INLAND POSTAGE REGULATIONS.

Letter Postage.

The rate of postage on all inland letters is regulated by weight, irrespective of distance, and (with the exceptions afterwards mentioned) is as follows, *if paid in advance* :—

Letter weighing not more than $\frac{1}{2}$ oz.	1d.
" " more than $\frac{1}{2}$ oz., but not exceeding 1 oz.	2d.
" " more than 1 oz., "	"	"	2 oz.	...	4d.
" " more than 2 oz., "	"	"	3 oz.	...	6d.

and so on; twopence being charged for every additional ounce.

As a general rule, the postage, if not paid in advance, is double the foregoing; and if the payment in advance be insufficient, double the deficiency is charged.

There is no limit to the weight of paid letters, but unpaid letters must not exceed 4 oz., and no inland letters or packets must exceed 24 inches in length, breadth, or depth. The only *exceptions* to these regulations, are in the case of—1. Parliamentary proceedings, or Addresses to Her Majesty.—2. Petitions to either Houses of Parliament, forwarded to any Member of such House.—3. Printed votes or proceedings of Parliament.—4. Letters or packets to or from

public departments or public officers in her Majesty's Service.—5. Letters, &c., to or from places abroad.

If the Stamps affixed to letters are mutilated or defaced, the letters will be liable to the unpaid rate.

A Stamp which has been cut from an envelope and affixed to a letter, entitles it to pass free of charge.

Re-directed Letters are charged an additional postage for each re-direction, according to the Prepaid Scale.

When the value of Stamps on a letter is less than the amount of the postage to which it is liable, the letter will be charged double the amount of such difference on delivery, but letters exceeding in weight four ounces, will be charged with *double* the amount of the difference between the stamps affixed and the prepaid rates, and be either detained and opened, and returned to the sender, or forwarded at the option of the Postmaster General.

All persons sending letters by the Post unpaid, which, from any cause whatever, cannot be delivered to the parties to whom they are addressed, are liable to pay the postage charged thereon, which may be recovered, with costs, by summary proceedings before a Magistrate.

By the 1st Victoria, cap. 36, sec. 2, any person illegally conveying Letters, incurs a penalty of £5 for every offence, and £100 for every week the practice is continued. The sender also incurs a penalty of £5 for every offence, with full costs of suit.

Periodical Publications, including Newspapers.

Periodical publications, including Newspapers, published in the United Kingdom, at intervals not exceeding thirty-one days, and which bear an impressed stamp or stamps denoting the stamp duty (of the kind formerly confined chiefly to newspapers) may be transmitted or re-transmitted through the post within the United Kingdom free from postage, under the following regulations, viz:—

They are subject to the same restrictions, with regard to the number of sheets and superficial extent, as were lately applicable only to Newspapers, properly so called. These restrictions are shown in the following table:—

Amount of Stamps impressed on the Publication.	Maximum Number of Sheets.	Maximum Superficial Extent of Letterpress on one side.
One Penny.....	Two.	2,295 inches.
Three Halfpence.....	Three.	3,443 „
Twopence.....	Four.	4,591 „

The impressed stamp on each publication must be at least of the value of one penny.

The title and date must be printed at the top of every page.

The publication must be folded so as that the whole of the stamp or stamps, denoting the full duty, shall be exposed to view; and when, in the same cover, there are more than two, it will be sufficient if they are so arranged as readily to admit of examination.

The publication must not be printed on pasteboard or card board, or on two or more thicknesses of paper pasted together, nor must any pasteboard, card board, or such pasted paper be sent with it as a back or cover thereto, or otherwise.

It must be posted within fifteen days from the date of publication.

It must either have no cover, or a cover open at the ends.

It must contain no enclosure.

No mark or writing is allowed but the name and address of the person to whom it is sent, nor anything on the cover but such name and address, the printed title of the publication, and printed name and address of the publisher or vender who sends it.

If addressed to any one within the free delivery of the place where it is posted, a postage stamp—1d., must be affixed.

Unstamped publications, or stamped publications, which have been issued more than fifteen days, can be forwarded within the United Kingdom, and to the Colonies, under the regulations of the Book Post.

Newspapers and other Periodicals, published in the Islands of Guernsey, Jersey, Alderney, Sark, Isle of Man, will be subject to the same regulations as those which are published in other parts of the United Kingdom.

Registration of Letters, &c.

By the prepayment of a fee of Sixpence (which must be made not in money, but by affixing stamps) letters, books, or other packets paying *ordinary* postage may be registered. This will make their transmission more secure, by rendering it practicable to trace them from their receipt to their delivery.

