SECTION IX.—POSTAL DIRECTORY.

LIST OF POST TOWNS IN SCOTLAND
INCLUDING ORKNEY AND SHETLAND.

EXPLANATIONS.

When in the subjoined list one place only is mentioned, it is a Head Office, and when there are two, the first is a Sub-Office, and the second is the Head Office to which the first is subordinate.

All Head Offices are Money Order Offices, but sometimes there is a Money Order Office nearer to the Sub-office than is the Head Office. In these cases such Money Order Office is added as a *third* name, for the information of any person who may wish to remit money to the neighbourhood.

As regards *Town receiving* Offices, those only are entered at which Money Order business is transacted; and these will be found under the names of their respective Head Offices.

The last word in the address of every letter, &c., should be the name of the town to which, or near to which, the letter is sent; except when the Post-Office at that town is only a Sub-Office, in which case, the Head Office, to which this office is subordinate, must be added; and except, also, that where there are two Post Towns of the same name, the County must be given.

Offices at which both Money Order and Savings Bank business is transacted are marked thus (a), and those marked thus (c) are Insurance and Annuity Offices, and those marked thus (b) are Telegraph Offices.

There are also several places in the following list which are not marked, at which Railway Companies, collect and deliver Messages on behalf of the the Post Office.

Information in regard to such Railway Telegraph Offices, may be obtained at any Postal Telegraph Office.

Post-Office Telegraphs.

Office open daily from 7 A.M. to 9 P.M.; on Sunday from 9 to 10 A.M., and from 4 to 5 P.M.

TARIFF.

The charge for the transmission of Messages by Telegraph throughout the United Kingdom is one shilling for the first twenty words, and threepence for each additional five words or part of five words. The names and addresses of the sender and receiver are not charged for.

Telegrams may be repeated at the request of the sender, if he desires to adopt this extra security against risk of error, by being sent back from the Office at which they are received to the Office from which they are forwarded. The charge for repetition is one half the ordinary tariff, fractions of threepence being reckoned as twopence.

The cost of a reply to a Telegram may be prepaid.

Copies of a Telegram, directed to more than one firm or person in the same free delivery, will be delivered separately at an additional charge of threepence per copy.

Telegrams may be re-directed from town to town at an extra charge of one half the ordinary tariff, fractions of threepence being reckoned as twopence.

All numbers and fractions of numbers must be written in words, and will be charged for accordingly. For example, "365" should be written "Three Hundred and sixty-five," and when so written will be charged for as five words, and " $\frac{3}{4}$ " should be written "three-eighths," and when so written will be charged as two words.

PORTERAGE.

The sums charged for the transmission of Telegrams cover the costs of delivery by special Foot Messenger within the limit of one mile of the Terminal Telegraphic Office, or within the limit of the Town Postal Delivery of that Office, when it is a Head Office, and the Town Postal Delivery extends for more than a mile from it.

When the addressee does not reside within the above described limits, and the sender desires to have his Telegram delivered by special Foot Messenger, the charge will be sixpence per double mile or any part thereof. A sum of one shilling per double mile will be charged for the delivery of Telegrams by Cab, Fly, or Horse express.

When the addressee does not reside within the above described limits, and sender does not desire to incur the cost of special delivery, his Telegram will be delivered free of extra charge by the ordinary postal delivery next following on the arrival of his Telegram at the Terminal Telegraphic Office.

N.B.—No application can be entertained for compensation for alleged injury from the non-payment of a Money Order at the expected time. When a Money Order is applied for, it must be on the clear understanding that no such claim will be allowed, and that the Post Office is not liable, under any circumstances, to more than one payment of a Money Order, even when, notwithstanding the precautions that are taken, the order has been paid to a person not entitled to receive the money.

PRINCIPAL RULES OF THE GOVERNMENT INSURANCE AND ANNUITY OFFICE.

1. The Postmaster-General is empowered, under the Act 27 and 28 Victoria, cap. 43, to ensure the lives of persons of either sex, between the ages of 16 and 60, for not less than £20 or more than £100. He is also empowered under the same Act to grant Immediate or Deferred Annuities of not more than £50 on the lives of persons of either sex, and of the age of 10 years and upwards. The persons whose lives are insured, or to whom annuities are granted, by the Postmaster-General, have direct Government security for the payment of the money at the proper time.

