PRESS OPINIONS OF FORMER EDITIONS.

The Scottish Leader says, regarding the previous issue of the DIRECTORY, "The information it contains is of a kind to be useful both to business men and to tourists."

The Glasgow Herald says—"The Directory will undoubtedly prove useful to those who have occasion to consult its pages. The lists of official persons and professional gentlemen for Bute, Arran and the Cumbraes are carefully given."

The Evening Citizen says—"The Directory is arranged in three parts embracing a mass of information which must prove useful both to strangers and residents concerning the county of Bute."

The Greenock Telegraph says—"Higgie's Directory contains a mass of information. It will be found of great value as a reference book."

Ayrshire Weekly News says—"This Directory will prove serviceable to many who do business on the West Coast. Its blemishes, the result of haste, may be easily remedied in future issues."

The Ardrrossan and Saltcoats Herald says—"The Directory got up by Mr George Higgie, journalist, Rothesay, is an evidence of the enterprise and public spirit that abounds in Rothesay. It is one of the many little ways open to an enterprising man to push his own business, affording other tradesmen an opportunity of pushing theirs, and at the same time giving the general public a deal of information, that is indispensable to residents at fashionable watering-places."

The Oban Telegraph says—"The Directory is an honest shilling's worth, and will be found invaluable to merchants and traders in the West."

The Kirkcubright Advertiser says—"This publication should be in the hands of every one having business connections with the West Coast."

The Cowal Watchman says—"Higgie's Directory is a very comprehensive and methodically-arranged handbook. It merits the large circulation which it now obtains."

MEASUREMENT AND WEIGHT OF CATTLE.

Take the Girth close behind the shoulders, and multiply it by itself: take the Length from the top of the shoulder to the extremity of the buttocks, which, multiplied by the above, and divided by 7344, will give the weight of a Fat Animal in Imperial Stones. Should the Animal be extra fat, add a twentieth; and if inferior deduct about the same quantity.

To find the Weight from the Table—Look in the column marked Girth for 35, and in the column marked Length for 34, and then in the next column, in the same line with the length, 5 stones 9lbs., being the Imperial Weight.

Note.—The Smithfield Weight may be found by multiplying the Imperial Weight by 14 and dividing by 8.

HINKSMAN'S ASTHMA RELIEVER

Is confidently recommended as a most effective Remedy for Asthma, Bronchitis, &c.—never failing to give immediate relief. It has proved of immense benefit to numbers of people in all parts of the country, and is certainly worth a fair trial.

The following are examples of a large number of Testimonials (which the Proprietor is constantly receiving) to the efficacy of Hinkman's Asthma Reliever:—

50 Westfield Cottages,
Dalkieth, Feby. 9th, 1889.

SIR, I think it is my duty to tell you that my wife has suffered from Bronchial Asthma for 16 years. Being from home in July last, she had a bad attack, and had to sit up in bed two nights. I went to the Chemist in search of something to relieve her. I got a box of your Asthma Reliever: one trial of it and she was able to go home, she has used it ever since, and I am happy to say she has not lost one hour's rest since. Anyone suffering from the same knows what that means. I can heartily recommend your Reliever to all who suffer from Bronchitis or Asthma.—Yours etc.,

GEORGE COOPER.

Haugh of Kilmorick,
Dec. 8th, 1886.

Sir, I have suffered very much from that fearful complaint Asthma. I have used cures at 4s 6d per box, but have used yours for twelve months now. I recommend it to others, and I find it relieves as well as the expensive kind. For the benefit of other poor sufferers, you can make any use of this you please.—Yours sincerely,

MARY DOUGLAS.

A GENTLEMAN writes fr in Tain on Feby. 5th, 1889:—Please forward me 1s tin of your Asthma Reliever. A friend of mine who suffers from Spasmodic Asthma has found instant relief. The form that I have is much worse—Chronic Bronchial Asthma. I have tried so many things with little success and have been kept in the house since October last. I trust your preparation will give me at any rate some relief.

The same GENTLEMAN writes on Feby. 25th:—Please forward me three boxes Asthma Reliever.—I am pleased to state that I have found more benefit from your preparation

than any other I have tried, and my impression is that if used before the complaint becomes Chronic, it would cure.

The following is from a well-known Carluke gentleman: High Street,
Carluke, 22nd July, 1886.

MR JOHN HINKSMAN,

Dear Sir,—As is well known in this locality, I have been a great sufferer from that grievous malady Asthma. It is thirty years or more since it began, and indeed I am not sure but it may have been hereditary. I have spent many pounds in trying to obtain relief, but never found anything from which I could say I experienced any great benefit, till I tried the Asthma Reliever as prepared by you. I can confidently say I never fumigated with it without experiencing great relief. I use it frequently, and would not dare to be a day without it. The name is an honest one, stating that it relieves, not cures. I do not believe anything has yet been discovered that will cure; but by those who, like myself, have suffered from this terrible disease, your preparation will be hailed with sincere gratitude.—I am, dear sir, yours very truly,

JAMES GRAHAM.

Mrs M'CONNELL, Drumcruel Cottages, Thornhill, Dumfriesshire, writes on October, 18th, 1886:—Please send me another Box of your Asthma Reliever. I wish it were better known. It is the best cure I ever got, and I have tried all the Doctors in the district.

MR JOHN GREENSHIELDS, writing on Dec. 10, 1885, from Tralee, Ireland, says:—It is two years since I was first seized with Asthma. I have tried several of the expensive so-called cures, but have derived more benefit from your Asthma Reliever than from any one of them.

OPINIONS OF THE PRESS.

The Scottish Leader says, regarding the previous issue of the DIRECTORY, "The information it contains is of a kind to be useful both to business men and to tourists."

The Glasgow Herald says—"The Directory will undoubtedly prove useful to those who have occasion to consult its pages. The lists of official persons and professional gentlemen for Bute, Arran and the Cumbræes are carefully given."

The Evening Citizen says—"The Directory is arranged in three parts embracing a mass of information which must prove useful both to strangers and residents concerning the county of Bute."

The Greenock Telegraph says—"Higgie's Directory contains a mass of information. It will be found of great value as a reference book."

Ayrshire Weekly News says—"This Directory will prove serviceable to many who do business on the West Coast. Its blemishes, the result of haste, may be easily remedied in future issues."

The Ardrossan and Saltcoats Herald says—"The Directory got up by Mr George Higgie, journalist, Rothesay, is an evidence of the enterprise and public spirit that abounds in Rothesay. It is one of the many little ways open to an enterprising man to push his own business, affording other tradesmen an opportunity of pushing theirs, and at the same time giving the general public a deal of information, that is indispensable to residents at fashionable watering-places."

The Oban Telegraph says—"The Directory is an honest shilling's worth, and will be found invaluable to merchants and traders in the West."

The Kirkcubright Advertiser says—"This publication should be in the hands of every one having business connections with the West Coast."

The Cowal Watchman says—"Higgie's Directory is a very comprehensive and methodically-arranged handbook. It merits the large circulation which it now obtains."
