DUNCAN M^cINTYRE.

DUNCAN M'INTYRE, Author of the following Poems, was born in Glenorchy, Argyleſhire, in the year 1724. The only amuſement of his youth was fowling and fiſhing. He was for ſome time in the army: Afterwards a Foreſter to the Right Honourable the Earl of Breadalbane, in Coire-Cheathaich and Beinn-Dourain; and thereafter to his Grace the Duke of Argyle, in Buachill-Eite. He was likewiſe, for a conſiderable time, in the City-guard of Edinburgh.—He began to compoſe Songs in the twenty-third year of his age.—Though he has received no education, nor been aſſiſted by any perſon, yet the following Songs, &c. are wholly of his own compoſition.

XI.

An cloidheamh braoiſgeach, bh'aig na daoine
Nach d'rinn caonag 's nach d'thug buillean,
Cha ro eugas air an t ſaoghal,
'S mairg a ſhaoruich leis an cumeaſg;
An cloidheamh duth air an ro 'n taimhleas
Gun chrios, gun chrambait, gun duille,
Gun ruinn, gun fhaobhar, gun cheanbheart,
'S mairg a tharladh leis an cunthart.

XII.

Thug mi lium an cloidheamh bearnach,
'S b'olc an an aſuig e ſa' chabhaig,
Bhi ga ghiulan ar mo ſhliaſuid;
'S mairg mi riamh a thug o'n bhail é,
Cha toir é ſtobadh na ſathadh,
'S cha ro é laidir gu gearradh
Gu'm b'e diuthadh a bhuill airm é,
'Se air meirgeadh air an fharadh.

XIII.

Chruinnich uaiſlean Earraghaidheal,
Armailt laidir do mhiliſi, [lach,
'S chuaidh iad mu choinnimh Phrionns' Tear-
'S duil aca r'a champ a bhriſteadh;
S ioma fear a bh' ann ſan ait' ud
Nach ro ſabhailt mur bha miſe,
A'mhead ſa dhfhag ſinn an ſan áraich,
La blár na h Eaglais brice.

ORAN II.

Oran do Thailbeart a bha aig Ban-ri Mairi.

I.

DEOCH ſlainte Ri Deorſa,
Gu'n olainn ar thus,
Le onoir 's le buaidh
Nan daoin uaiſl' tha na chuirt,
Le Seanalair Hawley,
As Maidſear Cochun,
Gun di' chuimhn' air Mairi,
Bean mhálta mo ruin.

II.

Mo bheannachd gu bráth
Aig a Bhan-ri nach beo;
'San aic' a bha Mairi,
G'a h árach 's i og;
Bean ſhiobhalta, ſhamhach,
'S i nárach gu leor:
'Nuair theid mi 'n tigh thairne,
'Si phaigheadh mo ſtóp.

III.

'Stu chumadh an co'throm
'S an onoir 'ud rium,
'S a chuireadh a'm ſporan,
Na dollair 's na crúin,
Ged' a dh' ólainn leann laidir,
Fion Spáinteach as rúm;
'S tu b' urrain a phaigh,
'S tu 'n ait air mo chúl.

IV.

Nuair thiginn leat dathigh,
Thar faithch' an rabhiu,
'S tu sínnt ann am bhreacan,
Bu taitneach leam thu;
Gu'n deanuin do thaſguidh,
Far am faicinn do ghnuis,
Mo Mhairi dhonn mhaiſeach,
Air 'n do leag mi mo rún.

V.

'S ann do nian na Ban-rì
Thug mi grádh as mi óg,
O'n a fhuair mi air laimh i,
Cha ro faillin a'm lón;
Fhuair mi coir ort o'n chaiptein,
Nach tugainn ſeachad air ór,
'S ge do rachuin am blár leat,
Cha 'n fhágain thu beo.

VI.

'S ann a fhuair mis' an toiſeach,
Leis an fhortan a bh' ann,
A bhean as diriche pearſa,
Theid a mach ſa' chommand;
'S a dh'aindeoin na h aoiſe,
Cha dean i h aogas a chall,
Cha chaoluich a caſan,
'S cha mho ghlaſas a ceann.

VII.

Tha Mairi cho boigheach
Ri mnaoi oig a tha 's tír,
'S i gun uireaſbhuidh foghluim,
Uaſal, mordhalach, grinn;
'Se m' aidhir 's mo ſhólas,
Gu'm bheil i póſda rium fhin,
'S ge 'd a thearuig dhuinn ſtóras,
Gheibh ſin ór aig an Ri.

VIII.

Bi ſinn uil' aig Ri Deorſa,
'S cha ghóruiche dhuinn;
O's ann aige tha' n ſtóras
As cóir air a chrún;
Bheir é 'm paigh 'nar dorn duinn,
'S cha 'n iar é oirn dad g'a chion,
Gheibh ſinn anart as aodach
Co ſaor ris a bhúrn.

IX.

Cha 'neil triobloid r'a chunntas,
Air muintir an Ri,
Ach miorag as ſugradh,
'S bi gun churam do ni ;
Ged' a dh' ólainn na galain,
A h uile car a theid diom,
Cha troideadh mo bhean rium,
'S cha leig i an t aran am dhi.

X.

'S ann agams' tha 'n leannan,
Nach 'eil feammach na brein,
'Si 'n uaiſl' tha na mala,
Tha cuir a ceanail an geil,
'S tha mi fad an am barail,
Nach 'eil a coimeas fu' 'n ghrein,
'S ni mi pórſan dith daingean,
Mu bhios i mairthean a'm dheigh.

ORAN III.

Oran do 'n Mhusg.

I.

'SIOMADH car a dh'fheudas tighn air na fearaibh
Is theag' gu'n gabh iad gaol air an té nach fhuigh
iad, [mi,
Thug mi fichead bliadhna do'n chiad té ghabh
Is chuir i 'rithist cúl rium, is bha mi folamh.

II.

Is thainig mi Dhun-eudan a dh'iarraidh lean-
nain, [bhaile,
Is thúirt an Caiptin Caimbeul, 's é 'n geard a
Gu'm b'aithne dha bantrach ann áite falaich,
Is gu'n deanadh é áird air a cur a'm 'charaibh.

III.

Rinn é mar a b' amhaist co'mhaith 's a
ghealladh,
Thug é dhamh air laímh i, 's am páidh marri;
Is ge b'e bhios a feóraich a h ainm no floinneadh,
Their iad ria Seónaid, 's b'e Deorsa fean-aír.

IV.

Tha i ſoitheamh, ſuairce, gun ghruaim, gun
ſmalan,
Is i cho' árd ann uaiſle re mnaoi ſan fhearan,
Is culaidh a m' chumail ſuas i, o'n tha i marrium,
Is mór an t' ádh'r ſmuairein do'n fhear nach
fhuigh i.

V.

Leig me dhiom Nic-cóſhum ge d'tha i mair-
thean,
Is leig mi na daimh chrocach an taobh bha 'n ſaire,
Is thao' mi ris an og mhnaoi, 'ſann lium nach
aithreach,
Cha n'eil mi gun ſtóras on phós mi 'n ainnir.

VI.

Bheir mi fhein mo bhriathr' gu bheil i ro-
mhaith,
Is nach d'athinich mi riamh orra cron am falach,
Ach gu foinneamh, finealta, díreach, fallain,
Is i gun gháoid, gun ghiomh, gun char fiar,
gun chamadh.

VII.

Bithidh i air mo ghiulan, 's gur maith an airidh,
Ni mi fhein a ſgúradh gu maith 's a glanadh,
Chuirinn ri' an t uilleadh ga cumail ceanalt,
Is cuiridh mi ri m' ſhuil i, 's cha diult i aingeal.

VIII.

'Nuair bhios cion an ſtórais air daoinibh ganna,
Cha leigeadh nian Deorſa mo phoca folamh;
Cumaidh i rium ól ann ſna tighibh leanna,
'S páidh i gach ſtópan a ni mi cheannach.

IX.

Ni i mar bu mhian leam a h uile car dhamh,
Cha 'n innis thi breug dhamh, no ſgeul am mearachd; [lium,
Cumaidh i mo theaghlach có-maith 's bu mhaith
Ge nach dean mi ſoathair no obair ſhalach.

X.

Sgíthich mi ri gniomh, ge nach d'rinn mi earras, [ſgaloig,
Thug mi boid nach fhiach leam bhi ann a'm
Sguiridh mi g'am phianadh, o'n thug mi 'n aire,
Gur th' é' n duine diamhaoin is fhaide mhaireas.

