AYRSHIRE.

Ayrshire is in extent about 60 miles in length by 26 in breadth, containing 1123 square miles, or 722,229 acres. It is divided into three districts, whose separate jurisdictions were annulled by statute in 1748—Carrick, south; Cunninghame, north; Kyle, in the centre. The Irvine Water separates Cunninghame from Kyle, and the River Doon Kyle from Carrick. Renfrewshire bounds Ayrshire on the north from Largs to Loudoun; the counties of Lanark and Dumfries from Loudoun to New Cumnock; the Stewartry of Kirkcudbright thence on the south to the south-east of Colmonell; and Wigtownshire on the south to the sea. The west

side of Ayrshire, which forms a crescent about 75 miles long, is bounded by the Firth of Clyde.

LOSS ARISING FROM NON-DELIVERY, &c.

The Post Office is not, by law, responsible for any loss or inconvenience which may arise from the damage, non-delivery, mis-sending of any Letter, Book, or other Postal Packet; and liability for actual loss or damage is accepted only in the case of Parcels and Registered Packets.

APPLICATIONS TO RETURN LETTERS.

On no account can a Letter, Book, &c., when once posted, be returned to the sender or any other person, or delayed in transmission to its address, and no information can be given respecting letters which pass through a Post Office, except to the person to whom they are addressed.

INLAND RATES OF POSTAGE.

LETTERS.

The rate of Postage on Inland Letters is as follows:—

Not exceeding four ounces in weight, 1d; and thereafter a

$\frac{1}{2}$ d for every 2 ounces. A letter posted unpaid is chargeable on delivery with double postage; if insufficiently paid, with double the deficiency.

An Inland Letter must not exceed 24 in. in length, 12 in. in width, or 12 in. in depth, unless it be sent to or from Government Offices.

NEWSPAPERS.

The prepaid rate is at follows:—Every Registered Newspaper, whether posted singly or in a packet, $\frac{1}{2}$ d.

A packet containing two or more Registered Newspapers, however, is not chargeable with a higher rate than would be chargeable on a Letter Packet of the same weight.

A Newspaper or a packet of Newspapers posted unpaid is chargeable on delivery with double postage; if insufficiently paid, with double the deficiency.

Every Newspaper must be posted either without a cover, or in a cover entirely open at both ends, so as to admit of easy removal for examination. Every newspaper should be so folded and covered (if posted in a cover) as to permit the title to be readily inspected.

No Newspaper and no cover of a Newspaper may bear anything except the title of the Newspaper, a request for return in case of non-delivery, the names and addresses of the sender and of the addressee, and a reference to any page of, or place in, the newspaper to which the attention of the addressee is directed.

No unregistered publication and no article (unless it be a part or supplement of the Newspaper) may be posted in the same cover with the Newspaper.

A Packet of Newspapers must not exceed 5 lbs. in weight, or 2 ft. in length, 1 ft. in width, or 1 ft. in depth.

BOOKPOST.

The weight of a Book-packet is now confined to 2 ounces, the Postage for which is $\frac{1}{2}$ d. All Packets above that weight are treated as Letters.

If posted unpaid, a Book-packet is charged 1d, viz., double the deficiency.

The expression, "Book-packet," means a packet which contains one or more of the following articles or documents, that is to say:—

(a) Any matter wholly printed on paper or some substance ordinarily used for printing, *except paper money*.

(b) Books and other publications or works of a literary character, and any other written or printed matter not being in the nature of a Letter (on paper or on some substance ordinarily used for writing or printing).

(c) Sketches, drawings, paintings, photographs, maps, plans, charts, and engravings on paper or on some substance ordinarily used for the purpose, provided it is not a brittle or exceptionally fragile substance.

(d) The following documents, whether containing matter in the nature of a Letter or not, provided they respectively conform to the conditions stated in the *Post Office Guide*.

Invoices, orders for goods, credit notes, advice notes, way bills, bills of lading, receipts, statements of account, prices current, market reports. Manuscript for press and printed proofs, with corrections and instructions. Examination papers, with corrections and instructions.

Circulars, that is, Printed Notices and Letters, whether separate or on the same sheet of paper with any other document transmissible by Book Post.

Deeds, agreements, proposals and policies of assurance, powers of attorney, proxy papers, voting papers, certificates, licenses.