2. Certain Post Offices (the names of which may be obtained at any Post Office) have been opened for the receipt of proposals for the Insurance of Lives and the Purchase of Annuities, and forms of proposal, with full instructions for filling up and delivering these forms, may be obtained at these Post Offices.

3. Tables of the premiums to be charged for the Insurance of lives; for the grant of Immediate Annuities; for the grant of Deferred Annuities or Deferred Monthly Allowances, without return of purchase money, and for the grant of Deferred Annuities or Deferred Monthly Allowances, with return of purchase money, have been printed, and may be seen at the Post Offices which have been opened for the receipt of proposals. These Tables may also be obtained of Messrs Eyre and Spottiswoode, London. The price of the Tables for the Insurance of Lives and the grant of Annuities without return of purchase money is 3½d. The price of the Tables for the grant of Annuities with return of purchase money is 2d. If sent by post, 5d is charged in the one case, and 3d in the other.

4. The Premiums to be charged for the Insurance of Lives vary with the ages of the persons whose lives are to be insured, and with the mode in which they are to be paid.

The Life of a Man or Woman in his or her 30th year, may be insured for £100 :—

Smaller sums may be insured by proportionate payments, but no one of the periodical payments must be of less amount than two shillings.

5. No one life can be insured for less than £20 in the whole, but when a life has been insured for £20, further insurances may be affected on the same life from time to time, for any amount, until the whole sum for which it is insured amounts to £100.

6. If, after having duly made his payments for a period of five years, the insured person shall be unable to continue, or shall desire to discontinue such payments, a portion of the premiums paid by him, which portion will in no case be less than one-third of the whole sum paid by him, will be returned to him.

7. The Sums to be charged for the purchase of Immediate Annuities will vary with the age and sex of the person on whose life the Annuity is to depend:—

	£	s.	d.
A Man aged 65 can purchase an Immediate Annuity of £10, payable half-yearly, for.....	88	18	4
A Woman of the same age can purchase a like Annuity for.....	103	16	8
A Man aged 70 can purchase an Immediate Annuity of £10, payable half-yearly, for.....	73	3	4
A Woman of the same age can purchase a like Annuity for.....	84	19	2

8. The Sums to be charged for the purchase of Deferred Annuities, or Deferred Monthly Allowances, will vary with the age and sex of the person on whose life the Annuity or Monthly Allowance is to depend; and with the length of the term for which the Annuity is deferred (or, in other words, with the number of years which are to pass before the commencement of the Annuity), and with the conditions of the contract as to the mode of purchase, mode of payment, and return or non-return of purchase money.

When the condition of the contract is to be that no part of the purchase money shall, in any event, be returned—

---	----	---	---

or,

An Annual payment, up to 60, of.....	1	17	6
--------------------------------------	---	----	---

and a man aged 30 may purchase a Deferred Allowance of £2 7s 3d per month, to commence when he reaches the age of 60, by a payment until he reaches that age of 8s per month; and a woman of like age may, by a like payment of 8s per month, purchase a Deferred Allowance of £1 16s 7d, to commence when she reaches the age of 60.

When the condition of the contract is that, in the event of the death of the person on whose life the Annuity or Allowance is to depend before the commencement of the Annuity or Allowance the purchase money is to be returned to his representatives, and that if the purchaser at any time before the commencement of the Annuity or Allowance is unable to continue, or wishes to discontinue the purchase, the purchase money shall be returned to him; the price charged will be higher than when no such condition is made.

Under this condition, a Man aged 30 may purchase a Deferred Annuity of £10, to commence when he

	£ s. d.
attains to 60 years of age, and to be payable half-yearly, either by an immediate payment of.....	40 9 2

or,

By an annual payment, until he attains to 60 years, of	2 0 10
--	--------

And a woman of like age may purchase a like Annuity, either by an immediate of.....	47 0 10

or,

By an annual payment of.....	2 7 6

and a Man aged 30 may purchase an Allowance of £1 14s 2d per month, to commence when he attains the age of 60 years, by a monthly payment of 8s: and a Woman of like age, by a like payment, until she reaches the age of 60 years, may purchase an Allowance of £1 9s 4d per month.