XI.

'Si mo bheanag ghaolach nach dean mo mhe-alladh,
Foghnuidh i dhamh daonan a dheanamh arain;
Cha bhi fáilliun eadaich orm no anart,
'S chuaidh curam an tſaoghail a nois' as m'aire,

ORAN IV.

Oran do'n Righ.

I.

'Si deoch ſlaint' an Righ as áil linn,
Sin an ioc-ſhlaint aluinn, uaſal,
Bhi ga h ol a dh'fhión na Spainte,
No do phuinſe laidir, uaibhreach,
'Nuair a bhios i air a ſtráchdadh
Co lán 'ſa chumas na cuachan,
Ge b'e lamh an dean i tachairt,
'S coir gu'm faiceadh é muncuairt i.

II.

'S mor an ſonas th' ann ſan ríoghachd,
Ona chuaidh an Ri ſo chrúnadh,
Ann ſan ait' a bh' aig a ſhinns'reachd,
An d'fhuair a ſhéan-ſeanair cóir dhúthchais,
Albainn, as Saſgunn, as Eirinn,
'Nois' a' géileachduin do 'n aon fhear,
Mar nach fhacas iad riamh roimhe
O'n a chothuicheadh air thús aid.

III.

'S mor an t ádh a th' áir an oig-fhear,
An treas Deors' a ſhuith ſa' chaithir,
Cha neil Ri ann ſan Roinn-eorpa,
Chumas cómhrag ris le cloidheamh;
'S óg a thoiſich é ri cruadal,
'S tha bhuanachd gu tric na lamhan,
Fearann chaich 'ga ſhír thoirt uatha,
'S na h uil' aite fhuair é ghleidheadh.

IV.

'S iomadh ait' an ro chuid armailt,
Cliutach, ainmeil 'nuair a thairnt' iad
A choiſichin lúthar, calma,
A's troup meamnach nan each laidir;
Bha Eirionnaich, Gaoill, as Sas'naich,
'Nan gaiſgich ann tir an namhaid,
'S mairg a thach'radh air na fearuibh,
'Nuair a theannadh iad ri lamhach.

V.

Ann ſa h uile cás a's cunthart,
'S mor an t urram fhuair na Gaidhil,
'S bha'as greis ga 'n cuir an duileachd,
Mar nach buineadh iad do'n phairti;
Ach 'nuair fhuair iad mios as creid'eas,
'Sa chreideadh nach deanadh iad failling,
'Siad bu ſheaſmhaich' air an onair
A thug lann ſholais a ſcábart.

VI.

Bha iad bras a h uile latha,
Ri ám catha dol fna bláruibh,
Chuaidh gach duine dhiu air chruadal,
'S ann orra bha buaidh gach lárach,
Bha commifean aig gach oig-fhear,
'S e toirt órdugh d'a bhratailean,
'S iad cho dileas do Ri Deorfa,
'Sa bhiodh na leoghain dha'n cuid álaich.

VII.

Bha chairt-iuil is cuimhl' an fhortain,
Bha feoid a chogaidh gu leir leat;
Ann fa h uile blár a bh' aca,
Rinn Mars na bu choir dha fein deth:
'N ám do loingis bhi 'gan gluafad,
Chuir Æolus fuaim led' bhréidean;
Thug Neptune co-throm a chuain duit,
'S co bha uait a dheanadh feum dhuit.

VIII.

Bha na gearafdain cho daingean,
'S gu'm b' amaideach dol gan feifdeadh,
Aghaidh laidir air gach balla,
Chum nam barag a bhi gleidhteach,
Rampair árd nach reachta thairis,
Bat'raidh 's canain orra gleufda,
Bu mhairg a bhiodh roimh an anail
'Nuair a theannadh iad ri geifgil.

IX.

Gach Ri a thoifich ad' aghaidh,
Ghabh iad mar roghain an diutha,
'S ionan fin 's mur dh'eirich dhaibhfan,
'S mor a chaill iad air a chúis ud,
Thug thu tarruing bhar an Fhrancaich,
'S fhuair thu ceanglaichin a's cumhnant,
Nach togadh é rithifd t'angar,
Mu'n eireadh aimhleas ni bu mho dha.

X.

Bha Ban-ri Hungary górach,
'Nuair a thoifich i ri ftri riut;
'S cha bu ghlice Ri na Spainte,
Thoifich é gu dana mi-mho'il:
Ged' a bha 'n dithifd ud laidir,
'S Ri no dha a bh'ann fna h innfean;
Fhuair thu dhiu gach cuis a dh'iarr thu,
'S tha na fiachan air an dioladh.

XI.

Tha 'n Ri anoís' mar as aill leis,
Sábhailt a dh' fhaodas é luighe,
Tharruing é gu tír a chamhlach,
'S channeil feum air camp a ghléidheadh
Gach duine bha dha 'nan naimhdean,
Chinn iad da 'nan cairdean matha,
'S tha iad uile dha cho díleas,
'S dh' fhuirich an t fiocha' fin fhathafd.

XII.

An ceithir airdean an t ſaoghail,
Tha fearunn as daoin' aig Deorſa,
'S tha chinn-euglais ann ſgach áite
Chum an ſábhaladh ó dho-bheairt,
Tha lagh a's parlamaid aca,
Chumail ceartais riu a's córach,
'S tha mheirl' ann deigh a caſga,
Sguir na creachan a's an tórachd.

XIII.

Bi' a h uile diuc a's iarla,
Mar as miann leo am fad as beo thu,
'S gheibh gach mor-fhear, as gach tighearn',
A h uile dlitheadh as coir dhoibh ;
Tha daon uaiſl', as tuath an fhearuinn
Mar as math leo thaobh an ſtórais,
Tha luchd ceaird a faotain coſnaidh,
'S channeil duine bochd gun phórſan.

XIV.

Tha toradh am fás na talmhuin,
Gu mioſach, ar' arach, pórach,
Chinn ann ſpreidh gu bliochdach, bainn'cr,
Sona, ſliochdór, ſáilleach, feólór,
Tha ſitheann air ſliabh gach garbhluich,
Sealgairean a faotain ſpórſa,
'S tha tighin air iaſg na fairge,
'S paillt an t airgiod ri linn Dheorſa.

XV.

'S mór a rinn e dh' fhearas-tighe,
Sgaoil é h uile matheas oirne,
Chuir é drochaid air gach álltan,
'S réitich é na ráidean-mora;
Chuir é fcoil fa' h uile gleann,
A los gu'm faigheadh ar clann foghlum,
'S gheibh finn airm a's aodach Gaidh'leach,
O 'fe 's fhear linn gu bhi fporfail.

XVI.

'Se as airde do na flaithibh,
'S am mac-ratha o thús oige,
Ceannard laidir fa' h uil' ionad,
Air gach fineadh 's air gach feorfa;
Titul Bhreattain a's na Fraince,
Tha na banntan fin 'na phóchda,
Stoileadh Eirinn, fteibh a' chreidimh,
G'a chumail creid'eafach ann órdugh.

XVII.

Gu meal thu do chrún 's do chaithir,
D' uinein, do chloidh' 's do mhor-chuis,
'S do theaghlach mór, rioghail, cliutach,
'S an lu chairt am bheil thu chomhnuidh;
Ge b'e uair a thig an aois ort,
Na chaochla's tu bhar an t feoil fin,
Gu'm bi do mhac-oighre fábhailt,
Ann ad' aite mar is coir dha.

ORAN V.

Mu 'n choire gharalaich, 'g an ainm an Ceo.

ORAN VII.

Cumhadh Choire-cheathaich.

Air fonn, The Flowers of Edinburgh.

I.

'S Duilich leam an caradh
Th' air coire gorm an fháſaich,
Ann raibh mi greis am arach
'S an bhraidhe ſo thall;
'S iomadh fear a bharr orm,
A thaitneadh e r'a nádur,

Na 'm biodh é mar a bha é,
'Nuair dh' fhág mi e nall;
Gunnaireachd is lamhach
Spurt is adhbhar ghaire,
Chleachd bhi aig na h ármuinn
A b'abhaisd bhi sa' ghleann,
Rinn na fir ud fhágail,
'S mac eoghain tanna drásta,
Mar chlach an ionnad cápaig
An aite na bh' ann.

II.

