NOTES

Officers and others who may notice errors or omissions in the List are invited to communicate direct with

THE SECRETARY OF THE ADMIRALTY,
(Editor of the Navy List) London, S.W.1,

mentioning the ship or page affected.

Such communications should be marked "On His Majesty's Service," and need not be stamped.

The Seniority Lists of Officers on the Retired, &c., Lists will appear annually in the July issue of the Navy List. Otherwise this Navy List includes all retired and emergency officers serving.

The rates of pay, regulations, &c., are contained in a separate publication entitled "Appendix to the Navy List," which appears in June and December.

No appointments made after the 18th of the month preceding publication can be inserted in the Navy List until the following List is published.

Officers who succeed to peerages, baronetcies, or courtesy titles should immediately notify the same to the Secretary of the Admiralty, in order that the necessary alterations may be made in the Navy List and in the Official Records of the Admiralty.

The degrees shown after Officers' names in the Navy List are not necessarily a complete list of the Degrees held, but generally speaking are confined to degrees of an honorary nature conferred specially upon an Officer and degrees which are so related to the professional duties of an Officer as to give some indication of his professional qualifications.

The Navy List is compiled and published by order of the Lords Commissioners of the Admiralty for the convenience of the Service; but, as errors may occasionally occur, their Lordships must expressly reserve their right to determine the status of any Officer according to the actual circumstances of the case, independently of any Entry in the Navy List.

By command of their Lordships,

H. V. MARKHAM.