9. The Annuity or Monthly Allowance granted on any one life must not exceed £50 per annum, or £4 3s 4d per month: but purchasers need not purchase the whole amount of such Annuity or Allowance at one time. They may begin by purchasing such part as they can afford to purchase, and go on increasing their purchases from time to time as their circumstances will permit.

10. Husband and wife may each be insured to the full amount of £100, and may each purchase an Annuity of £50, or a Monthly Allowance of £4 3s 4d. Any two persons may purchase an Annuity on their joint lives, with or without continuance of the Annuity to the survivor.

11. Persons contracting for the insurance of their lives, or for the purchase of Annuities or Monthly Allowances, will be allowed to pay their periodical premiums or instalments of purchase-money at such of the Post Offices which have been or may hereafter be opened for the purpose, as will suit them best.

12. Persons proposing to effect Insurances on their Lives, or to purchase Deferred Monthly Allowances, must provide, at their own cost, such certificates of birth or baptism, or other evidence of age, as shall be required from them; but will not be required to pay any fee for medical examination, or to pay the cost of any inquiry which the Postmaster-General may think fit to make with regard to their health, habits, age, and occupation, or to pay any fee for the issue of any contracts which may be made in accordance with their proposals, or to pay any postage for the transmission of their proposals, or for the transmission of any correspondence arising out of such proposals between them and the Postmaster-General, inasmuch as a provision for all such costs and charges is included in the premiums which they will be required to pay, in accordance with the tables framed for the purpose, for the Insurance of their Lives or the purchase of Deferred Monthly Allowances.

Persons proposing to purchase Immediate or Deferred Annuities, payable half-yearly, must provide, at their own cost, such certificates of birth or baptism, or other evidence of age, as shall be required of them; and, inasmuch as the premiums fixed by the tables framed for the grant of such Annuities do not include any provision for costs and charges, must pay, at the time of purchase, a fee of 1s. for every £1 of Annuity purchased.

PRINCIPAL RULES OF THE POST-OFFICE SAVINGS BANK.

A. Post Office Savings Banks are established at all Money Order Offices in the United Kingdom, and are open for the receipt and payment of money daily during the hours appointed for money order business.

At these Banks deposits of One Shilling, or any number of shillings, will be received; but no one may deposit more than £30 in one year, or more than £150 in the whole, exclusive of interest.

Interest at the rate of £2 10s. per cent. per annum (which is at the rate of sixpence in the pound for each year, or at the rate of one halfpenny on each complete pound for each month, reckoning from the first day of the calendar month next following the day on which a complete pound has been deposited, up to the last day of the calendar month preceding the day on which the money is withdrawn) is allowed, until the sum due to a Depositor amounts to £200, when interest ceases to be allowed. The interest due to each Depositor is added to the principal due to him on the 31st December in each year.

B. Every deposit in a Post Office Savings Bank must be immediately entered by the Postmaster, or other person receiving it, in a book, which book is to be kept by the Depositor, and the Postmaster or other person re-

ceiving the deposit should affix his signature and the stamp of his office to each entry. Depositors should carefully examine their books before leaving the offices at which they make their deposits, and ascertain that they have obtained correct receipts for the sums deposited by them.

In addition to the receipts which the depositors will thus obtain in their deposit books, they will receive for each deposit an acknowledgment by post from the Savings Bank Department in London. This acknowledgment should reach the Depositor within three days from the day on which he makes his deposit, if the deposit be made in England or Wales. If the deposit be made in Ireland or Scotland, the acknowledgment should reach the Depositor within five days. The acknowledgment should be quite free from erasure, and should state the exact amount of the deposit, and the day on which the deposit was made. If the acknowledgment does not reach the depositor in proper time, or if, when it reaches him, it shows any signs of erasure, or does not agree with the entry in the Depositor's book, the Depositor should immediately apply to the Postmaster-General by letter, and should renew his application again and again until he obtains a satisfactory reply.