Tha 'n coir' air dol am fáillin,
Ged' ithear thun a bhlair e,
Gun duin aig am bheil cás deth
Mun ait' ann san ám;
Na feidh a bh' ann air fhagáil,
Cha d' fhuirich gin air arruinn,
'Scha 'neil an aite támha
Mar bha e sa ghleann.
Tha 'm Baran air a sharuch'
'S dhartluich air an taladh,
Gun sgil aig air an nadar
Ged' thainic e ann.
B' fhear dha bhi mar b' abhaist,
Oscionn an t soigheich chátha,
'Sa lamhan a bhi lán di,
Ga fasgadh gu teann.

III.

Se múgha' air an t ſaoghal
An coire laoghach gaolach,
A dhol anois air faoin-traigh,
'S am maor a theachd ann :
'S gur h é bu chleachdain riamh dha,
Bhi truſa nan cearc biata,
Gur tric a rinn iad ſiathnail,
Le pianadh do lámh,
Is iad na 'm baidnibh riabhach,
Mu d' amhaich 's ann ad ſgiathan,
Bhiodh iotaillich is ſgiabail
Mu d' fhiaclan ſan ám,
Bu ghiobach thu re riaghailt,
Mu chidſin tighe 'n iarla,
Gar nach b'e do mhiann
Bhi cuir bhian air an ſtaing.

IV.

Ged' tha thu 'nois ſa' bhraighe,
Cha chompanach le cách thu,
'S tha h uile duine táir ort
O'n thainig thu ann ;
'S eigin duit am fágail
Na 's meaſa na mar thainic,
Cha taitinn thu re 'n nádur,
Le cnamhan 's le cainnt ;
Gad fhaiceadh tu ghreidh uallach,
'Nuair rachadh tu mun-cuairt doibh,

Cha dean thu ach am fuadachadh,
Suas feadh nam beann.
Leis a ghunnadh nach raibh buaghar,
'Sa mheirg air a toll cluaise,
Cha 'n eirmis i na cruachan,
An cuaille dubh cam.

V.

Se 'n coire chuaidh an deis-laimh,
O'n tha e nois' gun fheidh ann,
Gun duin aig am bheil speis diu,
Ni feum air an cúl,
On tha iad gun fhear ghlédhte,
Cha n' fhuirich iad ri chéile;
'S ann a ghabh iad an ra-treata
Seach rédhlean nan lúb.
Cha 'n 'eil prís an ruadh-bhuic,
An coille na air fuaran,
Nach b' eigin da bhi gluasad
Le ruaig feadh na duth'ch':
'S cha' n' eil a nois' mun-cuairt da,
Aon spúrt a dheanadh suairceas,
Na thaitneadh re duin-uasal
Ged' fhuasgladh e chú.

VI.

Tha choille bh' ann san fhrí ud,
Na cuislin fada díreach
Air tuitim is air crionadh
Sios as an rúsg;

Na prifein a bha bríoghar
Na dofaibh tiugha lionmhur,
Air feachda' mar gu'n fpiont' iad
A nios as an úir:
Na failleinin bu bhoidhcheadh,
Na flatan is na hógain,
'San t áit' am biodh an fmeórach
Gu módhar a fein ciúil,
Tha iad uil' air coachladh,
Cha d' fhuirich fiodh na fraoch ann;
Tha mullach bhar gach craoibhe,
'S am maor 'ga thoirt diú.

VII.

Tha uifge frath na díge,
Na fhruthladh dúbh gun fiola',
Le barraig uaine liogh-ghlais
Gu mi-bhlafda grannd;

An cinn an duilliag bháite,
Cha 'n 'eil gne tuille fás
An fan ait' ud fan ám;
Glumagan a cháthair,
Na ghluguibh domhain, fámhach,
Co tiugh re fúdhan cáthadh,
'Na láthaich 's na phlám;
Sean bhurn fálach ruodhain
Cha ghloine ghrunnd na uachdar,
Gur coflach re muir ruaidh e,
Na ruaimle feadh ftanng.

VIII.

Tha 'n t ait an raibh na fuarain
Air fás na chroite cruaidhe,
Gun ſóbhrach, gun dail-chuach,
Gun lus uaſal air carn;
An ſliadh an raibh na h éildean,
An aite laidhe 's eiridh
Cho' lom re cauſar féille,
'S am feur chinn e gann;
Chuir Alaſtair le gheiſgeil,
A ghreidh ud as a cheile,
'S thur leam gur mor an éu-coir
An eadail a chall;
Cha lughadh 'n t adhbhar mío-thlachd,
Am fear a chleachd bhi tíorail,
A' tearnadh is a direadh
Re frí nan damh ſeang.

IX.

Ach ma's duine do ſhliochd Phάruic,
A theid a nois' do'n áite,
'S gu 'n cuir e as a láraich
An tách'ran a tha 'nn;
Bidh 'n coire mar a bha e,
Bidh laoigh is aidhein dár ann,
Bidh daimh a dol ſan dámhair,
Air faſach nam beann;
Bi' buic ſna baddan blátha,
Na bric ſan abhuinn laimh riu,

Sna feidh an frath na láir'ge
Ag árach na mang,
Thig gach uile ni g'a ábhaift,
Le aidheir is le ábhachd,
'Nuair gheibh am Baran bairlin,
Sud fhágail gun taing.

ORAN VIII.

ORAN IX.

Oran do Ioin Caimbeul a' bhanc.

I.

Ioin Chaimbeul a' bhanca,
Gu'm faiceam thu ſlán,
Fhir a chumail na dáimh,
'Gam buineadh bhi mór ;
Le d' chroidhe ſial, fearail,
A thug barrachd air cách,
Ann iomadaidh cás
A thuilleadh nan ſlógh.
Fhuair thu meas, nach 'eil bichiont,
A meaſg Bhreatonach :
Banc an oir bhi fuidh d' ſgoit,
Ann an cóir dhleaſdanaich,
Na th' ann, cha 'n é 'm beagan
I's é 'm freaſdal re d' ſtait,
Fuidh leagadh do lámh
'S gu freagradh do bheoil.

II.

'S tu marcach nan ſrann-each,
Is farramach ceum,

Le 'm fallaireachd fein
Gu farafta fóil :
Air dhiollait nan cúrfan
Bu dubailte freun,
'S tu bhuidhneadh gach réis,
A fhiubhladh an ród.
Na h' eich bhearrcafach chalma,
Bhiodh garbh cumachdail,
Is iad gu h anmadail meamnach,
Le 'm falbh gruilleamach,
Cruidheach, dlúth thairgneach,
Mear, ainfheafach, fuafgailteach,
Ceann-ardach, cluas-bhiorach,
Uallach gu leoir.

III.

B'e do roghainn a dh'armachd,
An targait chruinn úr,
Gu meanbh-bhallach dlú,
Bui tairgneach cruaidh feolt :
Is cloidheamh chinn airgid
Cruaidh, calma nach lúb,
Lann thana gheur-chuil
Gu daingean a'd dhórn.
Marri dag ullamh ghrad,
A bhiodh a fnap freafdalach,
Nach biodh ftad air a fraid
Ach bhi 'mach freagarach :
Fúdar cruaidh fgeilceara
Am feadan glé dhíreach,

A'd lamhan geal, míne,
'S coliomhar caol, gorm.

IV.

Bu chean-ard air feac thu,
An am gaifgidh no feum;

A b' fhiofrach gach feól.
A fhùair fóghlum is fáfan,
Is aiteas g'a reir,

A' cur aignidh am móid.
Ann ám fuidhe na cúirte,
No dúbladh an t feifein,

'S a chumadh a choir.

V.

VI.

Mín cannach do ghruaidh,
Mar bhara nan rós.
Cha 'n eil áilleachd air cách,
Nach d' thug pairt urram dhuit;

Gun chron ort a' fás,
O mhulach gu bróig.

VIII.

Do ſmaointine glice,

Do thuigſe ghlan, gheur,
'S deadh thuiteamas beoil;
Gun tuirſneadh, gun bhriſteadh,
Gun triobloid, fo'n ghrein,
A b' fhioſrach mi fein,
Is miſd thu bhi d' choir.
'S ioma gibht a tha 'nois,

An uaiſle le ſpiorad,
Air mhireadh a' d' cháil,

'S tu iriosal, baidheil,
Cinneadail, coir.

IX.