Notices, reports, returns, and certificates issued, made, or given by officers of a Court of Justice, or other public officers in the discharge of their duties, and returns or reports made to public officers or public bodies.

N.B.—Plain paper, or any article which, though made of paper, is substantially of the nature of stationery, or merchandise, is not admissible by Book Post.

TYPE-WRITING.—Type-written Circulars and Letters are not admissible by Book Post. Circulars, however, printed or lithographed in characters resembling those of the Type-writer, or produced by means of the Mimeograph or other mechanical process from type-written originals, are admitted to the privilege of the Book Rate of Postage, provided that they are posted by being handed in at the counter of the Head Office or any of the Branch Post Offices (this does not include Sub or Town Sub-Offices), that special attention is called to their nature, and that at least twenty copies, precisely identical, are posted at the same time.

It must be clearly understood that any Circulars in Type-writing characters which are not posted in the prescribed manner will be chargeable at the Letter Rate of Postage.

A Book Packet found to contain a Letter or a communication of the nature of a Letter, or any other enclosure not allowed by Book Post, is chargeable as a Letter.

Book Packets should be posted either without covers (in which case they must not be fastened in any way) or in unfastened envelopes, or in covers which can be easily removed for the purposes of examination. If anything is

written or printed on the inside of the covers, the covers must be left unfastened. It is not forbidden to tie the ends of a Book Packet with string, but the string should be easy to unfasten.

PATTERN POST.

Pattern Post has now been abolished, and all Packets formerly sent at Pattern Rate are classed as Letters, and are subject to Letter Post conditions.

GLASS, LIQUIDS, GREASE, COLOURING POWDERS, AND LIVE BEES, are now transmissible (under special conditions which can be ascertained at any Post Office), by Letter or Parcel Post within the United Kingdom, and by SAMPLE POST between the United Kingdom and certain other Countries (a list of which can be seen at any Post Office).

REGISTRATION AND COMPENSATION

REGISTRATION.—By the prepayment of a fee of 2d, any Letter, Newspaper, Book, or other Packet, on which the postage has been prepaid in stamps, may be Registered. All Letters found to contain COIN or JEWELLERY, posted without being *Registered*, are treated as *Registered*, and taxed with a double fee of Fourpence.

N.B.—Packets containing Postal Orders, in which the name of the payee has not been inserted, uncrossed cheques, dividend warrants, bank notes, postage stamps to the value of more than One Shilling, and any other article of a value exceeding One Shilling will, when found open in the Post, be subject to registration, and be chargeable with a Registration Fee of 2d.

COMPENSATION FOR LOSS AND DAMAGE.—The Postmaster-General will—not in consequence of any legal liability, but voluntarily, and as an act of grace, subject to the rules stated in the *Post Office Guide*—give COMPENSATION up to a maximum limit of £50 for the LOSS and DAMAGE of Inland Registered Postal Packets of all kinds upon pre-payment of a fee in addition to the postage. This fee either consists of or includes in each case the ordinary Registration Fee of 2d. The scale of fees and the respective limits of compensation are as follows:—

Fee, ...	2d.	3d.	4d.	5d.	6d.	7d.	8d.	9d.	10d.	11d.
Limit of Compensation,	{ £5	£10	£15	£20	£25	£30	£35	£40	£45	£50

Compensation for damage to the contents of a Registered Packet will be strictly in accordance with the fee paid and the amount of damage done, no matter what the original total value of the contents may have been. The Postal Packet must be posted in accordance with the Rules for the time being in force with respect to the posting of Inland Registered Postal Packets, and a certificate of posting, bearing thereon an acknowledgment that the Registration Fee has been paid, must be obtained. The contents of the Postal Packet must be securely packed and enclosed in a reasonably strong case, wrapper, or cover, securely fastened, and of a nature calculated to preserve the contents from loss or damage in the Post; and if it be desired to secure compensation for damage, the Package must bear the words "Fragile, with Care." These words should appear on the face of the cover, above the address. The compensation given in respect of the loss or damage of a Letter containing coin shall not in the case of any Letter exceed the sum of £2, whatever be the amount of coin contained in such Letter.

Letters containing money, in any form, must be enclosed in the Registered Letter Envelope provided by the Postmaster-General. The compensation given will in no case exceed the value of the article lost or the damage sustained. The expression "Damage" includes the loss or abstraction of part of the contents of a Letter. The sender of a Registered Letter must write on the cover, above the address, the word "Registered" and the amount of the fee proper to the value up to which he desires to secure compensation, thus:—"Registered 2d," "Registered 3d," and so on.