C. Once in each year, on the anniversary of the day on which the first deposit was made by him, the Depositor should forward his deposit-book to the Controller of the Post Office Savings Bank Department in London, in order that it may be compared with the books of that department, and in order that the interest due to the previous 31st December may be inserted in it.

D. When a Depositor wishes to withdraw the whole or any part of the sum due to him, he must make application for the same to the Postmaster-General, on a printed form called a Notice of Withdrawal, which he can obtain at any Post Office Savings Bank. When he has properly filled up this form, he must fold it and secure it, and forward it by post as if it were an ordinary letter. In return for it he will receive, probably by return of post, a warrant for the amount required by him, payable at the Post Office Bank named by him in the notice of withdrawal.

E. A Depositor in any Post Office Savings Bank may add to his deposits at that or any other Post Office Savings Bank, and may withdraw the whole, or any part of them, from that or any other Post Office Savings Bank, without change of deposit-book. For instance, if he makes his first deposit at the Post Office Bank at Aberdeen, he may make further deposits at, or withdraw his money from, the Post Office Bank at Aberdeen, or Leeds, Manchester, Birmingham, Edinburgh, Dublin, or any other place which may be convenient to him.

F. No charge will be made to Depositors for the books first supplied to them, or for the renewal of those books; but if any depositor shall lose his book, and shall desire a new book, he must make application to the Postmaster-General for the same, and must enclose in his application postage stamps to the value of 1s., to pay for the new book. If a depositor loses his book, he should immediately give notice of the loss to the Postmaster-General.

G. No charge for postage will be made on the Depositor for any letter passing between him and the Savings Bank Department with regard to his deposits, or with regard to the withdrawal of the same, or for the transmission of his deposit-book between him and the Savings Bank Department.

H. The Postmasters and other officers of the Postmaster-General employed in the receipt or payment of deposits, are strictly forbidden to disclose the name of any depositor, or the amount of his deposits, except to the Postmaster-General, or to such of his officers as are appointed to assist in carrying on the business of the Post Office Banks.

I. A full statement of the regulations of the Post Office Banks; may be seen in the "British Postal Guide," and at any Post Office Bank; where also information may be obtained with regard to the rules affecting—

- (A.) The deposits made by Trustees on behalf of another person.
- (B.) The deposits of Minors.
- (C.) The deposits of Married Women.
- (D.) The deposits of Friendly or Charitable or Provident Societies or Penny Banks.
- (E.) The repayment of the deposits of deceased Depositors to their representatives.
- (F.) The repayment of the deposits of Depositors who have become insane, or who are, from other causes, unable to act for themselves.

Inland Postage Regulations.

LETTER POSTAGE.

The rates of postage to be prepaid are as follows:—

For a letter not exceeding 1 oz.	1d
„ exceeding 1 oz., but not exceeding 2 oz.	1½d
„ „ 2 oz., „ 4 oz.	2d
„ „ 4 oz., „ 6 oz.	2½d
„ „ 6 oz., „ 8 oz.	3d
„ „ 8 oz., „ 10 oz.	3½d
„ „ 10 oz., „ 12 oz.	4d

A letter exceeding the weight of 12 oz. is liable to a postage of 1d for every ounce, beginning with the first ounce. A letter for example, weighing between 14 and 15 oz. must be prepaid fifteen pence.

As a general rule, the postage if not paid in advance, is double the foregoing; and if the payment in advance be insufficient, double the deficiency is charged.

No letter may exceed the dimensions of 18 inches in length, 9 inches in width, and 6 inches in depth. The only exceptions to these regulations are in the case of—1. Addresses to Her Majesty; 2. Petitions to either House of Parliament, forwarded to any member of such House, without cover, or in covers open at the ends; 3. Printed Parliamentary Proceedings; 4. Letters or packets to or from public departments or public officers in Her Majesty's service.

If the stamps affixed to letters are mutilated or defaced, the letters will be liable to the unpaid rates.

An unobliterated, embossed, or other postage stamp, which has been cut from an envelope, card, or wrapper, and affixed to a letter or other packet, renders it liable to be charged at the unpaid letter rate.