Book Postage.

	Not above 4 oz.	...	1d.
Above 4 oz.	...	8 oz.	...
... 8 oz.	...	16 oz.	...
... 1 lb.	...	1½ lb.	...

and so on, increasing 2d. per half-pound, or any less weight.

Book Packets limited in length, width, and depth, to two feet.

Conditions on which Books are forwarded at the above rates:

The postage must be fully prepaid, by means of postage stamps affixed.

Every packet must either have no cover, or a cover open at the ends. It may contain any number of separate books or other publications, prints or maps, and any quantity of paper, parchment, or vellum, either printed, written, plain, or any mixture of the three; together with whatever is necessary for the safe transmission of literary or artistic matter, or usually appertains thereto; to the exclusion of letters sealed or open, or any enclosure sealed or otherwise closed against inspection, or any letter or any communication of the nature of a letter written or printed in any such packet or on its cover. Entries, however, merely stating who sends the book, &c., or for whom it is given, are not regarded as a letter.

If a packet be not sufficiently prepaid with stamps, but nevertheless bear a stamp of the value of one rate (1d.) it is forwarded, charged with the deficient book-postage, together with an additional rate; but any packet which bears no postage stamp is charged with the "unpaid" letter postage.

COLONIAL BOOK POSTAGE.

At the following charges, and on the same conditions as the foregoing (except that no packet weighing more than three pounds can be sent to the East Indies or to New South Wales), book-packets can be forwarded to every British Colony—

To India, Ceylon, New South Wales, Victoria, Tasmania (Van Diemen's Land), South Australia, Western Australia, New Zealand, Mauritius. and Hong Kong, the charge is as follows:—

Weighing not more than 4 oz.	4d.
" more than 4 oz. but not exceeding 8 oz.	8d.
" " 8 oz.	"	"	1 lb.	...	1s. 4d.
" " 1 lb.	"	"	1½ lb.	...	2s. 0d.

and so on; 8d. being charged for every additional half-pound or fraction of a half-pound.

Charges to every other British Colony:—

Weighing not more than 4 oz.	3d.
" more than 4 oz. but not exceeding 8 oz.	6d.
" " 8 oz.	"	"	1 lb.	...	1s. 0d.
" " 1 lb.	"	"	1½ lb.	...	1s. 6d.

and so on; 6d. being charged for every additional half-pound or fraction of a half-pound.

FOREIGN AND COLONIAL NEWSPAPER REGULATIONS.

Newspapers sent abroad are liable to the same regulations as Newspapers circulating (under the Newspaper privilege), through the United Kingdom, except that, before going abroad, the name of the Newspaper must have been registered at the General Post Office, and that instead of requiring to have an impressed stamp, each Newspaper, if sent to a British Colony, is liable to a postage of one penny (which must be prepaid by a postage label or in money), together with an additional postage (as shown in the Table of Colonial and Foreign postage) when the Newspaper has to pass through a foreign country. In all cases of Newspapers going abroad, the impressed stamp stands for nothing.

RATES OF POSTAGE OF FOREIGN AND COLONIAL LETTERS, &c.

For Explanations, Exceptional Rates, &c., see page 66. The following Tables are subject to Alteration during the Year.

EXPLANATIONS AND MISCELLANEOUS INFORMATION.

ABBREVIATIONS.—Al, alternate; Apr., April; Belg., Belgium; Brit., British; ea., each; ex., exceptional; E., evening; ev., every; Marseilles; M., Morning; Mo., Month; Pt., Packet; Pub. Publications; Regis., Registered; Sun., Sunday; Sun. ex., Sunday excepted; Tues., Tuesday; v., via.

When the Day of Dispatch at London falls on a Sunday, letters require to be posted here a day earlier.

OPTIONAL OR COMPULSORY PREPAYMENT.—* The asterisk prefixed to a division (as that of Letters or Newspapers) indicates that in such case Prepayment is compulsory. In other cases, Prepayment is not compulsory unless the Letter be Registered.

DISTANCE TO WHICH THE POSTAGE CARRIES THE LETTER, &c.—d. The letter d prefixed to any division (as that of Letters or Newspapers) shows that the postage there entered carries the Letter, &c., from the place where it is posted in the United Kingdom to its place of destina-

tion. In all other cases, the postage carries it only part of the way. The word "Free," as applied in certain cases to Newspapers, &c., simply means that no charge is made upon them in this country.

ROUTES.—When the route by which a Letter, &c., is to go is not marked on it, it will, under ordinary circumstances, be sent by the route immediately following the name of the place. Thus, a Letter or Newspaper directed to India, with no route marked on it, will be sent via. Marseilles, and charged the higher postage attendant thereon.