AN ACKNOWLEDGMENT OF DELIVERY signed by the recipient, may be obtained by the sender of a Registered Letter by prepaying a further fee of 2d. For further particulars, enquire at any Post Office.

RE-DIRECTION.

Parcels, when Re-directed, are liable to an additional Postage at the prepaid rate for each Re-direction, unless the original and the second address be within the delivery of the same Post Office, in which case no charge is made for Re-direction.

Notices of Removal, and applications for Letters, Books, Post Cards, and Newspapers to be Re-directed, must in all cases be duly signed by the persons to whom the Letters, &c., are addressed, and sent to the Postmaster. The Post Office does not undertake to provide for the Re-directing of Letters, &c., for a longer period than 12 Months from the date of Removal; but it is open to any person whose Letters, &c., have been officially Re-directed for 12 Months to apply for an extension of the privilege, on the prepayment of a fee of £1 1s for every additional year.

The Post Office does not undertake to Re-direct Letters, &c., for a person temporarily leaving home, unless the house be left uninhabited; nor, save under exceptional circumstances, for persons removing from Hotels, Clubs, or Lodgings.

Private Re-directed Letters, &c., re-posted later than the day after delivery (Sundays and Public Holidays not counting), are liable to an additional Postage at the prepaid rate. Any which may appear to have been opened will be liable to be charged as freshly posted unpaid Letters, &c.

All Registered Letters, &c., on being Re-directed, must be taken back to the Post Office, and must not be dropped into Letter Boxes as ordinary Letters, &c.

EXPRESS DELIVERY.

Express Delivery of Messages, Letters, Parcels, &c., are conveyed the entire distance by Special Messenger for the following Fees :—If the Packet, &c., does not exceed 1 lb. in weight, the Express Fee is 3d per mile or part of a mile. When, however, the Packet exceeds 1 lb., there is a weight charge of a 1½d per lb. or part of a lb. beyond the first in addition to the mileage charge (3d per mile or part of a mile). If the sender desires that a special conveyance be used, or, if the distance exceeds two miles, and a public conveyance (by train, omnibus, or tramcar) is not available in both directions, the actual cost of a special conveyance must in all cases be paid in addition to the foregoing charges.

Reply or Further Services.

On the delivery of an express packet, the delivery messenger may take a reply or perform a further express delivery service. The express fee must be prepaid, either by the sender of the first service or by the sender of the reply or further service. The messenger is allowed to wait for the reply ten minutes free of charge, but after that time 2d is charged for every quarter of an hour or part of a quarter of an hour during which he is required to wait. If the return or further service is to an address on the messenger's homeward route, or within half a mile of the office, half only of the mileage rate is charged ; but if the packet exceeds 1 lb. in weight the full weight charge must be paid in addition to the half mileage rate.

Express Delivery after Transmission by Ordinary Post.

Under this service letters and parcels may be forwarded by mail in the regular course of post to any Express Delivery Office, and, on arrival, be sent out for delivery by special messenger. The Express Fee, in addition to the full ordinary Postage, is at the rate of 3d per mile from the Office of Delivery ; the fee is in no case less than 3d, and this and the postage must be prepaid by means of Postage Stamps affixed to the Letter, &c. If a special conveyance be used, or if the distance exceeds two miles and a public conveyance is not available in both directions the actual cost must be paid in addition to the express fee and postage. When the distance exceeds two miles, at least one-half of the amount payable in respect of fee and charge for special conveyance must be prepaid, and the deficiency (if any) will be demanded from the addressee ; if this be not done the letter cannot be delivered by special messenger, but will be treated as an ordinary letter.

CONVEYANCE OF SINGLE POST LETTERS BY RAILWAY.

Single Post Letters, not exceeding four ounces in weight (which must be prepaid by 1d adhesive Stamp, and in addition the Companies are authorised to charge a Fee of 2d per Letter), are accepted by certain Railway Companies to be sent by next available train, either to be called for at the Station of address, or to be transferred there to the nearest Post Office Letter Box for delivery by Postmen.

INLAND PARCEL POST.