Re-directed letters are charged an additional postage for each re-direction, according to the prepaid scale.

All persons sending letters by the post unpaid, which, from any cause whatever cannot be delivered to the parties to whom they are addressed, are liable to pay the postage charged thereon, which may be recovered, with costs, by summary proceedings before a magistrate.

By the Act, 1st Victoria, cap. 36, sec. 2, any person illegally conveying letters incurs a penalty of £5 for every letter, and £100 for every week the practice is continued. The sender also incurs a penalty of £5 for every letter, with full costs of suit.

NEWSPAPERS.

(Inland.)

By the "Post Office Act, 1870," the use of the Inland Revenue impressed stamp denoting the stamp duty, under which Newspapers and other periodicals had been previously transmissible by post within the United Kingdom, was abolished, and a postage of one halfpenny was fixed for each transmission of any Newspaper coming within the definition laid down in the Act.

Inland Newspapers are subject to the following regulations:—

- 1st. To have the privilege of passing as a newspaper, the publication must first have been accepted as a Newspaper by the Postmaster-General, and have been placed on a Register at the General Post Office; from which it is liable to be removed, either through the non-renewal of the registration year by year, or in consequence of any change which may deprive it of the characteristics of a Newspaper. Registration for inland circulation includes registration for transmission abroad.
- 2nd. It must be printed and published in the United Kingdom, must be published in numbers at intervals of not more than seven days, and must be printed on a sheet or sheets unstitched.
- 3rd. The full title and date of publication must be printed at the top of the first page, and the whole or part of the title and the date of publication at the top of every subsequent page; and this regulation applies to "Tables of Contents" and "Indices."
- 4th. A Supplement must be unstitched, must in every case be published with the Newspaper, and must have the title and date of publication of the Newspaper printed at the top of every page; or, if it consist of engravings, prints, or lithographs, at the top of every sheet or side.
- 5th. For each Newspaper, whether posted singly or in a packet, the postage, when prepaid, is one halfpenny; but a packet containing two or more registered newspapers is not chargeable with a higher rate of postage than would be chargeable on a book packet of the same weight, viz., one halfpenny for every 2 oz., or fraction of 2 oz.
- 6th. A Newspaper posted unpaid, and a packet of newspapers posted, either unpaid or insufficiently paid, will be treated as an unpaid or insufficiently paid book packet of the same weight.
- 7th. The postage must be prepaid either by an adhesive stamp or by the use of a stamped wrapper.
- 8th. No newspaper can be sent through the post a second time for the original postage; for each transmission a fresh postage must be prepaid, except that in the case of re-direction the amount chargeable may be collected on delivery.
- 9th. Every newspaper or packet of newspapers must be posted either without a cover or in a cover open at both ends, and in such a manner as to admit of easy removal for examination. If this rule be infringed, the newspaper or packet will be treated as a letter.
- 10th. Every newspaper must be so folded as to admit of the title being readily inspected.

- 11th. A newspaper, whether posted singly or in a packet, which contains any enclosure except the supplement or supplements belonging to it, will be charged as a letter; unless the enclosure be such as might be sent at the Book rate of postage, and the entire packet be sufficiently prepaid as a Book Packet, in which case it may be allowed to pass.
- 12th. A newspaper which has any letter, or any communication of the nature of a letter, written in it or upon its cover, will be charged as an unpaid or insufficiently paid letter.
- 13th. No packet of newspapers must exceed 14 lbs. in weight, nor may exceed two feet in length, or one foot in width or depth.

BOOK AND CIRCULAR POST—(*Inland*).

Inland Book Postage is a half-penny for every 2 oz. or a fraction of that weight.

The postage on book packets must be fully prepaid, by means of postage stamps affixed.

A book packet posted wholly unpaid, will be charged with double the book postage; and if posted partially prepaid, with double the deficiency.