Gheibhte súd ann ad thalla,

Deoch thana gun druaip,
Is i fallain gu póit;
Bhiodh sunnd agus sarum
Air aire ann t sluaigh,

A teannadh r'a h ól.
Ann san tigh bu mhór seadh,
Leis nach dragh aithnichean,

Cupa 's gloin, canachan,
Coimhleirein airgid,
Dreois ghailtheach a'n cheir,
Feadh t aitreamh gu leir,
Is iad pailte gu leoir.

X

B'e do mhiann a lucha ealaidh,

Ann an talla nam buagh
Bu bharrail mu'n stor.

Cruite ciuil, torman úr,
Is é gu dluth ruidh-leumnach,

Bu bhian-fhoclach fuaim,
'Sa cha tilleadh tu 'n duais,
'Nuair a ſhireadh tu ceol.

XI.

'S iomadh ait' am bheil do charaid,
A d'fharaid mu'n cuairt,

Leis' na dhearbhadh lamh chrúaidh,
Is ris an d'earbadh gu leoir.
An t Iarlo' cliutach g'an dú'chas,

'Nuair bhuail an tacaid an feanalair,
Chuaidh a lot ann fan áraich,
'S dh'fhág cach a call foladh é,
Thug thu mach e air ghiulan,
'Sin an turn nach raibh aithreach dhuit,

X.

'Nuair a thainig a gháſaid,

Cumha' Chailein Glinn-iuthair

I.

SMAOINTEAN truagh a th'air m' aigne,
Dh' fhág orm ſmuaïrean, is airſneul,
Ann ám gluaſad am leabidh,
Cha chadal ach dúiſg,
Tha mo ghruaighean air ſeachda',
Gun dion uair air mo roſguibh,
Mu'n ſgeul a chualas o'n Appuin,
A ghluais a chaiſmeachd 'ud duin',

Fear Glinn-iuthair a dhí oirn',
Le puthar luchd mio-rúin,
Mo sgeul duthach r'a innseadh
Thu bhi 'd shíne' san úir,
'S truagh gach duine do 'd dhílsean,
O'n a chuaith do chorp príseil,
Ann ciste chuthainn, chaoil, dionaich,
'S ann an lín-anart úr.

II.

B'e sin an corp áluin,
'Nuair bha thu roimhe so 'd shlainte,
Gun chion cumachd, no fás ort,
Gu foinnimh, daicheil, deus, úr,
Suairce, foisinneach, fáilteach,
Uasal, iorasal, baidheil,
Caoineil, cineadail, cairdeil,
Gun chron r'a gh'rait air a chúl,
Lán do ghliocas, 's do leirsin,
Gu dana, miosnachail, treubhach,
Gach ait' an sirte gu feum thu,
'S ann leat a dh'eireadh gach cúis;
B'e do choimeas an dreagan,
Na 'n t seothag 'sna speurau,
Co bu choslach r'a cheile
Ach iad fein agus tu?

III.

'S cruaidh an teacair a thainic,
'S truagh mar thachair an drásta,

Nach do ſheachuin thu 'n t áite,
'N do ghlac am bás thu air thús;
Suas o chachuile ghàruidh,
Fhuair thu 'n tacaid a chráith mi,
'S gun do thaic a bhi laimh riut,
'Nuair ghabh iad fáth ort o'd chúl,
Air do thaobh 's thu gun chomhradh,
San ám 'n do chaochail an deo uait,
D' úil chraobhach, dhearg, bhoidheach,
A gabhail dorta 'na brúchd,
Le gniomh an amadain ghóraich,
A bha gun aithne gun eolas,
A chreic anam air ſtóras,
Nach do chuir ann trócair a dhúil.

IV.

B'e 'n croidhe gun tioma, gun deiſein,
Gun ádh, gun chineas, gun cheatamh,
A chuir lamh a'd mhille gun reaſan,
Le cion ceil' agus túir,
'Se ghlác mar chomhairl' an eucoir,
'S boc an gnothach mar dh'eirich,
Dh'fhág é ſinne fuidh euſlain,
Is e fein 'na fhear cúirn,
'S ge nach ſámhach a leaba,
Le eagal a ghlacadh,
Cha 'ne tha mi 'g acain,
Ach mar a thachair do'n chúis,
An t armun deus, tlachdmhor,
A tha 'n dráſt' ann Ardchátain,

An deis a chàramh an tasguidh,
Ann àite codail nach dúisg.

V.

'Se do chadal gu sioruidh,
A dh'fhág m' aïgne cho tiomhaidh;
'S tric smaointeana diomhain,
A tigh'n gu dian orm as úr,
'S trom a dh'fhás orm an iargain,
As goirte társa na 'm fiadhrus,
Mo chomh-alt áluin, deus, ciatsach,
An deis a reubadh gu dlú';
Mile molachd do'n laimh sin,
A ghabh cothrum is fáth ort,
A thug an comas do'n lamhach,
'Nuair chuir e 'n Spáinteach r'a shúil,
Sgeula soilleir a b' áil leam,
Gu'n cluinnt' am follais aig cách,
E bhi dol ri crommaig le fáradh,
Gus am miosa dha-sa na dhuinn.

VI.

Ge b'e neach a rinn plót ort,
Le droch dhúrachd o thoiseach,
Bu dana chúis dha tigh'n ort-sa,
Na do lota as úr;
Bha 'na rún bhi gu h olc dhuit,
'S gun a chroidh' aig aodan a nochdadh,
'S ann a thain' é sámhach mu'n chnocan,
'S a ghabh ort socair o'd chúl.

'S é mo dhiúthail a thachair,
Ann ám do'n fhúdar 'ud laſadh,
Nach raibh 'ad chairdean ann taic riut,
Na bheireadh aicheamhail diú';
'Sa liuthad ſiuran deus, tlachdmhor,
Nach gabhadh cúram ro' bhagra,
A chuireadh ſmúid ris an Appuin,
A chion gu'm faiceadh iad thu.

VII.

'S trom a pháigh ſinn an iobairt,
A chuir ar namhaid a dhí oirnn,
Ged' tha 'n aich'mhail gun díoladh,
Thig fhathaſd liondan mu'n chúis,
Chuireas cách ann ſtaid íoſail,
Airſon an aileagain phrioſail,
Bh' ann ſan áite mar fhírean,
A chleachd ſirinn is cliu:
'S boc an nuaidheachd r'a aireamh,
Gur ann an naſguidh a thà thu,
Nach d'thainic fhathaſd mu'n chás 'ud,
Na dheanadh ábhachd thoirt duinn,
Ach air fhad 's gam bi' dáil ann
Comh cheart 's tha mi 'g raite,
Bi'dh an fhalachd 'ud paighte,
Mun d' theid an gamhlas air chúl.

VIII.

'S iad na ſineachan laidir,
Bu mhaith a ghabhail do phàirti,

Ann Righ, is Diuc Earaghaidheal,
Nach fhaiceadh fáilinn ad' chúis,
Iarla dligheach Bhraidealban,
Air thús a tighinn gun chearbuich,
'S gur ioma' fear armach,
A sheas'adh calma r'a chúl;
Mac Caoi 's a luchd leanmhuin,
Leis an eireadh suinn nach bu leanbuidh,
Na laoich buidhneach, mhór, mheamnach,
Le'n lanna ceann-bheartach, cúil;
Mac Dhom'uil duith, 's cloinn Chamroin,
'S gu leoir a thighearnan ainmeal;
'S fhad o'n chuala' sinn seanchas,
Gu'n do dhearbh iad an cliú.

IX.

'S ghabh thu áite le órdugh,
Air páirt do Shrath-lochay,
'S cha b' ann air ghaol stórais,
'Na los am pórsan thoirt diú';
Ach a sheusamh an córach,
Le meud do cheisd air an t seors' ud,
'S an oidhre dleasnach air fogra,
G'am bu choir bhi sa' chúirt:
'S ge do theireadh luchd fáoineachd,
Gu'n raibh 'd aire-sa daonan,
Bhi sgainneart nan daoin ud,
Na 'n leigeadh sgaoilteach air chúl,
Chíte fhathasd a chaochladh,
Num suighe tu saoghal,

Gur é bhi tarruing luchd gaoil ort,
As gach taobh, a bha 'd rún.

X.