Parcels are accepted at all Post Offices for transmission by the Inland Parcel Post at the following rates :—

" 7 lbs.,	8 lbs.,	10d.
" 8 lbs.,	9 lbs.,	11d.

PRE-PAYMENT OF POSTAGE.—The Postage must in all cases be prepaid, and the stamps must be affixed by the sender.

LIMITATION OF WEIGHT.—No Parcel exceeding 11 lbs. in weight can be received for transmission.

LIMITATION OF SIZE.—No Parcel may exceed 3 ft. 6 in. in length, or 6 ft. in length and girth combined.

SUNDAY.—No Parcel Post business is transacted on Sunday.

POSTING OF PARCELS.—Parcels must not be posted in a Letter Box, but must be taken into a Post Office and handed over the counter. They should bear the words "Parcel Post," which should be clearly written on the left-hand top corner.

Parcels manifestly intended to be sent by "Parcel Post," but dropped into a Letter Box, or otherwise posted out of course, are dealt with as Parcels, a fine of 1d being imposed on account of the failure to comply with the Rules.

The address of a Parcel must be clearly written, either on the outer wrapper, or on a separate address label securely fastened to the Parcel; and the necessary stamp or stamps, to prepay the Postage, must in all cases be placed (as in the case of Letters) close above the address.

PROHIBITED ARTICLES—Parcels containing Gunpowder, Cartridges, Lucifer Matches, or other explosives, Live Animals, or Bladders containing Liquids, or anything likely to injure other Parcels, cannot be sent by Parcel Post.

REGISTRATION AND COMPENSATION FOR LOSS AND DAMAGE OF PARCELS.—In respect of the loss or damage of Inland Parcels for which a certificate of posting has been obtained, Compensation up to £2 will be given without payment of any fee beyond ordinary postage.

On prepayment of a Single Fee (in which will be included the ordinary Registration Fee of 2d). in addition to Postage, any Inland Parcel can be Registered, and Compensation, in the event of loss or damage, be secured up to £50.

Fee, ...	2d.	3d.	4d.	5d.	6d.	7d.	8d.	9d.	10d.	11d.
Limit of Compensation, }	£5	£10	£15	£20	£25	£30	£35	£40	£45	£50

In every case it must, however, appear that the loss or damage did not arise wholly or in part by the fault of the sender, and that it occurred while the Parcel was in the Post.

Parcels, before they can be registered, must be securely packed and fastened in such a way as to prevent any tampering with the contents. Tying merely with string is not sufficient.

The compensation given will in no case exceed the value of the article lost or the damage sustained.

Compensation for damage to the contents of a Registered Parcel will be strictly in accordance with the fee paid and the amount of damage done, no matter what the original total value of the contents may have been.

The Postmaster-General will in every case either of loss or damage, if he thinks fit, reinstate the contents of a Parcel instead of giving pecuniary compensation.

Where compensation is given for the loss of a Parcel, or of any article contained in a Parcel, the Postmaster-General will reserve the right to retain and dispose as he thinks fit of the Parcel or of the missing article, in case it should subsequently come into his hands.

Claims for Compensation should be made either on a form to be obtained at any Post Office, or by letter addressed to the Postmaster.

Claims for Compensation should be made within seven days after the date of Posting.

No Compensation will be given in respect of damage to a Parcel containing eggs, soft fruit, or any liquid or semi-liquid, or any article of an exceptionally fragile character.

Undervaluing the contents, or failure to describe them fully, may result in a seizure of the parcels. CUSTOMS DUTY. — All Parcels are liable to be opened for Customs examination, and their contents are subject to Customs duty, according to the laws of the country or colony of destination. In most foreign countries and British colonies the articles which are not subject to Customs duty on importation are comparatively few. FOREIGN COUNTRIES.—Azores, Austria-Hungary, Belgium, Beyrout, Cameroons, China (Amoy, Canton, Foochow, Hankow, Hoihow, Macao, Ningpo, Shanghai, and Swatow), Constantinople, Denmark, Egypt, Finland, France, Germany, Holland, Italy, Luxemburg, Madeira, Montenegro, Norway, Portugal, Roumania, Servia, Smyrna, Sweden, Switzerland, and Turkey (Austrian Post Offices).