EXCEPTIONAL RATES OF POSTAGE.—Rates of Postage chargeable upon Newspapers, Gazettes, Periodical Works, Stitched or Bound Books, Pamphlets, Sheets of Music, Catalogues, Prospectuses, Announcements, and Notices of various kinds, whether printed, engraved or lithographed, addressed to Belgium, France, Algeria, or the French Offices in Turkey, Syria, and Egypt; which rates must be paid in advance.

Periodicals not of daily publication, issued in the shape of pamphlets, may be sent to Belgium, Bremen, Hamburg, Holland, Prussia, and the United States at the following rate, *which must be prepaid*; not exceeding 2 oz. 1d.; 2 oz., and not exceeding 3 oz. 6d.; 3 oz., and not exceeding 4 oz. 8d.; with an addition of 2d. for every additional ounce up to 16 ounces, above which weight the privilege does not extend; and, at the same rate of postage, pamphlets not being periodicals, may be sent to the United States, if not exceeding 8 oz.

B. The privilege of the Book Post to and from India and New South Wales is limited to packages not exceeding 3 pounds in weight. Any package weighing more than 3 pounds, is liable to the Letter Rate of Postage.

G.U. According to the regulations of the German Customs' Union, no Letter exceeding 50 grammes (a little more than $1\frac{1}{2}$ oz.) in weight, and containing any other enclosure than paper, can be allowed to circulate by the post. Any Letters, then, forwarded in the Mail to Prussia, above that weight, and containing any other enclosure than paper, will be liable, on their arrival at the Prussian frontier, to be stopped, and sent to the Custom House for delivery as *freight*.

REGISTRATION OF LETTERS.—By the prepayment of the ordinary postage, and the usual British registration fee of 6d., Letters, Newspapers, and Book-packets can be registered, irrespective of weight, between this country and the British West Indies, British North America, Sierra Leone, Gold Coast, St. Helena, Cape of Good Hope, Natal, Mauritius, South Australia, Western Australia, Malta, Gibraltar, and Ceylon; and *Letters* may, on the same terms, be registered to Belgium, Luxemburg (via Belgium), Holland, and countries through Holland, Sardinia, the United States, India, and Liberia. By the prepayment of a fee of 9d., irrespective of weight, and of the usual postage, Letters may be registered to Prussia, and to those countries, the correspondence of which is, as a rule, sent through Belgium, or addressed "via Belgium," except Holland and Luxemburg; and, by the prepayment of a fee of 11d, irrespective of weight and of the usual postage, Letters may be registered to Tuscany, Parma, and Modena, as also to Venetian Lombardy, and to other parts of the Austrian dominions, when addressed "via Sardinia." By the prepayment of the postage, and of a registration fee equal to the postage, Letters may be registered to France, and (except Sardinia, Tuscany, Parma, Modena, and Venetian Lombardy, for which see above,) to countries, the correspondence for which is, as a rule, sent through France, and can be paid to destination. The countries to which Letters sent via France *cannot* be paid to destination are Spain, Portugal, the Ionian Islands, and those parts of Syria and Egypt where France does not maintain post offices. Letters for Russia, not otherwise addressed, are sent via Belgium and Prussia, and can be registered by that route by the prepayment of the postage, together with a registration fee, consisting of a fixed sum of 9d., and also of $3\frac{1}{2}$ d for every half-ounce or fraction of a half-ounce. Thus, the prepayment to be made for a letter not exceeding half-an-ounce, to Russia, is:—Postage, 11 $\frac{1}{2}$ d., and Registration Fee, 1s. 0 $\frac{1}{2}$ d.; together equal to 2s. By the prepayment of the ordinary postage, and British registration fee of 6d., a Letter for any other place can be registered to the Port of Dispatch, and entered upon the Letter Bill, it being left, in these cases, to the postal authorities of the colony or foreign country to continue the registration if they think proper.

STAMPS AND MONEY.—Books must always be prepaid in stamps; the prepayment of Letters outwards (that is, from this country to places abroad) may be made in money or English postage stamps.

WARM CLIMATES.—The practice of Sealing Letters, passing to and from the *East and West Indies*, and other warm Climates, with Wax (except such as is specially prepared) is attended with much inconvenience, and frequently with serious injury to the Letters, in consequence of the melting of the wax and adhesion of the Letters to each other; the public are therefore recommended, in all cases to use wafers in preference to wax in securing their letters sent to *India*, or other warm climates, and also to advise their correspondents in those countries to pursue the same course.