Bu tu croidhe na feile,
Dh' fhás gu tighearnail, ceut'ach,
Ann lathair britheamh Dhuineidin,
'S tric a reitich thu cúis;
'S oil leam caramh do cheud-mhna,
'S óg a banntrach ad' dheidh i,
Lion campar gu leir i,
O'n a dheug a ceile deus, úr;
Fhuair mi 'n fealladh nach b' aoibhin,
An uaigh mud' choinnimh 'ga reitich,
'S truagh gach comman thug fpeis dhuit,
O'n chuaidh tu fein ann fan úir,
'S gun dúil a nois' ri thu dh'eiridh,
'Se dh'fhág mife fuidh eu-flain,
Bhi 'n diu ag innfeadh do bheufan,
'S nach d' thig thu dh'eifdeachd mo fgiúil.

ORAN XVI.

Marbh-rann coilich.

I.

An cuala ſibh an t ſealg,
A bha ainmeal air feadh nam bailtean;
Rinneadh i ſan an-moch,
'S cha b' fhear dhuinn i bhi ſa mhaduin;
O'n a' bha i cearbach
Le dearbhadh, 'nuair chuaidh i ſeachad,
Cumaidh ſinn am foirm,
Gu'n raibh'n dorch ann, 's nach fheudta faicinn.
'S olc an obair oidhche,
Le coinnlean, ged' theid an laſadh,
Gunnaireachd dhaoin óga;
'S i ghóraich a thug amach iad.

II.

Chúal iad ſa h uil' aite,
Am breamas a rinn Páraic,
'Nuair a dh'innis é do chách é,
Gu'n d' thainig an croman-lachdan,
Bheireadh' é na bóidean
Gur mór é, 'ſa bhroileach glas air,
Is gu'n do luidh é direach
Air círein mulaich na h aitreabh.

Mur cumadh a' chomhl' é,
Gu'm biodh na h eoin air an fgapadh;
Nach mór a bhiodh beo dhiubh,
Gu'n leon mu'n d' thigeadh a' mhadain.

III.

Sin 'nuair ghlac an fealgair,
An gunna bh' air an ealchain,
'S chuir é luaith gharbh innte,
Dairearach do'n acfuin Shas'naich:
Chum é fúd r'a fhealbhan,
'S gu'm b' fhear gu'n rachadh i feachad,
'S ann a rinn é marbhadh,
A b' ainmic a leithid fhaicinn.
'Nuair a las am fúdar,
'S é 'n dúil gu'n dianadh é thapadh,
'Se coileach an dúnain,
A bha 'n a chrúban fa chlappail.

IV.

B'é fin an coileach boidhéach,
Bha cuid air fiamh an óir dheth,
Cuid eile mar na rófan,
'S bha móran deth mar an fneachda.
Bu leathan a chrógan,
B'é 'n fmógairneach é air faithche,
Bu ro-mhaith na bótan,
An rómaich' a bh' air a chofan;
Bha fpuir air a fpógan,
Bha córr a dh'ionnfuidh a' ghleachdaidh,

'Nuair a thigeadh Di-máirt',
A bhiodh cách a' feuchain an gaisge.

V.

B'é sin an coileach ceutach,

'S an uair a chuaidh a reubadh,
B' é 'n déisean leam bhi 'ga fhaicinn,
Cha leighiseadh leigh é,
'Sa chreuchdan a' dol am braisead,
Tonnan g'a fhuil chrao'aich,
A taomachadh as a chraicean.
An t sealg a rinn na daoine,
Gun saoireachadh fad' air astar,
Gun uchdach a dhíreadh,
Ach eidir a ghriósach 's an stairsneach.

VI.

'S an dithisd thug am bínne,
'S a dh' fhág é sin 'na shíneadh,
B' é 'm breitheamh rinn a dhíteadh
'S b'é 'n gíomanach rinn a leagadh,
'S cha 'n fhágadh iad shios é,
Nam suigheadh é fírinn is ceartas:
Cha d'rinn é riamh ea-coir,
'S deadh bheusan aige mar fhasan.
Theannadh é re eigheach,
Gu h eifeachdach 's sinn 'nar codal,
Is dhúisgeadh é gu leir sinn,
'S gu'n eireamaid ann sa mhadain.

VII.

Chuaidh litir a Shrath-eirion,
A dh' ionnfuidh nion Sheumais,
A dh' innfeadh ceart an fgeula,
Do'n té dhiubh air am bheil Sefi.
Gu bheil finn fuidh champar,
O'n ám an d' thainig an fneachda,
Mu'n choileach a chaill finn,
A's gann a dh' fheudar a fheachnadh,
O's té nach 'eil teann i,
'S nach ganndar a rinn i chleachdadh,
Gu'n dean i ruinn fábhor,
O's ámhaift rud a bhi aice.

VIII.

Beannachd aig an righbhinn,
A bha gu fuairce fiobhailt,
Nach do leig air di-chuimhn',
An fgriobha fin a chuir dha-thigh;
Chuir i gill 'an tír fo,
Le fioltaiche do na cearcan,
'S ghiulain é gu riomhach,
A ghibht phríofail ud na achlais.
Tha dreach an fhir a dh' fhág finn,
A fás air an fhear a th' againn,
'S o'n tha e na áite,
Saoilidh cách gur h é mhac é.

ORAN XVII.

Gun a mart mín a chraoimeas am blár,

IV.

Cha raibh mi gun airgiod gus an d' fhalbh e

Leis an te chrion nach do ſheal air mo chás,
Rinn i mo chreachadh 's bu pheacach an ní dhi',
Mis 'a chuir ſios, gun i fein chuir a naird.

V.

Na 'n leig mi dhiom é tuille gu bráth;
Ged' thig a marſant le phachda do'n tír,
Cha 'n fhaigh ſinn aon síon bhios aige air dáil.

VI.

'S ged' a bhiodh buaile mhart air mo ſgáth,
'Si rinn an eu-coir a bheiſd a thug uam é,
'S tha mi fu' ghruaim 'o mhaduin Di-mairt.

URLAR.

I.

An t urram thar gach beinn
Aig Beinn-dourain;
Na chunnaic me fuidh 'n ghrein,
Si bu bhoidhche leam;
Monadh fada, réidh,
Cuilidh 'm fuighte féidh,
Soilleireachd an t fleibh,
Bha mi fonruchadh;

A bha froineifeach.

'S aigeannach fear ea-trom,
Gun mhór-chuis,

Thá mhanntal uime fein,
Caidhtiche nach treig,

Bhios mar chomhdach áir;

Le eagal roimh theine,

Dh'fhag lan mi mhulad ſa ghruaim

An dreach, ſiamh, an cumachd, 's an ſnuagh.

XII.

Gun díth cur fal' ann a'd' ghruaidh,
Deud geal íobhraidh díonach, daingean,
Beul bídh nach canadh ach stuaim.

S iad líontach, soluist le chéil':

Gad' chumail am prís an Righ 's MacCailein,
'S tu ſhiol nam fear a bha 'n Sléit'.

XVI.

'Nam faighinn an dráſt do chóramh dainneann

Ge d' thigeadh é d' dháil, as m' fhágail falamh
Cha b' áill leam bean eil' a'd' dheigh:

Mu'n árdaich aileag do chléibh,
Ach rogha' gach márrain, grádh as furran,

VIII.

ORAN XXI.

I.

'A Mhárai bhán gur barrail thu,
'S gur barraicht' air gach feòl thu,
O'n thug mi gaol cho-daingean duit,
'S mi t fharraid ann s gach còmh'ail:
'S earbfach mi a d' cheanaltas,
'S na fhuair mi cheana d' chómhradh,
Nach urrainn cách do mhealladh uam
'N déis do gheallaidh dhamh-fa.

II.

'S chuala mi mar fhean-fhocal
Mu'n darach, gur fiodh còrr é,
'S gur geinn dheth fhein 'ga theannachadh
A fpealtadh é 'na òirdnibh:
'S mi 'n dúil, a reir na h ealaidh fin,
Gur maith leat mi bhi d' fheórfa,
Nach tréig thu mi, 's gu 'm faigh mi thu
Le bannaibh daingean pòfaidh.

III.

'S é chum an raoir mi m' aithreachadh
An ſpéis a ghabh mi òg dhiot ;
Bha ſmaointean tric air m' aithre-ſe
Mu'n ainnir a's fhearr fóghlum :
Cha 'n 'eil cron r'a áireamh ort,
O' d' bhárr gu ſáil do bhróige,
Ach ciallach, ſialaidh, fábhorach,
Air ſiamh do gháire 'n còmhnuidh.

IV.