The scale of fees are as follows :—

A Fee (in addition to the Postage) of	5d.	7½d.	10d.	1/0½	1/3
Will ensure Compensation to an amount not exceeding	{ £12	£24	£36	£48	£50

No Parcel can be insured for more than £50. A Parcel addressed to Holland, Italy (via Belgium), or Montenegro cannot be insured for more than £40, or to Azores, Beyrout, Constantinople, Egypt (via France), Finland, France, Italy (via France), Madeira, Portugal, Roumania, Servia, Smyrna, Switzerland (via France), or Turkey, for more than £20.

COMPENSATION FOR LOSS OR DAMAGE.—Compensation to an amount not exceeding in some cases 20s and in other cases 12s is given for loss or damage of ordinary Parcels addressed to certain Foreign Countries and British Possessions. For particulars apply at any Post Office.

When an uninsured Parcel received from the above mentioned places is discovered to contain coin, watches, jewellery, or any article of gold or silver, it is compulsorily registered.

PACKING.—More careful and substantial packing is necessary for all Foreign and Colonial Parcels than for Inland Parcels owing to the much greater distance over which, as a rule, the former have to be conveyed, the very different conditions of transit, and the influences of climate. A Parcel for any Foreign Country must be so sealed with wax or lead by the sender that the Parcel cannot be opened without breaking the seals or leaving traces of violation.

PARCELS containing Coin, Watches, or Jewellery must be enclosed in strong boxes, which must be sewn up in wrappers of linen canvas or strong paper, or other substantial material, the seals being placed not further than 3 inches apart.

“City Analyst's Laboratory,
138 Bath Street,
GLASGOW, 6th December, 1889.

I have made a careful analysis of an average sample of about 1500 gallons of Mr Thomas Fraser's Whisky, taken by my assistant from the Bonded Stores in Ayr, where it is lying, and, from the result of my analysis, I am of opinion that it is a Pure Whisky of good flavour, which has been matured in Sherry Casks.

NATURE'S GIFTS.

As seasons roll successive as the tides,
 So bounteous nature lavishly provides
 For human wants—nor that with stinted hand
 Proffers the products of the Sea and Land ;
 The salient few, in order due we'll trace
 As worthy mention in this valued space:—
 Chill WINTER brings to coast of Ballantrae,
 Cod, Turbot, Brille, and choice Crustacea,
 Columbia's Oysters rivalling the Pandore,
 Lochryan's scalps contribute of their store ;
 The Lobster, in his shell of purple-blue
 (Or boiled, emerges, son of Mars ! in hue)
 Fat Capons, Turkeys, and the homely Poule,
 The stubble Goose, so orthodox at Yule ;
 Game of all kinds, which daily wing their flight,
 Or pad the meadows at approach of night.
 SPRING hails the Silver King, nursed in the classic Ayr,
 Curded or crimp, can Tay or Tweed compare
 Their woolly specimens, of elongated form,
 With compact wrestler of the western storm !
 Benignant SUMMER, with her large supplies,
 Brings " Caller Herrin'," rich and poor so prize ;
 The Mackerel, too, in robes cerulean, lends
 Her aid to swell the shoal this season sends.
 Prolific AUTUMN'S cornucopian horn
 Pours heavy takes which scarcely can be borne
 By daring toilers of the mighty deep ;
 But, once ashore, a rich reward all reap.
 Here Art steps in, sees safe the surplus cured,
 Then fickle WINTER'S placidly endured.

Still maintains its well-merited reputation, and is renowned far and near for their CHOICE GOODS and for the extreme LOW PRICES CHARGED. Every year their trade increases, and their onward success and secret is

GOOD BUYING,

when in these days of competition the knowledge where to buy best is of such importance. All our Departments are prepared for big demands being made on them, and at no past season have we had nicer Goods in such endless variety. In Dress Materials, in Silks, in Millinery and Mantles, in Hosiery, Stays, and Gloves, we will have

GOOD SELLING,

as the temptations we have made in prices alone cannot fail to make a big draw. In Household Furnishings, in Boys' Ready-mades, in our Gent.'s Tailoring Department, nothing can surpass the value and the magnitude of our choice that we daily show and will try hard to maintain, assuring everyone of the most courteous attention, and in the end

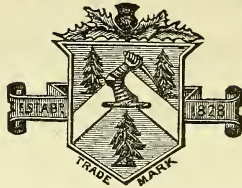

GOOD RESULTS

to both buyer and seller will have been obtained.