LIST OF POST-OFFICES IN SCOTLAND.

Explanations.

When in the snbjointed List *two* places are mentioned, the first is only a sub-office, and the second is the Head Office to which the first is subordinate.

In all cases the figres after a place show its distance in miles from the sub-office.

All Head Offices are Money Order Offices, but sometimes there is a Money Order Office nearer the Sub-office than is the Head Office. In these cases such Money Order Office is added as a *third* name, for the information of any persons who may wish to remit money to the neighbourhood.

As regards *Town Receiving* Offices those only are entered at which Money Order business is transacted; and these will be found under the names of the respective Head Offices.

Each Money Order Office is distinguished by an *o*.

The last word in the address of every letter, &c., should be the name of the town to which, or near to which, the letter is sent; except when the Post-Office at that town is only a sub-office, in which case the Head Office to which this Office is subordinate must be added; and except also that where there are two Post Towns of the same name the county must be given.

Life Department.

THE POLICIES, now in course of being issued by this Company, are free from all unnecessary restrictions, and secure every advantage derivable from the system of Life Assurance.

The Premiums are strictly moderate.

The Participation Scheme was begun in 1840; and the oldest Policies for £1000, in connection with it, are already increased to £1234 18s. 2d.; those for larger or smaller sums being proportionally augmented. Bonus additions may be surrendered for their value in cash, or an equivalent reduction of future Premiums; the Assured having their choice in all cases.

It is provided by the Company's Act of Incorporation that Investigations shall take place at intervals, not exceeding five years; and intermediate Bonuses are allowed when Policies, interested in one Investigation, become claims before another—an arrangement which secures for such cases advantages similar to those claimed for annual investigations.

The Business in the Participation Department has been greatly extended within the last few years.

Prospectuses, with every information, may be had on application at any of the Offices or Agencies of the Company.

Fire Department.

Common, Hazardous, and Doubly Hazardous Risks are undertaken at the usual rates of 1s. 6d., 2s. 6d., and 4s. 6d. per cent. respectively. Special Insurances at increased rates.

By order of the Directors,
CHARLES F. GRIFFITH, *Manager*.

THE UNIFORM PROMPTITUDE observed by this Insti-
tution in the settlement of Claims, it being the desire of the Directors to
relieve parties from unnecessary trouble or delay, together with the moderate
and safe rate of Premiums, and the steadily increasing business of the Society,
offer to intending Assurers every advantage that Life Assurance is capable of
affording.

During the last **Two Years** nearly **Five Thousand New Members** have
joined the Society.

ADVANTAGES OF THIS OFFICE.

1. Entire Profits belong to the Assured.
 2. No lawsuits—disputes, if any, settled by arbitration
 3. Any sum may be assured, from £50 to £5000, payable to the Member himself on attaining any fixed age, or at once to his representative in case of earlier death.
 4. Arrears may be paid up at any time within twelve months, upon production of certificate of health.
 5. Policies indisputable, except for palpable fraud.
 6. Purchase of Policies, or issue in lieu thereof, of a Policy without Premium. The Society will always be prepared to purchase the Policies of this Office at their equitable value, or will grant a New Policy in lieu thereof, without any further payment of Premium for a sum to be agreed on.
 7. Loans are granted to the amount of the surrender value, without any other security than a deposit of the Policy. By this rule the risk of Members losing the benefits of previous payments from temporary pressure of circumstances is almost entirely removed.
 8. Thirty Days allowed for payment of Renewal Premium; all Policies considered in full force until the days of grace have expired.
 9. Liberty to travel or reside in any part of Europe, in Canada, and in the Northern Part of the United States, without extra charges.
- N.B.—The Temperance and Public Sections are kept in separate classes, and will each receive their own profits.

THIS SOCIETY was the First Public Company established in Great Britain to obviate the inconvenience and defects of Suretiship by private Bondsmen, and its security is accepted by the Banks of England and Ireland, East India Company, and most of the Public Companies, Bankers Commercial and Trading Firms in the United Kingdom.

Persons of the highest character and qualifications frequently decline valu-

able appointments, either from an unwillingness to place themselves and their friends under so serious an obligation, or the great difficulty of obtaining satisfactory sureties; but the institution of this Society removes these difficulties.

The Guarantee Society undertakes, for a small yearly payment, to make good to the employer *any loss by the fraud or dishonesty* of the person employed, according to the amount specified in the bond, and therefore obviates the necessity for Private Sureties, as well as the evils arising therefrom, which often prove as prejudicial to the real interests of the Employer as to the person finding the Guarantee of private friends.