Every book packet must either have no cover, or a cover entirely open at both ends, and in such a manner as to admit of the contents been easily withdrawn for examination. It may contain any number of separate books or other publications, prints, or maps, and any quantity of paper, parchment, or vellum, either printed, written, plain, or any mixture of the three; together with whatever is necessary for the safe transmission of literary matter, or usually appertains thereto, to the exclusion of letters or any enclosure sealed or otherwise closed against inspection, or any communication of the nature of a letter written in any such packet, or on its cover. Entries, however, merely stating who sends the book, &c., or to whom it is given, are not regarded as a letter.

No book packet may exceed 5 lbs. in weight, or 18 inches in length, 9 inches in width, and 6 inches in depth.

P O S T C A R D S.

Post cards, which bear a half-penny stamp, are available for transmission between places in the United Kingdom only.

The front (or stamped) side is intended for the address only. There must be nothing else written, printed, or otherwise impressed on it, nor must there be any writing or printing across the stamp. On the reverse side any communication may be printed or written. Nothing whatever may be attached; nor may the Card be folded, cut, or otherwise altered. If any of these rules be infringed, the Card will be charged 1d on delivery.

No Card other than one of those issued by the Government will pass under a half-penny stamp, if it bear on it a written communication of the nature of a letter.

R E G I S T R A T I O N.

By the prepayment of a fee of fourpence, any letter, newspaper, or book packet, unless it be addressed to initials, or to a fictitious name, may be registered to any place in the United Kingdom or the British Colonies. (For registration to Foreign Countries, see Tables of Colonial and Foreign postage.)

The registration fee, as well as the postage, must be prepaid in stamps. The registration of a packet makes its transmission more secure, by rendering it practicable to trace it from its receipt to its delivery.

All Inland or Colonial letters which contain enclosures of coin, are treated as registered, and, if posted without registration, are charged on delivery with a double registration fee of eightpence.

COLONIAL AND FOREIGN PATTERN AND SAMPLE POST.

Patterns and Samples can be sent at the rates inserted in the Table of Colonial and Foreign Postage, to such places as are marked with the letter P. but they are restricted to *bona fide trade patterns or samples of merchandise*. Goods sent for sale, or in execution of an order (however small the quantity may be), or any articles sent by one private individual to another, which are not actually patterns, or samples, are not admissible.

Patterns or Samples, when practicable, must be sent in covers open at the ends, and in such a manner as to be easy of examination.

There must be no writing or printing upon, or in any packet, except the address of the person for whom it is intended, the address of the sender, a trade mark or number, and the price of the articles.

The limit of weight is not the same to all countries, see Table of Colonial and Foreign Postage.

A packet of patterns sent to Portugal, Madeira, the Azores, Cape de Verds, France, or to Turkey, Syria, or Egypt, by French Packet, must not exceed 18 inches in length, width, or depth, and a packet sent to any of the other countries must not exceed 24 inches in length, or 12 inches in width or depth.

EXPLANATIONS AND MISCELLANEOUS INFORMATION.

Explanations and Miscellaneous Information relative to the Table of Colonial and Foreign Postage.—

(c) denotes that prepayment is *compulsory*, it being in all other cases voluntary.

(a) that an additional charge is made on delivery.

(in) that the registration is incomplete, not extending beyond port of arrival.

(none) that no registration can be effected.

(p) that patterns can be sent.

LIMITATION OF WEIGHT AND SIZE.—In the cases marked thus *, the limitation of weight of newspapers, books, or patterns, is 3 lbs.; 1 lb. in the cases marked thus †; 8 oz. in the cases marked thus ‡; and 5 lbs. in all other cases.

No letter may exceed 2 feet in length, or 1 foot in width or depth.

No packet must exceed 18 inches in width, depth, or length, for France or Algeria, for Turkey, Syria, or Egypt, by French packet, or to the Azores, Cape de Verds, Madeira, or Portugal.

ROUTES.—When the route by which a letter, &c., is to go, is not marked on it, it will be sent by the route immediately following the name of the place in the foregoing table. Letters for India, China, &c., Baden, and Bavaria, will be sent by the route indicated by the postage paid upon them. Letters for Canada are sent by the first mail despatched.

When a letter, addressed to go by a route that requires prepayment, is posted unpaid, and there is some other route where prepayment is not required, it is forwarded by that route; but if there be none, it is sent to the Returned Letter Office, to go back to the writer.