'S do chúl daite lán mhaiſeach
M' an cuairt a d' bhráigh 'n órdugh,
Air ſniamh, mar theuda clárſaiche,
'Na fháinneachaibh glan nóſar :
Gu líth-dhonn, pleatach, ſár-chleachdach,
Gu doſach, fáſmhar, dómhail,
Gu lúbach, dualach, bachlach, guairſgeach,
Snaſmhor, cuachach, ór-bhuidh.

V.

Tha t aghaidh nárach bhanail,
Dá chaol mhaluidh mar ight eoin ort ;
Roſga réidhe fallaine,
'S dá ſhúil ghorm mheallach mhóthar :
Do ghruaidh mar chaoran meangain,
A thug barrachd air na róſan ;
Do dheud geal dreachmhor meachair grinn,
'S do bheul, o'm binn thig óran.

VI.

Tha do phóg mar úbhlan gárraidh,
'S tha do bhráigh mar an neoinein;
Do chíochan líontach mulanach,
'S an sít 'g an cumail cómhnard:
Corp feamh, geal, gneadhail, furanach,
Deadh-chumachdail, neo-fpórfail;
Do chalpa cruinne, lúthora,
'S an troigh nach lúb am feoirnein.

VII.

'S é 'm fáth mu'm biodh tu talach orm,
Gur ra-bheag leat mo ftóras:
'Bha dá-rud-dheug a' tarruing uam
Na thionail mi do phórfan.
Bhiodh ól, is féifd, is banais ann;
Bha ceól, is beus, is ceannaichean,
'N fhéill, 's na gibhte leannanachd,
An amaideachd 's an óige.

VIII.

'S a nis' nam faighinn marram thu,
Cha leanainn air an t feól fin;
Dheanainn áiteach fearainn,
Is crobh bainne chur mu chró dhuit:
Mharainn iafg na mara dhuit,
'S am fiadh fa' bhealach cheòthar
Le gunna caol nach mearachdaich,
'S a mhealladh fear na cróice.

IX.

'S mór an gaol a ghabh mi ort
Le ra-bheagan a d' eólas,
'S mi 'n dúil gur tu bu leannan damh,
'S nach mealladh tu mi m' dhóchas:
Ge d' bhiodh am bás an caraibh dhamh,
Gun bhar'ail ri tigh'n beo uaith,
'S é dh'fhágadh slán mi 'n righbhinn mhálta,
Márai bhán o Lóch-lairig.

'S cha 'n áill leat am buachaill',
'S cha 'n fheairde fear-fuadain
Bhi cruaidh air do thóir.
'Si nìon, &c.

Cha taobh i fear idir,
Air eagal mo thriobloid;
'S cha toilich té miſe
Ach iſe le deoin.

A dh'iunnſacha' beurla,
'S cha 'n fhág mi thu t éiginn,

  Cha 'n fhuath leam do ſheól.
    Si 'nion, &c.

'S é mheaduich mo ghaol ort
Gu'n d' fhas thu cho-aobhach,
'S gu'n leumadh tu daonnan
  Cho-eutrom 's na heoin.
    'Si nion, &c.

'Si 'n togarrach lao'ach
A thogainn mar roghuinn,

Hem o, &c.

'S diomach mi do'n ghile-mhártuinn,
Bha-cho'-dána 's dol 'na caruibh.
Hem o, &c.

Feuduidh na h eunlain bhi róichdeil
Ag itheadh a feóla 's a faille:
Hem o, &c.

Cha 'n 'eil eun a laidh air fulachd
Nach raibh umad ann an cabhaig.
Hem o, &c.

Am fear ruadh a chuir gu bás i
Thug é páirt dhith hun na garuidh.
Hem o, &c.

'Nuair a ránuig mis' an ár-fhaich',
Cha raibh láthair dhiot ach faileas;
Hem o, &c.

Is bha 'n olann air a pealladh.
Hem o, &c.

Nach d' theid mi 'm freaſdal a-ceanail.
Hem o, &c.

Thig mi dhathigh leis na gheibh mi,
'S tomad deth co-mhór ri gearran:
Hem o, &c.

Foghnuidh ſúd damh cór as bliadhna
Chumail ſniamh ri nian a' bharain;
Hem o, &c.

'S 'nuair a theid é fuidh na ſpáluibh,
Ni i fábhor rium a bhain-fhítheach.
Hem o, &c.

'S ioma' té ni aodach guamach
Ach cha luaidh i é gun chearthar.
Hem o, &c.

Th' uile gruagach tha 'n Gleann-éite
Dh' fheumainns' iad a thigh'n do'n bhaile;
Hem o, &c.

'S 'nuair a chuireas mi air ſeól iad,

'Nuair a theannas iad re fúchdadh,
Cha bhi túchadh air an anail;
Hem o, &c.

'Nuair a ſhuidheas iad air cléidh,
Gu'n cluinnt' an eughach thar na beannuibh;
Hem o, &c.

Nuair a ſheinneas iad na h órain,
Cuiridh iad na h eoin an crannuibh;
Hem o, &c.

Nuair a theannas iad ri luinneag,
S binn' iad na guileag na h eala;
Hem o, &c.

'S mór is binne fuaim nan níonag
Na ceól píob air thús a' phannail;
Hem o, &c.

Bithidh a túrn an láimh gach té dhiubh,
'S bithidh a beul a' ſeinn na h ealaidh;
Hem o, &c.

Té ri búrn, as té ri móinidh,
Té a' cur ſeól air an ainneal,
Hem o, &c.

Té ga phoſtadh ann an túbadh
Té 'ga luidreadh, té 'ga ghlanadh,
Hem o, &c.

Dithis 'ga ſhlachdadh gu láidir,
Dithis 'ga fháſgadh gu gramail,
Hem o, &c.

Ach mu'n cuir iad as an lái' é
'S cinnteach mi gu'm fás é daingeann;
Hem o, &c.

Nach raibh h eug'as ann ſan fhearan:
Hem o, &c.

Bha i riathach, 's bha i lachdunn,
Bha i cais-fhionn, 's bha i cean-fhionn;
Hem o, &c.

Bha i croidh-fhionn, 's bha i bótach;
Bha geal mór air bár a breamain.
Hem o, &c.

'Nuair theid mi ſhealltuinn nan caorach,
Iundraichidh mi chaora chean-fhionn;
Hem o, &c.

S' mifde mi gu'n d'rinn i m' fhágail,
'S b'fhearrde mi i 'm fad 's a dh'fhan i;
Hem o, &c.

Cha do leig i riamh an fháiling'
Ann am árdaich, fhad 's a mhair i;
Hem o, &c.

'Nuair a rachuinn chum na h áiridh,
Chuireadh i na tráighean tharum,
Hem o, &c.

'S ro-mhaith thogadh i na páifdean,
Bhiodh iad fáthach 'nuair bu mhaith leam.
Hem o, &c.

'S mife bha air bheagan faoithreach
'M fad 's a bha mo chaora mairtheann:
Hem o, &c.

O'na tháinig ceann a faoghail,
'S eigin damh bhi daor fa' cheannachd.
Hem o, &c.

Gu'm bu flán do'n ch// cháta' chaorach
As an d' tháin' a' chaora cheann-fhionn;
Hem o, &c.

'S an té o'n d'fhuair mi i 'n toifeach,
'S ro-mhaith chofainn i mo bheannachd.
Hem o, &c.

Beannachd leis an rud a dh'fhalbhas;
Cha 'ne 's fhearr dhuinn ach na dh'fhanas;

'S fhearr bhi criodhail leis na dh'fhuirgheas,
Na bhi tuirſeach mu na chailleas.
Hem o, &c.

II.

'S math a thig an airm-ghaifge dhoibh
'S iad fafanta ga'n giulan.
'S toil-inntinne r'am faicinn
Na lafgairean glan úra,
Nuair thog iad píob is brataichean
Air machraichean nan dú-ghall:

IV.

Is innfidh mi le barantas
O'n a b'aithne dhomh o thús fibh,
Air chruas an áit' an tachair fibh
Cha chéim air ais air dú'chas:

'S iad neartmhor beachdail ardanach
Gu reachdmhor láidir lúgh'or.
'S daoin' uaiſle ceart tha fás ann
Nach eil fáillinneach na lúbach,

Ag iomain cháich gu'n dú'lan.

Is fearr a th' anns na búithin.

VIII.

IX.