Employers, by the existence of this Society, are assured of the continued solvency of the surety for the person employed, and the security thus becomes a permanent one.

Friends and Relatives are relieved of the fear of those pecuniary losses to which persons are exposed who become responsible for the acts of others.

Rates from 10s. per centum per annum and upwards, according to the nature of the employment, or the amount of the Security required.

No charge is made for Stamp Duty, except in Special cases; the usual legal expenses of Surety Bonds will therefore be avoided by persons who enter on their respective duties under the Guarantee of this Society.

A reduction is made in the Premium on the Sixth Annual Payment.

The Policies of the Association are secured by a protecting Capital of ONE MILLION Sterling, subscribed by a large and influential body of Proprietors.

Life Assurance, Annuities. &c.

INFORMATION given regarding various LIFE ASSURANCE COMPANIES, and modes of Assuring,—to aid parties proposing Life Assurance, in selecting the OFFICE and the SCHEME suitable for their interest.

Life Assurance is a contract, usually for Life, and may last 20, 30, or 50 years. While, under one system, a Policy for £1000 may secure at death, just that sum to be paid to the heirs—under another system, and in a prosperous office, a Policy for £1000, at not greatly higher rates, may, after a long life time (and judging from past experience,) be increased by a share of profits, to perhaps £1500, onwards to £2000, or even upwards.

Prospectuses and forms of proposal may be had on application, and Assurance may be effected with eight out of the fifteen Scottish Offices (SCOTTISH WIDOWS' FUND, SCOTTISH PROVIDENT, NORTH BRITISH, EDINBURGH, LIFE ASSOCIATION, and others,) and thus a choice of Schemes, Offices, and Rates is afforded.

DIVISION OF PROFITS:

ONE DISTINCTIVE FEATURE in the STANDARD LIFE ASSURANCE COMPANY, the operation of which has contributed in a marked degree to the great success of the Institution, is the mode pursued in the DIVISION OF PROFITS among the Assured, and the Directors request attention to its peculiar advantages. The Divisions are made at intervals of five years, and the system is such that the greatest benefits are derived by those Members whose Policies are maintained for the longest period; in other words, *those who pay most Premiums*. Persons who effect Assurances as a provision for their families, or from other prudential motives, can thus look forward to *increasing* advantages as they advance in life, each period of Division they may survive bringing additional benefits.

The mode of division is essentially Tontine. The additions under that system, during the first few years from the commencement of Assurances, may not be so large as in Offices following a mode of Division where the earlier claims have the greatest benefit; but it cannot be doubted that the principle of Division in the Standard Company is the more equitable one.

The share of Profits attaching to a Policy may be applied to increase the Sum Assured, or the value may be received in Cash, or be applied to reduce and extinguish the Annual Premiums.

The Company have divided Profits at five periods—1835, 1840, 1845, 1850, and 1855, and in some instances the Bonus Additions made to Policies exceed the original sum assured.

The next Division of Profits will be made in 1860.

The privileges of this class are—Permission to travel and reside in any part of the world, *free of extra premium*; and the cancellation of all conditions under the Company's Policies, which thus become unchallengeable on any ground whatever, except non-payment of the ordinary premium.

REVIVAL OF POLICIES.

Policies not renewed within the days of grace do not become absolutely forfeited, but may be revived on certain conditions, any time within 13 months from the date of the Premium falling due. The regulations under this head are very favourable to the assured in other respects also, and are worthy of special attention.

## SMOKY CHIMNEYS.

**T**HE SUBSCRIBER has had long and extensive experience in the Curing of Smoke; has thoroughly studied the subject, by making himself acquainted with those simple but inexorable laws of nature which determine *aërial* currents under every condition, and without a knowledge of which parties may profess, and sometimes may be successful, in Curing Smoke, but they are just as likely to do harm as good.

This knowledge is the great desideratum needed to qualify one for Curing Smoke; and it were well that Architects paid a little more attention to this matter, for it often severely taxes the knowledge of the Smoke Doctor to remedy their errors.

Were Testimonials considered necessary, the Subscriber might give them; but they savour so much of the *quack*, and have been prostituted to the vilest of purposes, till honest men are ashamed to use them. Nor has he been patronised by Royalty, for he hopes, for the comfort of her Majesty and the credit of scientific gentlemen, that she, at least, is free of this nuisance.

The Subscriber may be consulted on Smoke, by letter or otherwise, at his Slate-yard, 78, John Street.

P.S.—SLATER WORK done in all its DEPARTMENTS.
