REGISTRATION OF LETTERS.

Since January, 1841, a system of registration has been in operation, applicable to all descriptions of letters.

Letters intended for registration must be paid in stamps, and presented at the Post-Office at least 30 minutes before the closing of the letter-box for the particular mail by which it is to be dispatched. The registration fee is 6d. and must be prepaid.

In the case of Foreign, Colonial, or Ship letters, registration extends to the port of despatch in the United Kingdom only.

Letters *addressed to France*, may be registered to their destination; and those *passing through France*, so long as they may remain in the French territory—the former on payment of double the French rate to place of destination, in addition to the British rate and British registration fee—and the latter on payment of the usual postage rate, and registration fee. The arrangements for carrying out the system of registration have been made with a view of insuring the punctual delivery of registered letters; on their delivery, the parties to whom they may have been addressed will be required to sign a receipt.

MONEY ORDER DEPARTMENT.

The Money Order Office, for granting and cashing Money Orders, is open from 9, A.M., till 6, P.M., every lawful day.

The commission for money orders being, for sums not exceeding £2, three-pence; for sums exceeding £2, and not exceeding £5, sixpence. No order can be anted for sums beyond £5.

LIFE ASSURANCE.

THE system adopted by this Company combines the principle of MUTUAL ASSURANCE, with the security of a large Subscribed Capital, and the support of nearly *seven Hundred Partners*, of wealth and influence.

The Non-Participation Department embraces every description of Assurances on approved lives, at the lowest rates of premium consistent with safety.

The Participation Scheme was begun in 1840, and has been attended with eminent success. The first investigation was made as at 10th February, 1847, and the profits ascertained to have been realized, enabled the Directors to declare vested

Bonuses on all Policies opened in connection with the scheme, on or before that date, varying from 15 to 65 per cent. on the premiums received, together with Contingent Prospective Bonuses on such of them as should become claims by death before next investigation, which is to take place at 10th February, 1852. Policies of this description are generally preferred for Family Provisions, for which they are admirably adapted.

ANNUITIES are sold on favourable terms.

Forms of Proposal, and every additional information, will be given on application at the Head Office in Aberdeen, or any of the Agencies of the Company in Great Britain and Ireland.

THE Company effects FIRE and LIFE ASSURANCES, and grants ANNUITIES and ENDOWMENTS on favourable terms.

The LIFE BRANCH of the Office is so constituted as to combine all the advantages of the MUTUAL with the security of the Proprietary system, and the eminent success which it has experienced, together with the rapid progress it is still making, shew that it is duly appreciated by the Public.

The following are a few of the advantages offered:—

PERFECT SECURITY.

The engagements of the Company being guaranteed by a large PAID UP Capital and Accumulated Fund, and Proprietary of about ONE THOUSAND Partners of influence and respectability.

MODERATE RATES OF PREMIUM.

The varied and comprehensive Tables of the Company being so framed as to suit the convenience and circumstances of every class of persons assuring, whether as a provision for their families, or as a collateral security in pecuniary transactions; on comparison with those of other offices they will be found particularly favourable to the assured.

THE PARTICIPATION SCHEME.

Which offers peculiar advantage to the Assured—the Company's charge for Management and Guarantee being limited by the Act of Parliament to a SMALL FIXED

PER CENTAGE on the Premiums, and the whole of the Profits being thereafter divisible among the Assured. The Bonus already declared, on all Participation Policies, opened previous to 30th April, 1846, varies from *One and a Quarter to Twelve and a Half per cent.* on the Sums Assured; for example:—

- 1.—A Policy for £1000, opened on 30th April, 1837, was increased to £1125.
- 2.—A Policy for £1000, opened on 30th April, 1841, was increased to £1075.
- 3.—A Policy for £1000, opened on 30th April, 1846, was increased to £1012 10s.

And these additions, which range from THIRTY-FIVE to FIFTY-FOUR per cent. upon the Premiums paid, are vested, and become payable with the Sum assured whenever the claim emerges.

NO ENTRY MONEY CHARGED.

LIBERAL SURRENDER VALUES allowed on the Policies of Parties desirous of discontinuing their Assurances.