OFFICER'S LETTERS.

Non-commissioned officers, private soldiers, or seamen serving abroad, can send and receive letters for a postage of 1d, provided the letter weigh not more than half an ounce, the postage be prepaid, and the direction distinctly specify the rank or class of the soldier or seamen, and the ship or regiment to which he belongs; but if any such letters have to pass through a foreign country, they are subject, in addition, to a foreign rate of postage.

Officers' letters addressed to ships of war on the Pacific Station (north or south), are subject to a postage of 1s 6d per $\frac{1}{2}$ oz. each.

PREPAYMENT, &c.

Letters to or from Australia, New Zealand, posted wholly unpaid, or paid less than one rate, are detained, and returned to the writers for postage; but those on which one rate (although not the whole postage) has been paid by stamps, are forwarded charged with the deficient postage and an additional rate as a fine. Letters for Tasmania must be fully prepaid.

Letters sent unpaid (wholly or in part) to foreign countries generally, *via* Belgium and Prussia, or to Greece, Portugal, Madeira, the Azores, and Cape de Verds, are charged with a postage of 2d per rate in addition to the deficient postage.

Letters posted wholly unpaid for Algeria and France, are charged 6d per $\frac{1}{2}$ oz.; and those posted wholly unpaid, or paid less than one rate of postage, for the Canary Islands, Majorca, Minorca, and Spain, are charged double the prepaid rate. Letters for the Canary Islands, Majorca, Minorca, and Spain, insufficiently prepaid, are, provided one rate at least be paid, charged with double the deficiency.

Those for Alexandria, Cairo, and Suez, sent *via* Marseilles by British packet, and those for Alexandria, Cairo, and Constantinople, sent by French packet, are charged 6d each, in addition to the deficient postage.

Letters for Ceylon and India are charged 9d each additional.

Letters posted unpaid (wholly or in part) for Belgium or Holland, *via* Belgium, are charged 3d each in addition to the deficient postage; those sent to Holland, *via* France, are charged 8d per single rate, and those for the United States, an additional postage of 3d each; and those for Switzerland, *via* Belgium, 3d per $\frac{1}{2}$ oz. in addition to the deficient postage.

The same rates are chargeable in this country upon letters posted unpaid,

wholly or in part, from the above places, except from Alexandria, Cairo, and Suez, *via* Southampton, China, Holland, *via* France, which are charged the prepaid rate only.

LETTERS BY PRIVATE SHIPS.

Letters intended to be sent by private ship, must be addressed, "By Private Ship;" and if by a particular vessel, the name of the ship must be added. HEAD OFFICE—9 ST. ANDREW SQUARE, EDINBURGH.

Accumulated Fund exceeds Five Millions.

IT is very important that those who purpose availing themselves of the advantages offered by Life Assurance, should make a thorough examination of the real position and prospects of the Office inviting their confidence, keeping in view the two main points for consideration :—

**Unquestionable Security, and
As Large Profits as the System of Life
Assurance admits.**

The published Statements of this Society afford the means of a close and critical examination of its affairs, and include the following :—

- | | |
|---------------------------|------------------------------------|
| 1. Balance Sheet. | 3. Revenue Account. |
| 2. Full Table of Bonuses. | 4. Full Table of Surrender Values. |

Since 1815

**POLICIES have been issued for TWENTY

that this great Business is not the result of amalgamation with other Offices, but has been obtained by direct transaction with Individual Members, whose eligibility has in every case been tested by Medical Examination, and approved of by the Directors.

THE ORIGINAL SOCIETY.

ESTABLISHED 1840.

THE GUARANTEE SOCIETY,

NO. 19 BIRCHIN LANE, CORNHILL, LONDON, E.C.

EMPOWERED BY SPECIAL ACT OF PARLIAMENT,
5 VICTORIA—SESSION 1842.

