the world without incurring the forfeiture of their Policies—thus making the Policies of the Company good marketable securities.

Advances made on Policies, to the extent of the security they afford, when the value amounts to £50 and upwards.

NEW AND IMPORTANT ADVANTAGES.

To meet the exigencies of parties, and to render the benefits of Life Assurance more generally available, the Directors have adopted the following new and important principles:

1. Application of Profits to the Purchase of an Annuity.

By this system a party not only secures the payment of the sum in the event of his death before 65, but at his option he may convert the Policy with its Bonuses into an equivalent Annuity commencing at 65.

2. Half Premium System.

By which a party may secure all the benefits of the Half Credit System without any debt being incurred.

3. Double Insurance System.

By which, for a moderate uniform Premium, a Policy may be secured, which will increase each year until, in 20 years, the sum in the Policy is doubled. This system is particularly advantageous to young lives.

For further explanation of these new principles, and for the Rates applicable thereto, see the Company's Prospectus.

ANNUITIES.

1. IMMEDIATE ANNUITIES are granted on favourable terms.
2. DEFERRED ANNUITIES, to commence at any specified age, may be secured, either with or without return of Premium.
3. SURVIVORSHIP ANNUITIES may be secured with or without return of Premium.

REVERSIONARY INTERESTS.

The Company are ready either to purchase Reversionary Interests and Life Rents, or to make advances on them to the extent of the security they afford.

FIRE INSURANCE.

The Company INSURES against FIRE—Silk, Cotton, Woollen, and Flax Mills, Buildings of all descriptions, Furniture, Stock in Trade, Merchandise, Agricultural Stock, Implements of Husbandry, and effects of every kind, at the lowest rates of Premium corresponding to the risk.

Farming Stock is insured without the Average Clause, and loss and damage by Lightning thereon made good.

No charge is made for Policies when the sum insured amounts to £300, or for Transfers from other Offices.

Insurance for seven years charged for six years only.

Losses settled with promptitude and liberality. A duty of 3s. per cent. per annum on all property insured from Fire in Great Britain and Ireland is payable to Government, with the exception of Farming Stock and Public Hospitals, which are exempt.

The Company holds itself responsible for damage done by explosion of Gas, such explosion taking place within buildings on or in which this Company has insurance, without extra charge.

Prospectuses, containing Tables of Rates and every other information, may be had at the Head Office in Edinburgh, or at any of the Company's Agencies in the country.

THIS SOCIETY was the First Public Company established in Great Britain to obviate the inconvenience and defects of Suretiship by private Bondsmen, and its security is accepted by the Banks of England and Ireland, and most of the Public Companies, Bankers, Commercial, and Trading Firms in the United Kingdom.

Persons of the highest character and qualifications frequently decline valuable appointments, either from an unwillingness to place themselves and their friends under so serious an obligation, or the great difficulty of obtaining satisfactory sureties, but the institution of this Society removes these difficulties.

The Guarantee Society undertakes, for a small yearly payment, to make good to the employer *any loss by the fraud or dishonesty* of the person employed, according to the amount specified in the bond and therefore obviates the necessity for Private Sureties as well as the evils arising therefrom, which often prove as prejudicial to the real interests of the employer as to the person finding the guarantee of private friends.

Employers by the existence of this Society, are assured of the continued solvency of the surety of the person employed, and the security thus becomes a permanent one.

Friends and relatives are relieved of the fear of those pecuniary losses to which persons are exposed who become responsible for the acts of others.

Rates from 10s per centum per annum and upwards, according to the nature of the employment, or the amount of the Security required.

No charge is made for Stamp Duty, except in special cases; the usual legal expenses of Surety Bonds will therefore be avoided by persons who enter on their respective duties under the Guarantee of this Society.

A reduction is made in the Premium on the Sixth Annual Payment.

THIS Office having been established upwards of Fifty Two years, more than sufficient time has elapsed to test the soundness of the principles on which it has been conducted. During that period, its prosperity and the magnitude of its operations have been constantly increasing. In the

LIFE DEPARTMENT

The Accumulated Premiums are over £1,700,000, and the Annual Income exceeds £190,000.

Bonuses have been declared on some Policies to an amount greater than the sum originally assured.

Premiums have been extinguished, where the parties assured have applied the Bonus in reduction of the Annual Premium.

At the valuation up to Christmas, 1859, there existed a Surplus of £270,295,—the whole of which belonged to the Policy-holders.

The next valuation will be made up to Christmas, 1864. *Policies on the Participating Scale*, in England or Ireland *respectively*, which may be effected before that date, will, if the parties be then alive, participate in the surplus in proportion to the time they may have been in force.

The sum of upwards of £3,500,000 has been paid during the existence of the Office for claims under Life Policies, of which amount a very considerable part was for Bonus.

Persons assuring in Great Britain have the option of

PARTICIPATING RATES OF PREMIUM, or of
 NON-PARTICIPATING RATES.

The Directors beg to announce that the rates of Premium have been recently revised and re-adjusted in accordance with a long experience, and that

The New Scale will be found very advantageous to persons desiring to commence assuring early in life.

The Non-Participating Scale is particularly adapted to parties wishing to assure a fixed sum only, at a fixed rate of Premium, and on low terms.

Premiums may be paid *Annually*, *Half-Yearly*, or by a *limited number of Annual Payments*.

FIRE DEPARTMENT.

This Company undertakes the Assurance of almost every species of Property in the United Kingdom, at Rates of Premium and upon principles which will be found quite as advantageous to the interests of the Assured as those offered by any other office. The Directors can confidently refer to the well known character of the Company for liberality and promptitude in the discharge of claims made upon it during the many years it has been established.

Renewals should be paid within fifteen days after the respective Quarter-days when they become due.

Tables of Rates, forms of proposal, and any information needful to effect Life or Fire Assurances, may be obtained on application to the Office, No. 92, Cheapside, London, or to any of the Company's Agents.

ENGLISH AND SCOTTISH LAW LIFE ASSURANCE AND LOAN ASSOCIATION.

Edinburgh—120 PRINCES STREET.

London—12 WATERLOO PLACE ; 6 KING WILLIAM STREET.

Glasgow—44 AND 46 GEORGE SQUARE ; 20 BUCHANAN STREET.

THE BUSINESS carried on by this Association embraces every description of risk contingent upon Human Life, and combines all the advantages of the MUTUAL and PROPRIETARY Systems of Assurance.

The Policies of the Association are secured by a protecting Capital of ONE MILLION Sterling, subscribed by a large and influential body of Proprietors.

The PARTICIPATION POLICIES receive valuable periodical additions from the profits of the extensive business carried on, both in Scotland and England, and thus present a most advantageous mode of Investment for Family Provision, with entire exemption from responsibility. At last investigation, a BONUS of TWO PER CENT. PER ANNUM was added to the sums assured. Thus, a Policy opened in 1840 for £2000 was increased, at Christmas, 1846, to £2280.

LOANS granted, on approved personal security, in connection with Life Assurance.

ANNUITIES and ENDOWMENTS on favourable terms.

A NEW PAMPHLET, with full Tables of Rates, and Illustrations of the different Schemes of Assurance embraced in the business of the Association, may be obtained at the Head Office in Edinburgh, or from the Agents throughout Scotland.