Tha ſuaicheantas na h-ALB' agaibh
Is dh' fhalbh ſibh leis gu ſunntach,

An luigh is gairge riaſgaiche
A bha riamh am meaſg nam flúran,
Is ceann na muice fiadhaiche
A leag Diarmad 's a choill údlaidh.

X.

ORAN XXX.

Cumhadh Iarla Bhraid-Albann.

I.

'STRUAGH r'a éisdeachd an sgeul
Fhuair mi féin tuille 's luath.
Rinn an t-eug ceann na céille
'S nam beus a thoirt uainn.
Cha 'n'eil léigh tha fo 'n ghréin,
Dheanadh feum dhuit san uair:
'S bochd a'd' dhéigh sinn gu léir,
'S cha 'n'eil feum bhi 'ga luaidh.

II.

Tha do chairdean láidir líonmhor
Anns gach tír a tha m'an cuairt;
So na dh'fhág an aigneadh íoſal,
Do chorp príſeil bhi ſan uaigh;
Is iad mar loingeas gun bhi díonach,
Fad o thír air druim a' chuain:
'S tuſa b'urrainn an toirt ſábhailt,
Ge do bhitheadh an gábhadh cruaidh.

III.

'S ann an diugh a chaidh do cháradh
'An ciſte chlár 'ſan leabaidh 'uair.
Is muladach a'd' dhéigh an tráths'
A' chuid is airde do d' dhaoin' uaiſl'.
Tha gach duin' agad fo phrámh,
'S goirt an cás am bheil an tuath.
'S iad do bhochdan a tha cráiteach:
Thugadh an taic láidir uatha.

IV.

'S iomadh dílleachdan óg falamh
Bha le h-ainnis air dhroch ſhnuagh,
Seann daoine 's bantraichean fanna
Bha faotainn beathachaidh uait.
'S ann bu truagh a' ghaoir a bh'aca
'S deoir gu fraſach air an gruaidh,
Caoineadh cruaidh, is bualadh bhaſan,
'S bhi toirt páirt d'am falt a nuas.

V.

'S muladach an nochd do dhúthaich,
'S dubhach túirseach tha do shluagh:
Cha 'n ioghnadh sin, 's mór an diubhail
An tionndadh so thigh'n oirn co luath;
Am fear a b'ábhaist bhi le dúrachd
Gabhail cúram dhiubh gach uair,
Dh'fhág iad 'na laidhe san úir e
Far nach dúisg e gu la Luain.

VI

'S ann an tráthaibh na Feill-bríde
Tháinig críoch air saoi nam buadh.
'S lom a thug an t-eug an sgríob oirn,
Och mo dhíth cha teichd a luath's!
Bhuail an gath air flath na fírinn
Bha 'gar díonadh o gach cruas:
'S goirid leinn do ré san áite,
Gad' their cách gu robh thu buan.

VII.

Cha do sheall thu riamh gu h-íosal
Air ni chuireadh síos an tuath.
Bu chúl-taic dhoibh anns gach áit thu;
'S tu bha ghnáth 'gan cumail suas.
Cha bu mhiann leat togail úlaidh;
Sin a' chúis d'an d'thug thu fuath.
Bha thu faotainn gaoil gach duine,
'S ghleidh thu 'n t-urram sin a fhuair.

VIII.

Bha thu léirſinneach le ſuairceas ;
Dh'fhas a'd' chom an uaiſle mhór.
Ciall is miſneach, marre cruadal,
Fhuair thu 'n dualchas ſin o d' ſheors'.
Bha thu fioſrach, glic, neo-luaineach;
Bha t'inntinn buan anns a' chóir.
O 'na thug iad air ghiúlan ſluaigh thu,
'S aobhar ſin a luathaich deoir.

IX.

Cha 'n'eil ei'neas ann am Bealach ;
Cha 'n'eil farum ann na ceól ;
Daoine dubhach, 's mnathan galach,
Is iad gun ealaidh ach am brón,
O 'na chaidh do ghiúlan dachaidh
O 'n mhachair air mhúthadh ſeoil ;
'N áit' an éidigh ſin a chleachd thu,
Ciſte, 's léine, 's brat do'n t-ſról.

X.

'Nam bu daoine bheireadh dhinn thu,
Dh'éireadh míltean air an tóir :
O bheul Tatha gu Lathurn íochdrach,
Sin fo chís duit agus cór :
Far an d'fhás na gallain fhíor-ghlan,
Is iad líonmhor ann gu leoir,
A rachadh togarrach gud' dhíoladh,
Nach obadh dol síos le deoin.

XI.

'Sann tha chúis ni's fearr mar tha i,
Dóchas láidir thu bhi beo
Am meafg nan aingeal a tha 'm phárras,
Ann an gairdeachas ro-mhór.
Gur e 'n Ti a ghlac air láimh thu
Thug fan áite fin dhuit cóir
Air oighreachd a's fearr na dh'fhág thu,
'An áros ághmhor Righ na glóir.

XII.

Gad' tha 'm fear a thig a'd' áite
Thall an tráths' thar chuantan mór,
Guidheam dlú gu'n d'thig e fábhailt
(Soirbheas ard re cúl gach feoil)
A dh'fhaotainn feilbh air an t-faibhreas
'S air an oighreachd fin bu chóir,
A ghabhail cúram ga chuid fearainn
'S ga chuid daoine is fean óg.

ORAN XXXI.

O'n tha finn le gloineachan lán,
A' bruidheann air mánran binn,
So i deoch Slainte Mhontrofe,
A fheafamh a choir fo dhuinn.'

II.

III.

Deich bliadhna fichid is corr,
Bha casag do'n chlo m'ar druim,

'S cha bhuineadh an seors' úd dhuinn'.
Buchdaill a' dúna ar bróg,
'Se 'm bar-ial bu bhóiche leinn,
Rinn an droch fhasan a bh'oirnn,
Na bodaich d'ar 'n oigridh ghrinn.

IV.

Mhill é pairt d'ar cumachd
O'n bhlár, gu mullach ar cinn.
Bha sinn co lán do mhulad,
'S gun d'fhas gach duine gu tinn,
'S ann a bha 'n cás co duilich,
'Sa thainig uile re'm linn,
'Nuair a rinn pairte Lunduinn,
Gach ait' is urram thoirt dhinn.

V.

'S fhada bha 'n onoir air chall,
Is fasan nan Gall oirnn dlú,
Cota ruigeadh an t sail,
Cha d' tigeadh é dachail dhuinn'.
B'eigin d'on bhrigis bhi ann,
'N uair a chuaidh ar comannd cho ciuin
'S gun drinneadh gach fine nan tráill,
'Sgach fireannach fhagail ruisgt.'

VI.

Tha ſinn anois mar as maith leinn,
'S gur ard ar caraid ſa' chuirt,
A chuir air na daoin' am faſan,

Beannachd gu brath d'on Mharcus,
A thagair an dráſt ar cuis.
F'huair é gach dlighe air ais dhuinn',
Le ceartas an Riogh ſa chrúin.

VII.

F'huair e dhuinn' comas nan arm,
A dheánamh dhuinn Sealg nan Stúc,
'S a ghleadha ar daoine ſa champ,
Le ſagail an naimhdean brúit.
Thogadh e miſneach nan clann,
Gu iomàirt nan lann le ſunnt,
Piob, is bratach re crann,
'Si caiſeamachd ard mu rúin.

VIII.

F'huair ſinn cothrom an dráſt,
A thoileichis gradh gach dúthch',
Comas ar culaidh chur oirnn,
Gun fharaid do phór nan lúb,
Tha ſinn anois mar as coir,
Is taitnidh an ſeol r'ar ſuil,
Chuir ſinn' am brigis air lár
'S cha d'tig e gu brath a cuil.

IX.

Chuir ſinn a ſuas an deiſe,
Bhios uallach freagarach dhuinn',

Is peiteag d'on eadach úr.
Cót a chadadh nam ball,
Am bitheadh a' charnad dlú',

'S nach ruigeadh mar réis an glún.

X.

THE END.

Oran Jain Faochag. Le D. Macantsaoir.

Jain Faochag ann an Saſſunn,
Smor a mhaſladh is a mhichliu:
Chaill e na bhaige do chairdean,
'S tha naimhdean air cinntinn lion'or,
Ge b' fhada theich e air aſtar,
Chaidh a ghlaca, 's tha e cioſnaicht,
Chairich iad e fo na glaſſan,
'S tha niuchair taiſgt aig maor a phríoſuin.