Suretiship undertaken for the Fidelity of persons in Situations of Trust, on the yearly payment of a small sum at a stipulated rate per centum :

THE SOCIETY'S SECURITY BEING ADOPTED BY

HER MAJESTY'S GOVERNMENT,

BY

The Bank of England ; the Bank of Ireland ;

The Council of the Duchy of Cornwall ;

The Secretary of State in Council for India ;

The Court of Chancery ; the Corporation of the City of London ;

The Principal Bankers ; Railway Companies ; Public Companies ; and
Commercial Firms in the United Kingdom.

THIS Society was the first Public Company established in Great Britain to obviate the inconvenience and defects of Suretiship by Private Bondsmen, and its security is accepted by the Banks of England and Ireland, the Secretary of State in Council for India, the Court of Chancery, and most of the Public Companies, Bankers, and Commercial and Trading Firms in the United Kingdom.

Persons of the highest character and qualifications frequently decline valuable appointments, either from an unwillingness to place themselves and their friends under so serious an obligation, or the great difficulty of obtaining satisfactory Sureties ; but the institution of this Society removes these difficulties.

The Guarantee Society undertakes, for a small yearly premium, to make good to the employer any loss by the fraud or dishonesty of the person employed, according to the amount specified in the bond, and therefore obviates the necessity for Private Sureties, as well as the evils arising therefrom, which often prove as prejudicial to the real interests of the Employer as to the person finding the guarantee of Private Friends.

Employers, by the existence of the Society, are assured of the continued solvency of the Surety for the person employed, and the security thus becomes a permanent one.

Friends and Relatives are relieved of the fear of those pecuniary losses to which persons are exposed who become responsible for the acts of others.

All necessary information can be had of the Secretary and Agents.

Rates according to the nature of the employment on the Amount of Security required.

Security granted on behalf of Receivers and Official Liquidators,
under the Court of Chancery, on advantageous terms.

MUTUAL LIFE ASSURANCE

Scottish Provident Institution,

No. 6 ST ANDREW SQUARE, Edinburgh.

THE Report to the 34th Annual General Meeting announced a New Business larger than in any former year—1336 Proposals having been accepted for £713,045, besides Annuities. At the close of the year the subsisting Assurances were 16,146 for £7,660,376 18s; and the Claims from Deaths in the year were £114,070 1s, or less than $1\frac{1}{2}$ per cent. of that amount.

The Realised Funds amounted to £1,902,646 6s 11d, having increased in the year by £137,395 6s 1d. Notwithstanding its moderate premiums, no office of the same age has so large a Fund, or shows so large a yearly increase.

Progress of the Institution in the last four years :—

In Year.	New Policies issued.	Amount Assured.	Claims in Year.	Accumulated Fund at end of Year.
1868	1092	£541,127	£80,284	£1,499,015
1869	1190	581,036	93,663	1,636,249
1870	1163	612,025	111,057	1,765,251
1871	1336	713,045	114,070	1,902,646

The Funds have thus increased by £400,000 in the last three years.

DISTINCTIVE FEATURES.

The Premiums usually charged for £1000 will here, in most cases, assure (with Profits) £1200 to £1250 from the first, being equivalent to an *immediate* and *certain* "Bonus" of 20 to 25 per cent.

The whole surplus belongs to the Members; and being *reserved* for those who prove good lives, considerable Bonuses *in addition* have been, and may, be expected to be, given.

Copies of the Annual Report, with Tables of Rates and full information may be had on application.

37½ White Street, Borough.

Messrs. BURNETT & Co.

London, 10th Decemb er, 1864.

Gentlemen,—We have given careful attention to the quality of the Soldering Fluid we had from you, and are glad to say that it is superior to any we have hitherto used. Less Solder does the work better and quicker.

Yours respectfully, BROWN & Co.

ANCOAT'S TIN WORKS, Wharf Street, Canal Street, Manchester.

Messrs. BURNETT & Co.

31st January, 1866.

Gentlemen,—In reply to your inquiry respecting the merits of Baker's Preparation for Tinning and Soldering, I beg to inform you that I find it very much better than either spirits or resin. I have used it for all kinds of general work, and my men say that they can do more and better work with it than anything previously used for the purpose. I also prefer it to spirits for another very essential reason, that it does not rust the work.

Yours truly, T. FLETCHER.

And numerous others, whose Testimonials may be seen.