Tha e niſe' 'n aite cumhann
'Se na chruban dubhach deurach
A chas daingeann ann an iarunn
Ga phianadh is e na eiginn;
Baſadh dha bhi ann ſan fhia'rus
Na 'n iargain a tha na chreubhaig,
S' e 'n ſin o cheann cór as bliadhna,
A h uile la ag iarruidh réite.

Ach na'm faidhe' tuſa reit'e,
An eirig na rinn thu ſheanachas,
Baobhar miſnich do gach beiſt é
Gu'm feudadh iad fein do leanmhuinn;
Fear gun ſeadh gun laodh gun reaſan,
Sann ſan eacoir a tha tearbſa,
Theann thu mach o achd na cleire,
'S thug thu moid nach eiſd thu Searmain.

Thug thu di-meas air air an Eaglais,
Air a Chreidimh 's air na faínndean
Chuir thu breugan air an Trionaid,
'S air na h iartaſan a dh'ág iad;
Tha e nis na ghnothach coſail,
A reir an t ſhoiſgeil tha mi cláiſinn
Gun a chuir thu cul ri ſochair,
Na ſaorſainn a choiſinn air Slanuigh'ear.

Chuir thu cúl ri'd mhoidean-baiſde,
'S mor a maſla' dhuit an áicheadh,
Chaill thu chuirt am biodh an ceartas
Raoinich thu 'm peacadh na háite

Ghleidh thu 'n riaghailt ſa'n ſeol ſtiuraidh,
A bh'aig Judas do dhearbh-bhrathair,
'S mor an ſgainnil air do dhuthaich,
Thuſa bhruit gu'n d'rinn thu fás innt.

Ach ga do Sheallta huile doire
Cha raibh coille riamh gun chríonach,
'S tha fios aig an t ſaoghal uile
Nach bi choill uile cho direach :
S' tuſa chraobh tha'n diaigh ſeachda,
Gun chairt, gun mheangain, gun mheuran
Gun, ſnothach, gun bhri gun duilleach,
Gun rúſg, gun urad nam freumhan.

'S tu 'n teun a chaidh ſan deachamh,
'S e'n nead creacht' an deacha t' fhagail,
'S tu 'm fitheach nach d' rinn an ceartas,
A chaidh air theachdaireachd o'n airce :
'S tu 'm madadh-alluidh gun fhiaclan
'S mairg a dhiarradh bhi mar tha thu,
'S tu 'n Ceann-cinnidh aig na biaſtan,
As tha gach duin a 's fhiach a tair ort.

Cha 'n ioghnadh leam thu bhi'd bhalaoch
Is bhi ſalach ann ad nádar
O'n a lean thu ris an duthchas
A bh' aig na ſgiurſairean o'n d' thain thu
'S tu an tiſean a fhuair an túmaidh
Ris an t ſiurſaich air na ſráidean,
Si 'n droch-bheirt a thog ad chloinn thu,
Sann ad ſhlaoightire chaidh t árach

Thoiſich thu 'n toiſeach gu hioſal,
Air a chrine 's air a bhocluduinn,
'Sé 'n donas a thug dhuit bhi ſpórſail,
'Sann bu choir dhuit bhi gad choiſneadh ;
'S olc nach d' fhan thu aig do dhú'chas,
Ad bhriu'air a bruich nam poitean,
A cumail dibhe ris gach Grudair
Nuair a dhruitheadh iad na botail.

Bha thu greis ad thím ad Bhaigeir,
'S laidh thu 'n fhad ſin air na cairdean,
A bhi' oidhch ann ſgach tigh as duthaich,
A dhuraigeadh cuid an trath dhuit;
Mhead ſa bha do dh' ainmheach ortſa,
Chuir thu cuid nam bochd ga phaidheadh
Ciod é nis' a chuir an ſtoc thu,
Ach an robaireachd ſa mheirleadh.

Shaoil thu ga'm faitheadh tu achain
Bu mhaſlach ga'm biodh i'd thairgſe,
Cead ſuidhe 'm Parlamaid Bhreatan,
Gun chiall gun cheartas ad teanachinn;
Duine dall a chaidh air ſeachran,
Nach eil beachdail air na s'fhearr dha,
Le comhradh, tubaiſdeach tuiſleach,
'S le ſior dhroch thuiteamas cearbach.

Duine gun fhearann gun oighreachd,
Gun ni gun ſtaoile gun airgiod,
Gun bheus gun chreideamh gun chreideas,
Gun ghin a chreidis a ſheanachas;
Duine miſgeach briſteach breugach,
Burri tha na bheiſd ſna ainmhidh,
'S trioblaid inntin air itheadh deiſneach,
Gu tric a teumadh a chroidhe chealgaich.

Tha thu ſonraicht ann ad chonan,
A togail conais a mioſg dhaoine.
Cha chualas roimhe do choimeas,
A bhi dhonas air an t ſaoghal,
Ach an Naitheir an Gara-Edain,
A mheall Eubh aig bun na craoibh
A chomhairlich gu buain a mhios i
A dh' fhag ris an Cinnea'-daoine.

Thoiſich thu 'n toiſeach ſan eucair,
Ag innſeadh bhreugan air Ri'-Deorſa,
Cha chreid duine uait an ſgeul úd,
'Scha d' thoir iad eiſdeachd ad cho'radh;

'S beag a dhruitheas do dhroch dhurachd,
Air oighr' a chruin is na córach,
Sa liuthad neach a tha gu toileach,
A toirt onorach ga mhorachd.

Ga beag ortsa Moroir Loudin,
Baithne dhamhsa 'n fónn o'n dh' fhas é,
Duin-uasal fuiſinneach fonn'ar,
Criodh cónnar, aigneadh arda,
Seanailear air thus na harmailt,
A bha ainmeil ann sna blaraibh,
Cha mhisd é madadh air bhaitheal
A bhi tabhunnaich an trás'ris.

'S górach a labhair thu moran
Air cúl Jarlo Bhoid an tamnunn,
Co'ſball onorach le firinn,
A seasamh na rioghachd gu laidir,
'S e gu hard urramach priseil,
Ann an cuirt an Riogh sna Banriogh'n,
Achaindeoin na Faochaig 's na 'm biasdan,
Leis am b' fhiach dol ann am pairt ris.

Bhruithin thu gu leir mu Albainn,
'S b' fhearr dhuit gu 'm fanadh tu samhach,
Na 'n d' tigeadh tu choir na 'n garbh chrioch
Bu mhairg a bhiodh ann ad aite,
Bhiodh tu 'm priosan re do lathan,
Dh' aindeoin na ghabhadh do phairtse,
'S an eiric na rinn thu dhroch-bheirt,
Bheirte chroich mar ghalair bais duit.

Cha 'n ioghnadh dhuit bhi fo mhulad,
Fhuair thu diom gach duin an ál so,
Se sin fhein a bha thu coisneadh,
'S creutair crosd thu o'n dh' fhas thu,
'Slionar mio-run ann ad chuideachd,
Mallachd na Cuigse sa Phap ort;
Mallachd an tsaoghail gu leir ort,
Sino mhallachd fhein marri' cach ort.

FHUAIR mi Sgeul air Muintir Hoptoun,
Cha ſgeul beag, e.
Is Dona b ſ hiach iad riamh an togail,
Sluagh nach freagradh
Gealtairean nan eadan boga
Siol na bleide,
A dh iarras paighe's, nach dean obair
Leis an Eagal.

Dhiarradh orra dol do Shaſgan
Ann Chinſeal Cogaidh,
Gu faigheadh iad ſaor An t Aiſeag,
Air ghaol ſocair,
Leag iad ar Caoineadh 's air baſraich
S'trom an oſnaigh,
Tha iad ren ſaoghal ſu mhaſladh,
Dh' f haiteadh an Crochadh.

Ma gheibh na Gaidhail an tairgſe
Fhuair na daoine ud,
Cha ſoradh iad druim no fairge,
Le ſeol gaoithe,
Siuibhlaidh iad Saſgan is Albain;
Sunntach eatrom
Gun fhiamh gun eagal gun Chearbaich,
Gun Leiſg Saoithrech.

Sliochd nam fineachan is ainmeil
Tha ar an t Shaoghal,
Is mor an Cruadal a bha ann earbſadh
Riu'a Daonnan,
Is onair d'ar Duthaich gun d fhalbh
Sibh thighin an taobh ſo,
S'ann an traths tha Cuis re dhearbhadh,
Is cliu ra fhaotain.
